## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of "Stories From Heaven", many Revelations describe edifices to be built on Saint Joseph's Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a "City Of God". Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God's Plan in a monetary way. Donations became less and less, because the men in the Church said, "Don't give." They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men's lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of "Stories From Heaven" continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.**

**THE HOLY TRINITY**

**“My son, the time has come in the world for mankind to understand, not the freedom as he expects it to be, but the freedom in loving Me, the freedom of truth, the freedom of obedience, the freedom of understanding, the freedom that self-discipline gives.**

**Man tends to exaggerate his bondage when he ties it in with loving Me. When a child is in love with Me, there is nothing but freedom for him. He feels a peace, a solitude, a Grace, a tranquillity, a love, an awareness of all things. Bondage is when man ties himself down to sin, to deception, to abuse, to hiding, to constant concern to what is next for him.**

**Please, My son, let your heart grow in a flame of love for Me. Let the flame you have now grow to a size you cannot see. It is the Will of The Father for thee.**

**There are so many men searching for reality, for safety, for consciousness of truth. They are looking in wrong areas, angles, and dark corners. They**

are looking to man. Man is not capable of full truth, full knowledge, full love. Man is limited in his capacity to extend the real greatness of the physical life.

**A**s the will of man was the main force to be born, a force injected by The Father, man must use this force, through the physical life, to attain Heaven. It is the will of man that decreases the Grace or increases the Grace. You have the will to eat or not to eat. You have the will to kneel or to not kneel. You have the will to Honor Me or to not Honor Me. You have the will to sin or to not sin. You have the will to accept truth or untruth.

**I** have given you this freedom of will. It was an ultimate Gift at the touch of conception. It is this to all men: free to accept, free to trust, free to love, free to serve. This is to be taught with dignity. It is to be seen by all men. This is to be given as a point to all children to understand. Gory detail, horrible results do not encourage truth.

**Y**ou are loved, My son, much, for your desire to please The Trinity, for your childlike manner to The Saints and to Us. There are many children yet

**that must follow as you have learned to follow. It is only the beginning for you and for man, but there has to be an awareness sparked by love for Here. There has to be an awareness of Truth that is Here. There has to be a seed planted, to be nourished by Here.**

**Sometimes a man's will becomes so in habit of self-love, it is difficult to break him of the habit. He makes excuses for things he does not want to understand. This is where prayer is your weapon to counteract satan's hold. Satan says, 'Love yourself.' I say, 'Love The Trinity.' Satan says, 'Enjoy yourself.' I say, 'Enjoy the beauty of using the physical way to return to Me one day.'**

**Whenever you receive The Holy Eucharist, you receive a Transfusion of Divine Love, Divine Body and Blood, into the natural means. What Greater Gift can man receive than This? When you hold the Holy Rosary, the power of its beads, the love they are, the truth they are, gains you Grace nothing else can give. Oh, My son, what more could you have to gather strength from, than The Holy Eucharist, the Holy Rosary, and love for Us? So be it."**

## SAINT JOSEPH

**“What is communion? Man says he has a definition for it. He sometimes calls it ‘a joining’. Some men even say, ‘It’s kind of a participation.’ Some men would immediately say, ‘Holy Communion.’ Some men would not be familiar with the word in any way.**

**I ask you now to visualize communion with God, through prayer, through acts of love, through thoughts. Make it a habit that each day you will be conscious of communion with Him. To secure this communion, receive Holy Communion. Make it a must, make it a trust, make it a habit with you. When you do, you will find a peace, a joy, a tranquillity, an understanding, a giving, a thinking, and yes, sometimes even a warmth of love.**

**My children, I, Saint Joseph, speak firmly to you today, but with understanding. Sometimes all a child needs is an awakening to truth, an awakening to meaning, an awakening to what is best for him. When you are cold you demand heat. When you are**

**warm you seek coolness. When you are hungry you seek food. When you are tired you seek sleep. When you are spiritually void you must seek God. Use your will in this way, as you do for physical needs. Keep this in mind at all times.**

**I bless you with My Love and with the strength to grow deeper in love with The Trinity. So be it for now.”**

MARCH 18, 1971 AT 11:15 A.M.

## OUR BLESSED MOTHER

**“My beloved daughters, I am The Queen Of The Most Holy Rosary. I address you today in a cherished way, in a way of complete Truth of Sanctity. You must listen to What I have to say, and as you do, promise yourselves that you will change in little ways, that you will ask for more help from The Father, that you will seek more trust in Him, and that you will begin to follow His Plan in a greater degree so that your Souls will return to Him, glorious in victory.**

**Do not take the little ailments of the physical life so fearfully. Please, My children, give strength in all things. Offer to Him any feeling you have, any adversity you are aware of, and seek His Hand, His Help, His Love, His Trust, to guide you, to guard you, to help you withstand the little things you fear. Remember, My children, God Is All Things, God Is All Love.**

**When the time comes for you to receive The Holy Eucharist, do not make excuses that you cannot**

**receive. Do not be frightened, but ask at this time that The Father will understand you. If you feel that The Holy Eucharist is not for you, then receive It spiritually from Him. Gain the Grace that such a Communion can give.**

**My beloved daughters, the Holy Rosary, a weapon against the evil one, is for all mankind to hold, to say, to respect, to love. Let other men know you are dedicated to Me through this way. You are loved in so many ways. Do not feel weakness, but feel strength. Do not act weak, stand strong. Do not intimidate yourselves in this way by saying, 'I cannot do it,' but say, 'I can do it.'**

**I bless you with My Motherly Love, in a Heavenly Way, with God's Truth for you each day. So be it."**

MARCH 22, 1971 AT 2:50 P.M.

## OUR BLESSED MOTHER

**“The fruit of a good life is what you can see of good at the end of the time. The fruit of labor is usually shown by the results. Is this not so?”**

**I am your Beloved Mother. My speaking to you in this manner is unusual to you; in many ways, unknown to you. I speak from the Heavens to you, for you, with you. My Voice carries through *the child* to you. She is an instrument of God for mankind. My Purpose in speaking to you this way is this: Have in evidence My Holy Rosary for all men to see, to remind them of Me. My daughters, do not take a chance on walking alone. It would not be good, not be safe. There are too many enemies for you to face, so take Me wherever you go.**

**The Beloved Saint Joseph must be shown to the world, throughout the world, for the Place He has in Heaven, for the Power He is, for the Love God has for Him. He walked the path of obedience and of truth. All men must pray to Him, love Him, honor Him, for**

**His Life did bear much fruit. Through His Trust in The Father's Way, through His Love for Divine Way, through His Obedience, He followed a Plan designed by God for all men.**

**My daughters, I do not want this time with you to be forgotten soon. I want you to remember what it is, the beauty it is, the fullness it is, and I want you to remember the truth it is for your Soul. The Holy Eucharist must be a daily act of love with you. It is The Father's Will. He gave the Ultimate Gift to mankind. Partake in It, accept It, love It, cherish It, be one with It. It is Truly Divine.**

**As I leave, I ask each child here to be conscious of how you walk, what path you are on, and how many Souls you can lead God's Way. Do it gently, do it kindly, do it firmly, do it lovingly, do it humbly.**

**I give you a Blessing, The Father's Will, to bless you in His Name. I give you the Heart of The Son. Pray to It, love It, let It be One with yours. I give you The Holy Ghost, the Light you must follow Here. So be it for now."**

MARCH 24, 1971 AT 11:15 A.M.

## SAINT JOSEPH

**“Heaven beckons you and says, ‘Listen well, pray much, and bend your wills with The Father’s.’ I am truly Saint Joseph. You have never come upon such a Miracle before. You have never heard Direct Words as This before.**

**The time has come for man to draw a pattern, a plan of Spiritual way. You are used to looking only to what surrounds you, what you see, what you feel. Sometimes you forget the Real Part of you. You were born of The Father’s Love. You were given a desire for knowledge. Not all knowledge is truth, so I suggest to you to pick out the truth and find inner Spiritual growth.**

**Man says, ‘I am not happy.’ God says, ‘You can be if you will but learn more of Me.’ You see, My children, real happiness, real growth is to become aware of Divine Love, Divine Way, Divine Truth. It is a communion of prayer, learning more of what it is**

**to be in the Grace of God and in the Light of The Holy Ghost.**

**No other gift in the world compares in degree, in beauty, in love, as The Holy Eucharist does. It is a Transfusion of Divine Body and Blood with natural means. It is more than a Host, It is more than mankind knows. Never deny yourselves this Gift. Be sure you include It daily, to give you strength, to give you courage, to show you purpose, to make you think of the Importance of your Faith, your direction, your way.**

**There are many knowledgeable men who have little or no wisdom. Books written by other men tend to display their thinking, their findings, their final analysis. The Ten Commandments were from God. They are the pattern for your life. *'The Our Father'*, given to you by The Son of God, is complete with love, wisdom, truth. Say often this prayer, add to it *'The Divine Praises'*, and combine this with *'The Ave Maria'*, along with the mighty prayer to the beloved Saint Michael. Never scoff at these prayers, never deny saying them, never refuse to spend time in this way.**

**My children, I come to you today to bind you to The Heart that has bled for all mankind. It is not a bondage, but a free love of truth. God's enemy binds you, for he entices you to cater to your weaknesses and to become weaker with them. The Trinity is constantly alerting you to become stronger in God's Way. My children, as you go today, be prepared to gain interiorly, more love, more satisfaction, more trust, God's Way.**

**I bless you with a Heavenly Sign, with Grace to accept God's Love. Do not let stubbornness or self-will blind you to truth. So be it for now."**

APRIL 14, 1971 AT 11:30 A.M.

## OUR BLESSED MOTHER

**“My daughters, I am your Beloved Mother. I am known under many Titles. The one I favor is Mother. As a child kneels to Me, calls My Name, pleads with Me, I cannot refuse the sound of the call, the heart of the child, for I am The Mother of All. I oftentimes answer the child quietly, so as to not disturb or upset or confuse the littleness of the child. I do not ask favors in return, but I do ask obedience and that the favor be earned.**

**You see, My children, there is much need for children to know they must come to Me. Many never hear My Name, many feel too ashamed, many wonder if I hear their pleas. I stand ready to help all children, in Understanding, in Direction, in Love, so remind them. All ages must know this, and that My Words come from Above. Sometimes a child of many years tries to hide the littleness they fear. Tell them to speak out about it to Me and to let Me know they need Me.**

**As I bless on this day through *a child* such as you, I bless you with Grace to carry on for what is true. Be ever wise and have ever in mind the value of obedience, self-discipline, modesty, purity, trust and love in The Divine. So be it for now, children of Mine.”**

APRIL 15, 1971 AT 10:25 A.M.

**SAINT FRANCIS OF ASSISI**

**“My daughters, I am Saint Francis of Assisi. I come with an urgency, with a purpose, with a love, with the design, with the truth, with gentleness, and yes, with much learning for you.**

**As you are in the world that is crusted with immorality and is imbedded with sin, you are under the surveillance constantly of those who have walked away from the Beauty of God. There is planned a common, full destruction for man. The evil one has projected this, has worked it out to the minutest detail. The Heavenly Father waits for mankind to stand up to it, against it. He is waiting for mankind to use the will He gave, to grow in Glory with Him one day. Man is setting aside the Greatest Gift in the world for enjoyment in the world.**

**My way was not easy but it was a fruitful way. If I lived in the time you now live, I would perform in the same way. I would act with the same conscience and I would stand firm on truth.**

**Man** seems to think the day they live in takes caution, takes gentleness, and must be handled worldly, progressively, intelligently, knowledgeably. Man is tarring and feathering himself. He is covering himself with issues that are ridiculous, knowledge that's useless, and sin that has no reality to it, no purpose in it, no dignity connected with it. Man is becoming a useless object instead of followers of Christ. When the body ends, what will man have, what will remain?

**Teach** children of all ages the necessity of prayer, the meaning of it, the purpose of it. Remind them that interior life has a beauty all its own. It has peace, wisdom, tranquillity, love, Grace, and yes, a purpose beyond man's knowledge. Man is confusing man with words, with drugs, with escapes.

**Walk** down a lane in the road. Look at the earth. Concentrate on the beauty of each grain of it. Look at a flower and know that the design came from a Greater Power. Look at the sky and feel warmth all around, a covering of love from God, for the ground. Look at the sun and thank The Father for

**its beauty. Look ahead at the horizon. Make it a goal for your walk down the lane. If you swing your arms, you will feel the blood surge through you; God-given, God-made, God-governed. As you take a deep breath, you know that the air that you breathe was made by Him Who Is All Things. When He made it, He was careful to see it had the right ingredients to let you breathe. In the very air there is life and love.**

**When the time comes and you decide to rest, the body will feel that it has passed a test; and then, when it comes time to have repast to nourish the physical, be sure that you have nourished the Spiritual first, to a degree that when you eat of the physical way, you will need less to sustain you the rest of the day; for when you are full with Spiritual Love and Grace, the physical way takes second place.**

**I bless you with God's Love, with a firm hand of truth. I bless you with the desire to bear much fruit. I bless you with trust in The Father's Will. So be it for now, My Spiritual ones."**

APRIL 21, 1971 AT 12:00 NOON

SAINT FRANCIS OF ASSISI

**“I am Saint Francis of Assisi. Through The Beloved Saint Joseph you have been given a touch of Here. I want you, My children, to not use the life you have in a haphazard, indifferent, unmeaningful way. Each moment is a treasure; each step you take, a Blessing; each thought you have, a way to Here.**

**Man is so foolish. He does not realize the magnitude of the physical life and what it can do for him. Prayer, sacrifice, penance, not just of My time, but important now. There are so many men flitting about, joining cults, reacting to emotionalism, and accepting secondary ways to God, using the human imperfections, unmeaningful desires to motivate themselves, giving little real truth to what they are.**

**As you are in a human way, I want you, as of this day, to accept God’s Will for you, and do not have self-pity govern you. Believe in truth. My children, have your life**

**bear much fruit. Approach each day in a worthwhile way. Give cheer, give joy, and let God's Love radiate from you. Grow interiorly with strength, purpose, love, courage, desire, and let it emanate from you, showing God's Love to mankind.**

**I bless you with My Love. Be alert to what each move means to you. Do not waste time but spend it well. So be it for now."**

APRIL 22, 1971 AT 11:30 A.M.

*Note: The following Revelation was given to C.C.D. Teachers.*

### SAINT FRANCIS OF ASSISI

**“I am Saint Francis of Assisi and I come to give you strength, to give you hope, to give you courage, to give you love, and to encourage you to walk in dignity and integrity. Do not feel abandoned or set aside by the methods you feel contrary to truth. Sometimes, in the experiments of man, he uses many means, for he is inadequate to see all things as God sees. Sometimes he extends himself too far, taking all things out of proportion to the reality of their being.**

**Teach prayer, teach sacrifice, teach love, teach charity, teach humility, teach obedience, teach self-discipline, teach trust in God’s Way. If you teach these basic things you will give a firm foundation to the Spiritual side of all you come in contact with.**

**Teach the children that they would not starve their bodies, then they must not starve their Souls. Teach them the Ten Commandments**

and the meaning for each one. Teach them *The Divine Praises*. Teach them fact, truth. Give them stability to their way.

**Remember, My daughters, I walked the way. Teach them that laxness is a sin. Teach them that time wasted is a sin. Teach them that time is a Gift from God and must be used to serve Him. Teach them that selfishness has no gain; it does not last. Teach them that modesty and purity have a beauty beyond their knowledge.**

**Tell the girls to walk with Our Lady, side by side, daily; be conscious of Her Presence, be conscious of Her Words, be conscious of Her Desires, be conscious that She sees each movement they make. She sees how they dress. She sees their Soul. Tell the boys to keep by their side The Heavenly Queen. Tell them to walk, conscious of Her Being. Teach them the Rosary and its meaning.**

**Teach the children, above all things, the privilege of The Holy Eucharist and what It means. Teach them It is a Transfusion of Divine Body and Blood with human means. Teach them It is strength-giving. It feeds the**

**physical, the mental, the Spiritual. It covers all things.**

**Teach them the importance of Reverence to The Divine Three. Teach them to ask for forgiveness when they sin. Teach them the power of thanksgiving. Teach them the Truth of Heaven. Teach them there is a Hell. Teach them that emotion is not love for God. He is Peace, Tranquillity, Love. Teach them to seek Him out each day. Teach them to greet the day with His Name on their lips. Teach them what the Sign of The Crucifix means. Teach them to be aware of the Wounds suffered for them. Teach them that prayer is their communication with Here.**

**I love you, My daughters, for the way you walk, for the responsibility you undertake. Be cautious of evil that lurks, and uses subtle means in many ways. So be it.”**

APRIL 22, 1971 AT 11:50 A.M.

**SAINT JOSEPH**

**“My sons and My daughters, I, Saint Joseph, speak to you from Heaven. There are many things that must be settled in your way of prayer, in your way of action. Let it begin now. I want you to spread My Name, encourage devotion My Way and be example for Me. I want you to extend to others My Name. I want you to kneel in prayer to Me.**

**There are many happenings occurring that are not God’s Way. It is time for mankind to seek out truthful ways. It is necessary for mankind to pray more, to dedicate more time.**

**The Beloved Holy Eucharist is for all mankind and is to be received with dignity and with love, with sincerity and reverence, with humility and obedience. It is to be looked upon as the Truth of Life. Too many men are disfiguring It, discrediting It and belittling It. It must stop.**

**I speak directly from Heaven to you. I did not have to leave this Realm for My Power to come through. This**

**Miracle of Mine is for all mankind and is to bring Souls Here to The Divine.**

**The Holy Rosary is the strongest weapon man has against evil of your time. It is to be used, it is to be carried, it is to be sought out, it is to be taught, it is to be respected, it is to be recited daily. It is not a thing of the past, but for now. Each bead has a purpose, a significance. Each bead says love, truth, understanding. The Crucifix is belief in The Trinity. It says more to you than you know. The chain has meaning between each bead. It binds together the Graces received. Remember this as you pass over each bead.**

**My Way, in the way of man, was in God's Plan. Your way, too, is His Plan. Be conscious of how you walk and how little you do to perpetuate God's Will. No man can do too much in prayer, in action, in example, in truth: Divine Way.**

**I bless you, My children, from the Heavenly Realm, with a Power unknown to you, a Power of Truth. *The child* is an instrument for Me to you, for you to better accept in a natural**

**way, God's Will. So be it for now, My privileged few."**

APRIL 22, 1971 AT 3:15 P.M.

### SAINT THERESE OF LISIEUX

**“Many men will recognize Who I am if I just mention flowers and the ‘Little Way’. Man would call it a trademark of Mine.**

**In the way you walk you tend to place importance on gratifying things. It would be wise, My daughters, to stress with yourselves and with those you love, the importance of little meaningful things. Sometimes you provoke dissension by accentuating things that annoy you, that upset you, that give accent on matters that you feel negative about.**

**As you are worldly in many ways, I suggest you balance this out with prayer. The world will pass away. Man will no longer be, but a Part of you will remain with The Trinity. Use every little act you do to help the Soul grow for you, with you. Let no day go by that every little step, every little task, every little motion is not dedicated to God’s Way. Do not become so worldly, and I use your term, ‘sophisticated’,**

that the 'Little Way' to Heaven is ignored by you.

**M**ake sure you are aware of little moments of prayer and that you take advantage of the privilege that The Holy Eucharist gives from Above. The small strength it takes to walk to the receiving of this Gift entitles you to the Ultimate of Love from Him. Picture, each day, a Chapel in His Honor. Visit the Chapel, lay flowers at His Feet, tell Him you love Him and hope one day that you will meet Face to face for All Eternity.

**T**each the little ones this act of love. Teach them to not bind themselves with worldly ways. Teach them to love the little things. Teach them to cherish their own little way. I did not say, 'Discourage them to want success,' but, 'Encourage them in the manner it should be handled if they find success among men.' Teach them that it will be through their will that many things will come to them, or they will gain from, in, with. Remind them that their will must be taught to accept only truth. Teach them that obedience, self-discipline and humility must be their way of life, their daily

**guide, for these things will bring them much fruit.**

**If you feel you anger easily or you envy quickly or you become moody without reason, learn self-discipline and practice it daily. Before you lay your head tonight, practice saying small things to cause others delight. Be sure they are truthful in content, in meaning.**

**I love you, My daughters, and I have made entrance today to teach you how to have a more joyful living. Never put the Rosary aside for a more earthly pleasure. When you do this, it is as though you ignore your Heavenly Mother. Make Her a part of your day. Ask Her to walk with you. Ask Her to guide you. Ask Her to teach you Her Way that She used with Her Spouse in Her day. Be guided by purity and accept modesty, and do not compete with promiscuity, for when you do, you sin; and the evil one gloats, for he feels, through you, he wins.**

**My Blessing to you, My Love is yours. Walk 'My Way', picturing flowers to place at His Feet. Let the flowers be your acts of love. So be it."**

APRIL 23, 1971 AT 1:10 P.M.

**SAINT MICHAEL**

**“I am Saint Michael and I come to you with an urgency, with a love, with a truth. Right now Heaven is asking such as you to have the strength to lead others Here. You know Me for My strength against the enemy. My Sword is not as you know a sword to be, but it is the most powerful Sword in the world against the enemy.**

**You, too, can bear a sword as I do. My Sword is My Love for The Trinity. It glistens with truth, it radiates love and it strikes out what is evil; and above all things, I trust when I use the sword, as you must trust when you use a sword like this. You must trust that The Father’s Will is Perfect, is Truth, is Divine, is Supreme, and you must accept His Will, for He is King.**

**Remember, My children, that each day can be a growing for you in this way. Do not become so bogged down by trivialities, by neglects, by doubts, by hates, by envies, by pride, that you allow the sword to weaken by your side. My Sword I give to you**

**today. Use it well and use it in His Name. So be it.”**

SAINT JOSEPH

**“My beloved daughters, simple words, in a simple way, give simple truth your way. An act of love, in a generous way, spreads enormously in many ways. As I speak to you through *this child*, who is totally in The Divine Way, I speak to you with seriousness and say, ‘Let the world you place so much trust in, so much favor on, and spend so much time in, dwindle in size so that the Spiritual growth will be profound.’ There are many hours that are wasted by man, many trials accepted by man. It would be wise to waste less time and dedicate the trials to God’s Plan.**

**As you sit, assured that it is I Who speak to you, be equally assured that you must, in many ways, be more prayerful, be more conscious of Divine Way. You procrastinate many times when earthly measures are around to intrigue you. It would be wise to set them aside and see the little value in them. The Heavenly Court and Heavenly Way must be accepted by you each day. Do not be so overly**

**concerned with what could have been, for perhaps it might have caused you a great delay in being here today.**

**When you think of rain, you think of water. Be assured, My children, that the water that falls from the clouds you know has an equal, and it is known as Grace from God. You see the rain but you do not see the Grace. Nonetheless, it is oftentimes showered down upon you when you perform an act of love in God's Way.**

**As you sit in the room, you are not fully aware of the Souls you bear or the Guardian Angels that are there. You take for granted many things and you accept all things as natural means. This is not good for you. Be aware of the Soul and of the Guardian Angel that are Important Parts of you.**

**Your daily way must have specific prayer in it, a certain amount of sacrifice and penance must be part of it. The receiving of the Ultimate Gift must be, to give you Strength and Love and Courage from The Divine Three. The Holy Rosary must be said. It is Her Wish, Her Love, and carries many Blessings, many Graces, and releases Souls from the wandering in**

**no definite places. Each bead you say has meaning, so remember, as you hold the Beads and run them through your fingers, be conscious of the power each bead has.**

**I love you, My children, in many ways, too numerous to mention. I bless you with The Father's Love, and request that every act that you perform is done with God's Intention. So be it."**

## SAINT MICHAEL

**“My sons, I, Saint Michael, ask you to think much on What I have to say at this moment. It is to benefit you in many ways.**

**Today, as you end it, will you in any way pray? Will you pray to The Holy Trinity? Will you pray to The Beloved Mother? Will you think of the great amount of Saints that are Here? Will you think about the way They walked, as you: working, playing, seeing the daily way? Will you, in your way, desire to be as They are today?**

**Many men use other men as their heroes, as their goals. It should be this way in Heaven’s Way for you. Each day you should wonder if you served God’s Way, and if you had more possibility of becoming a Saint if you died that day.**

**Man looks for credit, for acknowledgment, for material gain. All could be taken in a moment, so would it not be wise to plan a more definite way, with more positive gain? If The Father said now, ‘I want each son here to give up what he’s doing**

**and work totally for Here,' would it be difficult for you to do or would you say, 'No, I'm too busy becoming popular and growing in man's way'?**

**I give you these thoughts to make you think, to make you look deeper into your way. They come with Love, in Truth, in Firmness, and I say, 'Do not waste time any day. Keep in mind the Goal, Sainthood. Work at It, toward It, and be sure you do it God's Way.' So be it."**

APRIL 27, 1971 AT 11:05 A.M.

## OUR BLESSED MOTHER

**“Picture a water well in My time, with you and I gathering water for Our needs. We pass the time of day and offer each other words of cheer. We speak back and forth about the ones We hold dear. There are many times that problems are discussed and We try to clear the situation with advice, with love, with concern.**

**So it is in your time now in which you live. The sad part is that so much wrong advice is given. So remember this as you go your way, a tried and fast rule to follow is this: Truth must be faced, must be seen, and it must be said out loud for it to remain in the minds of those whom you care about. Sometimes fear causes blindness to what is truth. Sometimes stubbornness brings reproof. Sometimes a lack of prayer makes things seem different everywhere.**

**Remember, as you give advice and as you walk each day, to picture the well, and you and I conversing in a little way. Be honest with the advice**

**that you think I would give, and then pass it on to others with whom you live. There are many times that, in caring for a loved one, you see no results of this love, but keep in mind this: All children do not show the marks of love that are deeply imbedded by your works, your sacrifice and your caring.**

**Do not fret; it solves nothing. Do not shed tears; they clean no area of life except for self, and do not abandon prayer if you feel it is not answered. It is, God's Way, not yours. Man must learn to concentrate on What The Father's Will is and what would be best for children in the realm where you live.**

**Be strong, be staunch, be firm and loving. Keep Me in mind for I am your Beloved Mother. So, as I leave I bless you, My daughters, with Truth, with Faith, with Trust. So be it."**

APRIL 28, 1971 AT 2:05 P.M.

## SAINT JOSEPH

**“My son, My daughter, when a child cries, it draws attention and makes you want to comfort him, aid him, stand by him. So it is when Heaven hears a child cry out, ‘Help me in my distress, in my anxiety, in my fear, in my hope, in my love.’ Keep in mind at all times that Heaven is alert to your needs, your way and your heart.**

**As you grasp truth, cling to it and let it guide you. As you project it, be sure that it is all truth. Never let the turmoil of others interfere with you. When man is weak, he wants turmoil to stimulate, to keep his mind occupied. Be thankful for peace, for contentment, for tranquillity. Be aware of it at all times. Any man who walks in turmoil, walks without God. He places earthly measure before the Purpose of life, the Heavenly gain. As you are in your daily way, remember that you must stand strong and firm and true, God’s Way. You must not let indifference envelop you so you forget to pray.**

**I, Saint Joseph, speak openly, honestly, lovingly, your way. When you end the day, do it in prayer, as you began it. Lean on the Strength of The Holy Eucharist that is always there. Many men scream out for Strength and forget to grasp It each day. Do not walk blind to What I say. The Holy Eucharist is Divine Way, Divine Body and Blood for you.**

**Make sure the habit to say the Holy Beads, the Holy Rosary, is for you. Each bead says much. Remember this and keep the Beads close to you so you will always have the weapon against the evil one.**

**Man refuses the Gift of prayer. He does not want to take the time. Foolish man. Be sure that every day you live as man, you take the time to say the prayer: the prayer of giving, of dedication, of love, the prayer of offering, and as you make this a daily habit, say *The Divine Praises* along with it.**

**I bless you with My Love and I do say to you, ‘Place yourselves under My Mantle for protection for you.’ So be it.”**

APRIL 29, 1971 AT 4:30 P.M.

## SAINT JOSEPH

**“My son, My daughter, if you will but allow a permanent change within your being that will cause you to realize what beauty there is in standing in complete dedication to The Holy Trinity, you will find peace of mind, joy of heart, and zeal for all time. If you accept service to God and in His Name, you will find issues diminish and love reign. If you accept the freedom that loving God above all things brings, enfolds, you will find a purpose to all the things you feel, you are, you give, you take, you enfold.**

**Many times you were beckoned and decided to take the easy way out, the more satisfying way, for your thinking was, that was what life is all about. It is good to see two children such as thee looking for truth and reality. Look at the sky and see its beauty. Look at the stars and feel the warmth of their glow through the sparkle in the light they project. Look at the moon and feel the purpose of it — to light the night so you would have a light to see by. The magnificence**

of the universe is sometimes taken for granted by you. Look at your surroundings and at the wonder in each of them; some created by God, some developed by man. Each has a beauty all its own.

The Greatest Beauty on earth is the Soul and no man has the ability to see It. When a Soul is read by a *chosen child*, it is Divine Wisdom that enters here. The greatest things in the whole universe are not seen. Is this not so? So then, is it not wise for you to be constantly aware of this, and plan for the day to see the grandeur of God's Way? Man, in despair, says, 'No one cares.' Not so. Man forgets the Unseen, The Creator, The Holy Trinity truly cares. Man has not learned to trust totally. This must be brought to men's eyes, men's way, so they will begin to live this way.

If all men were to strip themselves of pride, the earthly world would be happiness, love. It is pride that drags man down to sin of all kinds. Keep in mind a path for you. Draw one up mentally or in view, and put all things on it that will help you grow to Sanctity, to Sainthood, to Heaven. Use the stripping of all faults, one by one.

**Let them fade away. It is easier to do than you think. Sometimes, when a child tries to walk this way, they find happiness in the challenge of seeking perfection one day.**

**Use this as a guide for the path: obedience, tolerance, charity, kindness, trust, hope, Faith, love. Now, add on the other side: pride, disobedience, lack of self-discipline, temper, egotism, lust, gluttony. You will find that to both of these areas you can add more things. Think much on this and then pray for the strength to walk the path in a beautiful way.**

**I, Saint Joseph, bless you for the courage I know you have, and with the strength to carry on with what you have. So be it.”**

MAY 4, 1971 AT 2:05 P.M.

**SAINT FRANCIS OF ASSISI**

**“My beloved daughters, I am Saint Francis of Assisi and I urge you to follow My Words. I speak from a Realm different than yours, and yet evident to you in many ways.**

**There are many children being misled, scandalized, and drawn by the evil forces around them. You say, ‘What can I do?’ I say, ‘Use prayer; it is the weapon for truth, for undoing what satan does.’**

**I walked as man and I stood strong in what I knew would lead me to Here. I was determined to serve The Holy Trinity as best I could. You, too, must do this, and begin fully in this endeavor today. Do not be lackadaisical in this effort. Fight for fulfillment of it as if you were fighting for your life.**

**You live in a time worse than Sodom and Gomorrah. The evilness that surrounds you is a horror to see and has many subtleties. You sometimes question what is right for you and what is a good move for you.**

**You forget to ask The Holy Trinity, above all things. You try to discern, decide, and accept, what you think the decision should be. Have Faith, My little ones, and trust that the decision should come, guided by The Holy Trinity.**

**If, at this moment, God The Father were to speak to you, you would feel like doing what He asked you to. Each day the breath you have, the beat of your heart, the use of your hands, the steps you take, are evidence of Him. How can you ask more?**

**A good way to prayer is to be childlike, and then thanksgiving should also be there. Never forget to thank Him, even when what you asked for does not happen your way. You can always be assured a treasured Gift was given. This takes trust, Faith, love. Noticeably, you should see a change within you, a change to grow closer to God, in sacrifice, through penance, and with acts of love. You should become aware of this in you. You should desire it, develop it, and let God govern it. Do not procrastinate in this.**

**Sometimes you feel you have performed an act of charity, when, in**

reality, it was self-love that stimulated the act, that perpetuated it and grew from it. From now on, when you do things for others, be motivated by what it will give to them. Be blessed by this and love the way.

**M**y way was not an easy way. It was tedious, tiring, and yes, kept me in much pain. It was through Divine Love, Divine Guidance, Divine Help, that I was able to be sustained in my way.

**I** bless you with Heavenly Love, Heavenly Truth, Heavenly Trust, and I say to you: 'Take the Faith you have and help it grow. Begin at the core, grow interiorly so it will extend to the exterior way of life. Take the love you have, dedicate it first to The Father, and ask Him to help you be generous with it, help you grow in it, and help you spread it His Way. Take the trust that you know you should develop and give it generously to God, in all things, in all ways, with true acceptance, true thanksgiving, full acceptance, full thanksgiving.' So be it."

**MAY 10, 1971 AT 4:55 P.M.**

***The following Revelations were given to a group of Carmelite Sisters.***

### **THE SACRED HEART**

**“My daughters, the Rays of My Heart, I extend to you. There are millions of Rays projecting forth to touch you. Each Ray is Grace. Each Ray has Hope. Each Ray is Strength. Each Ray is Love. Each Ray is Understanding from Above. As The Heart beats, It creates more Rays. It is The Heart of Heaven.**

**There are Others Here Who will speak. The Power They will use to reach you will come through the Rays of My Heart to you.”**

MAY 10, 1971

**OUR BLESSED MOTHER**

**“Oh, beloved daughters, oh blessed ones, I am your Mother. My Words today are to assure you of your way. Work hard, My children, on growing in purity and love, and let your eyes see only the Rays of His Love. As His Rays shine forth, let the love of your heart shine with the littleness it is, using the Rays of The Divine.**

**Keep close to you My Love, the Holy Beads, the Rosary that must be used to save mankind. Never think of the prayers as monotonous or tedious, but say each one with love and care. Keep ever in your mind a vision that will make the Beads quite clear.**

**As I step out of sight, a Beloved Saint of God will speak. Pay close attention to His Words and from Them gather love.”**

MAY 10, 1971

## SAINT JOSEPH

**“My daughters, I am Saint Joseph and I come to you with Words of Truth, Direction, and yes, Love. The steps you take for The Heavenly Father are good, each one. The joy you show, the hidden tears you have, are cherished by Here; by God and Everyone. The lonesomeness you feel, the tightness of your way you sometimes reveal, is loved by Here. Each time you trust, each time you love, each time you pray, is loved by Here.**

**You have gathered Grace, gathered wisdom, gathered knowledge, gathered love. The reward is not to be seen, but one day felt by you. Reward for these things would be different if you were to want it now, to seek it now, to crave it now, to desire it now; and God says, ‘Let it mount up Here.’**

**I walked a lonely road, but a cherished one. I trusted totally in The Divine One. Be patient, My little ones, and walk with God in mind, and with The Holy Trinity as your Goal, to one day have Them in your sight.**

**I bless you with the Power of God, with the Love of The Son and with the Light of The Holy Ghost, as One. I step aside for Someone Here Who is in the Realm you hold dear; a Saint you know, and She brings Words of Wisdom to hold dear.”**

MAY 10, 1971

### SAINT TERESA OF AVILA

**“My daughters, I am Teresa of Avila. You know My way, you are aware of What I am about to say. No better way to walk, no better way to talk, no better way to live as man, than how you are, where you are. Remember this.**

**Each time you kneel, give thanks, give praise, speak love. Each time you offer solace, do it in His Name, expressing His Love. Each time you want to shout out loud, be self-disciplined, be in dignity and strength. Do not let falsehoods turn you. Do not let others’ weaknesses destroy you. You are blessed, and will be abundantly, for how you feel, what you give.**

**I could speak on and on but I leave with a treasured thought for you and everyone. The world must return to modesty, dignity, purity, and true love. I bless you as a mother blesses her children, as I have so often done to you, when you were unaware of My Blessings for you in times of despair;**

**also, in times when I knew you needed a mother to care. I have never neglected you. Remember this.**

**I step aside for Another to speak to you, a Child of love, a Child of truth, a Saint Who walked the way as you.”**

MAY 10, 1971

### SAINT THERESE OF LISIEUX

**“I toss at your feet the flowers of your choice. They look like the kind that grow in a field, but in reality, they are strength, they are desire to face what is real. As you gather your bouquets to walk your way, be sure, My sisters, that you gather all kinds: little ones, big ones, not so lovely, and ones of tremendous beauty, to decorate the bouquets. Let the ribbon you use to hold them close together be your Holy Rosary. Let the Beads be seen as your chain of love, to remind others that they, too, must gather flowers to present to the Feet of The Beloved Father.**

**I have many kinds in mind; one, that barely is big enough to be seen by the eyes of mankind. Its little head stands out from the stem and gives love with its odor, for it gives pleasure and delight to mankind. Remember the bouquet, remember the chain, and remember, My sisters, to work and never feel one act is in vain.**

**As I leave the Vision, I leave  
Others to speak, One Who walked in  
the way of a priest.”**

MAY 10, 1971

**SAINT JOHN VIANNEY**

**“There were many times I wished to walk away from what I felt was not my way, until one day I realized that God did want me to stay. From that time on I put in hours. Some were tedious, but all were dedicated to a Higher Power, and given with love, with purpose, in truth.**

**I listened to sins and I gave absolution. I felt the weight of mankind and the agony of disillusionment. I felt pity and sadness. I felt despair, and sometimes gladness. I was fully aware that no matter what I felt, it had to be offered to God. You, too, must be aware of this and offer each day out of love for Him.**

**Some men said I cured Souls. I would smile and I would say, ‘I am but God’s instrument.’ My Name, unimportant, but I will give it to you. I am known throughout the Heavens as Saint John Vianney.**

**As I pass from Vision to Another, I smile with Much Love, for the Saint is truly beloved in Heaven.”**

**MAY 10, 1971**

**SAINT FRANCIS OF ASSISI**

**“I am Saint Francis of Assisi, and I speak firm. My daughters, let no man interfere with your way, with your thoughts, with your direction. You are to follow the rules with patience, with love, and in truth. I know by now you are tired in the human way, and before I leave I give you My Blessing, God’s Way. So be it.”**

MAY 13, 1971 AT 3:00 P.M.

**“At the moment of conception Heaven sends forth a Soul, a Guardian Angel and a will to the two living cells that touch, united to form a human life. If one cell was not alive, there would be no life. It is God’s Way of creation, that when two such cells meet, life begins at that very moment, and Heaven steps in with the ingredients necessary for the child to carry on.**

**It is through the will that these cells desire to live. It is through the will that a child is born to the world. Once born, it is the will of the child that governs much he does, and it is the will that allows the child to accept truth or untruth. The freedom of the will, God-given, is a privilege, not to be abused, but to be cherished.**

**Man is foolish when he thinks he can kill a life just to please himself, just to satisfy his needs, his weakness. No man has this right. When The Father set up this pattern for life, it was to be recognized, respected by all mankind. No man has any rights where this life**

**is concerned, not even those involved in the creation with God.**

**It is His Will that must be respected in all things. Those who do not respect this, play into the hands of satan. He cares for nothing but himself, and if the truth be known, he dislikes himself for being such a fool to fall away from the Beauty of Heaven. So be it.”**

MAY 14, 1971 AT 10:50 A.M.

## SAINT JOSEPH

**“My daughters, I have spoken much, I have taught you many things today. I want you to spread My Name and gather many men to have devotion to Me. As I stand High in the Heavens with The Beloved Holy Trinity and The Beloved Heavenly Mother, I see the great cry of Love for thee. No man living now knows the Beauty that is Here nor the Magnitude of Love God has for each one to come Here.**

**The physical you have, take care of it, treasure it, but be sure that you use it to bring you Here. Do not concentrate on worldly measures. They will not accompany you Here. So many things that man places importance on are useless, sinful, worthless, and can be eliminated in a moment. There is no security in worldly things.**

**Teach all mankind your love for Here by being example of this love. Do not let falseness appear. God is seeking many men in many walks of life to stand up for Him. He does not intend to lose the battle for man. Satan has**

no use for you; he envies you, he hates you. Is it not foolish then to play into his hands, to accept what he gives? All he cares about is depriving Souls of coming Here. Man says, 'I am not ignorant.' God says, 'No, but you are foolish.'

My children, I am Saint Joseph, and through *this child* I am reaching the world for all things worthwhile. The littleness she is, is being used by the Power of God. Let the Rays of My Love penetrate your hearts; and you, in turn, go forward as an extension of her, to teach My Name, show My Love.

There are many children lost for they do not recognize the need for prayer, the necessity of sacrifice, the purpose of penance. Speak often of the Magnitude of The Holy Eucharist and What It Is, the Reality of It. Let, at all times, the Holy Rosary be evident in your home, in your hands, fondling the Beads that will save all man. Let devotions to Here spread. Let others see you pray. Don't care what they say. They cannot harm you in any way. Some will be arrogant when they see this. It will displease them, only because they know in their hearts, you

**are pleasing God. They live selfish lives, they live lies.**

**I bless you, My daughters, on this day, and I ask you with Love, to pray. So be it.”**

MAY 14, 1971 AT 3:25 P.M.

## SAINT JOSEPH

**“My daughters, This is My Miracle, and through It I reach you. Up to this moment I have talked of many things: indifference, promiscuity, unkindness, truth, and satan’s way of reaching you. In your solid thinking, be sure that you use it as a foundation for life, and as you approach mankind with different ideas, different rules, different thoughts, make sure that what other men do and think does not touch you, unless it is God’s Way, God’s Will.**

**Weakness abounds throughout the world. Man is full of excuse for he uses life in a whirl. He looks to the frivolous, he looks to what pleases him, and satan is introducing sin, sin, sin. Man says: ‘My flesh needs love, my heart needs hope, my mind needs knowledge. My life is mine to govern, mine to use, mine to fulfill.’ God says, ‘Yes; no; what I have given you is the privilege, the chance to grow to a greater degree in Heaven, to be fully free to understand and to live with Me.’**

**Man** says, ‘I am no fool, I have read books.’ God says: ‘In the books, you read man’s words, his thoughts, his experiences. You read what man wants you to read. You read so that man can gain materially. Man does not write books out of love; he writes them out of pride, for gain. Some men say, “I have written a gem, it will help mankind in many ways.” Question the books, question the pictures that sometimes go along with the books. Are they degrading, are they dragging you down to the level of satan? Are they making you sin? Few are written by man to make you think of Heaven. The filth that you see is outnumbering the words written for Me. Man uses invention to teach men the facts of life, the way of life. He forgets to add My Intention; the Purpose, to live Here with Me.’

**Man** boasts, ‘My mind is of a great magnitude.’ God says, ‘That’s true, for I gave it to you.’ Man says, ‘I must use every spot of it.’ God says, ‘Yes, so it will bear much fruit.’ Man says, ‘There is no limit to the use I have of it.’ God says, ‘Not true; it is My Power that governs you.’

**All through time, man, in his ego and pride, has tried to be equal to God. He tries to be Godlike in front of other men, to gain acclaim. What he does not realize, how soon it will end.**

**The true beauty of life is shown to mankind by the men who lived strictly for The Divine. Food was just a necessity; clothing, too; their surroundings, adequate for the needs of life. Their words and their way were all God's to do and say. Their breathing was to help Souls God's Way. These men truly lived, whether they stood in the world as woman or man. The dedication, the love that they gave was example for you, to show you the way.**

**As The Trinity speaks through Me and I use *the child* to reach thee, no better way can God's Love be given to thee. The worldly measures you are so intent upon are, in some ways, valueless. The part of your life that is dedicated for the Souls is the important part. Remember this.**

**The many problems, the many issues, the many situations arising now, surrounding the Beloved Church begun by The Son, is satan's attack**

on The Holy One. In the days of the first Christians there were many such as you, striving to let others see truth, but the ignorant, the prideful came forth, blowing hard, showing their might, feeling their worth, indignant, belligerent and full of turmoil; for, if it were to be known, away deep inside they wondered if they were wrong.

**Man is weak. Through This Miracle of Mine, I teach, I direct all children to God, Who is at the Head. There is no mystery regarding the path to Heaven. Man is the one who confuses things by catering to whims that only please the physical, the moment. I beg you, My children, I beseech you now to pray and pray and pray, so that others will pick up the Sword of Love. Saint Michael is ready to lead all mankind to victory God's Way. Satan fears Him for satan knows that Saint Michael can overthrow any evilness quickly.**

**Man is being taught, 'Don't trust in The Beloved Saints.' God says, 'Use Them and They will lead you My Way.' I love you, My children, with a Heavenly Love, and I offer a suggestion that will give you strength. Trust in The Heavenly God, depend on Him,**

**dedicate yourselves to The Beloved Mother, and call on The Saints. So be it.”**

MAY 15, 1971 AT 3:20 P.M.

## SAINT ATHANASIUS

**“My sons, I am Saint Athanasius and I speak to you today from a Realm different than yours, but guided by The Holy Trinity fully. Let Me say, ‘Let Me reach your hearts.’**

**I lived in a time before yours. I lived in a time of turmoil, hate, distrust. I lived, listening to men in error, and there were many things I had to change, to clear up. The responsibility you have is, in many ways, the same. Errors are being allowed and too few men are standing ground to be a strength against these errors. Many men are being used to destroy Souls, bodies, minds: the evil one, jealous at all times.**

**Man has a term he uses loosely. I use it sincerely: ‘man to man’. Saint to man, I speak to you. You live in a time worse than Sodom and Gomorrah. You live in a time where satan is having a fling, using mankind for every type of evil thing. If you could but see the Love that is Here, trying desperately to reach you through means you can**

understand, through ways you can recognize, through terms easily met by you. You are being fooled by things you think will pass away soon.

Today, when you entered this home, countless Saints met you at the door. Nowhere have you been told this before. Trust, My sons, that What I say is truth and that I reach you because God loves you. Take your pasts and let them be just that. Do not let scruples or weakness control you. Let all who meet you recognize God in you. You have the opportunity to become Saints.

At this moment, if a man walked into the room and offered you world fame, you would be intrigued, enticed, stimulated, and your mind would run, thinking of the beauty of this, the glamour of it. I offered you Far Greater. I felt the jump of some hearts but I could not help but see a lack there from you to Me. Sainthood is possible, Sainthood is probable for each man here. It is not too late to climb the stairs.

In the beginning, *the child* spoke to you of gems: Heaven's Words, Heavenly done, Heaven's Love. When

**you leave, take the gem of Truth with you, the gem of Survival, the gem of Love. Cherish it, shine it, take care of it. As you are a creation of God's, you are loved much by Him. Let the will that He gave you return the Soul that is His to Him. As The Father was a Trinity, He made you a trinity. As He is Father, Son and Holy Ghost, you are Soul, body, Guardian Angel. No Greater Love could be shown by Him than the design He gave to all men.**

**As I hold *the child* in the Power of Heaven, I hold you. You must reach out, you must speak out, and help all men reach Heaven. It will be your strength in the way of men. It will be your example. Never be afraid to stand as the Apostles once stood. They were as you. They were the first ones to receive the Food: the Bread and Wine, the Body and Blood. You, too, have this right, this privilege for you. Heaven plays no games. Life is too important to God, and any game man plays, where it concerns his Soul, my, what odds.**

**I bless you with God's Love and with the Faith to endure what you must, but I bless you with courage to trust. So be it for now, My sons."**

MAY 17, 1971 AT 4:30 P.M.

SAINT ANNE

**“My daughters, through *the child* I describe where I am standing, Who I am with, what I am holding. I am allowing her to see a water well, and Three Women are standing by Me. I am Saint Anne. The ‘crock’, as you would call it, is filled to the brim. I know when I walk with it, some will slip out of it. In your time, you do not have to go to the well outside where you dwell. The water comes in to you.**

**There are many things in your way of life that are different than they were in Mine. We were always conscious of needs, of time. The world that you stand on was the same world as Mine: the same earth, the same water, but, in some ways, areas have changed design. You are fully aware that to live, man must have water and air. Clothing and food are necessary to you. This is not all that completes things for you.**

**There is one thing that you and I have in common and that is God, the need for Him, Our Spiritual**

**Life. I did not have opportunity, as you, for the time in which I lived was before God created the Church for you. My Daughter was The Mother of The Son Who was the Beginning and the Life, the Salvation for everyone. You are Blessed, for you do have the opportunity to never be without The Holy Eucharist, the Ultimate Gift from God. No creation in the world is as This, as Ultimate as The Holy Eucharist. Each day as you live, partake in It, partake of It. Thank Him for the Gift.**

**Another Gift, just for you, is a Special Love He gives when you endear Him to your heart. When you pray with words of love to Him, the Gift of Grace is yours. Be aware of it each time you pray the words He loves to hear: *'I love You, God, I hold You dear.'***

**Never let a day go by that you do not obey the Daughter that was Mine. She is your Heavenly Mother and She lovingly says to you, 'Please recite the Holy Rosary through.' Remember, before you lay your head at night, the two most precious things: The Holy Eucharist, the Holy Rosary prayer from you.**

**When you are angered, think how She would act. When you are in doubt, ask Her to give you strength. Let your chalice of love overflow with acts of love, so when you walk they will be right up to the top.**

**I bless you with God's Love and with your Heavenly Mother's Kindness, Gentleness, Trust. Remember, children, I, too, am related to you. I am happy to hear when a child refers to Me as 'Grandmother dear'. So be it."**

## SAINT JOSEPH

**“Children of all ages use their wills to do many things, sometimes even to make mistakes, sometimes to cover up mistakes, sometimes to create mistakes, sometimes to create all good. There are many uses of the will. How will you use yours? How are you going to hand it to God one day: glowing with love, with service, with truth, or are you going to be ashamed of it, hide it, and not want Him to see it?**

**Sometimes a child desires much to correct mistakes they made. They need help to do this. Sometimes, in a physical way, through the will, man says ‘Yes’ or ‘No.’ Through his actions, guided by the will, man says ‘Yes’ or ‘No.’ My children, each of you here has a strong will.**

**If you wonder which road you should take, ask The Father and He will guide you all the way. Sometimes this is difficult because your will gets in the way, so remember, be sure that you do pray.**

**At the moment of conception, from Heaven comes a Soul, a Guardian Angel and a will; three Important Parts of man. Is this not so? When you feel argumentative, be sure to pray. When you feel distrust of another one, pray and walk away. When you feel ugliness, for no reason that day, pray, and it will go away.**

**I hand you a tray. The tray is full of love. It gives you all the things that are good for you and are from Above. How will you react to them: selfishly, indifferently, or spiritually, lovingly? Ask yourself. Each day The Father gives you life. How do you accept it? Each day He gives you zeal to go your way. How do you react to it? Each day He gives you love, security in many ways. How do you respond to it? Each day He gives you promise. How do you fit it into your life for the purpose of the physical?**

**I, Saint Joseph, bless you and say to you today, ‘The richness that you have is beyond your knowledge, so thank The Heavenly Father for the wealth you hold today.’”**

## SAINT JOSEPH

**“Man looks at a rainbow and sometimes stands in awe. The colors he sees fused together, a phenomenon created by certain things: water, light, are the main ingredients for this happening. Man makes up poetry about rainbows, for in them he sees all beauty, and he connects God with this. If the arc of the rainbow begins to diminish in size, there is still a beauty around the sky. Man looks and says, ‘Oh, just to feast my eyes.’**

**Today is a day set aside by God. It has special meaning for it is the Ascension of The Son of God. Imagine the Phenomena surrounding This. Imagine the Rays of Love and Light that would take place at an event such as this. Imagine the Love that this showed. Imagine the Light and Its Glow. Imagine the Truth of it, the Purpose of it, the Reason for it, and the Dignity it did behold. Heaven rang out with song and joy, and greeted The Son Who gave life to every girl and boy, gave them the Way to Heaven, to enjoy Eternal Bliss, Eternal Love.**

**Oh, My children, the life you have must be lived with God in mind at all times, and you must see the pattern He gave to thee: the pattern of self-sacrifice, the pattern of love, the pattern of truth, the pattern of penance, just for you. As The Heavenly Son rose to the Place that was waiting for Him after His work was done, is also another pattern for you to see, for you, too, must live the life of the physical and then rise to Glory, to remain forever with The Trinity. The Father saw that every man had the Example of Truth, of Way, and He sent His Son to show mankind the Way.**

**Thousands of Words are in this Book, telling every man the Way to Here. Read well, and see the Words for you and follow Their Direction, and be sure to hold His Hand. As this Book informs you, delights you, directs you, thank The Heavenly Father for It. It is all part of His Plan for you, to touch you in a personal way, to guide you in a special way, to inform you of what to do. Please, My children, read Every Word, and do not let One pass by without accepting the Beauty of It, the Love that It gives to you, and Where It came from, just for you.**

**I, Saint Joseph, send you Love, and in God's Way I beseech you to look well into the Words that Heaven did say. Be Blessed by this Knowledge, this Wisdom, these Truths, and bend your will to The Father so your lives will bear much fruit. So be it."**

MAY 26, 1971 AT 9:00 P.M.

OUR LORD

**“My beloved sons, My beloved daughters, I am The Second Person of The Blessed Trinity. I come to you on this night on your time, to address you, to teach you, to give you Love.**

**Through *the child*, I will tell you some of the horrors going on now. Many men live in a cell. The cell can be their home, can be their work, can be in a place where they attend the place of knowledge. They do not see beyond the cell’s walls, only once in awhile. In some ways this is good, it is a protection; in some ways, not so good, for it blinds the children from reality.**

**Heaven is real. Hell is real. I am Truth. Satan is untruth, envy, jealousy, hate, pride. In the world, many men are feeding their pride, accepting their egos to a degree, thinking that’s all there is. ‘Just please me,’ they say. This is sadness.**

**Man caters to flesh, caters to senses, caters to the material side of all things. If The Father did not want you**

to enjoy all the things that are about, He would not have allowed them to be, but man distorts and makes things of beauty ugly, for he allows satan to intervene, use weakness to make all things obscene. Man is catering to weaknesses he never before knew he had.

There are programs now, instituted by the devil and carried out by man. The 'sensitivity program', as man calls it, by this and other names, is a killer of Souls, and in many ways, dragging man down to the abyss of Hell. Then there are men using gatherings to pray; seeking self-power, self-display. These are means that will destroy in many ways.

There are men who use their weakness to lead children astray. They do not teach modesty nor purity as a beautiful way. They torture the mind with signs of obscenity, using ugliness, sin, corruptness, to destroy the child from within. There are men who accept their weakness, making excuses for what they do; weak excuses, causing themselves to be thrown into the pit of despair.

**There are men catering to the evil one, accepting worldly goods from him, small powers momentarily, and yes, feeding their pride, building a shell with nothing inside. The day will come and they will realize they have no power, they have nothing to lean upon that's worthwhile. They will disintegrate. They will fall into the abyss of Hell.**

**There are men who are placing so much emphasis, accent on book knowledge. It is sad but true, they live their whole life trusting what other men say as truth. Not always so.**

**The road to Heaven is so easy, so beautiful, so peaceful, so loving, so giving, so simple. It is a road of dedication to God's Way. This means trust, this means prayer, this means acts of love, this means obedience, this means self-discipline. This means joy, fun, laughter, courage.**

**Man says, 'I wish I could come upon a Shangri-La.' The word is only a word, but man uses this word to describe a place of utter joy, complete peace, all love. He pictures it as the closest thing to Heaven while he is on earth. Heaven smiles and says, 'If a**

Shangri-La were given to you, what would you do with it?' He doesn't know. First of all, in man's terminology, he has a word that means certain things to him, so he relates to this word, events, particulars, people, problems. The word in itself is just a word.

Man looks around and does not realize what life is all about. He thinks he knows. He does not know, for he has forgotten to depend on God. Right now, there are many men who would not forget to do a chore around the house, who would not forget to drop a loved one a note, who would not forget to nod 'Hello', but who would never think of taking the time to grow in God's Way, one step at a time.

When you meet, you recognize each other. When you awake, what is your first thought? It should be to The Holy Trinity, with *The Cross*. No effort needed here, no big expense, not much time; just a second, using *The Cross* before you even take the cover off:

*'In the Name of The Father  
and of The Son and of The  
Holy Ghost. Good morning,  
God, thank You for this day.'*

**A moment of love. Remember to say the greeting to Heaven first each day. Then the cell you hold dear will have more meaning and it will be lighter by far, for that little greeting brings Us closer to you, and you will feel more meaning to the day, to all things.**

**As you are in the physical form, your Creator is Divine. It is wise, My children, to recognize Divine Way, Divine Love, Divine Power, and accept God's Love with the littleness you are. You are loved much. You are cherished and your little Souls must come Here, must glow with a Light that would blind you if you could see it.**

**Sainthood is real. It is a Gem, created by The Holy Trinity. I hand It to you. Will you take It or will you accept the synthetic? I could not bear for you not to take It, for one day you are to be Here. I bless you with God's Love, with My Heart and with the Light of The Holy Ghost, as One. So be it."**

MAY 28, 1971 AT 11:15 A.M.

**“My beloved daughters, I am a Saint Who walked the path you walk: marriage, family. Remember that you can use this path to arrive Here. It is a good path and a path of solid foundation. It is the path God chose for you. It is the path He created. It is a path of pleasure, of sorrow, of love. It is a path recognized as the main way of life for mankind.**

**My Name is unimportant but I do want to mention a Name of Great Importance, not only Here in the Heavens, but on earth. He, too, walked the solid way of the marriage state. The Beloved Saint Joseph must be seen throughout the world as the Greatest Saint in Heaven. This Saint stands in a Beautiful, Majestic, Colorful, Loving, Powerful Way. All Heaven looks to Him for many things.**

**The Father has Designated This Time for Him to be acknowledged in the way of mankind. Pray to Him; He understands your needs. Pray to Him for protection; He is aware of the**

**degree you need. Pray to Him to show you the path to Here; He walked it. What better guide could you have than Him? Pray to Him, to show you how you can better serve God in your way. He is an expert at this.**

**I love you, in God's Way. Read much the Words I did say. Benefit by Them, hold Them close, read Them often, follow Them. So be it."**

**JUNE 2, 1971 AT 2:55 P.M.**

**SAINT JOHN VIANNEY**

**“My sons, My daughter, be sure that when you listen, you sift out what is untrue, what is harmful to your Soul, and what will detain you on the way to Here.**

**Many teachings are being performed to direct youth on the road to Hell, the road of untruth, the road to disaster, the road of permissiveness, the road of anguish, agony; the road of material development, fleshly satisfaction. It is a difficult road for it is a hazardous road, full of deceit, full of anxiety, with very little peace.**

**As man is, in the world now, being made conscious of the power of the mind, the need for the mind to develop on immaterial values, there is much deception being accentuated by satan.**

**Please, My children, keep your eyes open to what is around, but walk in blindness, in love with God. Keep your ears open but sift out untruths. Let your mouth be a channel of all good. Let what is said be for the Glory**

**of God. Let the words be helpful in many ways and not just a rattling on of sound, with no meaning, no purpose, no love. Let your hands be tools for God. Let your feet carry you, if need be, to distant lands, with the purpose of saving Souls. Every act you perform, let it be dedicated to God's Way.**

**I was a priest in My day. I am Saint John Vianney. As I listened to man, I desired only to help him. As I gave advice, counsel, direction, absolution, I looked to God's Reasoning, God's Will.**

**Whether you walk life in a small way or a big way, keep at all times a goal in view, the goal of truth for you.**

**I bless you with Heavenly Love. I beseech you, allow your physical lives to bear much fruit, to gain much Grace for you. So be it."**

**JUNE 3, 1971 AT 11:10 A.M.**

### **SAINT ATHANASIUS**

**“Thousands of men are eagerly looking for excitement in life, purpose for everything they do, but they are looking with self-love, pride, ego. Right now, children are not being taught the Spiritual love, life, that must be a great part of them. Many things regarding God, the Realness of Him, the Beauty of Him, the Divinity of Him, are being eliminated so children will not see The Holy Trinity as It truly is.**

**You live in a time worse than Sodom and Gomorrah. Men are flitting around, feverishly working to be important among men. This is sadness to The Heavenly Father. The Purpose of life is to return to Him, to enjoy Heaven. Man is humanizing God. He is meticulous in this doing. You have been exposed to this in many ways. It is satan’s subtleness to diminish the Heavenly Way.**

**Right now, God is using This Miracle for the good of all mankind, for mankind to recognize the Magnificence**

**of the Example that was accomplished by The Beloved Saint Joseph. All men must hear His Name, see Him for the way He was, obedient, self-disciplined and full of trust. Teach your children about Him.**

**I bless you in The Father's Name and in the Name of His Son and in the Name of The Holy Ghost, The Trinity as One. My Name is Saint Athanasius, and All Heaven is prepared to perpetuate This Miracle of The Beloved Son. So be it."**

**JUNE 3, 1971 AT 12:00 NOON**

**SAINT JOSEPH**

**“Heaven speaks, Heaven knows, Heaven repeats, ‘As children walk concerned, there are many who are unconcerned, many who accept frivolous ways because they are the easy ways.’ Know that as you are aware of the dignity that must be, you have the responsibility to be example of it, to teach it, to express it. Right now in the world, man is looking for self-pleasure, self-satisfaction, and he is actually causing self-deception.**

**Face truth in the way it is. Face accepting truth, because it is through truth, with truth, by truth, that you will enter the Kingdom of Heaven. When the time comes for Judgment of you, know that you will expect The Beloved Father to be Truthful in all things, Just in all matters, and Merciful in all ways. Is this not so?**

**I, Saint Joseph, speak. I stand in Heaven Where I am and the Power is generated to earth. No Miracle is as This. There are many, many men leading thousands to Hell. There are**

**many, many, many children not being told the truth. Man is decorating, falsifying, minimizing what must be taught.**

**I beg you, My children, to not walk blinded or blindfolded. Walk with your eyes open. Be aware of the evil one's ways, the subtleties he uses to distract children from God's Ways.**

**The Heavenly Mother stands ready to help in all ways. Be sure of this, know this, accept it, love it.**

**I bless you with a Heavenly Love, using a Divine Power. So be it for now."**

**JUNE 3, 1971 AT 4:10 P.M.**

## **SAINT JOSEPH**

**“When gangrene sets in, man worries. When peritonitis sets in, man is concerned much. When a cancerous sore spreads, man instinctively becomes alarmed. When infection is evident, man does not challenge it but he uses means to eliminate it. When sin is committed, man, somehow or other, accepts it lightly, and yet sin is equal to the gangrene, the peritonitis, the cancer, and other things.**

**Sin says, ‘Weakness.’ Weakness can only be helped by strength. When man wants to correct a wrong issue he shows strength in his manner of speaking, presentation. He uses force to gain ground. Is this not so? Then, My children, would it not be sensible, wise, to stop evil now, before it travels too wide, too deep, before it looks incurable?**

**The young children are being swept into a funnel that, when they get to the bottom, squeezes so hard upon them that they cannot stand the pressure against them and they**

feel weak. When they are released from the funnel, they sometimes are distorted in many ways. Satan is using such a means to intimidate the young. There is not enough example of truth, wisdom, integrity, strength, being given by those of more years.

The need for prayer is greater than you know. It is the one thing that man sets aside, puts off, and makes plans for on the morrow. This tomorrow sometimes never comes.

My children, more must receive The Holy Eucharist. More must say a daily Holy Rosary. More must make visits to The Blessed Sacrament. More must kneel and pray. More must do acts of love God's Way.

I bless you with God's Love and with the Way to Here. I bless you with the Faith to understand and to follow the Words that I gave so clear. So be it."

**JUNE 4, 1971 AT 10:25 A.M.**

**SAINT JOSEPH**

**“Sometimes children react hopefully, and in many ways, fear the truth. So many children now are not praying for those straying from the road to God. There is such a great need in your time. Please, My daughters, never be so content with yourselves that you do not see the misery that could be for others.**

**As Mary and I walked the earth, there was much misery around. Many problems were rising up because of the weaknesses of man and because of the laxness of some. We oftentimes discussed how much prayer would do for such. In the time We lived, We found a beauty in what We received and what We did give. We also realized that there was much more that had to be given, and We saw that the main giving was for things that could not be seen with the physical eye. So it is now.**

**Please look beyond the surface and help others think of God. There is such a need for prayer in this direction.**

**So many children are confused, causing indifference to truth.**

**Much is going on regarding the young. They are looking for stimulation, emotionalism and sophistication. They are being sidetracked by participation. They have a feeling of false unity. They are full of innocent self-deception. Pray for them, teach them, guide them, be example for them. They take chances and they do not realize that the chances are disastrous. They hide these chances from those they love, for inwardly they're frightened, but they strive to stand alone, thinking it is knowledge, when, in truth, it is ignorance.**

**The sins right now being committed are sins of self-love, sins of gain, sins of selfishness, sins of promiscuity, sins scandalizing the little ones; sins of disrespect to The Holy Eucharist, sins of disobedience to The Beloved Mother, Queen of Heaven; sins of lust, gluttony. Man is not thinking in terms of self-sacrifice or doing penance. All he cares about is himself and what is best for him.**

**Please, as you walk today, pray. As you live today, give thanks to The**

**Father Who gave you the day. As you talk, teach those you love, those you meet. As you work, dedicate the time, the act to God. Live each day this way. Give your will the chance to do God's Will, His Way. Let your will be governed by His and you will find a peace, a gentleness within you, but you will also find the strength of humility that will give support in times of danger, in times when you must stand up to adversity.**

**Man has accustomed himself to his own thinking. It would be wiser if man eliminated pride and ego and humbled himself to ask God what His Will expected.**

**Please, My children, do not let These Words fall on deaf ears, blind eyes. Let Them penetrate your whole being. There is much Lesson here, much Guidance, and All Truth.**

**I bless you with Faith and with Trust. Be ever mindful of The Holy Eucharist and be sure It is a must. Be obedient to the Rosary, and say it every day in Honor of Our Lady, Who uses these prayers to release Souls from Purgatory. Dedicate your day but mean it. Do not let the words be**

**just words. You are loved. What more  
is there to say? So be it.”**

**JUNE 7, 1971 AT 2:15 P.M.**

## **GOD THE FATHER**

**“Let Us take a journey, traveling on land and on sea. I am your Heavenly Father. This is enough for thee. While you are with Me, you cannot sin, so it is wise you never stray and you never let go of My Hand. As We travel, you and I, many things will be evident to your eye and many things you would be wise to not see.**

**Let Us begin on land. We are walking Hand in hand. We are looking at all I have made. Some things that you see, you exclaim, because of the beauty that shines from them or through them. I enjoy your joy. I am happy to see the pleasure My Creations give to thee. All things I created were for you, for your needs, to help you.**

**You are My favorite creation for I gave you a Soul. I made you to My Image and Likeness, the ultimate creation, far beyond the sun, the moon, the earth, far beyond the stars, the trees, far beyond any invention I allow man to have, to do. You are the ultimate. Man does not realize**

the magnitude of his being. I do not mean power; I mean the simplicity, the purpose, the love of the human way.

**T**he first Lesson has been taught, and now let Us walk toward the sea. As the water pushes itself against the shore, the tide governed by Me, controlled by Me, made by Me, will be even in its pattern, formed by Me. You must have no fear as long as you hold My Hand.

**W**e travel now on this water. We look around and We see turmoil because of the earthly things. I smile and say, 'Keep walking, you are safe as long as you are with Me.'

**W**e come to an island. There are men on this island. My, We have traveled much, you and I. As We walk on shore, I wonder if you will be distracted by those you see. I do not mind distraction, as long as it does not take you away from Me. Remember this, and keep it in mind at all times so you will never go amiss.

**W**e are walking on this island. It is surrounded by the sea. You become intrigued by the freedom of those you see. Right now I feel I must speak to alert you to the real freedom of life,

and that is loving Me. As you walk, I hold your hand tight, but always with a pressure that you do not feel, for I give you the freedom of will to let go of My Hand or to hold It as tight as you can. This is the truest form of freedom for any man.

I say to you now, 'It is time to go, We must be on Our Way.' Are you ready to continue the journey of life with Me? I give you the chance to make this decision. What would yours be? Holding My Hand, going My Way, depending solely on Me, would not rob you of one thing. It would give you life, love, fullness, purpose, and yes, Eternity with Me.

My children, when We began this journey, We started fresh. I did not bring up the past. I did not say that there was one of you who could not travel My Way. Would this not say to you that today is a perfect day to begin anew, to begin afresh, to hold My Hand from now on and to forget the past?

I love you. It is a day of truth, a day of beginning, if you will but allow it to be. I ask you to make the decision. You have your free will to choose the world or Me.

**I bless you with My Fatherly Love, with Faith in My Way, and with the courage to hold My Hand without delay, in every way, under all circumstances, for the rest of your days. So be it.”**

**JUNE 9, 1971 AT 3:30 P.M.**

**SAINT JOSEPH**

**“Man goes through life following rules. Some rules are man-made; some, the Important Ones, God-made. Ask yourselves this question: Do you follow the God-made Rules first? Also, do you respect the rules made by man that are for your good? Sometimes confusion sets in and you do not understand the difference between God’s Rules, man’s rules.**

**First, have in evidence for all children of all ages to see in your home, the Ten Commandments, and what each thing covers, each Commandment means in the life of man. Sometimes children look at the Commandments and are unaware of their full, true meaning. Please know that this act of love from you will teach mankind God’s Way.**

**In your daily living, place first for you the Gift of Love, God’s Love to you, The Holy Eucharist. Then be sure that you use the Holy Rosary in obedience to The Beloved Mother. Be**

sure that you do not place so much on earthly gain, but on Spiritual growth.

There are many things that I have just said that you should read again and again. There are many who will follow you if you will but lead the way.

Some men claim that they do not need to follow a pattern set by God. This is sad. The Ten Commandments are Rules for every man, truly given by God.

All the heartaches, adversities that you encounter can be turned to Grace, love, courage and strength. Look at all things each day as Gifts from God, allowed by God for a special purpose.

Oh, My children, repeat often *The Divine Praises*. They will give you strength and will ward off the evil one.

Be Blessed by this day, be encouraged by it and grow from it. It is a Gift from God to you. It is Love firsthand for you. So be it.”

**JUNE 11, 1971 AT 5:15 P.M.**

**OUR LORD**

**“My children, each step of your life up to this time, has given you Grace, has given you love. There are many things that caused unhappiness, turmoil, displeasure, and perhaps a little disgrace.**

**If I were to hand you now My Love, and I asked you for certain favors in return, how would you react? With a desire to grow in Grace, or would you take a chance and not go along with Me?**

**This Miracle of My Son, Who was My Father, is to be carried all around. It has started in a particular spot and is to be carried hand to hand, mouth to mouth, with love and by example, to all of mankind.**

**I am The Son of God, and today I reach out to you with My Heart, not with drops of blood, but with Rays of Love, each Ray touching your heart. There is no distance too far away that a Ray from Me cannot touch. There is no man so deep in sin that a Ray of Mine will not help to rise, to begin**

again. Through *the child* I send My Rays, and on each Ray I give Love, Hope, Charity, Peace, Confidence, Tolerance, Faith, Obedience, Trust. If I were to allow My Power to touch you in a greater amount than It is, It would be too much for you.

Picture a table, round. It is of magnificent size. You are a guest. I stand in the middle and there is an opening that encloses around Me so the Rays of My Heart reach out to each child standing at the edge. You are among them. There are children of all ages, all colors, and all degrees of purity and Grace. I touch each one in a manner, in a degree that will help them accept the Love, the Way, the Plan of The Holy Trinity.

Man places much importance on his heart. I, too, place this importance on the motor of life. That is why the Rays of Life can be felt when a child places himself in this area, looking to My Heart for Satisfaction, for Courage, for Strength, for Advice, for Truth, for Faith, for Love.

A period in man's time, of approximately two thousand years, separate My Crucifixion, the giving of

**My Life so that mankind could spend Eternity in Heaven, Where True Life really is. Man spins through time, many times wasting time, many times misusing time, many times forgetting the importance of time.**

**In this period of time, I have given to the world certain children chosen to perform in delicate, Supernatural Ways, giving mankind advice, counseling; and triggering in the human mind, desire to please The Divine.**

**It is not amusing to watch children misinterpreting These Divine Gifts. The evil one waits for weakness to show and then he strikes a deadly blow, always in a subtle way, surprise attack, devious methods, ugly circumstances, causing weakness to grow. The Heavenly Father's Magnificent Plans to help mankind in every way are not known to the evil one until God shows His Hand, shows His Plan to man. Be assured, though, that satan's plans are known to God in every way.**

**If I took you on a trip now and We traveled far and wide, would this pilgrimage of love serve just you or**

would you spread God's Love? Would you tend to be self-satisfied and content with this or would you be as the Apostles were when I lived?

If We were on land, in a dry area, I could sustain you in all things, but I would, in turn, depend on you to relate God's Love to other men; for, in your natural way, you could be example that others would understand and appreciate, for you could talk of how you felt, how you learned, how you have grown in Faith.

So it was a long time ago. I walked with men, taught them, and then let them go. So it is with This Miracle, planned by God, perpetuated by All The Saints. The Teaching, the Loving, the Giving, the Serving, the Wisdom is done through *a child* as you; a repeat of time, God's Way in The Divine. Do you understand that you participate in a Plan, not made by man, but to give man the strength to arrive Here Where I am?

I could speak through *the child* for an endless time. I could teach continuously, but even when I walked with the beloved men, I stopped to let

**them rest, to absorb, before We carried on again.**

**I leave you with a Special Ray from My Sacred Heart. No matter where you go, no matter how far away from this room you may stop to rest to renew your way, the Ray will touch you and give you My Love, My Strength. So be it.”**

JUNE 15, 1971 AT 12:10 P.M.

## OUR HEAVENLY MOTHER

**“My son, My child, you have made entrance into a Miracle of Faith, of Teaching, of Hope, of Trust, of Obedience, of Love.**

**There are many children to return to the Sacraments, to return to God through This Miracle of My Spouse. I am your Heavenly Mother and I speak direct to you from God’s Realm. The tone of the voice is a *child’s*. *The child* through whom I speak is used to transmit My Words to you.**

**The beloved world that God has created must be encircled with the Holy Rosary. It must be said daily. It is the weapon against the evil one, and the Power of it and in it and through it is beyond man’s knowledge. As the links of the chain draw together the Beads of Hope, the Beads of Love, there should be no break in the chain. It should be a continuous prayer.**

**From the Crucifix that My Son did bear is the story beyond compare. As each child holds a Crucifix, the**

child says, *'I believe in God.'* These words are important words and they should be said with love.

As you walk to the next lone bead, it is the prayer given to mankind by My Son, Who was The Son of The Father before all had begun. The words in the prayer are full, meaningful, loving, caring, and yes, Words straight from the Mouth of The Heavenly Son.

As you travel the chain, the next three prayers openly say: Have Faith, have Hope, have Charity; and as the *'Ave Maria'* is said, word by word, it talks to Me of the Beauty that you recognize in What God gave Me.

When you say, *'Hail Mary, full of Grace,'* it is as the Angel first attracted My Attention. It is God's Will these words be repeated again and again, to remind, to help you understand how He works.

As you travel the beads you go through the important times. You say, *'The Annunciation.'* My, if you but knew the fullness of these words, *'The Annunciation.'* This was the true beginning of your Salvation, for it was through this first Act of Love by God

**The Father that all things began to come about.**

**As you travel the fifteen decades, the last thought is the 'Coronation'. So as you speak of 'Annunciation' you go to 'Coronation'. This is as your life should be: the announcement by God at the moment of conception of you, until the day you arrive Here with Me, Where you, too, will wear a Crown for All Eternity.**

**These are Important Words, these are Important Thoughts for you to cling to, for you to remember, for you to act upon.**

**Many thousands of Words have been given through *this child* to teach mankind what is worthwhile. Her gentleness is easy on you. The Words I speak through her are Truth. Travel around the world on the Chain of Love made for you, and as you travel, know that you are working on the Crown, on the Coronation for you.**

**I love you. There is much work to be done in the Name of The Father and of The Son. So as you walk, as you live, as you play, as you give, be sure it is in the Name of The Holy Ones. So be it."**

**SAINT JOSEPH**

**“My children, I stand Here listening to the Lesson, to the Teaching, and I have injected much Knowledge, much Wisdom, much Interpretation, much Fruit. If you could but see the Heavenly Realm, you would not waste one moment on one more question. You would desire only to arrive Here to spend Eternity with Me.**

**Remember, My children, that sudden impulse is dangerous. Emotionalism can be treacherous. It can hurt many things in many ways. There is no stability to emotionalism, there is no security in it.**

**As you walk, do not fret over what others look to, have, but be thankful for what is yours and what is not. If you could but see the Knowledge, the Greatness, the Purpose that has gone into the Creation of man, you would constantly bend your knees. Even a small child would see it as phenomena.**

**Beware, My children, of the following things: lack of charity, lack of**

**understanding, lack of tolerance, lack of obedience, lack of self-discipline, lack of truth, lack of giving, lack of trust in The Father's Will, lack of love, lack of wisdom, too much pride, too much ego; and again and again and again and again and again, I say, 'Lack of humility.'**

**The stars, the sun, the moon, the earth, the whole universe, created by God for reasons special to man. In all these creations, God looks to one creation as ultimate in His Plan. That is you, man.**

**As He gave life to a form that He created to the minutest detail because of the Soul it bore, He cherishes this way, showed His Love for this way by allowing His Son to walk this way to save mankind from being lost.**

**I know that nowhere in your time has man expected such a Grand Miracle as Mine, not in such a Personal Way, and not with so much Teaching each day; but, My little ones, remind yourselves of how God loves you, for allowing you to walk this way.**

**Many things were said to you today by Me. One, especially important, was this: The Knowledge**

**and Wisdom you have received places a greater burden on you from The Trinity. Walk in truth, My little ones. Walk in humility, walk in tranquillity, and have no part of the excitement of emotionalism, for all it does is stir things up, causing confusion, misinterpretation, and yes, familiarity in many ways. God is not pleased with this action.**

**I, Saint Joseph, bless you in a way unknown to you, but I touch your hearts to help you to better understand God's Love, God's Way, and to teach you the simplicity of His Plan. Our Beloved Mother has asked Me to tell you to always carry the Holy Rosary. So be it."**

**SAINT AGNES**

**“My beloved sons, My daughters, I am Saint Agnes. My way in the world was the human way, as yours is. To be a child of God is a Gift from Him. To walk, performing daily tasks, daily acts, is a Gift from Him. To pray, to feel the need for prayer, is a Gift from Him. To learn, and to perform well from the learning, is a Gift from Him. To see the beauty of every day is a Gift from Him. To feel the closeness of love is a Gift from Him. To be satisfied is a Gift from Him. To enjoy the physical life is a Gift from Him. The first breath was a Gift from Him, as the last one will be; the beginning, where there is no end: Here, Where I am, in the Realm of Heaven.**

**I speak to children of all ages and all degrees of love. I speak with the Power of God and with His Love. As you are in love with truth, you are in love with Him. Be subservient to Him and grow in Grace with Him, in Him, for Him.**

**If a friend offered you a gift, it would give you happiness, joy, and you would feel stimulated, elevated, and yes, an inner happiness would radiate from you because of the thought someone had for you. Each day God has a Gift for you: the Gift of Love, the Gift of Truth, the Gift of Peace, the Gift of Assurance, the Gift of Motivation, the Gift of Love — The Holy Eucharist, a Transfusion just for you. Each day you have the ability, the power, the stamina to go forward and receive this Gift. Ask yourselves how many times you have refused this Gift. If it were a human giving it to you, you would accept it with love. Your Creator hands It to you. What will your future plans be in receiving this Gift from Above?**

**Man knows that to pray is to communicate. How often do you pray? You can make every act a prayer, every thought a prayer, every word a prayer. Try it. Begin today.**

**Missionaries all over the world greet people, help people, worry for people, and sometimes even die for people. This is done mainly out of love for God, love for His Creation, love to serve. Let your lives be as the**

**missionaries who go far away. Let your mission be here where you are. Let each day be a day of service to God, a day of giving. Think about this, act upon it, and let it give you much Grace. Let it help you grow in the service of The Holy Trinity.**

**As I leave, The Father blesses you, The Beloved Son crosses His Hand over you, and the Light of The Holy Ghost shines through you; a Gift from your Creator. What more can you ask? So be it.”**

**JUNE 21, 1971 AT 5:10 P.M.**

### **SAINT JOSEPH**

**“I smile when I hear *the child* speak to you of My Way, My Time. Through her I reach the world, God’s Way, God’s Will, God’s Love. The Heavenly Father has appointed This Time for man to know and understand all of Me. Through His Will, I come to you to encourage you to help others pray to Me.**

**You see, My children, there is so much anguish in the world, so much tragedy, so much adversity. Families are crumbling, children are being scandalized, religious vocations are diminishing for so many reasons and in so many ways.**

**The time in which I lived had turmoil, and many people were being suffocated for what they felt was justness, whereas it was only self-love, pride, egotism and envy.**

**If you will but look to the Ten Commandments, you will find They cover all things. Man looks at Them but does not realize the full meaning of Them, the full interpretation They**

are. Sinful men ignore Them. Some children blind themselves to Them; hopefully, so they will not have to obey Them. They have been given to the world by The Heavenly Father. They are to be acknowledged, and yes, obeyed.

If I were to stand visible in your presence at this moment, I would not be more evident to you than the Words I give to you through *a child* as you.

The answer to many hysterical problems is prayer; to emotional upsets, is prayer; to physical ailments, is prayer. Prayer triggers Faith, helps it grow. Faith triggers charity, helps it grow. Charity triggers hope, helps it grow. Hope triggers love and helps it grow. Love triggers trust and helps it grow.

Many men are so taken up with knowledge from books, they neglect the beauty of wisdom. Heaven puts wisdom first, for to be knowledgeable is not always a show of wisdom.

If you lived in a time other than your own, it would not have been correct for you. The time of now is best for your Soul. From this moment on, strive for perfection. Make it your

**goal. Reach out for it each day and when you feel you cannot reach it, pray, and it will trigger the way. It will give you the zeal to carry on.**

**You are Blessed by this day. Let What I have said lead you to Here. Be as a seed of love. Let My Words grow. Let the Wisdom given show, and let the truth be your goal. Do not take each day for granted. Know that it is a Gift from God, a treasure all its own. My Way is clear. Place yourselves under My Mantle and walk the way to Here.**

**The Heavenly Mother offers you Her Hand and in it She holds the Holy Rosary, so your hand will touch the Beads She holds dear for every man. The Souls Who are yet to come Here can gain entrance faster if you will but give the time and allow your prayers to be used by Her to help many Souls come Here.**

**I bless you with the Love of The Blessed Trinity, with the Power of God and with the truth of life. So be it.”**

JUNE 23, 1971 AT 2:30 P.M.

SAINT JOSEPH

**“Man says, ‘Watch out when you cross the street.’ God says, ‘Watch out when you sin, when you think of sin.’ Oh, My children, man is cautious sometimes in the wrong way, sometimes for the wrong things, sometimes in the wrong manner, sometimes for the wrong purpose, sometimes out of fear. You must understand, My children, that your daily way of life is one in which you must walk with caution, but with Faith. So often children misuse the Gift of Faith.**

**I, Saint Joseph, speak firmly today, lovingly, and with Direction. Heaven is speaking to you through Me, a Saint; and I, in turn, speak through *this child* to reach you in a personal vein.**

**Do not walk in the shadow of others, for as you do you may imitate, you may follow the wrong things. Do not walk in such darkness but walk and see. Do not be dragged into the abyss of Hell by wishful thinking,**

wrong desires, or by holding tight to things you think are right.

**T**hose you truly love should have the freedom to love you, the freedom to say what they think, so you can help them with knowledge, through wisdom, with love. You see, God works this way. He gives a child a chance to think and then He gives the child a chance to decide. All children do not make the correct decision, but The Father is always ready to give a hand to help the child. You are His children. Those you love are His children. He uses you to direct them His Way, as I use *the child* to give you My Words. Do you understand?

**N**ever think of totally what could be, but of what must be. Do not anticipate the wills of others. Be conscious of your will and what it must do to perform correctly.

**O**h, My children, there are so many facets to this physical life. There are so many things that should be changed by you, and yet there are so many things that should be allowed by you. Your everyday direction can be governed by The Father if you will but allow Him to do it. Look to your

**Soul, look out for It. Help It grow in Grace, in Beauty, in Love. Do not let fear overtake you. Do not let anxiety overpower you and do not let lonesomeness be mistaken as the only way.**

**I bless you, My children, with much Love. I bless you with Truth, with Faith. Take each day, one by one, and as you do make no mistake, that you must hold God's Hand all the way. So be it."**

**JUNE 24, 1971 AT 10:40 A.M.**

## **SAINT JOSEPH**

**“Superstition is brought about by man’s need for something to lean upon. He uses it sometimes as a crutch; sometimes, to keep himself alert to danger. All through time men have used the weakness of superstition, the inadequacy of it, so I say, ‘Beware of it.’**

**The truth must be accepted for the value it is. Truth must be acknowledged for the fullness it is. Truth must be sought for the purpose it is. Be constantly aware of the Purpose of life, the Truth of life, and the things that it takes to fulfill the physical life. Be conscious always of the harm that can come to you if you are not alert to satan’s way, his trickery, his devious means, his facades.**

**Be mindful of what it is to give, how it is to serve, and through which means it is good for you. Do not procrastinate when it comes to doing for your Soul. The Soul is the Most Important Part of you. Be alert to Its Presence and to Its Meaning.**

**Take each day and face it in God's Way. Face it to serve Him in some ways. Face it with the responsibility of what life is all about. Face it with trust in God. Depend upon Him for all things and in all things. Do not let turmoil enter in.**

**In prayer, be sure that the prayer that comes from you, through you, is to love God, to serve God, His Way, not yours. Be sure that as you live each day you do not corrupt it in any way. There is a necessity for prayer. There is a positive need for it in you, within you. True love is not just outward giving but it is deep within your being.**

**In the world now, I am fast becoming known, for God Wills it. I am Saint Joseph. All These Words I have spoken are Words for you to acknowledge and to retain. They are Words of Love, Direction, and Concern. I love you as God loves you. Be aware of this Love. So be it."**

**JUNE 24, 1971 AT 4:55 P.M.**

## **SAINT JOSEPH**

**“Grace, what is it? Many men are unaware of what it is. They tend to ignore it because of their lack of knowledge of it. Grace is reward. Grace is love. Grace is consolation. Grace is strength. Grace is what you earn, what you store for Eternal Salvation.**

**Man speaks of what is right, what is truth, what is good, what is enjoyable. He places earthly measure on all things. There is no Greater Gift from God than Grace earned through sacrifice, through penance, but also gained through acceptance of God’s Love, the Sacraments, prayers, the teaching brought down through time by Divine Way.**

**Each child in My Presence here has the ability, the chance to gain much Grace for Heaven one day, in Heaven for all time. Let us begin now to be aware of Grace. Many men would argue this point with you. They would say it does not exist or it is just something made up to encourage you.**

**Not so. It is as real as a material gift would be. It is as true as you are flesh, blood, life, breath, heart.**

**In the realm of the earth, men are screaming to find reason for certain things. Men are delving into hidden areas, looking for facts, knowledge, to find out what happened a long time ago. It is wise if men accept what is happening now also. First, the basic truths, the fundamental knowledge of what God wanted taught is easily followed by you. Remember to accept it and grow from it.**

**So many children are running around, making up their own theories, minimizing God's, maximizing theirs. They feel that theirs are more real to them for the time they live in is now. My, how foolish man is. Right now in the world there are many, many, many, many, many false prophets, false theories, false ideas, false interpretations, and men are being drawn to them.**

**There are thousands feeling the need for prayer, the expression of prayer, the satisfaction of prayer, and yet are not gaining full Grace. They are doing it out of self-love, self-**

satisfaction, self-purpose. Do you understand the distinction of how men use prayer? Some men say, 'What difference does it make as long as I pray?' I smile and say, 'Much.' First, man must learn to shed weaknesses one by one. Second, man must accept truth, no matter how it disagrees with his thinking. Third, man must be humble. Fourth, man must look to the beauty of trusting God. Five, man must learn to follow God's Rules; above all, the Ten Commandments are first on the list.

As I speak, there are Many Saints surrounding Me Who have spoken through *this child* on distinct matters, in personal ways, in grouping ways. All Lessons were taught with Love.

Your Faith has brought you here. Your knowledge of God's Way is sincere. Your anticipation to please God, to understand God, to grow in His Way, gains you Grace God's Way.

I know that you live in a time of much distraction, much compromise, much turmoil, much disaster, much change. Stand stable, stand firm, stand in truth, and do not let any man sidetrack you. Satan's ways are

to confuse, to gossip, to misinterpret, to scandalize. You know this. Do not participate in this idle way. All truths are fundamentally sound, logically spaced, and yes, given with love and honesty, dignity and integrity, purpose, goal.

Throughout the world, God is distinguishing certain areas for His Work. As it was in times of old, it is now. There are particular children being used by Him. As He uses *a child* for the good of mankind, He strengthens them from The Divine. It is with Grace they exist; through the strength of the Grace they cooperate with Him.

Be advised by Me now that This Miracle of Mine is One Alone. It is for all mankind. Let Us now, you and I, walk to gain Grace, show love, and do God's Will."

**JUNE 25, 1971 AT 10:15 A.M.**

**SAINT THERESE OF LISIEUX**

**“As I wore the habit of love, the habit of truth, you too, must love this habit. I hand you flowers, I hand you a Gift of Truth. I am ‘The Little Flower’.**

**Please, My children, let each day renew your Faith and help it grow. Let each little act you do be an act of love from you. Do not be ever present on a springboard, but walk on firm ground, with a firm feeling, with love for God.**

**As I stood in the convent there were many times I was aware of unjustness in the world. It was sadness to me, for I knew that men were sinning against God. My ‘Little Way’ to Heaven can be yours. Let each day be as the flowers in the field, one more beautiful than the next. Let the colors of these flowers give you a feeling of zest. Let the odor give you desire to do more things for God.**

**My children, I could use great words with big meanings and say less to you than What I have said. To love God is a beauty and a simple way of**

life. What you have, no matter how simple it is, can be offered to Him. Many times, when a child shares so little, God receives it as so much. It multiplies in love when it is small. Man finds it difficult to understand this, but to share one act of love in God's Name gains so much reward, and one day you will be acclaimed in Heaven. Man looks at all things in a different degree than God. Man puts much emphasis on great events, whereas God can put much reward on one little thought from them. When a child says, *'I love You, God,'* my, how God reacts.

You see, My children, it is true, all men were created equal. Man sometimes misunderstands this phrase. All men were truly created with a Soul, a body, a Guardian Angel and a will; yes, equal. Now, if all men were created equal, then would it not be wise to say that God receives them equal and determines the Gifts in a just way? Think much on this. It is not necessary to give great things, but many small things.

I love you. Let each step, each word be given to Him. Let each heartache, each disappointment, each

**care, be given to Him. Let each good work, let the daily tasks be given to Him. Place the bouquet at the fall of night. Place your love on the Altar of Faith. Give your life to Him. Let Him guide you and let His Will be done by yours.**

**I bless you with The Father's Love and with My 'Little Way' to Here. So be it."**

**JUNE 29, 1971 AT 11:00 A.M.**

**OUR HEAVENLY MOTHER**

**“My daughters, I am your Heavenly Mother. I come today to speak openly, honestly, lovingly to you.**

**There was a time when I was on earth that My main task was to serve God through helping other men. I found that the need was tremendous.**

**So many daughters tend to make each day just that, a day. Picture yourselves as a tree, the tree of life. Is the top of the tree bearing fruit? Are the arms you have being used to partake in the bearing of the fruit? Are the legs you have staunch, strong for personal things? Is there any chance they could be used to take you to places to bear fruit? The roots of you is God, and He will feed you at a moment's notice. All He asks is that you make each day worthwhile.**

**There is much to be done, My children. The world you live in has so much ugliness, so much sin, so much heartache, that you must lend a hand to eliminate, to give hope, to serve where you can. There are many children in**

sickbeds who should be talked to, who should be laughed with, who should be given a thought of God. Leave a token to remind them. You see, My children, there is a great need for your hands, for your feet, for your love, for your service, for your way, for your life.

**A**s you love the sight of flowers, remember where they came from, remember Who caused them to bloom, remember the artwork involved in each one, the design, the purpose. Sometimes just the scent brings great happiness. The scent of a flower is as a smile from you: love, hope, courage, strength.

**B**e in tune with what you can give, you can do, you can produce. Be example for others. You will find an inner peace, an inner joy, an inner truth, an inner vocation of love. So many times children remain in one place, waiting for others to stimulate them, motivate them, interest them. Let your lives be the trigger of hope for many others.

**I** bless you with Truth, with Love, and with a Mother's Kiss on your forehead. Through this Kiss, I give

**you Strength from Above. So be it for now.”**

**JUNE 30, 1971 AT 2:15 P.M.**

**SAINT JOSEPH**

**“My beloved daughters, there are so many things that God has given you to help you, to teach you the way to Here.**

**Very often children enjoy wearing something on their head to give them distinction. It has been known through time that man is aware of particular headgear. As you go through life be aware of a special Crown for you. It is a Crown of Beauty, Loyalty, Love, Reward. It is the Crown of Sainthood. There is no man in the world denied this Crown at birth. It is gained, It is earned, through the acts you perform, the work you do, the love you show, the service to God done by you. The Beauty of this Crown is determined by God after He judges you.**

**Please, My children, gather many jewels for this Crown. Help this Crown to be beautiful for you. Begin now by concentrating on this. Each day should be dedicated to The Heavenly Father. Each hour should be a prayer of love, a thought, a desire to please Him Who**

is Above. Be ever conscious of the fullness of prayer, the communion it is, with God Who is Here.

I, Saint Joseph, walked the earth as you. I dedicated My Life to obedience, in obedience, for I knew that the Greater Power was beyond the world. Make it a point each day to offer God your way. Nothing is too small, nothing too large. Be sure you offer it with love. Tell Him you love Him and be sure you thank Him for all you have, all you are.

In the time that you live, many men are headed for moral decay. They act oblivious to truth, they act indifferent to God. This, My children, is satan's way. Remember one thing: The evil one works hard to destroy you, to draw you from God, not out of love, out of envy, hate. Remember, too, that as he does this, he does it because he is jealous of God. God is All Love, All Truth, All Strength.

Your Heavenly Father must hear you say, *'I love You, God, help me to pray.'* He will, for He made you one day. A little smile, a small act of love gains you Grace from Above. No act

**is unseen, no word is not heard, no desire too great. Be aware of this.**

**Before you lay your head tonight, examine your day and say, ‘Was it one hundred percent right?’ You will find flaws, you will find error, you will find problems, you will find doubts, you will find anxieties, you will find weaknesses that must be wiped out. Work on improvement, work on a stripping of self-love, pride, ego. Ask for humility; it is strength. Ask for love; it is Grace. Ask for courage, for trust in The Heavenly Father gains you courage.**

**I love you. I bless you with God’s Love, with the Heart of The Son, with the Immaculate Heart of your Heavenly Mother, with My Obedient Heart and with the Light of The Holy Ghost. So be it.”**

**JUNE 30, 1971 AT 8:10 P.M.**

**SAINT JOSEPH**

**“Let Us walk in a garden with many stepping stones and many stairs. The garden overlooks the whole world. As We step, each step at a time, We get closer to the edge where the garden ends. Each step We speak of, and I teach as We go.**

**And now, let Us look at the world and its glow. As Our Eyes reach out to faraway lands, We see many children in their workday plans. Some are happy, some are sad, some are weary. Each child seems to have a definite path. Suddenly you say to Me, ‘Everyone seems so busy. They are scurrying around, not concentrating beyond where they are.’ I smile at you and say, ‘This is true. Man becomes so involved that he forgets to look up or to see beyond.’**

**And now I point out a Church to you and I say, ‘That One was begun by My Son.’ You become excited, for you know My Son was the First Priest in the world, and His Way was a lonely one. You begin to ask Me questions**

and I answer you each one, and We go over the life of My Son.

**Y**ou become aware that each child out there has more purpose than he knows, than he realizes, than he shows. You say to Me, 'Saint Joseph, tell all of them what happiness it is to walk with a Saint in Heaven.' I smile and say, 'They, too, could walk each day with God alone. It is easy to do; just pray.'

**R**emember, My daughters, that every day in the Church My Son begun, The Beloved Father offers Himself on the Altar of Love, a Transfusion of Divine Way for each child who comes to pray. Many men forget the power of prayer, the strength it is, the wisdom it gives.

**O**n this night, My children, I hand you Love, I hand you Truth, I hand you Life. It is up to you to help it, to allow it to bear much fruit. Keep in mind that the stepping stones can be compared to each day, a growing process in God's Way, so by the time you reach the end of the garden, you will be in love with The Divine.

**T**his Miracle of Mine is God's Gift to mankind, to teach him, to show

**him the Way to Heaven for all time. So be it.”**

**JULY 21, 1971 AT 11:30 A.M.**

**SAINT PATRICK**

**“I am Saint Patrick. I come with Love. Nothing in Heaven can come in turmoil. Let all things you know that are good, that will lead you to Here, be special to you. It is a Heavenly Place to be.**

**Man is ignoring The Saints. We are not to be ignored. Seek Our help, for We will intercede to The Holy One. Keep close to Us, and keep in mind at all times how important it is, your physical life, for it will be your physical way that will bring you to the Feet of God. Do not let evil men, evil women cause you to stray. It will only keep you from coming God’s Way.**

**As I have announced My Love, I leave you My Love for every day. Be Blessed by Our meeting and be Blessed by the Truth that Heaven is. I love you. Pray, and stay on the path God gives.”**

**JULY 22, 1971 AT 10:45 A.M.**

**SAINT JOSEPH**

**“My daughters, let Me teach from Heaven, let Me help you from Heaven, and let Me give you a picture of what is occurring among mankind.**

**All through time man has looked for new channels of diversion, of thought, of direction. Man is forever seeking a happier way, a more prosperous way, a more progressive way, a more pleasing way. Man is oftentimes tricked when he becomes so involved in change. God does not say, ‘Never change,’ but God does say: ‘Be cautious when you deal with your Souls. Be careful that you do not get taken in by obvious things, by things that look good on the outside and yet are a cauldron inside.’**

**Man now is searching the universe, not for escape, but for thrills, knowledge, excitement, glory, progress. When you kneel and pray, it is the greatest progress in the world. It is the greatest searching you can experience. It is the greatest act you can do, for in the kneeling, in**

**the humility you show, in the act of praying that follows, the kneeling is conducive to, is the greatest motion in the world.**

**You see, as a seed falls and a tree grows, man looks at it in a simple way, and yet the seed that becomes a tree is phenomenal, is miracle, is from God. No great motion is needed on man's part. Man has tried to change trees, but he always returns to the basic way of this development of nature, of this Gift from God. The seed that grows has a finality about it, a beauty. So it is with kneeling to pray, kneeling in love, God's Way.**

**Ah yes, satan works hard and he works oftentimes through the weaknesses of those you love. That is why it is so disturbing when you see them doing wrong things, selfish things, and radiate only self-love. You shout and say, 'Why does it come from one of mine?' and God says, 'Kneel more, pray to The Divine, so that a magnificent change will take place for the Soul of this child of Mine.' That is the greatest progress in the world: saving Souls, dedicating your lives for this purpose, kneeling in the act of**

**humility, and spending time with God Who Is All Eternity.**

**Man plays with words, plays with his Soul. Man places much attention and importance on knowledge. It would be best if man placed importance on sacrifice and penance.**

**I love you and I want your little Faith to grow to an amount you feel you cannot handle. That is progress. That is truth. That is love. That is for you. So be it.”**

**JULY 22, 1971 AT 3:00 P.M.**

## **SAINT JOSEPH**

**“As you look up, you see sky, stars, sun, moon, clouds. Sometimes you say you see shadows. My children, as you look up you look to the universe, God-given to you. It is one of beauty and one that has much meaning for you. Now I take you back into the room to be with Me as I talk to you.**

**I am Saint Joseph. I ask you to first relax your being and then accept this moment of loving.**

**You are, in many ways, sure of many things; and in some ways, you feel the loss of a human being. The loss is no loss. It is God’s Love. Remember one thing: The Love that The Father showed for this beloved son was a definite, particular one for him alone. As each child before Me now is loved separately from one another, so it was with your beloved father; loved separately, distinctly, purposefully, individually.**

**When you face The Beloved Father you will be judged for yourself alone, and that is why it is so important**

for you now to understand that you must depend on God alone. Keep in mind the Prayer of meaning, the Prayer given to you by My Son, Who was The Son of The Trinity.

**M**y children, laughter must be, fun must be, pleasure must be. It is God's Way for thee. Along with this truth must be service, must be hope. Serving The Heavenly Father must be. As you live in a unity, you must be conscious of cooperation, coordination, prayer, sacrifice, and yes, conscious of the needs of each other. As We lived in the way of a Family, We, too, helped Each Other, loved Each Other, guided Each Other, served Each Other, so that We would grow strong individually, for We knew that standing together would give Us the strength to stand alone in Eternity.

**O**h, My children, be aware of those who do not understand the beauty of life, the truth of life that you know is right. Stay away from those who treat life lightly, who do not care for the Souls God gave and who do not understand the purpose of prayer. Do not be led away from God by those who treat His Way unfair.

**Let each day you live as man be worthwhile and be a stepping stone to Here. Let happiness radiate from you. Let courage emanate from you to give others strength, others help, others love; and whatever you do, never omit prayer from your daily way of life, for it is the means, the method, the road to Here.**

**I bless you on this day. Be in courage, God's Way. God loves you. That is the reason you are here today. So be it."**

**JULY 23, 1971 AT 11:00 A.M.**

**SAINT JOSEPH**

**“My beloved daughters, I draw you plateaus. They signify progress. The first plateau is at the bottom. As you stand on this, it is the beginning of Spiritual life. It takes learning the basic truths to give you the strength, the knowledge to climb to the second plateau.**

**At this plateau you begin to learn what God wants, how He has given you Gifts to carry you through, to give you strength to go on. Some children never leave the second plateau. They become so involved in the world that they cannot grow in the Spiritual life.**

**But let Us look at the beauty that the third plateau gives. There is much more Light here, and through the Light shines the purpose, giving the strength to climb to the next plateau. Those who go on, reach a degree of yearning for more. Some stay at this plateau, but there are some children, like yourselves, who desire Greater Knowledge, Greater Grace, a Greater Goal.**

**T**hrough the desire for it, the strength comes, and another plateau. This plateau is sometimes one of serenity, peace, and most children never go beyond for they feel they have reached the peak. They forget that, in God's Way, there is no limit for those who pray, those who wish to become Saints.

**A** few desire to go on, and now We have reached a greater height, a greater way. Now begins the desire for perfection in the Spiritual way. It is an area of wisdom, an area of truth, an area of trust, and prayer is a must. Desire to serve God in all things, and then knowing how small the child is, makes the child accept God's Will in a humble, loving way.

**I**n Heaven, Where I am, there are Many Saints Who stopped at this point, but there are Many Saints, through penance, sacrifice and extraordinary love, went to higher plateaus. You can be among These Saints.

**M**an is the one who limits himself, never God. So remember the climb as you walk through each day, taking care of the chores that are a part of your daily routine.

**I could mention some very Great Saints Who walked the path as you walk and reached the ultimate rank: Saint Rita for one, Saint Anne for another; and, of course, The Heavenly Queen Who Stands Above All Saints.**

**I could give you a list so ever long, but I ask you today to be aware of your way and the Crown that awaits you Here one day. Will it be just a Crown? Will you be just a Saint, or will you be able to stand before God with full dedication, total love, and as He presents the Crown, your Place will be high in the Above?**

**I bless you today in a way you do not know, for it is a way of truth, strength. Learn the Lesson well, and above all things, put into practice the climbing the plateaus to become a Saint.”**

## **GOD THE FATHER**

**“I am your Beloved Father. If I were to show you now, flames licking out, burning your skin, scorching your garments, making you black with sin, you would be frightened. You would scream out, ‘God, help me!’**

**Man expects all things to be easy, to be fine, to be hopeful, to be self-satisfying. Man is looking for the softest ground to lay his head, with the most pleasure from every place that can be had. Man belittles temptation and joins others, with no dread of what the punishment could be instead.**

**I give These Words and I say to you, ‘I do not raise one Fist, but two.’ My Anger must show and I have pronounced a time that, unless things change much in the way of mankind, I will destroy the world. So I send you The Miracle of My Son to give you the chance to learn, to turn, to stand in truth before more damage is done.**

**You are fully aware, as I listen to you talk, that the games men play will not lead them to Here. Thousands**

**upon thousands upon thousands upon thousands upon thousands are beginning to know, even though they fight it, that I have set upon earth a place for them to go, to hear the Words direct from Heaven. Woe be the man who tries to dismiss My Way of action, and woe be the men who will try a special form of distraction for children who seek The Miracle to gain Heaven.**

**I am no longer yearning to please man, for now man must begin to please Me. I have set down The Rules and I expect Them to be obeyed. The way to Heaven is paved and not too difficult for any man to walk, and he does not have to be brave. Heaven is the Greatest Reward for My Creations. Those who deserve It will gain It. Those who do not deserve It will not be allowed the privilege of It.**

**The firmness in which I speak does not make My Love smaller, but the Magnitude of My Love is so Great that no man could ever compare his to It. Man must return to order and to prayer. Man must see the signs of My Love from Here, and man must know that the time is now for truth, not lies, and that sin must disappear. I can no**

**longer make excuses for children who act weak, think weak, for I have given them the strength to counteract the weakness they so flippantly disregard.**

**Saint Joseph is to be known throughout the world. It will be loving Him that will help mankind. The Holy Rosary is not a thing of the past. It is a prayer of now and man must take the time, in obedience to The Divine, to say the prayer. This is My Direction from Here.**

**The disrespect shown at the foot of the Altar must cease. Men must enter the Sanctuary with humility, respect, and love for their Creator. The reception of The Beloved Host must be done in reverence and love. You are holding Me when you touch The Host.**

**I command you: This Message of Truth is for all mankind to see, in all corners of the world, in hidden areas and in open fields. The Words are to be written in languages for all men to read. So be it."**

**JULY 23, 1971 AT 3:00 P.M.**

## **OUR LORD**

**“As I walked the path to the end of the physical line, the tears I shed were for mankind. The feeling in My stomach, I was sick to the core, for I knew that for some men the suffering I endured would not be sufficient for them. They would fight, saying: ‘My will must come first. What I feel must be satisfied. I’ll worry at a later time.’**

**The tears of water eventually mingled with the Blood from the Crown of Thorns that dug and dug and dug. Each thorn that pressed in had a pain of its own, and the Blood with the tears tasted horrible on My tongue as I wept for the Souls who screamed out at Me. Weak, wicked remarks about the strength I should be showing if I was The Son of The King, brought sadness to Me, for I knew what The Father expected of Me.**

**I was born to the world to set all men free and I look around now and I see everywhere, men ignoring the walk to the Hill, where I hung on the**

**Cross, called Calvary. It is easy for man to think back at that time and say proudly to others, 'He gave His Life for mine.'**

**It is easy to love when men respond and when the purpose is right but, oh, My children, what sadness is Here, for to look at the world now, renews the sensation of the Blood mingled with tears. The sin, the corruption, the hate, the envy, the weakness, the turmoil, the pride that encircles mankind is causing The Blessed Trinity to stand firm and command mankind to either change and look to The Divine or to be destroyed.**

**I alert you today out of Love, and I ask that in your time the prayers that you say grow in number each day, and that you look at the Love of The Divine. Take notice, My children, of all that you have, and then take heed to how you act.**

**I bless you today with a Divine Love. I give you the strength to stand up to the Words I have said. So be it for now."**

**JULY 23, 1971 AT 3:25 P.M.**

### **SAINT BERNADETTE**

**“I am Saint Bernadette. I speak to teach you a way of understanding for the path of the way of man. Do not take all things lightly. There is a sufficient amount for you to accept this way but there are many things too important to be taken lightly. Happiness can be had with serious matters, joy can be evident in important matters, and peace can be found where truth is all around.**

**Man plays a game he calls tic-tac-toe. It is a simple game and oftentimes is played, barely thinking of what the next move should be when it is made. After awhile some men begin to realize it is time-consuming and far from worthwhile. A game such as this has an emptiness about it for there is no depth to it, no real purpose in it or about it. It has very little challenge but it entertains for the moment. Not so with worthwhile things. There is a depth that is felt, a stimulation that comes.**

**My children, be always aware of what you do, how you care. Balance all things out well and do not play useless games that could take you to Hell. Walk the path of life ever thinking of your Soul. I walked the earth, found happiness in growing in love with God. You too, can do this, feel this. God loves you. So be it for now.”**

**JULY 26, 1971 AT 3:40 P.M.**

**SAINT ANNE**

**“I am Saint Anne. I deliver My Words with Love. Today many men honor Me and My way. There are several great celebrations being paid to Me, honoring Me.**

**My daughters, I hear you relate facts of despair, facts of hurt, facts that say to Me Here, ‘I am sad, for my life seems to have no worth.’ Let Me say to you now, My cherished ones, ‘Take each day, offer it to God, and practice acts of love to Him every hour of the day.’**

**There are many sins throughout the world now, many disgraceful acts, and many demons using the weakness of man.**

**As you are present here in My sight, in My view, hearing My Words direct from Heaven, I bless you. I bless you with a strength and with a courage, and I bless you with the desire to walk forward, to look ahead and to accept God’s Love instead; instead of just depending upon man’s, for you will find, the closer you come to The**

**Heavenly King, the more you grow in love with Him, you will find peace, strength, tranquillity, and a love no man can give.**

**I bless you today in *The Sign of The Cross*. Keep it ever in mind. Remember, My children, The Holy Eucharist is truly Divine; and the Holy Rosary, a beloved prayer to The Beloved Daughter of The Divine and of Mine. So be it.”**

**JULY 27, 1971 AT 11:00 A.M.**

**OUR BLESSED MOTHER**

**“I am your Beloved Mother. I stand in a Vision not seen by man, but truly in a specific spot in Heaven Where I am. I plead with children, day in and day out, to keep in mind the Beauty of God’s Plan. The Rosary in My Honor must be said. It is My Wish for all men. Through this prayer Souls gain Heaven and children gain strength. The power that it has is a great weapon against the evil one.**

**Children are walking the earth, delving into prehistoric times, and on the other hand, are trying desperately to communicate with The Divine, putting The Son, Who was Mine, on equal terms, taking Him out of The Divine. Your Blessed Trinity is All Divine, and man must just imitate The Son Who was Mine; imitate and follow what He gave one time.**

**Heaven has Many Saints Who are working diligently to help mankind. There is no secrecy Here, no sadness Here, except at the sin committed by mankind. Man says he is stubborn for**

rights. We say to him, 'You are selfish and full of self-love, and you say they are rights.' Not so.

**My children, I beseech you on this day to spread love God's Way, and to be ever mindful of the Blessing He sends you each day: The Holy Eucharist, given to you by God, has a Power and a Strength and a Love. It is Truth and every man must learn about It, know of It and be devoted to It.**

**Visits to The Blessed Sacrament are a must. To visit one's father, to show love and trust, is recognized in the human way. Then I suggest that man treat The Heavenly Father the same way. It is loved by Him, encouraged by Him, and He gives Grace when a child turns to Him.**

**The Rosary must be said. Remember these things for all time. They have been given to you direct from The Divine.**

**As I bless you through this Vision of Mine, I bless you with Faith to carry on in truth, justness and love. So be it for now, My children, whom I dearly love."**

JULY 27, 1971 AT 3:10 P.M.

SAINT BERNADETTE

**“My beloved daughters, the conversation to this time has been Mine. As I lived in the day that mankind ruled out how God would be, how God would work, how God would show His Way, in the time you live the same thing occurs as *this child* delivers Heaven’s Words.**

**A prayer that will help each one here to think of God and hold Him dear is such a prayer as this I deliver here:**

*‘Dear God, help me to accept the trials, the hurts, the envies, the disappointments. Help me to know what is just weakness in other men. Help me to stand for truth. Help me to spread much love to You. Help me to be obedient and practice what I teach others to follow. Help me to receive the Beloved Host with love and with honor. Help me to honor my Heavenly Mother by being obedient to*

*Her Request to say the Holy Rosary. Help me, my God, to dedicate my life to what is best. I love You, give me the strength to pass all tests.'*

**As I give you this prayer, I know that in some ways it is lengthy, but there is so much said there. So many children mumble a prayer because they feel no meaning there. This prayer I have given you is full of meaning just for you. So be it."**

JULY 27, 1971 AT 5:15 P.M.

OUR LORD

**“My children, I am The Son of God. I speak through *the child* to many children who come to hear, who come to see My Way, to help thee. You know deep within your being, that as I speak it is truth, for the peaceful feeling you have in you would have to be from Heaven. Is that not true?**

**So many children pass through the physical life, not knowing, not caring how important it is to have Faith; Faith in how God would act, What He would do, What He would say, how He would draw children His Way. Some have been taught but their arrogance caused them to turn because, you see, they enjoyed sin and did not balance what beauty truth is, what peace living with the Divine Way could be.**

**Right now, you live in a time worse than Sodom and Gomorrah. Some men are just beginning to see the evil, the wretchedness, the hate, the envy, that is in so many things. Man is openly sinning, and laughing at those**

who hold tight to the good things. Man is using promiscuity to escape the reality, the purpose, the love that loving God would bring.

There are so many evil things happening around. There are men dedicating their very life to destroying, to scandalizing the children who are too small to think for themselves.

There are many cults being organized, leading men to despair, to destruction everywhere. Satan is using self-love, self-hypnosis, to rob children of the beauty of life. Children are acclaiming they are right in sinning and in promiscuity. There are so many eager to destroy life. Why? Because it interferes with their way.

The time has come for man to turn and say, *'I love You, God, Your Way.'*

This Miracle, of Our reaching you, has been set upon the earth for the whole world to view, for mankind of all races, of all creeds, to follow and to listen to.

My children, sometimes The Father has to allow unhappiness, insecurity, heartache, for greater

**purpose. So as you accept all trials, all tribulations, all adversities, in His Beloved Name, nothing but good can come, for your trust is your strength.**

**Be Blessed by My Visit with you, and be assured that as long as you call the Divine Way, you are heard, you are helped, you are loved in the greatest way.**

**I bless you with The Trinity of Truth and with the Faith and the Trust that is all strength to you. So be it.”**

**JULY 29, 1971 AT 3:50 P.M.**

## **SAINT JOSEPH**

**“I, My children, am Saint Joseph. There are so many things to speak with you about today. There are general things, definite things, many things.**

**F**irst of all, any personal sadness you may feel, just accept it as the physical way, the physical life and the natural. Do not mistake these things as all unhappiness, for many times they are the means of strength delivered by God. As you would take care of the physical, such as the body, the clothing you wear and the home in which you live, it is necessary to be much conscious of the Spiritual, God’s Plan for you.

**M**an is turning away from prayer, away from self-sacrifice, away from penance, away from service to God. Man is twisting truth, making it obsolete and belittling those who hang on to it, who depend upon it, who perpetuate it, who love it. Satan is working steadfastly in all the crevices of the world, in all the crevices of the mind. In every weakness of mankind,

**he is working through will, egos, pride, indifference, selfishness, self-love, and yes, through desire for material gain.**

**Ask yourself these questions, ‘Do I serve God in just a little way?’ If you can answer ‘Yes,’ be happy. If you can truthfully say, ‘I feel, more than just a little way,’ be in joy; but, if you can say, ‘I dedicate my life to God each day,’ be in peace and do not detour in your way.**

**Man is constantly screaming for perfection. Man can never reach it but man can reach the Ultimate for man, Sainthood. What more can man ask of himself? Man must think solidly and keep his feet on the ground, his heart intermingled with God’s, and his mind ready to respond to what is right, to what is truth.**

**Oh, My children, This Miracle of Mine is more to mankind than mankind can fathom, with any mind. The arrogance of mankind cannot undermine, in any way, God’s Love through This Miracle of Mine. Sensitive Souls with the Faith in God’s Way, for God’s Way, with God’s Way, easily understand He would work this way. Those who are so taken with**

**themselves fear God's Way. It is too simple and they want to complicate all that is beautiful and twist it their way.**

**As We walked the earth as a Family of Three, We met others who looked down on Us. In their eyes, We had little ambition, We were not politically minded, and We did not enter complicated things. We accepted God's Way each day without great ambitions urging Us on to progress, to stimulation, to irritation.**

**The secret to loving God is obedience. The secret of true communication with Him is prayer. Hold it dear. Take advantage of everything you can, every Gift from God that will help your Soul on the way to Here.**

**Be Blessed by this day, the memory of it and the truth in it. Be consoled by the Power that is sent through the Words, with the Words, in the Words you receive from Me.**

**I bless you, My children, with Courage, with Strength, with Faith, with Trust, but above all, I bless you with Grace from Above. So be it."**

AUGUST 3, 1971 AT 2:55 P.M.

SAINT MICHAEL

**“My children, man expects human error, human will and human decision. He reacts to it and he respects it. You are present now in the realm of the world but in no error, for it is I Who truly speaks to you and I give you Words to help you.**

**In some ways you are quick to fight, quick to retaliate with what you feel is right. You are aware of human weakness and yet you are aware of human rights, but you are more aware of Divine Will.**

**As My Sword is shown to you, the sharp edge, the sharp point says, ‘Ready to kill.’ The killing, as you know it to be, is not My Way; for the Sword I use is Love for God and it is sharp pointed and true, for the Love is to strike out the evil in all ways, in all things. You, too, must carry a sword such as this, sharp pointed, but let the sword be one of love, one of truth. It is the greatest sword against evil results, evil means, untruth. Do you understand What I say?**

**The next One to speak to you stands in full truth. His Name is Raphael and He has a way of leading you out of the darkness into the open where you can see all things around you.”**

**AUGUST 3, 1971**

**SAINT RAPHAEL**

**“I am Raphael, and with Love I speak. My children, do not be sidetracked by the unsureness of others, by the tactlessness of others, by the reproof of others, by the listlessness of others, by the overzealous attitude of others.**

**Be aware that where you find truth you find peace, not emotionalism. Where you find God you find Love, not constant turmoil, irrationalism.**

**I step aside for The Beloved Saint Joseph to speak to you. Be guided by His Word. Be guided by His Love, for It is True.”**

AUGUST 3, 1971

**SAINT JOSEPH**

**“My children, in the world in which you live there are many things you must forgive, but there are also many people you must not listen to, for many words they say are untrue. Be aware of each day and be fully aware that the decisions you must make must be for good, and keep in mind that at all times God does care.**

**This Miracle of Mine is for all mankind. I smiled when I did hear you speak about It, of It, referring to It. It is The Father’s Wish, The Father’s Will that children of all ages, all creeds, turn My Way and seek Me.**

**As you fight for issues that seem to be lost, never do you truly lose when you fight for what God holds dear. The Grace you gain in Heaven is far greater than any acclaim man could give you, and one day you will find that man’s acknowledgment of you is not that important in anything you do.**

**The reason for your fight, the purpose you set forth, has reward you cannot see, you cannot feel, but**

**it builds up in many ways; remember this. The greatest savings account in the world is to gain all the Grace you can while you live as man, and I say, 'Keep up the good work.'**

**This Miracle of Mine is Living and It is True, It is Personal, It is Direct to you.**

**As I bless you with a Heavenly Love, I bless you in a way different than you know, for it is The Father's Power that I use and the Power is All True. The Power is from Heaven, direct from Me to you. Be strengthened by It, gain courage from It and grow in Faith with It. So be it."**

AUGUST 4, 1971 AT 7:55 P.M.

## GOD THE FATHER

**“My daughters, I am your Heavenly Father and I have come tonight to enlighten you, to console you, and to request something of you. You are fully unaware of the real depth of love you have for Me, and you are capable of a greater amount. You are unaware of how your lives depend on Me, and it is more than you can possibly know.**

**The tragedies, the heartache, the despair, the upset, the decisions, necessary to the physical way, had to be faced, had to be met, had to be made. Do not look back and say, ‘Maybe?’ This will only detour you and cause you upset which could result in tragedy.**

**Walk the path of truth, in example, as example, for example, with example of what is best for you. Now when I say best for you, remember that loving Me, serving Me, and obedience to My Way is best for you. So you must consider Me first, then you.**

**At the time in which you live now, there are so many disastrous**

things occurring and so many sinful acts taking place. Do not be a part of them and do not react favorably to them. Many men are playing satan's game and being pawns of his. As you are aware of this, refrain from being part of it.

It is only sadness when children fall into evil ways, for in the end the children must pay dearly for this. The Wounds which My Son suffered were for mankind.

I come to the world through *a child*, helping mankind, alerting mankind to what I expect, for it is important now that all men begin to pray and begin to understand the way to Here Where I am. I know that My coming in such a way is unusual to man, but nonetheless, it is true, and I do love you.

Use time to pray and spend less time wasting time. Prayer is important to mankind.

I bless you with My Fatherly Love and say, 'Children, do not spend time on self alone.' So be it."

AUGUST 4, 1971 AT 10:10 P.M.

## OUR BLESSED MOTHER

**“My Visions in different parts of the world gain much attention and cause much controversy. My Appearances are for real. I come to children to alert mankind of disaster and what must be done to save Souls. My Visions have similarities, and much Direction. Children often believe, and then, when they do, they are usually criticized by satan’s pawns. The envy, the fear that satan has for Me is true, for The Heavenly Father has given Me the Power to stomp him out when he interferes with children whom I love and who call upon Me.**

**This Miracle of My Spouse is a Miracle of Light. It is the Beacon to lead mankind to Heaven. It is the Light that shines on Words, giving mankind complete Direction, showing man a mapped way to Here. This Miracle lives among mankind through *a child* God gives to the world for such a Miracle as His. My children, the Confirmation of the Truth, of the Validity of this Light, is in the Words**

and in the Help, in the growth man shows.

**I**n the world now, darkness is all around, even when there is daylight. The sins on paper, you know as pornography, is to such an extent that it is creeping into homes, to places that you would not expect. The sin of narcotics, satan's tool to draw mankind away from God, is making many men look like fools. The uprising, for means for escape, are all satan's things.

**I** hold in My Hand My Holy Rosary, and say to man, 'Let this be your escape, for it will give you strength to conquer all that is evil, all that is weak, all that is turmoil.'

**M**an says, in one breath, 'Flesh is important.' In the next breath, he diminishes the magnitude of the human body. He forgets that the human form is the Ultimate Creation of God and must be taken care of in His Name.

**I**t is true, I speak through *the child* with Words to you. Do not fear what you cannot see. Pray first and ask God to give you the strength and the power and the courage to sift what is right from all things. Also, ask Him to help you see only what

**He Wills you to see. My children, the most important thing in the world is that mankind accept God's Will, and pray for the Souls they have and that others have, so the Soul will one day be free to serve God in Eternity.**

**Bookshelves are heavy with words. If the truth be known, the room needed for the books that are worthwhile and beneficial to man would be one-tenth the size needed now. There is too much sickness, mental, physical, Spiritual, in the literature of today.**

**My children, I am aware of your thoughts, your desires and your needs, and I do say, 'God is pleased with your turning His Way.' Be sure that you mean what you say.**

**As I leave in the Vision of Love, I bless you My Way. So be it."**

AUGUST 5, 1971 AT 7:45 P.M.

## SAINT ATHANASIUS

**“My son, My daughter, I am Saint Athanasius and I speak in a manner of knowing, for I walked the earth in the time of a great heresy. You, too, walk in a time such as this. Many men are not only confused, but their ego drives them on to standing for untruths, what is most acceptable at any given time. There are several men earnestly looking for solutions, for ways to clear the way. These men are few but they are also fighting great odds and much misinterpretation, misconception, indifference.**

**In the time I lived as man, I fought hard to stand up for what I knew was right. I refused to bend for I knew it would weaken, not only me, but God’s Plan. Many nights I would sit awake, plotting out and planning, anticipating what approach to take. There is no rest at such a time and many things are tests.**

**The children, besides being scandalized, are being dragged down to such a low moral degree that it**

would be difficult to help them rise where their Souls could be saved. Promiscuity is in all ages. It is nothing but allowing weakness to take hold. Promiscuity is in all forms and in all degrees. It is a part of the scheme of heresy.

Learned men are between the books, progress and truth. Some idolize knowledge and are weak in truth. Man must stand for what is right, what is morally true, good, perfect. Man must not allow satan's way, satan's schemes, to enter in any way, anywhere.

The Churches must stand up to prayer, for it and in it. Prayer must come before most things. It is being belittled and degraded and abused. It is communication with God.

Man has become selfish, idealistic and weak. The ideals man holds up are materialism, physical pleasure and self-love. Worthwhile matters are diminished in size and value if they do not cater to man, give him pleasure or self-satisfaction. Pride is a great asset but it is weakness. Man places much on pride in what he does, his accomplishments, what he says, how

**he impresses others. Man has ego and desires it to be fed.**

**Where is truth? Where is God's Laws? Where is love? What would bring peace? What would give mankind light, enlightenment, goal, purpose? The answer: real truth, trust in God, obedience to the Ten Commandments, self-discipline. These things are not for past generations but for now.**

**The heresy that is being injected in all ways is sadness to God, for children are being led astray. Book knowledge has made man smug. Man must return to the act of kneeling. It is humility. Man must return to accepting only the truth.**

**Man looks in the mirror. What does he see? Flesh, adorned with man-made objects, man-made designs that could have the tendency to be sinful, and yet man sees himself in a pleasant way.**

**Much filth has been handed to man, tearing down moral value. Pornography is accepted instead of destroyed. Filthy, suggestive man-made movies drag mankind down to the pits of Hell. There is no moral**

**standard, no modesty, no purity even suggested.**

**My children, I could go on and on, but your physical could not accept or endure the length of time it would take, but before I leave, I must say, ‘Man must turn to God before it is too late.’ So be it.”**

AUGUST 6, 1971 AT 12:00 NOON

## OUR HEAVENLY MOTHER

**“My daughters, I am your Heavenly Mother. The discussion is heard by Heaven, each word comes Here. It is true that man is trying desperately to eliminate rules. Some men have good intentions. Some men are tools of satan. Some men desire to please only themselves. There is much desecration taking place in the world. There are many sins being done by men who are forcing issues diminishing God’s Way, God’s Love.**

**Man knows that God is Divine but in some ways man is jealous of God, for God holds the Power of All Things and some men only want power. That is why they are criticizing humility and advocating pride, criticizing All The Saints because The Saints are definite Communications with God.**

**I, your Heavenly Mother, cry. The tears I shed are for children who are so conscious of what they feel, how man reacts, that they forget what is truth, what is real, and the Purpose of life as man.**

**T**here are many children being dragged down to the pits of Hell by selfish men. Satan fears Me, for My Strength, God-given, constantly renounces him, constantly defies him, and constantly beats him down.

**T**here are many children now who must have example for God, for the way of life. There are many men who walk in complete fear of the Power God is. Believe Me, children, God's Power is Far Greater than the evil one.

**S**atan is so envious, so jealous of the Beauty of Heaven that he cannot stand to see a child devote any time to God. He is not a jealous lover for he does not know how to love. One of his greatest sadnesses is, he cannot love. Do you see what torture, what agony he feels? He is wicked.

**L**et Me reveal certain things to you now. This Miracle of My Spouse is a living Miracle of Love. That is what every child feels here, and those who are scolded, if they told the truth, would have to admit it was done with Love. Those who are reprimanded, secretly in their hearts, they know it was truth they heard and Love they

felt. It is the Miracle of Trust, it is the Miracle of Love, it is the Miracle of Truth. It stands for all the things that made Saint Joseph a Saint.

**H**is Love for Our Son and Me was One Alone and was One that can be Example for all mankind. It was a Strong Love, a Sincere Love, a Giving Love. It was a Love for God first, and then Us. He emanated truth. He radiated self-discipline and He taught obedience. His Greatest Virtue was that how He was, He was God's.

**M**y children, the Holy Rosary is the greatest weapon in the world. There is no bomb made by man, allowed by God, that compares to it. There is no science greater than it. There is no man that should be without it.

**I** bless you with a Mother's Love and I say, 'Show courage. Say the Rosary and be in love with your Heavenly Father, as Joseph was and is.' So be it."

## GOD THE FATHER

**“Let Us, you and I, talk about justice. Let Us stand now in a courtroom. You are on trial, I am the Judge. Your first reaction, first plea, first desire, would be that I would be a ‘just’ man with you, in deciding what will be. Is this not so? If justice is so important in your way of thinking, then I ask you to apply it to all things; first of all, to Me.**

**Give Me what is due Me. I want you to obey My Commandments. I want you to communicate with Me. I want you to grow more in love with Me. I want you to spend Eternity with Me. I want you to one day be a Saint.**

**My Requests to you are, in all ways, easy for you. There is only one deterrent; that is your self-love. Let Me show you how easy it is to perform all these things in an easy manner and in a loving way. First, bend your will My Way and accept My Justice your way.**

**My children, the path to Heaven is easy; the path to Hell, sadness,**

**turmoil, envy, hate, self-love. Mine is peace, joy, contentment, and yes, trust in Me. I know that My Speaking so Direct to you is a rare thing for you, but nonetheless, true.**

**I am your Creator, your Love. I am the Way to Heaven Up Above. I have laid out your way. I have given it to you personally. Now I say, ‘Would you not agree that it would only be “just” to follow Me?’ So be it, My children.”**

AUGUST 11, 1971 AT 10:20 A.M.

## SAINT JOSEPH

**“My children, I speak of time, its value, its purpose, its meaning, and how children treat it. From the moment of conception man begins his physical time. It is an important time for each man. It is the beginning of growing into Sainthood. Somewhere, in time, some men forget the purpose of this time. They do not use it to the fullest and they do not give credit to time that should be given. It displeases God, it saddens Him when man wastes time; for it is time, man’s use of it, that will gain him Eternal Happiness.**

**Children should be taught how valuable time is. It should be instilled within them, the importance of time. Children of all ages should recognize that every moment should be dedicated to God in some service to Him.**

**I, Saint Joseph, speak to you now, using your time to learn an Important Fact, using God’s Time to teach you, using My Time to express God’s Love to you. So, you see, My children, time is important.**

**More men should spend more time before The Blessed Sacrament. More time should be spent reciting the Holy Rosary. More time should be spent teaching others the importance of time. More time should be given to acts of love, prayer, devotions in a special way.**

**My daughters, cling to the Revelation I have given to you. Be aware of time and how you use it. Also, from this moment on, be ever aware of the prayer that can be said in a quiet moment, in a quiet way, for a Soul who strayed one day, not using the time well that God gave.**

**I bless you with God's Love and I bless you with time so you will use it in a greater way, to grow more in love with God each day, His Way. So be it."**

## OUR HEAVENLY MOTHER

**“My beloved son, My beloved daughters, I am your Heavenly Mother. It is My Wish that mankind turn to Me to be saved from the evil one. Man places much emphasis on human power. It is so small compared to the Power of The Blessed Trinity.**

**Through The Holy Trinity, My Rosary has been given a power that, if man were to see it, it would blind mankind quickly. The beads, as you know them to be, can be any size you wish. The size of the bead does not determine the power it is. The worth of the beads only gives the child self-pleasure, self-satisfaction, for the beads could be any material and still have the power.**

**As I stand Here in the Heavens Where I am, I reach many children through The Miracle of My Spouse, Saint Joseph. It is through This Miracle that man is being taught, directed, counseled, and given help in all ways, directions. The Power of the Miracle is also from The Holy Trinity.**

**This time has been decreed by God The Father, to be. It is a time of Great Worth to man, and a time of learning service to God.**

**Thousands upon thousands upon thousands of men are searching for answers and making their own decisions as best they can. They are screaming for God to speak direct and when He does, they sometimes do not accept His Way, His Will, His Love, for they feel He did not speak, for He is Above. Man twists many things, distorts many things, and sifts, at his own discretion, what he feels is best for him. He forgets to ask God to give His Hand.**

**Children, please, be fully aware that The Holy Eucharist gives you strength, gives you wisdom, and always is there. With this knowledge you have the Greatest Gift in the world to cling to, to hold on to. Never let one day go by without It.**

**The Holy Rosary is many things. Be obedient, My little ones, and say it daily, devotedly and with love. Visits to The Blessed Sacrament are very often felt only as visits to Church, but in reality, you are truly visiting The**

**Father and He waits for you each day. Think of the time wasted that you could be spending His Way.**

**Prayer.** Why do so many men think it is great for other men but not for them? Prayer is a Source of Love, it is a Way of Truth, it is an Act of Faith, and it is most beneficial to you.

**Ask yourselves, how many acts of love do you feel you can do: one, two, three, four, or more? Only you will limit yourselves; that, God will never do.**

**Pray more to the Holy Wounds.** This prayer brings Grace unknown to you. At the cut of the flesh, man weakens, and he immediately takes care of the wound. You have no way of protecting My Son from the Wounds inflicted on Him by those who felt so righteous and strong, but you do have the means, the opportunity, the privilege of acknowledging the Wounds and telling Him of your love.

**My children, as you entered into the Arms of The Beloved Saint Joseph today, you touched The Heart of The Son Who died for you one day. You are Blessed with My Grace and with My**

**Motherly Love. Remember, the Words  
came from Above. So be it for now.”**

AUGUST 12, 1971 AT 11:25 A.M.

## SAINT JOSEPH

**“Man greets each day hopeful, interested, and in some ways, expecting it to be special. This is how God wants it to be, for this is, in man’s terms, healthy. Remember, My children, that it is important to greet each day also in another way, desiring to grow deeper in love with The Holy Trinity.**

**Man takes for granted the daily way and he takes for granted his devotion, God’s Way. Much should be made out of the Spiritual touch, the time spent in communion with God, growing His Way. Set yourself up with a pattern of truth, a pattern of love. Set yourself in a distinct position of communicating with God, even when others you love do not.**

**Right now in the world, men are enjoying sin, cultivating it and accepting it above all things. This is against God, and God has said it must cease before all mankind is dead. There are little children with much Faith, and much desire for beauty and much hope for a full life. There are few**

adults who are prepared to help these little ones, who care enough to help them, or who stand out as example to them.

**P**rayer is not taught and it must be. Solid truths are not shown to the children for them to lean upon. They are not shown the importance of obedience. They are not told of self-discipline and what it means. They are not given strength with example of Faith, and they are not being taught the beauty of trust in God's Way.

**S**atan is everywhere, tearing down structures, diminishing truths and weakening youth. He laughs at God, but what he does not realize is that God is giving man the greatest opportunity to become a Saint now, than He ever has. Those who fight satan grow in God's Way. Those who help other Souls, grow greater in God's Way. Those who dedicate their lives to the service of God gain Grace that will be worn as Jewels, as a Crown one day.

**Y**ou see, My children, The Father always has Purpose to what He allows, for what He permits to be. Man looks to the dark side, rarely the right side,

for he does not trust enough in The Holy Trinity.

**The daily receiving of The Divine Being is the Ultimate Gift of Love. The daily saying of the beloved Holy Rosary has more Grace than man can know of.**

**My children, I, Saint Joseph, say now: 'As you accept the daily disappointments, the everyday life of man, be sure that you fight hard to grow in a strong way spiritually. Each day, make it a climb up the ladder, and use energy when you do, to prove to God that you do love Him and want to grow His Way, in His Will.'**

**I bless you, My children, with the Love of God, and with the Faith you must have to carry on, to carry through to become a Saint. So be it."**

AUGUST 12, 1971 AT 7:45 P.M.

SAINT JOSEPH

**“My daughters, a simplified form of love for all mankind to follow is this: Show through prayer for others how you care. Prayer like this need not be told about, just performed. Analyze prayer. It is consoling, and in many ways, peaceful, happiness, and it gives strength. In your daily life, ask yourselves how much you pray, how much you give to God each day. Ask also, how you can do more to help His Name be talked about, help men see Him for What He Truly Is.**

**My daughters, All Heaven has come forth to teach mankind God’s Way, God’s Love, God’s Truth, through This Miracle of Mine. As you are seated before *the child*, I speak through her to remind you, to show you, to alert you to the fact that you must pray more and be less conscious of worldly matters, worldly entertainments.**

**Always carry with you the Holy Rosary. As your fingers touch the Beads, Grace pours down upon you and**

**the power of the Beads strengthens you.**

**Never feel overly satisfied with your prayer time. Do not limit yourselves God's Way for He does not limit you in devotion to Him. Humility is as transparent as the finest crystal and it has the ring of genuineness. Keep this in mind at all times. It is a beauty to behold by the viewer, and it is a Blessing to the one who holds it.**

**My Name, Saint Joseph, must be known throughout the world so that mankind will learn What God Wills. I bless your littleness in God's Way and I say, 'Oh, My children, pray.' So be it."**

AUGUST 13, 1971 AT 4:45 P.M.

SAINT ANNE

**“My beloved daughters, I am Saint Anne. I am The Heavenly Mother’s Mother. I am your Grandmother. You sometimes forget Me. Now, as you know, I walked the earth, holding the hand of Mary. Mary walked the earth holding the Hand of The Son of God.**

**There is much here for you today. Sometimes, in your prayer, you forget to trust. I know that many things are difficult for you to bear, but nonetheless, you must accept daily stress and offer it to God, Who is Here. Do not feel sadness for it only creates more sadness. It is as joy is. Joy, when shown, felt, given, creates more joy. There is much to be happy in, for and about.**

**The Love I have for you is greater than you know. It is a Grandmother’s Love for a child who walks a heavy road. In an earthly way, such a position carries much love. In a Heavenly Way, it carries more than love. It carries help, love, concern, and yes, answers to prayer.**

**Remember, as I walked in the human way, we had discouragements in Our day; responsibility, too, was much as it is with you. So do not be weighed down by what occurs all around, but look to God, look to the Heavenly Crown, and accept God's Love in the way He gives It to you; for, It is more than you know, for you do not always look for It His Way, but your way, and you bypass It because It is different than you expected It to be.**

**I bless you with The Holy Trinity and with My Love for children in My family. So be it."**

AUGUST 17, 1971 AT 10:30 A.M.

SAINT DOMINIC

**“My daughters, I am Saint Dominic. I come through *this child* in an Act of Love, with a Deeper Love for The Heavenly Father, for The Heavenly Mother. As I speak to you with Words, as you know words to be, I use These Words to direct thee.**

**Telling children about God should never be a cumbersome thing. The beauty of it, the way of it, the reason of it, is far beyond man’s dreams.**

**I speak to you now of the Holy Rosary. It is a Rosary in dedication to The Beloved Queen. It says many things. Too many children are not understanding or realizing the power it brings, the love it is. Children must be taught that the prayers on these Beads are Heaven-sent, Heaven-designed, and yes, to be said by all children in obedience to The Divine.**

**Rosaries must flourish throughout the world. The sight of them must be evident to all men. They must be as obvious as snow falling from the sky,**

**and there must be as many Rosaries around as there are flakes in a storm that lingers awhile. It is God's Will it be done like this.**

**The Holy Rosary is not a new idea to man. It has been brought down through the centuries, and rarely does a man see these Beads, even when he does not believe, that he does not think of a Greater Power and The Heavenly Queen.**

**I sprinkle much Grace upon you, and with the Grace you will have more courage to hand the Beads to others who must say the prayers God governed. The Beloved Saint Joseph will now speak to thee."**

AUGUST 17, 1971

**SAINT JOSEPH**

**“My children, it is with Great Love I speak today from God’s Realm. This Miracle of Mine is to teach mankind the Greatness of The Divine, the Purpose of the physical life, and the advantages for a child to entwine himself in union with God’s Way, God’s Love, God’s Will.**

**All Heaven has come forth to instruct children, to give them a Touch of Heaven firsthand. Satan fears This Miracle of Mine. Heaven smiles and says, ‘Oh, evil one, depart, for you are only weakness, and the strength of This Miracle is teaching children, helping children to be strong, so they, one day, will enjoy the Realm of Heaven.’**

**Countless Saints have spoken, a countless number of Souls have been caught before it is too late. This Miracle of Mine has been set forth upon the earth by The Divine. It is as a feather pillow in the wind.**

**The Words are dropping throughout the lands. You, children, are the channels of love by which,**

**through which, others hear My Name. Each time you do, I bless you; Reward, ah yes; Love, yes. Heaven never omits blessing a child who, in any way, small or large, is obedient to the Truth Heaven sends in such an obvious way.**

**As was spoken before, cling to The Holy Eucharist. It is a Power no man can know. Never be without the Holy Rosary and be aware of the meditations on these Beads that mean so much to Heaven. Also, keep in mind forever in your way, the beauty of prayer, and let no man show disrespect to it in any way.**

**I bless you with God's Love. Thank Him, children, for each day, for it is His Gift to you, the privilege of growing to be a Saint, using each day to further yourself in this way. So be it."**

AUGUST 17, 1971 AT 2:30 P.M.

**SAINT JOSEPH**

**“My daughters, as you speak, Heaven hears. Heaven also knows your mission in life. Heaven is also aware of the actions you take and the purpose of them.**

**F**irst of all, be aware of the dignity of truth, and always understand that truth, if it is all truth, cannot cover other things. Truth is as a jewel made by God. Man has the knowledge, God-given, to simulate a jewel for the eye to see. The truth cannot be simulated.

**I**n reality, your way must be one of decisions of all kinds. Some, you will feel more bound by than others, and these decisions will carry great responsibility. Also, there are many ways children can walk for God. Some are in a religious way, some in the married way and some in the single state. The degree that a child can reach in Sanctity, each of these ways, can be equal.

**S**ome children follow the religious way and yet make it a mockery. Some, in the marriage state, lose their Souls

**because they forget the responsibility. Some, in the single state, sit on the fence, always wondering if they should choose the aforementioned paths.**

**The way to Heaven is quite simple. It is truth at all times where God is concerned, and where children who are dedicated to Him, or chosen by Him, are respected and acknowledged for the role they must play in the world of today.**

**As you come to This Miracle of Mine, I, Saint Joseph, know more about you, more within you, and I say, 'Walk in truth, honesty, each day; and if ever decision comes your way, hold God's Hand and pray.'**

**You are Blessed for many reasons today, but the Blessing gives you strength in ways unknown to you, and different than any man's. So be it."**

AUGUST 17, 1971 AT 2:50 P.M.

**OUR LORD**

**“My son, My daughter, I did hang upon a man-made Cross. I was taken down from the Cross by man. I was laid in a tomb by man, but My Rising was through the Power of God The Father. So it is now in your time. You are allowed the physical movements, the physical action of the daily way. Your Faith, your love for God is from Him, and your growing in love with Him is His Desire for you. As I walked for Him, I walked for you.**

**This Miracle of My Beloved Son, Who was My Beloved Father, is the Way of Truth for mankind. It is a Way of Solid Foundation to learn What Heaven wants of you. You, My children, are to walk in love with God, doing His Will. There will be a time that He has decreed for you to be ever in His Way.**

**I speak to your mind, but more to your heart. I speak in Truth. You are fully aware that as I speak, the Love you feel is beyond man’s realm. The drawing that you feel is not a magnet**

as you know, but Grace and God's Love for you. It is greater than a man-made magnet, for, My children, He wants you. The Father's Love is not a momentary thing. It is Real, It is Deep, It is Lasting, It is True. All men could forsake you but He never will.

When I hung upon the Cross, when the pain was so great I felt I could not endure it, it was Love for Him and from Him that gave Me the strength to say, *'Thy Will, My God, forever and a day.'*

The more you grow in love with Him, the more you will desire to pray to Him and the more you will want to please Him, and the more you will want to walk only in the Grace of Him.

Man sees rain as refreshing. When it falls, the earth seems to sparkle with cleanliness. The air takes on a new feeling, a new air. The sky seems to have strength, and children of all ages are fully aware of a change. This can be compared with God's Grace, only the results are far greater, more numerous, and yes, more beautiful by far, in the long run. I give this double definition so you will better understand the fullness of What I say.

**Oh, My children, man seeks love; God is True Love. Man seeks hope; God is Hope. Man seeks wisdom; God is Wisdom. As you walk, be aware of this at all times.**

**The world is in desperate need of truth. Much sin is all around you. Please, My children, stand in truth despite the results. You see, man is weak and will fight you, but your strength will be his strength, so give him strength to lean upon; for, as you do, you gain Grace from Here.**

**I bless you with the Wounds of My Head, My Heart, My Flesh, and I ask you to walk only to the truth for you. So be it.”**

AUGUST 18, 1971 AT 4:45 P.M.

## OUR HEAVENLY MOTHER

**“My daughters, I am your Heavenly Mother. Let Us join a circle and discuss the beauty of the physical way. We must All talk and exchange thoughts in a special way. I will speak first.**

**My children, never lose sight of the Purpose of your life and the beauty it can be each day. Never dwell on disappointments, discouragements, fears, but look to the bright light of the day.**

**When the sky is darkened and night falls, think of the beauty of this transition that took place, knowing that it will recur next day. This is a Miracle that man experiences every day of his physical life, and yet there are men who say they depend solely on themselves each day.**

**There are women of all ages who frivolously say, ‘Enjoy the day,’ and they feel great sorrow for themselves when things do not go their way. As your daily life is a constant going on of Miracle after Miracle, your**

surroundings, the atmosphere you live in, more Miracles, then would you not say it would be wise to look God straight in the eyes and accept His Love? for if you can do this, and as you do it, you will feel peace and a glow inside. Submission to His Will, His Way, His Love, brings a Heavenly Peace to children.

Now let Us discuss the problems that could arise. Those you meet could have convincing stories of why you should retreat or join in their way of thinking. Beware, be cautious, and look at all angles, for satan works through many children who have not dared look God in the eyes.

This physical life you experience is truly a Gift from God. It is not just a pastime to Him but a Great Love from Him. Remember that all knowledge is not wisdom and you must be able to sift out what is right. Be careful so you will not absorb untruth, wrong, evil.

My daughters, I know exactly what you think and I know you feel certain things timely in your way, but I say to you: 'Think, and do not run into all sorts of play. Some could be

innocent, some not so, and some take your Soul far away.'

**I** do not speak just to talk. I speak for I know that the time has come for girls such as you to grow in a Spiritual manner, way, design, so that one day you will be in Heaven with The Divine.

**O**ne day, take a blank piece of paper and hold it before your eyes. Ask yourself what this piece of paper tells you. You will most assuredly say, 'Nothing, Mother. Is there something I do not see today?' I will smile at this time, for the paper is just that; made by man for a purpose, and unless the purpose is written down, whether the purpose is good or bad, the purpose of the paper is to write words upon or pictures, something like that. Compare the plain paper with your lives. Unless it is used to the fullest, you will not see anything when you see a reflection of it in your thoughts, your way, your eyes.

**U**se the physical for all good, for the purpose it was created for, and let no man draw you from God in any form. I truly speak to children I love, for as The Father loves you, it makes

**you Mine. Be Blessed by this time.  
Cherish it. It is truly from The Divine.  
So be it.”**

**AUGUST 19, 1971 AT 11:10 A.M.**

**SAINT JOHN VIANNEY**

**“My children, I have listened to you speak and I have encouraged subjects from you so that this Revelation would mean much to you.**

**Man forgets the Purpose of life. It is the Sanctification of the Soul; the Goal, Sainthood. Children are not being taught this type of love. It is being skimmed over, omitted, and cast aside with human nature involvement. Also, satan is using mankind in many ways. He is diverting him from truth, God’s Way.**

**There are many men wandering around, eager to be noticed by mankind. Their weakness is shouting out for attention, for to them it is security, but to God it is a waste of time. Children should be taught to sift the truth from untruth, but they are being taught allowances for their lies. They do not understand what facing truth really is, that it gives peace, courage, inside.**

**As I speak to you now, I speak from a Realm Where God is. I am**

**Saint John Vianney. Never did you suspect Me to speak, but The Father Willed it to be. In My time there was much evil, and many men were misled by what they thought was power at the head. Also, they were misled by their own weakness, and the weaknesses of others who wanted attention, who wanted glory, who wanted others to see them in a great light.**

**One of the most beautiful ways to walk in the human way is to dedicate your will God's Way. You will find, in doing this, there will be a gentle peace within you and more desire to serve God in an ultimate way. This brings Sanctification your way.**

**My children, you live in a time worse than Sodom and Gomorrah, but it is also a time where Great Sainthood must come from. It is a time of giving you the privilege to strive, in a great way, to become a Great Saint. Let it be your Goal for All Eternity. So be it."**

AUGUST 19, 1971 AT 8:35 P.M.

## OUR LORD

**“My enemy is always around. I allow it for reasons of My Own. Temptation can be used for your Sanctification. It is a tool of great means to you. Oh, My children, temptation is, in many ways, something for you to use to gain Grace. I know that sometimes you feel it is too much for you. Not so. I always give you the right amount of strength to conquer and act the way you must do. Do you understand?**

**Right now, there are many men searching for answers. They do not understand that prayer will give them many answers. Also, they do not realize that truth says more than what it shows to say. Truth is admitting My Way.**

**As I walked the lands, men in My time fought temptations. They, too, used this way to gain Grace and to grow in Heaven’s Way. In Heaven there are many Mansions, too numerous to mention now. Each child born to the world has the privilege to enter**

a Mansion. Please, My children, use this means, the physical way, to gain Sanctification. The moral value of most men is low, is limited. Set your standards high so you can outwit the evil that is all around.

I have given This Miracle of My Son, Who was My Father, to the world, so that mankind will one day arrive Here in Heaven to stay. The evil one fights hard This Miracle, but *The Miracle Of Saint Joseph* is to lead mankind to Here.

The long pilgrimages that one day will be, will show you God's Way for the Son Who was the Father of Me. The Basilica that must be built in His Honor will be. Pilgrims will come from all over the world to see this Place of Honor for Him, high on a hill, as bright as the Star was the night I was born in Bethlehem. So, as that Star led mankind to Me, this Hill of Love in Honor to Him, will lead mankind to Heaven.

The world must know of This Miracle. Thousands upon thousands upon thousands upon thousands of Words are daily being sent to children such as you. All

Heaven has come forward to teach, to give Direction, Love, to all mankind, so that they will follow in line to the Hill that will bring mankind to Here.

I know that as you talk with *the child*, you, in some ways, wonder how such a Miracle could be. Use Faith, use trust, and be in love with Me. Place before you each night My Heart, and let It direct you in God's Way. The Heart that bled for all mankind shows Itself and dares to say, 'Enter My Heart and stay there each day.' There is enough room in this Heart for all mankind. That is the Power of God that you cannot fathom.

So it is with This Miracle set upon earth; small, but in all ways, of Great Magnitude. It appears to be in a natural way. It is far from natural. It is All Supernatural. So, as you have learned much from This Miracle of the day, be sure your Soul is enlightened with more love of the Divine Way. You have your will to use each day. Use it in My Way. So be it."

**AUGUST 20, 1971 AT 11:30 A.M.**

**SAINT JOSEPH**

**“When man stalks an animal in the brush, he very often tries to corner the beast by making noises from several directions so that the hunted will run to a specific place. Satan’s way is similar to this; he beats down behind others so that he will not be seen, but only man will stand face to face.**

**When a Miracle of Divine Way is set upon the earth, man’s way, to lead man to God, satan immediately begins to pound the bush from all directions; his cornering is to get rid of the hunted, to get rid of The Miracle of Great Purpose. Right now, he is using many men. Some are aware of being used, some are merely pawns in his hands. What he does not realize is that The Miracle Governed by God cannot be cornered, for even satan does not have enough to cover the whole world. As The Miracle of Mine is this Great and has spread far and wide, It is too big for satan.**

**I, Saint Joseph, speak like this to you, for I want you to pray that those who are being used in beating down the bush will save their energy and use it for all good. The time used by them in this way is wasted. The Miracle of Mine is because of Love for mankind and to teach mankind love, the true way; love for God in a Divine Way. You will find many, many men beating the bush. When you see it, pray for them. When you feel it, pray for them and speak out to them.**

**As I speak to you now, I speak from a Realm Where one day you must go. This is a Realm of All Beauty, All Caring, All Love, All Happiness, and All Who are Here know how to combat evil blows.**

**There is much work necessary to help mankind understand This Miracle of Mine. It will take diligence, it will take perseverance, it will take a desire to grow in love with God. When you hear the bush sound around you as you pray, be ready to strike out any day. It is God's Will for you. Be staunch in truth always. Be firm in truth always, for it will be your firmness, your truthfulness, that will give others**

**strength to use their energy God's Way.**

**I bless you with My Love. Keep in mind at all times that as you pray, you are heard; and as you walk, you are watched over; and as you serve, you are given Grace to persevere to further growth, God's Way. So be it."**

AUGUST 24, 1971 AT 12:05 P.M.

## SAINT JOSEPH

**“My beloved sons and My beloved daughters, as I have taught much today, I am going to teach more right away. This Miracle of Mine has been placed among mankind to draw all children to The Divine. As I spoke before about why God placed This Miracle of Mine before you, I say again, ‘Listen well to the Words. Follow the Direction and accept the Truth that is God’s for you.’**

**As I speak through *the child*, I am aware of each of you. Whether you are here or away, you have the privilege to pray. You have access to God in a very personal way. How many times do you take advantage of this closeness with Him? Not often, some days, and there are a few days you even forget Him.**

**As I said through *the child*, those who are ill need help, and you know in your hearts that when the physical seems to fall apart, the knowledge that man has is what you must lean upon; but, first of all, remember that your**

**Faith in God is what helps you over the rough spots.**

**I am truly speaking to you. I stand High in the Heavens as I do. If you truly realized what is happening here now, your physical weakness could not stand the Power.**

**As of today, be aware of three things: First, that you must pray to God for all things. Second, beware of satan's schemes for he has concocted many, even in some men's dreams. Third, reach for Sainthood, and as you do, ask God to each day help you.**

**All Heaven awaits your entrance Here. You forget sometimes to hold your Soul dear. At the moment of conception, you were given a Soul, a Guardian Angel and a will. You developed the will, oh yes, you did, to get your own way; and now I say, 'Use the will that God gave and ask Him to allow your will to do His each day.' You will be happier for it, you will be stronger from it, and you will have more courage in it.**

**The time in which you live has many, many, many false prophets. They are false in this way: They have not been chosen by God but by themselves**

or other men. When God chooses a child to work for Him, He chooses in a different way. Also, His Purpose is so Great, and always the reason for such a choosing is to teach children, to show children, to direct children in the Truth of His Way.

Many men are blinded by what they call logic. Many men will argue their form of logic. Many men stand up to what they say has to be the way. I denounce right now much of their logic. Their logic is self-imposed, self-deduced, and gathers much satisfaction for them.

To carry a cross for God a chosen way, is heartache, sorrow, service, giving hope to all men.

There are many men now speaking of great Miracles, great feelings of love. How deep is the love? How much self-love is entangled in their love? How much self-satisfaction is demonstrated in their love? You are too weak to see beyond this point.

Many men are walking around with the book of God in their hand. Take the book away and what do they have? You will find, in most cases, their love will diminish the second

**the book is gone. You will also find, when the book is no longer evident to them, their weakness takes over, for you see, they were not chosen by God, but man.**

**I bless you today with a Love beyond your knowledge but with a Love deeper than you know love to be, but I also bless you with Faith, each one here, and with the courage to carry on. Remember, My children, Heaven is a Realm of Heavenly Way Where God has designed all men to go one day. Remember the will you feel so proud of. Remember, it will be with your will that you will turn His Way. So be it.”**

## OUR LORD

**“When man speaks of a secret, he usually is aware that, even though it is a secret, there are some who are in knowledge of it. Is this not so? Heaven is no secret; the Purpose of life, no secret; the Heavenly Way, no secret; God’s Love, no secret.**

**As I walked the earth, I was teaching all men the Beauty of God, and I never once said, ‘Do not tell anyone.’ When you stand in complete truth, complete love, this is how you feel; no secret.**

**My daughter, it is necessary for all men to know of This Miracle among them. There are thousands of children spiritually hungry, spiritually dead. That is why God has sent This Miracle for men. The time was decreed a long time ago. Only The Father knew when it would be.**

**As you transcribe notes, be sure that you include God’s Will through thee. Be sure that when you express what The Father wants, do it with humility.**

**As I once walked the earth, I taught love for The Father, Purpose of life and the Way to Heaven. Again, Heaven is teaching this, and honoring a Beloved Saint along with it. It is now the time that The Beloved Saint Joseph be seen, be heard, be loved, be recognized for the Place He holds in The Divine.**

**The Words you take are not just words. They are dictated to you from a Heavenly Way, from Me, The Son of The Trinity.**

**It is Truth you are involved in now and no secret surrounds It. Be ever ready to stand up for truth, no matter who tries to down it. Be ever conscious of the evil one's ways and how he tricks children of all ages.**

**This Miracle of My Son, Who was My earthly Father, is on the Winds of God's Power. You have been partaking in It now, something you never dreamed could be, but it is Truth that I speak to thee. Remember, it is no secret, My Love for thee. So be it."**

AUGUST 25, 1971 AT 3:35 P.M.

## THE SACRED HEART

**“My beloved children, I am The Sacred Heart. I speak with Love and with much meaning to you. My Words are direct. There are no complicated parts to what I must say to you.**

**The Altar of Love is the Table of Gifts. The Altar serves a definite purpose, a definite way, and as it is prepared in a given pattern, the Gift that is on it is Life-giving and comes with a Power of Great Strength. Ask yourselves today, how many times you have been invited to partake in the Table of Love and in thanks.**

**You take your eyes for granted and yet they see all visible things to you. You take your heart for granted, yet it beats with life for you. You take your mind for granted and yet it is through this mind that you work, play, and walk through each day. You underestimate your will, for your will is what you use to determine your way; and now I ask you, ‘What importance do you feel your Soul plays?’**

**As I stand in the Heavens, giving you These Words through *The Miracle Of Saint Joseph*, I add further Knowledge, Wisdom, Love. The Miracle of this Saint is repeating the time I walked the world. There are many similarities in this way. The Father Wills it be done as this. All Saints in Heaven have come forward to stress important issues for children of all kinds, all ages, to be alerted to, to follow, to accept. As I taught in many places, I teach again through *a child* as you. The Father has decreed this time to be for all and you. All the Words that have come from Heaven through *this child* are to remind mankind of the Purpose of life and what is worthwhile.**

**Ask yourselves this question: How many times have you asked God for a Miracle, small or large, but to just put it in view? It is here now and It is in your view. I ask you now, ‘What are you going to do: follow the Teachings, follow the Way, follow the Directions I give today, or are you going to rest and forget What I did say?’ If you do, you are foolish and weak in many ways.**

**Let Us go back to a time long ago, when the Star of Bethlehem showed I**

was born. You are familiar with this, you have heard it quite often. You know the story well, and yet you were not there; but now you are. There is a Hill that must shine as the Star of Bethlehem once did, to bring all mankind to God and to show them the Way to Here.

Ask yourselves how much time you waste each day, and how much of your will is directed to good. Ask yourself if you love only yourself, or do you love God first and above all. You might be surprised at the answers you give. Please be honest and truthful, for if you are, then you will find the right track to The Divine.

I speak firm, My children, because I love you. I speak in Truth for it is God's Will. Never before in the History of mankind has Heaven approached all mankind in this way, using *a child* such as you.

The Purpose of life is Sainthood. Ask yourselves this tonight: 'Have I realized all along what each day should be directed to and for, or have I wasted time?'

From now on, think of this Heart of Mine, and as you do, think of time.

**As My Heart beats with Divine Love, your heart must beat with truth. As My Heart beats with God's Love for you, your heart must be aware of how He wants you to return to Him your whole being, your Soul, your body. Remember, My daughters, you walk in a time worse than Sodom and Gomorrah. Ask yourself: Are you partaking in this time or are you correcting the errors? You may have to agree you partake a small bit; sadness to Me.**

**The time has come for This Miracle of My Beloved Son, Who was My earthly Father, to help men understand the Beauty of Here, the Love of Here. Keep in mind, at all times, prayer. You can't escape it. It is always there.**

**Make a note of these things: To accept as often as possible The Holy Eucharist that is Divine Transfusion for thee. Second, to keep ever on your person, the Holy Rosary. It is the greatest weapon against God's enemy. Third, to make a habit of visits to The Blessed Trinity, to kneel before The Sacrament and say, *'I love You, God, in a special way. Please help me.'***

**When a child kneels before The Blessed Sacrament, God is ever ready**

to answer the child's plea. Never be too sophisticated to kneel, for this is an act of humility. Humility is strength, not weakness. Remember this as you go. Pride and ego, weakness; and makes you weaker as you go.

**O**h, My children, if you but knew What you have come upon, you would kneel in Reverence and in Honor to The Beloved God. Ask for Faith in a great amount. Ask for perseverance to help you through the ordeals ahead. Be tolerant of others who do not understand, but be sure you pray that they will gain the Grace to comprehend.

**I** bless you with My Heart and with the Wounds I did suffer. I bless you with the Drops of Blood that no longer are seen by man, but the Ones that were picked up by the Angels when I did walk the land. So be it."

AUGUST 27, 1971 AT 3:35 P.M.

### SAINT JOSEPH

**“My daughters, This Miracle of Mine has been designed by The Heavenly Father. Man says, ‘Saint Joseph has never spoken.’ I smile each time I hear this, for God has designed the time that man hear Me. It is now, to teach man the Way to Eternity. Man speaks much of what is and the reasons for it. Man forgets God directs all things and has reasons for it.**

**The time in which you live is a time worse than Sodom and Gomorrah, and yet there are many men who would fight this. They pretend, they ignore what is truth. The pretending they do is sadness to Here, for they pretend they cannot see what is happening all around. They ignore what they hear, in some ways, to shut out what displeases them so they will feel comfortable in accepting sin. This is not an entangled statement. It is a definite picture of most men. Those who are fighting for truth are not the great number.**

**In the time We walked the world, there were many men such as this. The**

time of Our walking the world was a time that God had designed for special events.

Please, My daughters, let Us, you and I, walk and look at what is happening. First, the promiscuity that is allowed, is condoned, is glorified. Now let Us look into the cults that are being magnified. Now let Us look into pornography that is being given to all mankind in form of literature, films, photos, and yes, direct action of some kind. Now let Us really look at the results of Communism and the planning it took. Great minds gathered and worked out devious things.

And now let Us, you and I, check out the children and see how they are being scandalized in all ways; and now let Us go deeper, and attach our eyes to a dreadful sight: the evil one, and how he is using certain children, disguising what he is all about and making them think he is all wise. He is not.

Now let Us, you and I, look straight ahead to what God has given man: the Beloved Sacraments, the means to Him. The first to walk the earth as a True Priest of God was The

**Son of The Father, and nowhere that He walked did He use a facade. His Sermons were Truth and They were full of Wisdom. His Actions were gentle, but humble and strong.**

**Centuries have passed, and now again Heaven teaches through *a child* such as you. Man has prayed years for a happening such as This. It is here. Now what will you do? Those who follow in the Teaching and the Loving that The Son first placed on the earth, will grow in Grace, will grow in Sainthood. Those who deviate, procrastinate, eliminate truth, will lose out in many ways.**

**I bless you with God's Love and with the Heart of The Son Who watches over all men, and with the Light of The Holy Ghost; Three in One. So be it."**

AUGUST 27, 1971 AT 9:00 P.M.

## OUR LORD

**“I am The Son of The Father, The Second Person of The Blessed Trinity. I once came to your world in the form of man. I walked it as you, and taught all men. Again I come, but this time through *a child* as you. The reason for My coming is somewhat similar to before. The situation surrounding Me now is that I come to perpetuate The Miracle of My Son, Who, when I walked the earth, was My earthly Father; and This Miracle is again for the Salvation of mankind.**

**I speak on this night with utmost care and with a deliberate manner from Here. The world, as it is seen by Heaven, is struck by an avalanche of disaster, caused by sin, caused by the evil one, caused by the weakness of man. It is true, you experience a time worse than Sodom and Gomorrah. It is not fable. It is not myth. It is not imagination. It is truth. There have been many wars fought for useless reasons. There have been many men killed for no reason at all. The goings on, the treachery, the hate that is**

taking place now is a horror to see. Please believe Me.

**T**he day must come and man must understand that his frivolous manner, his tepid attitude toward prayer, is ridiculous and must cease; for, you see, God is everywhere.

**M**an must understand that he can no longer play both sides to the end. He can no longer give in to his weakness. He can no longer ignore truth. He can no longer accept the easy way out, the fleshly manner, the material road.

**M**an has accustomed himself to material things. Man would be happier with less, but he has set a scale of life, of living, he needs for himself, and he struggles beyond this, causing himself unhappiness. Man would be better off living in the Light of God's Love than living in a mansion or in a great place, having servants all around.

**M**any men make excuses for wanting things, doing things, sinning against God. Man is a great waster of time. He thinks nothing of this. Man denies the importance of time, and yet man cries for more time. Is this not so?

**As you sit, partaking in a Miracle Divine, of Supernatural Grace and Means and Manner, ask yourself this: ‘Am I prepared to follow in a more definite way, God’s Will? Am I prepared to accept What He says and allow myself to follow the truth?’**

**In each hand place some amount of exchange. Look at it. Ask yourself what it means to you. If you are wise you will understand that it could be taken away. What would you have? But no man can take away from you love for God, peace of mind, and growth in His Way Divine.**

**Each day you face the task of living as man, there is hope around you, there is love around you, there is a great amount of security around you, there is purpose all around you; and now I say, ‘What did you give God today?’**

**Please, My children, think much of What I say and thank The Heavenly Father for each day. I bless you with much Love and with the Faith to grow God’s Way. So be it.”**

SEPTEMBER 2, 1971 AT 2:45 P.M.

SAINT AGNES

**“My sons, My daughters, I am Saint Agnes. You have not made much of many of the opportunities for Spiritual growth that have come your way. You understand and you are aware that God is ever present, ever ready to listen to you, to acknowledge your way.**

**I have come to you today with a Great Message of Truth. Do not live each day just accepting it, but be sure that you receive it in gratitude, as a privilege of great growth. You walk in a world where man feels self-assured. Stripping man down to what he truly is would show you that his real worth is The Father’s Gift to him; the Soul he bears is the Greatest Part of him.**

**There are many easy-going sinners in the world. This is sadness to The Father, for the enemy of His constantly nags at a child, grabs at a child, detours a child, and insists that a child pay attention to him. Ignore him when he is around, this evil one who wears no crown. Beware of one**

who tells you to be prideful and to desire all material gain, happiness, love. Also, be watchful when you are told to strive high, work hard to be noticed among men.

**O**h, My children, Sainthood is not just for My day but is open for you in your day. You have the privilege to walk this path. God does not expect perfection of you, but for you to strive for perfection. You must be assured that as you were born to the world, God had designed for you a Place with Him. Only you can change this. He allows you the privilege of this.

**K**eeP in mind at all times, the instrument of your destination, your 'will'. Ask yourself this: Am I using it for good or am I destroying myself with it? Please, My children, be ever cautious of your will and what it does for you. All of Us Here in Heaven have had a will, and now have a Crown. I ask you today that one day you will replace your will with a Crown. So be it."

SEPTEMBER 2, 1971 AT 8:20 P.M.

**OUR LORD**

**“My son, My daughters, as you entered I was happy to see the glow in your hearts for Me. I am The Son of The Father and I was The Son of The Beloved Joseph.**

**As I walked the earth as you, I worked as you, I planned as you, I prayed as you, and all the time I knew that My Coming would be for the Salvation of you. My Love for The Father was True, as His Love for you was so Great, so Deep, He wanted to show you, through My Death, His Love for you.**

**You see, My children, The Father places much accent, much emphasis, much Love on you. Do not walk without prayer. Do not just talk about prayer. Experience it in a verbal way, in a silent way, in an acting way.**

**The Blood I shed was as your blood. The pain I felt was as the pain you feel. Remember this when you pray. Pray to the Wounds I shed one day.**

**You see, My children, this physical life you have is to draw you to a Greater Life Where I am. Do not place so much importance on the physical that you neglect the Spiritual.**

**I love you, and tonight is the first time you have come upon a Miracle such as This. Cherish It, grow from It, and as you do, you will grow more in love with The Father of all men. So be it.”**

SEPTEMBER 3, 1971 AT 10:10 A.M.

SAINT JOSEPH

**“My son, man makes a contract with another man, either to demand a service or a material thing. The contract binds these two men, and if the contract has a term on it, the physical law says this contract must be carried through to the end.**

**At the moment of conception, man has an unwritten but firm contract with God. This contract is the most binding that any man will face. It is the contract that spells out truth to the fullest degree, love to the ultimate, and trust in God above all things. Each man uses his will to carry out this contract unseen.**

**Some men place more importance on this contract with The Heavenly King than others do. Some men acknowledge a physical contract with great esteem and reject the contract with God easily.**

**My son, be sure that you know the contract of love with God, and do not allow anyone to cause any misinterpretations to enter. The solid**

**fact of truth must always stand out for you.**

**When man sins, he causes a problem in the contract, giving God a problem, a hurt, a sorrow. God, in His Love for man, is ever ready to support the whole contract, but this does not say that God does not become upset with a man who falters in the contract.**

**I, Saint Joseph, speak in a manner you would understand, and with a Purpose, totally Divine Plan. When you pray, pray that God's Will be done. Pray, too, for the ability to see What His Will be.**

**You are loved, My son, and you must never allow anyone to cause your contract with God harm in any way. So be it."**

SEPTEMBER 3, 1971 AT 12:05 P.M.

**SAINT JOSEPH**

**“My beloved children, man shouts, ‘I must have fun.’ God says, ‘Do, for I created fun.’**

**My children, the happiness you experience in life, there are many reasons for it. The sadnesses you experience also have reasons for them. The heartaches are sometimes exaggerated by you. There are reasons for these also. Man tends to exaggerate what is unhappiness and diminish what is happiness, in your daily way of life.**

**Total dedication to God will give you happiness, will give you peace, will give you truth. It is not a dedication that causes you to not live a full life. True dedication to God gives you the Faith, the strength, and the ability to experience all things in the physical way to the fullest amount.**

**Man says, ‘I have needs.’ What is a need? All men determine their needs to a different extent, to a different degree, in a different way, and for different things. Need is sometimes**

**a figment of man's imagination. Necessity can be easily had.**

**Now, let Us speak of your Soul. The Soul has needs and there are many things necessary to feed the Soul, to help the Soul grow God's Way. Prayer, at any age you might be, is an important factor. It is communication with God, with Here. Prayer is not just a small thing in God's Eyes, for prayer is you speaking to Him.**

**Each day God allows your eyes to open and allows your thoughts to think of Him, to think of others. Ask yourselves, 'How much do I truly use this to think of Him?' You might be surprised at how little you do.**

**I, Saint Joseph, speak. There are many children who must stand up to obstacles when they know there must be a service to God. It is not easy sometimes, to face those you love, when you know you are going against what they want. Speak logic, speak it softly; speak truth and speak it lovingly.**

**Truth is a strength to all men. That is the one thing that the evil one can never do: give you strength with truth. That is why it is the greatest**

**weapon against him. Nothing he says is truth, full unadulterated truth.**

**Be sure that you do not let whims rule you. Be sure that you do not let your weaknesses cause you to feel they are strengths. This would be the evil one making you misunderstand truth.**

**Children must face God, and when they do He will know each thing you've done, each thought you've had, each word you've said, and He will judge you on truth. He will be Just. This is another form of truth.**

**I ask you today, My children, to learn to pray and to accept it as an important part of your day. Pray with devotion, not emotion. Pray with love, sincere love, and do not be demonstrative but be in peace when you pray, for demonstration is the evil one's way.**

**I love you for God loves you, and you are children yet to come to the Heavenly Realm Where God waits for you. So be it."**

SEPTEMBER 3, 1971 AT 2:15 P.M.

## SAINT JOSEPH

**“My daughters, as you sit before *this child* now, you are unaware of the Magnitude in Which I speak. It is not a lack of intellect, but it is your littleness that makes it incomprehensible to you.**

**Let Us suppose now I stood in a room with you. How much would you recognize as Me? I am as much in the room as I was with The Holy Family, The Mother, The Son, of Which I was number Three.**

**You are so used to believing man, what he says, what he does, what he teaches, that you forget the Faith you have and the wisdom it teaches. Wisdom is not gained from books. Remember this.**

**Right now, sin is rampant throughout the world. Look into yourself and say, ‘How much do I contribute each day?’ If you are wise, you will acknowledge that you contribute a great amount, through promiscuity, through anger, through intolerance, through disobedience,**

**through acts directly against the Ten Commandments. Now, ask yourselves, what are you going to do to correct your way?**

**Now ask yourself how much you pray. I know that, in some ways, some areas, some cases, you feel you pray enough. I ask you now, 'What is enough? Do you measure by your standards or God's?'**

**My children, This Miracle of Mine has been set upon the earth for all mankind. This way is to help you reach Here, Where I am. Heaven is a Place all men should strive for, should look to, and be prepared to desire.**

**You are, in some ways, more satisfied with your way than you realize. Don't be, for improvement will be of great satisfaction to you. Man cannot determine how God works.**

**This Miracle of Mine has been prayed for by children of all kinds, for centuries, since the Death of My Son. God is allowing this to be and you live in a time that He decreed.**

**Do not try to hide from God. It cannot be. Do not try to make excuses; God sees all things. Do not fear Him.**

**Love Him, but fear what the sin will cause thee.**

**S**anctity is for each man. Ask yourself today, if you were to die in a moment's time, where would you expect God to send thee? Be prepared and make reparation. It is security to you.

**I** bless you with My Love. It is God's Love for you. So be it."

SEPTEMBER 8, 1971 AT 10:00 P.M.

SAINT JOSEPH

**“My son, My daughter, I am Saint Joseph. I say this with great love, with deep affection, and in joy. Your Faith is so good to see. Your love for The Holy Trinity, joy to Me. My Heart is open to you, to always hear your pleas, desires, and requests.**

**This Miracle of Mine is to save mankind from the onslaught of evil in many ways. Your daily tasks are not just tasks to God. They are your means to Heaven. The peace you find here with Me, the joy you see, is Me.**

**As I once had a workshop in which I worked to care for Those in My charge, there is another workshop, directed by Me. The Title is ‘*The Miracle Of Saint Joseph*’.**

**My children, the earth is a great weight. No man has ever weighed the earth. It is beyond man’s knowledge, this weight. The constant revolving of this earth has reasons; so many. The Hand that controls this magnificent phenomenon is God’s, and it is His Love for you and Me. One moment**

of His Love stopping would stop the world, but His Love is so Great, His Love for man so Sincere, that He constantly expresses His Love to give man strength.

In the world, satan is busily working to destroy man's love for God. Man's determination must be directed in the correct channels. You see, My children, God Is All Truth. God Is All Things and He Is All Love, but remember, He is also The King, The Ruler, The Commander. If children could but see for a second, His Beauty, they would want nothing else but to see Him, to know Him, to be close to Him.

Right now, in the world there is much desecration taking place, desecration to the Holy Things, the Sacred Things. Right now, children are being scandalized in a horrible way, and many men are looking on and not caring, but adding to the disgrace.

This Miracle has been set in a manner and in a place that man could look face to face with, in, and for answers of truth that give Grace. Offer your daily way God's Way, and be

**sure when you do you thank Him for all He has given you.**

**I bless you with My Love and with much Faith. I bless you with strength, with courage, and I say, ‘Open your heart My Way, and Mine will absorb yours in every way.’ So be it.”**

SEPTEMBER 9, 1971 AT 3:10 P.M.

### SAINT BERNADETTE

**“My daughters, I am Saint Bernadette. I come to you today with a deep Love and on a mission for God. Remember at all times that first you are His. Remember, too, that you are children to Him. Be aware that as I speak through This *Miracle Of Saint Joseph*, I speak in Truth and Teaching.**

**Right now you are open, you are vulnerable, and you are available to meet with those who teach heresy, immorality of all kinds. Be conscious of the truth and how you must stand in it. The time in which you live is a time that will give you the opportunity to become a Great Saint.**

**First of all, be aware of the will you have and use this will to do God’s Will whenever you can. Keep in mind the power of the Holy Rosary, the weapon it is, the magnitude of it. Also, keep ever in mind the privilege of The Holy Eucharist. Make it a point to deny yourself everything just to receive Him Who Is. Never put**

**Him second, for He created you. This delicate mechanism you are came from Him. Remember, too, that He loves to use you as an instrument of His. Pray daily, pray often. Use prayer as a strength. Be humble, never prideful, for pride is weakness and robs you of strength.**

**I bless you, My children, and I ask you today to think more of the privilege of being instruments for God each day, and also, to keep in mind the Goal of Sainthood that is All Divine. So be it.”**

SEPTEMBER 12, 1971 AT 12:00 NOON

SAINT ANNE

**“My daughters, I am Saint Anne. I have come today to speak through a *child* and give you My Love, but most of all I come to give you Direction so that one day you will arrive Here Above.**

**When you speak on a phone, your voice is carried by tone to another place. To be heard, you must speak, for the one on the other end does not have the power to read your thoughts. This is a great communication among men.**

**There is a greater communication for you each day. It can be done in thought, acts, example, work, words, and you can be sure that Heaven will completely understand. Keep this in mind at all times.**

**I know that when you think of Heaven, It is remote in many ways. Not so, My children. Heaven is only a thought away. As you become more aware of Heaven being able to see and to hear, you will become more apt to pray and recognize more God’s Way.**

**Also, keep before you at all times the significance that All The Saints show. They walked the earth as you. They planned their way as you. They had a will as you, and they had weaknesses also.**

**If it be known in a correct way, you will recognize Me as your Heavenly Grandmother every day, for as I was the Mother of The Beloved Mary, She is your Mother; I am your Grandmother in a very loving way.**

**My daughters, do not try to escape life. Use it to enjoy real life. Never let laziness or waste of time be so much a part of your daily life. Occupy each moment, if not in action, with prayer in some form.**

**Be wise, My daughters, and begin each day dedicating the day to God and His Way. It would be easy to do, simple to follow, and give peace to you. Right now in the Heavens, All are ready to answer prayers and help you in a way best for you. If your prayers are answered differently than you expect, request, desire or hope for, be thankful and be assured that the prayer was answered for a greater good.**

**You live in a time worse than Sodom and Gomorrah. It is up to you to face the challenges of your time and it is up to you to use the will you have to follow The Divine. You have equal chance. Make the most of it. Make use of it and be thankful for it.**

**Do not allow any man to lead you to the way of Hell. If you do, much sorrow will be yours. As you fear treachery, brutality, hate, despair, avoid it and always look to Here. Keep in mind at all time the Star of Bethlehem, the way of hope, the gift of sacrifice, and the path to God.**

**I bless you in a Heavenly Way with the Power God has given Me, and I say, 'Follow My Words and all that will help you come This Way.' So be it."**

SEPTEMBER 14, 1971 AT 10:35 A.M.

SAINT FRANCIS OF ASSISI

**“My beloved sons, again I speak from the Realm of Heaven. I walked a path not always acceptable to man. I am Saint Francis of Assisi. I am much evident in This Miracle, for you see, the time has come and God is ready to strike where need be.**

**At this time in which you live, the heresy, the weakness, the sinful suffocation that is taking place is a horror to see from Here. Satan is screaming out loud for mankind to follow him. God says gently, firmly: ‘My children, seek only truth. Seek Me, and when you cannot find Me and where you cannot find Me, please sift the truth and there I’ll be, ready to help thee.’**

**I have listened to you speak of the disorder in Orders. Man is seeking self-recognition, self-purpose, self-approval, self-acclaim. He denies that self-denial, self-resignation is a greater aim. The habit I wore was threadbare but I knew that God did care, and I knew that one day this material would**

disintegrate, no more to be seen by man; and I was aware that a Soul within me, around me, would live on and on and on, through time.

Again, you too, have a Soul as I, and you too, must be aware of the cries of the Souls who will never see the Eyes of God. If you could but hear the cries, the anguish, the terror, the hurt, you would not be able to stand the sounds, the sights, the reality Hell truly is.

Thousands and thousands of religious are walking the path to Hell and they are leading the little ones as well. The man who has chosen for his vocation, the way of life — the marriage state, the single state — must save others. Stand strong, be firm, be staunch in what you know is truth, for satan will find a weak point and then work on you.

Please believe Me, My sons, the Way to Heaven is, in many ways, a beautiful, easy one, for it has security, it has hope, it has trust, it has love, it has purpose. The path to Hell is many times, turmoil, self, self, self, self, self, until you are so tired of yourself that you succumb to anything. That is how

he works. Do you understand what I am saying? To truly live a beautiful life is to give, and to serve God, and to do what is right; to stand in sacrifice, penance, and to hold firm on the Teachings of Christ.

I speak through *this child*. She is as you and yet All Heaven uses her as an instrument for Truth. The Hierarchy of the beloved Church of God sometimes refuse to accept the Words, for if they do, they will have to return to obedience, they will have to accept What God says, and they will have to look to Heaven for the answers, instead of each other.

Man shouts, 'I can relate more to mankind for I see mankind, I feel mankind, I understand mankind.' God says, 'Do you really? for if you did, you would see it in weakness. You would see no real power in man, only ego and pride, envy, jealousy, hate.'

Man thinks humility is weakness. Not so. Humility is strength, for when a man is humble he has a feeling of security, generosity. He has a feeling of serving, giving, loving, caring, doing. A humble man does not put himself, his needs, his wishes, his cares, his loves,

**first. This takes strength, believe Me, My sons, to put yourself last.**

**Man is using much play with words and on them. Man is using wrong songs towards The Blessed Holy Trinity. Man says, 'I will sing praise,' and God says, 'To whom, My child?' Man says, 'This feels good to me,' and God says, 'Is that necessary?' Man says, 'I will live today, for tomorrow I may die,' and God says, 'I offer you Life Forever, only satan can cause you to die.'**

**My sons, I have given you much to go on today. I bless you with The Father's Love and with The Heart of The Son, and with the Wounds He suffered for everyone, and I bless you with the Light and the Truth of The Holy Ghost. No Greater Blessing could any man receive, besides The Sacred Host. So be it."**

SAINT BERNADETTE

**“My beloved children, I am Saint Bernadette. My earthly way was the way God Willed it to be. My earthly desires were guided by God for His Will to be done. As I am Here in the Heavens, I see you, I know you, I love you. I speak today to direct you.**

**F**irst, My children, as I read your hearts, I see the glow of them, the depth of them, the magnitude of them and the desire in them. Each child present here is aware of a difference of her way, some more susceptible to God’s Will, some more anxious in some ways, and some more faithful in the human way.

**M**y daughters, pray. Right now you live in a time worse than Sodom and Gomorrah. The earthly hours you spend, looking for truth, seeking peace, asking God’s Love, will not end until God decrees the time to be. All Heaven has come forward to help mankind, through *This Miracle Of Saint Joseph*. As Each Saint teaches

**children personally, directly, lovingly, God stands by, governing all things.**

**This Miracle through Which I speak is to give man Truth and to encourage man to conquer his weakness. Each day, examine your way and ask yourselves this: ‘Am I truly accepting God’s Will? Do I accept prayer for what it is, and do I keep ever in the mind the Goal of Sainthood?’**

**My daughters, keep in mind at all times the Purpose of life, the Truth of life, and be aware that the evil one will use your weakness to cause you to sin and to help others sin. As you know humility to be, walk in it daily. It is strength. Remember, no man can be stronger or more powerful than The Holy Eucharist, and no man can present you a weapon, to protect yourself, greater than the Holy Rosary.**

**As I bless you, I do it with God’s Power and His Love, and I do it with Grace from Above. So be it.”**

SAINT MARTIN DE PORRES

**“Yes, My son, I am Saint Martin de Porres. I speak from a Realm, in many ways far from you, and yet close to you. I have walked the earth among men. Many times, as I talked to men, I wanted so to give them strength, to give them hope. I was concerned for man. Oftentimes men did not understand what I meant.**

**As I stand Here in the Heavens, The Beloved Father allows Me to express to men My Love. Also, He allows Me to touch the lives of many men. There are many areas where My Name is not spoken, perhaps because of the color of My skin, but you see, God’s Will must be done through Me. So, I speak to you today and say, ‘Pray to Me, son, I will answer thee, and when you want extra strength, join with Me at the Altar of Love and partake in the Holy Host of Love.’**

**Never deny the Truth God is, and as you sit with *this child* through whom I speak, *The Miracle Of Saint Joseph* is for the strong and the weak. It is to**

**lead mankind to where all colors, all races, all creeds, all men will one day be free in the Arms of The Heavenly Three.**

**I bless you, My son, as I leave, with Words alone, for I will remain with you till one day you come to the Throne. So be it.”**
