PREFACE

These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.

On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.

In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.

One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.

There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.

PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered
spontaneously and continuously
as witnessed by all those present
at the time.**

GOD THE FATHER

“My beloved daughters, I, your Father, come to you on this day to say many things of Great Worth. My Confidence in This Miracle attaining the Goal I desire for It, is far greater than you know. When the Cross was placed upon My Son, I was assured that this Cross would be carried to the Goal where men would be able to come to spend Eternity with Me. The Responsibility for This Son of Mine was Far Greater than any man knew.

Again I place *a child*, not Divine but human, a creation of Mine, to carry the Cross for the world. It is not easy for such *a child*, and it will get more difficult as physical time goes on. I am confident that she will see It through for Me. As it was men who abused My Son, it will be men who will abuse *the child*. They will not understand the pain, the sorrow, as they did not in His time. They become brutal, aggressive, and desire to do only their own will. It is time repeating itself.

But I ask you to keep in mind the Goal of this Hill: It is to give man life, to give Souls Light, so that more will come to spend Eternity with Me. Many men will just see the physical side, but even in this vision, some of them will automatically turn to Me. On this Hill, and before this Hill, I am teaching man to pray. I am teaching man the worth of prayer, the dignity of it, and the humility it has in My Way.

The world in which you live has become a place of horror to see. The evil one, My enemy, has seeped into places of all kinds, and he is working diligently to draw Souls from Me. Sometimes he works in bright corners, sometimes he picks dim spots, but keep this in mind, My children, he will always choose a weakness to enter. When children grow so strong in love with Me the enemy cannot enter, for the bond of love becomes so thick, so sturdy, that he does not have the power to penetrate it.

The time in which you live is a special time, for in this time many men will recognize the beauty of the physical, the Purpose of it, and that is to become a Saint through it. This is a time that can make many Saints, can

draw many Saints to Me. Men must be aware of it. There is no happiness in sin. There is no joy in doing one's own will or satan's. There is no tranquillity in following him; but, when a child decides, even in the smallest way, to love Me more, there is an inner peace, an inner joy, and tranquillity begins to be stored.

You see, My children, I did not give the physical to torture mankind. I had a Great Purpose in mind and that was to draw many Souls to Me, to share Heaven, Here Where I am. Heaven is reward for doing My Will, for loving Me. Many men seem so self-sufficient they do not need to strive for this Great Goal. These are foolish men; they are ignorant of the Purpose of life and they must be taught.

And so it is, through This Miracle of Greatness, of Magnitude, that I am reaching men of all kinds. They must come, and children must come from all over the world to hear the Words direct, for the good of mankind. The Hill of Hope is that: hope, so man will renew his thinking, his drive, his energies, his Goal, and man will set his sights on Me and place his love in My Control.

Oh, My daughters, The Beloved Saint for Whom This Miracle has been set forth upon the earth, is a Beloved One of Mine, close to Me Here in the Heavens at all time, and as *the child* often speaks of Him in a deep love, your love, too, is to grow as hers is for Him. We smile each time she explains Him to man, for as you can see, each time is more warmth, each time more lovingly; and so it must be with you.

Heaven smiles when They look down upon the workshop,¹ for in His time the workshop was all wood; and now, where you work, there are many man-made products. My allowing this is helping you to do more to spread His Name, and to show others My Will. Please, My children, let others know of this great workshop of Truth, this great endeavor to spread Heaven's Words, My Will.

I bless you with My Love and I say, 'Cling to It, grow in It, and yes, cherish It, for you see, it is My Love that will make you a Saint, and your

love for Me that will decide the degree of it.' So be it."

GOD THE FATHER

“You will always find, somewhere along the line, you cannot draw the project to complete perfection, for only I am Perfection; but I ask you, My children, that in all things you do through This Miracle of Love, of Hope, you reach for the perfection man can reach for, that man can attain, and I will help you along the way. Without My Help you cannot attain even the slightest degree, so I ask you to hold My Hand and to pray to Me each step of the way.

Many children will be eager to serve on this Hill, and many will try to do in a way that will serve man. This cannot be. You must learn from the bottom of the Hill to the top of the Hill, you must do it My Way. This Hill is Important to Me, for it is My Design for a Son dedicated to The Holy Trinity. I want all men to see the Beauty of My Way. I want all men to feel the purpose of the pure way. I want all men to know that I designed this Hill for a Son Who was obedient to My Will. I want all men to see the

Importance of this Hill, and yes, the peace this Hill gives to the Soul, to the physical.

Many buildings on this Hill will be made with different material, and as they are, you will see the beauty of My allowing man to do certain things in different ways.

I bless you with My Love and I say, ‘The Hill must be My Way, for it is My Plan for a Son Who walked the land in obedience and trust, humility and love, totally My Way.’ So be it.”

APRIL 11, 1972 AT 1:25 P.M.

OUR LORD

“The sons in the family way decide many times to offer themselves to defend man in every way. The sons oftentimes become suddenly aware that they are the strength to do things, to make things right, and they do care.

I, The Son of The Father, come on this day to alert the sons and the daughters to fight for the Beauty of the Soul, the Rights of the Soul, the Dignity of the Soul, the Magnitude of the Soul. When man fights man, he uses a weapon. When man fights satan, he must have another weapon. This, My children, is love for God. No weapon in the world could be as efficient as this. You see, God has given man the greatest weapon in the world to save his Soul, but man ignores that Part of him which is the Soul. Man puts much emphasis on the physical. Man shouts out, ‘This physical of mine, I must be careful with.’

I say to man now, of all ages, of all kinds, of all colors, of all creeds,

‘As you protect the physical and its needs, be sure, My children, you protect the Spiritual and its needs, for the Spiritual is the Light of your Soul, the Faith by which you walk, the truth in which you live.’ Your Soul is the Greater Part of you, your Soul is the Life of you, your Soul is God’s Love for you. The physical is loved by Him, but the physical is used as the means to Here.

I speak firmly in this way, for you see, My children, too many Souls are falling the other way, and too many children are not aware of the Soul that must one day come Here. These Words that are given from Us, through *this child*, are teaching all mankind the Truth about the physical and Spiritual life.

And now as I leave, I say: ‘The weapon was handed to each of you one day. Secure the weapon in your way and, My children, be aware that through this weapon, one day you will come Here to stay.’ So be it.”

APRIL 11, 1972 AT 2:10 P.M.

SAINT MARY MAGDALENE

“My daughters, I am Mary Magdalene. I look back on the time in which I lived, and yes, there was much sin all around. There were many children involved in personal sin, for self-satisfaction, in ways of pride.

The time in which you live, it is more of sin grouping men together in great numbers. That is what makes it worse than Sodom and Gomorrah, for these men are committing sins of all nature, of all kinds, of all degrees, for you see, they gain what they call strength from each other. This is not real strength. What they are doing is leaning on each other’s weakness. There is more in the world now than you can know, and that is why The Heavenly Father is so disturbed, for He sees a great growth in the turmoil, in the destruction, in the hazards for the Soul.

‘The time in which you live,’ Heaven says, ‘is worse than Sodom and Gomorrah.’ This is true, My children. Keep this in mind. There was more

control in My time, but now men have become so acquainted with the evil one that they enjoy participation in his way and time.

Please pray, My daughters, for children to come to The Miracle of Hope, to come to *The Miracle Of The Beloved Saint Joseph*, for through This Miracle All Heaven has come forward, and will do so, to help children think of their Souls, to help children be reminded of the Truth that must be all around.

I come through *this child* often, and many times when I do, it is to alert you to the sorrow, to the sadness of sin. There are so Many Saints Who are standing Here, Who walked a different life than I, but They, too, had to face temptation; They, too, had to overcome the weaknesses of man.

I bless you with God's Love and I say, 'The Miracle must flourish throughout the world, and thousands upon thousands upon thousands of children must come This Way.' I bless you with God's Heart and I say, 'Use The Heart as you speak to each man each day, for in This Heart there is Warmth, Love, Security, Purity, and

Trust, God's Way.' I bless you with God's Light and I say, 'Through the Wisdom of These Words, Light will be given to you each day.' So be it."

APRIL 11, 1972 AT 7:33 P.M.

SAINT BERNADETTE

“My sons and My daughters, it is true what *the child* has spoken to you, for They were Words of Ours, not hers. She is used as *an instrument* for God, called, by Heaven, ‘*the fork*’; for through this means We reach you and We draw you to Divine Way, to Divine Truth, to Divine Love. Through *this child*, We teach you. Through your presence here, you grow in love with Divine Way.

All children must hear Our Words, all children must get accustomed to Our Way, all children must learn to accept truth, all children must learn to reject man’s weakness, for you see, My children, if you do not, you will fall into satan’s way.

Right now, your time in the world is capable of making you a Great Saint, for you see, to walk away from a temptation all around will make you stronger God’s Way; and the deeper you fall in love with Him, the more you grow to serve Him, the more love you

extend to Him, the more you depend upon Him, you will grow in His Way.

There are so few children in the world who are ready to give up their weakness. I, Saint Bernadette, say to you on this night, 'It would be wise, My children, to give up what is weak in you, and to grow in strength, God's Way.'

There are so many children rejecting The Holy Eucharist. Many reasons are this: They are scrupulous in certain ways. I say to you now, 'Walk away from scruples, they are weaknesses; and ask God to give you the strength to walk to the railing, to kneel to Him, and to accept Him with humility, reverence and love.'

The prayer most loved by Heaven is the Holy Rosary, for as you pay Homage to The Heavenly Queen you pay Homage to The Holy Trinity. All Heaven loves Her, and All Heaven knows Her Power, and Heaven says to you on this night: 'Beware, My children, if you walk away from Her Light, for She is your Heavenly Mother. She protects you, She guards you, She loves you, and She will deny you nothing that is good for you. Be

conscious of this, be aware of this, and thank Her for it each day.'

I, Saint Bernadette, bless you with God's Love, and I bless you with Hope, for it is through hope you will one day be saved. So be it."

APRIL 12, 1972

OUR LORD

“My beloved *child*, I was happy, I was proud, and I stood close by you today during the time when someone could have said something to harm another child whom I love dearly. I am The Son of The Father. As you spoke out to others who love Me, you spoke with prudence and you spoke with firmness, and in this way, you gave them strength along with the guidance they needed to sustain them through the dark days.

My beloved children, you are encircled in My Arms, you are close to My Heart, and yes, you are in the midst of The Miracle that will save the world. As it was said by The Father today, you stand on the earth He created. He created this earth, special to Him. The sun is not as special to Him as the earth, the moon is not as special to Him as the earth, for you see, He placed man upon the earth, and man must live on for all time, and the Souls of man must live in Eternity with Us.

My children, as you are in the midst of This Miracle, It is All Truth given through *this child*, and there is All Love. The gentleness that man feels with her, there is a firmness in the gentleness, and through this, they receive great strength. As you are close to her, you will get closer to Us, for the strength you feel is love for Us.

We want all mankind to love Us as *this child* does. We want all mankind to come to This Miracle that is of such Great Beauty, for you see, what more could man ask than to have All of The Angels, All of The Saints, yes, and The Holy Trinity speak. The Heavenly Mother often says through *this child*, ‘Say My Rosary.’ What greater Gift could a child have than to have a Mother stand close by and give Direction firsthand?

I bless you with Our Love and I say, ‘Stay close to My Heart, for when you do, you are bound to come This Way.’ So be it.”

APRIL 12, 1972 AT 11:07 A.M.

SAINT BONAVENTURE

“My beloved children, I smile at the Words being said to you, for you see, it is time that Truth come to the world, and from this, be seen by you. For a long time man has been allowed to be weak, man has been allowed to lean upon his weakness for all things. The time is over, for you see, God says to all mankind, ‘You must listen to the Truth, for you must spend Eternity with Me.’

My children, I am a Saint some of you do not know. I am Saint Bonaventure. I speak to you through *a child* that God has chosen to deliver Divine Way, Divine Words. The Hill of Hope must come about. And many men of great standing will fight this Hill, for they will say, ‘We do not need a place such as this,’ but they do not see the earth as God sees the earth. They do not see the truth as God sees the truth. They do not see the chaos that God sees. They do not see the hazards that God sees. They do not see the work of satan that is all around, for as I speak through *this child* to you

on this day, I say, ‘The Hill of Hope is your Salvation for one day, for on this Hill men will learn the Beauty of God, men will learn humility God’s Way, and men will learn respect for God in every way.’

Oh, My children, as I stand Here in the Heavens, I see so little respect for truth, I see so little humility man’s way, and I see man running away with the evil one and allowing himself to be prey to all the weakness around. You are allowing it, My children, you are subjecting yourselves to it and you are respecting it, where, in truth and love for God, you should be rejecting all things that lead you to stray.

I bless you with God’s Love and I bless you in His Power. I bless you with the Truth through The Miracle of your hour. I bless you with the Magnitude of This Great Saint, and I say: ‘Be wise, My children. Walk in wisdom, do not walk solely in man’s way, and as you walk in wisdom, you will walk in truth, for knowledge is man’s extension of his mind, and Wisdom is God’s Way.’ So be it.”

APRIL 12, 1972 AT 11:10 A.M.

SAINT ANTHONY OF PADUA

“I know, My children, that it is unusual for you to be so close to a Miracle such as This, but keep in mind that This Miracle has been designed by The Divine and is given to you as a Way to Here.

I am a Saint that many of you love. I am a Saint Who stands in Heaven Up Above. I am a Saint you call upon when you lose an article. I am Saint Anthony of Padua.

As I speak through *this child*, I speak with a Great Love for you and I say: ‘My Love for you is not just to find your lost article, but to bring you This Way. My Love for you is to teach you God’s Truth, the Wisdom of His Way. My Love for you is to show you the path to Heaven; it is such a Glorious Way.’ So keep this in mind, My little ones, as I extend My hand through *this child* to you. Pray to The Saints, for They are ever ready to help you in all things, not just in a lost article way.

I bless you with God’s Love and I say, ‘Keep in mind the Wisdom and the

Truth that is here for you today.' So be it."

APRIL 12, 1972 AT 11:13 A.M.

SAINT ATHANASIUS

“My children, I am Saint Athanasius. My Name, through This *Miracle Of The Beloved Saint Joseph*, is becoming known throughout the world. This is not the reason for My coming through *this child* right now, but I say to you here in this room where you are, that I fought a heresy in My time and I fought hard.

And so it is again in the time in which you live. Heresy is all around, My children, and many men who are great in this act against God are actors in many ways, and they will try to fool even the greatest ones. They are capable of standing up in what they feel is truth; but, keep in mind, My children, that heresy is only development of untruth, and if you will but keep this in mind, you will see it is not valuable to follow men this way.

Follow, My children, the Ten Commandments, for They were given to you a long time ago, for all men to see, to obey, to follow, and many men

are saying, 'There are not Ten, but Two.' Oh, My children, heresy, foolish thinking. Weakness shows when this is done by men such as you.

I bless you with God's Love, for there are Many Others to speak. I bless you with Hope and I say, 'Watch out for the heresy in your day, and stand up in truth as you know it to be: God's Will, My children, and the Ten Commandments should ever be before thee.' So be it."

APRIL 12, 1972 AT 11:15 A.M.

SAINT COLUMBKILLE

“My children, I am a Saint not known to some, but I always enjoy calling Myself ‘Saint Columbkille’, to stir your imagination, to stir your thinking, to stir your way, for I am truly a Saint in your day, in your way, to help you save your Soul.

There is so little emphasis put on the Soul in your day. There is so much emphasis put on the beauty of the body, the exposure of this body and what this body means to man; but there are so few men ready to stand and say: ‘Your Soul has a Beauty all Its own. Your Soul has a Dignity of Greatness. Your Soul has a Place to go when all else is done.’

And I come through *this child* today to you and say: ‘The Soul you walked into this room with is What will live on, not the body. The body will disintegrate. The body will go away,’ but keep in mind, My children, as you leave this room today, you walk out with a body and a Soul, a Guardian Angel, and you will be fearful for the

body, and I say, 'Be doubly fearful for the Soul, for you walk among men who are satan's way.' So be it."

APRIL 12, 1972 AT 11:17 A.M.

SAINT CATHERINE OF SIENA

“My children, I know that to have so Many Saints speak so direct through *a child* is unheard of, unknown to man, but nonetheless, It is of Truth, and I, Saint Catherine of Siena, speak to you.

This child has been prepared not to care what man does think. The only real concern in life is what God Wills to be. So, as you stand in this place dedicated to The Beloved Saint, keep in mind, My children, your Soul is at stake. Keep in mind, also, that the Power of God is Greater than the one of the evil one; and keep in mind that you are given the Way to Here, Heaven, Where I am.

Some of you will walk the easy way. Some of you will walk the small way. Some of you will walk the delicate way. Some of you will walk the fighting way, as *this child* has been given; but, keep in mind, you can become a Saint.

Keep in mind the beauty of prayer, for so few of you do care how many prayers you say a day. Also,

sometimes you become so bogged down with the words you know that you forget, just to genuflect is a prayer to God alone. It is respect for Him in many ways; and then, too, My children, just to kneel in an act of humility is a love for Him. He returns this with Grace in ways you do not know. And just to sit and talk and think — He loves it so, for remember, My little ones, He created you, and He does not ask each of you to perform great tasks for Him. All He asks is you return the Soul to Him one day when you rest.

I bless you in His Way. I fought My way to Here, and in the fighting, oh, My children, men tried to steer me in another way, but I could not allow it to be, for I knew the Truth all around and I knew that I had to stand for the Truth, for you see, I loved Him so, and when you grow in love with Him, you, too, will fight for Him. The greatest love that man can have is for The God Who created him.

I bless you with His Love and I say: 'The Learning you have received today is one alone. The Love that was given to you is one alone. It will be a strength, My children, when temptation comes. It will be a reserve

for you when satan encourages others to draw you to him.’ So be it.”

APRIL 12, 1972 AT 1:45 P.M.

OUR HEAVENLY MOTHER

“My beloved children, I, your Heavenly Mother, speak to you on this day with Love, with Understanding, with Hope, and yes, with much Direction. This Miracle of Love that has been sent to the world to give man strength to face all things is in your midst, and now I come through It to say to you, ‘You must be staunch in It, you must see the Value of It, and you must recognize the Beauty It is.’

You must know that this Hill of Hope is to become soon known to the world. This Hill of Hope is to be before all mankind, to give man Bible History, to give man what God wants man to have. The Ten Commandments will be evident upon this Hill, for all men to see, for all men to learn, for all men to be able to follow to all degrees.

The Holy Eucharist will be shown in the Beauty It is, the Purity It is, the Greatness It is, and man will begin to know the beauty of the Sacraments, for you see, My children, the Sacrament of Penance is being

diminished by man. The Sacrament of Penance must be shown for the degree it is, the amount it is, the beauty it is, the magnitude it is, for penance is important to mankind. How else can you purify a Soul?

And now, My children, prayer will be stressed on this Hill of Hope. And prayer will be shown for what it is: communication with God, communication with Here, and yes, love for The Divine. Prayer will be shown in all forms, but you can be assured it will be shown through the Holy Rosary of Mine. The Rosary will encircle the Hill; the Rosary will encircle the Chapel; and pilgrims will come from all over the world to say the Rosary of My Way, and children will be devout in this prayer. And children will learn to pray with dignity, with honor, with reverence and love, and children will begin to have new Faith in prayer, for children will see the beauty of prayer and the dignity of it. Children must learn that prayer is God's Love. Prayer comes in many ways, not always verbal, sometimes in acts you do each day.

Oh, My children, I speak quickly through *this child*, for you see, there

are many things to be done throughout the world by Me, and I come through This Great Miracle to give you a chance to change all the things you feel are not good within you, and I say, 'Reach for purity, stress modesty, and above all things, imitate My Way, My daughters, for when you do, you follow in God's Path.'

I stand in the Heavens and oftentimes the Angels say to Me, 'Oh, Lady, what kind of flower do You prefer today?' and I say to Them, 'A Rose would be nice.' So they present a Rose to Me, not as a rose is like you know one to be, but a Rose is a Soul; oh, My children, a Soul to honor The Holy Trinity.

I bless you with God's Love and I say, 'I am your Heavenly Mother, and I come this way to give you strength to stand up for what you know is truth, God's Way.' So be it."

APRIL 12, 1972 AT 1:58 P.M.

OUR LORD

“My children, I will speak again so you will know certain things. When I walked the earth, My choosing of twelve men was so they would follow in God’s Plan, and they would remain upon the earth to teach other men. Through This Miracle of Hope, through this walking again of The Beloved Saint Joseph, I again come to the world, but this time through *a child*, designed by The Holy Trinity. This manner of Our Coming is so that more men will be able to accept the Words of Wisdom, the Words Direct.

You gather in the same manner the Apostles once did, around *a child*, human in nature, but guided by Divine Way. There are more of you. I smile upon this, for you see, the number will increase far greater than you know, for children such as you will begin to see the Truth of This Way, the Beauty that It is upon earth.

I, as I walked the earth, taught the Wisdom of The Father. It is being done again, this time through *a child* upon

the earth. As the Wisdom is shown, is taught, children do not realize what Worth It is. They accept It in a casual way, and some even go away and say, 'I've heard that before.' We always smile upon this, for The Father says, 'Oh yes, you heard it through a Son of Mine, Divine'; and sometimes I look at the child and I say, 'Yes, the Words were Mine'; and The Heavenly Mother smiles and says, 'Oh yes, many before *this child* expressed the same Wisdom, and that is where you heard it.'

Oh, My children, keep in mind that This Miracle is repeating time, repeating Words of Great Worth, and that is why it is so important to each of you to follow in the way the Apostles once did, for they, too, felt the Wisdom of the way, and they, too, felt the strength of the Truth, and they, too, knew within their hearts that they were standing where it was all good.

As I stand Here in the Heavens, I am ready to take *this child* whenever I Will it to be. She knows this. The Miracle is on the Winds of Our Power. The Miracle is a Power in Itself, governed by Us, directed by Us, designed by Us. Do not fear a running away with any part of you or

any thought within you, and do not be concerned over your heart not feeling the way it used to feel, for you see, you have given much of your heart to The Holy Trinity. We smile upon this and We say, 'It was necessary, to do Our Work each day.'

The workshop of The Beloved Saint Joseph will increase in number to a great degree, for you see, as the Hill increases in way, the workers must increase to do the work needed to accomplish What We say. You will find that many things will increase: the Words from Here, the Love from Here, and yes, the Directions to complete this Hill, Our Way.

The child will now describe to you the buildings on this Hill. Keep them in mind, My children, for as you do, you will see the significance of each one, you will feel the greatness of them, and you will feel the Love of Ours within each one.

The Great Basilica in Honor of The Beloved Saint Who was My Father and is now My Son, will be all the woods created by The Father, and they will be used one by one. This great building will be in the Sign of The Cross for Me,

and it will show at the top, The Host, of Which I am The Second Part. The stairway to this edifice is all around the place so children coming from all directions will be able to enter in some way. No one is to be asked to leave unless, of course, they are standing in desecration to this Holy Place. The Tabernacle will be History to man, and the beauty of this place is far beyond what man can know. All things in here will show a Special Grace. The pillars standing on the outside will give you the twelve men who stood staunch by My Side. I smile at this and say, 'For you will not recognize Them in the way They will stand, appearing as though They are holding up the place.' Oh, My children, all Heaven loves this Will of God, this place designed by Him.

And now I take you to The Heavenly Queen's place, for it will be in the design of a crown, the Crown of the last decade of the Holy Rosary. See, as She was Crowned in Heaven, it was a Great Event, so the building She will be housed in on earth, will be a Crown as such, and within this building will be the Beads of Love, encircling every bit of it to show you of Her Love.

And now I take you to a place that will show All The Saints in Heaven, and in many ways it will give you the way They took to arrive Here, Where They are to stay; and encircling this building will be statues of the twelve men who walked the way.

And now I take you down the Hill to another place, a place where it will show We care about the physical. And in this place, in the shape of a Cross, there will be a place for men to honor The Heart of Mine, The Heart I gave for all mankind. And children who will come here, will stop and say a prayer, and as they do, they will see The Heart right there, and as they look upon My Heart, I will say to them, 'Place yourself within My Heart and I will take care.' And so, you see, My children, in this great edifice made of brick, strong, for any architect. And now I say: 'Also in this building will be a great dome, for men of learning to look through and watch the physical. Many, many things will be opened to men right here, and man will see that The Holy Trinity does care about the physical.'

And now I take you to a place, all wood, where men of honor must

reside, and they will take care of the Hill, for you see, they are the core of it, for the staunchness that they feel in Our Way, will be expressed to you each day; and at no time of day or night can man come to this Hill without feeling access to the Sacrament of Penance that is so real, so important to man. Remember this, My children, for it will free you of the sins, of the weaknesses you have.

And now I take you across the way to another building, dedicated to the 'Little Way'. And in this building, it will house a group of women, with Me as their only Spouse, and they will work diligently in Our Way and they will service the Hill, and they will project Our Love in every place, and they will be dressed in modesty, in purity, and they will show Our Lady's Grace.

And now I take you further down the Hill, and on this place, a place is established for man to retreat from the world in. Oh, My children, it is one of beauty, one of Grace, for in this place men will shed the world to a degree, and they will begin to establish a feeling for Eternity, and as they do, they will feel the Power of Our Love,

and they will feel the beauty of the earth all around. And when they leave this place they will desire to return, for many of them will spend a night learning about God.

And now I take you to another place that children will find to rest, for after a long journey, the comfort they will receive will give them the strength to walk the Hill and pray to The Holy Trinity, to The Heavenly Mother, and to All The Saints. This place will be known as 'The Pilgrim House', for pilgrims will come from all over the world, and no one is to ever be turned away, as My Parents were one day.

And now I take you to the Entrance of this Great Hill, and there stands The Beloved One, My earthly Father, Who now stands as My Son, and I will be in His Arms, close to Him, for that is how Our Life begun; and then in the other Arm will be the flower of His Way, cherished by Us Here in Our Way. And He will stand nine feet tall, expressing love to all children, and as they enter they will see the Beauty of His Face, and as they walk further on they will feel the Power of the Grace. So you see, My children, the Hill is His,

and you must love every bit of it, for it is Our Will, not His.

I bless you with My Love, and I say as I do: ‘Cherish It and keep in mind, My children, that the way you walk is a truthful way, a delicate way, a sincere way, and do not let any man cause you to stray, for you see, the walking in this way will draw you closer to Me; and this is what I desire of each child here in My Presence now, to grow so in love with The Holy Trinity that you will want no other one.’ I bless you with My Heart, and through this Blessing, I give Strength, Hope, Desire, Truth, Love. So be it for today. So be it.”

SAINT JOSEPH

“Man says to God, ‘Why a woman for such an Important Mission for You?’ and God says to man: ‘Once before I chose a Woman for an Important Mission, the Greatest One I could choose man for, and that was to be The Mother of My Son. I created woman with love, with a purpose. I created her in dignity. Why would I not use a creation of such love? I chose woman for ultimate reasons. Why would I not choose *one* to work in the world at a time when My other children needed My Love? And so it is now, My children, in the world. I send *a woman* through whom I speak, through whom My Wisdom is given to the world.’

I, Saint Joseph, come through her as All Others do. The Miracle of Which she stands in the midst of, is a Miracle of Hope, a Miracle of Truth, a Miracle governed by God. The Miracle bears a Name. God has chosen this Name to be. It is called The Miracle of Me.

You see, My children, through centuries The Heavenly Father has used many children for specific reasons, and always to help others learn of Him, think of Him. There are Many Saints Here in Heaven Who walked the earth in a natural way and yet worked ultimately for God, walking in blindness His Way, walking in obedience His Way, walking in complete trust His Way.

Now again, *a child* is among mankind, walking in obedience, walking in trust, walking in love, walking in blindness, His Way. Man makes many demands upon her. Man says, 'Show me all things God's Way,' and man demands they be in man's way. God, in His Love for man, does not allow it to be so, for you see, His Plan is Far Greater than you know; and the Manner in which He does things, the Purpose for which He does things, is Far Greater than man could suppose, man could propose, man could design.

Thousands of children have come to This Miracle of Mine. There are many thousands more yet to come, and many of these children are just beginning to think of God and how they begun. And so it is through

This Miracle of Love, they will learn the Purpose of their physical life on earth.

Many, many learned men are discussing *this child* at this very moment, and they are saying: 'It cannot be. She's a woman. God would not choose a woman, as such, as thus, for a job of such Magnitude, of such Greatness.' We say to these men: 'Do not judge God's Way. Do not judge what He would do for you in your day, but see the Beauty of It, see the Love in It, see the Wisdom that It is.'

Oh, My children, there is so much to be learned through This Miracle of Mine. There is so much Faith to be shown. There is so much trust to be taught. There is so much obedience to be shown.

Oh, My children, do not become discouraged when other men do not believe. Do not be discouraged when other men doubt. Do not be discouraged when other men criticize, and do not be discouraged when things look like the obstacles are too great to climb above.

You see, the evil one fears This Miracle of Me. The evil one says, 'If

This Miracle progresses as That One decides It should, men will go to Him, not me.’ Oh, he is deliberate in his way, his moods. Oh, My children, he is forever envious of The Holy Trinity. His pride always shows. Keep this in mind as you work in This Miracle of All Truth.

Man says, ‘I have heard these things before,’ and We say, ‘That is good; then you have a basic truth and you must develop this truth, and This Miracle of Mine will give you the strength to do this.’

So many men say: ‘Why, if she works for God in such a close union, why does she not write in the sky? Why does she not lift herself from the chair? Why does she not do things that we cannot do?’ This is sadness to Us Here, for you see, the Beauty of This Miracle for Me is the Calmness that It is, the Generosity that It gives, the Peace It implies, It extends, the Tranquillity that It shows, the Love that is always there.

The evil one works on emotions. The evil one works constantly, creating turmoil, dissension, envy. The evil one stirs things up to a boiling point.

There is no peace with him, no love, no tranquillity; and when children follow an emotional path, it weakens them, it does not strengthen them.

The Heavenly Father works on strength, works in strength, works with strength. Through strength the weaknesses will dwindle. Through the strength He gives, weaknesses will diminish, they will fade away. When man leans on man, man leans on weakness. When man leans on God, he leans on Strength. And when man leans on satan, oh, My children, it is disastrous.

I bless you through This Miracle of Mine and I say: ‘Keep in mind, the workshop is similar to the one in which I worked. It is for God, and in some ways it is tedious, in some ways very tiring, and in some ways of great joy.’ So, you see, it is comparable to the workshop I spent many hours in, and now I share each hour with you here, where you deliver to others Our Words, where you extend a Great Love, where you partake in the tasks that will live on after *the child* must leave the earth, for the Words will not die. The papers will remain, the Lessons will be there

for more children to read, to absorb, and to then come This Way.

The physical time on earth must be solely God's Way, for when it is, there is a joy in it, a tranquillity in it, a beauty in it, that nothing else can give.

I bless you with My Mantle, for this is the Mantle I often carried The Son of God with. I covered Him against the elements and now I cover you in the same way, for I will protect you in every way. So be it."

OUR HEAVENLY MOTHER

“My beloved daughters, I am your Heavenly Mother. I come through *this child* because of a Deep Love for you, a Deep Love for This Miracle of All Truth.

This Miracle of The Beloved Saint Joseph is given to the world to give man proof of what God wants from each of you. It is to renew men’s thinking of The Commandments The Father once gave, for many men are setting Them aside, saying, ‘They are not of our day.’

Oh, My children, These Commandments should be evident in each home. They should be set up on a wall, in a place where all who come, all who dwell, can look at Them and examine their way, for so many children are walking purely for the flesh, purely to enjoy the physical way. Some of These Commandments you will not sin against, but some you sin against and do not know the consequence, and that is why it is important now for the world to see

openly, These Commandments God gave to each of thee.

Many men are going off into hidden places, checking on their own being, spiritually. They are meditating in a special way and they are thinking of God, so they say; but, My children, I say to you now: 'Is this not so, that when man practices meditation he does it for his own satisfaction, not God's? But when a man serves diligently and lovingly to help others understand God's Way, then I would say that this man is really conscious of his Soul.'

I do not say prayer is not right, for prayer is always right, but so many men are using prayer as an excuse for laziness, and to create laziness within them.

Man is putting much emphasis on meditation, and man is not truly looking at meditation for what it should be; and then there are many children running around, shouting the Name of My Son, and they do not realize that the physical way of His was only a small portion of the Truth He stood in, the Love He had, and the Beauty He was.

I am prepared to speak through *this child* at a moment's notice. Sometimes I request it from The Father, and other times He says, 'Oh, Heavenly Mother, do speak out now before the evil one reaches a particular child, for the child does love Me, but the child cannot feel Me,' and so I come forward at this time, in different ways, of course, and many times I come through *this child*. You do not know the Magnitude of This reaching you.

Oh, My children, I speak today and I say, 'This Great Wisdom that is coming forth to the world through *a child* such as you, must be spread to every land, must be handed to every man, and It must be given out with love in regard to Its Worth.' Never has man heard so many Words so direct, except of course, when the time My Son did walk the land; but I stand in the Heavens and I see so many men tearing apart God's Love, ignoring His Will, and subjecting themselves to satan and satan's plan.

I, your Heavenly Mother, say that All The Saints in Heaven have come forward through *this child*. Some said, 'I am a Saint of Great Renown.' Others say, 'I am Saint ...,' and then

They give Their Name. You have no idea, My little ones, how Many Great Ones have spoken with *this child's* tongue, how Many Great Ones have used the simplicity of this way, the beauty of it, the natural way to reach you.

The Protection that you have in This Miracle is Far Greater than you know, for the Protection is Truth, it is Security that is one alone.

There are so many men arguing and saying: 'It cannot be. Not her. If God would do it to her, why not me?' And God says, 'Foolish man, who are you to decide what I should do in your time, in your way, on My land?' for you see, God does own the earth, God does rule the earth, but He allows man to stand there and use this place to come Here one day.

All the criticism *this child* must face, the abuse, is far more than you know, and constantly she looks to Us and says, '*Please help me so the child will know,*' and We say to her, 'Just be obedient to God's Will and We will transmit All Things in proper way, in proper due.' And so she waits for Us each time, and so many men are

standing ready to beat her down, for they are anxious to perform beyond and above what God Decrees for them. They do not realize that in some ways they are selfish, in some ways they are prideful, and that is why *the child* so often says to them, 'Wait, don't run,' and so they feel that she holds them down, she holds them back from doing God's Will. Not so; for she, too, had to learn patience, and it was not an easy one.

So, as I speak through her, I say, 'All men should know and learn the beauty of the Ten Commandments, and men should realize that the Souls in Purgatory are truly in a place where prayer and sacrifice will help them, and they must wait for sufficient Grace to be released, to come Face to face with The Divine Ones.' Children must learn that Heaven is not gained through one act of love, one act of prayer. Heaven is reward for loving and serving God, Who is Here.

Oh, My children, there is so much to be learned by man, and with all the knowledge man has, there is not enough around about God, for many men are trying to make the mind so powerful that they are putting their

own mind above the Wisdom that He is, the Power that He is, the Beauty that He is. They are trying to become equal to Him. They are trying to show other men their powers, and they are trying to lead others; and, of course, in doing this, they are only leading man in man's way. They cannot lead him truly in the Spiritual way.

The new act man is performing is to hold hands with each other, and all along man has been taught that he will stand before God alone, not holding other men's hands; and yet, man says, 'Feel the strength of another,' and God says: 'Oh, child, feel only My Love and My Strength, for as you touch another's hand you feel only the weakness of this man, not the Beauty of any Strength I Am. You touch the flesh, you feel emotion. You touch the physical, you feel the senses. I gave these to you for a certain plan, but I did not give them to you to find strength in other men.'

But man is misusing all the things that God gave to man. Man is misusing intellect. Man is misusing his mind. Man is misusing his senses. Man is misusing the wisdom that has been handed down through man. Man is misusing the guidance of the Ten

Commandments. Man is misusing the beauty of prayer. So would you not say then, that it is time that truth be shown, truth be seen, truth be acknowledged by all men?

I love you. I am your Mother, and I say to each child here and in the world: ‘Be obedient to God’s Will. Do not pretend obedience for He knows when it is real, but follow wisdom, children, do not follow man’s way. Subject yourself to His Will and love Him every day. Offer prayers in His Way, and when you do, say, “*Oh, God, use them as You Will them to be, and help the Souls in Purgatory, the Ones You know should be freed.*”’

And when you walk in such trust you will see the Beauty of His Way, for man says, ‘I trust in God.’ And man foolishly misinterprets the beauty of trust and man says: ‘Well, I trust Him. I would jump off a cliff if He told me to.’ ‘Oh, man,’ I say, ‘satan might tell you to jump off of a cliff, satan might tell you to take your feet off the ground, but God would not.’ It is true He tests your love in different ways, but never to harm you, never for you to disobey the Ten Commandments that He gave one day. And that is why, through This

Miracle Of The Beloved Saint Joseph, the child must stand with firm feet on firm ground; and that is why, when she says to you, 'I wonder, let us be sure,' it is for protection for all men around.

I bless you and I say, 'You are good children, and I love you in My Way,' and I bless you with a Heavenly Mother's Love and I say, 'Do not misinterpret anything, and do not depend upon man, for man could lead you astray; but lean on the Wisdom that is being taught, lean on the Truth that is being shown, lean on the Love of God, for one day, when you stand before Him, it will be His Love for you that will bring Justice to the Judgment of your way, and it will be Love that will show the Mercy that He will show to you in His Own Way.' So be it."

SAINT FELICITAS

“My beloved sons, My beloved daughters, I am a Saint not well known to you, but I stand Here in the Heavens doing God’s Will. I am Saint Felicitas. Some of you have heard My Name, and some of you have not, but I say to you on this night, ‘Tonight could be the beginning for you, too, to become a Saint.’ Perhaps you have not thought of this before. Many of Us Here did not walk the earth anticipating Sainthood, but Our love for God, Our service to Him made Sainthood Our Reward.

As I speak through *this child*, she is as you. She is *an instrument* for Here. The ‘Preparation’ was performed by The Holy Trinity, and Saint Michael was in charge; and now, as she sits with you, Many Lessons will be given to help you. Keep this in mind: From this night forward you must think of being a Saint, Here in Heaven Where I am. The physical path is not too difficult to walk if you hold God’s Hand.

I bless you now, for there are Other Saints Who will speak, and as

They do, They will teach you of God's Love, the Wisdom of Here and the Way to be a Saint. So be it."

APRIL 18, 1972 AT 7:33 P.M.

SAINT MARTIN DE PORRES

“My children, I am Saint Martin de Porres. I speak through *this child* with God’s Love and I say to children of all kinds, all colors, ‘Serve Him, love Him in all you do, so one day you will spend Eternity with Him.’ My manner of speaking is slow, so I ask each of you to follow Each Word as I give Them to you.

The time in the world is a sadness to God. The time must change, for the sin that man is accepting is no good, and man must change.

As I walked the earth, I walked not loved by everyone. I found weakness in man and I found little satisfaction in man’s love. As I would kneel and pray, I oftentimes would ask God to help me in little ways. I found He did. I found that my little acts were very important to Him. I found, also, that men made excuses for how they acted. This is weakness. Man must learn to think before he acts, so excuses will not be necessary for what he does.

Many men are just now learning My Name. Many men speak to Me in the human way. When I was man I turned to God for all things, and I say to you now, 'You do the same.' I do not say, 'Do not pray to Me,' but I do say, 'Place all your Faith in The Holy Trinity.'

My sons and My daughters, on this day there was much abuse given to The Holy Eucharist. In this abuse, man defied The Creator. It was not just one man but more than this; and in this abuse, in this desecration, man felt just. Man must stand before God for this terrible act. You must pray that those who act in this way will ask forgiveness before their last breath. There are many men daily making plans against The Father. He could strike them dead but He does not act in this manner.

Right now, you live in a time worse than Sodom and Gomorrah. At that time The Father had to make all things end. It is, My children, worse now; and The Heavenly Mother is the Instrument, the Love that is holding His Hand. Her Love for you, Her Desire for you to be a Saint is what She wants

for you, so She says to Him, 'Give them a chance through This Miracle.'

My children, reparation will be made for the desecration done each day. Ask The Father if you can perform sacrifice and penance, and partake in the reparation that must be. In this way you can become a Saint. I stand in the Heavens, and it is sadness to see children go their way, not caring what hurts The Beloved Father has each day.

Man is ignoring the Ten Commandments. One especially is sadness: *Thou Shalt Not Kill*. Only The Father has this right to take a life, and so many men are taking this Commandment into their own hands. All ages are the victims of this Commandment, the abuse to it, the way it is being handled. Right now, while you gather with *this child*, infants are being robbed of life. Men are making decisions, making rationalization to their own thinking. I ask you, from Heaven Where I am, to say to God on this night that you will participate in reparation for what is happening.

My children, you are loved, but the Love is Far Greater than you know;

It is The Father's Love for you. And I say to you, 'Help all things that are happening against Him to be righted.'

I bless you with God's Love and I bless you with The Heart of The Son; and I bless you with the desire to repair the damage being done. So be it."

APRIL 18, 1972 AT 7:47 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. I come through *this child* on this night to teach each one of you God’s Love, and I say, ‘As you gather in God’s Name, some of you did not want to come this way, but it was The Father’s Will you did on this night, for you see, tonight can be the beginning for each of you to be a Saint.’

I walked the earth, and when I did, not all men agreed with me and not all men cared about me, but I knew that there had to be a Higher One, and when I grew to love Him I knelt to pray to Him, and I said to Him, ‘*Please, God, help me in all things and help me on a road to You, for I know man cannot do this for me.*’

And one night, as I knelt beside a low bed, I said to Him, ‘I will sleep on the floor if You will but allow me to, my God.’ I did not hear Him then, but I knew that He would appreciate this act of love, for you see, I knew so many men around me were sinning,

and so many men did not care about The Creator Who I knew was there.

And as I grew more and more in love with Him and I learned to pray to Him, I learned to say, *'Thy Will, my God,'* each day, and you, too, My children, must learn to say this as you walk in the physical way. Say to Him as you awaken in the morning:

'Thy Will, my God, today, not mine. Teach me to do Your Will in all things.'

And as you grow in this way, you will grow in love God's Way, but you will grow in joy, peace, tranquillity, yes, and you will grow to be a Saint.

I bless you with God's Love and I bless you with Hope, I bless you with Truth, and I say, 'Oh, My children, thank The Heavenly Father for the Faith you have today, and do not take the Faith you have and keep it in a small amount, but help it grow by serving God and loving Him, and praying for more strength to serve Him.' So be it."

APRIL 18, 1972 AT 7:56 P.M.

SAINT JOSEPH

“My beloved sons, My beloved daughters, This Miracle of Mine is to give you firsthand God’s Love for you. My children, at no time in the world has there been so much Teaching, so much Truth given through *a child*, except, of course, The Divine Son.

The enemy of God has worked many angles to tear down man’s physical, emotional and Spiritual. There have been so few men in the world willing to stand up for the truth, willing to defend it, willing to accept it. So now, through This Miracle of Mine, The Heavenly Father comes to all mankind.

I come on this night to tell you of a Great Plan God has for man, that has been revealed through *this child*. Man is walking in an era of hopelessness. Man must have hope. There are many facets to hope: When a child has hope, there is strength; when a child has hope, there is courage; when a child has hope, the will seems to be able to stand more, to fight for more.

Now, in the world, God gives you hope. There is a place designed by God called 'the Hill of Hope'. Upon this Hill all mankind will learn God's Way, God's Will. In His Ultimate Love for man, He has thought of all things upon this Hill: the physical and the Spiritual.

There will be a place set aside for men to come to, away from the world, and yet be much a part of the world. It will teach man to not look at God in an ethereal way, but to see the beauty of the physical way. It will show man the practical side of being man. It will give man strength to perform the physical tasks so necessary in the way of man; and, on the other hand, it will give man God's Love, God's Wisdom, God's Teaching, and all things will be balanced out to show man the Beauty of God's Plan.

The Hill, My children, has been placed in an area close to you. It has been placed here for reasons of God's. Pilgrims will come from all over the world to participate in God's Love. Many men will fight this Hill and many of these men will be satan's pawns, for you see, this Hill is Hope and satan will rob all mankind of hope, for when

he does, when he can, he weakens man. God is ever ready to strengthen you. God is ever ready to give you His Love. Satan envies you and Satan will rob you whenever he can.

Men, dedicated to the physical way, will work on this Hill, but only those who love God can participate in this Hill. Children of all ages will grow in love, some for the first time, with The Heavenly Ones. The Heavenly Mother's Beads of Love will encircle this place, so that men who are traveling will be alerted to Her Way. So few children stop and pray the Beads She loves, the Beads that are oftentimes used to release the Souls from Purgatory.

Upon this Hill there will be many Chapels, many Tabernacles housing The Holy Trinity. One Chapel will be dedicated to Saint Michael. One Chapel will be dedicated to Saint Francis of Assisi. One Chapel will be dedicated to Saint Therese of Lisieux. One Chapel will be dedicated to Saint John Vianney. One Chapel will be dedicated to The Heavenly Heart, The Sacred One; that will be the physical part. One Chapel will be dedicated to All The Saints in Heaven, the Great

Ones, the Little Ones. One Chapel will be dedicated to The Queen of All, The Heavenly Mother; and one Chapel will house The Holy Trinity, with a Place of Honor for Me.

God has designed every spot on this Hill, for you see, it will be the Salvation for thousands who come to this Hill. And I ask you on this night, 'If The Father or The Son were to ask you direct, "Are you ready to come?" what would you say?' I say to you now, My little ones, 'If you had not grown in love with Them, you would make excuses, but if you had grown in love with Them to a degree higher than you have, you would say, "Oh yes, my God, please take my hand," and there would be a joy surrounding you, there would be a happiness, there would be a glow; but, you see, so few children grow in love with God; they grow in love with man.'

I bless you and I say, 'I will readily protect you with the Mantle I wore one day, the one I oftentimes placed around the Child, if you will but ask My Way.' As I speak through *this child*, I speak All Truth. This Miracle of Mine is on the Power of God's Winds and on the Winds of His Power, for

all mankind. My children, be alert to truth, be obedient to God's Way, and do not trust solely in man, for if you do, you will be lost along the way. Trust solely in God, for He gave you the physical and He gave you a Soul, and He wants both to come This Way. I bless you and I say, 'As The Father loves you, I love you, His Way.' So be it."

SAINT ATHANASIUS

“My beloved children, many places around the world are putting God in a dim light. They are saying that, ‘If He is truly around, let Him show Himself so I can see what He is all about.’ I say to each man here and to all others who think this way: ‘Look into a mirror of your way and ask yourself: Could you have created yourself out of nothing? Could you have made your hair? Could you have made your eyes? Could you keep your heart beating? If you say you could, you tell lies.’

Oh, My children, I am Saint Athanasius, and I come through *this child*, ready to teach you. If you cannot say that God made you, I want you to pray. If you can say God did make you, I want you to pray, for you see, there is much for you to do in your way.

Each of you in My Presence here wants man to love you, and you hold it dear, but if you are wise, My children, you will say, ‘*I want to grow in love with God more each day,*’ for when

you do this, you will be on the road to Sainthood in a special way.

There are many children present here who are ready to accept heresy, but you do not put it in that term. You put it in a natural way. You say, 'It is the time in which we live, the way man expects things to be.' Oh, My children, it is heresy.

When God grants a Gift to a child, He controls the Gift for quite awhile; in fact, the whole time the child is in the physical; for man, in his ego and his pride, in his eagerness and in his anxiety, would run away with the Gift, and man would feel a power in it, and man would try very hard to have other men see it; but, when It is truly from God, the child says, 'Only Your Will, my God, not mine.'

You are living in a time of great heresy. You are living in a time of great sin. You are living in a time where many men must stand up to what is happening and look for the truth, for you see, it will be truth that will save man.

I bless you and I say, 'You are privileged to come this way, for God sought you out, perhaps through man,

but nonetheless, your Soul is at stake. Your life is at stake. Pray, My children, and thank Him.' So be it."

SAINT BERNADETTE

“My children, I am a Saint Who lived a long time ago. I was small in stature and many times I was much alone. I knew the truth of my way, for you see, I had seen the Vision with the physical eyes, man’s way. And many men tried to deny my way, and many men tried to say I was false in my seeing, but I was not, for my eyes saw clear The Heavenly Mother. My ears heard Her Words that She did say. I passed the word on to others who stood by, and some did not understand or care to understand, and some said, ‘Let it be my way, not yours, Bernadette.’

So it is again in the day you live. Heaven speaks through *a child* and many say, ‘Why her, why not me?’ And I say to you: ‘Are you ready for the sorrow that comes with It? Are you ready for the abuse of It? Are you ready to be obedient to God’s Will, all His Way?’

I stand Here in the Heavens and many times I hear children say about the place I was, and they think it one of

Beauty, they think it one of Greatness, and I say now, 'It is, for Our Lady made it that way, and God allowed it to be.'

And as I stand Here in the Heavens, I see another Miracle of Hope, another Miracle of Love being given in your day, through a *child* such as you. This time it is to make known to the world the Power, the Beauty, the Greatness of The Beloved Saint Joseph. This Time was Decreed a long time ago. This Time was known by God to have to be.

As you partake in a Miracle of Love, of Hope, I say to each of thee: 'Do not feel so smug in your way that you reject the Beauty of the Teaching that you receive today. Do not cling to what you feel is your way, but look to God's, and you will feel peace, joy, tranquillity, hope and love. You will feel the beauty of the physical way and you will feel the Purpose of your life.'

It is so easy for some men to say, 'It would be easy to die.' Oh, My children, only is it easy to die when you know there is another day, and only is it easy to die when you fall in love with God so deeply that you want nothing else to take its place; and I

suggest to each child here to walk this way, to fall so deeply in love with God in a little way, in a special way, that when He does call you, no matter what your age, you will look forward to seeing His Beloved Face.

I say to you now: 'The Souls in Purgatory have one great thing; that is hope, and through the Holy Rosary, hope is what they live upon in the place, what they exist upon, because, you see, hope says to them that one day they will be with God in Eternity.'

You walk the physical way and sometimes you forget to pray, and sometimes you forget the necessity of others who do not walk your way, and so, My children, as you live each physical day, keep this in mind: The Holy Rosary is hope for those who once walked in the way of mankind. It is a weapon stronger than you know, and the prayers that are involved in it are more powerful than you know, for you see, when you say, '*I believe in God,*' you say much and He loves to hear it, for you see, it is a personal touch. And when you say, '*Our Father Who art in Heaven, hallowed be Thy Name,*' oh, My children, how He loves to hear His Name. And when you say, '*Hail Mary,*

full of Grace, the Lord is with Thee,' you recognize the place in which She stood upon the earth for you. You recognize that She is The Intercessor for Grace, and you recognize the Purity of Her Way. You recognize the Obedience, the Love, the Beauty that She stood in. Does this not say that the Holy Rosary has a beauty all its own? And when you say, '*Glory be to The Father and to The Son ...*,' you recognize The Holy Trinity.

Oh yes, other prayers have been given along the way for you to say. Some children reject these prayers and they say, 'I do not want to say those prayers.' Oh, My children, can the prayer hurt you? Will the prayer detain you along the way? And when you meditate on these Great Mysteries, they tell a story that no man can design. They tell a story of Divine Way, and all the way from the 'Annunciation' to the 'Crowning of the Glory' you have a perfect story.

I come to you on this day for there are many children in this room that love The Heavenly Queen. There are many children in this room who say the Holy Rosary. I bless you with God's Love and I bless you with Hope.

I bless you with Truth, and I say, ‘Do not be foolish children and run away.’ So be it.”

OUR HEAVENLY MOTHER

“In the Creation of man, God thought of all things. Each organ of the body has a special purpose, a special place. Would this, then, not show man the perfection of the design, the necessity that took place? God has designed all things, His Universe; but keep in mind, My children, that His last Creation was man, and this in itself should prove to man God was not dependent upon man to create anything. Keep this close to you, My children, so when you feel pride and ego inside, know that you are not the creator but the instrument.

I will now describe to you a Plan God has to save mankind, to help man be reminded of the Purpose of his life, the Beauty of the Soul. When God created the world, He created special places. You have heard of some, you are aware of others, but now I come from the Realm of Heaven to tell you of the latest one, and this one is to give man hope.

The Hill has been found that is to show mankind God's Generosity, God's Love. Upon this Hill All Heaven will be seen in the Glory that It is, in the Beauty that It is. This Hill will have a Place of Honor at the top of it for The Beloved Saint Joseph, Who was My Spouse upon the earth. The Place in His Honor will be in the form of a Cross, for all men to be reminded of the Part He took in fathering The Child Who was to bear the Cross to save the world. The Heavenly Father has designed this place. It is of all woods. It is magnificent.

There is a Place in My Honor. It is in the shape and the form of a crown, to show children all around, the Crowning that took place in Heaven.

There will be an edifice to house All The Saints. All will be seen, All will be shown in the way They walked. You will learn much in this edifice, My children, and much Love will be given to all men who enter here.

God did not just think of the Spiritual on this Hill, for upon this Hill will be another place, helping the physical, and in this way, man will see

the Generosity of God, the Beauty that He is.

A group of men will be in the Monastery here and they will be the core of this Hill. They will be the servants of God to do His Will, to help mankind, to help children, all ages, all colors, all creeds, to see the Beauty of God. And I will gather women to follow in modesty and purity, to follow in Grace, to follow in service, dedicated to The Holy Trinity.

There will be a house of retreat, an edifice where you can go to shed the world for awhile, and you can feel the Glow of God, the Beauty of Him.

There will be a place, My children, for children to come from all over the world to stay in, to feel the Magnificence of this Hill, and to learn while they are there, the History of God's Way, the Purpose of life.

I bless you and I say: 'God has not forgotten you. It is you that has forgotten God, and so He gives you this place to renew your love for Him, to grow in love with Him, and He also will show you the Beauty of Sainthood, for here He will pay Honor to a Son Who walked in obedience and trust,

for a Son Who trusted solely in God's Way.'

Keep in mind, My children, The Holy Eucharist, the Gift that It truly is, and do not let scruples keep you away from receiving It.

I bless you with the Rosary I hold dear, and I say: 'The Beads are the passage to Here. Walk them every day.'

I speak through *a child* such as you. I speak in a manner you understand, and I pass on to you God's Love and I say, 'Love Him so much that every moment of the day you will be ready to obey Who He Is, and His Command.'

I bless you and I say: 'I have come to you in a Love today you cannot know. Beware, My children, of those who walk the evil one's way.' So be it."

APRIL 19, 1972 AT 1:28 P.M.

GOD THE FATHER

“I have announced for some time, through *this child*, how I want man to look to The Commandments I once gave to the world. I have announced it again and again, and now I am prepared to teach man the meaning of My Commandments. At this moment, My children, I will give you just a few.

I said to man, ‘*Do Not Have strange gods Before Me.*’ Man is ignoring My Rule, man is ignoring this fact, man is ignoring My Command, man is using many things to honor instead of Me. Man is placing many things higher than I am. Man is using many things as a god instead of understanding that only I Am God, and other things will not last forever. Many men are adoring material things. Many men are using the physical flesh as a god, and many men are using other men to follow in all things. Oh, My children, I could go on and on with this.

One of My Commandments says, ‘*Do Not Kill.*’ Man says, ‘I am not killing other men.’ And I say to each man in

the world: 'You are misinterpreting My Commandment, for oftentimes you take part in killing the will of another man. You kill the Soul, you kill the mental, and you kill the physical when you can.'

And now I am coming to the world through *this child*, to alert man once again to the Ten Commandments that I gave, The Rules for man. Many men say, 'I do not sin against The Commandments in my day,' and I say to man, 'Look to These Rules and see how many you disobey.'

One of My Commandments said, '*Do Not Covet Thy Neighbor's Wife.*' Oh my, satan is using this one against Me, for he is using man's weakness in every way he can. Promiscuity is all around, My children, and in many ways, it is being dressed up to look like the natural thing for man to do. Oh, you must see the horror of your day, and you must recognize that I am in anger for the way man is treating The Commandments I gave.

As I come through *this child*, I come through a Miracle of Hope, for This is What I am giving to mankind to straighten man's thinking out and to

curb man's way of living; also, to give man the wisdom to go on, the wisdom to seek the truth, the wisdom to follow Who I Am. I Am your God.

My children, many men now are discussing the validity of This Miracle. Many men now are discussing, 'Who is she to walk God's Way so intimately?' And I say to them: 'I have made the choice and it is for your good. This is what I want you to follow, not to discern what you feel I should do, how I should act, but to follow the truth I place before you.'

My children, I gave man The Holy Eucharist, I gave man The Bread of Life. I gave man, through My Son, Things of Great Importance, and so many men now are desecrating These Gifts I gave. At the Last Supper, The Bread was handed to the first followers of My Son. The Wine was handed to them in a manner they could accept. They were the first priests; and, now, man is saying that The Son handed This to anyone. That is not so, and I am disturbed at man's promiscuity, man's deliberate attempt to defy Me. And I want certain men to see These Words I give to you now.

I bless you with My Love and I say, ‘As you work in the shop similar to the one of Saint Joseph’s day, I smile upon you, and I bless you with the Wisdom that I taught through The Son Who loved enough to give you Life Ever After.’”

APRIL 19, 1972 AT 2:20 P.M.

SAINT JOSEPH

“My beloved children, I, Saint Joseph, speak through *this child* to teach you certain things God wants you to know, to better help you work in This Miracle of Love, of Hope, This Miracle that bears My Name, for the whole world.

First of all, My children, each task you perform is Blessed by Us; each desire you have to do God’s Will, Blessed by Him. Second, as you grow more deeply in love with The Holy Trinity through your work here, you will gain Grace untold. Third, as you work here and you are example of joy, peace, contentment, tranquillity, you will extend to others Our Love and Hope. There are so many facets to the tasks you perform through the way you walk, when you walk in the core of This Miracle, when you walk closely attached to the Words.

Oh, My children, The Miracle is here to last. Man must seek It out, man must find It, for through This Miracle, man will have hope.

This Hill that is to be placed in My Honor in a special way, is for all men to come and see, and We are aware of the caravans that are about to begin, and these caravans will be made up of men of all kinds, all colors, all means. They are all to be treated in a special way, Our Way: with love, with understanding, in truth, and in a hospitable way. Each child who comes to this Hill is special to Us. Know this as you speak to each one. Know that they have a Soul to save and that is what We are anxious about. We are concerned with the Soul of each child. We are concerned with where the Soul will be one day, and that is why the Hill must be done.

There will be many men place obstacles in *this child's* way. Many obstacles will be man's pride, many obstacles will be man's weakness, and many obstacles will be man's dislike, man's fear of whole truth.

Man has accustomed himself to camouflaging all things so only what appeals to him shows, but this Hill is to have none of this. This Hill is to stand out in All Light, All Truth, All Love, All Hope.

I bless you and I say, ‘The men must begin to walk on this Hill so it will come about Our Way.’ I bless you with The Heart of The Son, for through This Heart life was truly begun.”

VISION OF THE HEART OF OUR LORD

The Hill is solid green, and I would say, hovering about two hundred feet over it, is a bleeding Heart. It appears as if the Drops of Blood are falling to the ground, penetrating into the soil. I can see some of Them underneath the ground and They are going deeper and deeper.

The Heart is moving in a circle around the Hill. I cannot fear The Heart, I can only feel Its Love. It’s drawing a picture with the Blood: first, the Rosary, now the Crown, now the Room of Saints.

The Heart has stopped bleeding and It’s standing over the main Basilica and It’s glowing. It is no longer red, but like white fire. It hasn’t lost Its shape.

And now It’s dimming, and It’s coming down through the ceiling of the hospital and It’s in the Chapel

underneath the surgical room. It will remain there to help the physical, so when the building is built, The Heart will already have been placed there by God, on this special Hill. The rest of the Hill will be man's preparation to one day partake in The Heavenly Way.

The Hill is aglow with candles. People are praying. People are rejoicing in the hope that the Hill is giving.

SAINT JOSEPH(CONTINUED)

“No dream of man's could give this much Light to the world. No hope of an individual being could express such Love for the world. No hill could be so Blessed, for in this Hill is Part of The Son's Chest, the Life of the Hill for Me, Who was His earthly Father and Who now stands close to The Holy Trinity, because of God's Generosity. You have each been Blessed by The Father today. You have each been shown the beautiful way. You have each been spoken to, a special way. I leave you with hope now for the Eternal Way. So be it.”

APRIL 20, 1972 AT 7:48 P.M.

SAINT PETER

“My beloved sons, My beloved daughters, I speak through *this child* with a loud voice and a firm way. Holy Church that God loves so much is being desecrated in many ways.

I come through This Miracle to tell all children to beware of satan and how he plays, and I say to you on this night: ‘Stand in the army of truth. Stand in love with God’s Way and be sure that you follow the Ten Commandments He gave one day.’ So many children are ignoring These Commandments. They are saying They are not for your day. I say on this night: ‘The Commandments are being taught through This Miracle of Hope. They are being given to you to remind you that through These you can become a Saint.’

One Commandment that is being abused to a great degree, and that is: *Do Not Have false gods Before Me*. My children, beware and look out, for many men are using strange gods, false gods, before The Father. Oh,

I bless you and I say, ‘Look into this Commandment in your day and see what it means, and see the value it is to you, for you see, One God is all man has.’ So be it.”

APRIL 20, 1972 AT 7:51 P.M.

SAINT BERNARD

“My children, I am Saint Bernard. I come on this night to talk to those who are learning out of books. I come on this night to tell others, who are in charge of these children, to beware of what they are reading, for there is so much teaching being done in the world that is not truth. It is not of value, it is not good. And I, Saint Bernard, want you to read over, to check into, and to watch for the evil that is in many books.

Man is saying: ‘What difference does it make? I can handle the situation.’ I stand Here in the Heavens and I see all that occurs, and I say: ‘You cannot handle the situation. You are weak, you are vulnerable, and, oh yes, you find many things exciting, when all they will do is rob you of your Soul, rob you of Sainthood, and draw you from God.’

Oh, My children, you are not capable of facing every test. Be sure that when you look into things you are able to sift truth from untruth,

untruth from truth, for you see, there is a mixture here, and satan is very good at mixing things so you will not see the deceit within the book.

I bless you from the Heavens and I say: 'A Great Lesson has been taught to you today. Beware, watch out, be cautious, and follow this word.' So be it."

APRIL 20, 1972 AT 7:53 P.M.

SAINT JOHN, THE APOSTLE

“My sons and My daughters, I am Saint John. In the time I lived, I was given a great responsibility. I cherished it. It was a privilege to watch over The Mother of The Son Who was crucified for everyone.

As I stood at the foot of the Cross with Her, I stood watching the agony in His Eyes, but feeling the beat of Her Heart, the tears that She held inside. Her body, wracked with sorrow, could hardly stand under the strain, but She stood there, for She did not want to leave Him alone while He was in pain, and She kept pleading with The Father to help This Son, and yet She knew that God’s Will was being done. It was a Mother’s Love for The Son on Calvary.

And now, again She is pleading with The Father, for you see, all children in the world are Her children, and She says: ‘Please, God, do not use Your Fist. Do not be so angered that You will destroy them.’ She is The One, My children, holding back

His Fist. You must be in knowledge of this, for there must be much prayer go forward from you, and you must stand, knowing that your Beloved Heavenly Mother is shielding you.

Please, as you go through each day, think of the sorrow you are causing when you do not pray, when you do not accept God's Will, when you do not follow the Ten Commandments, and when you do not receive the Ultimate Gift.

I bless you with God's Love and I say, 'At the foot of the Cross I learned the beautiful way.' And as I stand Here in the Heavens I say: 'Obey The Mother. Obey The Father. Think of purity in Their Way. Work on being humble, for when you do, you will feel the strength of it, you will feel the power that it is, and you will feel God's Love for you.' So be it."

APRIL 20, 1972 AT 8:02 P.M.

SAINT JOAN OF ARC

“I would like much to talk to My sons first. There is a great army needed to serve God. There is great strength needed to serve the Truth. I say to you on this night, ‘No matter what vocation you have chosen to live in, to live for, to live with, please use it to do God’s Will and all that is right.’

If you could see the treachery all around, you would be frightened beyond words. God’s Love for you protects you, and in this protection you do not see the hazards surrounding you.

An army must be formed to be example and to lead other men for all things that are right. Do not be ashamed to stand up for the Ten Commandments, for each of you, in your vocation of life, has the opportunity to show other men how you feel about These, and the Beauty They are and the Light They are for each man to be a Saint.

There is so much talk in the world about success. Man will not

know success until the enemy has dwindled to nothingness. Man is so conscious of being liked by other men. Man is so conscious of progress. Man is so conscious of being in a position of acclaim, so other men will look upon him and will say he is a success in the way of man.

Please, My sons, join the army of love for God. Stand up to what you know is truth, and do not be blinded by the weakness of others, and do not let them shatter your love. I am well aware of what it takes to fight a great fight. I am well aware of what it takes to be a Saint, and I am well aware of how easy it is to weaken when all things are against you, but believe Me, there is great worth in standing up for truth. There is great success in standing up for God in all things.

Do not measure your life by what you look like in front of other men. Do not measure your progress by what you have in material gain, but measure all things by the love you have for God, the truth that you feel, and the hope that you know you have to be a Saint.

Oh, My sons, I speak with Much Love to you on this night, for each of

you has the power within you to be a Saint. Do not deny yourselves this Great Goal.

Before I leave, I will say to the daughters in the room, ‘Hold high the beauty of modesty, cling to the virtue of purity, and when you do, imitate The One We All love, The Heavenly Mother, for She does love you.’ So be it.”

APRIL 20, 1972 AT 8:08 P.M.

SAINT CATHERINE OF SIENA

“My children, I am Saint Catherine, and I come on this night to give each child here Direction.

You truly live in a time of much sin, much heresy. Men are using fancy words to dress up what they feel is living in the physical. God has reached a point where He says: ‘The children must be stopped. If I stop them now, too many will not be lost.’ The Heavenly Mother says, ‘Give them a chance, My God.’

As I speak to you through This *Miracle Of Saint Joseph*, It is a Miracle of Hope, a Miracle of Love, a Miracle of Direction, a Miracle of Wisdom, a Miracle of All Truth. It is a Miracle to guide you. As it was said through *the child* by The Beloved Saint Joseph, ‘You must see the Beauty that is Here. No man could love you this much, no man who ever lived.’ It is difficult to love weakness in another man. It is difficult to accept weakness in another man when it hurts you. God’s Love is so Great, so Merciful, so Just, that He

is Tolerant to a point beyond man's knowledge.

I say to you on this night, 'It is time that each child stop, think.' What are you doing? Where are you going? What excuse are you making for yourself? What do you do with your time? Do you pray, or do you spend all of your life looking for success in man's way? Do you care so much what others think of you that you do not feel the necessity to wonder what God thinks of you?

Have you forgotten that you have a Soul? Do you think about your Soul? Do you think about the degree It glows, or do you stand back, so conscious of the physical that you do not know about this Greater Part of you?

Do you accept the heresy all around? Do you accept the desecration being done? Do you accept what other men say and do, without looking for the truth, and the results of what they do?

Do you obey The Commandments? Do you call God's Name in vain? This, My children, is one of His Rules; keep that in mind. And do you make excuses

for the time to be spent in prayer? Remember, keep one day open for Him Here. And how many children go by the wayside on the one Commandment so dear to God: *Honor Thy Father And Thy Mother?*

Children are not being taught the beauty of obedience. Children are being allowed to do what they may. Is this not so in your day? Man is saying: 'It takes too much patience, it takes too much time. I do not have the tolerance.' This is sadness to The Divine, for when obedience is taught, it is not just for the human way; obedience is for the Spiritual growth of a child in every day. Keep this in mind.

I bless you with God's Love and I bless you with the Truth, and I say, 'The Lessons that have been taught are the Key to Heaven for you one day.' So be it."

APRIL 20, 1972 AT 8:15 P.M.

SAINT TERESA OF AVILA

“My beloved children, I am Teresa of Avila, and I announce Myself this way to you so you will know Who is speaking through *this child* to you.

As I dearly loved The Beloved Saint Joseph when I walked the earth, I love Him in a greater way now than I knew I could. As He stands Here, so High in the Heavens, so dearly beloved by God, He stands in Humility, but in a Power beyond Any of Us.

This Miracle has been sent to the world to give man hope. This Miracle has been sent to the world to show man the Beauty of This Beloved Saint. As He was obedient as man, He is obedient Here now, for God Willed This Time to be and He said, ‘You must be seen, You must be heard and You must be known by all mankind.’ And This Beloved Saint stood and He said, ‘Thy Will, My God, at all times.’ And so, My children, as you gather in the core of This Miracle, keep this in mind, that God has Decreed This Time,

not The Beloved Saint Who stands in The Divine.

I speak through *this child* much, and I speak through her with a Love you cannot know, and I say, 'Place all things in His Way and ask Him to help you, for He will.'

Many, many children came to me and they would say: 'Please, Mother, help me. I cannot stand to live in this day,' and as I would look into their face, I would know the terror in their heart and the sacrifice that had to be. And some would say, 'Should I leave the convent, Mother?' And I would say, 'Let us pray.' And as we prayed they would feel the beat of my heart and they would wonder why, and I would know that if I did not care for the Soul of this child, It could become lost in the world. And, My children, that is what is happening now. Too few people care about the Souls Who should be dedicated to God Who is King.

There are many, many, many who started out to follow Divine Way, who started out to be the Brides of Christ and now are dwindling away. You must pray; pray with them, pray

for them, for you see, as you do, some of them will return to the Grace and the Love of God. Oh, My children, do not criticize but pray. As I stand Here in the Heavens Where I am, you have been taught much in your day through This Miracle of Hope, and I am now showing you the beauty of prayer for those who walk in God's Way.

I bless you as I once blessed them as they knelt by My feet, and I say, 'When you feel a lack of hope and when you feel that all in the earth is falling away, depend upon The Father and He will help you in His Way.' So be it."

APRIL 20, 1972 AT 8:36 P.M.

OUR LORD

“My beloved sons, My beloved daughters, I hold *this child* in a manner you do not know. It is unfamiliar to your way, to your human realm, but as I hold her I speak to you, My Way, giving you a Lesson that I want you to learn, for you see, I want you to come My Way.

You call Me The Son of The Father. That is Who I Am. I am The Heart of The Holy Trinity and I speak to you through This Heart you must hold dear. I use *this child* to reach you. I use her in many ways. I use her love for Us, as The Father used Mine one day.

I come on this night to beseech you to pray, not in long meditative ways, but in a simple manner, in a simple way. I also want to draw your attention to the Beauty of The Holy Eucharist, of Which I am a Part, and do not allow other men to tell you that This is not the Ultimate Gift with My Heart.

You stand in a physical way. You stand observing each other. I say to you now, 'Do not spend so much time concerned over men, but be conscious of the Souls of men, be conscious of the Soul you have, be conscious of the Goal of the Soul, for This was God's Ultimate Gift to man.' Right now, men are leading their Souls to Hell. Men are causing other Souls to be drawn into the pits of Hell. Men are disguising wickedness, falsehood, and are saying it is the only way for man to be, to walk, to see.

I come to you on this night and I ask each child here to guard your senses well. There are men making great plans against your senses. Some men are dwelling on the sense of touch. Man has a name for this evil way, and I say to man, 'Do not partake in this ugliness.' There are many men profiting on the sin with the eyes. They do not care about Souls. They are so quick to compromise. There is more of this than you know. There are many men concentrating on the verbal way. They are expressing all sin through the ears. These men do not care about your Soul. I could go on and on, but I have given you something that I want

you to dwell upon and I want you to think of the dangers surrounding these things.

I speak through *this child*. This is new to man. It is a Personal Miracle, a Personal Way, and It is coming your way because of Our Love. It's a chance for man to learn Truth.

Men are abusing The Holy Eucharist. When I handed other men The Bread, I handed This to My first priests. When I handed men The Wine, I handed This to the first priests of My time. Men are twisting the story, men are making this story fit their needs. I am angered at this. I am disturbed by it, for men are misinterpreting many truthful things. I speak through *this child* with Wisdom, not just learning. She is a *Victim Soul* for all mankind.

As you gather on this night, you gather in hope; you gather, desiring to know the Truth of The Divine. You have learned it much tonight. You have learned it directed to your time. You have learned it in a personal way. You have been given a pattern to follow and it has been done in a special way.

I hold *this child* with My Power Which is Divine. This Miracle is to

allow the world to know the Beauty of The Beloved Saint Joseph, Who, as I walked the earth, was a Father of Mine. The strength He gave Me was in His Humility. The love He showed to Me was His Love for God. The truth He extended to Me was the Wisdom He knew to be.

Many learned men are struggling to decide how We would come to the earth and help mankind. It is sadness when they cannot see Our Choice of Way, for as it was said to you, man complicates things, trying hard to make all things the way that man would offer them, perform them, deal with them, but this is not Our Way.

I bless you much on this night, and I bless you with My Heart, for it is through My Heart that My Love was given at the start. All men must honor My Heart. All men must see It for what It is; and I truly placed It in this spot, for the Rays of It are to help in many ways.”

SAINT JOSEPH

“My beloved children, I am Saint Joseph, and I speak through *this child* to other children who were created by The Father, as once one day I also was. In this place where I speak to you, I present to you a jewel. I say to you now, ‘Do you accept this jewel or do you reject it?’ The jewel is the beauty of true life. The jewel is the Church which is right. The jewel is knowledge about the Ultimate Gift from God. The jewel is knowledge of the Sacraments. The jewel is insight into the Ten Commandments. The jewel is the power of prayer. The jewel is knowledge of your Soul. And now I ask each one individually, ‘Do you accept this jewel on this night, or do you reject in foolish flight?’

This particular jewel that I offer you on this night has many facets to it. I have pointed out the facets of this jewel, each one important to you. Oh, My children, do not let others cause you to reject this jewel, for if you do, you will be lost from God’s Sight. If, at this moment, along with this jewel,

I were to allow you a Vision of Heaven Where I am, you would be blinded by the Beauty, and yes, blinded by the Light.

You were born of God's Love. You were born of His Design. You were born in a manner that He decided upon. And when, at the moment of conception, a child, a life begins, God Himself puts in a Soul, a Guardian Angel and a will. He said, 'I will make man to My Image and Likeness,' and this He did. The Soul is to you as The Father is to The Trinity — the Ultimate. The body is to you as The Son is to The Trinity — the physical form. The Guardian Angel is to you as The Holy Ghost is to The Trinity — the Light, the Guardian. Keep this in mind.

Many men now are walking around trying to draw you from God's Divine Plan. Do not allow this to occur, for if you do, you will find only sadness there. Oh, My children, also keep in mind that happiness has many facets to it. First of all, pride can rob you of happiness, ego can make you weak. Trade these things with humility, and yes, love for The Divine, and then you will find true happiness in every way, on every place you climb.

I bless you for there are Others to speak to you on this night, and I say to each child here, ‘Do not close your ears to God’s Light.’ So be it.”

VISION OF OUR BLESSED MOTHER

It's Our Beloved Mother and She is standing on water. The water is very calm and it's very blue. And She's all in white. There are children on either side of Her, holding Her Hand; and the children seem to be standing, also, on this water, and they are children of all lands. No one is frightened and they are all sizes, all ages, and you can tell from what country they come by the garments they wear. There is one little boy having a very difficult time between two girls. Our Lady looked over and now he has fallen into line. Our Lady is about to speak. And the children now are disappearing, and a group of Angels is coming behind Her. There must be fifty of Them and They are adding much color to the scene.

OUR HEAVENLY MOTHER

“My beloved children, I have presented this Vision this way to show you My Love that I have for children all over the world. This Vision is taking place in a different way, but

I present it to you in a manner you will understand and in a way you can comprehend. Through This *Miracle Of The Beloved Saint Joseph*, I often speak to children of all ages and I teach. And I come on this night in your time, in your place, to teach you the Beauty of God's Way.

At the time I walked the earth, I walked with a Spouse and a Son in the human way. I knew that He was destined to do many things and I knew that His Work was for God in a Special Way. Through Him I learned the beauty of many things. I learned the beauty of the world through His Eyes. I learned the beauty of virtues through His Words, and I come to teach Them to you in your way.

Be conscious, My children, of virtues, for you see, virtues, in many ways, touch your senses that God gave thee. Obedience to truth, to right, is a virtue. Humility, which is strength, is a virtue. Modesty is a virtue, purity is a virtue. Tolerance of others is a virtue, but be sure that you do not mistake tolerance for accepting weakness. Kindness is a virtue. I could go on and on in many ways but there is more to teach you in Our Way.

So many children are not understanding the Beauty of the Sacraments God gave. First of all, My children, it was made obvious to man, the importance of Baptism, the water, the cleansing, the love, the truth. You must be aware of them.

So many children are ignoring the importance of Penance and what it does for man. Oh, My children, look into this and see the Beauty of this in God's Plan.

The Ultimate Gift from God was given, and This, My children, is The Holy Eucharist. When you receive The Holy Trinity in this way, be sure you fold your hands, for to do it this way is an act of humility and this is what God wants of every man. Do not walk in pride and ego and fear what other men say, for you are receiving your Creator. Be aware of this and know the privilege It is in every day.

So many children do not know the Beauty of being Confirmed. God gave this Sacrament to the world. Know Its importance and accept It for the Greatness of Its worth.

And at no time in the world has there been so much desecration to

another one: the marriage state. Oh, My children, be aware that satan is using this state of life to rob God of Souls. Please, know that I partook in this state of life, and it carries with it a dignity untold.

The way of the Priesthood is special to God, for My Son was the First One, and He taught God's Love through this way of life, to help mankind save his Soul.

And because God created man, there was a Sacrament made for the end of the physical time. Keep this in mind, and be sure that you seek It when time comes to leave the world, for much Blessing comes in this Sacrament that is dear to God's Heart. Oh, My children, It is the last one.

And now I say to each child here: 'God gave you The Rules to live by. Do you remember Them? Do you understand Them?' And I say with a Mother's Love, 'Be sure you follow Them, for Those will bring you to His Kingdom Where I am.' So many children learn just the words and do not know the meaning. I will go through a few with you now, for you see, I care.

First of all: *Do Not Have strange gods Before Me.* This is important, My children, for you see, so many men in the world are placing wrong things before God and they are using these things as a god. There is but One God and He created thee.

Another one that He wants you to be aware of is: *Honor Thy Father And Mother.* First of all, this means The Heavenly Father, then the earthly father. Keep this in mind. And so it is with Me and your earthly mother. Now, this Commandment does not end here; it means obedience to authority. There are many facets to this Great Commandment that man ignores. You must look into it and it must be explained to each of thee.

Another one says: *Do Not Steal.* And man says, 'I do not steal.' Sometimes you steal things you are unaware of. You steal the dignity of others. Oh yes, My children, this is stealing in a very special way. I could go on and on with this.

Another one says: *Do Not Kill.* Oh yes, you say, 'I do not kill anyone.' Sometimes you kill the will of another one. Sometimes you kill in a way that

is such sadness to God. Do not take the word so literally.

Oh, My children, I have spoken much to you on this night and now I will leave, but before I do, I say to each child here: ‘Keep in mind My Holy Rosary. It is a prayer to Me of great learning, it is a prayer to Me of great love. Meditate on the Mysteries, for then you will learn History.’

I bless you with a Mother’s Love, and I touch your heart and I say, ‘Obey What I have said, respect all things you know are truth, and do not let any man cause you to stray from God’s Will.’ So be it.”

APRIL 25, 1972 AT 11:15 A.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. As I speak through *this child* I speak direct, I speak with Love, and I say to each one here, ‘Pay attention to What you learn today; and whatever you do, absorb It, accept It, and follow It all the way.’

As I stood upon the earth, I gathered men around me, and these men sometimes denied my way. And I said to them: ‘Do you pray? Do you ask God to love you in a special way?’

Of course, you should. What child does not want to be loved in a special way by The Father? He will love you for it because He knows that you want to grow closer to Him in this way. Do not say, ‘Who am I to ask God to love Him in a special way, or to have Him love me in a special way?’

So on this day, seek out your God through prayer and say: ‘*God, love me so much. I want You to care,*’ and you will be surprised how you will feel after this first word this way.

You know, My children, I speak from a Realm of Heaven, a Realm Where one day you must come, and through the purification of your way, you will arrive Here in happiness, joy, tranquillity, and with a Love and in a Love that you cannot know in the human way.

I bless you with My hand, for through this hand it is God's Love for you. I bless you in the Name of The Father, and as I say this, I bless you with His Heart, and as I say this, the Light that will surround you is Part of Heaven Where I am. So be it."

APRIL 25, 1972 AT 11:30 A.M.

**VISION OF OUR HEAVENLY MOTHER,
SAINT JOSEPH AND OUR LORD**

I will tell you what I am seeing. And for those of you who are here for the first time, I see with the Eyes of my Soul, not my physical eyes. This is pure vision.

It's Our Heavenly Mother and again She is appearing all in green. This is the second time She has appeared to me this way. The Crown on Her Head has hundreds of emeralds, faceted in such a way that they are shining, throwing a glow all around Her. The trim on Her dress is gold, about this wide. Her little Feet have gold sandals, like two straps. She is standing on the world.

To Her right, my left, is Saint Joseph. He's in white and He's appeared to me like this before. And the trim on His garment is gold, green, purple and lavender, and the Crown on His Head is all rubies; and here again, there are so many facets that it's just glowing all around Him. And the light that is around Him is a reddish purple

because of these, and it is accentuating His white. And the green around Our Lady is accentuating Her dress.

Our Lord is centered. He's all in white and there are all diamonds in back of Him. The diamonds are not diamonds as you and I know diamonds to be; they are the Souls that are to be saved through This Miracle of Hope. The diamonds are increasing and He's holding the light back from me, and the diamonds are going deeper in back of Him, and suddenly, they are increasing in light; they are blinding me, almost.

Our Lady is smiling. Saint Joseph is smiling. Our Lord is dimming the lights, for it is so beautiful my physical couldn't take it, if it became more. Our Lord is going to speak.

OUR LORD

“The world must know of this Great Vision. It has much meaning. As We once appeared in a physical way as a Family, We are again appearing to the world in unity, in union with Each Other. I have come to announce: ‘Through *this child*, We are prepared to teach the Wisdom of the Heavens,

the Beauty of God's Love, and the Purpose of the physical.'

Man has lost sight of the dignity for which the physical was created. Through This Miracle of The Beloved Son Who was once My earthly Father, I intend to give mankind the strength that will be needed to spend Eternity Here in The Divine. This Miracle has been designed by Us to give man Truth, to sustain man at such a horrible time in man's life.

Many men who will deny Our Way will become lost, for they will allow pride, ego and the weakness of others to draw them away from the Truth that is here. As it was one day, when I walked the earth in a physical way, men did not accept Truth. I am warning you now: a wise man prays.

All Heaven is prepared to participate in This Miracle that is for the whole world to learn from. I have spoken, and I say, 'You have learned.' I will release *this child* slowly from the Vision for I have taken her to a degree, in My Power, and I cannot release her too quickly."

APRIL 26, 1972 AT 1:29 P.M.

GOD THE FATHER

“My beloved children, when a child is born to the world, man says, ‘What a Beautiful Blessing.’ When someone leaves the world in the physical way, children shed tears and they say, ‘Oh, I will miss this child in many ways.’ And now I say to you on this day from a Heaven Where I am, ‘The birth of a child is a Great Blessing, and all men should understand that to leave the world should be another Blessing, for you see, you should be prepared to come This Way to Me.’

I am your Heavenly Father. As I speak through *this child*, I speak with a Love you cannot know, and I speak with Direction and I say, ‘Many Lessons are being taught through *this child* in your day so you will understand My Way.’ Many children are rejecting This Great Miracle, for they say, ‘If I follow What It says, I will have to change my way.’ Perhaps this is true, if the child is walking the opposite direction of Me. And I say now, ‘If you find a child walking this way, grab on to the hand, pull them back and say: “Listen well

to the Truth that is being told. Listen well to the Direction that is being given, and do not expect to change in a moment's time, but give yourself space, time, and let yourself grow in God's Way.”

You know, My children, man does not expect Me to come to the earth and speak in such a simple way. How else could I reach you? If I were to stand in the sky, you would not learn anything, and some of you would not be more assured of My Existence, but I have designed This Miracle to come direct to you, and I say: ‘As the birth is a Blessing, leaving the world should be felt as a Blessing, for you see, I give you the physical way to grow deeply in love with Me. You must use every moment of this time, you must use every word you say, and you must use every step you take to bring you My Way.’

I speak quickly through *the child* for there are many things to be done through This Miracle of Hope, This Miracle of Love.

I bless you and I say: ‘I am The First Part, The First One of The Holy Trinity, and I created you My Way. I

bless you with The Heart of My Son, and as I bless you with This Heart, it is to show you love in the form, in the way you understand; and I bless you with the Light of The Holy Ghost, so you will see, so you will feel, so you will know the Wisdom of What I have said.' So be it."

APRIL 27, 1972 AT 4:35 P.M.

OUR LORD

“When man looks at This Miracle, he does not see It for what It truly is. He sees *a child* walking in direct Command of God’s. He sees *a child* in flesh and blood. He sees *a child* obedient to a Will beyond hers. He sees *a child* ready to please only Divine Way.

And now I say to you: ‘What man does not see is the crucifixion way. What man does not see is the tolerance of man. What man does not see is the blood that is shed through walking Divine Way. What man does not see is submission totally of a human will to Divine Will. What man does not see is a complete love, a desiring to perfect this love only God’s Way. What man does not see is a desire for purity that must be. What man does not see is the Goal of Sainthood. What man does not see is that My Crucifixion is being redone in a different way; but this time, not by a Son, but by *a daughter* who walks totally for The Holy Trinity.’

I am The Son of The Father. Children are calling My Name. Not all children are meaning what they say. Not all children are seeing the Beauty of My Way. Not all children are seeing Where I truly stand in Heaven, for they are humanizing Me. Not all children accept how I walked: in dignity and in purity. Not all children realized that the Wisdom that was sent through Me was The Father's Wisdom.

And again it is happening in your time through *a child* such as thee. The Wisdom that is being transmitted through her is Divine Wisdom, The Father's Way, The Father's Will, The Father's Plan, to teach all men the Beauty of The Holy Trinity.

Men, at this moment, are fighting the way of *this child*. Men, at this moment, are saying, 'It could be true,' and men, at this moment, are saying: 'I don't want It to be; I will have to change, and I will have to look to The Holy Trinity, whereas I am just used to looking at what I see, at what I know.' And they call out My Name and they say, 'Jesus', but they do not know the Beauty of this Name, the Reality of this Name nor the Purpose of this

Name. All they know is that they are communicating with the human Me.

I am sorry, My children, I am no longer human. I do not want children just to see Me in a human way. I am The Son of The Divine. I am The Sacred Heart. I am The One Who is the Connection between you and God. Can you not see this? Many theologians are standing back, devising many ideas to bring Me to mankind, and I say to them on this day, through *this child*, ‘Be sure that you include The Whole Trinity.’

I bless you, My children, with God’s Love and I bless you with My Heart, and I say: ‘The Light you receive is the Wisdom from God. The Light you receive is Heaven’s Will through *a child* such as thee.’ So be it.”

APRIL 27, 1972 AT 7:53 P.M.

SAINT ALPHONSUS LIGUORI

“My children, nowhere in the world is This taking place. Nowhere in the world are children being given the opportunity to hear firsthand, Divine Words, Divine Love, Divine Truth. Nowhere in the world are These Words being given to so many, and nowhere in the world is God’s Love showing so deeply, strongly.

I say to you on this night, ‘Be wise, My children, do not follow others, because if you do, you will fall into a weakness; but follow God’s Way, follow God’s Truth, follow God’s Ten Commandments that He gave for each of you.’

He said to man a long time ago: *‘I Am Your God. Do not hold other gods up before Me.’* Satan was determined to use man’s weakness against this Commandment. And satan has encouraged men of all kinds to use things against God. Now you live in a time where many men hold materialism up as their god. Some men hold up the flesh in a godlike way. Some men hold

up success and say, 'This is my god, in my day, in my way.' I could go on and on.

Man does not understand the fullness of These Great Commandments given by God. God said, '*Do not take My Name in vain.*' Man ignores this Commandment, and man is profane. When man angers, he shouts God's Name; when man fears, he shouts God's Name, but never in dignity, always in a manner pleasing to the evil one, to God's enemy. Children are not being taught how to treat God's Name. Children are not being taught The Commandments God gave.

God says, '*Keep Holy The Sabbath Day.*' And man says, 'That is a thing of the past, it is not for me in my day.' God did not give The Commandment for those who just lived at that time. God gave The Commandment for all times, until He decides the world will no longer be. Keep this in mind, My children. He laid this Commandment down for many reasons. Man must give God time. Man must give God more time than he does.

The Commandments are not just words. And please believe Me,

My children, as I stand Here in the Heavens Where I am, I see children misusing words. Children accept a meaning that is pleasing to them and what they do not feel fits in with their daily lives, they toss aside. Keep this in mind.

God says, ‘*Do not kill.*’ Man says, ‘I do not go around killing.’ This is not so. Some men are eagerly killing Souls each day. Some men kill the spirit of another man when they see the other one trying to do God’s Will. There are many meanings to this word ‘kill’. I could go on and on.

God says, ‘*Do not steal.*’ Man says, ‘I do not steal.’ And God says, ‘Many times you rob other men of dignity. You rob other men of the beauty of their will.’ I could go on and on.

There are Others Here to speak so I will not teach further in this way, but I say to each child here in My Presence on this night, ‘Take The Commandments, look into Them, and then obey Them.’

I bless you with God’s Love and I bless you with Hope; I bless you with Light. So be it.”

MAY 2, 1972 AT 7:40 P.M.

SAINT MARGARET MARY

“My beloved sons, My beloved daughters, as each of you sit, as each of you stand in this Presence now, I, Saint Margaret Mary, speak to you and say, ‘You could not sit, you could not stand, you could not think, you could not speak, you could not love, if your heart did not act as it does.’

You connect many things with your heart. You connect love with your heart, you connect fear, and you say, ‘I do not want to become frightened for it will affect my heart.’ Oh, My children, let Me say this to you now, ‘Use your heart to serve God, use your heart to show Him love, use your heart to do all the things He Wills for you to do.’

As *this child* spoke to you, she spoke Our Words, for We injected Our Thoughts through her to you.

This Great Hill of Hope must come about, for as it has been said before, ‘You live in a time worse than Sodom and Gomorrah.’ You live in a time of great heresy. You live in a

time of great distortion. You live in a time of great weakness. You live in a time of much promiscuity. You live in a time where man says, 'Cater to your physical and enjoy yourselves.'

I speak to you now and I speak from a Realm of Heaven, and I say, 'Do not take chances with your Soul any day, but use your heart for the means it was made: to serve God, to love God, and yes, to live in the physical, so one day you will live in the Spiritual, so one day you will spend Eternity with Him.' If you have a sorrow, place it in His Hands; if you have a fear, place it in His Hands, and offer your heart to Him.

I spent many times with His Heart, and as I speak to you now, I say, 'It will pay dividends,' for each child in My Presence here now should be a Saint. Each child here, at the moment of conception, God had in mind that you would be a Saint. Only your will, will tear you away. Only your weakness will allow you to stray.

I bless you with God's Love, and I say, 'Use your heart His Way, offer it up every day, and be conscious of why

it was given to you that one day.' So be it."

MAY 2, 1972 AT 7:49 P.M.

SAINT ANNE

“My beloved children, I am Saint Anne. This Miracle has been set forth upon the earth to teach you many things; also, to remind you of the beauty of the human way; also, to show you God’s Love for you and His Generosity in all things.

I, as I walked the earth, was a mother of a Child, a Girl. You know Her in your way and you know Her as The Heavenly Mother. She, too, walked the physical way. She, too, had challenges of that day. She, too, had to stand up in a virtuous way. She, too, had to stand in dignity. She, too, had many, many, many decisions to make.

Do not feel that only you have decisions to make, but have the courage to make the correct decision, to stand by it, and be sure when you make this decision you ask God to help you. So many children forget to ask The Beloved Father to help them make decisions. They are so self-willed, they are so in love with themselves that they omit this one small thing:

‘Please, God, help me make the correct decision.’

As I speak through *this child*, I want you to remember Me in this way. I want you to remember Me as your Heavenly Grandmother, for that is Who I am. Keep this in mind. Many of you have never thought of Me in that way, but I say to you, ‘As an earthly grandmother loves you, I, your Heavenly Grandmother, do too.’ So be it.”

MAY 2, 1972 AT 7:51 P.M.

PADRE PIO

“My beloved children, I am Padre Pio, and I speak through *this child* with Direction to you on this night. Each of you present here has the chance to become a Saint, and I say, ‘Only a fool would throw it away.’

I stand Here in the Heavens, ready to bless and help each one. All The Saints, too, are prepared to help you. Can you not know this? Can you not see this? Can you not feel this?

And oh, My sons, be sure that you, too, practice modesty and purity, and be sure that you, too, do not criticize others until you criticize yourselves first.

I bless you and I say, ‘*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*’”

MAY 2, 1972 AT 7:54 P.M.

SAINT ATHANASIUS

“My beloved children, man has paid Honor to Me on this day. Many men do not know My way. Many men have said, ‘Who is He?’ Many men say, ‘I wish we had Him around in our day.’ I smile at this, My children. I am Saint Athanasius.

In the time in which I lived, there was a great heresy all around. Arian was its name. In the time in which you live, a great heresy is all around, and man has not yet named it. Heaven will one day. There are many men around now, telling untruths, and, My children, heresy is developed untruth. Keep this in mind.

Do not blind yourself to the evil all around. Do not blind yourself to the weakness that is all around, and do not accept it as the natural thing. It is not. Oh, My children, be fully aware that heresy is everywhere and you must fight it, you must stand up for truth, and you must not let others draw you into it.

On this day, many men have prayed to Me, for My Name came out on a calendar way. But I say to you as I leave now, ‘Be aware of the heresy, be aware of its growth, and pray that it will be buried into the ground.’ So be it.”

MAY 2, 1972 AT 7:57 P.M.

SAINT ALPHONSUS LIGUORI

“My children, I am Saint Alphonsus and I speak especially to one child in the room tonight, and yet, the others of you present here can learn much from What I say, by What I say, and in What I say. You cannot expect those you love, or those close to you, to fully understand how you are, what you feel, and what you are to do God’s Way. It is your dealing with God, it is your respect for His Will, it is your desire to please only Him.

I have come on this night to give you assurance, to give you strength, and yes, to show you that I, too, had to fight those I loved. I, too, had to stand on the opposite side of the road from them. I, too, had to stand totally in the way I knew was right for me, and now, as I stand Here in the Heavens, I encourage you to do the same. Please, think much on this. Look into My life and follow God’s Will for you. So be it.”

MAY 2, 1972 AT 7:59 P.M.

SAINT DYMPHNA

“Keep this in mind, My children: When tension mounts, it is easy for evil to come in. Where there is anger, it is easy for evil to come in. Where there is fear, it is easy for evil to enter. So what I say to you on this night, ‘Protect yourself in every way, protect your physical, protect your mental, and protect your Spiritual.’ I say, ‘Relax the physical, control the mental and enjoy the Spiritual.’

I am Saint Dymphna. As I speak to you through *this child*, I say, ‘So many children allow themselves nervous disorders; this, in many ways, is wrong.’ Have strength, My children, and pray. Pray for the strength to stay strong, physically, mentally, spiritually. Do not allow yourselves to become so involved with all things that you are destroyed by the weakness that you feel, that is shown to you.

And now, as I have given you This Message, I say to each child here: ‘Pray for strength, you will receive it. Pray for courage, you will get it. Pray

that God will always hold your hand, and I assure you He will never let go. Pray that as He holds your hand, you will have enough love within you to follow His Plan.'

I bless you and I say: 'It is a special night for you children here today, for many of you will gain courage through this night. Many of you will gain strength, for the Words that have been given to you will do it, if you follow Them through.' So be it."

MAY 2, 1972 AT 8:05 P.M.

SAINT JOSEPH

“My beloved children, I am Saint Joseph. *This child* will explain to you now what I will allow her to see.”

VISION

It’s a world, and Saint Joseph is standing — it’s huge — and He is standing on the part of the world where we live. And from His Body there are rays going all around the world. And the rays are in the form that I have never seen before. They are people. They’re holding candles all around the world. He is beaming. And as usual, I see Him about nine feet tall. Please, get to know Him. You will love Him. He’s pointing to a particular spot and He’s smiling. It’s the Hill of Hope.

“My children, from this spot on God’s earth, I will be seen, I will be heard, and I will become known throughout the world. Children will come from all corners to pay Homage to Me, and as they do, they will learn Bible History. They will learn many things about God’s Way. They will

learn the beauty of serving Him. They will learn His Generosity. They will learn His Justice. They will learn His Truth. They will learn how to love Him.

***As the child* speaks to you, it is I Who speak through her. The voice is hers; the Words are Mine.**

There are Many Saints that will become known on this Hill, for All Heaven has come forward to spread This Miracle. Do not forget this night. Do not accept untruths from this time on. And each of you must walk on this Hill of Hope, for when you do, you will feel God's Grace, God's Love for you.

I bless you with The Father's Love and I bless you with The Heart of The Son, and I bless you with the Light of The Holy Ghost, for it is through this Light that the children are spreading God's Love. So be it."

OUR HEAVENLY MOTHER

“My beloved children, *the child* will describe to you another Vision. And with this Vision, I will speak to you. I am your Heavenly Mother.

The men of the world are shouting for peace. The men in the world are causing destruction because of their weakness. Somewhere, particular men are going to have to stop and think. Some men, somewhere, are going to have to stop and be example. Some men, somewhere, are going to have to stand firm, stand strong, and show only truth in all things they do, all things they speak, all things they accept. There are so few men in the world now who are willing to give up their weaknesses.

The Vision *the child* is about to describe to you is one of such Beauty that she will give It to you slowly, piece by piece.”

VISION OF ANGELS

It is the world, large in size, and above it are hovering Seven Groups of Angels, and They are singing a song. Our Lady said I could say the Words:

“Nowhere in the world are We not present. Nowhere in the Heavens are We not there. We are a comfort to many, in sorrow and sadness, and We are forever ready to sing when the occasion arises. We are ever ready to be by your side. We are ever ready to do God’s Will. We are ever ready to show you God’s Plans. We are ever ready to take you by the hand. We are ever ready to lead you from darkness. We are ever ready to show you the way to be. We are ever ready to join with you in laughter. We are ever ready to enjoy the beauty of all things. We are ever ready to help you in God’s Love and We are ever ready to help you accept God’s Peace.”

The lilt when They sing is just beautiful.

OUR HEAVENLY MOTHER

“You see, My children, All Heaven is prepared to help you in all things. There is no One Here Who would dare neglect you. There is no One Here that would deny you anything. When you are praying for something special and you feel you are not receiving it, look to the good that you have, look to the beauty of certain things, and keep in mind, that sometimes God does not give you what you request, but He always gives you more in another way which is best for you.

You know, My children, the world that you take so much pride in, will one day not be, but your Souls will live on for All Eternity. Would it not be wise then, that each child here keep in mind the foreverness of your Soul and the Beauty that It is, the true test that it was when God gave It to you? There are so many things that children do not know about the Soul. First of all, it is up to the individual child to help the Soul glow to a great brightness.

I ask each child here to keep in mind the Ten Commandments. I ask each child here to keep in mind

the necessity for prayer. I ask each child here to keep in mind the beloved Sacraments. I ask each child here to keep in mind the beauty of the mind, and do not destroy it with weak thoughts and sin.

My children, I bless you with God's Love and I say, 'As you have been present in The Miracle of your day, be sure that you pray to grow from this night forward, into one day becoming a Saint.' So be it."

SAINT MARGARET MARY ALACOQUE

“I stop *the child* from speaking to you for all that was to be said was said, and now you will learn Great Lessons from Us Who are at the head.

I spoke on another night, not long ago, to children such as you. I am Saint Margaret Mary Alacoque. I speak to you about hearts, for you see, it was special to me in my way, in my physical. Oftentimes, when I saw His Heart, I melted with love. And this is what I want you to do, I want you to experience; for, My children, His Heart is One of Beauty, His Heart is One of Generosity, His Heart is One of Great Love. His Heart has been placed in this Hill of Hope for all men to feel His Love. The Heart, of course, was put in the physical place where the bodies will go for other men to disperse their knowledge and their love — the hospital.

Upon this Hill there will be a great hospital, and men will come from all over the world to see what other men know, to gather information to

help the physical. So you, too, can be a part of this great place. The Heart of The Son of God has been placed where the Chapel will be, for children to come and receive The Holy Eucharist each day.

Oh, My children, as I stand Here in the Heavens, I say to each one here: ‘Do not reject The Heart of God. Do not reject this place, but keep in mind it is His Will, His Plan, to give man Grace.’

Children will come to this place in great despair. They will come with no hope, for they will say, ‘God cannot be fair,’ but I say to you on this day, in this place of your time: ‘God is Just. God is Truth. God is Love and God loves you.’ So be it.”

MAY 3, 1972 AT 11:18 A.M.

SAINT RITA

“My children, I am Saint Rita. I speak through *this child* at the request of God.

I, too, walked the world in the married state, and then in the lone state. I walked the world, hoping always to be obedient to God’s Will, hoping always to see what plans He had for me, hoping always to serve only He.

One day, when I was given the Wound at a later time of my life, I knew this Wound was to save Souls, especially mine. But I say to you now, those present here, ‘Use the vocation you have chosen, to be a Saint.’

There will be a great place upon this Hill of Hope to show mankind that men in all vocations will be able to one day serve personally in The Divine.

Also, My children, find the place where you are and use the time that you have to serve God, for you see, all the time that you spend in service to

Him will be added up by Him and will help Judgment Day for thee.

If you have followed one vocation and then have walked into another vocation, use both vocations on the path to The Holy Trinity.

I bless you from Heaven Where I am and I say, 'It is through your physical that you will come This Way.' So be it."

MAY 3, 1972 AT 11:20 A.M.

SAINT FRANCIS OF ASSISI

“My beloved sons, My beloved daughters, I am Saint Francis of Assisi. Many times I have come through *this child*, and many times I have spoken through her, and many times I have said to men, ‘Do penance, act in obedience, and be sure that when you sacrifice you do it for God and not for yourself.’ And I have said: ‘Those who walk in the Plan of God are sometimes laughed at by those on the outside. Sometimes they are ridiculed, sometimes they are criticized, but do not let this bother you in any way. Stand firm, stand strong, stand staunch, and when you do, be sure, My children, that you accept God’s Holy Will.’

Do not let others cause you to stray, and do not let others help you betray the path you must walk, the Goal you must seek, the love you must show, the strength you must radiate, for you must keep in mind that if you allow these things to detour you, you will be leaning on weakness, not God’s Strength.

I bless all here in My Presence now with God's Power, God's Way, God's Will, and I say, 'You are privileged to walk in The Miracle of God's Love.' So be it."

MAY 3, 1972 AT 11:22 A.M.

SAINT JOSEPH

“If I were to place a shining jewel before you now, with facets that would make the jewel more beautiful, you would all stand in awe, you would all stand desiring to see all you could.

The main jewel that was handed to the world was the Beloved Church of whom The Son of God was the First One. Many men did not realize the magnitude of this jewel, the beauty of it; but because of its genuineness, because of its strength, because of the solidity of it, it has survived many things, many men cutting at it, trying to depreciate its value.

You live in a time now, My children, when many men are striking at this great jewel. They are trying to deface it, they are trying to change the facets of it and they are trying to destroy it.

I am Saint Joseph. Through This Miracle of Mine, men will once again see the Beauty of The Divine. Men will once again see the magnificence of the jewel handed to them by The Divine

Three. Once again, men will become aware of the significance of this jewel, the importance of it, the strength of it and the beauty of it.

Through This Miracle of Mine, man will once again know God's Teaching, God's Truth, God's Way for the physical. Once again, men will learn the Purpose of the physical, and once again, men will renew their thinking about Sainthood. Once again, men will see the indignity that weakness causes. Once again, men will be able to stand strong, stand firm in what is right, and to deny wrong. Once again The Holy Family comes to the world, this time through *a child*. Once again the world is being shown openly, the importance of truth and the sorrow of untruth.

I speak to you now through *this child*. The Hill of Hope must come about according to God's Will within a period of time. God is giving man five years of man's calendar to follow, in detail, Divine Plan. Man is shouting, 'Give me a sign.' What better way, what better sign than to reveal Truth to mankind?

**I bless you with God's Love, I
bless you with The Heart of The Son,
and I bless you with the Light of The
Holy Ghost, Three in One. So be it."**

MAY 3, 1972 AT 11:28 A.M.

OUR HEAVENLY MOTHER

“In all the Visions of My Way, I have stood before particular children, requesting of them to pass on the Messages I did say. They were obedient to My Words. The Direction was always given to guide children all over the world so that they would not become lost in the world. Oftentimes, many would argue over the validity of these Visions, and so many men would interpret God’s Way to such a degree that they would eliminate the possibility of It being Divine. They would eliminate the probability of It being Me.

And now, once again, The Father has sent to the world a Great Miracle, this time, to teach individually; this time, to give man the Truth in a personal way, in small groups; this time, to give man a Purpose; this time, to give man, not a challenge but a Goal; this time, to give man Hope; this time, to give man openly, Truth; this time, to give man, in a grand manner, the Purpose of his Soul.

There are many men in the world now who are trying to say this cannot be. There are many saying, 'Why her?' There are many saying, 'God would not work this way.' And I say to you on this day: 'This Miracle is Truth. This Miracle has your Soul in mind. This Miracle is to show the world the Beauty of The Beloved Saint Joseph.'

I, your Heavenly Mother, speak. So many children are not learning the truth. They are following the predictions of other men. They are following other men who feel they know The Divine. They are following and misinterpreting the words of other men.

Oh, My children, you are fortunate to receive so personally God's Love, God's Truth, God's Direction, for as you leave today, and those who will receive These Words who are not present, will have Direction now. You know the Purpose of your life. You will gain strength by understanding This Message. Do not be foolish and walk away and not see the Beauty that is in These Words given by Me today.

Men are seeking many areas to find God. Some are looking into the briar patches and while they are here, they will only be caught up in the dilemma that is here.

There are so many men in the world now looking for self-acclaim. Stay away from these men. They cannot help you. They are too busy loving themselves. Some of them have started out with good thoughts but they have become so involved with their thinking that they have been caught up into the web of satan. He is all around, My children. He envies you, he envies God. Stay away from him. He cannot help you.

If you will but keep in mind The Commandments, number of ten, that were given to mankind a long time ago, you will feel good again, for you see, each one of These Commandments have a definite part of your life, and each one of These Commandments must be looked into, the meaning of it, the beauty of it, and when you do this you will feel God's Love.

Keep in mind, too, My children, that The Holy Eucharist was given to man for giving strength, so how could

you not feel God's Love, the Peace of His Way, when you receive The Holy Trinity in a physical way. And do not let scruples keep you from this Act of Love, from this Gift of Truth, from the Ultimate that God gave to man.

And I, your Mother, ask you on this day to hold close to you the Beads of My Way. When you feel you cannot say the prayers, hold the Beads; hold them dear, for they will give you strength to one day be devoted to This Way.

Oh, My children, there is so much to be learned through This Miracle of Hope, This Miracle of Love, This Miracle that is God's Gift to the world. I bless you and I say: 'I, your Heavenly Mother, have come to you today. Keep this in mind when you are tempted to stray.' So be it."

MAY 4, 1972 AT 9:57 P.M.

OUR BLESSED MOTHER

“My beloved sons, My beloved daughters, I am in such joy tonight in the Heavens, for I hear children plan, according to man’s way, a great time in the History of the world. As you plan for this great day, for children to honor The Beloved Saint Joseph, I smile and say: ‘I walked the earth with Him one day. He was a man of Gentleness, a man of Courage, a man of Faith, a man of Obedience, a man of Trust and a man of True Love. He was a man dedicated to God’s Will. He was a man who worked each day solely for Grace. He was a man who protected a Son. He was a man who taught a Son. He was a man who cared for This Son. He was a man who, in His Protection of Me, always put God’s Will first. It made a happy home, it made a place where We enjoyed to be.’

I, too, will be on the Hill of Hope on this day you plan for. I have a request to make, of Mine: As I walked the earth with Two Sons of God, I enjoyed hearing the voices of other sons. Will you gather in a ‘Living

Rosary' to Me and let your voices ring out in Honor to Me? I say this, for as you stand on this Hill of Hope, you will be example to all men as He was in His day, and as you pray, others will stand by and they will feel the strength of your way, they will feel the courage you will show in saying out loud, *'Hail Mary, full of Grace.'*

So, as I say These Words to you on this night, I bless you with a Mother's Love and I say, 'Let your voices ring out, let your heart be Mine, let your will be God's, and let the work you do be to show the world The Beloved Spouse.' So be it."

**DEDICATION OF
SAINT JOSEPH'S HILL OF HOPE**

OUR HEAVENLY MOTHER

“My beloved sons, My beloved daughters, I am your Heavenly Mother. Most times, when children hear about Great Miracles having been upon the earth, they hear about Them after They are long gone. They hear about the time They occurred and what happened at this time. But now, in the time in which you live, children are getting It firsthand from God Himself, from The Holy Trinity, in All and from All The Saints Here in Heaven Where I am.

This Miracle has been set forth upon the earth, My children, to save mankind, to give man strength, to give man hope, and to show man God's Truth.

This Hill of Saint Joseph's, that will be called 'Saint Joseph's Hill Of Hope', is to give mankind Bible History. All parts of this Hill have been designed by The Father Himself to give man His Truth, His Way. The entrance is to

have a bridge of magnificent size, and upon this bridge Bible History will be shown. And as they leave the bridge, they will have touched on God's Way, God's Truth, all along. As many men stand in the center of this bridge, they will begin to feel the entering into another world. This must be a world of prayer, a world of reverence, a place for children to pray and to learn God's Way. Children will come from all over the world.

And as you gathered today, you gathered in a natural way, not knowing the Magnitude of this Great Hill. Children must hear about this Hill. Children must know it is in existence. Children must know the necessity of this Hill, and children must know that it is Bible History. No man's ideas will be in this Hill, for only God's Way and God's Will will show.

Oh, My children, as Here in the Heavens We heard the Holy Rosary come This Way, much Love went your way, and many Blessings, for you see, as the Angels Here sang with the choir there, and as the Rosary was said there, it was said Here with you in a way you cannot understand; but as I speak to you now, I say, 'It is God's Will, God's

Plan, that millions of Rosaries be said upon that Hill, millions of children stand and learn to pray, and millions of children must turn to the Bible Way.'

Do not forget, the bridge is the entrance. And around this Great Hill will be the Beads of My Love, for children to feel the truth of conviction, the Beauty of God's Truth from Here Above.

I bless you and I say, 'Children all over the world must once again get acquainted with The Saints Who are Here to stay.' So be it."

MAY 7, 1972

GOD THE FATHER

“My beloved children, if I had My Way, I would speak to all the children in the world at this moment, but to gather them all, I would have to take their wills, and this I will not do unless, of course, they will Me to.

My sons and My daughters, I gather you in My Arms at this moment and I say, ‘In many ways, My Will was done today.’ All Heaven rejoiced to see The Beloved Saint Joseph Honored and Revered in the manner you did this ceremony. It is only the beginning. It is only the first step to the Hill of Hope, to the Hill of Love. Thousands and thousands and thousands will begin from this point. You have only touched on the first thousand upon this Hill.

There were Seven Choirs of Angels singing above this group. And All The Saints joined in when the Blessing came about, and each Saint Here with Me now, requested the pleasure, the privilege of blessing each child on the ground. You did not

see Them, you did not feel Them, but They were present at this time.

The news of this Dedication will spread quickly, as it must, and children will begin to ask: 'What Hill? Who is Saint Joseph?' And you must say, 'Saint Joseph's Hill Of Hope, Saint Joseph's Hill of Love, designed by God to give the world hope.'

I will not compromise with any man upon this Hill. *The child* must not compromise, and those of you who are close to her know that thus far she has not compromised in any way, for you see, for this Hill to be as I Will it to be, for this Hill of Hope to save Souls for Me, all things must be done My Way, with My Purpose in mind, and in All Truth from The Divine.

The child, as she knows it must be, has to face thousands for Me. There is no Miracle in the world such as This, nor has there ever been. This is One Alone to save men. *The child* is well-prepared to go on for Me.

As I bless each child here in My Presence now, I bless you again and again, for you see, The Miracle of The Beloved Saint Joseph has taken hold. It has touched the hearts of many men.

You stand in the core of the Greatest Miracle of all time. I say this, for you see, it is a personal connection between the natural and The Divine, and as I pick up *this little fork* of Mine to gather Souls for Me, I do it lovingly; and each time I do this, I say to her, ‘One more Soul, *child*, please.’

I bless you with My Love and I bless you with My Heart, and I bless you with the Light that is all Mine. So be it.”

MAY 10, 1972 AT 1:38 P.M.

SAINT JOHN THE BAPTIST

“My children, I am Saint John The Baptist. I come to you on this day to compare the way I walked in My day to the way you must walk in your day.

As I walked along the roadsides, I would talk to children and I would alert their thinking to The Creator of All Things. I would talk to them in a natural tone, and then, when I gathered more than a few, I would discuss with them God’s View.

I knew within me that there was a Direct Command from a Higher Place, and I also knew that the Words that were coming through me were not of my thinking, but I did not explain it to man in this way. I would teach and I would preach and I would discuss, and also, I would exclaim the Beauty of God’s Way so that men would listen and men would be alerted to the thought of Another Part of them, and also of the cleansing that I knew would have to be for each man.

As I spoke of a cleansing, the greatest thing I could use was water,

and this, too, came from within me, for you see, I was constantly directed by The Father in all things; and as the cleansing would take place, I would feel the Power of His Grace, and I would say, *'Dear God, Dear One in Heaven, let all who come to the waters here feel Your Love, Your Power within them.'*

It is true, one day I looked into the Eyes of a Particular One, and I felt the Grace within Him, I felt a Power within Him, I felt a Strength come forth from Him that no other man did give, and I felt then that He was of The Father's Place; and as the water was poured upon Him, I felt within me that my tasks had been from Another Realm, and I knew that from that time on, the cleansing would be an Important Thing for all men to come.

I stand Here in the Heavens and I say, 'So few men are acknowledging the Baptism of the pouring way.' And now I say, 'Be sure the children you know are baptized, for it is important; It is God's Will.' This Miracle of Truth, This Miracle of a Beloved Son, Saint Joseph, is to teach all mankind the Importance of the Sacrament: the Sacrament of Purity, the Sacrament

of Cleansing, the Sacrament of taking away the wrong and putting only Beauty in its place.

I bless you and I say, ‘As weakness was washed away, it is being washed away again in your day, through *The Miracle Of The Beloved Saint Joseph.*’”

MAY 10, 1972 AT 7:47 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi, and I come through *this child* on this night to give her the strength to endure the obstacles presented to her, around her, before her, by man. This Gift of This Great Miracle to the world is God’s Gift to man, and God will direct It according to His Own Plan.

When I stood upon the earth, I stood eager to please God and God alone. Many men scoffed at me and many men ridiculed me, and many men said my mind was not clear. As I stand Here in the Heavens Where I am, I say to you now, ‘Stand up for God and stand in truth, and when you do, you will begin to hold the physical and the Spiritual dear.’

Right now, in the time in which you live, there are many men walking around, interpreting things their own way, and they are drawing children from all walks of life, all ages, and these children are leaning upon these men. Please, My children, do not be

foolish in this way, but lean solely upon God and the Truth He gave. First, My children, think hard and think back to the time when The Son did walk the earth, and think of the Reason for This Way and Time.

Right now, in the time in which you live, satan is diminishing the Priesthood. You cannot allow this to come about. You cannot allow man to be used by satan to diminish God's Plan. Right now men need prayers, and there are too few children anxious or caring enough to pray for the Souls of the men who follow God's chosen way. Ridicule does not help, criticism only hurts, but prayer, My children, is a constructive way. Satan will lead you to destruction. God uses construction in all things, all ways.

One day, when I knelt before the Crucifix, I begged God to let me walk His Way. As each of you know in this room, I was presented the Gift of the Wounds. The pain was agonizing, but in many ways, it gave others strength, for you see, as I suffered I prayed for other Souls to be saved.

Sometimes the suffering is not an open wound. Sometimes the suffering

is obedience to God's Will, as *this child* does walk in this way. So as you gather, some of you in curiosity, and some of you in love, I say, 'Do not look at the way to God in all man's way, but seek it in a Spiritual growth.'

The Son of The Father gave mankind The Holy Eucharist. Satan is trying every way to diminish this Gift of Love from God. It is up to you, as you hear My Words, to see that no man diminishes this Great Gift, and remember, My children, each day It is offered for each of you, in a manner of order, in a manner of love, in a manner of security, in a manner of dignity, in a manner of purpose, and I say to you: 'Do you accept It or do you reject It? Do you deny It or do you say to God, "*I believe Your Gift; please help me to accept It at all times*"?'

I know, as I stand Here in the Heavens, I speak differently than some of you expect Me to speak, but I speak to many people and I say, 'Let My Words fall on your ears to help you in God's Way.'

I bless you with God's Love and I bless you with Hope, but most of all, I bless you with Truth, and I say, 'The

**Wounds that I suffered were for also
you in your day.' So be it."**

MAY 10, 1972 AT 7:56 P.M.

SAINT THERESE OF LISIEUX

“My beloved children, I am Saint Therese. You call Me ‘The Little Flower’. Whenever a child seeks My aid, My help in this way, saying to Me, ‘*Oh, Little Flower, help me today,*’ I respond in a loving way, for it is a term, a name that I hold dear; for the *Little Way* was My way to Here.

So many children are seeking great experiences, great emotionalism, God’s Way. This is foolish thinking, My children, for you see, to be quiet in a room, to pray to God with your heart, with your mind, with your whole being, is a beautiful experience in your time and in your day. Do not ask God to show you a sign in the sky, but continually tell Him that to show your love for Him, you will serve in a special little way. Do not ask God to constantly show you, but it is a beautiful way to walk when you decide to show God your love for Him. There is a joy in this, there is a tranquillity in this, and there is a peace in this.

Oh, My children, I walked the *Little Way*, always eager to serve God in some way. I know that there have been many stories written about the way I walked. Some, of course, have been exaggerated; nonetheless, I did walk a very easy *little way*.

Picture your life as gathering flowers to put at the Feet of God one day. If you walk this way, you will find a beautiful path to Here, and you will be so interested in picking the flowers that you will wipe fear away.

Right now, in the world there are so many men causing others fear. If the victim of these men were to walk the *Little Way* to Here, to pick flowers when temptation or danger appeared, there would be a much happier way of life for them; for, you see, I say to you on this night, 'Become so busy picking flowers, serving God, that you will see only His Light.'

I bless you with a rose and I say, 'It is one of the most beautiful flowers of your day, and as you leave this dwelling on this night, I will hand you the rose that I blessed you with, to start your bouquet for you to bring

one day to the Feet of God, when He is in your physical sight.' So be it."

MAY 10, 1972 AT 8:01 P.M.

SAINT ATHANASIUS

“My children, I am Saint Athanasius. I speak through *this child* on this night to tell you of the heresy you live in, around, and with. There’s a great heresy now in your time. Man has not yet named it. But in the time in which I lived, the heresy was called ‘Arian’, and I fought it. Right now, My children, the best way that you can fight the heresy that surrounds you is through prayer, through total submission to God’s Will, and to be subservient to His Way at all times.

Children are asking God, ‘How can I serve You?’ And He says, ‘First, grow in love with Me and I will point out the way to you.’ God has given man the way to be a Saint. God has given man the Ten Commandments and so few men are enjoying Them or are following Them. And I say to you, ‘Keep in mind the Ten Commandments and do not just look at the words They say, but look at the meaning in each one of Them today.’

Children must be taught the Ten Commandments, for you see, heresy is developed untruth. Keep this in mind. So, when the children learn the Ten Commandments, the true meaning of each one, they will be able to sift out truth from untruth at the correct time.

I bless you with God's Love and I say, 'As I stand Here in the Heavens, We see each thing you do each day.' And, oh, My children, if you could but see the places satan hides, you would certainly pray. So be it."

MAY 10, 1972 AT 8:09 P.M.

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I have spoken many times through *this child*, always with Direction, always with Strength, always with Firmness and always with Truth. No man in the world realizes the Magnitude of This Great *Miracle Of The Beloved Saint Joseph*. For the first time, God has asked This Beloved Saint to go to the world to teach children the Beauty of His Way. All Heaven has come forward to perpetuate This Miracle in your time, for your day, to make you a Saint.

As I look back onto the time I lived in the world, each convent that I became part of was in some way dedicated to This Beloved Saint. It was He Who saw us through the terrible times, it was He Who lent a hand when things were beyond control. And when a daughter would come to me and kneel before me, begging my help, I would always turn to Him, for you see, I knew that His Love for God would cause Him to come forward to help me.

No man who ever lived loved God as much as He did. No man who ever lived desired to serve God so much as He did, and now, God has Decreed This Time to be that This Beloved Saint will come to the earth and help each of thee.

I speak on this night and I say to you: ‘Spread His Name. Spread His Love. Spread honoring Him, for you see, as you do this, God will grant you Grace, for God’s Love for Him is Special in many ways.’

No place on earth is so Blessed as this one, because you see, God has sent His Beloved Saint to help you, to show you, to speak to you in a personal way. Many children say, ‘Why has He come to that place?’ They are envious of this. And Here in the Heavens We try, in Our way, to show them that they, too, must go to this place and listen to What Heaven says. There is no Saint in Heaven Who has not come forward to teach children God’s Way, through *This Miracle Of The Beloved Saint Joseph*.

My children, make up your mind on this night that you will desire to be a Saint. Make up your mind that you

will desire to please only God. Make up your mind that on this night you will begin to be example to others of God's Way, service to God. Make up your mind on this night that all things that have gone in the past are over, and that you will, in every way you can, please God. Oh, My children, tonight can be the beginning for all of you. Do not reject this offer from Me, for you see, Anything I say has been told to Me by The Heavenly Three.

I bless you with God's Love, I bless you with The Son's Heart and I bless you with the Light of The Holy Ghost, for you see, Each Part adds up to One. Each Part is Important today. So be it."

MAY 10, 1972 AT 8:15 P.M.

VISION OF OUR BLESSED MOTHER

Our Blessed Lady is standing on a hill and around Her, like this, is the Holy Rosary. Each bead is a light. Our Lady is in green, and the Crown on Her Head is all emeralds. And the Beads are lighted and the reflection of the emeralds are making the Beads green.

She's moving out from the oval of Beads and the facets of the emeralds are lighting each bead. Her Face is a radiant peach color. She's smiling at my description. The Crucifix that is hanging is mother-of-pearl.

OUR BLESSED MOTHER

“My children, I hand to *this child* a Vision, a Vision that if you were to see It with the physical eye would blind you. The Beads are all lighted by the prayers being said by children throughout the world. If I were to show *this child* the Beads in a darkened way, she would burst into tears and sob her heart away; because once these Beads

would become darkened, the beauty would diminish from this view.

My children, I, your Beloved Mother, do not want these Beads to darken in any way. I want them continually lighted by you. If these Beads were placed in an obvious place and lighted by the means of your day, certain men would be in charge of keeping these Beads lighted in a physical way.

I requested of *the child* to bring with her, on this night, the Beads in her hand; and that is why I asked her to stand — to show you how they pick up light and how sad it would be if these Beads turned to black.

My children, these Beads say many things. These Beads say ‘hope’ to the Souls in Purgatory. The prayers on these Beads, when said, are the main means for the Souls to be released from this place, to come Here Where I am.

The time in which you live, many men are trying to destroy the Beads. Satan is working on this. Please, My children, say the Beads each day. And I ask My sons here, to carry the Beads I love on your person,

and when temptation arises, clutch the Beads and pray to Me. My Beads are not a thing of the past; My Beads are forever.

Children begin these Beads and they say, *'I believe in God.'* Think about this and think of the beauty of these words. As you go through, there is much meaning to each prayer you must say.

In a Vision I taught children how to pray, and now I come through *this child* to you, to teach you the Beads of your day. When you say them, do not rush them and do not mumble them, for you see, I am listening and I love to hear My children pray.

When a child says, *'Our Father Who art in Heaven, hallowed be Thy Name, Thy Kingdom come, Thy Will be done, here on earth as it is in Heaven'* — these words, My children, are important words. *'Thy Will be done.'* This line alone shows that you know God's Will must be done. When a child rushes through these Beads or mumbles these Beads, the child does not realize what he says.

When you leave this dwelling on this night, promise that you will give

God a gift. The gift is a simple one, but this gift is an important one to you, but it is more important to God. Tell God that you will give Him time. So few children want to give God time, and yet the area of time in which you live is a busy time. Even when you are active in doing other things, you can be thinking of God, praying to Him and telling Him you desire to serve Him. At work you can pray. At play you can pray. When you are having repast you can pray, and when you lay your head down for respite you can pray. Remember, My children, it is easy to give God time.

The Vision is leaving *the child* and I will allow her to come back with you. But keep in mind the Prayer, the Beads, the Vision, the Love, the Gift, and yes, My children, always remember the Souls in Purgatory, for one day you, too, may want hope. You, too, may want others to say the Beads of My Way. So be it.”

**VISION OF SAINT PETER
SAINT ALPHONSUS LIGUORI
AND SAINT CHARLES BORROMEIO**

There are Three Saints present. One is Saint Peter, One is Saint Alphonsus.

He's smiling; I'm having a difficult time pronouncing His Name. I can't pronounce it and He's laughing. He says, "Say, 'Bor-ro-me-o, Bor-ro-me-o.'" I couldn't, He said it so quickly.

The Three of Them are smiling. I see with the Eyes of my Soul. I do not see with my eyes, as I told you. Saint Borromeo is going to talk. He smiles.

SAINT CHARLES BORROMEIO

"My sons and My daughters, My Name is difficult for the lips of *the child*. I do not often announce Myself through her. The difficulty is in the human pronunciation.

Let us now, you and I, look at this time in which you live. It is a time of great chaos, great difficulty,

and in many ways, if you were to see from Our view the surrounding area in which you live, you would cover your eyes, cover your ears, and ask to be released from the view.

You gather in a room where there is much Love, but Love as God knows Love to be, not love as man suspects it to be or accepts it to be. You are sheltered as you remain here, but I say to you now, 'There are so few areas such as this in the world.' There is little regard for The Holy Trinity, as One. And men are saying the Ten Commandments are not necessary and they are sinning against each one. When you leave this dwelling in your time, I ask each child in My Presence here, no matter what age you are, to look into the full meaning of These Words, These Rules that God has placed before all men.

God says, '*Do not have strange gods before Me.*' And so many men are walking around saying that they have great gifts to give to mankind, and they are placing these gifts they feel they have, first, before The Divine King. They are so enveloped in self-satisfaction, self-acclaim and self-love, that they are not seeing the evil

that these things are doing or letting occur. My children, anything that builds your pride so much, beware of. Anything that makes you desperate to feel God's Presence in an unusual way, be cautious of.

As I stand Here in the Heavens, I come forth through *this child* with a Great Love, a Deep Affection for you, for you see, I walked the earth and now I stand Here with The Divine Three.

This *Miracle Of The Beloved Saint Joseph* has been put upon the earth to teach you the Wisdom of God's Way, to give you firsthand His Generosity and His Truth, His Wisdom and His Love.

I will leave now for Another wants to speak. We speak because God allows it to be. We use *the child* because of the joining of her will with The Divine Three.

I bless you with God's Power and through His Power, and I say, 'Please, look into What I did say, for when you do, you will realize that much has to be sifted here, and it is for your good These Words come through.' So be it."

MAY 12, 1972 AT 11:18 A.M.

SAINT PETER

“My beloved children, I am Peter, and I come through This Miracle of Love, This Miracle of Hope, to caution you, to alert you to the tragedy all around.

Satan is working hard to diminish the Priesthood. Remember, My children, I walked with the First Priest. I know His Desire, His Wishes, His Will, for I stand Here with Him now in Heaven. And satan has made a plan to draw children from God’s Way and for them to act totally as man. Keep this in mind, for satan is going to try to equalize his church with Holy Mother Church. It cannot be allowed. It must be stopped. And those who join in this must cease, for God’s Church is the First, Holy, True Church.

I, Saint Peter, command you to follow What I have said and to be alerted to What comes through *this child*, for you see, It is Heaven.

I bless you with God’s Power and I bless you with My Love for His

Way, and I say, 'Let your will do His Will each day.' So be it."

MAY 12, 1972 AT 7:35 P.M.

SAINT DOMINIC

“My beloved children, while *the child* was speaking to you, many of the Words were Mine, for in her entrance to help you, The Divine is truly present. I am Saint Dominic. I will be present in one of the coves on this Great Hill of Hope dedicated to The Beloved Saint Joseph.

Men will learn the Beauty of the Holy Rosary and men will see It for Its True Worth. All The Saints Here in Heaven have come forward to perpetuate This Great Miracle of Love.

Many years ago This Miracle was designed by The Holy Trinity and It has been talked about much Here in the Heavens Where We are. When it was decided as to what time It would come to the world, God asked Each Saint to help in all things. There was not One of Us Who was not happy to participate in The Greatest Miracle that man could have, that is bearing the Name of The Beloved Saint Joseph.

On this night there are many children laying their heads down in illness and in love, but they are saying, 'What will happen to me?' And somewhere, somehow, a sign of hope lights the way and gives them a new feeling for the day.

So it is with this Hill of Hope, for as you enter on these grounds you will feel hope for all time. You will feel a new feeling within your being, and that, My children, will be Grace, for those who enter in this place, they will gain the Grace because of their Faith in God's Way of doing things.

As children cross the bridge into this Great Area of Love designed by God Above, they will feel a change in pace. They will once again have before them Bible History, and as they learn, once again, about the past days, God will show each man the Beauty and the Purpose of His Way.

I, Saint Dominic, bless each child here and I say: 'Teach others What I have taught you tonight. Pass the Words of Mine on to them, for you see, as you do, you will give hope, and you will have the way to help others come This Way.'

I bless you with God's Love and I bless each child here with the Crucifix of His day, of His Way, and I say, 'Let the Light of this Crucifix light your way to Here.' So be it for now."

VISION OF SAINT MARGARET MARY

For those of you who are here for the first time, I see with the Eyes of my Soul. I do not see with my physical eyes. I do not hear with my physical ears. It is direct to you. I do not pass on to you the Words that are said to me first, for you see, in that way of communication there is much area for change.

Whenever I see Saint Margaret Mary, I see a Heart very open on Her, and I have questioned Her very often, why She has this open Heart, and She always sweetly smiles: “So you will know Who I am,” for She says She carries The Heart of Jesus with Her at all times; even in Heaven He allows it to be.

SAINT MARGARET MARY

“My children, it is true that I bear an open Heart to *the child’s* vision for you, for I want each child here to better understand The Heart, the Love that God has shown to all men. As It is here, within My breast, It does

not bleed and It does not have to face another test. It is just an open Sign of Love. It is an open Sign of Truth. It is to alert you to the motor of your way, to the most important part of you each day.

God says, ‘Do My Will with yours; show your love for Me with your heart,’ and what He means is, that in order to truly pray you must do it with your heart each day. Some children pray off the top of their head for they say it is duty, they say it is a need for them, but when a child prays from the heart and with the heart, much Grace is given to a child at a time like this.

When The Beloved Son walked the path to Calvary, it was a True Love, a Great Love, for He gave His Heart for all men. It was the Ultimate of Suffering, the Ultimate of Giving, for you see, His Love for The Father was the Greatest there could be, so in order to please Him, He gave His Heart in sacrifice for Him, to Him, so that all men would one day see.

I bless you as I stand Here in the Heavens Where I am, and I bless you with The Heart of The Son and I say, ‘Let your heart become one with His,

let your will do His Will, and let your way be His.' So be it."

MAY 12, 1972 AT 7:46 P.M.

SAINT PETER

“My beloved sons, My beloved daughters, oftentimes I come through *this child* with a Great Message for mankind. The Father has sent Me to the world through her to alert you to the trouble all around. I am Saint Peter.

Many times, when we walked with The Son, there were many obstacles that had to be won. There were many things that occurred to delay us, and yes, even betray us, but we joined together in many ways and we formed a guard around Him, and we said, ‘God’s Will be done; His Words must be heard, for the Wisdom that He teaches will save man.’

Oh, My children, right now in the time in which you live, this time is in many ways similar to the time where we lived, when we lived, for you see, once again The Father is sending to the world the Wisdom of The Holy Trinity. Through *this child*, many men will turn to God. It must be.

You live in a time worse than Sodom and Gomorrah. Heaven has repeated this many times and in many ways. I, Saint Peter, say to you on this night: 'Be sure you pray, for the heresy that is all around, it must be done away with. The world must come once again to see God as He truly Is.'

The evil one is planning to grow in such a way that he will diminish the Church The Son did begin one day. You, in your way, must stand up for truth and must fight the heresy that is all untruth.

My children, be aware of the disaster that is everywhere, and be sure that you pray and that you offer God each day, for when you do this He will answer your way, He will help you, and yes, He will show you what He wants of you.

Keep in mind that the evil one is out to be equal to God. It cannot be. It shall never be. Do not be caught up in his web, for he stretches his arms out to each of you, through those you love, through those you know, and through those who you are yet to meet.

I bless you with God's Love and I bless you with Wisdom. I bless

you with Light, and I say: 'Follow My Words. Listen well to the meaning of Them, and do not betray God's Love for you.' So be it."

MAY 12, 1972 AT 7:51 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. Many times I have spoken through *this child* with Direction to individuals and with Direction to groups.

The time in which you live, in some ways, is no different than the time in which I lived. We had our skeptics, we had our critics, we had our intellects, we had our prophets. We had our people who had great Faith in God’s Way, God’s Love, God’s Plan, God’s Truth.

Many men forget to use their talents, their will for God alone. They become so involved in the world’s measures that they weigh all things by profit alone.

I say to you through *this child* on this night: ‘Be aware of false gods. Be aware of false light. Be aware of false prophets. Be aware of your lack of obedience. Be aware of your lack of penance. Be aware of your lack of knowledge in God’s Commandments. Be aware of The Saints, for you see,

the Purpose of your life is to one day be a Saint, but this Great Plan of God's has been diminished by man in many ways.'

I do not stand in the room where you are. I stand in the Heavens Where I am, and I speak through *this child* through the Power of God, and I say to you, 'Be sure that as you walk through each day you have God's Love in mind, you have obedience in your way, obedience to His Commandments, His Rules, obedience to His Will, for you see, if you walked this way daily, you would not have the fears you have; you would be stronger, and yes, you would feel the Rays of His Love in times of need.'

I bless you with God's Love, and I bless you with obedience and I say, 'The time in which you live is not devoted to self-discipline, and this, My children, must change, for children must be taught the beauty of self-discipline, and you must follow it each day.' So be it."

MAY 12, 1972 AT 7:55 P.M.

VISION OF OUR LORD

I will tell you what I am seeing. It's Our Lord. He is not in a white garment; it is a wheat-colored, and He's standing behind a bush, but I have never seen this type of bush before. It has thorns. The leaves are sparse and yet the woody part of it seems thick. And now, suddenly, there are several of these bushes all around Him.

As He turns to the right, the thorns tear His garment, about this long (gesture of hands). And now He moves the other way and He is torn at the waistline. And the weave of His garment is a very heavy weave.

I would call the belt — He smiles — the sash is about this thick (gesture of hands), and it's striped. And each place He turns, He tears His garment. It does not touch His Skin.

And suddenly, He's in the midst of, I would say, hundreds of these, I would call them "ugly bushes", and He tells me not to come in. I want to because I know He will be hurt eventually, and He smiles at this and

He says: “Child, stay where you are. Do not attempt this far. Do not even attempt to pass the first bush.” So I will wait out here for now.

And suddenly He rises above the bushes and it’s as if He is walking across the bushes, but He’s not floating and He’s not walking, and He says:

OUR LORD

“Only I have the Power to escape these horrible patches of thorns that give scratches. No man could enter and not be hurt, for the branches are ugly, pointed, and are too numerous.

Many men are carelessly walking into places such as this. They are overconfident in the human way, and they say, ‘I will not get scratched,’ but this is not true, My children, in your day or in any day, for you see, the bushes that *the child* does see are temptation that satan places there for thee. Your littleness, your weakness, sometimes is not strong enough to escape what could be, and that is one of the reasons We have sent to the world This Great Miracle, governed by The Holy Trinity, to help you avoid

these places, to help you be alerted to the danger therein.

Now, let Me tell you what some of these bushes are for you: One, My children, is temptation of the senses. One, My children, is your desire to find Us in unknown places. Another one is for you to follow false gods, hoping to gain pleasure; hoping to, in some way, feel the Power that We are. These bushes must always be remembered by you as natural things to you, and yet, We Here in the Heavens see them as sin, as weakness, as satan's desire for you.

If there is the slightest bit of doubt within your mind about a particular place, a particular person, a particular thing, pray before you subject yourself to it, and, My children, I suggest to you The Holy Eucharist, for This is The Ultimate Gift from Us to you. If, at times, This is not convenient for you, please, My children, have on your person the Beads of The Heavenly Mother and they will protect you. Children are not being taught the power of these Beads, the hope these Beads are, but on this night I tell it to you.

Children, you were born of The Father's Love, each of you, and at the moment of conception He gave you a will, and at this time it was His Love, His Hope, His Desire, that through this privilege of life, this privilege of your will, you would do all things to love Him, to serve Him, and to return to Him one day. And now I ask you on this night, 'Have you thought about this?' Some of you have not. During the day, do you think about the Spiritual life? Do you think about Sainthood in any way? Most of you will have to say, 'No, my God, I do not.'

We have given to the world a Great Miracle. At one time I walked the earth in a physical way. This time, the Son, Who was My earthly Father, walks the world once again, this time through *a child* such as you; and through This Miracle, the Wisdom of Our Way is taught to you. Do not reject the Teaching. Do not ignore the Beauty of this way and do not forget the Purpose of the physical life that was designed by God one day.

I warn you once again, 'Do not take chances, for all men do not care about your Soul, and you must be cautious of this Great Gift from God,

for This Part of you will be the first to return to Him one day.'

I bless you with God's Love, I bless you with My Heart, and I bless you with the Light that Our Love truly imparts. So be it."

MAY 17, 1972 AT 2:16 P.M.

SAINT IRENAEUS

“My children, I have spoken many times through *this child*. I have never before given My Name, but on this day I do. I am Saint Irenaeus.

Sometimes, when *the child* is unfamiliar with a term, with a Name, she questions Heaven. It is always smiled upon, because from the beginning she is and has been fully conscious of the evil that could enter in. Her strict desire, her firm stand that only things of perfect knowledge would be released, has been allowed by God, for it is a Protection, and has been for This Great Miracle among men.

Many men would pronounce My Name differently. I smile and say, ‘It is not the pronunciation of My Name that places the Importance on the Message I have come to say, but the Content of What I am about to reveal.’

Children have been given Commandments to live by, to keep them and their attention on God’s Path, God’s Will, God’s Way. Children

have been given virtues, and so many have distorted these things. Man must once again begin to see the beauty of virtues and the dignity and the role they play.

So many men are diminishing the beloved Sacraments, for man is saying: 'They are not for now. They are not as important as they used to be.' I say that man must once again begin to see the Beauty of the beloved Sacraments, for each one has a great purpose, and each one should be honored by man.

Satan is trying to diminish each Sacrament. He has attacked solidly the Sacrament of Holy Orders. He has attacked the Sacrament of Marriage. He has attacked the Sacrament of The Holy Eucharist. He has attacked the Sacrament of Penance. He has attacked the Sacrament of Baptism. He has attacked, in a way, the Sacrament at the end of the physical life, Extreme Unction. He has attacked the Sacrament of Confirming; this Sacrament he has attacked in the most minute way.

When you leave this dwelling on this day, I ask each child here in My Presence now to be aware of What

I did say, and in your awareness, be conscious of the Magnitude of the Ten Commandments, of the Sacraments, of the virtues, God gave to you. So be it.”

MAY 17, 1972 AT 8:08 P.M.

OUR HEAVENLY MOTHER

“I have appeared in many places of this great world The Father has created. In each Appearance, I have beseeched children to say special prayers for special reasons.

You live in a time worse than Sodom and Gomorrah. God is giving you and all mankind a chance to see the Truth, a way to know it, and God is expecting much of you, for as *This Great Miracle Of The Beloved Saint Joseph*, Who was My earthly Spouse, is upon the earth, It is there to help each of you. *This child* through whom I speak is as you. There are many facets to This Great Miracle of Hope.

My children, the evil one, God’s enemy, is trying to get hold of you. He is trying all means to snatch your Soul from God and he is trying to attract your attention every way he can.

As it was said to you, ‘You are a Trinity,’ do not forget this. Your Soul is to you as The Father is to The Trinity, The Ultimate. Your body is to you as The Son is to The Trinity, the human

form, the physical. Your Guardian Angel is to you as The Holy Ghost is to The Trinity, The Guardian, The Light, The Way.

Oh, My little ones, stay close to Me, and when you are in fear, when you are in agony, cling to My Knees. I cannot push you aside. I cannot ignore your cries, for you see, God has given you to Me.

This Miracle has been given to the world to give man hope. Hope is the only thing the beloved poor Souls in Purgatory have. God is giving you hope, for you see, He wants you now to change your ways and to grow in love with Him.

There is so much access to sin. There are men all around, encouraging others to be sinful and to draw you in. Please, on this night, promise Me and promise yourself that you will not allow others to touch you. When you grow in this way, you will be stronger than you know strength to be, you will have courage beyond your knowledge, and you will have Love that nothing on earth can compare with.

I truly am your Heavenly Mother, and as I stand Here I cherish

each child born to the world; I cherish your love.

Oh, My children, on this night certain men are stopping the birth of certain little ones. This is a terrible sight from Where I stand. I am, in many ways, beseeching these children who are ready to take a life, to please think twice, but they did not grow in love with God so they are more concerned with the physical way.

This Miracle has been given to the world, to all mankind, to give mankind the order of things. First, God must be considered above all things. His Will must be considered. His Commandments must be obeyed, and yes, children must understand that there is a Place for the Soul: a Place of Beauty, a Place of Purpose, a Place of Truth.

I hold *this child* firm, for you see, I prepare the way for The Heart to speak today.”

MAY 17, 1972 AT 8:16 P.M.

THE SACRED HEART

“We have given you, firsthand, Our Love, Our Truth, Our Direction. Are you about to reject It or will you be wise and accept It?”

The child who is before you has accepted the responsibility for the Souls of men. I will take you back to a time when I did walk the land. The Wisdom that I taught was not just for those close to Me, but for the multitudes who would gather to hear the Words through Me. It was necessary that once again this Teaching occur for men, and so it is being done in your time and in a way you can well understand.

I ask each one here now: If you stood at the time of the Crucifixion, would you shout as those who were torturing Me, or would you be frightened and remain silenced as so many did? Would your tears be for Me, or for the physical reaction you felt about such things? Along the path, I was human enough to want men to stand up for Me, even though I

did know that they could not stop this terrible thing.

I hold *the child* now within the area of My Heart, a place where she has often been, for through this, I give her strength to carry on again.

Men are trying to diminish Our Way. Men are trying to say that the Physical¹ We are allowing each man each day is not, in truth, truly Us, only a symbol of Our Way. Never have We given man a substitute. Never has The Father tricked men. There are so few children in the world who are willing to accept the responsibility of fighting, of standing up for truth.

On this night, through *this child*, I ask each of you to fight the heresy in your day, and do not let any man weaken your love this way. Ask yourselves: How much are you willing to give? Ask yourselves: How much are you willing to sacrifice to help yourself and other men? Ask yourself what you place most importance on: the physical, or the Purpose of your life, Sainthood? So few men are in knowledge of the Purpose of life. You

¹ Physical refers to The Holy Eucharist

are given the chance, the privilege, to become a Saint. Let your vocation in life be directed toward this Goal.

I hold *the child* deeply, lovingly, and understandingly. The sacrifice she makes is for you. This Time in the world is to give man Our Truth. A great sign in the sky would not comfort you. It would not teach you. It would not give you something to cling to. So, This Great Miracle is serving a great purpose for each of you.

I will release *the child* slowly, but before I do, I will bless each one of you in a special way, with a Special Power unknown to you: I raise My Hand over your head, over your heart, and I give you The Father's Love; and now I touch you with My Heart, and now I cross you with The Light. It is Our Will that you will always stay within this Light from now on. So be it."

MAY 19, 1972 AT 11:33 A.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. I have oftentimes come through *this child* to give Lessons to those who will listen God’s Way. I have oftentimes given Directions in a specific way, and now I come to you today to help you better understand Sainthood, to help you better know God’s Reason and God’s Plan, to help you better understand the beauty of obedience to God’s Will.

Through the centuries man has devised many plans. Some were to make man grow in the physical way, some were to give man expansion in the world, some were to teach man how to pray. I say to you now, ‘Man does not need lessons in certain things if he is taught correctly of God’s Beauty, God’s Power, God’s Love.’ First of all, God created All Things. Man sometimes makes discoveries of these things, but never has it been known that man discovered something that was not already available to him.

Man was given the Ten Commandments. God gave man a Special Rule and Way to live by and to live with. God thought of all things in These Commandments. Man misinterprets These Words. I want each child here, and those who will just read about This Great Miracle, to understand wholly The Commandments given by God for the Salvation of man. Please, My children, go down each one, and see what They should mean to you. See what They would profit your Soul, and see why God had to give it for all times, in all ages of man.

Man is not being taught the beauty of self-discipline. Man is not being taught the beauty of obedience to God's Rules. Man is not being shown the beauty of Trust in God's Way. Men are misinterpreting it, distorting it, and making folly of it.

In the time in which I lived, there were many who made fun of my way, of my thinking, but I knew deep within my heart that this physical life I had, had a Great Purpose to it, and a Goal that had to be attained by me. I felt sorry for those who strayed from God's Rules, and I would try, in

my way, to be example of The Divine Three.

When the Holy Wounds were passed on to me I was unworthy of Them, and there was nothing that I could do in my life to make me worthy to receive Them. They were not just to make me a Saint, but They were given to show the world the beauty and the need for suffering.

Oh, My children, offer all things to The God Who made you, and keep in mind that all things He gave and that He does, have Great Wisdom in them.

I bless you with God's Love, for it was He Who asked Me to speak to you, and I bless you with Truth, I bless you with Light, for it will be through this Light you will learn to love Him. So be it."

MAY 19, 1972 AT 11:45 A.M.

SAINT JOHN VIANNEY

“My children, I am Saint John Vianney. There were many times that I, in my weakness, desired to walk away from man. There were many times when the burden of man’s sins, man’s weakness, became too much for my littleness, and I would cry out to God, ‘Let me walk away, let me run from them.’ Now, as I look back, I see in pure vision, the reasons He made me stop, think, stay, work, and grow in love with Him.

As I stand Here in the Heavens Where I am, I come through *this child* to encourage each one here to follow God’s Love unselfishly, and yes, in an obedient way. Do not allow yourself to walk to the other path, for you see, the evil one enjoys those who stray.

Oh, My children, God did not create you and say, ‘Do not enjoy all of My other creations,’ but what He does say is, ‘Obey The Commandments I gave and look for the beauty of the physical way; and keep in mind that Reward is for you when you walk a physical road

governed by Me.' Oh, My children, Sainthood waits for you. Do not deny your Soul this Beautiful Way. There is All Peace, All Tranquillity, All Love Here. There is no need for hope, for We have attained The Ultimate Way.

Hope is being given to the world by The Beloved Father now. There is a Great Hill planned for your day. Upon this Hill God has put all things. He is giving man all, in Grace to him. Keep this in mind. There are many, many men, eager and ready to place obstacles in the way of this Hill, but these men are pawns of the evil one. Some are not in knowledge of being a pawn, but they have allowed their weakness to control them.

I say to you now, My little ones, 'Pray that man does not allow weakness to stand in the way, for God has opened His Arms, God is giving the world Hope through The Beloved Saint Joseph in your day.' Please, My children, pray that His Will be done in your day. So be it."

MAY 19, 1972 AT 11:56 A.M.

SAINT THERESE OF LISIEUX

“My children, All Heaven enjoys This *Miracle Of The Beloved Saint Joseph*. When We have the privilege of being used by God to reach you, it is a joy to Us to be able to pass on to you the Beauty of the way to Heaven.

As you know, My way was called ‘*The Little Way*’. My way was not always busy. My way was a way of doing little acts of love for Him Who was Above. There were many times that I did not want to do a particular task, and I will say to you, ‘I knew by offering it to Him it would become less tedious for me.’ So, I guess you could say I was selfish in my own little way. But remember this, as these tasks multiplied, I began to understand the Beauty of His Way; also, My children, then I was better able to cope with the big things that came as obstacles, as fears, as hurt.

So I pass this on to you, on this day in your time: ‘Work a little at a time. Do one thing at a time His Way, so one day you will feel the need and

the desire to do the big things He will ask of you in His Way.'

I bless you with God's Love and I say: 'I hand you a rose. I hand you a little gift. He has waiting for you the Ultimate Gift, Sainthood.' So be it."

SAINT RITA

“My children, I am Saint Rita, and I come through *this child* to give you God’s Love. There are Many Saints Here in the Heavens Who walked in a special way, Who walked desiring to do God’s Will, God’s Way.

Many men do not realize that through the Sacrament of Marriage, through the vocation of the marriage way, man can grow in love with God in a special way. Man sometimes feels that there is no Grace to walking in this way.

Oh, My children, I walked the marriage way, and then when all things this way were taken from me, I walked another way. But it was through the marriage state I learned to love God in a special way. I learned to accept obstacles and trouble.

Oh, My children, use the vocation of your way, use each moment every day to seek God’s Love in His Way. I bless you and I say: ‘The Wound that I suffered one day has been Glorified by God in a Beautiful Way. Let the wounds

you suffer, no matter what they are, be offered to Him, and you will one day wear them in a Glow, special in His Way.' So be it."

MAY 19, 1972 AT 12:05 P.M.

SAINT TERESA OF AVILA

“My children, you have come forward to hear The Saints speak. You have come forward to learn more about God, and you have come forward, some of you to criticize, and some to accept All that We did say.

There was a day when I walked the earth and many girls would stand before me. Some would be in a critical way and some would say, ‘Oh, beloved mother, help me today.’ They would have compassion for others and they would be humble in their way. I stood before them, but each child, no matter what type of child it was, I would ask God’s Help in her way.

And now I say to you, ‘Be conscious of the others, but pray to God for help for them.’ Do not always feel that you are capable of helping them alone, for you see, only God knows what is in their heart, and only God knows what will, should be accomplished in their way. You see, many children walk very strong-willed, and many children want only their will to be done, but when

you pray, God will see that His Will be done for the child who stands before you, who stands in your way.

I bless you and I say: ‘Others will speak. Many have taught. You must know that God loves you on this day.’ So be it.”

MAY 19, 1972 AT 12:11 P.M.

SAINT CATHERINE LABOURE

“My children, We have come in much force today, for there is a great need in your time to hear The Saints speak. There is a great need for man to return to the Beauty of God’s Way. There is a great need for man to see God’s Truth in things close to him. I am Saint Catherine of Laboure.

As I hold *this child* tight, I speak to you with God’s Light. I teach you how to pray, and I teach you the right way. So many children are praying the wrong way. They are praying out of self-love. They are racing through the words to God Who is Above. Children must be taught to pray with devotion. Children must learn to say the words with love. Children must learn that to pray can be done in many ways. Children must see the beauty of prayer in every day. Children must acknowledge that to pray is communication with God in a special way.

So little emphasis is put on prayer. Some men have latched onto

the idea that prayer must be long hours of meditation. This, My children, can be used by satan, for a child who wanders off in a prayerful way cannot concentrate that continuously any day, so children must be taught that they can pray words of love, and it must be done in a devout way. Then children must be taught that their actions are prayers to God in a special way. Children must be taught that sacrifice is a great prayer to God. Children must be taught that obedience is a prayer to God. Children must be taught that trusting in God's Way, God's Rules, is a prayer to God.

Children must be shown by example, the beauty of the physical way, and they must be taught modesty and purity, kindness, gentleness, firmness, courage and strength. All these can be prayers to God. Children must be shown the beauty of the little way, so that when they are faced with big things to conquer, they will have the strength to do it God's Way, for through the true interpretation of prayer, children will grow in a great way, God's Way. There are so many things that can be accomplished through prayer.

I, Saint Catherine of Laboure, say to you on this day: ‘As you leave, pray. As you walk, let it be a prayer. As you talk, let that, too, be a prayer. As you play, let it be a prayer to God in thanksgiving for the Act of Love He gives you in a special way.’

I bless you with God’s Love, and I say: ‘The Blessings you have received on this day are more than you can know. Be sure, My children, you offer a prayer of thanksgiving for today.’ So be it.”

MAY 19, 1972 AT 2:11 P.M.

SAINT JOHN OF THE CROSS

“I am a Saint that you children have not heard from often, but I am ever ready, Here, to give Teaching, Love, Direction, as God Wills it to be done. I am Saint John of The Cross.

Man does not understand the Beauty that Heaven is. Man does not fully understand the Purpose of the physical life. Man does not try to understand that he has a Soul to return to God. There is much to be learned by man and much to be taught through man. There is much direction, much example that must be given for Divine Plan to be uppermost in the mind of man.

Children speak My Name. They do not question My way, for now man has accepted all the things I did give and say; so now My Teaching must be accepted by you, for It is Worthwhile. It is God’s Will.

No man in the world can come close to analyzing This Great Miracle. *The child* is as an instant tool the moment a child is in view.

And now I say to you: ‘Do not compare My way with others, but follow it. It will be good for you. Love God above all things. Serve Him in His Way, for He is King; and when you pray, pray with love, pray as a child to Him Who is Above. Be sure that in your daily way you show humility, and if you have much pride, strip it from your way for it will only cause decay. It is not strength, it is weakness, and it has no place when you serve God in a total way.’

I bless you with God’s Love and I say, ‘Let all things you do be worthwhile, and the only way that they can be this is to follow the Truth that God gives to you.’ So be it.”

MAY 20, 1972 AT 12:40 P.M.

SAINT JOSEPH

“This Miracle is to draw man up from the depths of despair to the heights of Sainthood. This Miracle is to give man a Strength to cling to, and yes, a Light to live by. This Miracle is to show man God’s Generosity, God’s Love, God’s Truth, God’s Great Way. This Miracle has been put forth upon the earth to give mankind All the Things that will make him a beloved Saint.

As you are present in this place, in this dwelling, with *this child*, Heaven watches, Heaven listens, and Heaven waits for each of you to be a Saint. Man uses the time on earth in many ways, some foolish, and sometimes in ways worthwhile. Man does not realize the value of time, for sometimes man just fritters it away. Heaven is alert to man’s words, man’s way, and the meaning that man puts on many things, and that is why so many times the Words We say sound familiar to man in a human way.

Children all over the world must know of This Great Miracle. The Beautiful Hill of Hope is to give mankind hope. Man cannot see this Hill as it truly must be, for man's design would be different. Man would look for a commercial view and forget the purpose of the Hill is to save man's Soul.

There are many men in the world now who never think of their Soul. They think only of material way and how they grow in other men's eyes each day. This Beloved Miracle has been put in a natural setting, but to show man that God, in a simple way, is Profound in all things.

My children, I, Saint Joseph, speak through *this child* from a Realm you cannot know and in a manner you cannot describe. *This child* is an *instrument* for The Holy Trinity and All Things that come through her are Worthwhile.

I bless you with God's Love and I say: 'Do not waste time each day. Use the time that God does give to you to nourish the Soul, to help It grow, and use the time in the world not just for

material gain, but to give other men example of God's Way.' So be it."

MAY 22, 1972 AT 9:25 A.M.

SAINT MARTIN DE PORRES

“My beloved son, My beloved daughters, this is a rare happening in the world of man. Children have prayed centuries for this to occur, and no man expected it to be quite like this.

I am a Saint few men know, but God has permitted Me to come through *this child* at this moment, to give Direction in This Great Miracle of Hope. I am Saint Martin de Porres.

All Who speak through *this child*, speak with the Love God has for His Creations. All Who speak, speak with the desire that all who hear will strive for Sainthood which is Here. Through *this child* All Heaven comes in a moment's notice to speak the Wisdom of The Holy Trinity. In the time I lived upon the earth, I did not have such a Blessing as is among you. There are so many Lessons to be learned through *this child* who stands in Total Truth.

The world is now learning about The Beloved Saint Joseph. There has

been little known of His Way, for you see, it was important that He stay in the background, for The Son of The Holy Trinity was to be seen for the Great Part He played in the Salvation for man. The Beloved Mother Who walked with The Beloved Joseph was the next in line to be seen. Now God has Decreed The Time in which you live for This Great Saint to be heard, to be seen, to be honored, to be revered, to be loved, by all men. His walk upon the earth was strict obedience to God's Will. His walk was as other men: many tasks, the Guardian of a Wife and Child, the Provider of the human way and source. Upon His physical death, He was held in the Arms of His Son and He felt His work was not yet done. As The Son smiled into His Face, He said, 'Father, Son, Your work has just begun.'

Man has not waited hundreds of years for the results of This Statement, for The Beloved Saint Joseph has worked constantly under God's Will, doing God's Will all this time, but This Announcement of His Name brings His Work, His Path, His Way, His Love, out in the open for all men to understand the Beauty of humility and the Purpose of the physical way.

There are so many things that have been revealed through *this child* who walks in a total human way. I say this, for you see, man would find it difficult to understand that her whole being is governed by The Divine, and Each Word she does say is governed also by The Holy Trinity.

Some men, in eagerness to learn God's Truth, God's Way, stand by and try to analyze This Great Miracle that has been placed upon the earth to save countless Souls. No man can analyze This Great Miracle. No man can understand the obedience *the child* stands in, for no man understood the obedience that The Beloved Joseph walked in. So it is again in the world. Obedience cannot always be understood, for true obedience to God's Way cannot be seen, in the magnitude it is, by mankind.

It is a privilege in Sainthood to work through a Miracle of This Kind, for you see, Our Aim, Our Desire, is to please Our Beloved God, and this is such a direct, open way, when We come through *this child* any day. For man to honor Our Name and Our Way is good, for it alerts man to Sainthood, but for Us to be able to speak in a

direct, revealing, teaching way, is a beauty unknown to man. This Great Miracle must be held in open fields, for you see, there is so much Teaching, so much Love, so much Direction to be given to countless children.

Man remembers reading about 'a sacrificial lamb'. Again God sends *one* to the world. It is not always easy for the sacrifice to bend, but in due time the love *the child* has for Him will overshadow the human feeling within.

I will leave, for there will be Many Who will come to encourage *this child* and to give her strength for what must be. I bless *the lamb*, I encourage the sacrifice, and I alert you to the Will of The Holy Trinity. So be it."

MAY 22, 1972 AT 1:07 P.M.

SAINT CHRISTOPHER

“My children, children travel great distances for many reasons: some for a way of vocation, some for enjoyment, some just to do certain things likable to them; and now, upon a Great Hill will stand *a child* and she will gather children from all over the world. They will travel. I am Saint Christopher.

Many, many children do not understand that to travel in any manner, in any land, they must ask for protection, for you see, the evil one, God’s enemy, sometimes uses this time to attack in an ugly way and in a sad way. I will speak slower. *The child* is weary.

Some children take flight and they move quickly, and in this move they do not use caution or precaution, and then, I say, ‘It is wise when you act this way: to call upon The Saints, to call upon The Holy Trinity, to help you, to guard you, and to guide you in a special way.’

Children will begin to climb the Hill, and Many Saints will be standing upon this Hill, guarding them, guiding them, directing them; and then, when they reach the designated spot, there will be Many there Who will speak a lot. I will be One of Them, and now that I have spoken to you, I say, ‘I bless you with God’s Love, for The Miracle of Hope is on Its way.’ So be it.”

MAY 22, 1972 AT 1:37 P.M.

SAINT PETER

“My children, I am Saint Peter. As I stand Here in the Heavens, firm in My Way, I come to you and I say, ‘The Church is important to God, for do not forget, The Beloved Son was the First Man to teach, to stand in the Priestly Way, to give to other men The Holy One.’

Oh, My children, We are All standing Here on this day, eager that Our Words be heard, followed, because you see, We are All aware of God’s Plan for thee.

It is now as it was in the time of The Beloved Son. There were many things that He was to do that He did not want to do. He did not want to stand before man, always in jeopardy of ridicule, skepticism, criticism, but it was The Father’s Will; and so it is again in your day, that this time, through *a woman*, they hear God’s Wisdom, man’s way.

Now I say, ‘If We are All able to talk today, imagine how Many of

Us will speak out on the Hill of Hope, knowing it is God's Plan for your day.'

I bless you and I say: 'The Church you love, that you stand in, stand for, must flourish, and satan is desiring to diminish it, to stomp it out. This Hill of Hope will make it grow. This Hill of Hope will give it God's Love, firsthand. Is this not reason enough to stand where He has planned?' So be it."

MAY 22, 1972 AT 8:05 P.M.

SAINT BERNARD

“My beloved sons, My beloved daughters, I am Saint Bernard. Nowhere in time has man heard from Heaven as man is hearing in this manner now. Many men are rejecting It for they are too full of self-pride, and yes, self-love.

I ask each child here in My Presence now, to first, on this night, think of the way of life, think of the Purpose of life, and think of where you are going when the physical ends.

Each man in the world, in this day and in all days, should begin the day with a loving prayer, then think about the Purpose of the physical life and the purpose of the vocation way. Too few men are interested in any prayer. They are so involved in the material world, in the world of progress, that they put God behind all things.

I say to you on this night, ‘Do not feel that you are walking so right, because there are some areas you are failing God in.’ Please, My children, one of the great reasons for This

Miracle to come to the world is to alert mankind to his weakness, to his selfishness, and to his self-love.

Many men are now ignoring the Ten Commandments. They are not looking into Them. They are saying, 'They are a thing of the past.' Not so, My children. The Commandments God gave are for you, and each Commandment has many facets to it. Look into Them. Study Them, and then ask yourself each day, 'Have I obeyed Them?'

I bless you with God's Love, for Others want to speak to you from Above. Be cautious, My children, and obey The Commandments God gave. So be it."

MAY 22, 1972 AT 8:21 P.M.

SAINT MARTHA

“I will speak mainly to the daughters in the room. I am Saint Martha.

There are many things to be learned through This Great Miracle of Love, of Hope. So many children are standing on the sidelines, looking in and discussing the validity of God’s Will, God’s Way, in performing in this manner in your day.

I say to you now, ‘As you walk as woman, you must learn to pray, and you must teach others the beauty of modesty and purity, for it is loved by The Heavenly Mother in all days and in all ways.’

There are so many men who are striving to tear down the beauty of womanhood. I say to you on this night, with Great Love for The Holy Trinity, ‘You must stand up for all things that are truth and you must stand up for all things that please The Heavenly Mother.’

I ask you, My daughters, to be assured and to assure others that the way you must walk is to follow Her Path, Her Way, with love. So be it.”

MAY 22, 1972 AT 8:30 P.M.

SAINT CATHERINE OF SIENA

“I am Saint Catherine of Siena. I speak to a gathering of children to help them become a Saint.

There is much heresy all around and satan has devised a plan, a great one in size, to tear down God’s Love. Satan has introduced in a big way, promiscuity, homosexuality, communism, cults, false prophets, and his own great movement bearing his name. He is trying desperately for his followers to equal in number the followers of The Son of God.

Many whom you meet in work and play follow the evil one every day. They do not advertise it to you, but watch out, My children, for your Soul, for he is out to gather what God wants from each of you.

I, too, had to stand strong and staunch against the evil of My day. It is sad to be this lonely in a world so filled with men, but God must use *a sacrificial lamb* to save Souls. He gave His Son in this way, and since that time He has asked others to stand

in such Solid Truth, a Way of Wisdom, that even the ignorant would be able to follow through.

Man has put much emphasis on book learning. Man has put much love on acclaim from man. Man has distorted Truth to please himself. You live in a time where much evil is all around and God has given you a Miracle to help you.

Ask yourself on this night: How much do you do to please God? Some of you are not sure. Some of you must admit, 'Just a little.' Some of you might say, 'I feel I do a lot.' I say to you now, 'Do you do it your way or God's?' There is a difference, My little ones. Keep this in mind.

You have been Blessed by many Words on this night, more than you know. More Direction has been given than you can absorb, but as it is with all mankind, God says, 'Take what you know you can handle; use It well and follow through.'

I, Saint Catherine, bless you and I say: 'All Heaven comes forward through *this child* each day. It is to save Souls, to give man God's Love

**direct.’ I bless you with God’s Love.
So be it.”**

MAY 23, 1972 AT 11:18 A.M.

SAINT JOSEPH

“My children, no man in the world knows the Magnitude of This Great Miracle. No man in the world realizes the danger it is to stand before all mankind, delivering such Important Issues, Lectures, Love, Direction, as *this child* must do for God’s Will to be done to save countless Souls.

There are many, many issues to be brought up before *this child* in the near future. She will have to stand firm on how We say things should be, for if man is allowed to take over, there will be distortion on the Will of The Divine Holy Three.

You see, My children, God has chosen *a child* to be totally for Him in His Way, constantly under His Direction in your day. Man cannot understand this Great Way to stand, but it is not for man to understand, but just for man to obey and see.

It is a great privilege for man to hear the Words from Heaven, spoken by The Father, The Son, and The Heavenly Mother. Also, All The

Saints have come forward, God's Will, God's Direction, to help man over the terrible time man is experiencing in the world.

There are many men who will come forward soon, desiring to take part in the Holy Hill, the Hill that was designed by God for man to come to, learn from, be part of, and yes, one day grow so in love with The Holy Trinity that Sainthood will be the only Goal he has in any way.

Man is trying desperately to fight This Great Miracle. Man is foolish. Man says, 'I know what is best for me,' and God says, 'I, your Creator, know what is better for you.'

And now, through *this child*, All of Heaven speaks. I, Saint Joseph, say, 'The Miracle is on the Winds of God's Power and in the Power of His Winds.' No man can stop This Miracle; It Is Too Big.

I bless you with God's Love and I say, 'All the Words that you hear coming from Us in your way are to help you be a Saint one day.' So be it."

MAY 23, 1972 AT 12:18 P.M.

SAINT COLUMBKILLE

“My children, I am Saint Columbkille. All Heaven is standing Here, present now, to speak through *the child*. We will speak in an amount and in a way unknown to men in any time man lived upon the earth. Most children are chosen to speak the Words of One of The Divine, or to seek the Way of a Particular Saint for others to see the Beauty of the Saint, but *this child* speaks the Words of All Here, and that is why it is difficult for man to understand, to comprehend how this could be, and many men say, ‘Is she for real?’

Right now, you live in a time of great trouble, and so God has designed This Miracle to be your Guide, your Strength.

I leave now, for Another Saint to speak to you from Our Realm.”

MAY 23, 1972 AT 12:20 P.M.

SAINT ROBERT

“I am Saint Robert. You see, My children, We are All prepared to stand ready to deliver Direction to men who care.

In the world now, there are many who are so in love with themselves that they cannot feel love for God in any way. There are many following movements, for they feel it is of their day, and what they do not know, what they do not see, is that satan is leading them away from God’s Love, and he is saying to them, ‘Love yourself.’ Oh yes, My children, men are being led away from the Truth that God is.

I leave now, and I leave Another Saint to speak to you in God’s Way.”

MAY 23, 1972 AT 12:21 P.M.

SAINT CHARLES BORROMEIO

“My children, I am Saint Charles of Borromeo, and I say to you now on this day, that you must understand the Beauty and the Truth of The First One that was to lead you, Which was The Son of The Father. He stood before men in a simple way, and yet He stood before men in a gallant way. He stood before men in a loving way. He stood before men with total trust in God’s Way; and so it is now *this child* must do, stand before mankind His Way, never man’s way.

As I leave, Another Saint will speak to you.”

MAY 23, 1972 AT 12:22 P.M.

SAINT MARTHA

“My children, I am Saint Martha, and as I speak through *this child*, I speak with Kindness, Generosity and Love, for you see, This Miracle has come to the earth to show the world, to show mankind God’s Generosity Which is Divine; to show the whole world, to show all of mankind the Purpose of life. Ah yes, My children, This Miracle is sublime.

I leave you now, for Another Saint desires to speak. Oh yes, and She is of Great Love Here in the Heavens Where We All remain.”

MAY 23, 1972 AT 12:23 P.M.

SAINT AGATHA

“My children, I am Saint Agatha, and as I speak to you on this day, I speak with a Great Love and a Firm Truth, for you see, you stand in the core of God’s Greatest Miracle on earth. Do not deny It, do not betray It, do not ignore It, for as It is here with you, It is real.

I bless you and I say, ‘Remain in God’s Arms each day, for as you remain close to The Miracle of His Love, you remain in His Arms in a special way.’

I leave now, for Another Saint will come to *the child* and appear in a special way.”

MAY 23, 1972 AT 12:24 P.M.

SAINT DOROTHEA

“My children, I am Saint Dorothea, and as I speak through *this child*, I speak with a Great Love for mankind, for I was once in the world and I was once counted in this way: the physical form. Man counts other men, but he does not count Souls. God is The Counter of Souls. God is The Creator of All Things. So, as you live and as you work, as you love, keep in mind the Soul that God gave you from Above, and be sure that you count Souls that you meet. Be sure that you count the love you give for God and in His Way, for you see, the credit is then given to the Soul that He gave you one day.

I bless you and I say, ‘Another Saint stands by to speak to you on this beautiful day.’”

MAY 23, 1972 AT 12:25 P.M.

SAINT HELEN

“I am Saint Helen. Many children do not know of My way. Many children do not care, for they are not being taught the Beauty of Sainthood or the privilege it is to be Here.

Man is ignoring the Purpose of the physical life. He is ignoring the way of the Soul and he does not see It as a Light. So many men are trying, in their own way, to destroy the Part of them that is Important to God, and satan is working endlessly each day to help Souls come his way. He is deceitful, My children, and he hates God, for you see, he envies The Holy One.

Oh, My children, All Saints are prepared to come through This Miracle of Love your way.”

MAY 23, 1972 AT 12:26 P.M.

SAINT FRANCIS XAVIER

“I am Saint Xavier. I have come oftentimes through *this child*, and one time I announced Myself as Saint Francis, and she immediately thought It was the Other One loved so by God.

Oh, My children, be conscious of the Soul, and the life and the love and the purpose and the truth, and the need for obedience, and the beauty of penance; and keep in mind, that when God made you, He made you to His Likeness. He, also, in the making of you, gave you Rules to live by, for He wanted you to return to Him, oh yes, in a beautiful way, and I might add: immediately, when the physical ended.

There are many children who do not know of My way, and now I say, ‘More must be learned about the natural way We walked in the human way, so you see, children will better understand the Purpose of life.’

I leave now, but as I do, I bless you with a Truth you cannot know, for The Miracle is on the Winds of God’s

Power, and you are in the Wind that surrounds you: the Wind of The Holy Ghost, the Wind that is Pure, that only leads men to God.”

MAY 23, 1972 AT 12:28 P.M.

SAINT PHILIP

“My children, I am Saint Philip, and as I speak through *this child*, many children know My Name in a casual way. They know that I gained Sainthood because man told them that I did. But now I come to you and to others in a personal way, for you see, All Heaven is eager to please The Holy Trinity, and This Miracle has been set forth upon the earth to teach man God’s Way and to give man God’s Grace.

There are so many children standing on the rim of This Miracle, afraid to take a chance, afraid to participate, afraid they will be drawn into the web, and God stands over them and says: ‘Allow yourself this chance. Do not stand on the outside looking in, for you will never gain certain Grace. Have Faith, My children, and know that This Way would be My Plan.’

Oh, My children, you are fortunate, and as you know, each thing you do should be offered up for God Who distributes all things, and for

God Who places all acts of love in the correct place.

I love you, for He loves you, and I bless you with His Grace.”

MAY 23, 1972 AT 12:29 P.M.

SAINT PEREGRINE

“My children, I am Saint Peregrine. There are many, many children who do not know My Name nor My way. I smile upon this, for this does not stop Me from helping those who pray to The Father, to The Heavenly Mother, and to The Saints Who are well-known in your day. There is All Good Here in the Heavens. There is All Care for children who still remain upon the earth.

Oh, My children, pray hard, pray much, pray devoutly, and know that as you do, this is your communication with God Who truly loves you.”

MAY 23, 1972 AT 12:30 P.M.

SAINT ANTHONY MARY CLARET

“I am Saint Anthony Mary Claret, and as I speak from this Realm Where I am, I say, ‘Children must pray totally God’s Way.’ So many are confused in the world, and they pray only in times where they feel disaster around. They must not do it just at these times. Oh, it is true these prayers are heard, but how much more beautiful it would be for God to hear these children say to Him, ‘I love You, please hold me dear.’

There are so many children letting time be wasted. There are so many children letting time flit by. They are forgetting the value of time, the promise that time gives when it is performed, allowed, delivered, in God’s Way.

Oh, My children, keep in mind the Beauty of The Holy Eucharist, and as you do, cherish Its way, for It is a Particular Part of The Holy Trinity that enters your body in a special way. Hold It close to you each day, and do not allow scruples to keep you away. There is Much Love in It, there is Much

**Strength in It, and, oh yes, there is
Hope with It. So be it.”**

MAY 23, 1972 AT 12:32 P.M.

SAINT FRANCES CABRINI

“My children, I am Saint Frances Cabrini. I have spoken many times through *this child* and I did not announce Myself for reasons of God’s Way.

You must understand that This Miracle is One Alone, and It was given to man to lead him God’s Way. So many children need This Miracle, and in many ways, certain men fear telling It to others, for you see, they feel they will be laughed at and they do not want this in man’s way. They feel self-conscious, displaying such a Miracle, and I, Saint Frances, come today and I say: ‘If you are laughed at for God’s Love, offer it to Him with love. If you are ridiculed because of your desire to please Him, let it slide off of you; it is only the weakness of man. If children mock you because of your blind Faith, blind Trust in His Way, do not let it penetrate you, for you see, you should be so filled with love for Him that man’s weakness, man’s mockery cannot enter in.’

**You are Blessed much through
This Miracle. You are Loved much
because of It. Keep this in mind in
your day.”**

SAINT JUDE

“My children, I am Saint Jude. Children come to Me for many reasons, for many purposes, and always in great need. I offer these things to The Father and I wait for His Answer to be, and sometimes He says, ‘Not now, Jude, the child needs more than this,’ and so I stand back and I say, ‘Thy Will, My God, not the child’s today.’ The Father says, ‘Jude, keep them in Your watch, and as You watch them I also will, for the child is weak.’

And so, as I stand Here in the Realm, I never disobey. I keep each child in My watch who prays for the ridiculous, for the impossible, and yes, for help from God in His Way. So be it.”

MAY 23, 1972 AT 1:17 P.M.

OUR HEAVENLY MOTHER

“My children, I am your Heavenly Mother. I speak through *this child* many times, and I come again now, to give you a Lesson that, in many ways, will give you Direction.

Children place much emphasis on the physical school of their day, and in this place so little is being taught of Divine Way. Children are being cheated of how to love God, how to serve Him, how to better understand Him, and they are not being taught the Privilege of the physical way, the Purpose of this way.

The evil one, the enemy, has diminished the beauty of prayer, has encouraged man to ignore communication with Here. Children are shouting for what they know was left behind by The Saints Who are Here, but what they do not understand or realize is that God, in His Perfection, designs His Way for the time man is living in that day. He does not say that the past is not for now; it is just that His Way of reaching man is Personal

for the time that man is in existence now.

Children are, in many ways, being pushed aside so that the elders can enjoy the sensitive ways. Children are following in some of these ways, for how else can they know it is wrong unless they are told, unless they are taught? But man has become so indifferent to the Souls of the little ones that man is standing in all self-love, showing the little ones that self-pleasure is important above all things.

This Miracle is being sent to the world to show mankind in a visible way, the beauty of modesty, the importance of purity, and yes, the need for virtue to be once again recognized as important to man and in his way.

Sometimes the Words come so rapidly through *this child* that her physical can hardly grasp the One as It is sent forth on the Power God gives to be used to reach mankind through her. Sometimes she says, 'Wait, please, I cannot say the Words.' We smile at this for We understand weariness, and sometimes listening to What We say causes her to be slower in man's way.

Oh yes, what Love is given through her, is God's.

Children are accepting fallacies in everything. Children are accepting heresy because it is being given to them, shown to them in a light that looks good to them. Children are being told to practice what makes them feel good, and this is satan's way of enticing them. If children would only listen to the Words that We say, children would begin to see the Truth in Them, the Beauty of Them, and the Purpose They are meant for in your day.

I stand in the Heavens, always eager to take a Soul from Purgatory, to place the Soul at the Feet of God. Too few children are praying the Holy Rosary. They are too busy indulging in self-satisfaction, self-acclaim, glory for their own name. They are ignoring the Beads of Hope, the Beads of Purity, the Beads of Love.

This plan that satan has put forth upon the earth to gather children, to take them away from The Father, is doing just that, for children are falling into the trap: the trap of egotism, the trap of pride, the trap of

self-love, the trap that says, 'Ignore God.' Many names are being used for these traps: one is Promiscuity, one is Homosexuality, one is Narcotics, one is Alcoholism, one is Mafia, one is Communism; one is Satanic Movement, and children are following it; one is Pentecostalism, one is the Jesus Movement; all facades for his work. I could go on and on with these words, and they are all being used by the evil one to encourage children of all walks of life to enjoy the way of the physical life.

TTrue enjoyment of the physical life is: first, to learn to know about God; secondly, to communicate with Him; third, to recognize the Purpose of the physical life and strive for It, for It shows all happiness, all peace, all tranquillity, for all time; but children have become so used to living for the moment, living for self-love, that they do not look for the Future which should be Above.

I am coming through This Miracle of Hope to teach children the Beauty of the Holy Rosary; also, to seek the Protection of The Beloved Saint Joseph, for He was The One that God gave to The Son and to Myself, to

protect Us, to care for Us, to lead Us to where God wanted Us to be.

Oh, My children, you live in a time of great trouble, great disaster. It is a time that God says to All of Us Here: ‘Go forward and teach them My Way. Teach them My Love, for I cannot bear to see their Souls go the other way.’ Oh, My children, do not let anything of the evil one’s rub off on you, but place each day in a beautiful way, and pray for those who cannot see the Light of This Great Miracle.

We stood upon the earth as a Family. We once again stand Here in the Heavens as a Heavenly Family for you to come to, for you to love, and for you to listen to. Keep this in mind. You have learned many Terms of Ours through *this child*, and oftentimes, when repeated Ones are spoken, you immediately know that We are The Ones delivering the Lessons, the Teachings, the Words.

I bless you now, My little ones, and I say, ‘Hang on to My skirt and I will protect you with My Love, which God says is Perfect.’ So be it.”

MAY 26, 1972 AT 11:22 A.M.

SAINT JOSEPH

“My beloved sons, My beloved daughters, I am Saint Joseph. *The child* through whom I speak is as you. Men are wondering, all over the world, ‘Could This Miracle be true?’ I come in a personal way and I say, ‘The Truth that is being taught is to save your Soul one day.’ As I am interwoven with *this child’s* being, I use her physical so you will be able to accept the Words that I reveal. Many men try to analyze This Way. They cannot; It is one alone in your day.

So many children are wondering about the way We walked the physical earth. In many ways, We walked as you, natural, and yes, walking and working to save Our Souls. As I worked to care for My Beloved Spouse and The Child Who was there, I oftentimes listened to men who did not feel their Soul and they did not understand the Spiritual in any way. I would try to tell them that they must look out for This Part of themselves that was unseen; and today, I come again upon the earth to say the same thing.

When the day was finished and I would return home for repast, for respite, Our home was much the same as yours. We Each had a day to discuss: moments of joy, moments of sorrow; and when sickness was present, We helped Each Other and We took care of Ourselves. There was no Mighty Hand stretched out in the Heavens to wipe away these little things from Us. It was part of the physical road that We had to walk, for you see, as We faced each day, We had to learn trust.

You also, My children, must learn to trust, and do not always feel that a great sign be given or that God's Hand be evident; for in trust there is Grace, for in hope there is love.

I speak through *the child* from Heaven Where I am, and I speak on the Winds of God's Power and in the Power of His Winds. I bless you with God's Love and The Heart of My Son and the Light of The Holy Ghost, Three as One. So be it."

MAY 26, 1972 AT 11:28 A.M.

SAINT FRANCIS OF ASSISI

“There are Many of Us Here to speak. I say to each one in My Presence now, ‘Open your heart, open your mind, for if you do not, you will delay yourself on the beautiful climb to reach God in The Divine.’

I, Saint Francis, speak through *this child* in a manner you do not know and with a Love you cannot feel. There are so few children in the world who truly desire to do God’s Will. All men are reacting to the physical. Man has names for all things. Man accepts all weaknesses and categorizes them in different ways, but always making excuses for the weak ones that draw him away from God.

Right now in the world, the enemy of God is working in corners and areas you do not know. Sometimes he covers his evil with a facade of good. Children of all ages are drawn into it and accept it because they feel it is natural and they feel it is part of the physical.

We shout from the Heavens and We say, 'Truth must be accepted in your day, for you live in a time worse than Sodom and Gomorrah, and God must destroy all things if you do not change.' Man immediately rejects words such as this. Man does not want to hear God's Way in this manner, but nonetheless, it must be said, for it is true. Man must change, for you see, God will not allow it to go on. Through This Miracle of Hope, of Love, of Trust, of Obedience, you are learning the Beauty of your Soul and the Purpose of the physical life. Keep this in mind.

I will speak to the sons in the room now. Sometimes you and other men decide that a particular thing could be right, to a degree, so you accept it, and I say to you now, 'Sift all things, for when you sift, you will find much change in what you first thought.'

My children, there is no time in the world to be wasted now. God says, 'I love you.' And you say to God, 'What can I do for You?' and God says, 'Give Me time.' Oh, My children, time is of great value when it is performed in God's Way. Children have Gifts, children have talents, and so many of

them are using these things against The Holy Trinity. Man says, 'I expect pleasure from my talents,' and God says, 'Would you not use these talents, these Gifts, to please Me?'

I, Saint Francis of Assisi, have come through *this child* today to give you strength to carry on God's Way. I bless you with His Love, for you see, it was because of God's Love for you that He allowed Me to speak on this day with you. So be it."

MAY 26, 1972 AT 11:34 A.M.

THE SACRED HEART

“Ask yourselves this moment, if I touched your arm and I said to you, ‘Will you give your life to Me?’ what would you say? My children, I am The Sacred Heart.

Children oftentimes pray, saying to Me, ‘If You give Me this, God, I will do something for You.’ I smile at this, for it is the littleness of the child making this remark. I know the capacity of the child and I know the depth of love that this child has. Sometimes, when I know the request is good for the child, I give the child what is asked; or, when I know the request is folly or not for the good of the child, I refuse, but I always hand Love in another way.

Too few children are speaking to Us these days. Too few children are realizing the Magnitude of The Holy Eucharist. Too few children are standing in dignity, modesty and purity. Too few children are following the Ten Commandments. Too few children are seeing the Beauty and the Power that The Beloved Heavenly Mother

is. Too few children are accepting the responsibility of following the way I walked when I was Man. Too few children are standing up for whole truth; they are mixing it with sin. Too few children say, *'Let Thy Will be done, my God, not mine.'* Too few children pray.

In the time in which you live, children have forged ahead, shouting that they are praying to The Holy One. They are using My Name. In many areas of this prayer, man is satisfying himself, not Me Who is Here. Man is seeking total satisfaction for self through prayer. Man is not looking at prayer to satisfy Me. When men place My Heart before them, something has to click. What man could look at My Heart and not think of how I gave It? Men are ignoring My Heart, for in ignoring It, they feel they do not have to follow It, trust It, or obey It.

My children, many Lessons have been taught through *this child* who is a *Victim Soul*, for Souls. Many men, in ridiculing her and This Miracle, ridicule Me and My Heart. Many men who stand so righteous, not accepting Truth, will fall into the hands of the enemy and will sink to the depths of

Hell. Men are seeking power; whether they gain it through physical strength, mental strength, they do not care. The only real power man has is in his will, and We put it there. We allow man certain degrees of progress, but always with Our Purpose in mind: for the child to gain Sanctity in The Divine.

This Great Hill of Hope designed by Us, for The Beloved Saint Who walked with Me upon the earth, Who protected Me against many things, Who taught Me physical worth, will stand high on this Hill for men to come to honor and revere. In this great edifice We have planned for Him, We will be present every hour of the day for children to come, for children to pray, for children to see the beauty of the physical way.

Man says, 'It is such a big project, God.' We smile when man says this. Was not the walk to Calvary a big project? Was not the Blood I shed for you a major project? Were not the Wounds inflicted by man such as you a great amount for Me to withstand for you? Man wants all things to be made easy. Man says, 'Give me a Miracle, God, and I will change.' The Holy Trinity, of Which I am The Second One,

**hands you The Miracle for All Time,
The Miracle of a Beloved Son.**

Remember, I began speaking to you by saying, 'If I touched you'; I truly have, in more ways than you can know, for I touched your heart with Mine. I touched your Soul with Love from The Divine. I touched your mind so you would open it, so you would better be able to understand Our Way, Our Love for man. Oh, My children, remember the road to Calvary. Remember My touching you, and remember that We love you.

I bless you with My Hand and I say, 'As I stand in the Heavens, I have the Power to be with you; as I stand Here, My Blessing truly touches you.' So be it."

VISION OF SAINT FRANCIS OF ASSISI,
SAINT MARTIN DE PORRES,
SAINT ALPHONSUS LIGUORI,
AND SAINT AUGUSTINE

There are Four Saints standing, not in line, but around a well. The One Saint turns around and He smiles. This Saint is Saint Francis of Assisi.

SAINT FRANCIS OF ASSISI

“My beloved sons, My beloved daughters, as I speak through the physical part of *this child*, the Words you hear are Mine, the Love that comes through is Divine, and the Purpose of These Words: to show you God’s Love, God’s Way, God’s Plan, God’s Truth, God’s Generosity, for each of you.

You live in a time worse than Sodom and Gomorrah, and so few men are willing to recognize this time. In the room where you are now, some of you understand that to be present in a time, to live in this area of way that you do, has many problems for you.

Oh, My children, as I walked the earth, it was not easy in My time. Many men sinned much and they showed weakness all the time. Keep in mind, My little ones, that the evil one, God's enemy, can only attack you through weakness that you have, through the sins you enjoy. Sometimes there are children who feel quite strong in certain areas until the evil one comes through, and then he says, 'Enjoy yourself; do not waste your life.'

Right now children are not being taught the beauty of self-discipline, the practicality of it, the need for it, and the beauty it is. Children are being allowed to do all things as they see fit. Now there must be a change in direction, for if things do not change, much harm will come to these children. When I speak of children, I do not mean just those of young age; I mean children of all ages, of all sizes, of all colors, of all creeds.

I speak loud through *this child*, I speak firm through her, and I say, 'God has given you *The Miracle Of The Beloved Saint Joseph* to make you alert to the beauty of your physical way.' This, My children, is Sainthood. Keep

the Goal in mind and keep the Beauty of the way with you at all times.

Many children have received harsh Words from Me through *this child*, only to go on to desire Sainthood in a great way. I say to you on this night, as you leave this dwelling place, ‘Go with an open heart, an open mind, to God’s Way.’

I, on this night, give you a prayer to say. Keep it in mind as you go your way:

‘Dear God, let my body act as You Will it to act. Let my mind think how You Will it to think. Let my tasks be Your Way, Your Desire for me, and let my Soul reach You in Eternity.’ So be it.”

MAY 31, 1972 AT 8:00 P.M.

SAINT MARTIN DE PORRES

“My beloved children, I am Saint Martin de Porres. Nowhere in the History of man has a child been chosen as *this one* has. You are aware of the time of the arenas, when children were fed to the animals there. You would speak of them as Victim Souls and you would dread to follow them.

On this night and other nights, you are in the presence of a *Victim Soul*. It is true, My children, you are not lions and you are not soldiers like them, but the circumstances are similar, if you will but think about them. As *this child* is used by God, proving to you her love for Him, your mind, your heart, your way, could criticize, could dislike, could hate. Would this not be foolish in your day?

I stand Here in the Heavens, and when This Great Miracle was announced to Us, that It would take place, there was a joy among Us I cannot describe in your way. We knew then that man would begin to grow in

God's Way, and man would begin to learn the Purpose of the physical way.

I give you a prayer on this night, as the beloved Saint Francis did, and I say, 'Remember it as well as you can and say it as often as you can.'

*'Dear Father in Heaven,
bless my way. Take care of
those who I love, and as You
do, direct their Souls to You
and never let them stray.
And as You do this, oh, my
God, please keep my love in
mind, and help me do Your
Will all the time.' So be it."*

MAY 31, 1972 AT 8:04 P.M.

SAINT ALPHONSUS LIGUORI

“My children, I, too, stand at the water well with Other Saints, and as I stand Here, I listen to Their Words through *this child* to you. I am Saint Alphonsus Liguori. My path in the human way was not an easy road. I, too, had to walk it day by day. The sorrow I felt, the sadness I felt, and sometimes the humility I had to bear, was in many ways my strength to Here.

When those you love do not show love for you, pray; pray that you will grow so in love with God that you will lead them to Him all the way.

Children are not learning the act of humility. They are not seeing the beauty of obedience, and so few times penance is spoken of. These are things that, through This Great Miracle of Love, through This Great Miracle of Hope, man is learning, for you see, This Miracle has been given to the world for Souls to one day come Here for All Eternity. A foolish man

denies himself Pure Faith. A wise man says to God, 'Teach me the way.'

As I stand Here it is only a Vision, but in reality, it is God's Way to get your attention, to show you His Love and to give you hope for every day. So be it."

MAY 31, 1972 AT 8:07 P.M.

SAINT AUGUSTINE

“I am the Fourth Part of the Vision *this child* now has. I am Saint Augustine.

Many men thrive on stubbornness. Many men say, ‘I have a strong will, I know what I want and I will do it,’ but what this man forgets to add is: ‘God’s Way’.

Right now, there are so many men in the world who are determined to gain acclaim, who are determined to do all things so that other men will notice them, acknowledge them, accept them. Oh, My children, keep this in mind each day: Love first, God; be aware of Him and allow yourself to serve Him, and when you get in the habit of doing this, you will find joy, peace, contentment, tranquillity, hope, love, and yes, Light.

Right now in the world there are many children running around, saying they have charismatic gifts. Not so. They have imaginary gifts and they are using these imaginary gifts to touch others, and what they truly want is to

satisfy their own pride, their own ego. Oh, My children, keep this in mind: God knows your weakness. God knows your strength, and the only true power that any man has is in his will, and that is to accept truth or to accept untruth, to do God's Will or to walk away.

At the moment of conception each child has a Soul, has a body, has a Guardian Angel and has a will. God does not put these things in after the birth of the child. The child is whole from the beginning to the end of the physical life, and so many men are walking around, saying that this being is nothing. Not so, and more and more children are being deprived of the physical way to God. My children, Sainthood is the Reward of the physical way. Can you not see this?

I bless you with God's Love and I bless you with Faith, and I say, 'You have truly been Blessed on this night, God's Way.' So be it."

MAY 31, 1972 AT 8:17 P.M.

SAINT JOSEPH

“For centuries man has not heard from Me, and God has designed This Time now. There are many things being revealed through *this child*, of My Way, of My Love, and as They are revealed They are done in a manner to help each child love more The Holy Trinity. Children are not learning the Beauty of The Holy Trinity. They are taking It for granted, and it must not be that way.

When We walked the earth as a Family, men did not reach out to Us and say, ‘You are Holy.’ Oh no, it was not that way. Men talked to Us as you talk to each other. We worked each day and when night would fall, We would meet and We would have repast and pray, and prepare Ourselves for the next day, much the same as you. Our circumstances were somewhat different; Our food, not quite the same; Our homes, perhaps of different design; but Our Hearts were certainly the same, and Our needs just like yours. It was a great joy when I would reach this place after a day with other men

in a business way, and as My Beloved Spouse greeted Me, She would always say, 'I pray You had a busy day.'

God was much a Part of Our home, as He must be in yours; and oftentimes, when Our Son was small We played upon the floor, and when I tucked Him into bed, I prayed again. I did not know the particulars of the road ahead, but I knew His was Special for the Angel had said so.

You gather on this night to hear My Words direct. They are truly direct to you. Nowhere has a Miracle such as This ever been, and God has designed It so.

When the time came and I was to leave in the physical way, I was sad, for I felt within My Whole Being I had not done My job thoroughly, and I sincerely felt there was much work ahead. As I lay in the Arms of My Son, I prayed that My physical was not done, but My Son reassured Me on that day. He said, 'Father, Son, Thy Work has just begun.'

When I left the earth, the Beloved Spouse was left with My Beloved Son to carry on in a way that God had begun. It was a privilege

to Me from The Father, to see many things that were occurring with My Loved Ones; and when the time came for My Son to go off into lands, many times unwelcomed by man, I would ask, *'Please, help Him.'* Many men do not know what truly occurred.

And when the time came and I heard men say, 'Crucify Him,' I said, 'Oh God, that's absurd.' And The Father came to be with Me and He said, 'It must be,' and I said to Him, 'Stop the agony.' He said, 'I cannot, for if I do, all things will stop, and all of mankind will be shut out from Here.'

It was not submission of will at that time; I was guided by love for The Divine. And for each blow that My Son took, I watched My Beloved Spouse, and I knew that the agony She had was far greater than Mine, for it was human, it was physical. When things got too bad I began to argue a case. Believe Me, My children, it was horrible to face, but as I did, I found Myself screaming out to God, 'Is there not another way to bring Souls Your Way?' and He said, 'No, Son, only through a Great Love, only through suffering, only this way.'

Children do not know what really took place at the Crucifixion that took a Great Love for each child; I know this. When things became worse, I could stand it no longer, and The Father said to Me, 'Joseph, this is why I took You from the world, for You would have disturbed My Plan and they would have killed You, for You would have fought every man to save The Son.'

And so it was true. It was not My time in the world because at that time The Father said to Me, 'I will return You to the world in a different way, for I want mankind to truly feel, and I want mankind to follow Your Way: obedience and trust in Me.'

And so now, My children, through *this child* I come to the world, *a child* such as you, and This Miracle is another time when the Will of God must be done to save mankind for God. Those who have Faith in God's Way in doing this are Blessed in a way of Great Grace. And though many men will argue a point, and try very hard to break down This Miracle of Mine, it cannot be; and those who do look for falsehoods will not find them, for God has designed It thusly.

As I leave you tonight, I bless you with Love and I say, ‘Let your heart be reminded of Calvary one day, and ask yourselves: How would you feel if your son gave his life for mankind, like Ours did one day a long time ago?’

I hold *this child* in a Power you cannot know, and as the Words flow through her, it is to save your Soul. So be it.”
