PREFACE

These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.

On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.

In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of *“Stories From Heaven”*.

In these Revelations The Saints refer to Frances as “the child”, “the funnel”, “the spoon”, “the instrument” and “the little one”. God made her our Spiritual Mother. For many years now, because of this fact, she has been called “Mother Frances”, or simply “Mother”. Heaven also refers to people of all ages as “children” and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these *“Stories From Heaven”* for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, “I am The Son of God.” He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.

One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.

There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.

PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.

SAINT ATHANASIUS

“My beloved children, as *the child* spoke, it was I Who injected Heavenly Words. It was I Who invited you to participate in this Great Hill that is to save mankind in many ways. You live in a time worse than Sodom and Gomorrah, and the moment you realize this you will accept fully, God’s Grace.

This Hill will give man Bible History. This Hill will give man All Truths. This Hill will give man stability. This Hill will give man God’s Love firsthand, and a personal view of what the Purpose of life was, is, for you.

There are so many children in My Presence here now, who have never experienced a Personal Touch from God, so they say, but keep in mind that the beat of your heart is His Love for you; the sight in your eyes, His Love for you; the Faith that you have, His Love for you; all things you are, are His Love for you.

I am Saint Athanasius, and when I speak through *this child*, I speak in

firmness at all times, for I walked the earth in a time of great heresy, and My life, I know, was of great worth. There were many times, those who believed in the heresy of that day, believed themselves to be truthful, but what they did not understand was that they were involved in development of untruth, and that is what is happening in your day: Man is developing untruths.

So, through This Miracle of Love, through This Miracle of Hope, I give you God's Love through *a child* who stands as you, through *one* who acts as you, through *one* who walks the marriage state, through *one* who has obedience totally to God's Way.

Man says, 'How do I know how to do God's Will?' God says, 'Love Me and you will feel My Hope in you, and you will feel the service that is needed to do My Will; but if you stand on the outside and you constantly look in and you constantly wish, instead of serving, oh, My children, this will not gain you the Grace you need to be a Saint.'

I bless you with God's Love and I say: 'You stand on the Hill of Hope in your day. You stand on Truth and you

**stand witnessing God's Love for you.'
So be it."**

VISION OF MANY SAINTS

I will tell you what I see. There are Three Saints standing on a road leading to a higher place, and on the higher place is a group of people. The people are praying. The people are asking God to help them with particular things in a different way.

The Saints are walking up the road in the garb of Their own day. There are Three more Saints. Now, there are men. Three were women Saints. The first Three Saints were Saint Martha, Saint Mary Magdalene and Saint Anastasia. The Three men Saints coming up in back: Saint Bernard; Saint Dominic, because He's carrying a Rosary, and He's smiling; Saint Jude.

There are Three more Saints: Saint John The Baptist, Saint Luke, Saint John of The Cross. Saint Patrick, Saint Ignatius, Saint Alphonsus. Saint John of The Cross is now at the top of the hill and He will speak.

SAINT JOHN OF THE CROSS

“As this Vision is relayed to you through *a child* such as you, the Vision has Great Meaning, Great Purpose, Great Truth. The Vision is to show you that as you stand upon this Hill and you learn more of Heavenly Way, All Heaven comes forward to you. This Miracle of Hope, of Truth, has been given to the world, not for the scholarly man, not for the intellectual man, but for the whole world.

Men of all knowledge will stand upon this Hill and learn about God’s Way. Many men will devote their lives to God after once they stand on the soil that He chose for this Great Hill in your day. Many men will form an army to follow the beloved Saint Michael in the Heavenly Way. Keep in mind, My children, that the Sword He carries is not a sword as you know one to be, but it is a Sword of Love for The Holy Trinity.

If you are a man of much reading, do not get confused with what you have read, and what is truth and what is real. Keep this in mind. Do not allow yourselves to become so enveloped in book knowledge that you resist, reject,

the Beauty of Faith and the Beauty of God's Way in helping you. Do not stand in such righteousness that you forget to stand as a child, for that is what you truly are: a child to God, a child to Us.

Any age, any part of the world God chose you to be from, you are still a child of His, and He watches over you from the moment your life begun, which, My children, was at the moment of conception, not at the moment of birth. This is fallacy, when man thinks that life begins at the moment of birth.

I stand on the top of the Hill and I am not teaching to The Saints Who walked this Hill, but I am teaching to you, so you, one day, will walk the Hill as a Saint. I bless you with God's Love, and I say, 'Let this Hill of Hope be your guide today.' So be it."

JUNE 4, 1972 AT 3:35 P.M.

SAINT JOSEPH

“Many men choose the path to be a prophet, and many men, in choosing this way, must follow another man’s way. When a child is chosen by God for a particular task, the child cannot be led in any way other than the one chosen by God for that day. Before you, My children, stands *a child* such as you, chosen to say My Words and chosen to transmit Heaven to you. I am Saint Joseph.

There are many, many facets to This Great Miracle of Hope, of Truth. You are standing on but one of them at this moment, and yes, there is much work for you to do. There are many, many things to be accomplished in small time, and I, Saint Joseph, ask you from The Divine to give your way now, and as you do, you will grow in love with God, His Way. I say these things because I, too, walked the way one day, and as I realized to truly love God, I must be obedient to all things and I must trust. When you leave this Hill of God, keep this in mind.

God has given you much Example to follow. He gave you His Son, Which was My earthly Son. He gave you The Heavenly Queen, Which was My earthly Spouse. He has pointed out to you particular facets of My Life to show you it was important that I walk it God's Way; and now today, I hand this on to you: Walk totally in a service to God, totally in love with Him, and do not mistake the small love you have for the love you can truly gain, for only you can develop this love, and as you do, God will multiply it, and yes, always stand by you. This Hill is a Hill of Hope: Hope for man, Hope for the world; this Hill is God's Hope for you.

I bless you with His Heart and I say, 'It has been placed in the earth within the boundaries of this Hill, and it was done on a special day. *The child* saw it occur. This Heart was placed where the Chapel dedicated to It will be: in the hospital, to help the physical way.' So be it."

JUNE 9, 1972

SAINT JOSEPH

“When The Heavenly Father decided that The Time was now, for Me to stand upon a Hill to show other men the path to Heaven, the way to love, the Truth God had begun, I, in My Love for All Here, asked The Heavenly Father if I could share the Hill of Hope with Others. And He smiled and He said, ‘I have it planned, Joseph, that You will share this Great Hill of Hope and You will be at the Head.’

And now, as I stand upon this Great Hill in statue form for men to see, for men to think about, I am in joy, for you see, more will gather on this Hill and see more than just Me, for soon The Heavenly Mother will join Me in this place; and The Son, Whom I did love, will also stand in a particular place. There will be so Many Saints soon to be seen upon this Hill, and yes, All Heaven will join in the pilgrimages of children upon this Hill.

As this is such a great task for mankind, many things will occur, obstacles of all kinds, but be assured

that as you forge ahead and you are determined to climb to the top of the Hill, keep this in mind: You are Blessed with Grace, you are Blessed with Love, and The Holy Trinity watches over every step you take. Keep this in mind.

Each day from now on, progress will be evident on this Hill of Hope. Men will suddenly say: ‘I feel like I am in the Winds of God’s Power. I feel the momentum each day.’ This is good, for in this type of momentum, there is great peace, great joy, great love, great happiness. When children place all their efforts to do God’s Will, so much occurs, so much is accomplished that it is a beauty to behold and a joy to partake in. Keep this in mind.

As each child makes the pilgrimage to this Hill, more things will be placed to gather their attention, to give them interest in this Hill, for now man must truly join together in an army of love for God, to accomplish the Hill of Hope for Me. Many men, in facing a war, say, ‘What am I fighting for?’ But this great army that must climb this Hill to accomplish God’s Will, oh my, what a great bunch of fighters they

will turn out to be, for the Goal will be Sainthood; a worthwhile task.

Oh, My children, keep in mind that each thing you do causes you to be one step closer to spending Eternity with God. Tell all children of Heaven's happiness at the progress being made. There is much more to be had, to be accomplished. The Hill of Hope is on its way.

I bless you in thanksgiving on this night, and I say, 'I bless you with The Father's Love, I bless you with The Heart of The Son, and I bless you with the Light of The Holy Ghost.' So be it."

JUNE 11, 1972 AT 3:33 P.M.

SAINT JOHN THE BAPTIST

“My children, because of the Greatness of the beloved Sacrament that I was much a part, The Father has requested Me to speak now to each child here.

Do not forget the importance, the dignity, the purpose of the beloved Sacrament God loves. There are many children present here now, of all ages, who have not had the water poured on them. They have not been cleansed. They must be, for you see, it is God’s Will for every man.

And those of you who understand this Great Sacrament, I, Saint John The Baptist, say to you now: ‘It is necessity. It has great purpose, and it has responsibility for every man.’ Please, I beseech you, My children, as a messenger of God, to see that all children are washed with the water so that they can enjoy many things. The responsibility is a good responsibility, for as you perform it, as you participate in it, you partake in God’s Plan.

I bless you with the water that I once used, and I say, ‘Keep in mind the Message I gave, the Importance of It and your part in It.’ So be it for today.”

JUNE 11, 1972 AT 3:36 P.M.

SAINT MARY MAGDALENE

“My beloved children, it was The Father’s Forgiveness for me that gave me Hope. It was The Father’s Love that gave me Truth. It was The Father’s Flexibility that gave me Direction. And you must follow in the pattern He walked, for you see, as you do, you will radiate God’s Generosity.

You know Me to be Mary Magdalene. I stand on this Hill often, for you see, God has Decreed My place to be. I ask each child in My Presence here now to understand God’s Love. Try, in your way, to accept It, and yes, see the Perfection of It.

There are Hundreds of Saints standing here now, ready to speak, ready to give you Direction. It is God’s Will, each time where *the child* is, Who will speak. If All Heaven spoke you could not absorb It, for God has decreed it to be that only Some of Us would speak each time and give you Lessons of Love, Lessons of Truth, so you could take These with you

and grow more in love with The Holy Trinity.

God says that, through Me, on this day He blesses you in many ways. Take These Blessings, grow with Them, from Them, and in Them, and as you do, desire to love Him more, His Way. You are Blessed. So be it on this day.”

JUNE 11, 1972 AT 3:39 P.M.

SAINT ANNE

“My children, I am your Heavenly Grandmother. It is through This Great Miracle of Love that I am fast becoming known throughout the world as ‘The Heavenly Grandmother’. This Title I cherish, this Title means much to Me, for as a child seeks Me out and recognizes Who I am, then the child must recognize first, The Beloved Heavenly Queen. Keep this in mind.

As I stand Here in the Heavens I say to each child, ‘This is not just man’s dream but God’s Love for you, God’s Way of drawing you closer, His Way.’

Right now in the world there is so much desecration taking place. Men are desecrating the beauty of the family way. There is much to this way of life. There are many things in this vocation of life that God designed and God wants used for children to become Saints.

Do not let those on the outside of Truth steer you from Truth. Keep this in mind; and also keep in mind,

My little ones, that you need help each day on the call to Sainthood, God's Way. Do not let men with wise minds turn you away. Keep in mind that you must follow Truth, no matter what else anyone does say.

There are so many things for you to learn through This Miracle of Hope. As you learn each step of the way, you will one day say, *'Thank You, God, for This Miracle in our day.'*

The Hill must be accomplished God's Way, and the Great Room of Saints that has been planned by God, will show men the vocation way to Sainthood. In this Chapel of Love, All Saints will be there, and all vocations of Their way will be shown to you. Some will be of the religious way. Some will be of the marriage way. Some will be of the single state. Some will be of the great chosen way. I want each child here to keep this in mind, and ask yourselves to begin now to use your vocation, your way, to be a Saint one day.

This Great Chapel will give men hope, and as they go through it, they will realize that the physical is the means to Sainthood, and through the

physical, the vocation is important to God. So then, is it not wise to say that through the physical you must follow the vocation to one day stand in Heaven and be a Saint?

I, your Heavenly Grandmother, say to you on this day: ‘Others want to speak. Are you willing to listen, or are you closing your hearts and your minds to What We do say?’ A foolish child does not listen and goes their way. Your Mother and your Heavenly Grandmother say, ‘Use the learning today to grow more in love with God, His Way.’ So be it.”

JUNE 14, 1972 AT 11:33 A.M.

VISION OF OUR LADY

I will tell you what I see. I so often see Her in green, but in the Chapel She is to be in all gold, with little gold sandals on Her Feet. “Green is hope,” She says, “and this is the Hill of Hope.”

Our Lady is standing on the world, in the most beautiful green I have ever seen. No man could copy this green. The Crown of Jewels upon Her Head are all emeralds. The facets of the emeralds are just glowing.

OUR LADY

“My children, through color I give you Hope. Through My Vision through *this child*, I give you Love. Through My Words, I give you Direction.

Man sees this Great Hill as a mound of dirt. God sees it as a place for His Souls to come to gain Grace. Would you not then say that God’s Sight of this Hill is far greater than man’s?

As *this child* stands before you, I stand before her, so she can deliver My Words to you. This Miracle must become known throughout the world, in a very personal way. This Miracle must be seen, must be heard, for you see, this is truly My Spouse's day.

All the world must recognize Him for Who He Is, Where He Is. All colors, all creeds, must begin to pray to Him. They must come to the Hill in a special way to grow in God's Way.

The Hill must be protected in a physical way. This Hill must show mankind God's Love.

Oh, My children, as I stand before *this child* now, I stand with a Love for you, you cannot know. Please, pray the Rosary every day, and as you do, say it for Me, so that I will disperse the Blessings that come with it in My Way, for as I speak to you I see the Souls in Purgatory, and I know that your Rosaries will release Them to stand at the Feet of God one day.

Be blessed by My coming, for through the color I have given you Hope. Be blessed by My Words. I do love you so. So be it."

JUNE 14, 1972 AT 9:20 P.M.

OUR BLESSED MOTHER

“My beloved sons, My beloved daughters, at no place in the world am I speaking through *a child* such as this. I am your Mother.

There are many issues to be cleared up by you and through you. The manner in which they are to be done must be God’s Will, God’s Way, God’s Plan. There are so many obstacles yet to arise before you, for this is satan’s way of stopping, delaying God’s Way.

On this Great Hill, men will begin to see the hope that is to be for the whole world. Men will gather from every corner of the globe, to pray, to learn Truth, and to follow God’s Way. Right now, you stand in one spot in the world, and yet one day you will stand upon this Hill and you will see men being drawn from every land, all colors, all creeds, and you will remember back to the Foundation, to the Formation, to the Plan. You will be such a part of this Great Hill that you will feel the Glow of God’s Love, and to you It will be real.

Satan is trying every means to delay this Hill of Hope. It is true that the monies must come from many areas so that the physical can be built, for you see, children attach themselves to the physical form, even where The Holy Trinity is.

Right now in the world, children are wondering: ‘What is the Hill of Hope? Why is Saint Joseph connected with This?’ All Heaven smiles and says: ‘This Hill is God’s Love for man and God is allowing man to perform on this Hill according to God’s Will. God is allowing man to participate in this Great Hill. God could allow this Hill to be built in a moment, in a flash, but then, how would man gain Grace? So God is allowing man and giving man the chance to participate and to perform for Him.’

Each child who accepts a task upon this Hill must do it for love of God, out of love for God, and desiring to love Him more. This must be the sign of love that is seen.

Thousands will come to work on this Hill. You are but a few, and as you multiply like ‘the loaves and the fishes’, God will be pleased at you, for

you, for you see, you are children of His. He created you and He wants each of you and all others to serve Him, to kneel to Him, and to treasure the love you have for Him.

I stand in the Heavens and I watch over you. I am always present on the Hill. You do not see Me but perhaps one day, when the edifice is built in Honor My Way, you will feel My Presence in this place, for it will be God's Will for you.

Prayers will be said, in pilgrimage way, around this Hill. Children will come to pray, some for physical cures, some for mental help, and yes, some for the material way. By whatever way man comes, they will be Blessed in a special way.

When the lights on the Basilica light up the sky at night, those who fly overhead will see and wonder and say, 'I wonder what is happening there today?' And the men in charge on these flights will say, 'That is the Hill of Hope, Saint Joseph's Way.'

And now I bless you with Love and I say, 'Handle each obstacle, God's Way, and as I send Sanctity to each in

the form of an Odor, I smile and I bless you with Grace.’ So be it for today.”

JUNE 16, 1972 AT 8:25 P.M.

OUR HEAVENLY MOTHER

“My beloved sons, as *this child* speaks to you, It is I, your Heavenly Mother Who speaks to you. When I walked upon the earth, I walked the earth with many, many men; important men at that time, for you see, Two of Them guarded Me. First, The Beloved Joseph; God gave Him the task of protecting Me. Another man was passed this task and His Name was John. He, too, guarded Me well. So you see, men are special to Me.

I had a Son. This Son was Special to the whole world, for He was The One God made to free you, so one day you could spend Eternity with Him.

I, in My Heavenly Way, desire to protect you in every way. Your prayers to Me mean more than I can say. Your desire to work in the service of God is love to Me, for you see, it is a repeat of other men who walked the earth with Me.

I ask you, My sons, to keep close to your side the Holy Rosary, for when you do, I know that you love Me.

This Miracle has been placed upon the earth to save mankind. It is God's Gift to the world. It is God's Love for all men. Through *this child*, We All speak. It is the first time.

You live in a time worse than Sodom and Gomorrah, so The Beloved Father has designed This Time to be, to help you, to guard you, to protect you, as the Sons once did for Me.

And now, My children, when despair comes within you, doubt or fear, keep this in mind: Take My Hand, stay close to My Being, and you will surely one day come to The Divine.

As I use *this child* in many ways right now, I desire to use you in special ways, so many children can reach the Crown. The Crown in Heaven is not a crown as you know a crown to be; the Crown is seeing The Holy Trinity.

Please, My sons, work much, and do all things in God's Name, for as you perform each task, offer it to God and say: '*Let this small act of love be used by You in any way You choose. Let it gain me Grace, let it help me grow in Your Way.*'

Oh, My sons, you have Sainthood, if you desire it to be so. If I entered the room and I offered you a jewel, each of you would say, ‘Thank You, Mother, for this gift, today.’ I offer you a Jewel on this night: Sainthood, My sons. Do all things right. As you work in a particular way on this Hill of Hope in your day, you work for God Who made you. You work for His Plan, for His Will, and as you do, His Will will be done by you and all who follow your example.

God has Decreed This Time to be, for The Beloved Joseph to become known throughout the world. This Hill of Hope will give men physical hope, mental hope and Spiritual hope. It is a small word but it has a magnitude attached to it.

Please, My children, do all things for The Heavenly Father, and as you do, stay close to Me, for I am your Heavenly Mother.

All Heaven has come forward for This Great Miracle on earth, and through This Miracle God extends His Hands and says, ‘Hold Them tight and I will lead you to Life.’ So be it.”

JUNE 16, 1972 AT 9:13 P.M.

SAINT JOSEPH

“My beloved sons, I speak to you on this night with Love you cannot know. I am Saint Joseph.

I ask you to honor The Beloved Father’s Way, Will, Desire, for Souls. In order for this Great Plan to come about, it will take men, children, just like you, to accomplish God’s Will. God’s Decree that This Time be, is Important for many reasons. The Great Plan that He has designed is to draw Souls to Him for All Eternity.

I once stood upon the land as you stand, and in doing so, I was put in charge of a Woman and a Child. Our path was much like yours. We walked, We worked and We prayed.

So many children in your day do not take the time to pray, so through This Miracle of Hope All Heaven is teaching man the Importance of prayer, the desire man should have for it, and the results of it.

Children are not being taught the Beauty and the Reason for the Ten

Commandments. Man has begun to ignore this Great Gift from God.

Children are not being taught the Beauty of virtue. So many children are acting as if it is a thing of the past. This is not so. Children are not being taught the practicality and the importance of obedience, for you see, man has turned another way and is desiring to follow only man's way, man's thinking. This must cease.

In the day you live, there are many, many things to be straightened out: First of all, man must begin to obey; secondly, man must begin to seek Truth; third, man must begin to recognize the power of prayer; fourth, man must begin to serve God instead of self. Children shout 'Love'. They truly do not know what Love is. The true meaning of Love is to desire to do, to serve. There are so many facets to these things.

My sons, as I stand in the room with you, I am not visible to you, but I am truly present here now. I ask you to obey The Father's Will. I ask you to participate to the fullest, each day of your life, and I ask you to help other men understand This Miracle that is

in sight. And I say, 'All the Teaching that comes through *this child*, your way, is to make you a Saint.'

When the Crucifixion time came, I stood with The Father and I watched My Son's pain. It was not easy for Me to do, but The Father kept saying to Me, 'Joseph, it is My Will.' And so, once again, in the Heavens Here Where I am, God says: 'The world must know You, Joseph. It is important for all things.' So, My children, keep this in mind, please, when you go through each day: Desire to serve God in every way, and as you do this, say to Him: '*Thy Will, my God. Take my hand and allow me to stand next to You in all things.*'

I bless you with God's Love, and I say, 'Let The Heart that He gave one day keep you in His Sight, in His Light, so you do not stray.' So be it."

JUNE 17, 1972 AT 2:47 P.M.

SAINT FRANCIS OF ASSISI

“My children, I am Saint Francis of Assisi. I stand Here in the Heavens to deliver through *this child* many Words, many Directions, and I say to each son in the room, ‘Do not stand aside from This Miracle and do not stand aside from prayer, for prayer will lead you to God, and through prayer you will become a Saint.’

Too few men are meditating these days on the Great Mysteries of Love, the Great Truths of God. Too few men are subjecting themselves to loving God. They are too busy subjecting themselves to loving themselves.

I bless you with God’s Love and I say, ‘Keep in mind all the things that I have said to you today, for as you do, you will grow closer to God, more in love with Him, and you will desire to do penance for Him.’ So be it.”

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I speak to you on this day with a Firm Thought, a Firm Love and a Sound Miracle. I speak to you and I say, ‘Go forth to God in the right way, and do not let satan and all his demons distract you from God’s Love.’

Do not be foolish, My children. I stand Here in the Heavens, and it is the time that God has given to the world to direct man in the correct way. There are so many, many Lessons to be taught through *this child*. Who are you to say They are not true? But keep in mind that if you say These are not true, be sure you have a truth to follow in Their place.

As I walked the earth, there were many times that I said to God, ‘I am too tired to go on.’ *This child* says the same thing, but I say to her, ‘Ask where you should be and at what time.’ There is so much work to be done in this world. What part would you play? Will you stand aside and let others do all things God’s Way?

There is work for each child present here now, and if you have played the game of satan, change your way, for I stand Here in the Heavens and I see children being robbed of God because of material gain, and I see children walking just to please themselves, prideful and envious of those who love God.

I bless you with God's Love and I say, 'Go to Joseph; He is the Saint of your day.' So be it."

SAINT IGNATIUS

“My children, I am Saint Ignatius. I come through *this child* to reach you before it is too late. I come with an urgency. I come with Love, and I come in a direct way.

God places her before you, a *Victim Soul* for you. Just what do you intend to do with today? Do you intend to pass It off, or to try to understand What has been given to you from God’s Plan? How many children here, in My Presence now, see Me? Not one. And only through the Power of God could *this child* see Me, but I do not want it so. I want you each to accept the Beauty of This Miracle and how The Father would grant you a Personal Touch with Him.

In My day We, too, had fools, and many men rejected Truth, for they said Truth was for the weak. Not so. Truth is for the strong. Truth is strength. Lies are weakness.

You have been Blessed much today, My children, for All of Heaven was alerted to *this child’s* being with

you, and at no time during the day or night is she without Our sight. And as she speaks to you, it is Our Love that comes through, not hers, for her love is for God. It is His Love and Our Love for you.

You are Blessed with The Holy Trinity. Heed each Word, absorb each Sound, react to each Direction, and love God from the ground. So be it.”

JUNE 17, 1972 AT 2:54 P.M.

SAINT ALPHONSUS LIGUORI

“God’s Love is so different than man’s. There is so much Love, but God’s Love keeps your feet on the ground, just like He said. True love, your feet are on the ground, and when you find yourself becoming ethereal over God, watch out, there’s danger.

Watch out for long meditations in His Way. You might find that the meditation is satisfying you, not God. There have been many Locutions come in on this.

God would be happier with a prayer:

‘I love You, God. Just let me sit with You for awhile, at the quiet of Your House. Give me peace. Let the strength of Your Power give me hope, and let the joy of Your Presence give me the desire to go on, Your Way.’

This prayer, My children, should be said by every man, every day, in every way, for this prayer I just gave

you was direct from Heaven Where I am. It was a prayer to give you all the things to say so that you can say this little prayer every moment of the day.

I am Saint Alphonsus. So many children are disturbed over being rejected by others. Keep in mind, My children, rejection can sometimes make you a Saint. Of course, the reason for rejection is important. I was rejected by loved ones, and yet I knew that beyond my love for them was a Greater Love that had to be satisfied, had to be understood, had to be obeyed. You, too, must understand this. And if those close to you reject you, despise you, disagree with you, go the other way, for you see, when they do this, it is oftentimes a great weakness within them, and satan will always use weakness his way. Remain strong, remain firm on all things that God gave.

Keep in mind each moment of the day that God will never reject you, He will never deny you, for He is All Strength, All Love, All Things. I bless you and I say, 'If you came before *this child* today in weakness, do not reject the Strength that We have All given you today.' So be it."

VISION OF OUR LORD

Let me tell you what I see. Now, as I see it, I see it with the Eyes of my Soul and I do not see it out here. So I can be looking at you and it doesn't mean a thing. I see all Visions back here.

I see Our Lord in a white that no man could imitate, for it glows. And all around Him are what you and I would call diamonds, but He refers to Them as Souls, for in God's Way our Soul shines with a light that we would call a diamond.

There is a crown. I have never seen Him with a crown like this. It's a crown of thorns, and each one of the little sticks — it's not red, it's green, and it's little emeralds all through each one. They start out very large and then they go very small, but the crown is shining green, all around.

There are Angels in the background, Many, and They are all colors. Their little dresses are delicate colors: pinks, blues, yellows, green, violet, peach; there's no white ones.

Our Lord is smiling because I always comment. Oh my! He's holding the world in His Hands, and the world is like — it's the size of a baseball, a hard ball. The blue of the water is glistening and the land is blood red, all around. He holds out the world for me to see, and He says:

OUR LORD

“If I were visible to you in this room now, with the description that *the child* gives to each of thee, some of you would die of shock, some of you would fall to your knees in fear, some of you would cry endlessly. Some of you would say, ‘Oh God, which part am I on, the sea or land?’

You would fear for yourselves, for you would know that if you were on the land, there was great disaster on this land, and you would immediately react to the physical you see.

Oh, My children, as *the child* holds her hands out to you as I hold Mine in front of her, I also hold her in My Power and in My Love, for she is *a sacrificial lamb*. Man hears These Words a Biblical way, but man does not relate to having it be in his day;

but now We come to the world to show mankind that sacrifice is not just of the past, but now, for all mankind.

As I walked the earth, I walked for man, and it was My Love for The Father that gave Me the strength to go on. I hold now the world in My Hands, and I say: 'All children must begin to see the Truth. All children must begin to react to What I say.' There are so many fallacies around. There are so many enemies everywhere, and children are not sifting prudently, wisely, the truth from the untruth. I say to you on this day, through this Vision of Hope in your way: 'Do not reject Truth. Do not reject all the Things We gave. Take the world and change the red into a glowing color of green, which is hope, My children.'

I want hope throughout the world, so it is This Time that We are sending to the world The Beloved Son Who was My earthly Father. When He walked the earth there was much disaster all around. And when the time came for Me to suffer for the world, for all mankind, God took This Son from the ground, for in His Love for The Father's Will and in His Love for Me, He would have changed the Plan,

changed destiny. And so now again, through *this child*, more Wisdom is given, more Love shown, more Truth must be accepted.

I want the red on this globe to be changed to the green of hope. I want all men to Honor The Son Who fathered Me. I want all men to turn from satan. I want all men to recognize The Commandments that were given. I want all men to understand the power of prayer. I want all men to beseech Our Beloved Mother with Rosaries everywhere. I want the Souls that are now in a special place, to be able to come Here soon.

I say to you: ‘Put all things you do in Our Will, and accept the Grace, for you see, through Grace you will grow to Sainthood. Do not dismiss Sainthood from your way but make it your Goal, each day.’

I now hand you the globe, and through These Words I give you Hope. So be it.”

JUNE 18, 1972 AT 3:07 P.M.

SAINT BERNADETTE

“My beloved children, I am Saint Bernadette. I have spoken many times through *this child*, spoken of God’s Love for the Holy Rosary, and spoken of the need for it to be said by each man, each day. It is Our Heavenly Mother’s Wish, Her Desire, Her Love, Her Hope.

As you stand on this Great Hill named ‘Saint Joseph’s Hill Of Hope’, you are given hope. The Souls in Purgatory have but one thing, hope, and through this hope, it helps them continue on to the day when They will arrive at the Feet of God.

The Heavenly Mother says, ‘Give hope,’ so that is why this Hill has been named ‘Saint Joseph’s Hill Of Hope’. Man, in the physical, wants hope. He desires hope. He lives for hope, in hope. So, My children, as you entered the gate today, you were Blessed with Hope, and you were given the Grace to accept it as you receive it, in the quantity you can absorb it, and in the quantity best for you.

I, Saint Bernadette, walked the earth as you do, and in many ways I walked a selfish way, for if I did not feel at the time like saying the Rosary, I would postpone it. But during the Visions with Our Heavenly Mother, She told us the importance of time, She told us the importance of the Holy Rosary. So from that time on, we took the time and said the Holy Rosary.

Today, I say this to you, each of you: ‘Take the time. Make it a special time, and say the Beads of Hope, of Love, that have so much power within them that no man can decide upon the power, or design a power as it is.’

I bless you with God’s Love and I say: ‘There are More Here to speak to you today. Be alert to Every Word you hear. Open your heart and open your mind, and have hope in God’s Love for you, for this is what will make you hold It dear.’ So be it.”

JUNE 18, 1972 AT 3:09 P.M.

SAINT DOMINIC

“My children, I am Saint Dominic. I speak through *this child* to alert each one here of the necessity of prayer and the importance of it. In the time in which you live, it is worse than Sodom and Gomorrah, and man is ignoring the beauty of prayer, the need of it. Please, My children, on this day, as you leave this place, make a promise to The Holy Trinity that you will spend certain times during the day, accepting His Love, by giving Him time through prayer.

There are so many things for you to do, each of you. Do not ignore the beauty of the physical way but balance it out with the beauty of the Spiritual way. When you were born into the world, God made you a trinity. You have a body, you have a Soul, and you have a Guardian Angel. This threesome is likened unto The Holy Trinity, for the Soul is to you as The Father is to The Trinity, the body is to you as The Son is to The Trinity, and The Holy Ghost is to you as your Guardian Angel is to you, the Light. And as This Holy

Ghost is the Wisdom of the Heavens, your Guardian Angel shares this Light with you and protects you at all times. Keep this in mind.

As I stand Here in the Heavens, I see so many children ignoring their Souls, ignoring their Guardian Angel. They forget that this little Angel was given to them for many reasons, for many things. I say to you on this day, 'Be aware of the Angel God gave to you to protect you and to share the Light with you, and be aware of the Soul that you have, for This is the Part of you that will return to God first.'

I bless you with God's Love and I say, 'I cross you and I give you Grace today.' So be it."

JUNE 18, 1972 AT 3:13 P.M.

SAINT TOBIAS

“My beloved children, there are Many of Us here with *this child* on this day, and no hour of the day goes by that We do not speak through her, think through her, act through her. I am a Saint few of you know. I am a Saint that lived a long time ago. I am Saint Tobias.

There are many things to be cleared up through This Great Miracle of Hope. There are many children to once again learn God’s Way. There are many children to accept the Beauty of The Holy Trinity, and there are many children to once again look to God for all things.

There are so many evil things around. There are so many cults, so many movements, and so many children acting as if there is no God. Satan has designed it this way. Right now, in the time in which you live, satan is very prevalent, satan is very active, satan is trying to gain the Souls of men.

My children, as I speak to you from a Heavenly Realm, I say, ‘Pay

attention to What is taught to you today, and as you do, follow It, for as you follow It, you will grow in God's Way.'

You have come to *The Miracle Of Saint Joseph* to learn about the Purpose of life, and that is to become a Saint. At no other time in the world has man been given such a chance to learn about God and the Truth He is. Today is a special day for you, for the Words that are poured through *this child* must be absorbed by you.

I bless you with God's Love and I say, 'It was a long time ago that I lived on the earth, but Here in the Heavens I work for God each day.' So be it."

JUNE 18, 1972 AT 3:16 P.M.

“My beloved children, at no time in the History of man has there been such a Miracle as This. This Miracle was saved for your time and your day, and God has designed It to be, that Saint Joseph’s Name will Head This Miracle for All Time and Eternity.

There are so many children present here now who depend upon the daily way, and sometimes, in this dependence upon it, they are lax in time to God. You must answer to God for each moment of the physical way. You must answer to Him in a special way, when the physical does end.

Please, My children, stand firm in truth, stand firm with truth. Relax the physical, control the mental, and enjoy the Spiritual. I leave you now, but with a Blessing of My day, in God’s Way. So be it.”

JUNE 18, 1972 AT 3:17 P.M.

PADRE PIO

“My beloved children, I am Padre Pio. Again I stand on a Hill, but this time I speak through *a child* as you, and I say, ‘The Wounds that I suffered were for Me in My way, to serve God in a special way,’ and each child present here can serve God in an ultimate way. It is you who decide the limit of your love, the limit of your service.

I say to you now, ‘As you leave this Hill of Hope, promise The Father that you will serve Him in a great way, and yes, ultimate for you.’ So be it.”

JUNE 18, 1972 AT 3:18 P.M.

SAINT HILARY

“My beloved children, I am Saint Hilary. I have not spoken many times through *this child*. There have been other places in the world that My work was, but today I have been asked by The Father to speak to a certain group of children on the earth.

There are two men present here now that must do many things, God’s Way. The rest of the children have much to do, but these two men must work against the heresy of your day. You must fight the evil that is all around. Do not deny that there is heresy, for you see, it is evident to Us that this great heresy is growing, leaps and bounds.

I speak through *this child* with a language, through a language that you understand, and I say in Words of your time, to follow God’s Plan. Seek Truth; fight for it. Wipe out the enemy, because he leans on your weakness and he desires to drag you down to the pits of Hell.

I bless you and I say: ‘Be alert to the demons in your day and do not ignore the Words that I have said. They are Truth. They come from Heaven Where I am.’ So be it.”

JUNE 18, 1972 AT 3:21 P.M.

SAINT ELIZABETH

“My beloved children, I am Saint Elizabeth. I speak through *this child* with Much Love on this day. I, too, played a part in man’s way. I, too, walked a physical road, knowing that A Creator was there for me to love, for me to serve, for me to obey.

In the time you live, there are many challenges all around. There are many ways that you can seek a Heavenly Crown. So many children are absorbed in the physical, material way. God does not say this is all wrong, but God does say, ‘Have balance to your life; share the physical with Me, in My Way, and please, as you enjoy the talents you have, the Gifts you have, keep Me in mind and offer them to Me.’

I was the mother of a special son, John. There are so many children ignoring the Sacrament of His way. You must be alert to this Great Sacrament, for it is important to God, it is important to man, and this is the Sacrament that satan fears most. My

children, each time a child is baptized, a Soul is released from Purgatory. That is why satan fights this so much. I have told you this on this day for there are some here who have not been baptized.

Be in God's Way and be blessed by These Words. Carry Them with you, grow in Them, and love Them. So be it."

JUNE 21, 1972 AT 10:58 A.M.

GOD THE FATHER

“I alone will speak to you on this day. I am your Father. I want each child standing before Me here to understand that as I now come to the land that I created, I bless you in a Special Way and I give you Hope, My Way.

At no time in the History of the world, since I created it, have I given man this chance, in such a Personal Way, to become a Saint. As you read the lives of Those Who joined Me Here in the Heavens, each walked a particular way, giving their will to Me, in service My Way. And now I come to the world through *a child* such as you, to give you Hope, to give you understanding, and to give you the Way to be a Saint. As *this child* stands before you, alone, she will stand before Me for Judgment, as you will, My children, one day.

Men will say, ‘The Father does not speak,’ but I say ‘I do,’ for you live in a time of great disaster and great dilemma for your Soul. You truly live in a time worse than the places

I destroyed with fire a long time ago. And now, rather than destroy you by fire, I am giving you Hope.

There are Many, Many Saints that speak through *this child*, All with aid for you, All with desire to help you. I want the people all over the world to understand My Gift to them, My Generosity at This Time for all men.

Sometimes, when I speak through *this child*, I speak in a more gentle way, but on this day I speak with a firmness you can understand, and I speak in a manner that is understandable to your ears. *This child* is in obedience to Me day and night. And each child here before Me now, I say, ‘Give Me your will to do with what is right.’ At the moment of conception I handed you a will, and with this will I wanted you to return to Me. I gave you a Soul at this very moment, along with the physical, and a Guardian to watch over you.

And now in the world, there are so many children acting in a way that is not for Me. The evil one, My enemy, is all over the world. He has demons that are constantly tempting thee. And if a man says this is not true, ask the man to prove his words, and you

will find dilemma in these words and you will find facades covering all the things of untruth.

My children, when I sent My Son to the world, I gave Him Love. But it was His Love for Me, the return of It that I cherished, for you see, it was His Love for Me that opened Heaven for you. Your love for Me is My Desire. Love Me more, love Me much, and do not let your pride nor your ego become so great that you forget Me. Self-love is self-destruction.

So, through *this child*, I am giving the world Hope. Through *this child* I have offered you Sainthood, and through The Miracle of The Beloved Son, Saint Joseph, I give you My Love, for as He walked the earth, He was in total obedience to Me. He trusted Me. He did not lean upon man, only Me; and this is what I want of each of you, and this is what I want of all the children of all the world. I want all the colors, all the creeds I created, to return to Me. I want each child to love Me so much that the child will desire Sainthood alone and the child will dedicate all things to Me; and the child will be constantly aware of the Soul that I gave at that great moment

of conception, the time that I designed for many things, for you see, children are saying throughout the world, ‘Why was I born?’

And now, through This Miracle of Hope, through *this child*, through *this instrument*, through *this channel*, through *this fork*, through *this faucet*, through *this link* to Me, I hand you Hope. I want each child in the world to understand My Way, and I am giving it to you in a Personal Way. I want children to have copies of What I have said. I want children to read the Words throughout the world.

I bless you with a Father’s Love and I bless you with Hope. I bless you with The Heart of My Son, and I bless you with the Light of The Holy Ghost. So be it.”

JUNE 23, 1972 AT 8:40 P.M.

SAINT TERESA OF AVILA

“My beloved children, I will speak slowly on this night for I intend to have each child in My Presence here better understand the responsibility that was also Mine when I walked the earth. I am Saint Teresa of Avila.

It is necessary in the worldly way, to build edifices and places for children to stay. It is part of the physical way, and in such an undertaking, there are certain children that must give of themselves and sacrifice in a special way.

When man is born to the world, he is given time: time to work, time to pray, time to play. Man must develop his own way of patterning his life in a special way. The will that was given to man by The Father, at the moment of conception, is important to man, for it will be through this will that man will design his way of life, plan his moments, and decide which way he will go.

Let us take now this Great Hill of Hope. Oh, My children, it is not just

a hill as you know a hill to be; it is a Special Place, designed by The Father, to guide man to Eternity. Upon this mound of soil, God has designed places for children to relax the mental, to control the mental, and to teach the physical how to respond to God's Way.

The Commandments will be evident to all men and the meanings of Each One will be shown so children will not just haphazardly gaze at Words, but will suddenly realize that These Words have great meaning, great purpose for the Soul.

Children will begin to understand and realize what suffering had to be, for you see, children take many things for granted that are given by The Holy Trinity. As man gazes upon the physical forms of natural stature, man will see that in order to walk the path to Calvary, took much Love, took hope, took trust, for the agony in Their Faces will be there, and man will suddenly see, not a cleaned look, not cleanliness as he knows cleanliness to be, but the True Agony. And when the vision comes and man suddenly arrives at the Crucifixion, man will suddenly know that This Son had to be driven by a Force, by a Love Far Greater than man

knows Love to be. Keep this in mind, My children, as you walk the earth.

The love you feel, the love you know, is small compared to the Love The Father has for you, the Love that He created you with, and the Love that He allows you to have each moment of your day. It was truly Love for The Father that allowed a Son, a Man, to suffer the Agony that This One did for all men.

And now upon the earth there is *a child*, chosen as *a sacrificial lamb*, to help all peoples understand the Meaning of life, the Purpose of life, the Truth of life.

Each day, God gives you time, and many times you waste this time. You do not use it in a practical way but in a wasteful way. You do not see the moments of the day as they truly are. You accept them, and yes, in some ways, you destroy them. There are many moments in the day that you could be in prayer to Him in little ways. The movement of your hand to do an act for another man or yourself, if done in His Name, grants you Love, Grace. It will be one day known to you, as you stand at the Judgment Place, that God

will say, ‘Oh, child, why did you not understand that to give Me love, in the way of man, would give you Sainthood Here with Me?’ And you will say in humility, ‘Oh, my God, if I had known the Glory of Your Way, I would have bent lower every day.’

So now, through This Miracle of Hope, This Miracle of Love, you are being taught to be aware of the practical side of life, of hope, of truth. You are being taught to be alert to every moment of the day, and you are being taught to practice giving to God little things, your way. All of Heaven has come forward through This Miracle of Love. All Heaven is ready every moment of the day when *the child* is with you. Those who are close know that in a moment’s notice We might speak, and they listen for the Words, they listen for the Teaching, and they feel the Power of the way.

God placed *one seed*, and He has nourished *the seed* in many ways. And through this nourishment, He feeds you in so many ways. And through *this one seed*, the world will be fed with Bible History. Can you not see the Power of God in this Great Love of His? Can you not see the Grace? Can you not

feel hope? Can you not experience the dignity that is all around, and can you not see obedience, can you not see the trust, can you not see the beauty of the way?

Soon, *the child* will take respite from those close. It must be, for you see, a time such as this is ordered by God, for the human form, the human being must, at different times of life, take rest to retreat from the pressures of the way God has planned it to be.

Oh, My children, man must listen to the Lessons taught, to the Teachings given, to the Love shown. There were many times when I walked the earth and I was commanded by God, in a particular way, to build another house. I immediately would beseech The Beloved Saint Joseph, and I would say to Him: 'As You protected Mary, You must protect me. And as You protected The Holy Family, You must come forward and protect this place where God wants children to be.'

And when a child would kneel before me and say, 'Mother, I do not feel the Gift of this way,' I would beg The Father and say, 'Oh, Father, do not let me say one word that will cause this

Soul to stray.’ And so I know that the burden of This Great Miracle upon *this child* is one alone. Mine was not this way. Mine was similar in another way; but as you gather with *this child*, you see the happiness, you feel the joy, and you experience the peace. Remember this as you go your way. Keep My way in mind, for I, too, had to build. I, too, had to sacrifice, and I, too, had to pray for God’s Love to be shown through me.

There are Many, Many Saints Here in the Heavens Who are standing ready to help you if you will but succumb your will to God, if you will but say to Him, ‘*Let all things I do radiate Your Love.*’ Oh, My children, This Miracle of Hope has been given to the world because of God’s Love for you. React to It, respect It, accept It, join It, and help to perpetuate the Meaning of It.

I bless you with God’s Love for It is the only Love I know. I bless you with The Heart of The Son, and I say to you, ‘Let It beat with yours as one alone.’ And through This *Miracle Of The Beloved Saint Joseph*, you receive the Light of The Holy Ghost, the Wisdom of the Truth. Be blessed in

**this manner and in this way, and seek
Grace in everything you do each day.
So be it.”**

JUNE 23, 1972 AT 9:22 P.M.

SAINT JOSEPH

“My beloved children, as you go forward in My Name throughout the world, I say to you now, ‘As Mary and I walked forward, knowing that We had the responsibility of a Child, We, too, asked God’s Hand to guide Us all the way.’

Children are being taught to enjoy life, to enjoy all the things God has given. Children are told, through This Great Miracle of Mine, to have self-discipline along with this other. Children are being taught to satisfy their hunger for the beauty of the world, but along with this, they are being told to satisfy the hunger of the Soul, and this, My children, is through prayer, through loving God, through serving Him, and through doing His Will, in spite of all things that stand in the way.

This Great Hill of Hope that is being built in dedication to The Holy Trinity, with Honor to Me, I say: ‘It is a Special Gift to man from God. It is a Special Love from God to man. And

as you join in the material part of this Hill, keep in mind at all times that the Spiritual must be first, that the Spiritual must grow, and as It grows, you will see the need to love God more, and you will feel a desire to give all of yourself to Him.'

My children, This Miracle did not just happen to the world. It was designed by God, It was created by Him, to give man hope.

I bless you from the Realm of Heaven, a Blessing that is unusual to you but, nonetheless, True. I give you Love. As I hand It to you, It is first the Love of The Father; then, because of His Love for you, I must love you. So be it."

JUNE 24, 1972 AT 11:51 A.M.

GOD THE FATHER

“My beloved sons, My beloved daughters, never in your life did you expect to hear My Words, My Voice, in a place such as this. A long time ago, I had this Hill in mind. You see, My children, I created this Hill as I created you. For a period of time, I allowed man to care for this Hill, I allowed man to be the landlord of it, and now I have come to the world to reclaim it as My Own, to do with what I Will, for Souls to come Here for all time.

As you work each moment on this Hill, I bless you with My Love, and I say to each child, ‘Take each moment, give it to Me, so one day you will be a Saint.’ Man has forgotten the Beauty of Sainthood. Man does not realize that the Purpose of life is to be a Saint. So many have been taught that only a few have been chosen for this particular state. Not so. At the moment of your conception in the physical way, I said to your heart, ‘Come, be with Me for all days.’ But the little will that I gave you blossomed out and decided,

in many times, in many ways, to be selfish.

But now I come to the world through *a child* such as you, to give you the opportunity to learn how to be a Saint. So, every step you take upon this Hill of Mine, upon the ground that I created, make it a point, My children, to offer it to Me in The Divine, for one day this Hill will glow with Love from Me, but it will be the love of man that will encourage others to see the Beauty of My Way for All Eternity.

The work that you are involved in here is minor to the real work that is occurring on this Hill, for as you do the physical work, I multiply the Grace for you, and as this occurs, your Soul takes on a different Light and It begins to glow. So, one day, when you see the Light of your Soul, you will say, ‘Oh, my God, if I had but known the Beauty of It, I would have bent low.’

And now I bless you with My Love and I bless you with Hope, and I bless you with the desire to be a Saint and I bless you with the glow of your Soul. So be it.”

SAINT FRANCIS OF ASSISI

“My children, I, Saint Francis, have said many things through *this child* from the moment she stood before you on this day. I did it in a manner and in a way so as to not frighten some of the children who are here in a small way.

I, too, stood in the world, dedicated to The Father, and chosen by Him to perform in a particular way. Sometimes The Beloved Father in the Heavens performs His Greatest Miracles in a natural looking way. Keep this in mind, My little ones.

If God were to go throughout the world and perform Miracles that would be so obvious, man could not stand the pressure of them, for man would become very emotional over them. So all True Miracles begin with love and go through a natural looking way, and yet They are phenomenal in all ways and They are Supernatural in all aspects.

Man kneels to pray and man says, ‘*God, help me today.*’ God does,

but to man it is natural. Things occur, things happen. Man does not see the Miracle that God performed in just answering requests the child gives. Is this not so?

So, as I bless you from the Heavens Where I am, I send you God's Love and I say to you, 'Never let one moment go by that you do not hold His Hand.' So be it."

JUNE 25, 1972 AT 3:20 P.M.

SAINT AUGUSTINE

“My children, as you stand on a mound of soil, it is God’s soil, it is God’s creation. As you stand in a particular place, God has chosen this place for you to stand. As you breathe the air all about, God has created this air. I am Saint Augustine.

This Hill of Hope is one alone throughout the world. Children will come here to learn about Grace, the reward it is. Children will learn what the Ten Commandments truly are and children will learn the beauty of the dignity of the physical way.

Children must learn Reverence to The Holy Trinity. Children must better understand the need for prayer. Children must learn to accept that God is Above all things and that man is but a creation of His. Children must understand the necessity to lean upon God, not man. Children must begin to pray the Holy Rosary. Children must reject temptation. They must learn the virtues of the beautiful way. Children

must not anticipate God's Will, but to be subservient to It each day.

As you walk in the physical way, you do not see the Realm of Heaven watching over you at all times. My children, to walk the physical way is a privilege, as it was said before. Man has the greatest privilege of any creation of God, and that is to accept His Will, to do His Will, to perform His Will, and to become a Saint.

There are so many areas of sin. There are so many areas where satan has stepped in. Now, through this Hill of Hope, now, through This *Miracle Of The Beloved Saint Joseph*, man is learning to be cautious, man is learning to walk away from the evil that is all around. My children, do not accept evil ways. Do not accept something or someone that says to you, 'You are great.' Oh, My children, pride is weakness, humility is strength.

I bless you with God's Love and I bless you with Truth. I bless you with Dignity and I say, 'God does love you.' So be it."

JUNE 25, 1972 AT 3:24 P.M.

SAINT ANNE

“My beloved children, I announce Myself first to you. I am your Heavenly Grandmother. I am Saint Anne.

As I speak through *this child*, I use her as God Wills her to be used, as *an instrument* for Him. Nowhere in the world is This occurring now.

The Visions that occur to man usually are Visions to teach a Particular Thing, to give a Particular Message, to show Particular Love. And now, through *this child*, the Teaching is coming from Above. It is not ordinary teaching; it is Wisdom through The Holy Trinity, from The Holy Trinity.

Oh, My children, all the requests that will be made from you today, by you today, with you today, for you today, will be blessed by God. You cannot imagine such a Blessing, but you must understand that God is aware of all things and God sees all things.

Those of Us in the Heavens Here, Who work constantly for children upon the earth, We say to you, ‘Be aware

of Our Presence, be aware of what Sainthood is, and be aware of God's Will for you.'

My children, do not feel that discomfort is important. Just keep in mind that the comfort, the Knowledge that you are learning now will be sufficient for you if you follow Every Word said.

I bless you with a Mother's Love and with a Grandmother's Love. I bless you from Heaven Where I am. So be it."

JUNE 25, 1972 AT 3:25 P.M.

SAINT ATHANASIUS

“My children, I will speak slowly through *this child* so each one here will understand What I teach to man. I am Saint Athanasius.

In the time I lived, I fought heresy, Arian by name. The time in which you live, there is a great heresy. It has not yet been named, but God has a name for it. It has not yet been divulged through *this child*, but soon a name it will be called. Do not accept the heresy of your day. Do not let others guide you into cults. Do not follow what man says, but keep in mind The Commandments of every day.

Children of all colors, all creeds, must get to know The Heavenly Father in the manner and in the way best for the Soul. Please, My children, be aware that as you stand here, your Soul is alert to you and to Heaven. As you leave this Great Hill of Hope, your Soul will go with you, and you must constantly be aware of the Soul God gave you. As you sleep at night, your Soul stands by, ever a Part of you, and

at this time you must also ask The Divine to watch over the Soul for you.

The Guardian that God has put in charge of each of you is ever ready to protect you. And many of the children here before Me now have been protected much by the Guardian God gave them at the moment of conception.

There is a child here in this place now who has not been baptized, and The Father says, ‘Let it be; and let the cleansing of the water erase the sin from the child for Me.’

And now I bless you in a special way, and I say, ‘As All Heaven is aware of you today, you are to be aware of All of Heaven from now on.’ So be it.”

JUNE 25, 1972 AT 3:30 P.M.

OUR LORD

“My children, *this child* who stands before you is *a channel* from Us to you, is *a funnel* from Us to you, is *a faucet* from Us to you, is *a fork* for Us to use, is *a link* between Us. Each of these is used in a different manner. Each of these is used to teach and to reach you.

There are so many, many things to be learned by mankind, because you see, My children, The Father says to the whole world, ‘Turn to Me.’ And you live in a time where now the evil one is trying desperately to draw Souls to him, because of his envy, because of his jealousy.

I speak through *this child* in a direct way. I am The Son of The Father, and I come to you in a special way. *The child* will soon describe to you what she sees, and as she sees it, it grows in size, for you see, this Vision, this Love, must be known throughout the world.

I stand, not on a hill, but on the waters. I stand alone. As the water rushes under My Feet, it is the

momentum of This Miracle. As My Hands are outstretched, it is to draw in the whole world, for you see, The Father has designated a particular spot for this Teaching to be.

One man is eager to learn and he says, '*God, help me.*' As long as this man continues to say these words, the help will come and it will flow freely.

There is no turmoil in Our Way. There is all Love, all Truth. And as I stand upon these waters where *the child* sees Me, there is all movement. My children, she will now describe to you where I am."

VISION OF OUR LORD

He left the water and He stands on top of the world. And as He stands on this world there are all diamonds around Him. And again He explains the diamonds are the Souls to be saved, to come to Him. One diamond just went out.

"My children, the diamond, the light that just flickered out, was a Soul that I had chosen for Great Sainthood in the Heavenly Realm, but the will of

the child said, 'I do not want to cater to God, only to the physical way.'

The diamonds that *the child* has seen include your Souls. Do not let any more flicker away from Me. Let each day make you aware of the Light that your Soul is to Here. And allow your will to let this Light brighten to a Light that no man can know.

Through This Miracle of Hope you are given the Direction to help your Soul glow. As you partake in this Hill, you are Blessed with Grace, Blessed with Wisdom, Blessed with Light, Blessed with Hope. 'In return,' I say to you, 'be obedient to My Will; trust in the Ten Commandments; and, My children, look to The Holy Eucharist for the Magnitude It is, for you see, It is My Gift to you so you will one day spend Eternity Here with Me.' Through this Great Love of Mine, you will grow in strength, in courage, and you will be better able to withstand the blows of the human way. Also, I say to each child here, 'The Holy Rosary must be said, for it has a power beyond man's knowledge.'

I come through *this child* to draw you to Me. Do you reject My Love or do you accept My Love, for each of thee?

I bless you through her, and as I do, I ask you to cross yourselves with the Sign I gave you: *'In the Name of The Father and in My Name, and in the Name of the Light, The Holy Ghost. So be it.'*

JUNE 26, 1972 AT 1:04 P.M.

SAINT TOBIAS

“Man has forgotten the profit in cleansing. Man says, ‘I live in a world that desires to be sterile of many things.’ But the true cleansing is in the purity of the Soul, of the way.

Men are ignoring the Ten Commandments, for through These Commandments, in obedience to Them, man can be cleansed of sin in a particular way.

Man has forgotten the beauty of confession, for man says: ‘I do not need this. All I need do is speak to God Himself.’ Man does not want to go through channels. Man says, ‘I have a direct line,’ but God says: ‘I have given you the way. Do it My Way, not yours, for My Way is a Pure Way. My Way is good for you.’

There are so many children in the world who, when this Great Hill of Hope is accomplished God’s Way, these children will begin to see the beauty, and yes, the integrity and the dignity of things done in God’s Way. This Hill will stand for Solid Truth. The core

of it is Truth. The base of it is Truth. The goal of it is Truth. All things that occur upon this Hill must be faced in a truthful way and all things must be faced with a cleansing background. In other words, My children, when men come upon this Hill, they must desire a cleansing within, without. They must desire to know more about God's Truth. They must feel the Presence of His Way all the way to the top of the Hill.

The men who will service this Hill for God in a special way, must love God first, and then the world of men. These men must understand the beauty of loving God in an unselfish way. These men must teach the practicality and the beauty of the Sacraments God gave. These men must know first, that to lead others they must believe solely, themselves, in what they say.

Oh, My children, there are so many things to be, because God Wills it this way. I am a Saint Who has rarely spoken through *this child*. I am of a long time ago. I am a Saint that men would say, 'I do not know.' But now, as I come through *this child*, I come, not in a delicate way but in a definite way. I, My children, am Tobias.

I bless you with God's Love and I bless you with Truth. I bless you with Love and I say, 'The Hill of Hope is for you.' So be it."

JUNE 27, 1972 AT 12:47 P.M.

OUR HEAVENLY MOTHER

“My beloved daughters, at no other place in the world is This occurring. This *Miracle Of The Beloved Saint Joseph* is known in many places, and children are wondering just what is taking place. And now you are partaking in It, this Great Love of God’s for the world.

I am your Heavenly Mother. I speak in an instant through *this child*, and I always speak with Love, for you see, as *this child* stands before thee, it is in service to God, as He Wills you be.

There are so many, many facets to This Great Miracle of Hope, This Great Miracle that is a Gift from The Divine. As you gather in union with each other, keep one thing in mind, that one day you will stand before The Father and you will have to account to Him for your time. Let it be said now, and let this be your desire, that when you stand before Him, you will be able to say, ‘*Oh God, oh mine, I did try to do Your Will; and through a Great*

Miracle that You designed, I was able to learn more of Your Way, and I truly tried. You see, My children, do not stand on the outside of God's Love, for when you do, you deny yourselves the Beauty of His Way, the path to Here Above.

There was a time in My Life when an Angel appeared to Me, and the Angel said, 'Oh Mary, conceived without sin.' At the moment, I did not know what this Angel truly meant; and at the moment, I did not feel necessity; and at the moment, I did not see the Purpose of what this Angel was to say to Me, but as I listened to the Words of this Being from Heaven, I realized with My Heart that only God would deliver such a Message. Even when I nodded My Head in agreement, I did not know the Magnitude of This Agreement, and I did not scrutinize the involvement that would be; My Love was obedient, My Love was trusting in The Holy Trinity.

As time went on and things began to occur, I, too, would say to God, *'I am not worthy.'* And I would always feel His Arms say to Me, 'Mary, You must walk My Way, for You see, through You man will see Heaven, man will see Me.'

Many things I did not understand, but as I grew in trust in all things, I always knew it was best to hold God's Hand.

Through This Miracle that bears the Name of My Beloved Spouse, I see many children walking to the Gates that were opened by The Son. It is not a gate as you know a gate to be; it is far different than this, but God has brought to the world all things in explanation, so that man can better understand The Holy Trinity.

And all the Words that were spoken through *this child* before this, telling you of the Magnitude of The Holy Eucharist, was One of Us, for you see, there is no moment in the day, no moment in the night, that We do not stand with her, remain within her, for The Miracle is the world's Light. The Words that were mentioned, that 'This is a Miracle of Life, a Miracle for Life, It is a Living Miracle', this is Truth. God has designed It so.

At Sodom and Gomorrah, when The Beloved Father had to erase this place from the world, He took fire, and He struck fire so that it would burn to a cleansing point. And this time He is coming to the world to cleanse in

a different way; He is using a Son, a Saint.

And now, as you gather in love, in obedience and in trust, relate This Time to the Time when the Angel appeared to Me, and know that it is not an Angel that speaks to you, but All of Us.

I bless you with a Mother's Love and I say, 'As you walk in the physical way, devote every moment to God and His Will to be done, His Way; and do not let others distract you, tempt you, or lead you astray, for then you will rob yourself of the Grace that is bestowed each day when you are obedient to the Will of God and to His Way.'

Be blessed by My Presence here with you now. Be blessed by My Words, and be blessed by the Love I give to you: a Mother to a child. So be it."

JUNE 28, 1972 AT 11:14 A.M.

SAINT FRANCIS OF ASSISI

“My children, as I speak through *this child*, it is as you speak, but it is different in many manners. It is different in this: that the Words are Wisdom, the Words are from The Divine and the Words are not hers, as it would be if they were coming through you.

My children, I am Saint Francis of Assisi, and I have spoken many times through *this child*, and as I speak on this day, I say: ‘It is a great sadness to God when He hears and He sees children misinterpret the Greatest Book of any day. You must understand that this Book was written to give man the Beauty of God’s Way, and in this time in which you live, men are misinterpreting the passages, the meaning, the way.’

As it was told to you today, be sure that you have correct advice, correct direction, and truth in all ways.

I bless you with God’s Love and I say, ‘The Wounds that I suffered in the human way were for the good of man in every way.’ So be it.”

JUNE 28, 1972 AT 11:15 A.M.

SAINT IRENAEUS

“My children, I am Saint Irenaeus. I have spoken many times through *this child*, and I say to you on this day: ‘Do not be frivolous in the physical way, for as you know, the physical is your means to God. The physical is your means to save your Soul, the physical is your means to show God the love you have for Him, the physical is what will one day cause you to be a Saint. Keep this in mind and do not distort, disturb, or do things to the physical that would be against God’s Will for you.’

Oh, My children, there are so Many, Many Saints Who desire to help you. Be sure on this day that as you pray, you say to God:

‘Send One my way to guide me every moment of every day, and, dear God, hold my hand, because without Your Hand I will stray.’

Oh, My children, I bless you from a Realm you have not entered yet, but I bless you with God’s Love and I say,

‘Look to all things that are Truth, accept them in the Light God gives them, and be sure that when you face the physical way you have the Goal of Sainthood in your sight each day.’ So be it.”

JUNE 28, 1972 AT 11:16 A.M.

SAINT JOSEPH

“My children, I am The Saint for Whom this Hill is named. God has Decreed This Time for Me to come to the world in a physical way, to give the world the Light and the Wisdom God desires it to have.

The children across the waters and on this land must understand God’s Will for them. This Hill of Hope is as the Star of Bethlehem was. It is to shine so bright and to guide all men to Divine Way. It is to shine as that Star once did, to draw men from all over so that all the world will begin to see God’s Will that must be done by man.

As *this child* speaks Our Words, it is Our Way, God’s Will, and the Wisdom of The Holy Trinity. You must understand that you live in a time worse than Sodom and Gomorrah, and The Heavenly Father sends forth to the world through *a child* such as you, Direction, Teaching, Love, and the Way to Here.

Oh, My children, never is *this child* without Me, never is she without Complete Guidance, Complete Direction, for you see, The Miracle that bears My Name is The Greatest Miracle for man in this day, and It is One in which a personal touch, a living way is given to man.

This Miracle of Mine is called ‘The Living Miracle’ in the world of mankind. It is to give man life, It is to show man true life.

I bless you with My Love, and I say, ‘As I bless you with This Love, much understanding comes your way, for remember, I, too, walked the earth and I, too, realized the beauty of obedience, the beauty of trust, and the beauty of prayer, God’s Way.’ So be it.”

JUNE 28, 1972 AT 11:20 A.M.

OUR HEAVENLY MOTHER

“My beloved children, I hold *this child* with God’s Power, with God’s Light, and as the Words pour through her she is as *a funnel* of the Wisdom from Here. I speak on this day and I say to you, ‘Hold Each Word dear,’ and All the Teaching that has been given to you up to now is to help you better understand God’s Love for you.

I stand in the Heavens at all times, guiding you and guarding you. I am your Heavenly Mother. In My Visions throughout the world, I asked children to prepare themselves in a way to one day come Here and be with The Holy Trinity. Warnings were given forth, and I would beseech children to say the Holy Rosary in a devout way. Man does not realize the Magnitude of these Beads. In them is great power, in them is great love, and as you repeat the words, much is said to The Father Above.

As you touch the Crucifix of Love you say to God, ‘*I believe in You.*’ This, My children, says more than

you can know. And as you travel on the Beads, you say, '*Our Father, Who art in Heaven.*' This is your love for Him, this is your acknowledgment of His Way. And as you say the Beads to Me, you call My Name, and each time you call, I say: 'Yes, child, I am Here to stay. I am your Security. I am your Love. I am your Hope. I am your Way. And as you pray, I grant you Grace to one day come This Way.'

Oh, My children, do not let the ways of your world become so much a part of you that you forget the beauty of truth, the beauty of purity, the beauty of modesty, the beauty of virtue, the beauty of the great obedience to The Commandments God did give. Do not become so much a part of the world that you forget to give time each day to The Father Who created you in a special way.

Each child born to the world, at the moment of conception, is handed by God a Soul, is given a Guardian Angel, and a will is placed within. It is through this will that all things will come about. It is through this will that man is born to the world; the desire to live. It is this will that will guide you

through your life so that one day you will truly live with The Divine.

Oh, My children, as It has been said before through *this child*, 'To be a creation of God in the human form is truly a privilege in every way,' for you see, all things about you, all things you are, He made.

You are Blessed as you gather on this Hill of Hope, in a special way. Keep all things in mind that occur on this day.

Oh, My children, when you are in need, come to My Knee and pray. When you are in fear, come My Way and I will bless away the tears; and oh, My children, know that We in the Heavens are not far from you, but We are closer than you know. We watch you and We watch over you. We always encourage you to do God's Will, not your own.

God's enemy does just the opposite for you. He encourages you to be deceitful, to play tricks on others, and yes, to not follow truth. He also encourages you that the flesh is so great, and do not worry about the Hereafter because there is no Place such as that. This is so sad when We hear a child listen to these words,

because you see, God's Love is so Great and He has given you a will to decide, to choose.

Oh, My children, I beg of you, be alert to temptation, to evil, and to satan's way. He covers many things with a facade of good. This is sadness Here. But he is clever, he is deceitful, and he has nothing in mind but to drag you down to the pits of Hell with him. He can offer you nothing, once he has you; but, when you turn to God and you desire to love only God and to do His Will, oh My children, there is Great Promise, Great Reward, Great Happiness ahead, and True Life for you.

As I bless you through *this child*, I bless you first with God's Love, and then I bless you with The Heart of The Son, and then I bless you with the Light of The Holy Ghost; Three, always as One. So be it."

JULY 10, 1972 AT 9:45 P.M.

GOD THE FATHER

“My beloved children, I am present at your time together, with your thoughts for My Plan for the world of man. I enter in many ways. I speak in many ways. I offer suggestion in many areas. I implant good thoughts to accomplish My Plan. I give you humor to relax you as men.

I created you. I created the earth. I created the place that the birth will take place, the birth of a Son, in a different manner than the physical run. This time, as He comes to the earth, He will be heard, He will be seen, because of the sacrifice of *a child* to The King. This Saint, The Beloved Joseph, must be on the lips of all men. His Way must be learned, His Way must be taught, His Way must be followed, in example form.

The weariness of *this child* is one alone, the burden far greater than any man knows.

I will speak to you now of the Hill of My Plan, of My Desire for the world of man. A long time ago, I chose ‘this

place' to one day display My Way and to give to the world, in a terrible time, the History from The Divine.

I want all men to see the beauty of the physical way, to reach Me. I want mankind to know that I care about the physical, for you see, I want man to be reminded that I created the physical way and I had Great Purpose for it in every day.

I want man to look at the things I have given. I want man to seek the things I will give. I want man to know the Purpose of living. I want man to know the beauty of true living. I want man to better understand the total way that I Am In Command.

I want man to begin to pray, to begin to kneel, to begin to say: *'I love You, God. Thank You for the way.'* I want man to honor Me. I want man to see Me as The Holy Trinity.

I have given My Heart to this Hill of Hope. I have given My Will to be done by all of you. And I say to you on this night, through *a child* such as you, 'I want My Will done by each of you, in the Manner I Command, in the Way I Demand, for the Purpose of My Design for the world of man.'

I have spoken many times through *this child* on this Great Hill, about this Great Hill, regarding the purpose of this Hill. And I want men to come from all over the world to seek this Hill, to stand on this Hill, and to feel My Presence on this Hill. No man is capable of designing this place or injecting into it the Power of My Way, for it is with My Power that I reach you today.

This Hill is destined for many, many Miracles: physical, mental, and the greatest of all, Spiritual. This Hill is a love close to Me. This Hill says to the world: 'I want you all to see a Son Who was obedient to Me. I want you all to feel His Trust when He was asked to perform in a way special for Me.'

Oh, My children, I speak with great firmness through *this child*, for as you are a part of This Great Miracle that is so worthwhile, you must each serve in a special way, but I ask you to do it with love for Me, in your little way.

I bless you and I say, 'Look to the Light that I Am, look to the Beat of The Heart I gave, and look to the

**Truth that I have stressed in all days,
in all ways, for all time.’ So be it.”**

JULY 10, 1972 AT 10:50 P.M.

PADRE PIO

“My beloved children, I, Padre Pio, speak to you on this night, and I say, ‘*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*’ I say this with Love and I say this with Truth. I say it with Understanding. And I say: ‘As you build this Great Plan with God’s Way, God’s Direction, do it in love for Him, with Him, and say that you accept all things that He gives to you as obstacles, that He allows your way, for as you accept these things with love, He will give you Promise of much Glory in Heaven with Him, one day.’

You know, My children, I, too, stood upon the earth, and I, too, gave My life God’s Way. I, too, understand what it is to sacrifice and to do penance. And I understand that as I send the Odor of Love, the Odor of Sanctity that is designed by God, given by God through God’s Power, I also give you My Direction in this way, and I say, ‘Trust in all things that give Truth and show obedience to His Way, and as you do things in this manner, you will find Truth in all ways.’

Oh, My children, be blessed by the Odor and be blessed by My Hand, be blessed by My Love, and say: *'I love You, God. Help me serve You each day.'* So be it."

JULY 12, 1972 AT 11:15 A.M.

SAINT FRANCIS OF ASSISI

“I have come today to teach many children in a small way, the beauty of loving God in a great way.

I, Saint Francis, walked the earth, not only with the physical signs of Truth, but obedient to God’s Will with My whole being, and I wish this for you.

As I speak through *this child*, I stand in the Heavens Where I am, and I say to you in a great way, ‘Be sure that you train your will to follow God’s in every way.’

Keep in mind that all things come forward through *this child* now, to teach you, to guide you, and to show you the Light of Wisdom.

Man seeks intellect, develops it. And God says, ‘If you must develop the intellect I gave you, be sure, along with this, you develop the Soul, the Light that I want to return to Me before the physical does.’

You see, My children, God has many reasons, God has many purposes, but the Great Purpose of all things is that one day you will arrive Here in Heaven as a Saint.

I bless you with God's Love and I bless you with His Truth, and I bless you with Light. So be it."

JULY 12, 1972 AT 11:17 A.M.

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila, and as I speak through *this child* I speak with a Love, but I speak with a Direction, for you see, I, too, walked the world and I, too, had to pray for Direction from The Divine Three.

Oh, My children, if you but knew the Power of The Beloved Saint Joseph Here in the Heavens, you would kneel each day in a special time and you would say to Him, ‘*Dear Saint Joseph, please intercede for me with The Divine.*’ And as you pray this way, be sure that you understand that you must be obedient to God’s Will, God’s Plan.

And as you pray, be ever mindful, My children, that each day of your life was given to you by God, each breath you take was given to you by God, each beat of your heart was given to you by God, so you must have some return to Him in some way.

I bless you with God’s Love, I bless you with Hope, and I say, ‘Keep

God in your mind each moment of every day.' So be it."

JULY 12, 1972 AT 11:18 A.M.

SAINT MARTIN DE PORRES

“My children, I am Saint Martin de Porres. I speak through *this child* in My way, to deliver to you in your day, a Direction for you to follow so you will come Here one day.

I speak with firmness, for the physical way. I speak and I say: ‘All the fears that you have, be sure that you gather them together and you offer them to God in your little way. All the doubts that you carry for all things, gather them together and hand them to The Divine King. The sadnesses of your way through the physical life, gather these and say to Him: “*I offer them to You, my God, to be dispersed in the manner You desire them to be. Let all these things that disturb me help the Souls You desire to gather around Thee.*” Say to Him on the waking hours, “*I thank You, my God, for this time, for this way.*” And as you pass through the day, keep in mind, a thought for Him will grant you Grace from The Divine.’

There were many times in the physical way that unhappiness was mine, and I found that to bear this unhappiness it was best that I share it with God and ask Him to help me, to sustain me in all ways. The criticism I suffered, many times, was much the same criticism as some of you suffer in your time. Many men will judge, unknowingly. Many men will criticize unjustly. When you share these moments with God, the burden is lighter, the purpose greater, and, oh yes, My children, there is a growing in love with God that you cannot define.

It is true I stand in the Heaven, it is true I speak through *the child*, and All the things I have spoken are worthwhile. Do not forget What I have said, but be aware of Each Word, Each Direction, Each Truth, and let the Teaching, in the way of a sermon, help you to better understand that you must always hold The Father's Hand. So be it."

SAINT JOSEPH

“My beloved children, Many of Us Here in the Heavens reach you in this manner to draw your attention to Our time of speaking.

I, Saint Joseph, speak through *this child* often. God has Decreed This Time to be. God has Decreed This Moment, here now, that as I stand Here in the Heavens I come to you to lead you to Him, to lead you to the Crown. The True Crown in Heaven is not a crown as man knows a crown to be. The True Crown in Heaven is seeing The Holy Trinity.

Oh, My children, as you stand on this Hill Named after Me, you are granted Grace, unseen. There are many, many things for you to know. There are many, many degrees for you to grow. There are many, many Facts you must understand. There is much Truth you must accept in the way of man.

Be aware, My children, of the heresies all around. Be aware of the false prophets that stand on the

ground. Be aware of those that play with your Souls. Be aware of your egos. Keep in mind this thing: humility is strength, pride is weakness; humility is love, pride is self-love.

As you desire to find out more about God, you will, My children, if you learn to pray to The Ones Above. Do not be so smug in your thinking that you live in a cubicle of life, but as you seek the beauty of Truth, you will find true life. And keep in mind that the evil one, God's enemy, has many ways of covering evil with good, but also, the pride of himself soon seeps through, and sometimes it is too late for you to recognize that you have been drawn into the briar patches where he is.

When you are in doubt of Truth, pray that God will enlighten you. When you seek to grow in love with God, pray that you will have the strength of humility, and you will be a child. When suddenly one day you say, *'Dear God, I want to be a Saint,'* know, My children, that in this desire God will help you.

You are Blessed much in Faith, you are Blessed much in Hope as you

stand on this Hill God chose for you. All colors, all creeds, must come to this Hill. Children of all ages must understand the Purpose of this Great Hill. Pilgrims will come from all lands to participate in this Hill which is God's Love, God's Truth, for you.

As it was spoken by the beloved Saint Francis, you are an instrument for God. Handle it well, handle it with dignity. Walk in humility, and pray. Man has forgotten the beauty of prayer and man denies himself communication with Here. So, My little children, do not follow just other men, but seek Truth and you will feel strong. Do not let temptation be so attractive to you that you forget who could be at the bottom of the temptation for thee.

You are a trinity, as The Father is. The Soul is to you as The Father is to The Trinity. The body is to you as The Son is to The Trinity. Your Guardian Angel is to you as The Holy Ghost is to The Holy Trinity — the Light, the Guardian. Keep this in mind, that when you were designed and He made you to His Image and Likeness, He truly did.

You are Blessed, My children, in a way you cannot know. You are Blessed with God's Love on My Hill of Hope. So be it."

SAINT ATHANASIUS

“My sons and My daughters, All Heaven is alert to when *the child* speaks to you in her own way or in Our Way. God has designed This Miracle to be One Alone in the world. God has designed This Miracle to come to you now, so that you will be alerted to save your Soul. I am Saint Athanasius.

Surrounding you, My children, there are many heresies. There is one great evident one and some of you are falling into the trap of this heresy. Some of you must say ‘No’ to those you love.

Oh, My children, as I stand Here in the Heavens, I beckon you and I say: ‘It is time now to save your Soul today. It is time now to better understand the Beauty of God’s Way.’

As *this child* speaks to you, We smile, yes, because *the instrument* of God is loving you, because it is God’s Love through her that is transmitted to you.

I bless you with Love and I say, ‘Be aware of the heresy in your day and do not be trapped into joining others in a special way, but be conscious of all the things that could be untruth.’ Be conscious of the evil one who says, ‘Walk into the briar patches and save others.’ When you do this, My children, you could get scratched. I bless you with God’s Love and I say, ‘Be aware of the heresy in your day.’”

JULY 12, 1972 AT 8:07 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi, and as I speak through *this child*, I speak with Direction, I speak with Teaching and I say, ‘I stood before the Altar of God one day and as I did, I begged Him in many ways to help me better understand Him, and to be sure that I did hold His Hand, all my way.’

I speak through *this child* and I say: ‘There are some of you sons in the room now who could definitely walk a better way. There are some of you daughters who could better walk The Blessed Lady’s Way.’

Oh, My children, cling to the skirts of The Beloved Mother, and as you cling, say to Her, ‘*Mother, do not let me stray.*’ I did this in My day, My way.

Oh, My children, the Wounds that I did suffer were to show you and to help other men reach God. Do not let these things be of little use to you.

Oh, My loved ones, go to God, learn to pray, and as you do this, beg His Forgiveness and come This Way. So be it.”

JULY 12, 1972 AT 8:08 P.M.

SAINT ALPHONSUS

“My children, I am Saint Alphonsus. As I stand with Other Saints Here in the Heavens and I speak through *this child* of a direct way to Here, I say, ‘There are so many lost religious vocations in the world.’ There are so many children who are chosen by God to follow in a particular way. They do not follow His Way. They say: ‘I want to become involved in the world, for in the world I will find happiness. I will not stray.’

Oh, My children, do not be so foolish. Follow the religious way if you have the slightest inclination to do so, and you will give strength to all those who are already in. You will give a firmness to the plan that God has for several men. Oh, My children, follow. And those of you in the room who feel the need to be able to stand as a Man of God, do not fret over what is occurring in the world, but stand up to Truth, and please, My sons, ask God to lead you. So be it.”

JULY 12, 1972 AT 8:09 P.M.

SAINT JOHN OF THE CROSS

“My beloved children, I am Saint John, known as Saint John of The Cross. I speak through *this child* in a firm manner. I speak readily. I will speak slowly.

I want each child present here in the room, in your day, in your way, to better understand what the physical is truly meant for. The Father gave man the physical way. It is a means to come Here one day. Men throughout the world are forgetting the Purpose of the physical role. Men are placing all importance on the physical way. They are forgetting that the physical is the means to Here, the way to Here, and that the physical must be used to serve God in every way. Children of God, there are so many things that the physical can do to serve God, in little ways, in great ways. The physical can serve in all degrees.

Many men are following the way of the pages in a book. They are so busy being preoccupied with the knowledge that other men have set forth, they

are not thinking of the Wisdom of God. They are copying other men. They are not interested in the Truth that the other men have put down. All they are interested in is how much knowledge they can absorb, how much they can say they have read, how much they can say they have accomplished through the pages of a book.

I ask each child present here now, to look for the Truth in all that you read. Look for the benefits you derive from these things. Look for the value that each word brings, and if there is no wisdom to save your Soul, then toss the book away, toss the pages out, so you will not play the role of a fool. There are so many words written, simple, easy to understand, that will give you life and that will teach you God's Commands. There are so many things written to help you better understand God's Love for you, God's Generosity, God's Truth.

Oh, My children, I, Saint John, speak through *a child* that is but *an instrument, a channel, a fork, a link, a funnel*, for you, and as Our Words from Heaven Where We are, pour through her to you, it is to give you God's Love, it is to teach you the Way to Here, it is

to instruct you in what God expects of you.

Right now, in the world, men are causing destruction to themselves and to each other because they are blinded by the words they read; they are deafened by the words they hear.

Oh, My children, let your eyes see only Truth. Let your ears hear only Truth. Let your lips speak only Truth. Let your heart beat with The Heart of The Son, Which is Truth; and let the physical be totally submitted to God's Will. Let the will you have join with His. Let what you are be totally His. Let the Angels God created, help you. Let Those Who walked before you, Who are now Here, guide you. Let The Heavenly Mother protect you, and let The Father, let The Son, let the Light of The Holy Ghost be your Goal, your Aim, for everyone.

I bless you with Truth, I bless you with Love, and I say, 'I truly speak to you from Heaven Up Above.' So be it."

JULY 12, 1972 AT 8:16 P.M.

OUR BLESSED MOTHER

“My beloved children, I know that This *Miracle Of The Beloved Saint Joseph* is new to you. It must be special to you.

As We walked the earth, I was His Wife. I was The Mother of Our Son, and I knew that the Light We were to follow was a Special One. When the Child was born to the world, men gathered to honor This Special One. As We talked with these men, they said they had followed a light. They said that the light they followed was bright; they referred to it as a star. This star was special, My children, to the world and for the world, for all time.

And now again, The Father gives another Light to the world; and now again, The Father gives a Light for all children to remember, to seek, to follow. The Beloved Joseph’s Hill will be the Light to the world, as the Light was to Bethlehem a long time ago. Man is quick to see a light, man is quick to wonder what a light is all about. Man refers to light as hope. So as I speak to

you children on this night, I say with Love, as only a Mother can do, 'The Beloved Joseph's Hill is the Light for you.'

As I stand Where I am, in constant search of Souls, I plead with you, I beg you to be conscious of those who were not fortunate enough to see the Light that you must see, that is a Hill; who were not fortunate enough to learn to pray, to learn to say, to learn to do, to learn to give, God's Way.

My children, I have appeared in many Visions throughout the world. I am much evident in *The Miracle Of The Beloved Saint Joseph*, for when The Father announced This Miracle to be, All Heaven came forward and requested to participate, to The Divine Three. Much delight was experienced when He said, 'This Miracle of This Beloved Saint, of This Beloved Son Who walked the earth in obedience and trust, will be One Alone for all time, and I expect All Those Here to participate to help others come Here.'

It is true, My little ones, that you live in a time worse than Sodom and Gomorrah, and as you live in this time, God is giving you the chance to escape,

a chance for you to better understand His Way. It is His Love for you. His Love is Boundless, His Way Divine, and His Generosity for those whom He created, far beyond man's knowledge, far beyond man's dream of any kind.

I bless you with My Motherly Love. I bless you with the Hope that you must come Above. I bless you with the Trust of how The Father would work. I bless you in the Words I love to hear children say throughout the world, *'Thy Will, my God, not mine.'* So few children understand these words. So few children desire to truly say them. So few children know the meaning of them.

As I stop speaking through *this child*, I bless each child present here now in a Personal Way. I touch your heart with Mine. I embrace you with My Mantle, and I say, 'Be a good child for your Mother, every day.' So be it."

JULY 14, 1972 AT 9:28 A.M.

SAINT JOSEPH

“My beloved children, as you gather in joy, happiness and zeal, I say to you from Heaven Where I am, that what radiates from you must radiate throughout the world for My Miracle of Truth. Children in other places must feel the happiness you feel, the joy you have begun to know. This Miracle is a Way of Truth, a Way of Hope, a Way of Love, a Way for all children to come Above.

As you gather, telling each other of the happiness you know, you must spread this happiness to faraway places, in all corners of the world. Children must know the Words from Here, in their language, in their way, and they must begin to read the Words that We have said through *this child* for years. Children must begin to see in print, the Purpose of life, the Way of life, the Direction to Here. You must get translators to do this job, to tackle this great task for God.

Oh, My children, you are familiar with just a spot of This Miracle of Hope. And now as I leave, I bless you in

many ways, and I bless you with Love, for you see, it is your love for God that encourages thee, but it is His Love for you that gives you the privilege to serve in a special way. It is His Love for you that says, 'Oh, child, come My Way.' So be it."

JULY 14, 1972 AT 9:25 P.M.

GOD THE FATHER

“My beloved children, oftentimes you have heard man say, ‘If you stand upon a hill and open a bag containing many feathers on a windy day, they will flow in many places.’ This Miracle of Great Hope I place upon a Hill of Hope, and as the Words leave *the child’s* mouth, They are as the feathers that you know about. They go in all places, They wander around the world, and when I decide to let One fall, I place It where It will do Its most worth.

As you stand on the Hill of Hope, as you work for the Will of Mine, I bless you with Grace from The Divine.

You gather in a human way and as you do, I say to you today, ‘Keep in mind that I, Who created you, am now asking you to serve in a special way.’ I do not say to you, ‘Gather the Feathers, gather the Words,’ but I do expect you to make things come about in a proper manner so that when children come to this Great Hill of Hope, after they have caught the Feather which is truly

My Word, they will come well-prepared and they will see your love there.

My children, I have spoken millions of Words through *this child*. I designed This Miracle. I designed the Hill of Hope.

And now I bless you with My Love, and I say: ‘You are My children, every day, and through this work you will do for Me, you will gain Grace, Reward, and Eternity. Be blessed by your love and be blessed by Mine. Be obedient to My Will and trust in The Divine.’

As I use *this child*, I will use you in a manner different, in a way that is particular for you. Please, My children, do as I Will, and build the Hill. So be it.”

JULY 14, 1972 AT 11:18 P.M.

OUR HEAVENLY MOTHER

“My children, I am your Heavenly Mother. My interest in this Great Project for man is: First, it will draw Souls to Him. It will teach the children how to love Him. It will show all children the path to Him. It will give Light where there is darkness, it will give Sight where there is blindness. It will give Hope where there is despair. It will give Love when it appears no one cares.

There are so many facets to this Great Hill of Hope. There is so much to be seen, to be shown, through this Hill of Hope. To man, it is a piece of earth. To God, it is a Path to Heaven. To man’s eyes, it is a physical thing. To God, it teaches the children the way to The Holy Trinity.

Children will seek out many devices to teach others God’s Love. It will encourage minds to plan, to work, to participate, in God’s Way. It will show the world the beauty of the Bible. It will give man example to follow. It will draw men from all over the world

and show them a particular way to serve God, through obedience, through trust, through returning to Him the talents He gave in the beginning.

Oh, My children, I stand Here in the Heavens and I say, ‘Offer each task you perform each day, in love to God for a Soul to come This Way.’ Many times a Soul says, ‘Please, God, have someone perform for You so I will be released, so I will be able to spend time with You.’ You are in a position, My children, to help Those Who cannot help Themselves, and in turn, when They reach Here, They will help you build this Hill of Hope for your Soul and for the Souls of other men.

I bless you with a Mother’s Love. I bless you with Hope. I bless you with Truth, and I say to you, ‘I caress you in My Way, I comfort you as only a Mother can do, and I hold your hand so that you will not stray. And I will hand this hand I hold to The Father one day.’ So be it.”

JULY 16, 1972 AT 3:09 P.M.

SAINT FRANCIS OF ASSISI

“My children, I will speak slowly through *this child* for there is only One Miracle of This Kind in the world. It is a Teaching Miracle, It is a Living Miracle. It is a Miracle of Truth, a Miracle of Love, but a Miracle of the Way to God. I am Saint Francis of Assisi. As I speak through her, there are Many Saints present Here with Me now, Who will inject thoughts that They desire you to follow so that you will come Here one day.

I walked on a land similar to yours, similar to this Hill of Hope in your day, in your way. You live in a time worse than Sodom and Gomorrah, and it is God’s Will that you learn from This Miracle in your day. The land you stand on at this moment was designed by The Father and chosen by Him so that you could come and partake in a Great Plan leading all Souls to God.

In My day, and in my way I prayed, asking God to allow me to sacrifice, to allow me to do penance for the sins against Him. Please, My

children, begin this today. There are so many children not understanding the hurt The Father has when a child succumbs to weakness in all things. Many men are acting strong, but they are not strong. They are catering to themselves and loving themselves above all things.

From this day forward, I ask each child present here now to begin to offer to God all the little things, all the little ways, all the little thoughts, all the little acts, so that sacrifice will become a great part of your way. Oh, My children, do not feel that God does not love you when He does not allow you to stand in a magnificent way before all men, but thank Him for the privilege of the physical way, thank Him for the privilege of doing things each day, in the ordinary way.

I stand in the Heavens, loving each child God created, desiring to help them in God's Way. Children must learn more, to pray more to the beloved Saints, for you see, They will intercede to God in every way. Place Faith, place trust in Them, for as you do, They go to The Holy Trinity for you, and The Father smiles and says,

‘The child accepts My Way of doing things.’

As you stand upon the earth, you are an instrument in many ways. You are an instrument of example, you are an instrument for purpose, you are an instrument of teaching, you are an instrument of love. Do not misuse the word ‘instrument’, do not misunderstand the word ‘love’, and do not misinterpret the Words that come to you from Above.

There are so many Words written. There are so many children misinterpreting the Meaning of These Words. Please, My children, if you do not understand, in the correct manner, the Words already given to the world, go to a Man of God who stands firm on his thinking and ask him to explain to you what God has said.

I bless you with God’s Love and I bless you with The Heart of The Son, I bless you with the Light of The Holy Ghost; Three are always One. So be it.”

JULY 16, 1972 AT 3:14 P.M.

SAINT BERNADETTE

“My children, I am Saint Bernadette. As I stand in the Heavens I have requested The Father I speak to you on this day. He has allowed Me the privilege to come your way.

I was very much evident in a Miracle of another day. The Messages that poured through Me were similar as Those that pour through *this child* in your day, but the Vision was with My eyes; the Love, with The Heart of God. And now I come to you in your day. Please, My children, heed the Message that I was given and that others were given in other days. There is much need for these Messages to be acted upon, yes.

Oh, My children, there are so many prayers to be said, for there are so many Souls straying away from The Father. Beware of things covered with a facade of good. There are many evil things all around. There are many evil men, yes, walking on the ground, and you must be sure that you are able to sift truth from untruth, and you must

be able to know that God has Decreed This Time to be for children to better understand The Holy Trinity.

Oh, My children, there is much abuse in the world now to the Sacrament of Love, the Sacrament of Truth, The Holy Eucharist that was given for you. There are many men all around, diminishing the Magnitude of This Great Gift from God. You must stand up for What It Is, the Truth It Is, and you must not let men say It is a symbol only, in your day. It is not, My children. It is A Gift truly from God. It is Substantial in all ways, It is Solid in all ways, and It is He Whom you receive when you receive This Great Gift of Love, in a form, in a manner, easy for you to understand, easy for you to absorb.

Oh, My children, let no man, and do not let the heresy of your day, diminish This Great Sacrament of Truth, of Love, that comes your way. Encourage children to be cleansed. Encourage children to better understand This Great Gift of Love, This Great Gift of Hope that was truly given to man. Put It first, before all other duties you have. It is your duty,

My children, to receive each day This Gift of Love from God to man.

I bless you with God's Love and I say, 'As you leave this Hill of Hope today, keep in mind one thing, that the Gift of The Holy Eucharist was given to give you strength, to give you purpose, to give you hope, to give you truth, to cleanse you in a way; and remember, too, that It is A Pure Gift to you from The Father every day.' So be it."

JULY 16, 1972 AT 10:35 P.M.

GOD THE FATHER

“My sons, My daughters, I have gathered children from all walks of life, from all vocation of way, to serve Me on the Hill of Hope in your day. There are some children who are about to come forward whom you would not choose to act in your way. But I say to *the child*: ‘Accept this child, for I want their Soul, I want their body, I want their mind, I want the talents I gave, and you must bend with My Will, you must be flexible to My Way, for I am The Father and I am Flexible for man, for the good of all children I created.’ So *the child* is prepared, when I command, to obey. And when I say, ‘*Child*, I want this one,’ she is to serve, she is to say, ‘Let the child work, God’s Way.’

And I am now moving in another direction, and I am gathering children of a skin different than yours and I will bring them forward, for you see, I want them to participate in this Great Work for man.

When man looks at this Hill one day, man will say: 'It could not have been man's dream, it is too far away. It could not have been man's thoughts, for you see, it is too unique, it is too correct, it is too much God's Way.' And so, as Each Miracle that occurs in This One Great Miracle takes place, children will begin to see the Magnitude of This Way. Children will begin to recognize that Only I Have Control of This Miracle in your day.

I speak through *the child*, and to many It sounds natural. It is far from natural, It is Supernatural. I speak through *this child* in a matter-of-fact way sometimes, but you see, it has to be this way, for you could not stand My Power, you could not stand the Magnitude of Which I Am, each day. *The child* through whom I speak is as you, but she is completely, totally, submitted to My Way.

My children, be aware in all corners and in all ways, the danger that could lurk, of the pettiness that is all around, of the envy, of the jealousy, and yes, satan's way. There are so many, many things to be accomplished through This Miracle, and the evil one, My enemy, is going to try to stop

or delay; but I say to you on this day: 'Be wise, and walk in wisdom. Be as I Will it to be, submissive to only Me.' *This child* is an instrument, you are an instrument, each in a different way, and yet all directed to the Goal, the Purpose of life — Sainthood for each child I created.

My children, many vocations will be involved in this Hill, and when it is completed no man will be able to stand at the top and say, 'I created this Hill, I was important to this Hill,' for you see, each man's work will intertwine with the other one's way, and the interweaving will take place all the way up the Hill. And I will smile each time a child says:

*'Thy Will, my God; let me,
help me to serve Your Way.'*

I bless you with My Love. I bless you with My Heart. I bless you with Truth, but I bless you with the Light so you will see My Way. So be it."

JULY 18, 1972 AT 12:20 P.M.

SAINT JOSEPH

“My beloved children, you are not alone in your happiness, in your joy, for above you, in a Place, hover Many Angels Who are the Sign of Grace. And children who are eager to do, eager to learn, eager to perpetuate God’s Will, the Angels are ever present, for you see, They are there to protect you.

Many of you can say, ‘So much has happened to me, God, in Your Way,’ and many declare a new way, a new life, a new goal. And so it is with This Miracle of Hope, of Truth, of Love, children will begin to see the magnitude of the beauty of the physical way.

My children, I speak to you from a Realm far beyond the one you know, far beyond the one you are used to, far beyond the one you are aware of, and from this Realm I say, ‘It is God’s Love that comes your way.’ Right now you are in the process of turning to God in all things, in a far greater measure than you know; turning to Me.

Children will begin to come from difficult areas, from places you are not aware of, and they will come forward to participate in This Miracle for Me. You must accept them with love and in love, and you must begin to know that as We walked the earth, children came from far and wide, for you see, they did not know what occurred to draw them, but it was the desire for Truth, the desire to learn about The Holy Trinity.

Many men are preparing now. They are packing, in a material way, to come forward to see God's Truth on this Hill of Hope for all days, and those who participate will better understand the Goal of life, the service of man to God for all days.

Children say, 'I am not a servant,' and God says, 'Be humble, My child, for to serve is the greatest act of love man can give.' The Father, as it has been said through *this child* before, has come forward to the world to show the beauty of humility, for He is Example this way. Humility is not weakness; far from it, My children. It is a form of strength, it is an act of strength, it is a goal of service in strength.

My children, as you participate in your way, be welcomed by Heaven here, for you see, as you enter the door each day, All of Heaven says, ‘Come, child, work for God in a particular way.’ You do not see, you do not hear this, but know that in all ways Heaven is alert to what you do, to what you say.

I bless you with God’s Love. I bless you with a Hope you cannot know, and I say, ‘Pray, My children, for this Hill of Hope to come about as God Decrees it to be, as it must be in all ways.’ So be it.”

JULY 19, 1972 AT 11:15 A.M.

GOD THE FATHER

“My children, many things *the child* has just said, I said to you. I am your Father, and as I speak through *this child* who is as flesh and blood, as you, I use her as *an instrument* to transmit to you My Truth, My Way, My Love, My Desire for you.

I have come to the world in a great way and in a fine manner. I come to you in a special Form. I have asked man to be humble. I desire this from all men for humility is strength; and as I speak to you, it is with humility I come, it is humility I show, it is humility I teach.

It is the first time in the world I come so openly, so often, to teach the Way to Here. My children, This Miracle of Hope is My Gift to men. This Miracle is to show man the importance of humility, of Which I Am. As I stand High in the Heavens, guarding and guiding all things, I come through *a child* whom I created, to teach My other beings.

I want all men to learn from humility. I want children to learn the importance of obedience and the need for trust in My Way. I want children of all colors, all creeds, to come to Me as a child: humble, loving and desiring to do My Will. I want children to be example of My Way.

I use *the child* as I have always done, to reach the world. I did it with My Son, and through a man such as you, I delivered My Command. I told you through him¹ of what I desired for every man.

Children are omitting these Great Thoughts of Mine. Children are not looking to The Divine. Oh My children, as I stand in the Heavens Where I am, I teach you humility so you can follow it as men. I project My Love in a way that you can handle, you can take; I use another man. I teach you the act of obedience through her, obedience to My Plan. I teach you trust, for she trusts wholly in Me; so when she stands before you she is subjected only to Me.

¹ Refers to Moses.

I have given you a will, I have given you the way, I have given you the example. Please come My Way. And as *this child* is a *channel* for Me, an *instrument* of Truth, a *link* of Love to Me, a *fork*, a *spoon*, I use her as a *faucet* to pour My Words to thee. I use her as a *Victim Soul* so that you will see the Love I have for you, the need I have for thee.

I have taught you on this day humility. I have given you My Hand and I say, 'If you are wise, if you love Me, you will never let go of this Hand I give to thee.' And when other men ask you to stray, remember My Hand I gave you today. Remember the Teaching I passed on to you, through a *child* such as you.

This Hill of Hope is for all men. It is My Love, My Teaching, My Generosity, My Gift, and as you enter this Great Hill, it shows you the path to one day be a Saint Here with Me. So be it."

JULY 19, 1972 AT 7:55 P.M.

SAINT ATHANASIUS

“My beloved children, I come immediately through *this child*, for in your little way you do not know the Power that must surge through her to be with you on this day. You do not know the obedience that the Words just given were. You do not know the Love that had to come forth to say and to repeat Each Word.

There are so many Lessons that have been taught through *this child*. There are so many more to come. There is so much truth to be defined. Children must learn the beauty of obedience, the practicality of trust, the beauty of submission to God’s Will, totally. Children of all ages must begin to know that the world they have was given to them for the purpose of their Soul.

There is no teaching anymore about the Soul of man. There is so little said about communication between The Creator and man. Some men say, ‘Wield a great stick.’ Others say, ‘Be complacent.’ God says: ‘Teach truth.

Be example of love, and show through prayer that you know God is Above.'

I am a Saint. I walked the earth. I was man. And in the time I lived, I, too, fought heresy as God had planned. And *the child* who stands before you does just this. She fights the heresy of your day, which is Pentecostalism.

I am Saint Athanasius. I ask each child present here: 'Have you done God's Will today? Have you submitted just a little of your action of the day, or have you gone about all things, eager to progress, forgetting that all around you was God's enemy causing much distress?'

There are so few men in the world who have the strength to stand up for the truth. God wants all men to know, so men can become Saints. If God right now said to you, 'There is a tightrope waiting for you to walk,' how many of you would accept, even if He described the tightrope His Way, according to His Will? Some children say, 'I act God's Way.' They do not. They are following their own will.

My children, *The Miracle Of The Beloved Saint Joseph* has come to the world for you to know, for you to see

God's Path, God's Love giving you the way to spend Eternity with The Holy Three. God does not say, 'Do not enjoy the physical,' but God says, 'Use all parts of the physical to come This Way.'

I bless you with God's Love, and I warn you in this Love, of the heresy of your day. Man shouts, 'I have power.' God says, 'You have none.' Man says, 'But I have these gifts,' and God says, 'Satan has the power to allow you gifts to an extent that none of them are full, none of them are My Way.'

So, My children, beware of the facades that cover his way. Beware of the enemy who says to you, 'You are wonderful, you are great,' for there is no humility in this remark. There is no teaching in it, there is no love for you in it, there is no truth in it. So be it, for today."

JULY 19, 1972 AT 8:04 P.M.

SAINT BERNARD

“There are Many Saints present here with *the child*. And through all Miracles in the world God would decide upon the time the child would see One of The Heavenly Beings. But now, through This Miracle that is The Miracle of Hope, a Miracle designed totally for all children around the world, God says, ‘I will design it so when the children gather to hear Me, I will respond with Love and Humility.’

My children, I am Saint Bernard. As I speak through *this child*, I speak in a manner of One Way and One Way alone. I speak from the Realm of Heaven Where I stand, and yet through the Power of God I reach you on your land. I come through *this child* to add to the Lessons already given.

You must use your will to follow God’s Plan. You must try to understand the beauty of the path to God. Do not complicate it and do not underestimate it, do not misinterpret it; but, My children, see it for what it truly is. Accept the beauty of it, the truth of it,

the simplicity of it, the profoundness of it, and yes, the generosity of it, for ‘God,’ as you say, ‘is All Things,’ but He is Things you do not say He is. He is Humble; oh yes, My children, above all things.

And on this night you must leave this edifice, man-made, and keep in mind the Humility that God had, that God gives as He comes to you through *a child* such as you. Bring with you to your dwelling the desire for humility, the desire for obedience, the desire for love God’s Way, the desire to be as generous as He is in His Way. So be it.”

JULY 19, 1972 AT 8:11 P.M.

PADRE PIO

“My sons and My daughters, I am Padre Pio, and I begin this by saying: ‘*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*’ I bless you with God’s Love, I bless you in the form of the Cross, and I bless you with This Love and I say, ‘Do not forget the need of prayer, the purpose of prayer, and the way you must pray.’

There are so many children throughout the world that say, ‘*God, help me,*’ but they do not think of the communication that must be. They do not see that to love Him and to return His Love to Him, you must say to Him once in awhile: ‘*God, I love You. Please, help me decide what to do here. Please help me, God, in this way.*’

So many children cry tears, great tears, for they do not turn to prayer. They cry to another man and they lean on the weakness that is there. So I say to you on this night, as I bless you with God’s Love once again, ‘Please, My children, put yourself on your knees

**and pray.’ *In Nomine Patris, et Filii,
et Spiritus Sancti. Amen.*”**

VISION OF THE SACRED HEART

There is a very green ground, and about a thousand feet over this ground is a Heart. The Heart is bleeding. And now I am standing in a position, not under the ground, but able to see what is happening under the ground. And the Drops of Blood are seeping into the soil to stay there.

Suddenly, around This Heart is a Luminous Figure. The Beauty is One Alone. It's Our Lord. There's someone in the room that has much love for The Sacred Heart. He's smiling.

THE SACRED HEART

“My Heart is being desecrated in many ways. It has bled for the world of men, and as the Drops of Blood permeated throughout the world, man forgot What I gave for them. Nowhere in the world is My Heart being shown as It has been and as It is on this night, to you. I used *a Victim Soul, a child* such as you, to relay to you My Words.

There is so much each child here must do. First, you must seek Truth and then use it as your sword against the enemy that is all around. You must learn to define what Truth is. My children, you are not exposed to truth when you indulge in emotional exhibitions, following the thoughts of other men; following their direction, telling you what to do, how to do it; involving you in a man-made plan that has no direction, except, of course, drawing you to the jaws of the evil one, to the open gap of Hell.

On this night you have been given Direction, and I touch your heart with a Drop from Mine, for if I were to hand you My Whole Heart, you could not stand the Magnitude of the Power that It is, so one Drop will be sufficient for you now.

So many men are following a plan to desecrate the Ultimate Gift We gave to man: Part of Us. My children, The Holy Eucharist must be saved before it is too late. They are diminishing the Magnitude of It, the Power It is, the Truth that It is. Man says, 'Show me a sign, God, that it is truly You Who stands in this wafer given to man.' And I say to you and I say to all men

on this night, 'Do not direct what We must do, but walk in Light, walk in the Truth that My Physical Life gave you.'

Through *one child* We will show Our Power, We will show the Magnitude of a Great Light. Man, in order to receive, or to show a light such as this, would have to perform in a great way with great mechanical devices. We do not. We use the love of *one child* to give Hope to the world, and one Drop of Blood from My Heart will give you the strength to be a Saint.

No fool is a man who follows Our Way. A wise man subjects the will totally to Us, for the wise man knows We Are All Things. I say, 'We,' My children, because I come to you on this night as One Part of The Holy Trinity: the Physical, the Heart, the Beat, the Motor, the Suffering, the Agony, the Submission of Will, totally. When I walked the earth, those who laughed at Me, spat upon Me, were not My concern, for they did not know the Truth, but through This Miracle of Hope, of Love, of Trust, of Obedience, Truth is given to all men throughout the world.

I hold *the child* gently but I hold her firmly, and it is her submission that causes this night to be.

The beloved Saint Michael wishes to share with each child here the Sword he carries. The Sword, in reality, is Love for The Holy Trinity. Man shouts about armies, and yet man has the greatest chance to form the greatest army that could be, and the power of this army would be the greatest one man can know, for Love of The Holy Trinity, when it shows, is instant victory.

I release *the child* slowly. I release her with Love. I bless her as I bless you, and I say, ‘All men must know the Generosity of God, the Love My Heart showed, and the Light that is given to you in your day.’”

JULY 20, 1972 AT 9:40 A.M.

SAINT JOSEPH

“My beloved children, Heaven joins in the laughter and in the joy, in the planning, in the doing, in the sharing, in the giving, and especially in the caring. You are but instruments of The Father, but your joy in this task, in this service, is truly one to behold, for you see, We, too, walked the path of the human way, and We walked in service to God in Our day. Ours was not as yours. Ours was a more quiet way, but yet We, too, had to pray for constant Direction, for constant Love. We had to cling to The Divine Above.

I, Saint Joseph, bless each child here and those who participate in the Hill of Hope, for you see, the Hill of Hope is somewhat like the Crucifixion was one day: opening the Doors of Heaven; of course, in a different way.

You do not see the Magnitude of the Hill being accomplished in God’s Time, God’s Way. And as it was in the days of the walking of the path to the Hill of Calvary for The Son, the Hill of Hope is being done in a similar

way; of course, this time the suffering is not total physical, the suffering is comparable and parallel to the work, the tasks to be done. So, you see, My children, as the Hill has been described by Heaven as the Star of Bethlehem was, it can also be a parallel to the Stations of the Way, to the Cross on which He hung, the opening of the way, the lighting of the way, the service that has to be done.

I bless you with God's Love and I bless you in thanksgiving, for you see, it is proper to thank children when they work in love like thee. So be it."

JULY 20, 1972 AT 1:15 P.M.

GOD THE FATHER

“My children, I speak to you from a Realm you are aware of, but the Magnitude of It is far beyond your understanding, your knowledge, your thoughts, your way. Nonetheless, All Direction comes to your way from This Place. I speak through *a child* who lives as you: flesh, blood, the physical. The world is enveloped now by a Love they cannot see, they cannot know. It is All through The Miracle of Hope.

There are many heresies in your day, and *the child* must stand before the whole world and fight the heresy, Our Way. We have signaled her much when she is the target of such heresy. And as she stands in the target way, We say, ‘Beware of the heresy, *child*, as it comes forward as a dart, as an arrow, as a bullet, as a way, for you see, the heresies that you are surrounded with must fade away.’

Children all over the world say: ‘I belong to God, I walk His Way. The Spirit moves me, acts within me, and yes, directs me, His Way.’ Children are

being misled, because you see, they are misunderstanding, misinterpreting many things. They are desiring, they are wishing, they are hoping. They are not all receiving such Gifts from God.

There are many displays of emotionalism caused by hypnotic anticipation. The world must know that one of the greatest heresies all around is imposed by man and his desire to stand with God in a special way. Man has lost the beauty of humility. Man has lost the desire to be a servant of God, to do His Will in a special way.

Man says: 'I want Gifts, I want knowledge, I want the beauty of walking in a superior way. I want power, and I want other men to acclaim me.' Man, in some instances, is not aware of what he does say, but nonetheless, it is truth. This is what he wants. Man wants to be great among men. Men want power, for you see, they feel a surge of greatness in the power that they constantly decree was given to them by The Spirit of Me.

Oh, My children, I am too Wise to allow so many children to run around the world in a manner of having power

such as they decree, for they would be lost from Me. I cannot allow it to be. So the heresy that is here, the heresy that is in this great search to seek benefits from My Way, must cease.

I bless you and I say, ‘These Words must be given to many children in your day.’ So be it.”

JULY 23, 1972 AT 3:16 P.M.

SAINT CATHERINE OF SIENA

“My beloved sons, My beloved daughters, I want each child here to read of My way, to think about it and to know the importance it played, for you see, I was but an instrument of God in My day. I am Saint Catherine of Siena. Many times I had to stand before men, announcing the truth, fighting for the truth, delivering the truth. And so it is now in your day, through *a child* who is as you. You live in a time of heresy. You live in a time where men are devoting all things to the physical way.

There is one heresy outstanding in your day. Men are seeking it out in prideful ways. Keep in mind, My children, that heresy is developed untruth. Beware of it and do not latch onto it, for it will draw you to the pits of Hell. It will make you alert to the physical and it will encourage you to have physical gifts that God did not give you. My children, it has a name, and I speak of just one of the heresies in your day. It is called ‘Pentecostalism’, and men are calling it by different

names. They are dividing it between two areas of way.

Let it be known to you here on this Hill of Hope, on this Hill of Truth, on this Hill of Love: Do not allow yourselves to be drawn into it, for if you do, it will draw you to satan's way, for it thrives on your pride, it encourages your ego, and yet it permits you to think only of the physical way.

I, Saint Catherine of Siena, love you, for God made you, and I bless you with His Love on this day. Follow the Truth, follow The Holy Eucharist that The Son gave, and keep close to you the Holy Rosary, for it is a power, it has a power beyond what you know power to be.

I bless you and I say, 'Be in His Heart, stay with His Will, and thank Him for each day.' So be it."

JULY 23, 1972 AT 3:20 P.M.

SAINT MARTIN DE PORRES

“My beloved children, I am Saint Martin de Porres. As I speak through *this child*, I speak of the time in which you live, for the time in which you live, to help you in the time in which you live.

You speak of progress in your day. We, too, had progress in our way. You speak of reaching other parts of the earth quickly. Oh, My children, right here where you stand, you have The Greatest Love, The Greatest Miracle God could give any man. Keep this in mind when you desire to go to other lands.

When the day opens for you, do not just think of the physical, but think of all the things you can do to grow closer to God, to grow more in love with Him, and to serve Him the way He Wills you to do.

I bless you and I say, ‘It is with God’s Love I came to you today.’ So be it.”

JULY 23, 1972 AT 3:22 P.M.

GOD THE FATHER

“My beloved children, I come to where you are to speak to you in a special way. I am The Father Who created each of you. Your birth to the world was My Design; My allowing it to be, My Love for each of thee. Men are saying I would not speak through *a child*. I come to the world now and I say: ‘Many ways I prepared *this child* so she would be able to stand before you on this day. It is My Love, through *a servant*, through *an instrument*, through *a funnel*, through *a channel* I designed, just as I designed you one day.’

The little children before Me here must know, must understand that I Am The Father, and I come now to the land so they will begin to know the Truth that I Am. There are so many temptations all around and I want the children of all ages to seek out The Commandments I gave and to learn Them; and the meaning of each one must be followed, for you see, one day I want each child to return to Me.

Do not think that My Words are impossible. I am The One that controls your heart, I am The One that allows all things to be. As I speak now, I speak with Love, Infinite. I am The One that you must look to, and you must seek to do My Will above all things.

I am giving the world Hope. I am giving the world the Truth to follow, the Way to go, the Path of Knowledge guided by Wisdom, One Alone. I am seeking out children in many areas to help others come up this Hill where I have placed Much Love.

The child knows where I placed My Heart, across the ravine from you, and where It is now, a place¹ will be built, and I will help in all ways, the physical. So, where you are now is for your Soul²; and where you look, over in that direction, where *the child* points, is to help the physical.

There are so many things you must take with you on this day. There are so many Lessons that have been

¹ Refers to the Hospital.

² Refers to the side of the Hill, which is divided by a ravine on which the Basilica, Our Lady's Chapel and The Room of Saints will be built.

taught to you in a special way. I bless you with My Love, I bless you with My Heart and I bless you with My Light, the Wisdom you received today. So be it.”

JULY 25, 1972 AT 3:00 P.M.

OUR LORD

“My beloved children, I am The Son of The Father, and as I walked the earth I was The Son of an earthly Father. He, in many ways, taught Me to love God more. I would smile at different things He would say, for you see, I knew the teaching He was giving Me was to help Me grow totally in God’s Way. His Life was to be the Example for all men to follow. His Way was also Example, for He was a degree of Strength, a degree of Obedience, a degree of Trust that God desired for all men to have.

As I speak through *this child*, it is her obedience to Our Will, it is her trust in Our Way that gives you the Words We do say. No man in the world knows all the facets of This Great Miracle. *The child* is the sole owner of these facets, *the Soul* that knows what each facet must be, will do, is for, the purpose it has.

Sometimes, when she does not reveal to others different ways, means, manner that must be stressed, the

child says, 'I do not believe, I cannot feel This is true,' and she must stand, knowing the child is wrong, and yet just praying for the child's distress. This, My children, takes obedience to The Father's Will, it takes trust in a way you cannot know, for you see, many times when I walked the earth, this happened to Me. Children would stand before Me and they would say: 'There is no God. How can it be? He does not come before us and show us the way.' And I would stand there, looking into their eyes as *this child* must do, knowing the truth, and yet it was not time for Me to divulge What I knew, it was not time for Me to do certain things, it was not time that The Father was to become known in a special way, manner.

History way is repeating itself in a particular way. The Father has designed the Hill of Hope for all men to come to, to better understand His Way. Children are sometimes rejecting this Hill, for they say, 'It cannot be so,' and yet when they stand upon this soil, upon the earth, they wonder, 'Could this be God's Will?' And keep in mind, when you stand on this Hill of Hope, to pray for those who come, who are fighting to believe in This Beautiful

Way, for you see, you will gain more Grace if you act this way.

I stand before the world as The Son of The Father. I stand in man's eyes as The Heart that beats with God's Love. I stand in the world as The Son of an earthly Man, Who is the Example for all men to follow. Many things in My Life were designed to lead all men, and yet now, in your day there are men saying, 'That was His time, His way, His day, and now I must consider the progress of my way.'

Oh, My children, you are Blessed through This Miracle of Love, you are Blessed through This Miracle of Hope, you are Blessed through This Miracle of Truth. And keep in mind there are many facets to This Great Diamond that God has given to the world. The Hill of Hope is as the Star was over Bethlehem, shining bright, drawing men to God. The Miracle can be termed as 'a Great Diamond', for in each facet there is a Ray of God's Love for the world.

I bless you through the Whole Diamond, and I say, 'This Blessing extends to every Soul in the world, and as the Ray penetrates to children

far and wide, you must pray that they will come as they are called, to stand on the Hill, so that one day they will truly stand in the Sight of God, Here Where I am.' So be it."

JULY 25, 1972 AT 8:20 P.M.

OUR LORD

“My beloved sons, My beloved daughters, I am The Son of The Father, and I speak to you on this night because of His Love, My Love, and the Soul you bear, the Soul you have, because of His Love for you.

My children, there are so many things around you that are temptation to draw you from Us. Know, that as you look at these temptations you must ignore them, for you see, they will rob your Soul of Eternity with Us.

I speak through *this child*. There is but One Miracle in the world such as This. The Miracle is One of Truth, One of Hope, One of Love. It is a Miracle of Fullness, a Miracle wherein you are taught the Love We have for everyone.

We want children of all colors, all races, all creeds, to come to the Hill that was chosen a long time ago for this time to be. Special children were chosen to hold this Hill for this time, and on the day that *this child* had to stand and say, ‘This is the Hill God wants for the Hill of Hope to be,’

the Hill was Blessed at that moment especially. There were many things Blessed in this Hill at that particular moment. *The child* was made aware of them. *The child* stood in humility. You, too, must stand in humility at all times.

Remember, My children, that when I walked the earth I stood in humility. It was God's Will, and through humility God is always seen. When the time came for the Crucifixion to be, I could have struck out. I could have stopped things, but it was God's Love for all beings that caused Me, encouraged Me, to go forward so that things could be completed His Way.

As you gather, in a young way, I, too, was of your age one day. I, too, listened to others speak. I, too, had to obey. I, too, had much zeal for the work and for the play; but I knew, even at that time, that the day would come and I would have to suffer for The Divine.

Now, My children, you gather together hopefully, helpfully, and interested in what will be. Many of you were chosen to do certain things, to

act in special ways, to perform certain tasks, and to follow certain paths.

On this night, I bless you and I say, ‘Remember to love God above all things, to look to His Heart for the beat of all things, and to thank Him for the privilege of the physical way; for, oh My children, it is truly a Gift from God your way.’ So be it.”

JULY 26, 1972 AT 7:43 P.M.

SAINT PHILIP NERI

“My beloved children, I am a Saint some of you have not heard of. I am Saint Philip Neri. Some of you have prayed to Me, but most have not. I ask you on this night to become more aware of The Saints Who are Here with God, in the Heavens Where I am. There is Reward for the physical life. You have the privilege to reach this Goal. You have the privilege to store up, for your Reward for service to The Holy Trinity.

Right now you are in the world where there is little modesty and little thought of purity. My children, make yourself know that to walk a particular road, keeping before you modesty, purity, self-discipline, obedience to God’s Will and trust in His Way, you will find happiness unfold before you and you will see all beauty in your way.

I truly speak to you from the Heavens Where I am, for I do not have to come and stand before each man. I use God’s Power through *a child* such

**as you, to reach you with a Teaching,
to reach you with Direction, and to
give God's Love to you. So be it."**

JULY 26, 1972 AT 7:45 P.M.

SAINT AGNES

“My beloved children, I am Saint Agnes. When I was of a young age I was permitted to stand in truth and to give my life in a particular way. The young of your day and of your way do not know the Blessing of giving to God in a special way. They have been robbed of this Beauty. They have not been given the facts of this way.

I ask you on this special night, through *a child* such as you, to see that all are taught the Beauty of service, the Beauty of sacrifice and the Magnitude of penance. Much has been taught on these things through *The Miracle Of The Beloved Saint Joseph*. You must, on this night, keep these things in mind so you will be an instrument of God and pass on to others this Great Knowledge, this True Wisdom, this Love and this Light.

I bless you with God’s Love, I bless you with His Heart, I bless you with Light, and I say, ‘The eyes of your physical are an extension of the Eyes of your Soul.’ So be it.”

JULY 26, 1972 AT 7:50 P.M.

VISION OF SAINT ATHANASIUS

A particular Saint wants everyone in the room tonight to secretly examine your conscience along with mine. I will examine mine. Ask yourself these questions. And then I'm sure the Saint will announce Himself to you. He's beautiful. That's what I'm smiling at.

SAINT ATHANASIUS

“First of all, when you awakened on this day, did you pray? Did you offer the day God's Way, or did you become so preoccupied with the tasks at hand that you ignored the most important part of your day, which should be in God's Plan?

Second: My children, did you do God's Will in each act you performed? Could you stand before Him now to be Judged? And could you say, 'I am ready, my God, to come to You today'?

Third: Was there any time during the day that you thought of God's Rules for just a moment? The Ten

Commandments are His Rules. Did you ignore Them or did you make a point of thinking about Them? Because, through These Rules, obedience to Them, each of us can become a Saint.

As you sat for repast for the physical needs, did you thank The Father for what was on the table for you, or did you take it for granted and just eat the food?

Did you plan on, from this night forward, to do God's Will, or will you leave this edifice, doing as you have done, just taking care of the material things one by one? Have you expressed love in your little way, or have you accepted love in a selfish way?

Have you passed through the day in all pride, encouraging your ego to stand strong, or did you act humble so others could see God's Example through you? Did you take His Name in vain, just to release tension, or did you say a small prayer or an ejaculation?

When you awoke this morning, did you walk to the Railing of Love? Did you receive the Ultimate Gift from Above, or did you have excuse to say, 'I did not have the time, I did not feel the need to look His Way'?

My children, I am Saint Athanasius, and I question you on this night to make you think, to ask you to think, so you will begin to do all things right. There are so many things children forget to do each day. And This Miracle of Love, This Miracle of Hope, has been sent to the world to teach you God's Way.

You live in a time of much heresy, and in order to face this in your day, you will have to take stock of how you live, how you feel, and what you give, God's Way.

Be blessed by this night. Be blessed by His Love. Be blessed by the Truth that reached you from Heaven Above. Walk from the edifice, feeling a need to change, and as you do this, promise The Father that from now on you will walk through each day, holding His Hand; and learn to pray. So be it."

JULY 26, 1972 AT 7:58 P.M.

SAINT TOBIAS

“My children, I am Saint Tobias. *The child* has asked Me, ‘Which One?’ And I say to you, ‘The younger One.’ And I want each child here tonight to keep in mind All the Words that arrive through *a being* God made, through *a creation* of His, through His Love for the whole world.

So many children are trying to escape, going from place to place, trying to find Grace, trying to place themselves where there is no sin, trying to put those they love in a cubicle so evil cannot reach them. The greatest weapon in the world is not escape, My children. It is to stand firm on what you know is truth, and to stand strong in truth. And as you do this, keep in mind to carry the Sword of Saint Michael all the time, for the Sword is not a sword as you know one to be. It is Love for The Holy Trinity.

I come to you from a long time ago, for you see, the time on earth is preparation for the time you must spend with The Holy Trinity, for as

you must serve here and now to one day arrive Here Where We are, keep this in mind: It is only the beginning of Life for there is much Service Here to The Father, for as We are Here, Our Happiness is in serving Him all the time.

I bless you from a Realm you have not seen. I bless you in a way you understand, for It was given to you by The Son of The Holy Trinity, for as He hung upon the Tree, His Head was in a position, the highest part of Him; His Shoulders slumped with pain, with agony, and from the strain. Oh, My children, The Heart has always remained. So be it.”

JULY 26, 1972 AT 8:03 P.M.

**VISION OF OUR LADY,
SAINT JOSEPH,
AND MANY SAINTS**

I will tell you what I see. There are about, I would say, Twelve Saints present in a group. One is Saint Peter, One is Saint Anne, One is Saint Teresa, One is Saint Joachim, One is ‘The Little Flower’; Saint Edward, Saint George, Saint Bartholomew, Saint Alexander, I have never seen Him before; Saint Mark, Saint John of The Cross. I do not know Who the Others are. They are All in the garb of how we are used to seeing The Saints.

Our Lady, oh my, She’s beautiful. She is coming into the group very slowly, but almost from above Them, and She’s beaming. Saint Joachim goes over and greets Her, and He calls Her lovingly. He says, “Mother, Daughter,” and She beams at Him. She says, “Father.” He didn’t touch Her Hand though. He reached out, and Their greeting was a little different than you and I would be.

Oh my, Saint Anne is standing with Saint Peter, and She looks at Our Lady — all of Her Love. You cannot know Love like this. I have never seen Love like this. She says, “Mother, Daughter.”

Peter calls, “Our Lady is going to speak.” They circle around Her. And Saint Joseph comes through, standing just there where She is. And She turns around to Him, and He smiles, and She looks at Him and She says, “Son, Husband, Beloved Saint of God.”

OUR BLESSED MOTHER

“My little ones, you were allowed to see a greeting of Much Love Here in the Heavens that you heard so much of. The physical closeness is in many ways retained Here. A recognition of Our walk through life together is important, for it was Our effect upon Each Other, Our Example in God’s Way, that oftentimes gave strength to show the beauty of the physical way. And that is why it is so important that children who share the physical life respond to each other with love, consideration, humility and good example.

I come through *this child* to teach you this Great Lesson on this beloved night. Her obedience to God's Will gives much Light. All Heaven is radiant with Love and desires all children to arrive Here Above in Glory, for The Father wants all children He creates to spend Eternity with Him, to serve Him Here as a Saint. The evil one does not love you, My children. He envies you, and he does not want you to realize Sainthood.

Bear in mind all things you have learned on this night. The joy that was seen in the Vision through *the child's* way was to show you many things on this beloved night. This *Miracle Of The Beloved Saint Joseph* is on the Winds of God's Power and in the Power of His Winds, and It is to set all things right. Those who deny that The Father would act in this manner must understand that when He chooses a Way, It is Right.

I bless you with My Love. I bless you with God's Love. I touch your heart, and I say, 'Let the Truth, let the Wisdom that you know lead you This Way.'

I will release *the child* slowly for the Power is Great, for you see, with so Many of Us appearing to her, it took a Great Power and They will release her One by One. Soon she will return to you totally, except, of course, in a manner of always submission to His Will. The Beloved Joseph is never away, never out of reach, for the time in the world is now that He must become known for Who He Is, How He walked. It is God's Will. So be it."

ANNIVERSARY OF
THE MIRACLE OF SAINT JOSEPH

GOD THE FATHER

“I began all things in the proper way, in a way that *the child* would understand the Magnificence and the Truth of My Plan. I am your Father, and I speak to you on this day because it is a greater occasion for man than *the child* is able to say.¹ It is the opening of great gates. The gates lead mankind to hope, and there are many men in the world who say, ‘If *this child* is true, God will make it so.’

So as you gather in happy occasion, in love for what is real, keep in mind one thing, that *this child*, chosen before birth and from the moment of birth destined to do My Will, suffered much in a physical way, and used many years to grow so in love with Me, that when the time did come there was no other word to say but, ‘Yes, my God, my will Your Way.’

¹ Refers to the Anniversary of the Formal Beginning of The Miracle of Saint Joseph.

Everything that occurred at that moment of Announcement has been handled with dignity, and yes, a beauty you cannot know. All Heaven has taken part in This Miracle of Hope, This Miracle of Truth, This Miracle of Love. And when *the child* says to man, 'You are experiencing but one facet of This Miracle,' this is All Truth, for there have been many physical cures, there have been many cleansing of the way, for the Soul to come Here with Me one day. *The child's* hands are Mine, *the child's* arms are Mine, *the child's* way is Mine, *the child's* will does only The Divine.

Children, I announce many things to you today so you will better understand that Hope is really given to the world My Way. Some of you have experienced the Oil. I now explain to you: This Oil comes with My Power and It is handed to man when I Decree it to be. The Oils will become known as 'The Oils of Saint Joseph', and as *the child* does know, They can be multiplied when I decide this to be.

Children, I give you Faith, I give you Hope, I give you Love. Many times I have spoken through *this child*. Some of My little creations believed

that It was I Who spoke, that It was I Who said All the things. And those who closed their heart, their mind, and said it could not be, left empty inside, for you see, there is a beauty in trusting Me. Children seem to be more conscious of avoiding good than worrying about following evil.

Through This Miracle of My Beloved Saint Joseph, I want all mankind to see Me, to learn once more to understand My Generosity, My Love. The world will have an Announcement soon, for you see, in the Winds of My Power and in the Power of My Winds, It is I Who am spreading The Miracle you partake in. As I see fit, I place It in hidden corners, and as you know, I use *the child* around the world.

I take her from you and I place her in other ways to do My Work in a physical way, for when she appears at the side of a bed she is welcomed with love, and the child who lays upon the bed, physically ill, responds to her; for I prepare the way so the moment she appears, the one who will be helped by Me greets her with love, and she is the only one they see. But as I transmit My Power through her, the physical is cured and the child goes on to serve

Me. When I whisk her away from these places, what is left is love for Me. Soon they forget the physical part, the transferring of the Power from Me.

So many things have occurred to *this child* and through her. The 'Preparation' was very difficult for her, but it had to be. And through the submission of *a little will*, you come now to a day where you see the Fruits of the labor, the Beauty of truth, the Magnificence of hope, the Peace of obedience, the Tranquillity of trust, and the Desire to grow more in love with Me.

Through *the child*, I, your Father, bless you on this day, and as I do I want to say: 'You gather here in a chosen way. I called you and you answered in a loving way. As *the child* was chosen for a particular way and task, you also were chosen and your service must last.' And as I enfold you in My Arms and I caress you with My Love, I say: 'I am your Father. Stay close to Me each day.' So be it."

ANNIVERSARY OF
THE MIRACLE OF SAINT JOSEPH

SAINT JOSEPH

“**M**y beloved children, in the way of your honor, in the place of your physical, you are joined with The Saints, and as They sang the song, The Father said, ‘No man can stop the Hill of Hope, for through *this one child*, others see My Love, My Generosity.’

I, Saint Joseph, come through *this child* in a manner unfamiliar to you, but one of truth. The Honor you pay is good, for it reminds Me of the time when The Child was shown to the world. The wise men, the shepherds, the animals that stood around — an Announcement was then that there was Hope for the world. Again, on a particular day, an Announcement was made, this time to bring My Name to the world.¹ As it took courage then to stand in a way of love, of obedience and blindness, it was the same five years ago today. It was love, obedience,

¹ Refers to the Formal Beginning of The Miracle of Saint Joseph on July 28, 1967.

blindness, and yes, another thing was shared — total trust.

As you are little instruments to spread God's Love, God's Truth, you will gain Grace in a manner of beauty, and yes, God's Love for you. There are so many things that This Miracle is parallel to, that occurred a long time ago. And as *the child* shed tears, We also shed tears when The Son was born to the world.

So, as it is a time of joy, a time to give peace to the whole world, This Day will be remembered in History as a 'Day of Celebration', a 'Day of Birth', a 'Day of Acclaim', for one day The Hill of Hope will hold This Day dear, and children will come from all over the world on This Particular Day to share in God's Love. As they share the Birth of The Son, they will share in Another Day that God said will give Life to the world.

I bless you with God's Love and I bless you with Hope and I bless you with Truth, and I say, 'The Sword of Love was handed to you, and now you must use It every day.' So be it."

SAINT CHRISTOPHER

“My beloved sons, My beloved daughters, I am a Saint many of you travel with and walk each day talking to. I have only spoken through *this child* a few times, but I come to you on this day to speak of many things. I am Saint Christopher.

Children all over the world speak My Name. They have heard stories of how I helped them. Let Me say this to you now, through *a child* such as you, that many of the things you have heard are true. When a child prays for help, for aid, for guidance, for love, to a particular Saint, We are bound by God to help the child in a special way. We take all requests to Him. We present them and We ask what His Will be. Oh, My children, the service to God, in the Heavens Where We are, is one alone. As it is obedience in the physical way, it is obedience in the Saintly Way.

I speak slowly through *this child* so you will understand Each Word I say. The children in the world are not praying the correct way. They

are using wrong means. They are showing self-love in many forms of prayer. Prayer cannot always be self-satisfaction. Prayer must be done in a manner to satisfy God first, above all things.

I am a Saint Here in the Heavens. I walked the earth as you walk the earth, and when the time came and the physical was over, My one wish was to see God one day.

Children are not being taught the beauty of the physical way. They are being taught self-indulgence, self-love, little discipline, no obedience, and they are being told to trust in man first. This must cease. All children, all colors, all creeds, must learn to obey God first, and must learn to follow His Rules, His Commandments, His Way, for if they do not, they will become lost to Him. You live in a time worse than Sodom and Gomorrah. Keep this in mind when you leave this edifice that was erected by mankind, with the help of God.

Oh, My children, you have come upon a Miracle, destined to be known throughout the world, in dark corners, in light corners, in all ways. *The*

Miracle Of The Beloved Saint Joseph is being taken from place to place on the Power of God's Winds and in the Winds of His Power.

I, Saint Christopher, am happy to walk with you, to ride with you, and to intercede for you in God's Way. Keep in mind the Beauty of Sainthood, the Meaning of Sainthood, and the manner in which It is gained.

I bless you with God's Love, I bless you with Truth, and I say: 'If you have little Faith, pray, for you must grow in Faith God's Way. If you feel little love, pray, for love is more than man says it to be. Love is obedience, trust, truth, self-discipline, God's Way.' I bless you with Hope. The word is small, the meaning Great; it is a Gift to all men from God in His Way. So be it."

JULY 29, 1972 AT 7:25 P.M.

SAINT TERESA OF AVILA

“My beloved sons and My beloved daughters, I am Saint Teresa of Avila. These Words through *this child* are new to you. There has been no other Miracle of This Kind in the world but This One at this time, for you see, My children, God has Decreed This Time to be. The Beloved Saint Joseph must become known throughout the world, and all children must see Him for how He walked and what He is now, Who He is in the Heavens with The Divine Three.

My children, I, too, walked the earth, and as I did, I founded many convents, and all things were offered to The Beloved Saint Joseph. And it was He through Whom many favors were granted, for as we prayed to Him, The Father could not say ‘No’ to Him. So, keep this in mind, for when you want something unselfishly but for the good of others, for the good of your Soul, go to Saint Joseph, for He will hear the words and He will say to God: ‘Please, God, help the child. The child does want to grow closer to You.

The child wants to see You one day in Eternity.’ And The Father cannot turn This Great Saint down, for you see, He was obedient to God many, many years. He guarded and guided The Son of The Father. So you see, My children, He stands High in the Heavens, He stands Firm in God’s Way, and yes, He is obedient to this day. So be it.”

JULY 29, 1972 AT 7:30 P.M.

SAINT BONAVENTURE

“My beloved children, I am a Saint in the Heavens that one child in the room has paid much attention to for many years. I am Saint Bonaventure.

There are many things that have been taught through *this child*, through *this channel* for God, through *this link*, through *this faucet*, through *this fork*.

There have been edifices named in My Honor, teaching children many things. I say to you on this night: ‘Many of the teachings were good, many of the teachings were not. Many of the children absorbed only a small amount. Many of the children interpreted the teachings their own way, and so now they are in positions where they are leading others, and I am sad to say, to stray.’

Please, My children, keep in mind the Beauty of the Sacraments God gave you to keep order to your way. Many men are now ignoring the Beauty of Baptism. In all ways, The Father showed all children the need for

it, the necessity of it, and the purpose it was. Please, My children, from the Heavens Where I am, I say in a natural way but with Supernatural Direction: 'If there are some you know who have not been baptized in the proper way, from the proper man, see that it is done so. It is important to God that this be.'

My children, satan is using many means to desecrate The Ultimate Gift from God. He is using man, he is using woman, and he is using weakness. All men must begin to know The Ultimate Gift as It truly is. My children, it was The Son of The Father that presented to the world The Holy Eucharist. He did it in a Beautiful Manner. He did it with Respect, He did it with Honor, He did it with Love; but now, in the time in which you live, men are becoming presumptuous regarding This Ultimate Gift. I ask you on this night, to stand up for This Great Gift the same way you would had you lived at the time It was first given at the Table of Hope, the Table of Love, the Table of Announcement, the Table of Truth, the Table that God gave you.

There are many Words I could teach this night. There are many

things I could speak about to give you great Light. There is much Wisdom in These Words from Us Here. There is All Truth, and there is a Love that no man can imitate to this degree, can harbor within himself this much, can project in the smallest way; The Father's Love is Ultimate.

My children, you are Blessed on this night, in your day and in your way. You are given Light. Let It guide you This Way. So be it."

JULY 29, 1972 AT 7:54 P.M.

THE SACRED HEART

“My children, I use *this child* to reach you. It is The Father’s Will. My Heart is shown to her now, half-bleeding, half-shining, showing her the physical and the Glorified State. There was a day when My Heart shed much blood for the way of man, for the Soul of man, for God’s Will to be done. At no time, since this time, has there been so much Wisdom given to the world. Those who feel The Father would not design such a way for Us to reach all the world of mankind are foolish children. It happened before; it is happening again.

Children, I beseech you to seek purity, to seek holiness, to seek Sainthood. It is available to you, it is expected of you, it is God’s Goal for you. Let the heart that you have, that beats with Our Love, grow so deeply in love with Us that only Sainthood will be your reward, instead of time being spent to make reparation for what you have done. Man does not realize that Sainthood can be gained by just loving Us.

There are so many dreams, so many wishes, so many desires children have, that have no real meaning, no true goal, no worthwhile pattern, and yet the children indulge in them, seek them, follow them, hold them close, for they say they need these things in their day. This is not so. You are given joy and it is up to your will to develop the joy. You are given happiness and sometimes you reject happiness for self-satisfaction or self-love. Sometimes you reject all the good that you have because you are selfish and you are full of self-pity instead of true love for The Holy Trinity.

I come to you, My little ones, to hand you Truth, to hand you the advantage of knowing what you can do. I come to you through a physical being such as you, so you can hear with your ears, see with your eyes, what is right for you.

Do not separate The Holy Trinity, for many children are doing this. We Are One. To love Me, you must love The Father and you must love The Holy Ghost. To love The Holy Ghost, you must love The Father and you must love Me; and when you love The Father, you must love Us. It is the way It was

Decreed to be. There are children now in the world ignoring Two Parts of Us and putting all emphasis on One Part, One-third. They are forgetting We are inseparable. They are forgetting We Are One. They are forgetting that We Are All Things.

So, on this night, in your little way, remember the Lesson, remember the Wisdom, and keep this one thing in mind: through *This Miracle Of The Beloved Saint Joseph*, Who stands Here with Me in the Heavens, Who stood with Me while I was upon the earth, He stands ready to help you in service to Us, in obedience to The One Will, God's Love for you.

I bless you with The Father's Love, I bless you with My Heart, and I bless you with The Light. All These Things must be One in you: The Love, The Heart and The Light. So be it."

JULY 30, 1972 AT 12:35 P.M.

SAINT JOSEPH

“My beloved children, repast is more important to men than man can conceive, for repast is a time where the physical gets relief. The physical way is important to God and He has given it a special pattern, a special role, a special order, and it must be nourished at particular times.

Many times, as Mary, as Jesus and I would take repast in Our time, in Our way, in Our day, We would enjoy the conversation as you do. We would enjoy even the action that would take place at this time of day. Of course, We would give Each Other jesting thoughts, jesting ways, and it would add humor, lightness, love, to Our day.

And now, as I join you, in ways you cannot see, always when *the child* is present, I am there with thee. You must understand that We, Who are in the Heavens Here with God, are aware of every move you make, every place you go and every word you say.

So, through This Miracle of Love, I say to you, ‘The closeness that

We are is a Beauty to behold,' for as you walk as We walked, one day you will stand Here Where We are and you will, in some way, help other children God's Way. Look forward to this time. Prepare for it now. Enjoy the physical, for it will help you wear a Crown.

I bless you with a Love you cannot know and I say: 'Repast, respite, are much a part of the physical way. We encourage it, and yes, God allows it, for you see, He created it. Be blessed by this time, be aware of this time. Grow in love with God during this time and thank Him for the day. It was well-spent, yes, and it showed love totally in His Way.' So be it."

JULY 30, 1972 AT 3:00 P.M.

SAINT BENEDICT

“It is with Love that I interrupt you now in your time of prayer, but it is more important that I come to you quickly, for there are Others Here Who desire to speak to you.

I stand in the Heavens and I come on this special day to tell you a particular thing. When I walked the earth I was in much prayer with God, and at a particular time He said to me, ‘Please, son, have others follow in My Way.’ Man does not know all the facets of this time, but I come to you on this day to tell you of it, alert you to it, and show you how the Order had begun.

Many men who followed after that time and who are now following in this way, are fallen by the wayside. There are some areas where these men are doing what God Wills, but there are other areas where these men are looking to the world. They must return to the order and the way that this Great Plan was made.

Children, please, on this day I beseech you from the Heavens Where

I am, to pray for the men who have followed God's Way in the Name of this Order. They need your prayers, they need your help, for you see, it is sadness to God to watch these children stray from The Holy Trinity. There is so much laxness occurring throughout the world and there is so much deviation from the original Plan. On this day, offer all things for the benefit of the Souls involved in this Great Order. Please, My children, pray."

JULY 30, 1972 AT 3:04 P.M.

SAINT MARTIN DE PORRES

“My children, I have come often through *this child* to speak Words of Wisdom and to teach things so worthwhile. Each child here in My Presence now, must learn the Purpose of life and must direct each day to its Goal, to its way. I am a Saint in the Heavens, and now I will speak in the manner I usually do, through *this child*. I am Saint Martin de Porres.

All things must be learned through This Great Miracle of Hope. All children must be alerted to This Place upon the earth. God has chosen This Place for many reasons, many purposes. One, My children, is to make you a Saint. Many years ago, a man came to this land and he stood on top of one of the peaks, and he said, ‘God, save this land for Your Own Will,’ but what this man did not know was that God had chosen this land long before. This man was a priest. So many children have come to this land. Some have been the landlords of this land. God used these children to hold this land for a particular time.

Now so many issues will be coming forth for you to better understand the reason for this land. It is a physical thing, it is a creation of God; but keep in mind, the Purpose of it is Far Greater than any man can know, for as you stand in one small spot, thousands and thousands and thousands and thousands of Souls will come this way, and many will leave cleansed in the Spiritual way, and too, many will leave This Place physically able to do God's Will.

***The child* will announce today the Great Place that will stand here one day, and as you are the first pilgrims to come and stand on this Great Spot, thousands more will make their way. Some are now being beckoned throughout the world, and they will one day walk right where you stand, for you see, it is God's Will for man in your day.**

I bless you with God's Love, I bless you with Hope, and I say, 'Sift all things, find the Truth, and follow it to the Feet of God, His Way.' So be it."

JULY 30, 1972 AT 3:13 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. *The child* described a partial list of this Great Place to you. Heaven is alert all moments of the day to *this child*, her whereabouts, and what she is to do. As she stands before you, it is not her will but God’s. As she speaks to you it is Us, not she.

And now I say with Love but with Firmness, ‘This place has five years to be completed.’ God has Decreed this length of time, for God says, ‘I cannot wait much longer for children to come to Me.’ So, you see, as you stand in a Great Place, a Place of adventure truly in God’s Way, you must look at this Hill and say: *‘I will do my part to complete it, God. I will put all tasks in this way and I will lend You my talents, for You see, God, You gave them to me one day.’*

One day, God said to each of you here, ‘Come to Me.’ You did not feel it or hear it, as you do other men, but you are standing in a spot, and the reason for your presence here is because you

heard the Whisper to the Soul, the Whisper to your heart, and the Loving Hand.

I bless you and I say: ‘I speak firm, I speak in Love, I speak in Clarity to you today. Come to the Hill of Hope. Give your love here, and give all your talents God’s Way. Do the Will of The Father in a loving way, for you see, He will repay you in Grace, the Sainthood Way.’ So be it.”

JULY 30, 1972 AT 3:20 P.M.

SAINT MARIA GORETTI

“My beloved children, My Name is Maria Goretti. Children pray My Way. Children try to follow the path I was on. Children are eager to participate in God’s Will. Children are eager to experience things they feel are God’s Way.

I say to you now from a Realm far away and yet close to you in all ways, ‘Use the example set down before you, but as you follow this example, be sure that you are aware that you will stand before God alone one day.’ Be sure that you recognize and that you understand that the path of the physical way will be guided by the will that God gave you at the moment of conception. You, My children, must guide this will, for you see, this will is intended to do God’s Will, your way.

My children, all children must be made aware of the will that they have. All children must recognize that it is this will that is their only strength, their only power. All children must

direct this will to do God's Will, God's Way.

I leave you with knowledge. I lead all children to God when they allow themselves to understand the Wisdom of His Way. I bless you with God's Love. I have given you Truth. Be sure you take it with you today. So be it."

JULY 30, 1972 AT 3:22 P.M.

SAINT BERNADETTE

“My beloved children, I am Saint Bernadette. There are many, many things that I desire to teach to you today. Many of them are to the young. Many of them are to give the young something to think about, something to follow, and yes, a Goal, not only the physical one.

Children in these days are taught much about how to handle the physical way, how much they must learn the physical way, and how much material gain they should seek.

And now, I, Saint Bernadette, come in a Love you cannot know, and I say: ‘God does not say, “Do not be successful in man’s way.” God does not say, “Do not enjoy all the things He gave,” but The Father does say, “As you enjoy each day, pray.” Pray that you will do His Will, pray that you will accept His Love, pray that you will one day be a Saint, for you see, there is much Importance placed in Heaven on obedience, on self-discipline, and loving God.’

Please, My children, keep this in your little minds, and as you go through each day look to The Heavenly Mother. Ask Her to teach you to pray. She will, for you are loved much by Her. I experienced this Love firsthand, and it is My Desire that children go to Her, love Her, follow Her Example, follow Her Advice, and seek Her Way. So be it.”

JULY 30, 1972 AT 3:25 P.M.

VISION OF OUR LORD

Let me tell you what I see. I am more aware of the canyon that I am being shown than the surrounding area. The canyon is deep, and there is a path all around the top of the canyon, and it's right on the edge. In fact, the path is about this wide, and in some places the soil is very weak, which makes the path about this wide.

Our Lord is standing, not on the path, but I would say about a hundred yards from the path. Suddenly, there are children of all ages appearing on the path. Our Lord is Radiant. He's glowing. And some of the children are looking to the Glow and some are not. Some are looking below. Those looking below seem to have no fear, even the ones standing on the narrowest part of the path.

Suddenly Our Lord is beckoning for them to come close to Him, to come near, and those who see the Glow, walk, and some who see the Glow do not; they turn around and stare into the abyss below.

Our Lord is beginning to teach. And it seems like the more children that walk toward Him, the more room there is for more to come. The area seems to grow. He is standing in their midst, and the Glow of His garment, the Glow from His Whole Being, if it were given in fullness, it would blind me; but in His Love, He shields me from the fullness that it is.

He beckons again. Some see Him, some don't. Some don't care. And some are going forward, but yet there's still a great amount standing on the ledge. He's not acting concerned, but the ground around Him seems to be growing, and yet it doesn't appear as such. Some are still standing on that edge. In our human way, we would be frightened and we would shout it, scream, "Watch out!" Oh my! He says:

OUR LORD

"My sons and My daughters, I speak not only to those who surround Me but to those who stand on the brink of Hell, on the ledge of danger, on the path to nowhere. I have beckoned you more times than it shows here, and yet

some still cling to the danger, some still stand close to the abyss of Hell. As it was said, My children, I allow your will to make the decision to come Here and be safe, to be guided by Me, and yet you choose the danger of the abyss, knowing it will draw you from Me.

The Glow that I have surrounding Me is the Glory of Heaven. The danger of the pit is the despair of Hell. And yet you do not see the advantages of the Glow. You take chances with the will that was given to you the moment you were given life. My children, is it not sad that you do not reason the Protection of the Light, that you do not see the Beauty It is, and that It is Me? So oftentimes children blind themselves, for they measure things wrong, they weigh all things to agree with themselves.

I speak through *this child*. I hold her tightly, and through her I pass on to you a Message that you must not accept lightly. The Message is Truth. The Message is Love. The Message is to draw you Above.

Children sometimes kneel and they say, '*God, use me,*' and when the

time comes, and they are beckoned, they do not answer the call. Sometimes it is stubbornness, sometimes it is weakness. Sometimes the child does not want to be humble, to follow the path, to answer the call. To reach Sainthood takes humility above all; obedience, yes; trust is a must, self-discipline is involved in all.

Today, through This Message, difficult for some to believe that I would speak in such a manner, I say now: ‘Remember the thieves. The one who accepted the beckoning that day is now Here in Heaven because he learned to pray. The other one, My children, took the abyss. What will you do? Will you answer My Light, or will you stand on the path taking a chance?’

I bless you with Love. I bless you with Truth. I bless you with My Heart that I gave for you. So be it.”

JULY 31, 1972 AT 8:40 P.M.

OUR HEAVENLY MOTHER

“My beloved children, I am happy when you join in love for God. I am pleased when you join your love with Me, for you see, at the moment you were conceived God gave to each of thee a Soul. It is a Thing of Beauty. It is a Light that glows. It is a Gift from God to each child born to the world. Always be conscious of the Soul God gave you. It is a Great Gift and an Important Part of each of you.

My children, I am your Mother. This Miracle is new to the world. There is only One of This Kind in the world. It is to teach all colors, all races, all creeds, how to love God, and to show them the path to The Holy Trinity.

Each morning when you awake, look to God and say: *‘I love You, God. Thank You for this day.’* And as you travel through the day, think often of Him in your little way; and when you walk along to work or play, say, *‘God, please walk with me today.’* He will. You will not see Him, you will not feel Him, but be assured, My children,

He will be there; for as a child says to Him, ‘*Please be with me, God,*’ He never rejects a child a request such as this to Him.

You are loved much. It is His Will you be here tonight, to learn more how to serve Him, how to walk the path to be a Saint. Here in the Heavens, Where I am, there are Many Saints, Many, Many Angels, and there is Joy without end. The Peace, the Tranquillity, the Happiness is One Alone. God, your Father, My Father, wants to share all These Things with each one.

You are Blessed. You are Loved. You are given Faith. God has handed you a Jewel. Take care of It, My little ones. Cherish It, and do not let anyone abuse It. Stand strong in what you know is truth. Stand firm on what you know is Love, God’s Way for you. Do not let disobedience rule you, but let self-discipline guide you. Do not let others tempt you, but keep in mind at all times, God’s Rules, God’s Commandments that He gave for the whole world, for all children such as you.

My loved ones, My little ones, when you fear, cling to Me and I will

help you. When you are in doubt, when you feel sadness all about, cling to Me. I am your Heavenly Mother, and I know you and I know all things about you. Do not let one day go by without calling My Name, reaching out for Me, or praying, for you see, I will teach you how to love The Father. Always, My children, know that His Love for you is Far Greater than any human love you can know. Hold His Hand. Reach for Me, hold tight to Me, and pray, for one day I want you to be Here with Him for All Time.

I bless you with the Beads I love, for you see, they are a Power you cannot know, for the prayers laid down to be said upon these Beads are special prayers, for the first one says, *'I believe in God.'* He loves to hear His children say these words. The next prayer says, *'Our Father, Who art in Heaven.'* This prayer is special to God for it was given by The Son to the world.

And now, you come to another bead, a special one to Me. You call My Name. I listen, and the more you repeat this prayer, the more you will grow in love with God, for it is My Desire you love Him above all things.

And when you say ‘Faith’, it is a desire for this Great Gift; and when you say ‘Hope’, please, My children, always have hope; and when you say ‘Charity’, it is God’s Love, for He showed the Greatest Charity in giving His Son to the world.

And when you say, ‘*Glory be to The Father, to The Son, and to The Holy Ghost,*’ the praise that is in this prayer is one alone. Keep this in mind, for on these Beads you say so many things.

I love you, and I want you to follow What I have said. It is for you to remember, so one day you will stand Here in the Heavens, side by side with All Others Who have walked the physical way. So be it.”

SAINT BERNARD

“My beloved children, I am Saint Bernard. I speak to you on this night in a loving way and in a way of firmness, for you see, where children gather, God is, and He beckons Us to see you, to watch over you on special occasions, for special purposes, in special ways.

Nowhere in the world is there a Miracle such as This. Nowhere in the world is there such Communication from Heaven to children, through a *child* such as this. You are embarking on a New Plan.

I say to you now, ‘Begin all things looking to The Holy Trinity for Advice, for Guidance, and yes, for the Way. You must, in all things, have as a rule the desire to become a Saint.’

I bless you with Love and I say, ‘Sainthood is the Goal for men to strive for. Sainthood is the Way.’ So be it.”

**VISION OF SAINT TERESA OF AVILA
AND MANY SAINTS**

She's talking to Two Others. It's Saint Teresa of Avila, and Saint Therese of Lisieux, and Saint Agnes is there, too. Another One is coming, beaming, Saint Bernadette. Saint Philip, Saint Anastasia.

SAINT TERESA OF AVILA

“We gather in great number. It is God's Way for you. I am Saint Teresa of Avila. Children do not know the Magnitude that God constantly delivers, in Love, in Promise, in Generosity, in Truth. Children become so docile where Truth is concerned.

Oh, My children, when I stood in the buildings made to hold women dedicated to God, I would say to them, ‘Let your spirit, let your feeling, let your love radiate so strongly that the walls will vibrate, giving Honor to Him, showing your love for Him.’ And many times, when a child would come to me and kneel and say, ‘Mother, I cannot love God enough,’ I would listen well,

and then I would say: 'Pray. I will. Maybe you forgot to keep in touch with Him.' And what the child did not know was the stress that this would cause, the concern for her Soul.

And now I come to you on this night, with Others present by My side, and I say, 'Though you are not kneeling in My Way, you have gathered to hear God's Words your way.'

Some of you are in despair. Some of you are hurt. Some of you say, 'Oh, I cannot go on. I do not know how to pray.' And some of you say, 'I do not love God that way, but I love Him my way.'

And I say: 'Do not let your ego take hold. Let the walls where you live, let your entrance into a room make the room vibrate with example of Him from you. Let others know that you love Him, and do not be ashamed to mention His Name, for you see, they may be wanting you to say It; but do not let emotionalism come into your way, for if you do, it will only bring self-satisfaction, not Grace.'

Oh, My children, there are so many Lessons to be learned through This Miracle God gave.

I bless you, as All The Saints are doing Here now. As They stand around, listening to what I do say, They All gather in prayer and They All gather in love. They are not emotional. They say: ‘Come to God with a peaceful way. Do not grow so in love with yourself that you cannot love Him. Do not become so active in your own way that you cannot serve Him in a little way.’

Children, you are Blessed. Keep all these things in mind that you have heard today, for if you do, you will learn to love God in His Way. So be it.”

**VISION OF OUR HEAVENLY MOTHER,
SAINT RAPHAEL AND SAINT GABRIEL**

It's Our Lady. I have never seen Her this way before. She's in white. She has something in Her Hand. It's a chalice. I couldn't see it. The chalice has, what you and I would call — they look like little Angels, on the side. There's Three on this side of the handle, and Three on this side of the handle, and She's smiling.

Sometimes I have a very difficult time because, see, when a Vision comes in to me, Heaven brings It in piece by piece so I can absorb It, and It remains with me for as long as God Wills it to be.

Oh my! She's pouring it. She's got it in Her little Hands and She's pouring it out towards us, and it looks like water. She's smiling and She says, "It is water." I was thinking of wine.

And I see it all over the earth now; and it's glowing, as She turns it, and as She's turning it, that part of the earth seems to glow. She's over on this side now, to Her right, and it's

glowing. She's smiling. She brings it back.

Raphael is on the right now, Saint Gabriel on the left of Her. Her gown is now glistening, and the Angels are parting from Her somewhat. They're about this far from Her. The edge of Them is about this far from Her and then They go out there. And the wings are immense. They're a little different than we see Them. And They're smiling because Our Lady is finished doing what She was doing. And now She says:

OUR HEAVENLY MOTHER

“My Son, in His Sacrifice, in His Way, gave the world of men the Glorified Way. What *the child* has described to each of you here is the way The Father desires the world to truly appear: glistening with hope, true in all things, radiant with love, so that when children leave the physical they will come right Here. Man says, ‘This is impossible.’ I say: ‘It is not. I am your Mother. I walked the earth with The Son Who gave this Light. Would I then not know what it is all about?’

So many children discuss sacrifice. So many children reject sacrifice. They say, 'It is not of my day, but of others.' This is not true. It is right now for you. It is to save Souls.

Oh, My children, God wants you. I appear to *this child*, and through her to you, to give you firsthand God's Love for you — *a Victim Soul, a firm Soul, a staunch Soul* that speaks only Truth. When you stand for truth, My little ones, you must stand firm, and do not let others who are weak trouble you, for you see, satan uses some children to do his tasks, but he can only lean on their weakness, he cannot touch their love for God.

When I was upon the earth I walked as you. I walked in a daily way. I walked with The Son of The Father, and with a Special Man given to Me by God to take care of Us every day. It was not a burden to Him, it was joy. His actions always said so. We both knew that His First Love was for God, for Ours was too. And this is how I come to the world: My First Love is for God, and then for you.

The chalice I poured through This Miracle of Hope, was filled with

the Wisdom, filled with the Truth of Heavenly Words. To *the child* it was water, for she could not have understood the pouring.

Keep this in mind, as you leave through the door: The Words that have fallen upon your ears, the Vision you have shared, must remain with you for many years. You must try to understand God's Love through *this child* who walks the world as men. You must learn to share the love you have for God, but do not let others weaken you, who cannot love Him like you do.

This Miracle has come to the world to teach children the Beauty of Grace, to give children the strength so their physical life will not be waste. You are Blessed by Me, for you see, What poured from *the child*, from Me, fell upon you in a special way.

I, your Heavenly Mother, bless you with Love, and I say: 'When in doubt of your way, cling to My skirt. When you fear in a day, call My Name, and I will hear you at first. When you feel emotional, ask yourself this: Does it please only you? Is it to satisfy you? For when it is real joy, it extends to others to give a happy mood.'

God created joy. He created happiness, and these things We shared in the family way. Please, My children, upon this night, share happiness with the Light that you received in the pouring of the chalice, just for you. So be it.”

AUGUST 6, 1972 AT 10:55 A.M.

SAINT ALPHONSUS

“My beloved children, I am Saint Alphonsus. I say to *the child* and through her, ‘The Lesson you have just been given is a Lesson in Direction for what will be, what must be.’ There are so many children in the world not learning Bible History. There are so many children acting only according to the fleshly way. You must learn, My children, the beauty of following God in a simple way, in a loving way, yes, in the way He Decreed it to be.

All children must learn the Ten Commandments and they must understand that These Commandments were given to every man, to teach man the way to Eternity, Eternity with The Holy Trinity. Children must see the value of prayer, but prayer to please God, not just the child. Children must learn to kneel in veneration, yes, and in respect to The Holy Trinity, for you see, it is lost in the world now. You truly live in a time worse than Sodom and Gomorrah.

Please do not ignore These Words for They are Truth, and as you live in this cauldron of hate and of turmoil, remember God was in the world first. I bless you with Truth and I bless you with Love, and I say, ‘If you open your heart, God will put into it His Way.’ So be it.”

AUGUST 6, 1972 AT 10:57 A.M.

SAINT ATHANASIUS

“Never before has a child been asked to stand in such open obedience as *this child* has. I stand in the Heavens and I seek each one of you out. I say to you now, ‘Oh, My children, know what This Great Miracle is all about.’ As *the child* stands, ready to accept Our Words, you must stand ready to believe in All These Things, and to trust in All God gives to the world.

Right now, you live in a time of great heresy. I am Saint Athanasius. As I speak through *this child*, I have spoken rapidly many times, but today I speak firmly, slowly, lovingly, hopefully, and yes, understandingly. You must understand that the evil one has used men’s weakness to teach you heresy, to cause you to cling to heresy, and yes, to stand in your way of coming Here one day. You must be open to the Truth. You must understand that when man is at the root, there cannot be all truth. There has to be man’s way injected into it, but when you follow God’s Will, God’s Plan, God’s

Way, keep in mind that only Truth can come your way.

No child has ever spoken such Wisdom, for you see, the Wisdom is from Here every day, and as she stands before you, she is flesh as you. As she stands before you, she is human in all ways, as you; but as it has been all through time, God chooses certain children to work for The Divine.

And on this day I say to you: ‘Ask to be a ray of The Miracle of Truth. Ask to be able to stand and be example for It, of It, in It, with It. Ask to be a ray to teach others solely, wholly, only God’s Way.’

I bless you from the Heavens, and it is God’s Love with which I bless you. I bless you in a manner you cannot know. I bless you and say, ‘Oh, children, fight the heresy of your day.’ So be it.”

AUGUST 6, 1972 AT 11:02 A.M.

MOSES

“Why must *the child* be so surprised at My entrance? I will tell you why, My children. She is little as you, she is human as you, and the excitement of such a Vision is new to her, as it is to you. I come on this day for a special reason. *The child* stands in awe of the Vision she sees, so bear with her as you stand with God’s trees.

There are so many things to be taught about The Commandments God gave. Children have diminished Them in many ways, for you see, My children, the meaning of These Commandments is a Beauty to behold, for They are truly the rays from God’s Will for each of thee. As each Commandment was given, it had special meaning, it had a special purpose, a special place; and yet, through time, man has forgotten the Beauty of God’s Rules and man is on the decline. Man says, ‘I am weak,’ but God says, ‘I will give you strength, for I have given you The Rules to live by, The Commandments of every day.’

So, My little ones, as I stand in Vision to *this child*, These Words are passing through her, but she is held by the Vision all the while. She has not heard the Words I say, for she cannot take her eyes off of the Angels Who stand with Me in God's Way.

The Purpose of This Miracle is to give man, firsthand, All Truth. The Purpose of This Miracle is to give God's Love to you. The Purpose of This Miracle is to rid the world of heresy. The Purpose of This Miracle is to draw Souls to God for All Eternity. The Purpose of This Miracle is to teach the world obedience: with Gentleness, with Kindness, with Generosity, with Flexibility, with Hope, with Wisdom. The Purpose of This Miracle is to give man responsibility. The Purpose of This Miracle is to draw man out of the briar patches, into the open land. The Purpose of This Miracle is to give Hope to every man.

I bless you with The Rules of God, with The Commandments He did give. I bless you with the Light that gives Purpose to all men. So be it."

AUGUST 6, 1972 AT 11:05 A.M.

SAINT JOSEPH

“I will continue to hold *the child* with a Power you cannot know, in a manner you can only see, for as I do, the Beauty of the Heavens does unfold. A long time ago I would say to *the child*, ‘Listen to Me,’ and she would say, ‘I cannot hear You. Why do You not speak?’ And then I would command her to listen well, and she would say, ‘God’s Will be done, as He Decrees.’

I, Saint Joseph, speak on this day to children who must come This Way. You must understand the beauty and the privilege that it is to be man. You must also understand the responsibility at hand. Man says, ‘I must love others.’ God says, ‘Love Me above all things, and love for others will come easy to each of thee.’ God says: ‘Be aware of Truth. Do not ignore it for self-satisfaction, self-purpose, self-acclaim.’

My children, you were handed the senses, because you see, each of these will help you be a Saint. Make

a promise to God that you will use the Gifts He gave you to draw you closer to Him, for you see, it is the means, the way that it is to be done, in your little way. When you feel restless, pray, for you see, in this way you seek God's Help first. Do not try to make others' wills act the way you feel they should, but be example and soon you will make them think.

Oh, My children, God is sending to the world all the Examples that are available to you. He has given you the lives of Many Saints to follow, to listen to. He is saying to you, 'I use Them Here, My children, to help you, for They walked the physical in a particular way: the desire to love Me above all things.' And that is why you must pay attention to What is occurring on this Hill for Me. It is sacrifice, penance, obedience, trust, and many other things.

I, Saint Joseph, bless you on this day, and I say, 'Be a Saint, God wants It that way.' So be it."

AUGUST 9, 1972 AT 10:37 A.M.

SAINT FRANCIS OF ASSISI

“I am Saint Francis of Assisi. Many times I have spoken through *this child* and you have listened well to the Words. You have not followed through on All Things taught to you at that time, but I come to you on this day to say, ‘There are many things yet to be done in God’s Way.’ You are to lean toward modesty. You are to lean towards purity. You are to lean toward obedience. You are to lean toward trust. And you are to begin each day with a prayer to The Father, saying:

‘I love You, God. Please help me through this day. I thank You for the privilege of living the human way. And above all things, please, God, see that I come Your Way.’

Oh, My children, as I walked the earth in a solid way, in a very lonely way, I did know at that time that children, for all time, must turn to God and must follow Him in a special way.

There are so many things in the world now that make it worse than

Sodom and Gomorrah. And as this time in which you live is so taken with the evil one, you must begin to learn to pray, and children must begin with each prayer this way: *'I love You, God. Help me to walk Your Way.'*

I bless you with The Father's Love, I bless you with The Father's Power, and I say, 'Do not let your weakness control you, but let the truth and the love you have for God be all things for you.' So be it."

AUGUST 9, 1972 AT 10:40 A.M.

SAINT ATHANASIUS

“Man does not realize that the senses were given to each man to make him, to help him be a Saint. Man says, ‘The senses make me sin.’ God says, ‘They are Gifts from Me to you, to all men.’

My children, take your eyes, and let your eyes do all things for God. Let your mouth speak only truth about Him, and let your ears hear only good, hear only what is right, for you see, these parts of your body can help you in all ways to one day spend Eternity with The Divine Three.

I am a Saint in Heaven, a Place you hear of, a Place you must go to, but a Place that to some children is too far from them. I am Saint Athanasius. In the time in which I lived, there was a great heresy all around. Again, there are many heresies in the time in which you live. It will take strength to fight them. It will take truth to face them, and it will take love for God to see that they are erased from the world.

Many times children use the senses for just human love. I say to you now, 'Use the senses you have to teach others with your love, God's Love and love for God, and let your ears be the listening posts for children to come and say what they please, so you, in turn, can teach them love for God.'

My children, right now in the world man is depending upon what he calls 'blessings' from God. Many of these blessings are caused by mass hypnosis. Many of them are caused by self-love. I say to you on this day, 'Be aware when your pride, your ego, stands out, for you see, then you must know that the evil one has control of you.'

I bless you with God's Love and I say, 'Be remindful of the senses.' And do this every day: Say to yourself, 'My eyes I will use only for God; my mouth, only to teach His Way; my ears, to only hear the Beauty of His Love, His Way.' So be it."

AUGUST 9, 1972 AT 10:44 A.M.

PADRE PIO

“**F**ew men saw Me smile when I walked the earth, for they saw Me in a very serious way, because you see, I walked solely for God in all ways. I am Padre Pio.

I speak through *this child* with a firmness, and I say, ‘Make yourself first aware of the Soul God gave you one day, and as you are aware, your example will help others understand the Soul and the way It must go.’

There are many times I have Blessed children through *this child*.

There are many children here now who have not been baptized, and I say, ‘Let it occur soon; perhaps, today.’

In Nomine Patris, et Filii, et Spiritus Sancti. Amen.”

AUGUST 9, 1972 AT 10:45 A.M.

SAINT JOHN THE BAPTIST

“My beloved sons, My beloved daughters, nowhere in the world has there ever been such a Miracle as This. Nowhere in time has a *child* been such an *instrument* as this. Nowhere in time has such Wisdom been taught, except, of course, when The Son walked the earth.

My children, I am Saint John The Baptist. The beloved Padre Pio spoke to you first about the Beauty of Baptism, and it was The Father’s Will He do so. And now, I, Saint John The Baptist, come to you and say, ‘This Gift, this Love, this Sacrament, was given to the world because of the Importance of It, the need for It, and yes, the responsibility It gives to man.’ You see, My children, so many children are eliminating this Great Love. They are saying, ‘Let it be at a later date,’ but they are overlooking time, and they are saying, ‘God will give the time for it to happen.’ Do not depend upon time, for you see, God controls all this from The Divine.

So, if you know of a child who has not had the water poured upon the head, and if you know of a child of any age who says, 'It cannot be now, I will wait,' please, My children, talk of truth to this child and let them see the Importance of the pouring of the water by a Man of God, for you see, God says, 'The child must have this cleansing, the child must have this before the child in the physical is dead.'

I bless you with God's Love, I bless you with God's Power, and I say, 'Keep in mind the pouring of the water, the correct way.' So be it."

AUGUST 9, 1972 AT 10:52 A.M.

OUR LORD

“Children speak of the path I walked, and sometimes they glorify moments that, at the time they were happening, were insignificant to those who surrounded Me, and yet there are moments of Great Importance that no man has record of, for even at that time I walked the earth, men used their own thinking, personality, likes and dislikes, favorite moments, to cling, to accept, to write about, to pass on to children of all time.

I come now to reveal through *this child* a moment there is no record of, a moment when I stood upon a hill, and the men who walked with Me stayed behind to have repast, respite, and while away the time. I stood upon the hill, and at this time, the Man Who walked with Me in the physical way, My Father, was in Heaven, a Place made Special by The Heavenly Father. I knew He was protected because of His obedience. I knew that He was being prepared in some ways for the Crucifixion time.

I knelt upon this hill, and I beseeched The Father to help Him through the time, for I knew that the earthly love would remain in a form, in a way, and this would be agonizing for Him, to see Me walk that terrible way. There was no assurance from The Father at the time that He would do as I had requested, but as I walked on the hill, I had the assurance that The Heavenly Father was Merciful, was Just with all things, and would see that all was done right.

And as I looked at the men who were walking with Me at that time, they were unaware of this Great Discussion I had just had with The Father Who was truly Mine. And as I met with them, they were unconscious of My Thoughts with The Heavenly Father and they rambled on about their discussion time. I joined them, for you see, it was important that We walk together in the way of man, because it was how God Decreed it to be.

I knew that soon they would be faced with many situations, many problems, many hurts, many fears, many doubts, and I knew that any preparation I would give them could

not change the things they would have to face. I knew that the Teaching I had laid down would be strength to them, the Truth I had given them would be their way out, and the Faith that they had in The Father would sustain them, but I knew that they would have to use their will to figure things out.

This unrecorded time of Mine was Important, for you see, you have times such as this, and you do not receive open answers. You must learn, My children, not to ask for signs. You must respect God's Will all the time. You must learn to trust in Him alone. You must learn the Beauty of Faith. There is no limit you can have in This direction.

God does not say, 'I give you a certain amount of Faith for your whole life.' This would not be just. Keep this in mind. He does not say: 'I limit you in trust, My Way. Reach that point and there will be no place for you to go, but you will come My Way.' Oh, no, for you see, the more you grow in Faith, in trust, the more you perform obedience His Way, the Greater the Saint you will be one day. Only man limits man. God does not limit you.

Keep in mind, My children, that when I came down from that hill, I looked at the men and I knew that each of them had their own will. I loved them so much that if I could, I would have walked the path for each of them so they would not have had to withstand the moments of decision, the doubts, the fears.

There are so many things I have taught you today, and I ask each child here to keep This Teaching of Wisdom, of Love, of Truth, close to you. It will help you in every way. There are many, many Lessons to be taught through *this child*. There are Many Things that have been revealed and are yet to be revealed. There is Much Love to be shown.

Each of you present here in *this child's* presence knows that the physical is real. My children, to be born to the world is a privilege. It gives you the opportunity to one day live with The Holy Trinity. Thank The Father for this Gift. Thank Him for this Love; and be aware of the Goal that the physical has the privilege of.

I release *this child* slowly for My Power is so Great the littleness she is could break.

I bless you with The Father's Love and I bless you with My Heart, I bless you with the Light of The Holy Ghost, and I say, 'When you stand and pray, do not ask for a sign, but have trust and He will answer you from The Divine.' So be it."

AUGUST 10, 1972 AT 9:07 A.M.

OUR LORD

“My beloved son, My beloved children, this is no accident, your gathering together, for once again I beckon children to join in a way of Truth with Great Purpose to It. I am The Son of The Father. I am The Sacred Heart. And I walked the earth as The Son of Man, so that children could all enjoy the Heavenly Plan. I speak slowly through *this child* who borders on exhaustion in the physical way. I have come on this day for special reason so that The Great Plan will not have delay.

For many centuries, man’s time, a Great Plan was made for This Time, that The Beloved Son, Joseph, would come to the world in a way all His Own, and be heard, be seen and become known. It was natural when this occurred that All of Heaven would participate in God’s Word. No man in the world is aware of the Magnitude that This Saint stands in, in Heaven Where The Holy Trinity is constantly Here.

This Saint was beckoned by God a long time ago, and when the beckoning came, He was asked to give of His life a measure untold. His first thought was, 'Could it be true? I, Joseph, am being beckoned by You?' The Faith that He had in The Father's Way and Will, made Him know the beckoning was true. Because He was Joseph, because of the Plan God had for this Man, He did not make all things easy. He allowed the will, He allowed the trust, He allowed obedience to be used. The Man stood alone, saying to God, 'I want to do Your Will. How can I be sure that what I hear is not just a facade?' The term, the words, were different, I'm sure; but the meaning, the reasoning, the same.

When this Man, young in all ways, accepted God's Plan, the loneliness He felt was one alone, for He did not know which step would be next. When He looked into The Woman's Eyes, The One He was chosen to be with, He knew that only God reigned there, and that He would always stand back; and yet He knew that This Woman was placed upon the earth for special reason. Her Beauty was simple; Her Manners, all Grace. The Love that She radiated

made up for the sadness in Her Face, for She, too, was beckoned to that lonely road of complete service to God.

My children, the loneliness that this road has is beyond the loneliness man can expect in the natural way of life, but it has a compensation and this is: It serves The Creator, it gives love to Him Who Is. Man, in his service to God, feels an inner peace; this is Grace, for you see, Grace is God's Reward, Grace is God's Love for His little beings.

When the time came and We were to flee because of the danger, Joseph, My Father, looked at Me, and He said, with all the love a father could hold, 'I will protect You with My life, for the Mission You must complete is Far Greater than I know.' And as My Mother looked into My Face, She wondered just how long She would partake in the road of life with Me. And as I returned the glance, I said to Her with My Heart, 'Just hold Me.'

My children, when the time came and I was to beckon other men, this time it was direct from Me. I picked men from all walks of life, ones that

were chosen by The Father through Me. The Plan was unfolding piece by piece. There were no great moments, up to this time, that appeared to the world as Great Miracles, and yet God's Plan was unfolding all the time. Men of great minds were determining things. They were prophesying many things according to the sky, and then they would look around and say, 'Soon a Great Event will take place.' And as I stood there with them, My Heart would beat with a pound so different, for you see, I was The One for the prophecy.

It is now as it was then: simple, sound. It showed the Beauty of obedience. It showed the Beauty of trust in God. The Lessons now known to man were the Greatest Lessons in the world, and yet man is ignoring these Great Lessons once again.

When the time came for Me to walk alone on the path, knowing that satan would stop Me every moment of the way, all I could do was pray. All I could do was give God My Love, every moment of the day, for the strength that I had was His Love. When temptation came, it was forty times greater to Me than any man could name. And I knew that God The Father was preparing

Me for the moment of Crucifixion, for I could not have stood the blows, for you see, they were far greater than any man knows. Each cut I felt forty times more, for the suffering had to, in some ways, be enough for all the children of the world. Children do not understand. They think it was suffering just by man. They think it was giving in a usual way. It was not.

The Plan was so orderly. The Plan was so beautiful. The Plan said Love, for you see, the Lessons that were taught in the Birth of Me, the Lessons that were given by The Mother through Her Way, through the Man Who was My Father in the human way, were Far Greater than man acknowledges, accepts, follows; for the greatest thing that man can give The Father is time: time to do for Him, time to serve, time to love Him, time to help others know the way, time to draw Souls to Heaven Where We All stay.

Children say, 'I will give You this, I will give You that, God.' And sometimes when He beckons, He says, 'Give Me time,' and the child says: 'I will give You all else. The time is mine, I want it for myself. I have many things to do with this time, God. I am

selfish about my time.’ And The Father says: ‘I have all else. All I request is your time.’ The child makes excuses and soon wanders off, feeling that he fought a good fight and that he showed The Father exactly what was right.

At the moment when the physical is about to end, many men still say: *‘God, give me time to make amends. Give me time to do all the things I want to do. Give me time to express to others, my love for You.’* At the moment of birth, men should understand the value of time, the necessity of time, the beauty of time, the purpose of time, and what is meant by time.

My children, at the foot of the Cross stood a Mother, stood a Woman Who gave time. The Man Who stood beside Her, in the giving of time, was standing in another Place with The Father, because you see, in the time that He spent with Me, He grew so in love with the Beauty of service, of love in the human way. But had The Father allowed Him to stay, He would have ruined, He would have changed Divine Plan, because He would have fought every man, but it was necessary that before this time, God take Him away.

A moment, one day, it was announced to *this child*, ‘Will you give time?’ The answer was immediate, as was *Theirs*. Her love for The Holy Trinity gave no doubt. She stands in the world, she lives in the world, but she is truly no longer of it, no matter how she appears. Her lightness with you is to help you understand that, through the physical way as man, you must work hard and you must enjoy God’s Plan, for one day you must spend Eternity in Heaven Where I am.

The world says: ‘It cannot be. A woman would not be chosen by The Holy Trinity to serve in such a manner, in such a great way — a Grand Manner, Way, Divine.’ And The Father says, ‘Oh, yes, satan would suspect a man, but once again I place a woman in the world, for reasons of My Own, to walk a path of service.’

Sometimes you will find *the child* in anger. Some of you have already experienced this, but the anger is always when something goes amiss, when it means a Soul, not the physical. You have seen people tug at her, grab at her, and want to shake her, for you see, My children, *she is the link* that children have waited years for Heaven

to send. Satan expected a man; he never thought a woman.

When the time came and I could no longer bear the pain, I said to The Father, 'Please, take Me away.' 'It is almost over, Son,' was His reply to Me. 'Just wait and give Me time, for the moments left will seem long to You, but the time will give children Eternity with Me.' The moments dragged, for the suffering was so great, nothing seemed to numb the way. I kept saying, 'God, is not the time enough?' And suddenly I felt the moments closing in, and I looked into the Face of The Woman. The time She gave was to see this time be; the time She gave was to allow Me to hang upon the Tree. And I knew that Her suffering was unbearable, and I knew that when I closed My Eyes, She would thank The Father.

And now I say through *a child* such as you, who cannot bear the pain of what she sees, 'How much time will you give to The Holy Trinity?' After These Words, My children, think much on what time means to you. What time can you spare from the physical? Ask yourself: What is time? In reality, it is a period of hours, days, years,

in anticipation to one day stand in The Divine. The value of time is far greater than you know; the purpose of time: to give children the chance to grow. From the moment of conception you have a Soul, you have time.

I bless you and I say, ‘Keep in mind how difficult time was for Others to give, and yet through Their giving, you have the chance to one day be a Saint. Can you offer others the same chance?’ So be it.”

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I speak through *this child* gently on this night, for as she has explained to you, the physical is weak. The physical struggles to keep up with God’s Way, but the physical must have respite.

There are so many things being taught to children of all colors, all races, all creeds, through *This Miracle Of The Beloved Saint Joseph*. I stand in the Heavens and each day I request The Father to allow Me to speak through *this child*, and sometimes He says, ‘Not today, Teresa, perhaps on the morrow, for there are Other Saints ready to speak on this day.’ So I wait, and when it is time for Me to deliver to children, Wisdom, Teaching, Love, Words of all kinds, I am ready, for you see, there is so much happiness Here, that We Here want all children to come and see.

As you cling to the physical, it is good. As you love the physical, it is good. But keep in mind, My children,

that the physical is, in many ways, a reflection, a part of the Soul. Children are unaware of their Souls. Children do not feel the Power, the Beauty of their Souls. Through This Miracle of Hope, of Love, of Truth, of Faith, of Obedience, children are being taught to be conscious of their Soul. As you sin with the eyes of your physical, you affect the Soul. As you listen to wrong with your ears of the physical, you affect the Soul.

Oh, My children, with your will you can become a Saint. And as you are in the human way, know that it is a privilege to be in this way. Above all things, say to The Father each day, *'Thank You for the physical road, for I know through it I can become a Saint.'* There are so few lessons being taught in This direction. There are so few children being reminded that the physical way is to one day turn into all Spiritual, all Supernatural, all Love, all Beauty.

Oh, My children, many children here in *the child's* presence tonight are uneasy and indifferent to What they are learning, but if you will open your heart, open your mind, and ask God to help you all the time, you will

better understand the Phenomena that is occurring. It is not natural, My children, It is Supernatural.

I bless you with God's Love. I bless you with Hope. I bless you with Faith, and I say, 'Try to remember What you have learned today.' So be it."

SAINT MARGARET MARY ALACOQUE

“My children, in the creation of the world many things were placed inside the earth, some of great value, some of little worth. All things had reason, all things had beginning, all things are yet inside the earth, for you see, God had many things in mind when He created the soil for you and me.

When the day came and children found a jewel in the ground, the jewel was not shining as it should be. But a child came forward, destined to determine that this solid piece had great worth and a particular beauty for many things. Suddenly, children began to realize that gems, stones such as these, were special to mankind. In many ways, God placed these things to give children something to have of great worth, teaching them the beauty, giving them a piece of His Earth.

One day The Father handed The Greatest Jewel to the world. So many children do not understand This Great Jewel because, you see, It was handed

to other men, not as a gem, but as Bread, as Wine, as The Ultimate Gift to mankind. In the handing of This Great Gift, much more was said than has been handed down through the line. The real definition was given then. The Purpose was one alone.

I come through *this child* on this night to remind you of This Gem. The Gift should be precious to every man, and the Beauty of This Gift is that no man need be without It, for It is given each day through God's Hand. Those who stand in the way of The Son stand prepared to hand It to everyone. Those who stand, following the path of His Way, have the power to distribute This Gem to every man who will come their way. If, at this moment, The Father Himself were to come to this room and point to a shelf where jewels would be stacked, of all colors, all kinds, none would compare to The Holy Eucharist that is Truly Divine.

On this night, My children, keep this in mind. The Greatest Gem in the world is for all mankind. You are welcome to share It, welcome to have It each day of the physical life. Do not deny yourselves The Gem that truly gives you life. It is Faith, It is Hope, It

**is Charity, It is Trust, It is Obedience,
It is Love, It is Purity, It is All Things,
It is Grace; and the Worth on This Gem
is unlimited, for It Is God.**

**Oh, My children, I am Saint
Margaret Mary Alacoque, and I have
come to you on this night with Words
unusual to many children present here,
but I offer Them and I do want you to
hold Them dear, for if This Great Gem,
This Great Gift is given to the world,
The Heart of The Son is in Each One
to give life for All Eternity. So be it.”**

VISION

**While They are talking to you, I
can be talking to Them, which I was
doing with Saint Margaret Mary while
She was speaking. The gem that I was
shown was a great ruby. That was the
gem that big, and it had many facets
on it. And when I first saw it, it did
not shine, but the longer the Vision
held, it was glistening. And She said
to me, “What makes it glisten is the
Light from The Divine.”**

**And while She was showing
me that, She was showing me a deep
cavern, and in this cavern men were
fighting over a gem and the gem was**

not anywhere near the beauty of the ruby, but the gem was, what you and I would call ‘false, imitation’; but one of them had found it. So while She was talking to you, I was questioning why they were arguing over a false gem, and She said, “That is so typical of man. Before them they have the Truth, the True Gem, and yet they will waste time, delay themselves in ridiculous ways.”

SAINT JOSEPH

“My beloved children, as it has been said, All Things that flow through *this child* must be written, must be recorded, for you see, Many of the Things will help children of all races, all colors, all creeds, all ages, begin to learn about Eternity.

I am Saint Joseph. I appear to *the child* as she describes it to be, nine feet. My Power shows it this way to her. It is God’s Will it be. So many children must begin to know the Beauty of the Wisdom that is taught through *a mere child* such as thee. I come on this night to not whisper My Words, but to speak out plainly to help each of thee.

Man is so conscious of teaching little ones to talk. Man is so concerned over the progress let be. Suddenly, at some stage in life, man forgets to continue the lessons dwelling on the Soul of the child. Children become anxious over what they term ‘conscience’ and sometimes adults say, ‘Just do it this way.’

I walked with The Son on the earth one day. We walked Hand in Hand, and in many ways We shared with Each Other the fullness of life, the Purpose that was meant to be.

I hold *this child* firmly for many reasons. You see, the time has come for True Hope to be given to the world; and to give It in the proper way, a way that man could understand in his day, It had to be given in a physical way so that men could see with the eyes, feel with the touch, walk, and use the senses, to better understand God's Truth, God's Love.

The Hill was planned. A mound of soil, not laden with jewels but laid out with care, is now under Special Rule. All things that are here are meant to give service and honor, to help children better understand the Purpose of life, that It is not only being man.

I stand on this Hill and sometimes when *the child* does see Me, she has asked Me if others see what she sees. I smile down upon her and offer her comfort and say to her, 'It cannot be.' I hold her with the Power of God so she is better able to transmit to you

His Love and a description of this Holy Hill. The beloved Michael stands guard over it, watching, waiting for things to occur, giving strength to the men and to the women who work on this Hill, hoping to one day see it fulfilled.

One day, when *the child* stood alone at the top, she begged The Father to make the Hill stop: 'It is a great burden on all who come.' He smiled at her and said, 'My Will must be done.' The Hill of Hope, in many ways, My children, is another Calvary. And as *the child* does walk the path, she pleads with God, 'Give me the strength to last.'

This Hill of Hope has been given to man to open the Gates of Heaven, in a different way than The Son. You see, My children, this Hill, when it is completed, will give Light to many Souls Who must come. *The child* has seen It in a Glorified Vision. She has seen the march of Souls walk many paths. She has seen children with much sin beg forgiveness; she has seen them leave the Hill, cleaned at last.

This Great Hill is comparable to the Star of Bethlehem. As the

Great Star you know about shined bright where It stood, the Hill of Hope bearing My Name is the Star for your time and your day. As it was then, it is now. The Hill is as the stable was, bare; and the Star was so bright that It gave strength and hope to those who came there.

This child is 'a Victim Soul'. This child is 'a sacrificial lamb'. These things are necessary when God wants the Souls of man. I hold her tight and I say to you, 'Are you aware of the will that God gave you?' For through the will you will say 'Yes' or 'No' to Him. I know, for you see, I, too, was faced with this reality.

The Mother wants to speak so I must leave, but as I do, I bless you with the Light of Hope so your Soul will spend Eternity with The Holy Trinity.”

AUGUST 11, 1972 AT 8:11 P.M.

VISION OF OUR BLESSED MOTHER

Oh my! Here again She is in green. At the bottom of Her gown, it looks like little stars all around; but they are not stars, they are diamonds, and the ray from each one is radiating about three feet out. The Crown on Her Head is emeralds; the light from Her Breast, white. It almost looks as though Her Chest is beating with a heartbeat. And She's standing on a mound of soil. The smile upon Her Face is not sadness but joy.

She says no one has ever seen Her like this, for the Vision is a Special One to be long remembered; for the color of Her gown is Hope. "In many ways it is the favorite color of God's, for it was with this color He painted much of the earth," She says.

Her Eyes are glistening. She's just beaming. The green is a green — it would be difficult to duplicate it. The diamonds are getting brighter, the light from Her Breast seems to be getting brighter. The emeralds in Her Crown are shining more, and suddenly

there's a mist all around but it's not touching Her.

OUR BLESSED MOTHER

“The Mist, My children, is very important, for where I go I carry Grace. And I want you to picture It as a Mist that can easily surround you, easily touch you, without you knowing. The coolness of the Mist, the gentleness of It is Special. Children are not knowing the Beauty of Reward. In many ways, It is Grace.

There are so many things to be explained, so many Lessons to be taught. And if you were to stand with *this child* in the fullness of your day, your littleness could not absorb All that Heaven is ready to teach. So that is why just a small amount is given each time *the child* is present with you.

Do not forget What you have heard. Do not pass It over. Do not reject It, for you are privileged children in the world. If *this child* were placed in another place far away from you, it would only be someone else transmitting This to you, but you are chosen children in many ways, to

partake in this Vision of Love for your Souls' sake.

There are so many things you must do. I want you, on this night, to keep in mind The Jewel, so on the morrow when you awake you will accept The Jewel The Father gave. During the hours of the day when time is all around, I ask each child in the world to hold My Beads that I do love. There is a Power in these Beads. There is a Love in these Beads you cannot know.

I leave you now, and as I fade from *the child's* vision I will hold her for awhile. Do not become so fond of the world that you forget the Soul. Oh, My children, remember The Gem, remember My Beads; remember, the privilege of life is to be a Saint.

I bless you with obedience. I bless you with the Light from My Breast. I bless you with the Mist so you can face the test. So be it."

AUGUST 13, 1972 AT 11:05 A.M.

SAINT AUGUSTINE

“My beloved children, it is always a joy in Heaven Here when *a child* must stand before you to give you Our Words, Our Love, Our Understanding. I am Saint Augustine.

You have heard many Names of Those Who walked the path of the human way and Who are now proclaimed to be Saints. Sometimes you offer prayers Our Way, and some of you demand that We answer in a straight way.

Let Me say to you, My little ones, today, ‘It is not always that way when The Father grants a child answer to a request he makes. The Father weighs all things, goes into all parts of the request.’ And when He says to Us, ‘Dear Saint, beloved One, I will grant, through You, the child’s wish,’ the joy We have, the happiness We feel is one alone. And sometimes, when The Father says, ‘Not this for the child, but something else,’ We are in joy also then, for you see, The Father’s Generosity is far greater than the child’s request.

It was through the perseverance and love of someone else, in many ways, that helped Me better understand God and His Way. And I ask you, through *a child* such as you, to offer your prayers first for yourself, and then for others too. Many men are distorting the Beauty of prayer. They are making it out to be something as total involvement within themselves. This is not so. Prayer is communion with God, communication with Him. Prayer is desiring to love Him more, to serve Him in a special way. Prayer can be delicate, prayer can be loud. Prayer can be in many ways.

Sometimes children say, ‘I cannot pray, God. What do I do?’ He says, ‘Serve Me. This is prayer.’ When The Son of The Father walked the earth, every movement He made was prayer to The Father, whether it be in request or thanksgiving, and there were many times The Son did request things from The Father. And I am sure you will all remember one time especially, when He begged that the physical would end, for you see, the pain and the suffering were too much for Him.

So do not say: ‘I cannot ask The Father for something today. It is not

the way He wants it to be.' Oh, My children, walk to His Knee, kneel in His Way, beg Him to help each of thee. Do not be so proud. Do not think that sophistication is important to God. All the things you are proud of were developed by man. Humility is strength, humility is beauty, and The Son of God was the Greatest Example of this, far greater than any man.

I stand in the Heavens, and yet I reach you on earth. There is no reason to leave the Realm Where I am to return to the place of My physical birth. The Power of God is so Strong, so Right, that the Power transmits to you with a Perfect Light.

I bless you with Love, I bless you with Truth. I bless you and I say: 'Let prayer be a great part of you. Let it be in your senses each day of your life. Let the Goal that you have be, to be a Saint with all your might.' So be it."

AUGUST 13, 1972 AT 11:20 A.M.

SAINT ALPHONSUS LIGUORI

“Man makes much issue of logging all things, of seeing that records are kept for more human beings, but how many men keep a log for their Soul? Not one in the world, We are told.

I am Saint Alphonsus Liguori. I speak through *the child* who is held by God’s Power, *a Victim Soul*. If she were to stand next to the tree and each of thee were handed a stone, would you throw it or would you keep it? Would you lay it down on the ground, or would you break it into smaller sizes for a use of your own?

Sometimes, when you hear the Truth that is, you invisibly throw a large stone. Think of this often, think of it much. And the next time you reject God’s Love, ask yourself what you did with the stone.

I bless you and I say, ‘Your presence here today was to make you aware of the stones that you throw every day.’ So be it.”

AUGUST 13, 1972 AT 11:24 A.M.

OUR BLESSED MOTHER

“My beloved children, as I stood at the foot of the Cross, watching the Agony of My Son, I knew the Purpose was One. I also knew that I had to stand and remain with Him until all was done. So it is when *a child* is chosen to walk a particular path. *The child* must remain until the last, bearing all burden, standing firm on Truth, succumbing totally to God’s Will.

I, your Mother, speak, and I hold her in firmness and I touch her cheek with My Hand, for the direction she must walk is up to the top where The Holy Trinity must be seen. Each step of the way, Each Word that is given is from Here, and sometimes it is difficult for other men to understand the Message conveyed. I return to the Cross in a different way in your day, for when *a child* is chosen to walk a hazardous path, a request from The Father to stand to the last, I cannot always help, I cannot always stop the blows, but I stand by to encourage

***the child* who knows the path must be completed.**

Oh, My children, The Beloved Saint Joseph must become known throughout the world. It is God's Will it be so. This Great Place must be done to show the world they must come to pay Honor to Him and to learn true Bible History. I walked in the Biblical Way. I walked in the time, Biblical. I was Part of the Plan, I was Part of the Way. And now again, in your day, I walk on the ground, unseen by man, to see this time, that God's Will be done.

I would speak much to each of you, but for the moment all I can say, 'You must receive God each day, and you must carry with you each moment of the day the Beads I love. Processions must begin in Honor of Him. The Rosary must be said, for the Power in these Beads is one alone.'

I embrace you, My children. I hand you My skirt to hold onto as I walk up the Hill to see that all things are done. Be blessed by the Light, be blessed by the Truth, be blessed by His Love for you. So be it."

AUGUST 16, 1972 AT 10:29 A.M.

SAINT TERESA OF AVILA

“My children, I am Saint Teresa of Avila, and I speak through *this child* in a very natural manner, in a very natural way. I, too, walked the earth in service to God, in the physical, in the mental and in the Spiritual. And many times, when I would kneel to pray, I would ask The Beloved Saint Joseph to intercede, and yes, interfere in my way, for I knew that He was most Beloved in Heaven, beside The Heavenly Mother; and I knew, because This Saint could not refuse God anything, God could not refuse Him anything.

As *this child* stands before you now, she, too, must walk in complete obedience, complete service to The God of all people. She, too, must be obedient to Divine Will, with the physical, the mental and the Spiritual.

So many children say to God, ‘I give You my will.’ Not so. Children selfishly hang onto their will, because the will is the only power they have. Man has learned this through great sickness. The will to live, the will

to have one more day in the world is many times the strength that sustains man; of course, along with God's Love at all times. Man cannot will to live without the help of God.

As you stand on this Holy Ground, It has been Blessed by The Father all around. As you listen to the Words of your way from Our Realm, you listen to Heaven speak to each of you. The little ones must understand that they are privileged at this time to hear Words so direct from God's Command. The children of later age must know that it is with Love that God shows This Miracle of such Love, such Hope. In many places in the world there is no hope, so God on this day hands you Hope in the form of Words, in the manner of soil, in the way of Love, yes, in the sight of yours, to see *a child* such as you walk in obedience, walk in trust, walk in Complete Truth.

I, Saint Teresa, know many of you, for your prayers came My way, and each prayer that was directed to Me, I listened to and offered to The Father in a special way. Never think that one prayer goes unheard. It does not. Never feel that your worries, your fears, your doubts, your concern,

go past Us, for you see, We are present when there is hurt, fear, doubt, trials, misgivings, sickness, distrust, to help you on the way to Sainthood.

I speak firmly through *this child*. I speak with much understanding of each of you and I say: ‘Walk in trust to God each day. Stand firm on what you know is right and pray for those who are weak in God’s Way. Be mindful of the Blessings you receive today, and as you receive Them, know that it is a form of Grace from God your way.’

I bless you with the Power of The Father. I bless you with the Truth that will give you strength. I bless you with Hope, for this is where you are today. So be it.”

AUGUST 16, 1972 AT 10:35 A.M.

SAINT BENEDICT

“My children, I am Saint Benedict. There is one amongst you who has had great devotion My way. In fact, he followed in My footsteps in a special way, sometimes fearful, sometimes in doubt, sometimes in great charity, sometimes concerned over every Soul all about. I ask you to pray for this person, this man, this child, that he will continue to love God above all things.

I speak now to you individually, but yet in a general way. You live in a time worse than Sodom and Gomorrah. You cannot see the horror all around, but I ask you to be aware of it, to be conscious of it, and do not blind yourself to it, for in the horror there is great heresy. Heresy is against God.

Many children are walking the earth, claiming great power, great strength, great gifts. Not so. They do not have the gifts they suppose they have. They do not have discernment of what is right, what is truth. Those who say, ‘I speak in a special way,

God's gift to me,' not so. Much of this, My children, is emotionalism. Much of this is called 'hypnosis'. Much of it is imagination. Much of it is pretending. Much of it is lack of trust in God's Way. Much of it is pride. Much of it is ego. Much of it says: 'God, I have power. I do not need You.'

So I say on this day: 'Trust solely in God, not man's way. And do not, in your little way, make rules that you should live by and that others should follow, for the Greatest Rules for all mankind were given down by The Father Who is Divine; ten in number, not too many for you to remember. And each one covers many things, as each Rule and Command He gave was to give Hope to the world, a pattern to live by, a path to follow, a way to become a Saint.'

I bless you with God's Love. I bless you with the Commands of God. I bless you with the Heritage of Truth. I bless you with the hand that God gave Me to use. So be it."

AUGUST 16, 1972 AT 10:40 A.M.

SAINT AGNES

“My children, I am Saint Agnes. I come with a gentle Note, in all Love, and I say to children who stand on a Hill in dedication to a Very Holy Man, to a Beloved Saint of God, to One in Whom God places much Responsibility, much Power: I come to you not as a child, but as a Saint, and I say, ‘Direct all things in your life This Way.’

And when other men laugh and say, ‘It is a foolish way you walk,’ look at the man, be firm in your way, and say: ‘The privilege of the physical way is one alone. The Father has given me a will to one day see Him on the Throne. I desire to follow only Him, not you, for you speak weakness, you speak untruth. I will pray that you will get to know Him better, because He does love you.’ So be it.”

AUGUST 16, 1972 AT 10:44 A.M.

GOD THE FATHER

“My beloved sons, My beloved daughters, I do not give *the child* a Vision of Me, but I give her the chance to love Me through obedience of transmitting to you My Words, My Love, My Power, through and through. The Words she says are All on Direct Command from Me. All the things that she shows are in obedience to Me. The Words that were spoken, describing a time for Me, were directed by Me so you would know. The Power with which I hold her is One Alone. Through This Miracle of My Beloved Saint, I have made many entrances to the world. I use *a child* in the physical so millions and millions and millions of My children can feel My Love, My Intention, My Hope, My Will.

Man places much emphasis on the physical. I do not say this is wrong, I do not say this is not My Way. Not one of My Creations is wrong in itself. One of the most beautiful creations I made has served Me in the most sorrowful way, and yet the service has not ended. I was The One Who created the wood.

I was The One that decided it would be the wood that would open Heaven. The use of wood has been important in many things for Me, many things for man. It was through the way of the wood that a Beloved Man Who is now a Beloved Saint, earned the physical road for Those in His Command, in His Realm, in His Way.

Man has become so involved with synthetics, allowed to be created by Me. Man has become so involved with himself that he uses My Creation of himself to defy Me. I have given man intellect. I have given man a physical. I have given man senses. I have given man virtue. I have given man a true way to follow Me. I have given man My Commandments to live by. I have given men periods of time to help them understand Me. Man, in his eagerness to use all things for self-acclaim, self-purpose, self-love, is going through a time of great distortion on truth, using the things I gave to accomplish the wrong end.

You are privileged children. You are children whom I love much. I come to you to help you better understand the Purpose of your physical, the Purpose of being man. You are My

favorite Creation. You are My Love and I have designed all things for you to come Above.

I ask you, My little ones, on this day, to let My Love radiate through you, from you, within you, so that others will follow in My Way. I ask you not to doubt in Me at all. I ask you to hold My Hand for I will protect you. I ask you to teach others what I want. I ask you to pray to Me, for when you don't, I miss it, oh, so much. Children are complicating the way to Me. Do not do this. Come to Me as children. Come to Me in prayer. Come to Me in a simple way and know that I am there. Kneel at My Feet and talk to Me, for every time you do I bless you with My Love and draw you closer to Me. I bless you with My Heart and you do not feel It beat, but It enters in the physical to give you strength that you will need.

My little ones, My love, be aware of all things that will draw you to Above. Do not be skeptical. Do not fear, for I am always near. It saddens Me when children feel that I am remote from them. I sometimes whisper, 'I hold you dear,' and they are too busy to hear.

I hold *this child* in a very Light Power. And now as I release her, I shower down upon you Things you cannot know: I give you Grace, I give you Hope, I give you My Love; It is not remote. I touch your heart with My Love, and the Light that lights your day is the Light that truly comes from Above. I release *the child* slowly, and I hand you My Love.”

SAINT ALPHONSUS LIGUORI

“As *this child* stands before you, it appears that it is she who is delivering to you the Wisdom, the Knowledge, the Way. Not so. All Heaven is with *this child* twenty-four hours in your day, in your way. The Beloved *Miracle Of Saint Joseph* is far beyond any man’s scope, any man’s knowledge, any man’s design, any man’s thinking, any man’s way. This Great Hill of Hope is Hope in many ways. It is Truth in all things, and it is Direction to The Divine King.

Ask yourselves, My little ones, did you awaken on this day and think of God first in every way, or did you decide to accomplish all the things close at hand to you, things that could have been done later in the day, later in another way? The Father waited on the Altar for you to come and kneel, for you to come and say: ‘*I love You, God. Help me today.*’

There are children all over the world who only think of The Father in times of distress, in times of delay, in

times of weariness. You, My children, must begin to accept Him, to love Him, to want Him every moment of every day. It is not difficult to love Him, for you see, He gave you the way.

There are so many children shouting to others, 'Be kind,' and they themselves are not prudent all the time. There are some children saying, 'I want acclaim,' and then they say, 'Humility is my aim.'

Oh, My children, kneel before The Holy Trinity each day, where the Presence is secure in the Tabernacle way. Beg The Father for forgiveness, beg Him to hold your hand, beg Him to understand your little way, and as you do, you will grow so in love with Him that what other people do to you will not cause you to sin.

There are many sins man forgets. One is distrust, one is anger, one is envy, one is hate, one is pride, one is bad example all the time.

Through Stories, through History, you have been taught the Mercy of God, the Beauty He Is and the Magnitude in Which He stands, the Power that is all His, and yet, in your little way, you lean on man. My children, if you were

to be placed in a closed cubicle with man, and all things sealed so no exit could be made, ask yourself on this day: How long could the other man sustain you in any way? Not long, for he, too, would be fighting for his life. He, too, would be fighting to get out. He, too, would be fighting to gain your strength from you. And yet, if you were placed in the same cubicle with God, there would be no worry for you.

And this is what happens each day when you walk to the railing and say: *'I love You, God. I want only Your Company today.'* And when He enters into your little weak being, think of it as a cubicle. Think of it as the Oneness with Him, and know that the Strength He Is will sustain you through all things. To be in a cubicle with God, to be in a Oneness with Him, is the Greatest Gift He can give you, the Greatest Love He can show you, the Greatest Strength you can have. Desire this cubicle with Him, and remember this, My children, in this place you have the greatest freedom in the world — loving Him. So be it."

SAINT THERESE OF LISIEUX

“There are so many children who place all emphasis on social graces. They are most concerned with the attitude of others, the display of attention of others, the exactness of others according to man’s way, man’s rule, in everything they do. Man teaches graces to others, and he desires those around him to be gracious, to have grace. This is good. This is not wrong; but along with this desire for social grace, man must be aware of Spiritual Grace and the Magnitude of It, the necessity for It, the Beauty in It, and the Perfection that It brings man to — Sainthood.

I speak firm on this day, My children, in a special way. Perhaps My voice rings with the sound unknown to you, but I am Saint Therese, known as ‘The Little Flower’, and I come today to teach you the Beauty of Grace, the Beauty of life, the Beauty that is your right.

As I stand in a manner with *this child*, I stand in a manner you cannot

know, but I walk with you on the Hill of Hope and I enjoy the visual sight. And I can hear you now exclaiming at a bush, especially if the bush bears a beautiful color, whether it be flower or fruit. It is a joy to see such things. And if you were to gather them, socially, you would offer them to Me first. Is this not so? You would not indulge yourself alone, for you would feel the need to share with Me each one, or one alone. And now through This Great Miracle of Hope, All Heaven comes to share Spiritual Grace with every child who has been born to the world.

I bless you with The Father's Love and I bless you with Grace. I bless you with the desire to one day come to this Beautiful Place. So be it."

AUGUST 16, 1972 AT 11:59 A.M.

SAINT BERNADETTE

“My children, I come to children of all ages on this day. I am Saint Bernadette.

As I speak through *this child*, I speak in a loving way and I say, ‘The Ground on which you stand has been Blessed by The Father, as it was in My day a long time ago.’ I, too, stood on ground in a humble way, and I, too, had to say, ‘This Ground is special to God in every way.’ And I, too, had to be humble, for you see, it is not easy to stand before the world and say, ‘God has chosen me to say that this Ground has been Blessed by The Holy Trinity.’ But you, as you stand here on this soil, must know that all the places here have been planned by The Father to help children of all ages, all colors, all creeds, come to Him.

There are many edifices on this Great Ground that will be for the comfort of children and will give the children time to settle down, time to stand in the world and not be part of it; time to see the Beauty of Heaven,

time to kneel to The Heavenly Father at all times of the day and night; time to say to The Beloved Mother, *'I love You, and I have found a renewed strength in Your Light'*; and time to walk in a Room of Saints and time to say, *'I would like to follow that way,'* for you see, My children, there will be a Great Room here, teaching children the way to become a Saint, oh yes.

And then there will be a place for children to lay their heads and say: *'I love You, God. Thank You for this Place. Thank You for this day. Thank You for the privilege of coming this way.'* For children will come from all over the world and drink of many things upon this land. They will eat and have repast time to give them strength to go on again.

And, oh, My children, there are so many things here for you that you cannot see, for you see, they are hidden from your view, but they are to direct your Soul to The Holy Trinity, they are to make you a Saint. So I ask you on this day to have Faith. So be it."

AUGUST 18, 1972 AT 7:51 P.M.

SAINT CATHERINE LABOURE

“My beloved children, when *the child* spoke on this day with Me, she pleaded for help from The Holy Trinity. I come now through her to you. I am Saint Catherine of Laboure. So many children pray and they do not expect an answer right away, but I come on this night, through *a child*, because of the pleading that she gave today.

There are so many things of interest to man. There are so many things of waste to man. There are so many hours in each day man uses in a useless way. There are so many efforts man puts forth, only for selfish acclaim, answer, way.

I, Saint Catherine of Laboure, say to you on this night, ‘The moments that I did kneel by The Beloved Mother’s Knee, were moments that I desire for all children to experience.’ It will not be in such a physical way for all, but I come to you to say, ‘You can kneel in Her Way, you can pray to Her each day with your will, with your desire to tell Her that you love

Her.’ Do not wait for a Great Vision, a Great Miracle, but show your love to your Heavenly Mother by kneeling in a simple way. And as you lay your hands in the proper manner, know that She caresses them in a way you cannot feel; for when a child does kneel in devotion, in love, The Mother cannot reject the child’s appeal.

So, little ones, I come to you to say, ‘Do fold your hands in the proper way.’ First, it is an act of humility; next, it is an act of reverence; next, it is an act of love. I did it, and I ask you on this night to do it each day. Do not let others see you pray in a casual way, for you see, it lacks honor, it lacks reverence, it lacks love. Humility is strength and when you pray in a way so others do not know this is what you are doing, you pray in pride, and pride, My children, is weakness all the time. Be humble, be strong. Stand in truth and join The Heavenly Throng. So be it.”

AUGUST 18, 1972 AT 7:55 P.M.

SAINT CYPRIAN

“My beloved sons, My beloved daughters, I am Saint Cyprian. I speak through *this child* openly and in Truth. I speak to her in firmness, through her with firmness. I speak to her and through her oftentimes. When she requests My Name, I say, ‘Cyprian’. She smiles at this Name, for you see, it is not a common name among men.

As you stand in the world, it is not the usual thing for The Saints Who stand Here in God’s Realm to speak with you. This *Miracle Of The Beloved Saint Joseph* is One Alone. It is a Miracle to give children of all colors, all races, all creeds, Truth — direct from The Father. It is to give children the desire to be a Saint, to show them the Purpose of life and to teach them the Truth, for you see, satan waits. The evil one is jealous of you, but remember this: he does not want to be called ‘man’, for you see, he figures that man is weakness. So he says, ‘Make them call me satan.’ Oh My children, call him ‘man’, for you see, he is out to hate all things

and he desires to gather all men. He is full of jealousy, full of envy, full of pride. You must join the army by Saint Michael's side, to rid the world of this evil 'man'.

I bless you in Truth. I bless you with Love and I bless you with Hope and I say, 'Please, pray, for I am Saint Cyprian.'"

AUGUST 18, 1972 AT 7:58 P.M.

SAINT FRANCIS OF ASSISI

“There is a child present who has much devotion My way. The child must act totally in a humble way. I request it through *a child* in the physical way. I am Saint Francis of Assisi.

Children have devotion My way and they say, ‘*Saint Francis, allow me, help me to do God’s Will each day.*’ And when they pray, sometimes they do not pray in an unselfish way. I say to you on this night through *a child*, ‘Pray; and when you do it, desire to do it God’s Way.’ Offer in sacrifice and be in penance each day. This does not say, ‘Do not enjoy the physical way’; this says, ‘Use the physical way to one day be a Saint, for you see, through the physical, all things will come your way.’

My beloved children, when these Great Wounds came my way, the pain was so much that I collapsed in a physical way, and when I awoke from this terrible pain, it throbbed, it ached, it was a horror to me; but suddenly I realized that this was God’s

Way of saying: ‘Francis, I love you, for your service to Me. Please continue to walk this way.’

I, Saint Francis of Assisi, say to you on this night, ‘Walk in humility, walk in desiring to serve God in all things, and oh, My children, do not fear anything He might give you, for you see, it is to lead Souls to Him Who is Here.’

I bless you with The Father’s Love, I bless you with The Heart of The Son and I bless you with the Light of The Holy One. So be it.”

**VISION OF OUR LORD,
SAINT JOHN THE BAPTIST,
SAINT PETER, SAINT JOHN,
SAINT JOSEPH,
OUR HEAVENLY MOTHER**

I will tell you, describe to you, the Vision I see. It's Our Lord. When I see a Vision such as this — He told me to explain it to you — It comes in gradually, piece by piece, or else I would be so attracted by Things of my own liking, I would miss some of It.

There are children, many of them. There must be two thousand children at least, all colors, and they're dancing around Our Lord, very happy. And He's walking. He hasn't stopped walking, and I don't know how He can move through this crowd, but they have never stopped Him. They seem to be moving with Him, and yet, happy. There's such happiness in these children. It's almost as if they are growing in my Vision. They are getting to a greater height, and suddenly the boys are men and the girls are women; and suddenly there are other children

in the crowd, but they were not there at first.

And He's still walking. Now, suddenly the crowd is increasing. There must be five thousand now at least, and yet they don't look like too many. Our Lord is still walking, but it's not a walking as we know it to be. It's not a floating. He's in motion, but I cannot describe it to you and that's the only way I can see how He can get the movement there.

Those who are adult now, are listening intently to What He's saying, but the wee ones, the little ones, are also listening in their own way, half and half. They're preoccupied with each other, too. And He's talking.

There's one Man — He looks like Peter, but I don't know — It's John The Baptist, and He's talking with Our Lord very seriously. On the other side of Our Lord is Peter.

Oh my. Saint John is saying: "Father, there is such joy that surrounds You. All children who follow You seem to have such peace, such tranquillity, such freedom. It is a beauty to see." And Our Lord is nodding graciously.

And now Peter leans over to direct the thing also to Saint John: “Generation after generation have been taught Your Way, Your Words, Your Love; and now in the world, children are again being taught. There are so many disgraces, misinterpretations to be eliminated. It is a privilege, My Father, to walk once again with You in the world, to teach in a manner unknown to man. I thank Thee for the privilege and I say, ‘Let the Words that come through *the child* from Me each day lead all men to Your Side in a special way.’” And Our Lord nods: “My Peter, You serve well at all times. You are a credit to Me, Son. You are a Special Love. It will always be. Continue to help Souls gather around Me.”

There’s a Man coming forward. It’s Saint John Who stood at the Foot of the Cross. He is still young looking. Our Lord is greeting Him with both hands. “Once again I call upon You, John, to teach children, to protect children, and to show Love. The task I placed upon You a long time ago, You served well, and yes, You did it in all ways to My liking. There were many Lessons taught when I handed You My

Beloved Mother. The children do not realize that there were many Lessons attached to this, and the Greatest One, of course, has been ignored by so many men and that was: The young must care for the widow, for the aged; with respect, with honor, with integrity and self-discipline. You were My Example in this way. I thank You, John, and now You must do things again to teach children My Way through The Beloved Miracle of My Son Who was My earthly Father.”

“I bow to obedience to Your Will, My God; it is a privilege more than I can say. I love You, You know this. I desire to serve only You each day.”

I wish the world could see it: Saint Joseph and Our Lady, and again She is all in green and the emeralds in Her Crown are shining all around. Saint Joseph is again in purple and white, with a ruby Crown.

And suddenly the people in the Vision are sitting down on the ground, and the ground is very green. And Our Lord’s robe is beginning to shine, and there are stars. They’re not stars, they’re diamonds, all around in the background of Him. Oh my. Oh,

She's Beautiful. Our Lady is going to speak.

AUGUST 18, 1972 AT 8:13 P.M.

OUR HEAVENLY MOTHER

“My children, when The Father chooses a special road, a special way, for a Special Plan His Way, the path is a difficult one for the *one of love*, one that nothing in the physical way can surpass. I come to you through an *obedient child*, doing God’s Will. It is now as it was then — total submission to an Ultimate Plan.

Children have been told the beauty of prayer, the need of it, the purpose it is. Some are ignoring the Truth. Once again, The Heavenly Father is permitting the Truth to be shown, to be told, to be seen. Ask yourselves on this night, will you ignore It, will you reject It, or will you accept It?

I, your Heavenly Mother, want so much for you to accept God’s Love. Generation after generation has been taught His Love, and through each generation of children born to the world, some have accepted, some have rejected. Some are now spending time preparing to one day see The Divine.

I, your Mother, say: 'Use the physical time to prepare for the Ultimate, Which is Divine. Be obedient to God's Will. Walk in strength. Do not let any man sidetrack you, delay you or diminish your chance to be a Saint.' The Words are for each of you; My Love, Far Beyond any love you know; and the Truth in Which I speak, Divinely guided, Divinely given, Divinely shown.

The time in which you live is a sad time for The Father. It is a time where children are showing desperation, trying so hard to find Him, when the path to Him is a simple path, a serving path, a loving path, an obedient path. Each man must obey The Rules, The Commands that God gave. They are not too difficult. They do not burden man. Each one that God gave is special for man, for through These Rules, man has the task to be a Saint. Keep in mind, My little ones, that only satan, the evil one, the desperate one, the enemy of God, caters to your weakness and encourages you this way.

I speak to you in a natural way. How else could you understand? Never let a day go by that you do not hold The Father's Hand. I want you on this

night, before you lay your head, to grab onto the garment that I wear in the Vision and I say: 'Let the color that it is, strengthen you in hope. Let the color remain with you, for you see, it is a favorite color of The Holy Trinity. It was given to the land.' Man has put much emphasis, much meaning to this color, but I, your Mother say, 'Cling to it every day.'

And as I rise now from the Vision of such Beauty, the Beloved Spouse of Mine will speak, for He stands in such a Beauty. The Power that He has is One Alone. His Place in the Heavens Here is very close to the Throne. Keep this in mind, My little ones, as you go about your day: Saint Joseph is beloved by God in a very special way.

I bless you with a Mother's Love, I bless you in a Motherly Way. I caress you with My Hand. I touch you with My Heart for I do want you to come This Way."

AUGUST 18, 1972 AT 8:23 P.M.

SAINT JOSEPH

“My beloved sons, My beloved daughters, This Miracle that bears My Name is God’s Will. *This child* through whom I speak is *God’s Instrument* to you. There are so many things that have been divulged and are yet to come through This Miracle of Hope, This Miracle of Love. The Father has designed This Time for men to get to know the Purpose of the physical way, the Beauty of The Divine.

There are so many things that you desire, that you want to be, that you hope for, that you care about, and sometimes you forget to say, ‘*God, help me in this way.*’ And I say to you with God’s Power, God’s Love, ‘Do not demand of The Father, but request it, all the things you desire.’

Know that you are children. Know that He loves you. Know that your obedience to Him is special to Him in every way. Know that He desires for you to come to Him one day. Know that He loves you above all His Creations, in a special way. Know that the Soul

that He did give you at the moment of conception in the physical way, was to return to Him one day, Radiant with Light in a special way, deserving a Crown, the Crown of Sainthood, and remember, My children, the Crown that you see, that you desire, is not a crown as you know a crown to be; but a Crown, in Heaven Here, is to see The Holy Trinity.

The Diamonds that surround The Beloved Father Here, are the Souls that are to come to Heaven Where We are. There are so many things children do not know, children cannot see, and that is why children must walk in Faith, in hope, in obedience.

I bless you with The Father's Love. I bless you through The Miracle of Hope. I bless you through *the instrument* God chose. So be it."

AUGUST 18, 1972 AT 8:28 P.M.

OUR LORD

“Before *the child* is completely released, with a Power you do not know, a Power that sustains her to deliver to you Heaven’s Glow, I want to speak to sons here present now. I want each one to think of the path that he is on. I want each son to know that he was born to the world to one day be a Saint.

The daughters also must realize that their path is the same one, to one day be a Saint. Children are not being taught the Purpose of life. It is not being established, it is not being shown. Men are putting so much emphasis on the physical way, the physical growth, that they are forgetting they have a Soul. I want each child here on this night to be conscious of a Soul, of a Light, and the Ultimate Part of the physical road.

I bless you with My Heart. I bless you with the Truth. As I diminish the Power through *the child*, you will feel My Love in each of you. So be it.”
