## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.**

FEBRUARY 20, 1977 AT 3:27 P.M.

SAINT ALPHONSUS LIGUORI

**“My beloved children, I am the One you talk about much. I am Saint Alphonsus Liguori.**

*This child* with whom you sit, you speak, you discuss occurrences, the hopes and the plans, the desires and the moods, the manners and the ways to best accomplish many things suited to personalities, natures and physical degrees, We Here in the Heavens listen, and We smile sometimes and say, ‘The children are active in their thoughts, intelligent in many ways, and yet, in their hearts they desire to perform totally for God’s Will in their days.’ We Here know that when you desire to do, desire to fulfill, desire to take action to accomplish only The Father’s Will, it is difficult to work in a manner, a degree, a way, and with others of human way that do not completely understand your inward desires to live more fully in the way of man.

*This child* through whom I speak is *an instrument* through which, by which, for which, in which, The Father

uses All of Us Here to teach. Oftentimes *this child* is distracted by Us, listens to Us, and does not transmit Our Words to you. She knows that What We are saying is a form of instilling within her for a time to come when It will be needed to respond to a child's whims or woes, desires, or even antics.

The instilling that *this child* goes through can be slightly recorded thusly: Place yourself in a library of ten thousand books. You must read each one of these books totally. You must retain from these books, certain references, certain subjects, certain combinations. And now I move you to another book, the book of life, that you will use what you have retained. Now I take you into another library, and in here there are fifty thousand books that you must not only look at, but read thoroughly, retain, and remember the subject matter; remember that not only the subject matter is important, but the determination of how the subject will be used.

I could go on and on and on like this, and I would say: 'In reference to this type of knowledge, accumulating wisdom, there would be many, many words used that would take your time

to read, that would be unnecessary to accomplish the end result; so, The Father's Way of instilling in *this child*, is to eliminate all the words that men would have to take to write these books, and He uses but One Word and teaches her the facets of These Words that will be Important at given times for the particular Teachings and the given areas of Direction for the whole of mankind, for all races, all colors, all creeds; for men to be able to understand, not always simply but logically, the Direction of Truths that were given for men to be able to follow, to the perfection needed, to enter the Kingdom of Heaven.

*This child* is as a library of many subjects. The sacrifice, the commitment, the acceptance of The Father's Will might be difficult for you to understand, but nonetheless, it is shown through the Many Words written and through *the child's* response to you and to all men. When you see her with others, is it not true that you respond with assurance that she is capable of handling the situation in a manner unknown to you?

So many times people watch *this child* speak to another and they are not

sure of the content of conversation, nor are they sure of the degree of conversation, but what they do not truly understand is that the Words used are positive, not negative; direct, not indirect; sensitive, not insensitive. They are Words of commitment, not noncommittal. They are Words of structure, not chaotic. They are Words of promise, not disappointment. They are Words of assurance, not a lack of assurance. They are Words with discipline, not a lack of discipline.

I come today to reiterate to you the positive nature of *this child's* place upon the earth, for the Purpose of The Father's Will to be done, and for men of all kinds to better understand that *this child*, though she walks upon the land, is *God's little computer*.

I bless you from the Heavens and I say, 'As you see in her a naturalness, remember this: The Father uses a natural way to accomplish His Will in a given way.' And let Me remind you that humility and quietness go hand in hand, for *the child* is strong in her commitment. And I repeat, the listening that occurs between her and All of Us Here has a marked effect upon the whole world. If it does not

**show now, it will show in time, that the commitment of *one child* dedicated to God will leave behind, not challenge, not adventure, but hope for the good of mankind. So be it.”**

FEBRUARY 24, 1977 AT 10:05 P.M.

## GOD THE FATHER

**“My** beloved children, much trouble occurred because of man’s inadequate manner in taking care of the History I have decreed to come to the world; written, not just verbal, for all of mankind to hear, to read, to absorb, to follow, to remember.

**I** am The Father of all mankind. I am The Creator of All Things. *The child* through whom I speak is *an instrument* of Mine. She talks for Me, only because My Voice would frighten mankind. The Power I Am, the Force I Am, the Strength I Am, the Love I Am, the Action I Am, the Light I Am, the Purpose for which I would come to the world, would be too terrifying for mankind to withstand, so I use *an instrument, a human being, a child* I created, for this Purpose I intend.

**T**he whole world needs This Great Miracle that I have sent forth upon the earth, to extend My Power and My Love, My Light and My Hope, for men of all kinds to come Above. The Soul of each man must be delivered unto

**Me, must respond to Whom I Am, What I Am, How I Am; and the Soul cries out for the Light It knows I Am. You have light in this room. Your light is but an imitation of the Light of your Soul. The Soul reflects everything you are. The Soul is My Love for you. How else could the life of a human being be restored, carried on, unless there was a Connection between Me and you, to remain forever?**

**I have given This Great Miracle to the world, to draw Souls Who would otherwise be lost, for the little direction of truth, the little motivation for purity, exactness, that is needed for Souls to be with Me for All Eternity. *This child* through whom I speak is *an instrument* of Mine, *the voice* I intend for all men to hear and follow the Direction that I have given, I am giving, and I will give for a time.**

**Men say, ‘History was written before,’ and I, your Father, speak and say, ‘Never before have I sent so Many Saints of Mine to the world to give strength to children of all kinds to pay Honor to Me.’ I have gathered Those Who are with Me and I have given Them the format, the means, the manner, the way. I have given Them the**

**Direction to give Light to all children throughout the world, so children will better understand the Purpose of life.**

**There are Many Saints Here in the Heavens with Me, Saints Who walked a long time ago upon the same earth you walk upon, Who experienced the same sun that gives you warmth and light, Who experienced the same moon, the same atmosphere, the same hopes, the same dreams, the same goals. They are Here with Me now, and They, in Their desire to draw more Here, are working endlessly, giving Words, Direction through This Miracle that I have sent to the world.**

**It has been a long time since *this child* has known rest as man knows rest to be, but at the moment of total commitment, and she said, 'Whatever You desire, God, I will do, I promise You,' I looked at her and I said, 'There will be many times, My *little one*, you will not be able to withstand the hardship, the burden, the hurt, the turmoil, and the weight of man.' But her eagerness to please Me was a love I depended upon.**

**And now I come to the world openly, and I am your Father, Heavenly,**

and I say, 'The Words so small, the Words I use, are your terms, your terminology; Words you understand with the tongue of your way, with the understanding, the Light, the knowledge that you have been taught to use.' I use This Manner of communication, for how else would you understand for Me to say, 'I love you much, My little ones; I teach you much through This Great Miracle of Justice, Mercy, Hope, Light, Action.'

If I were to speak in the tongues of other lands you would not understand, but in My Love, I will draw men of all lands to the Place I have chosen; a Place, not so distinct in lines, manner, but a Place that men will be able to see the Magnitude of Me, the Hope in Me, the Generosity of Me, and they will want to come closer to Me, through the Teaching, through the memory of how they were taught, What they were taught.

And above all, I want men to know about The Commandments I gave to give strength, force and direction. How else could men not stray? They needed The Rules and The Regulations to live by. They also needed a place to worship Me; one, in which and through which I would have a Distinct

Participation, and one, in which and through which I would guide Every Particle of It so that men would understand more what I wanted, what I desired, and how they, in their way, could help others come to Me, My Way. I sent a Part of Me, a Son, and I gave to the world the structure, the format, the formation, the truths. This is how it was begun.

I come through *this child* to give to the world all the things that I know will give men strength to come Here one day with Me. I speak slowly through *this child* for the littleness of her body receiving the Power I Am, to the degree I know she can stand, is in so many ways, a Gift man cannot comprehend. *The child* is exhausted in the physical way. Men do not understand this type of exhaustion, but as I leave her tonight in the verbal way, the responsibility I leave is like the roar of the ocean, the beat of the waves, the weight of the mountains throughout the world, plus the weight of the sands throughout the world; and I add, the soils in the earth *this child* bears for This Great Miracle to be handed to the world.

**M**en are negligent in response to her, respect for how she stands. Men procrastinate, and when they do, *this child* knows that the suffering she must endure for their procrastination, their delays, is far more than they could handle in any way. So you will find her less tolerant of man's delays. You will find her more commanding, more demanding, for she knows that for every delay she must balance it in a given way.

**I** bless the whole world through *this child* and I say, 'As I draw all corners of the world to This Great Miracle and I draw all men's eyes to the Truth I Am, *this child* stands totally subservient to My Will, consistently and constantly listening to My Will to be done each day.'

**I** have warned you on procrastination and I would suggest that you pass it on to other men. They may resent it but when they do, say this to them: 'Won't it be sad if The Father delays you entering the Kingdom of Heaven?' for, every delay *this child* must endure, a Soul waits outside for Me to say, 'Come, child, the reparation should be short; do it quickly and come My Way.' So be it."

MARCH 3, 1977 AT 9:40 P.M.

**SAINT ALPHONSUS LIGUORI**

**“I, Saint Alphonsus Liguori, say to the whole world, ‘There are many times the children determine all things by the calendar of their time.’ I say, ‘Time is not really limited to a calendar, but limited in man’s way alone.’ Time, to The Father, is endless and unlimited. So, through This Great Miracle of Life, Love, Truth, Charity, Hope and Divinity, men will begin to see the value of time, the hope in time, and yes, the progress that time can give to establish many things, to extend to the world values, performance, conclusions, solutions and goal. I am Saint Alphonsus Liguori. So be it.”**

**MARCH 6, 1977 AT 2:50 P.M.**

**SAINT FELICITAS**

**“There are so many avenues in This Great Miracle and so many areas, that each man in the world has a place, just as each man in the world has a Place in Heaven. When all men come to that point where they will want to enter the Gate, the Kingdom of Heaven, they will be able to say to Those they meet: ‘Have You seen my Place yet? Have you learned about my way? Do you know the Bookkeeper?’ And They will say: ‘The books were kept by The Father Almighty. He is The One Who will Judge you today.’**

**Perhaps this is just a story of how it will be when you come This Way, but oh, My children, remember this: It is a fact you will come This Way, for when you pass from the earth and the time in between, you will come Here and say: ‘God, let me in. I know that upon the earth there were many things I did not do, but please understand, I was little and human too.’**

**I love you, My children, with a Love you cannot know. I am a Saint**

**you have not heard much from, but I, too, walked the earth below. I am Saint Felicitas. Remember My Name, for as I speak I say, ‘I want you to know that the physical life is truly no game.’ And when you talk to The Father one day, know that I, too, walked the path, and look at Him today, and I say, ‘Father, let Me be the One to help the children come to Thee,’ and He says, ‘Felicitas, Many are Here to help the children come My Way.’**

**So, as I speak through This Great Miracle and I take *the child* away, wait; Another will talk in a short time, for *the child’s* exhaustion is obvious to Us, and time will give her the strength. So be it.”**

MARCH 6, 1977 AT 3:32 P.M.

## GOD THE FATHER

**“My beloved children, I am your Father. I have surrounded *this child* with Many of My Saints; at this moment, the Number more than you would understand, but the Beauty of Their participation in My Divine Plan, My Will for the good of man.**

***This child* is subject to My Call at any moment of the day. *This child* is subject to My Will every moment of the day. This Miracle I have placed upon the world for you, for the whole of the world, for all men to view the Reality of Me, the Love I Am, the Hope I give, the Strength I pour forth through man, is a Miracle of Justice, a Miracle of Light, a Miracle of Benefit, so one day you will feel and see and know Divine Light.**

**I am truly The Father of all men, and the Power I Am is Far Greater than *this child* could stand. That is why she found difficulty in talking, for as My Beloved Saints passed by I had to diminish the Power, for the physical of her would have fallen dead.**

***The child*** is constantly aware that the Power could take her in a moment, the Power of Me, for I am The Father of all mankind. I am The Controller of the universe, the earth, the land and the sea.

I have given *this child* a mission upon the earth, the mission to work solely for Me. There is no question in *this child's* way that what is given is not Divine Way. The innocence she stands in, the perseverance, the love, is to do My Will for all Souls to come Here Above. Sainthood awaits. I await. I send through *a human being* in the world My Desire for all men to become a Saint. What is Sainthood, My children? It is a Life Here with Me, to work, to serve, to love and to live, and to help others come This Way.

The Power of Me waters *the child's* eyes, for the Vision of The Saints penetrates the Soul of her way. *This child* was given a task, a mission, and she says to Me each day: '*Let me not stray, My God. Let me do it solely Your Way. Let those who do not believe find another path, but allow This Great Miracle to do what it must do, and to touch those You desire it to.*' No child has ever walked this way.

**There are Two Great Facets to This Miracle in your day: One, My children, is the Spiritual — My Teaching, My Love, My Direction and My Hope; the Other, the physical means for you to come This Way, for you to learn about Me — something for you to cling to, a Physical Place, a Place where you can kneel, a Place where you can stand, a Place where you can learn, a Place where you can feel the necessity of man; a Place where you can bring others, not just to pray, but to learn to live My Way.**

***This child's eyes are owned by Me; this child's physical, totally directed by Me; this child's love, for Me First, above all men; this child's hope, that This Great Miracle will give Me the satisfaction I desire for men. What you have seen in these last moments is the stillness of My Power, the Light of Which I Am, and how subject this child is to Me, to give to you My Plan: the stillness of her body, almost close to death; the sound of her voice, the physical that has faced many tests, the human need, the flow of blood, the beat of the heart that I control; I have given to the world a Miracle, a child***

**totally Mine, for the world to behold what I want of them.**

**I bless you from the Heavens, not for your degree of Faith, but for your littleness in Faith. I bless you and I say, 'I am The Creator of All Things, and through The Beloved Joseph's Name I come into the world and All Words are Mine, for you see, It is My Miracle for the world, to teach, to instruct, to deliver My Will for the good of man.' Be blessed, walk in truth, find the path I have chosen for you.**

**It will take *this child* four hours to be released totally from the Power I have extended. I warn those close to her to watch her closely. She will, as you know, try to return to Me, not physically. I am The Light of the world, I am The Hope. I do not teach falsely."**

MARCH 11, 1977 AT 7:54 P.M.

SAINT AUGUSTINE

**“I am Saint Augustine.**

**The troubled world, the troubled peoples in the world, the troubled areas are inflicted by man. Man, insecure in his own thinking, his own pleasure, his own need, his own desires, places much importance on immature, minor things. Ask the next man you meet, what he did an hour ago. Was it a profitable thing? Was it an enjoyable situation, and what will remain of it? Most men will have to deny that an hour ago was important to him. And those who say it was important will rarely, never, say that the time was spent accepting The Father’s Will, according to the way He Decrees it to be.**

**I am Saint Augustine. Many men look at Me and they say, ‘If He did it, I can.’ I smile at this and I say, ‘Better you not imitate Me, but use the way of life you have to create your own format to gain Heaven by, for you see, each man will find a different path, and in the end all paths lead to The Father for All Eternity.’**

**The paths in the world are millions by number. Some men take the sea. Some men take the land. Some men take the sand. Some men use the sky, in many ways, many areas. Some men just walk wherever their mood takes them, and in the walking, they will find their path to Here. So many children in the world do not realize that the physical life is a path: a path, sometimes of friction; a path of irritation; a path, almost like sandpaper on their feet, on their hands, on their minds. Another man will take a path and it is soft, luxurious, and appears to be always kind. Another man takes a path and hardship constantly enters in, obstacles seem to grow out of thin air, and this man says, 'Why me?'**

**The Miracle through which I speak, from which I talk, is a Miracle to help men understand that the most profitable way to walk in the world, as man, is to desire The Father's Will, to learn more of Him; and, not to feel they have the Power of Him, but to understand and to know that they have the power of their own will to help them grow.**

***This child* is faced with many tests, tests dealt by men, created by**

men, and oftentimes participated in by men; the results: man's thinking, man's desires, man's way. The ultimate of a test, in reality, is to face one's Faith in The Commandments The Father gave. Face each Commandment tonight, before you lay your head, and ask yourself how many of These you broke, how many of These you stood up for, and how many of These you better understand. The Rules to live by, so few in number, and yet They cover every portion of your life, every path you may end upon to get Here.

*This child* has been put through a maze of thoughts, a maze of needs, a maze of men's ideas, a maze of men's inadequacies, a maze of men's fears, a maze of men's intricacies. In the last days *this child* has been pushed beyond the point of physical endurance.

I want you all to picture yourselves on this night, standing at the edge of the sea, holding back the sea. How much of it could you hold back? How much of the sea could you, in your own way, cause to stop before it ran over the edge? How much of the sea would you absorb within you, and yet not conquer it? My children, there are many things in the world: the

**demons that have been let loose are as the sea, as a pressure against *this child* who walks totally for The Holy Trinity. So tonight, picture yourself at the edge, holding back the sea. How long would you last? So be it.”**

APRIL 17, 1977 AT 4:05 P.M.

## GOD THE FATHER

**“Do not forget, My children, that the demons loosed in the world are not My Will. Do not forget, My little ones, that the wickedness around is not My Way, but the desire for all men to reach purity is My Love and My Hope for the whole world.**

**Men say, ‘The Father would not speak,’ and I, The Father say: ‘Why not? I made each of thee. I made the Design. I created you out of My Love from The Divine.’**

**And I, your Father, bless This Great Miracle of Hope and Light for I am directing It from Heaven Here, and I hand to all you children in the world a Love that I hold dear. I hand you the path to Where I Am, I hand you the Hope to What I Am. I hand you the means, simple of course, but loving, for you see, I am The Father of All Creativity. I am The Love of the world. I am The Hope.**

**I bless you through *this child* in a manner you cannot see. I bless you with a Love from The Holy Trinity. I**

**ble**ss you in a human form through *a human means*, and I bless you and I say, ‘This Miracle of Light is My Will for you to return your Soul to Me.’ So be it.”

JUNE 9, 1977 AT 12:20 A.M.

## GOD THE FATHER

**“My beloved children throughout the world, I speak through *a voice*, human, in the world. I speak through the obedience, human obedience. I am heard through a voice of *a woman*. I come to the world to not just be heard but to deliver a Message Word for Word.**

**Men fear chastisement, men fear pain, men fear rebuttal in every vein. I am truly The Father of all mankind and I speak with a firmness from The Divine. My Words seem so simple for Whom I Am; My Love, so Personal from Whom I Am; My Way, truly not understandable to man, but My Direction to man, for the good of man. I am not complicated, for I Am All Things, and I say to the world: ‘I Am The Heavenly King. My way to you is through a human means for I have found you do not understand the Purpose of life, the Reason for life, and its Ultimate End.’**

**Men are intuitive in some ways; limited, of course, for they cannot**

penetrate My Divine Rays. Men shout, 'I have many things I am proud of,' and I say to the world of men, 'Pride makes men weak, and what you have is Mine from the moment of conception to the end of your time.'

The world is rapidly falling behind the Beauty I had in what you might term 'My Mind'. I had and I have so much to offer but men reject What I Am, men reject what I desire to give, and men accept what they determine is best for them: the sins of the flesh, personal gain, and oh, My children, popularity is their aim. Men fear saying 'No' to other men for they do not want to be passed up, passed by, for they will feel unneeded, unwanted, and they do not want to cry. But through This Great Miracle of Light and of Love, of Hope and Perfection, I say to all of mankind: 'You place the importance on things that are immaterial to the Purpose of life. You place importance on the immediate gain instead of the Goal of your life.'

**A** Tremendous, Magnificent, Glorious, Heavenly Miracle has been given to the world to teach and to preach, to serve and to do, to imitate, and to direct all the things you are

in the world, for your path Here. And I say to you, 'Do not be foolish and pass Them by for They are the Structure, the Force, the Strength, the Permanence, the Beauty and the Light, the Direction and the Hope for all mankind.'

I hold *this child* deep in ecstasy of Love, for her body has been beaten down, pummeled by the inadequacies of human beings who reject, do not reflect Divine Light, Hope. There is no place in the world that so much burden is placed, so much Hope passed on, so much Truth reflected upon, as where *this child* is. Men do not see her in the Form, in the Manner, in the Means and the Hope she walks in. Her physical is, in man's terms, 'beyond the point of mere tiredness', for exhaustion of her whole being, every fiber, every cell succumbs to the tiredness she knows.

*This child* must begin to be seen for how she truly walks upon the earth: *an angel* of mercy, *a child* of grace, *a hope* in the light of disaster, and *a spark* to ignite a burning zeal in men of all kinds, to promote the desire for purity with the Ultimate Goal of Sanctity for all mankind. I, The Father, speak through *a little one*

**who fights courageously, who pleads imploringly and who leads beautifully. So be it.”**

AUGUST 6, 1977 AT 11:00 P.M.

SAINT JOHN VIANNEY

**“My beloved sons, I am Jean Marie Baptiste Vianney. I come in pleasure to discuss the profitable manner for all men to seek out, seek in, seek through, the glorious way to honor and obey The Heavenly Father in your day, your way.**

**Many men must gather in force to stand in a gracious way, depicting honor, courage, justice, hope, Faith, charity and love. You live, not in different times, but in erroneous, turbulent, immoral ways: self-discipline versus self-righteousness; laxity and permissiveness versus motivation, justice.**

**Men must begin to look into the solid definition of purity and sterility. Men have forsaken the avenues of challenge, triggering motivation to realistic paths to accomplish the fulfillment of the physical role.**

**A bone is a bone. Chemically broken down, men can find words for substances. Impurity is impurity. Men can find excuses, causing justifiability**

to why something is impure rather than pure. Men confuse purity with sterility. Let Me, Saint John Vianney, tell you this: 'Purity has life, light, action. It has motivation, wisdom. It contains realistic self-discipline. Purity, in its true meaning, says control, innocence, clarity, clear. Sterility says immobility without life: no action, no challenge, no mobility of light.'

**This Society<sup>1</sup>, bearing My Name, is to radiate throughout the world, hope, purity, sincerity, understanding, charity. It is a Society of action, motivation, projectability, fulfillment, moral standards, moral values. It is a Society of men, established to persevere, united for the good of men's Souls, for men to seek out Sainthood.**

**Be proud of your desire to become a Saint. It is a rich, worthy Goal. You will find Me always interested in and willing to help your Soul. To think of Heaven can be a pastime. To reach for Heaven takes time. To arrive in Heaven is the Will of The Divine. So be it."**

---

AUGUST 16, 1977 AT 12:05 A.M.

SAINT JOHN MARIE VIANNEY

**“Attention. Many men desire notice, agreement, attention. Few men understand the hidden life. Many men shout, ‘It would be a desirable way to live, to be hidden from the world, not responsible for any man, bearing the freedom and the hope: freedom to act as one pleases, the hope to one day be secure in all things.’**

**I, John Marie Vianney, say: ‘Men cannot be free until they have been, themselves, with God, The Holy King. Men cannot have hope until they cast all their thoughts, actions, their whole being, into the mold of pure love, with commitment to The Father for all time and all things.’**

**I speak on a night in your day, at an hour in your time, and in a manner of speech you can understand and define. Challenge is easy to accept, sometimes difficult to do, but challenge is a motivating power for men to act within, to accomplish major things. *This child*, through whom I speak, is as a *generator* of power, for through**

her the accent is always on the Soul of men.

Let us now take fifty men. We must keep in mind that along with these fifty men we must make room for fifty Souls. What is the size of your Soul? What is the dimension It bears? What is the Light within It? How do you care for It? To you, what does your Soul mean? Do you accept It because you were told you had It, or do you accept It because, in reality, It is your hope? A Soul is truly hope.

Through This Great Miracle of Hope, I, Saint John Marie Vianney, say, 'Men must understand the privilege of hope, the value to hope; and that True Gift from God, the Soul, which is hope.' This Great Miracle of Light, of Hope, of Beauty, is one not strange to the world, but a pattern, a path, a role, a means and a manner, for men to learn about, to seek out, and to absorb self-control.

Whenever The Heavenly King, The Father of All Creativity, assigns a task, a way, a means, to a child, there are always many areas to be accomplished, to be fulfilled, to be seen, to draw all men to the point of scene. *This child,*

through whom I speak, is fully aware of responsibility. Also, through many hours of taxing instilling, *this child* can speak momentarily, giving Lessons of Magnanimous Value, View; teach to multitudes of people, simple, simply, profound, in every facet of delivery.

Men speak casually of her way of life. I, John Marie Vianney, say, 'Men could become too relaxed, too casual, too indifferent, too personal, where *this child* is concerned, for you see, *an instrument* bearing such responsibility must be seen for the weight, the burden It has been allowed to hold.'

I hold her deeply, for the physical body is beyond the point of physical strength. The Force of Supernatural Power, Energy, Weight, Work, Delivery, Consumption, is more than any man knows. If man but knew what energy it takes to speak so often and so long and with such Content, man would drop to his knees in response, in respect, in thanksgiving to The Holy King.

Multitudes of people throughout the world must learn of This Great Miracle, and also, the additional Assets It carries, It bears, It provides,

**It instills, It has, for the benefit of man.**

**I am about to close My Words, for the Power I come through, in which I reach you, is a Power of Heavenly Control, Means and Jurisdiction. I want you to resign yourselves to the facts that This is not an ordinary occurrence. It is Supernatural in every Means in; as We pass the Words through *this child*, more happens than you realize. The physical faculties have been prepared to not only accept, but to succumb to the tones of Our Particular Way, not natural to you.**

**I bless you with a Priestly Blessing and I say, ‘*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*’”**

**AUGUST 17, 1977 AT 10:30 P.M.**

**MOSES**

**“My beloved children, I am Moses. So many times I have spoken Pure Truth with strong conviction, in a solid manner. When I walked the earth I learned to be self-disciplined, to control my emotions, and to seek out, through effort, the totalness of life for the fulfillment of all things. When I searched one day, not knowing quite what I was searching for, I came upon a place. You’ve heard about this before, but in the reality of my service, after the initial blow had occurred, I realized the purpose of life for me was to extend to the whole world God’s Word.**

**I come once again in your time to explain fully and to extend the Pure Love from The Divine. The solidness of Fact, Truth, the Purity of God’s Love for you, through the Direction of The Commands He gave through me, is your security for All Eternity. Be blessed, but as you are, know that the privilege of the human way is consistently and constantly for the good of your Soul.**

**M**en speak out. They shout profanity and they deal with insanity, but few men can capture the beauty of purity. Men strive for sterility, thinking that in sterility of mind and body, action, motion, words and deeds, they will find peace of mind, consolation, strength, hope, where, in reality, they find only despair, distress, and yes, desertion. Men, through The Commandments, love for Them, a desire to follow Them, seeing the purpose in Them, find hope, life, Light. They find the Action and the Beauty of God. They find creativity, they find destiny, they find Goal.

**I** speak on a night in your time and I speak with Words you understand, and be assured These Words are from The Divine. *The child's* voice, though it appears and sounds strong, is far weaker than the voice of Mine; but this, in its way, proves to the whole world that I am speaking with the Power of The Father, for all of mankind.

**M**any, many things are yet to be seen, yet to be given, yet to be delivered, yet to be followed, and much progress is yet to be seen by the eyes of other men, for them to better understand the Magnitude of This Great Miracle

for the Souls of men. This time in This Miracle is to give men the opportunity to not only express, but to perform, to deliver and to extend each talent they have so they can further in the world, God's Plan. This time is important, for many things will occur from the activity, from the action, from the motion, stimulated through *this child*, through her eagerness to serve The Father's Will for man.

**Be** aware of This Teaching I have just given to you. It is One Worthwhile, and One in which you must see value, truth and mobility. The world is to know of *this child*. The world is to know of the Greatness that pours forth through her from All of the Heavens. The Heavens are limitless. Man tries to limit Heaven.

Through This Great Miracle of The Beloved One, Who walked Holy in every way, I, Moses, say to the world, 'Beware and be aware of the turbulence all around, of the time in which you live, in which the enemy of The Father strives, strains, and in many ways, tricks men into service to him instead of The Divine King Who stands in love for man and desires only for the Soul to return to Him.'

**You are Blessed with The Commands of His Love and with the Unity of The Holy Family, but you are also Blessed by All The Saints Here in the Heavens Who have walked the path of human way, human love, desiring to perfect their service to Him, seeking out the True Way for All Eternity. So be it.”**

AUGUST 20, 1977 AT 3:26 P.M.

SAINT ALPHONSUS LIGUORI

**“Men fear fractures. Men fear breaks. Men fear disaster. Men cry when they are frightened. Men run when they are frightened. Men lean on other men when they are frightened. How many men in the world today feel the need and the desire to lean solely upon God, The Creator of All Things? Men shout Heavenly Names, Heavenly Words, but how many men in the world truly lean upon, not just in Faith or on Faith, but on the Magnitude of creativity that surrounds them every day of their life? The count is small; the number, smaller.**

**I am Saint Alphonsus Liguori. I speak so often through *this child* that sometimes I smile Here in the Heavens, for Words pour out and she openly says, ‘Is that You, Saint Alphonsus?’ And, of course, Others Here see the humor in this, but it is good that *this child* is alert to the fact of the Importance, and also the System of Heaven, and how quick Heaven is to become a Part of worldly means.**

**I, Saint Alphonsus Liguori, say, ‘The beloved Church, the One The Son instituted, is tottering on a brink of straw: straw that can burn in a second; straw that, in reality, has no stability; straw that has as its foundation, water.’ Think about this. The straw is floating on water, and on this straw the future love, the future dignity, the future stability of the Church that Christ, The Son of God instituted, floats along.**

**I ask you now, ‘How much straw would be needed to support this Church?’ I would say it would have to be evenly distributed. It would have to be protected against the minerals in the water, for you see, it would disintegrate, it will disintegrate, and this beloved Church will sink to the bottom of the sea.**

***This child* has been put forth upon the earth to re-establish, before full disaster occurs, the stability of This Great Means, Manner of subjection to the Will of The Father, for the good of all mankind.**

***This child* stands in the center, as *the core*, of a Great City. I show her the City. The Lights blind her eyes for**

**Each Light has a Purpose, Each Light has a Meaning. Each Light says, ‘Come this way, learn more and be fulfilled with commitment to The Father.’ *The child’s* eyes burn with the Light she sees.**

**I take her now to a path on which many, many children walk; some, not of their own accord. They are helped by others so they may see the Lessons along the path, so they may feel a Reason for living, a Purpose to it, and desire to reach the Goal.**

**Her eyes gaze upon a Child, a Man of thirty-three. He is in the midst of the crowd. He appears weak. His Profile is one she has seen. She recognizes The Son of The Father. He is in the midst of the people, walking with them to give them the strength to continue on, to feel the beauty of each thing.**

***The child* sees Him smile at the weaker ones. She sees Him extend His Hand to help a woman out of a wheelchair. He brushes against a table-like bed being rolled by a dedicated human being. He stops, as though reading what is on the plaque, and as He does this He remarks to**

the man next to Him: 'Isn't that beautiful? That helps Me.' And the one with whom He speaks agrees it is a good Lesson to follow. The man looks into His Eyes and does not truly know Whom he sees, but this man's heart is full of joy suddenly. He thinks it is merely the Words that have triggered this within him.

*The child's eyes follow this Light.* And now He sits on the bench, awaiting the weary travelers. A child brushes by, trips over His Foot. He picks the child up, puts the child on His Knee. The child asks Him His Name. He does not answer the child but asks the child his name. And the child says, 'My full name is Christopher Aloysius.' And He says, 'That is a beautiful name.' And the child says: 'Yes. I was named after Two Great Saints. Now, what is Your Name?' And He looks into the child's face and He says, 'Most people call Me "Father".' And the child says, 'But I have a father and I call him "Daddy".' And the Man says, 'Well, just call Me "Father".'

You have touched on one incident that will be. Oh, My children, can you not see necessity and purpose, need, for all men to come to this City? for

**in This Great City men will strive to find peace, men will learn to love their Souls, and men will want to learn more of why they were born and for what reason.**

***The child's eyes burn with the Light of the City. The child's eyes will be in pain for approximately six hours of your time, for you see, a Vision such as This, brought in with the Light It was, is different than the light of your world, and the human body has to reject some, absorb little and adjust to both. So be it.***

AUGUST 20, 1977 AT 11:25 P.M.

## GOD THE FATHER

**“Sometimes I come forward to the earth to extend a Love not known and different, a Love to give strength for you to serve in a particular area, for you to be able to stand up to the trials and the errors, the adversities, turbulence and problems.**

**I say to men, ‘You gain Grace.’ Man says, ‘What is Grace?’ I say, ‘Grace is a Blessing, it is a Gift, it is a Strength, and in It you will feel a better love, a deeper hope, and you will feel strength to stand against all odds alone.’**

**I hand a very light Oil through *a small child’s* hands. It is the Oil of Sanctity, the Oil of Hope. It is the Oil of Love, and yes, it is the Oil of Faith. This Oil you have been handed is to give you the strength and the courage it will take to fight the odds you will face, to express to the world My Will, My Way. *The child’s* hands, small in structure, are My Instruments in many ways.**

***This child* faces a bombardment of great enemies, and in this stand she must take, is faced with areas unpredictable and yet important in every way.**

**As you stand in the world, accepting The Sign of The Cross and the Sign of a garment depicting a favored place, vocation<sup>1</sup>, I say to you now, ‘Be aware and be understanding that all things will come from your action, from your motives, from the manner in which you face each issue, for you will be extended Grace, and in this Grace you will have the honor to serve greater, deeper for The Holy Trinity.’**

**I speak slowly through *this child* for the physical is beyond repair, and I say to you on this night, ‘Only I can hold *this child* in place when the physical is spent.’**

**Tonight you were handed Grace, you were handed the Oils of Sanctity. Never feel it is wrong. Always know**

---

<sup>1</sup> Reference is to The Society Of Saint John Vianney logo which depicts the Cross and the Surplice.

that favors such as this are given to help you and to make you strong.

**Be aware of the Light of the Heavens. Be aware of the necessity of all your work for the good of your Soul. Men have omitted the attention on the Soul, and I say to you tonight: 'The Soul is a Great Love of Mine for the whole of mankind. The Soul is the Beauty of Light that must return to Me, not tonight, but one night some time from now.'**

**Be in peace, be tranquil, and yet persevere. Let other men understand that purity is a necessity and that necessity bears responsibility, and that responsibility gives you strength to go on and on and on. Please, My children, on this night, know, that as you stand in the world I come to the world to bless you. So many things are yet to be done, so many places to be accomplished for My Will among men: much building in the world, much progress, but above all, much Purpose for the good of Souls.**

**You are Blessed in many ways for your Faith, in your Faith. You are Blessed also, that the courage to stand strong will be yours, and Everlasting**

**Grace. Be blessed, and in this Blessing, I say, 'The Sign you look to, the Cross and the garment, are special in every way.' So be it."**

**AUGUST 26, 1977 AT 9:10 P.M.**

**OUR LORD**

**“My beloved children, I am The Son of The Father. I am the Extension of His Love. I am The Hope of the world. I am The One Who, through the Justice of The Father, came to the world, and through His Direction, brought to fulfillment the Consummation of the Way that men must follow for the Goal of the Soul intended by The Creator. The Consummation, the Closing, the Act was completed. And I say to you in the world now, ‘I understand every moment of suffering, every fear man could have, every hope man can desire, for I walked the world as man.’**

**I come once again in the Spirit of Giving, the Spirit of Strength, in the Spirit of Hope, to help men understand the Spirit of Serving to give the whole world Strength, Direction and Learning. It seems, in your time, such a long time since I was present, but in reality, time speeds when things are progressing.**

**The City you are involved in is more than a city you know, for All of**

**the Heavens will walk the roads, will walk the paths to help mankind better understand the Dictates of The Divine; the purpose of progress, to reach men's Souls so men will not be lost.**

**Oh, My children, I am known as The Son of The Father. I am known as The Sacrifice of life, for life. I am The Heartbeat of Heaven and I am The One Who came to the earth, born through a Light. I was born in a Light that appeared very natural, but in reality, I say, 'It was Supernatural.' Men shout in the world, in the time in which you live, 'Super', when they refer to something that is beyond normal comprehension, and when this occurs, We Here say, 'They misuse that Word for they put it in an action of human reality, not in Its given way.'**

**Through *this child* All of the Heavens speak to give strength, motivation, and yes, learning direct, never meek. Through all of time men have suggested and guessed how Heaven would speak. There have been many children given to direction, told what to do to help others reach perfection, but never, since My Time upon the earth, has there been such a Miracle of Light as This One that bears**

the Name of a Saint Who is prone to protection, for you see, He walked with Me upon the earth, He talked with Me upon the earth. I was in Honor of Him before He came to the earth for He was The Justice, He was The Protection, He was The Light, yes, of Conception. He was the Mobility to reach out to the world to show what men were to act like, men were to perform in that particular role.

I smile through *this child* as I say These Words. The whole world must look to this City of God, and know, that in this City of Birth many men will return to seek the Beauty of their Soul for what It is worth.

*The child* looks at Me and says in My Way, ‘How much longer will it take for men to understand how much Love there is coming their way?’

And I say to you now, with Love you cannot hear, cannot know, cannot comprehend: ‘The voice of a man sometimes says only what he has learned, but the Voice of the Heavens shouts clear and strong, “Obedience, My children, to the early Commands, and be sure that you listen to the Direction to man. Perfection must

be reached; purity, the way; humility, the source; time has its day.” Do not forget that to serve is more than men know, for in service to God every facet of life will show.

**B**e it known to the whole world that through *a mere child* life has been given Hope; Protection, a prime role; Perseverance, in all things, all actions, all ways; for the Souls of men must return to the Heavens one day.

**I** hold *the child* deeply and I say to all men, ‘*A sacrifice* again for the Protection of men.’ Let it be shouted from the housetops, from tall buildings, from the sea, from the desert, from the mountains. Men must get to know that *a child* walks for God in a human role, but through her We speak with Direction and Light for the good of mankind, every day, every night. So be it.”

SEPTEMBER 24, 1977 AT 2:12 P.M.

### SAINT BONAVENTURE

**“My beloved children, I am Saint Bonaventure. I will speak strongly through *this child* for I demonstrate the Power of the Heavens, and through the weakness you know her voice to be, the Power of Me is extended openly. Many men do not see the Magnitude, the Magnificence, the Power of God, the Beauty of The Holy Trinity, through This Great Miracle of Hope for the whole world. Children must understand that *a child* is in the midst who stands for the good of man, under the Direction of The Holy Trinity.**

***This child* is put at rest now in a human form to give her the strength to go on. Few men understand such a need as this. *This child* is not distressed but concerned over the many things that are taking place and will take place because of the littleness of man, the weaknesses of man and the hypocrisy of man. Men are selfish where *this child* is concerned and their indignancies are full of self-love, self-purpose, never selflessness as man.**

**P**urity is to be taught through *this child* in many areas. Men will seek her out, if they are wise men, to find the paths, the roads to purity. *This child is an instrument* of The Father, *the funnel* through which He sends Many Words of Direction, Concern and Reasonings. *This child is a channel* of Truth, a Purpose of life and for life, and a Reason for living, for all mankind.

**S**o many men take casually What is said through her. So many men listen, hear, but do nothing about the purpose of the Words that come through her from Here. *This child*, though *an instrument*, has soundness unknown to man, and men do not understand that to bear this soundness takes great strength, courage, and commitment to The Father Who is Here.

**T**he whole world has been told of *this child's* existence, the Reason for This Great Miracle and the Purpose It was intended, but men ignore It because It will cause them to change their thinking, and the pettiness they feel will have to change.

**I**, Saint Bonaventure, say to the world through *this child*, and I shout

**it through a very weak voice: ‘You had better listen. The time when suffering will have to be is near.’ Men are ignoring the Power of God, they are ignoring the Reason He has come to the world and they are abusing a Miracle of Him. The world says, ‘Send me a Miracle.’ The Father sends a Miracle and the men in the world abuse It by ignoring It, first; by not doing what It says, secondly; and third, by saying It cannot be, it is not yet time for Him.**

**Oh, My beloved children, I shout from the Heavens Where I am and I say: ‘There are so many men falsifying issues and destroying God’s Love. They are blaspheming Him and they are causing diabolical pressures to enter in. They are not using good sense; they are using the sense of self-love. They are forgetting purity. They are forgetting the dignity of manhood that was put upon the earth to return the Soul to God.’**

**God is Real, The Son is Real, The Beloved Heavenly Mother, Real; and The Beloved Joseph, Who is truly The Holy Ghost, The Holy Spirit of the Heavens, the Light and the Wisdom, the Hope and the Love, and the Desire**

**of The Father for all men to come  
Above. So be it.”**

SEPTEMBER 29, 1977 AT 6:21 P.M.

## OUR HEAVENLY MOTHER

**“My beloved children, I am your Heavenly Mother. A *child*, used upon the earth, clings to My Garment and shouts, ‘Help me to know, help me to understand why I have failed God in His Plan.’ And I say to you from Heaven Where I am, ‘Failure is not *the child’s*, but man’s.’ It is now as it was a long time ago when We walked the land. Fierce men, indifference, paganistic views, irreverent ideas, blasphemous accusations, corrupt avenues for power, were also then.**

*The child* is more easily victimized than men know, for there is always the balance she must consider, always the problems that could occur, and what men do not see is that every word must be weighed, every action accounted for.

Men are deceitful in their attitude toward *this child*. She knows this. She has been prepared well, not to accept, not to understand, but the Power of Discernment is always at hand: to discern what is right, what

is good, what is best, what is the most important act at that moment. Criticism comes easy through men, against *a child* who stands subservient to The Father, listening for His Direction, and yet totally in command.

I wonder if you will take a trip with Me to a battlefield. On one side are those who believe in The Holy Trinity. On the other side are those who believe in the easy way of things, the enemy of The Father. Combat is ready to begin, each side ready to stand up to the obstacles, the force. Which side do you think will win? Men would take bets. They would be foolish enough to do this. Man would stand back and decide that there were reasons behind each side; maybe some were good for both. How can men say this? When The Father approaches evil, there is no good in the evil. And so the evil must be won and must be destroyed.

The attack has begun. *The child* is the leader on the side of God and *the child* is forging ahead. What those surrounding her do not see are the Words spoken to her, directing her in where to attack, what to attack, how

to attack, the means, the manner in which it must be. And now I ask you to see each man on each side, facing each other. This is no time, when you are ready to strike out evil, to be kind, gentle, concerned. I, your Heavenly Mother, say, 'Strike, for the evil will envelop you and you will be lost through sin.'

Oh, My beloved children, there is a greater battle in the world than you know and The Father has given you *a warrior* to lead, *a woman* in the world and yet not of the world; *a woman* who stands ready to accept the balance of things, unconcerned with how men feel, unconcerned with opinion, and always ready to fight for what is right and the justice of things.

I, your Heavenly Mother, The One you truly love and I know this, I have come to express that you have the privilege of a Miracle in the world: The Miracle of Light, The Miracle of Birth, The Miracle of Truths, The Miracle of Justice, and through This Miracle justice must be seen, Faith must be renewed, hope must be given, charity must show. And the type of love that you must respond to and help others

to respond in, is love for The Father Above, most.

**O**h, My beloved children, *this child* truly stands for The Holy Ghost, and yet you will find in her way, concern. The weight of This Great Miracle, the responsibility of It is always first. And when *this child* recognizes arrogance, ignorance, disgrace, ego, pride, she always uses the scale of balance, the lever of truth, and there is not one present here who can say otherwise.

**I** bless you from the Heavens in The Father's Name, which is closely connected to Mine. And I bless you in the Name of The Son that gave you the Temple. And I bless you in the Name of The One that stands in the world now, that stood a long time ago as the Foundation of Christianity for all time. So be it."

OCTOBER 1, 1977 AT 3:30 P.M.

## OUR HEAVENLY MOTHER

**“My beloved children, I am your Heavenly Mother, The Distributor of Grace, The Fulfillment of Life, The Power of Divine Love, The Beauty of Heavenly Space, Grace, Way, Light.**

**Through *this child* I have spoken many times. I hold her deeply now and I say to you, ‘The path she has been chosen for has not been, is not now, will not be a path with no obstacles, even though it is at the Direction of The Holy Trinity.’ At no time in the world has *a child* ever walked in this Form, this Manner, this Way and this Means, this Direction, this Submission, for the whole of man, since the time We walked the world.**

**Always, when *this child* is abused, it is not aggravation We feel but a great disturbance, because the abuse is directed from the evil one and men fall into his trap easily, forgetting how *this child* stands, momentarily able to deliver, able to extend, with the ability to expound, through the**

**Words delivered by All of the Heavens through her.**

**I hold her deeply and I show you a Vision through the Eyes of her Soul, prepared to accept such a Vision.”**

### **VISION OF OUR LADY**

**O**ur Lady is standing all in gold. The gold seems to have a pearlized gold in it and the veil doesn't seem to be as the dress is. Her Face is small, Her Hands, tiny; but it's like wax. It is translucent.

**T**here is wheat under Her but there is color mixed with the wheat. There are paths in the wheat, like paths leading to Her from all over the world. There's a world underneath Her, under the wheat. And the world is revolving, the wheat is blowing slightly, waving, like that. (Hand gesture.) And the paths come from all over the world to Her Feet. The gold is a beautiful gold, almost pearlized. Her Hands are like, controlling the world and the wave of the wheat.

**“My beloved children, as *the child* sees the rotation of the earth, the weave of the wheat, the wave of**

the wheat, the vineyard growing at My Feet, My dress blowing in the Wind that is causing all things to take form, to take life, she is aware that the action of this is coming through The One for Whom she stands upon the earth: the Spirit of Justice, Light, Hope and Love, The Beloved Joseph.

The color of My Garment was picked by Me to give beauty, elegance and light, so it would shimmer throughout the world, shining brightly, to light the paths beneath My Feet, for all men to follow the Light to purity. What *the child*, in reality, sees in the gold of My Garment, is the Glory of the Heavens, the Glorification of Me; and the pearlized substance is the glistening of the sea.

Oh, My children, cling to what you know is right. Stand up for what you know is truth and reach for purity. All of the Heavens have come forth to give you a helping hand, to help you have the strength against all adversities. Know that the privilege you stand in is for a Special Time in the world, and you are the recipients of this Grace, through Me. Be blessed, and know you are Loved. Be in gratitude, be grateful, and respond to this with

**being, in being example to help other men better understand the Exactness, the Generosity, the Privilege granted by The Holy Trinity. So be it.”**

OCTOBER 1, 1977 AT 4:48 P.M.

## SAINT ATHANASIUS

**“My beloved children, I am Saint Athanasius. When I first made an appearance into This Great Miracle, men should have realized that I would come in a Miracle of Light and Hope, because of the heresy that I spoke about and that I referred to back in the day in which I walked the earth.**

**I came this time through a Miracle of Light, a Miracle of Justice, a Miracle of Hope, a Miracle of Teaching, a Miracle of Wisdom, and in This, all These Things, I told children of all kinds to be aware of the heresy that surrounded them in every way, everywhere.**

**There are so many issues men did not look into, men of learned ways. Men took the surface, gathered it together. There were a few, of course, who looked beneath the surface and wondered if *this child* would one day come out with the Secret, the Light, the Wisdom that was needed.**

**I, Saint Athanasius, have spoken many times in *The Miracle Of The***

***Beloved Joseph*, Who in reality, was the True, is the True Light of the world — the Wisdom, the Hope, but yes, the Spirit that is transferred in many ways, many areas, for many reasons, to draw all Souls Here for All Eternity.**

**This Great Miracle has taken on a new perspective. Men must see it. Of course, it was the beginning Desire of The Father to bring This Great Miracle to this point, and of course, to continue teaching, to continue giving, for This Great City to be built for men to better understand the Magnitude of The Divine and the Beauty in which It is, for which It is, through which all things are created.**

**Men shout, ‘I want to be created equal.’ We Here in the Heavens say, ‘Equality, in man’s eyes, means to have the same measures of monetary means, to have the same experience and to have the same advantages in the world.’ But, to truly be created equal means to be given the privilege to have the Faith to understand God in a like manner, to have the desire to submit totally to His Will, and to use the human will to render unto Him what is His.**

**Children forget the reality of how they speak and the beauty in the words, for they look only to what they feel is the surface meaning that, to them, is real.**

**So I, Saint Athanasius, say, 'You truly live in a time of heresy.' Men have been created equal, you see, for all men have been given the physical, the mental and a Soul. All men have been given the One True Church, the One Great Place, the Temple: the Temple of Christianity, the Temple to gather and partake in the Body and Blood of God Himself, for He has given It to the world in a way and in a manner that men could handle in their own little way.**

**So, today it should be announced through the world; but, of course, men are too busy to gather this way. *The child* should be teaching on top of the mountains. *The child* should be teaching from the center of the sea. *The child* should be teaching in every land, for the men would listen, the men should understand, and the men could comprehend if they would but take the first step toward *this child* who stands totally in the Light of The Holy Trinity, to allow all men to see**

**Him, to know Him and to love Him for  
What He was, What He is, and What He  
will be for them. So be it.”**

OCTOBER 1, 1977 AT 11:48 P.M. (EXCERPT)

### SAINT CATHERINE OF SIENA

**“My beloved children, I am Catherine of Siena. I speak loudly through *this child* and I extend to you The Father’s Love through the Greatest Miracle in the world since The Holy Family came from Above to the earth, to extend to all men the Example of how the physical should begin, should exist and should end.**

**The ability to make sacrifice, to give sacrifice, to be a sacrifice, is one alone. Sacrifice has, in many ways, many areas for men to look to, in, for sacrifice can be an act of charity at a time when the man, the woman, the child, do not feel they want to succumb to it. Sacrifice can be doing without a special thing. Sacrifice can be extending love at a moment, interest, understanding, a hope and desire. Sacrifice is a beautiful way to live.**

**Now let us talk about charity. Charity comes in many forms. Charity is as much diversified as the drugs in your pharmacy. Charity has many**

avenues to it, many, many prescriptions in it, and many, many degrees for its use. Charities can sometimes be a device used to give men and women the chance to help in a situation, a place where good and only good will come.

Men have forgotten charity. They have not been handed this word enough. Men speak of charity in a very, very mild way, but true charity in God's Way is to sacrifice monetarily, physically, mentally, in some area, for good to come about in a special way.

Let us now talk about purity. Purity has been cast aside and replaced with promiscuity, immorality and selfishness. Selflessness has no place. You truly live in a time worse than Sodom and Gomorrah. Whether you believe this or not, it is true. Whether you feel that you are entangled in it, involved in it or not, you are; for in the media of your day, in the people you associate with, all have a tinge of this weakness, this vulnerability to what is surrounding the world, the people in your time.

The Sacrifice of the Holy Mass in the Temple of God's Way, in the

direction where Christianity was to be, this Sacrifice will be forever. Men have diminished It in every way. In the sharing of this Sacrifice of Love, in this manner of prayer, devotion, Faith is becoming almost irrational in view, humanistic in value, and diminished to almost a nothingness in many ways. I shout through *this child* for it is the only way her voice could extend What I say.

Let us talk now about the acceptance men have of the systems in your day; first of all, false loyalty to a system the men have set up, set aside as the rules for your Faith to be governed by. Be aware that many of these men are leading you on a path, in a way that is not correct. It has loopholes in it. It has portions of it that are ragged in many ways, and falseness can enter easily into the instability that this is now in your day.

Men are treating the vocations of life in a light way. Most men are seeking power so they can have authority without the responsibility. I know you have heard this before because it has been spoken in many ways, casually, through *this child* I

**now use in the Funnel of Divine Hope and Love, for the whole world.**

**Men must begin to learn they have a responsibility to the moral values The Father set down by The Commands He gave through a man one day: moral standards, sound moral views, and the ability to carry out all these things in a Faith, with a trust and the determination that will govern the Soul, to come Here to the Heavens Where I am, one day.”**

OCTOBER 2, 1977 AT 3:26 P.M. (EXCERPT)

SAINT ALPHONSUS LIGUORI

**“My beloved children, I speak to the whole world through *this child*. I am Saint Alphonsus Liguori.**

**Many men, at this moment, are concerned with the validity, and yes, the credibility that *this child* stands in, for, with and how. I do not stand in a courtroom today. I stand in the world to say that *this child* is valid in every Action, Motion, Word she does say, for it is We Here in the Heavens, We Who have walked the physical path, Who have gained entrance into the Heavenly Way, that talk through *this child* to give Direction to the whole world and give Hope to every man who walks upon the earth today.**

***This child* was chosen a long time ago, even before her birth, to come to the world and to not only display, but to be example in every way. Many men, in their effort to be in knowledge, said, ‘*This child* is normal in every way.’ And I, Saint Alphonsus Liguori, say to the whole world, ‘Perhaps normalcy is only man’s opinion, but Heaven,**

through the heart of *this child*, in the heart of her, through the beat of her way, through the beat of her blood in the way to give life to the whole world, extends Hope, Salvation through the Words spoke.'

The beloved Moses came to the world and he said, 'This is The Way.' Of course, men place great emphasis on how he walked in the world: the tragedies, the importance, the directness, the hope, and yes, the availability he was when, through a burning bush, God was to have spoke. Many men say: 'It has to be. It came down through Bible History.' And We Here in the Heavens say, 'The Father, The Holy King, The Heavenly One, The One Blessed with All Creativity, extends to the world, through human beings, necessary example to give them strength, for no man upon the earth could ever stand the Sight; It is too Beautiful, too Magnificent, too Powerful, too Mighty, too Tremendous, too Much.'

You know *this child* stands in the world, and We have spoken many times and We have said, 'The time you live is worse than Sodom and Gomorrah,' but men pass this term by very lightly.

**I, Saint Alphonsus Liguori, say, 'Men had better stop and think what Sodom and Gomorrah truly stood for: promiscuity, immorality, blasphemous action toward Divinity.' And through time, many, many heresies have arisen. Some were beaten down by the truth.**

**Today, you live in a time of great heresy, heresy that tries desperately to give the power to man: Lucifer's way, satan's way, the way of a cast-out angel from Heaven; and yes, it is true that only he is aware that he has no chance to return to Where he was, and he tries to diminish everything *this child* is, so that men will not see the Magnitude in which she stands nor the Fortitude in which she stands, the Strength it takes to stand against all odds. The evil one stands, not protective of God's Way, but imitative of His Way, hoping that men will fall into the trap of him slowly, surely, diminishing The Father's Way.**

**I, Saint Alphonsus Liguori, shout to the world, and I truly would like it to be heard through the voice of *this child*, that all men must begin to see the value of Truth, the importance and the obedience that is necessary to follow The Commandments that,**

through Moses, were given in a definite way.

**T**he examination of conscience is one of the enemy's greatest hurts, for when men examine their conscience they remember that they have a Soul. And the examining of the conscience, of the way, of the action, of the means, of their talk, of their senses, says to them, 'Caution'. Satan says: 'Do not use caution. Use what you feel like doing, be what you feel like you must be, and do all the things you want to do, in spite of what could occur from these things.'

**I**, Saint Alphonsus Liguori, shout and say, 'Men must begin to learn, must begin to see the value of the conscience and the value of the limitations necessary, and the need for self-discipline and the importance that selflessness would bring to a man's life, rather than putting the emphasis on egoism, prideful things.'

**B**e aware that the whole world must see This Great Miracle for What It is, for now it has been announced: 'The Mystery, the Mystery of Light, the Mystery of Hope that The Beloved Joseph stood in as Man, for He was

**The Justice of the Power, The Power of The Justice. He was The Judgment, The Wisdom. He was The Strength, He was The Spirit of Truth. He was The One that caused the Wind to blow, the Light to be seen, the Purity to be known. He Is The Third Person of The Holy Trinity.'**

*The child* searches out the Vision she sees behind My Words. She will describe it to you thusly:

**'There is a group of men. They are the Apostles; and Our Lady stands with them, dressed in all different blues like the sea. And the wind is blowing, yet nothing is moving. And Our Lady is greeting The Third Person of The Holy Trinity. And there's Rays coming down in the room. It's like a light, and the men are at first frightened. And Our Lady says openly: "Be calm. How can you be fearful of the Man Who walked with Me? He is a Favored Way of The Father. He is of The Holy Trinity: the Calmness, the Serenity, the Tranquillity and the Peace, the Justice, the Mercy, the Light and the Hope for all creativity. He is Example of what men should be. He is The Power that holds the universe**

**in place. He is The Spoken Word for Grace.”**

**I, Saint Alphonsus Liguori say, ‘As the Vision diminishes, *the child* through whom This Great Miracle has taken place, will be strengthened in ways you cannot see, but in an order of things necessary to fulfill The Father’s Will.’ So be it.”**

OCTOBER 22, 1977 AT 1:25 P.M.

## OUR LORD

**“The accent throughout the world is on man’s interpretation, man’s ego, man’s sensitivity, man’s conception of things. There is a high intensity of frustration, immorality and immaturity in man’s actions, thoughts, words and deeds.**

**I stand in the Heavens. I am The Son of The Father, I am The Second Person you refer to in The Holy Trinity. I am The One Who walked the earth visibly, physically, with human means, manner and ways. I send forth now to the world *a child* who speaks My Words, does not interpret the Meanings, but is solely, totally obedient to the Commands of Here.**

**Men are growing farther, further, and at a greater distance away from Divine Will, Divine Way, Divine Purpose, Divine Meaning. *This child* is sensitive to Our Words and when We touch her to speak, the Command is given and obedience must take place. The obedience is to transfer, transmit Our Words from Here to you, no**

**matter what the occasion, no matter what the situation, no matter what the distraction, no matter what the condition is at the time.**

**Since This Great Miracle was given to the world to guide men, not just to interest men, to direct men, not just as a form of entertainment, men have acted blind to This Great Gift, Blessing. Men have tried to walk away. Men have tried to forget.**

**I stand in the Heavens and I say: ‘To forget This Great Miracle given to save mankind from the deliberate disaster all around is an impossibility. It would be like forgetting to breathe. It would be like forgetting to eat. It would be like forgetting to speak. It would be like forgetting to respond to anything in the world. It would be like human death.’**

**When men speak of the dark nights in the world, men forget the dark nights of Faith, the dark nights of burden, the dark nights of hopelessness. Men like to interpret parables. Men like to sound off so that others can hear the sound, respond to the sound and act, but I say, ‘No greater direction can come to the world than**

the Direction through *this child* for the whole world.'

**E**ach day men act disastrously, men create disaster and destroy each other mentally, physically, emotionally, spiritually. Men react to natures of other human beings. Men react to personalities of other human beings. Men react to situations caused by other human beings. Men find human logic in knowledge. Men find escape in knowledge. Men find hope in human communication.

**L**et Me say this: 'Hope is in the reality of wisdom, logic, truth. There is no hope in emotion, anger, immorality.' Men are confused only because they do not trust in the Wisdom of the Heavens. Faith in The Divine is hope, but let Me add this: 'Faith in the True Form of The Divine is hope, not man's interpretation in a self-righteous manner, mood, means or delivery.'

**E**very man born to the world should hear *this child* speak Our Words. The impossibility of this is understood by Me, but the probability is also understood by Me. Men find excuse plausible, feasible, and escape.

**In the Heavens, excuse is sadness when it is cover-up for a lack of love for The Divine. Men at this moment are shouting prayerfully: ‘Send us help. Send us a way. Send us a purpose. Send us a means to grow closer to You. Send Miracles, God, we need them so.’ These same men refuse to accept My Terms, how I would produce, conduct, introduce, submit a Miracle. They have decided it to be more to their liking, more to themselves, more where they would not have to reach out. They prefer it to be Samson’s strength, the beauty acceptable by man and the popularity that acclaim commands.**

**Many times *this child* stands on the tightrope, asking Us Here, ‘Is it not time for men to get a little shaking, God, so they will understand that it is You Who make the Commands, the Demands, it is You Who stands in Total Direction of This Great Miracle?’ I, too, said these same words when I walked the earth. Man is a tiring effort, a demanding companion and an endless need for obedience.**

**If each man in the world chose a solution to life, you would find not solution but pollution, for man is not capable of understanding purity. Man**

must reach for purity. *This child* could walk day and night, teaching to throngs of people Our Words, for do not forget, We are never-tiring, We are never in need.

**I** bless you from the Heavens and I say, 'Never be indifferent to Divine Way, and teach others to respect, respond to what you know is for the good of each man born through the Will of The Father.' So be it."

OCTOBER 23, 1977 AT 6:55 P.M.

## SAINT BONAVENTURE

**“My beloved children, I am Saint Bonaventure. I have spoken many times through *this child* who, in strict obedience, must speak when We desire to be heard.**

**Evidences of This Great Miracle are in great number and men are refusing to look into Them, for men want only to act, think, do, see, feel, learn, know, follow, what their instincts tell them.**

**Oftentimes, when speaking through *this child*, circumstances arise, indifferences are felt, and others' needs are seen. The pressure put upon *this child* is one alone.**

**Men must begin to see the advantages of This Great Miracle, the Value It is to the whole world, and the Purpose for which It was given: for men to learn from, see in, be directed by, and instilled with Knowledge, Wisdom, Faith, Hope, Truth, Logic and Example.**

**A sufficient amount of Words have already been spoken through *this child*, with Direction, in Direction, through Direction, for Direction, regarding the Purpose of life, the way to live in the physical life, and how to attain the Goal of life.**

**Subject Matter has never been difficult to understand or beyond man's comprehension to follow. The Subject Matter has always been the logic, the sensible, the truth, the easy, the understandable, to act within, for, on.**

**The Heavenly Ones, Here, have oftentimes spoken Words so clear that no man could say he did not understand, did not feel and could not see the simplicity of Direction that most certainly had to be coming from One or Several, directed by The Holy Trinity.**

**Man says, 'The Father of All Creation would not speak through a mere human being.' Some men say: 'Why her? Why not me?' Other men say: 'It cannot be. No man could be chosen for such a task.'**

**Let Me take you back to many, many other times in Human History.**

**Men were born to the earth; their life, not always a troubled life, but a life of submission to Holy Will, commission to Holy Will, and through the physical life, exactness was shown through example of teaching, working, vocation and prayer.**

**It is inevitable that men will soon have to be stopped neglecting the Purpose for which each man was born, and much accentuation put on the Value of life, physical, mental, Spiritual; the Greatness of Faith, physical, mental, Spiritual; and the rejection of indecencies, immorality, impurities, recommended by the enemy of God, the enemy of man, the enemy of soundness.**

**Purity is not like a rock. Purity is like a gem: glowing, shining, clear, useful, important, worthwhile, wanted, needed, and many other things. If each man in the world were to pick a jewel to reflect his or her own Soul, each man would pick the one he felt, or she felt, was the most important, the most beautiful, the most expensive, the most in demand, the most colorful, the most radiant, the most spectacular.**

**T**onight, and every night of your life, ask yourself when you are about to retire, what gem does your Soul reflect today? Is It clear? Is It glowing? Is It spectacular? Or, did you mar It, scratch It, dim It, fracture It, lose It, sell It?

**I** leave you with These Thoughts, and I say, 'As you carry a Gem with you every day, would it not be wise to insure the Value as It is expected to be, not what you have allowed It to be?' So be it."

OCTOBER 26, 1977

**SAINT ALPHONSUS LIGUORI**

**“God is All Things and God is everywhere, and God is not a human being. God is the Light for all human beings. God is the Love, the Creativity, the Hope. God is the Birth of all things. God is the Justice, the Honor, the Dignity, the Vocation, and yes, the Unity. God, as a Mystery, is All Things; but God, as a Father, is The Divine King. As God is the Light, God is the Sound. As God is the Sand, He’s the World all around. As God gives us Hope through a Miracle of Light, God gives us the strength to follow and fight. God is not a dream, but Reality. God is The King, The Queen. God is The Son. God is The Holy Ghost. God is Purity.**

**The Kingdom of Heaven has Gates; the Gates, not as gates are known to be, but the key to these Gates is the key of purity. So, as We gather on this night, you children and I, I say to the world, ‘The Kingdom of Heaven is God’s Love, His Reward, His Place for you to come to, to live for All Eternity.’**

**I am a Saint in the Heavens and I have spoken much. I walked the earth, and as I did, I fought much heresy. Men must understand that heresy is all around. There is no purity in it. And men must believe that the enemy gives a facade to everything he is so you will fall into the trap of heresy.**

**I am Saint Alphonsus Liguori, and I have spoken True Words on this night. The Blessings of Heaven pass through *this child* on each of you. The hope in your hearts, the fears of your mind, the acceptance of Love from The Divine is Blessed, for We know you are but children in Faith, with Faith as your guide.**

**I hold *the child* deeply. I stand by her side. All the Words that you heard through the voice of her were guided by Me and The Father tonight. No child has been asked to stand so alone in two thousand years of man, until This Time. I hold her tightly and I say to you now, ‘Have Faith and use your will to help it to grow.’ So be it.”**

OCTOBER 28, 1977 (EXCERPT)

SAINT JOHN VIANNEY

**“True Mysticism is not the art of doing things, but it is a commitment, an acceptance of obedience to Divine Direction. True Mysticism is not imaginative at all. It is more real than you. True Mysticism is never for the person through whom It comes. It is always for the good of Souls, always for the good of mankind, not the child through whom It comes.**

**A frivolous attitude with a True Mystic is almost as if nothing happens. There is no frivolity in mysticism, in True Mysticism. There is humor, only for the sake of the world, and God stands there and He puts you back and forth. That is why it is easy to face people when they have been wrong. First of all, True Mysticism is not an art. It is totally a Blessing for all mankind.**

**True Mysticism is a hurt for God, because men, not understanding It, abuse It. True Mysticism is standing very alone, even when you are married and have children. True Mysticism is**

**an aloneness in the Direction that God intends for the world to know. It is not a catechism of answers, questions.**

**True Mysticism has reasoning behind It, purpose, goal. It is sensitive to man's actions, reactions. It is a Purpose in life, with a Purpose for all lives. It is to give men strength in need.**

**True Mysticism has no human talent in It at all. God uses the human means. He uses the Gifts to express Him, His Will. He makes you do things that you are too shy to do sometime; to stand before you here.**

**What if you were a woman and had to stand all the time and say: 'I am God The Father,' 'I am your Heavenly Mother,' 'I am The Son of The Father,' 'I am The Light of the world, I am The Hope for mankind, I am The Reality of living,' 'I am Saint Alphonsus Liguori,' 'I am Saint Mary Magdalene,' 'I am Saint Peter,' 'I am Saint Dominic,' 'I am Saint Andrew,' 'I am Saint Mark,' 'I am Saint Martha'?**

**Ask yourselves on this night, how would you feel if God made you say you were One Here in the Heavens? Would you feel the Truth of it, the Magnitude**

of it? Would you feel the Reality of it, if you stood in lies? Would you feel the responsibility of it? Would you feel the authority? Would you recognize that each one in the room had a hurt, a fear, a need, and that only help, through you, could come from The Father; not wholesale healing, curing, advertising? Sometimes the greatest hurts come when men do not recognize that Great Gift from God, *a child* committed totally to obedience.

Laughter is for the good when tension is there. My beloved children, I am Saint John Vianney. And many times there is great sadness Here in the Heavens when *this child* must face the reality of being with you or anyone in the world. It is true This Great Miracle was not handed for the good of *this child*, but for the Purpose of Souls, to teach men purity.

Men must begin to understand the justice they must follow, the sincerity they must stand in, the dignity of self-control, self-discipline, and men must look for integrity. Men must not yield to temptation. Men must have sound moral values, standards, goals; morality versus immorality, in all days in the world.

**There are Many Saints Here whom *this child* speaks for, under all circumstances. Oftentimes, men do not understand the sensitivity that *this child's* body bears for the good of man. I have allowed you to see strain on her whole being.**

**I, Saint John Vianney, bless each man here, for your effort, for your intention, for the hope that you must have. It will take *the child* a few moments for the body to restore itself. I bless you and I say, 'I openly announce that this Society that bears My Name<sup>1</sup> also bears the distinction of how men must reach to become Saints, through purity.' So be it."**

---

<sup>1</sup> Refers to The Society Of Saint John Vianney.

NOVEMBER 8, 1977 AT 5:25 P.M.

PADRE PIO

**“My beloved children, I come now to speak to you of the trials upon the earth, the ingrattitudes of man, and the Power that pours forth through *this child* at the Command of The Father, for the good of man.**

**I am Padre Pio. I could speak in the tongue of My land but I choose not to do so, for *this child* would be jeopardized by this form of speech, for in not understanding the language, there would be much problem for her to stand with, in, against, that men would demand.**

**I walked the earth. I know the earth. I stand Here in a Portion, a Part, a Place, of what is termed ‘Heaven’, and I say to the whole world: ‘Heaven is a Beautiful Place, a Place of more Grandeur, Light and Hope than any man upon the earth could imagine or command. A stage setting could never permit, physically, the Light that is Here, for the Light in the Heavens cannot be measured by man’s meters,**

hopes, dreams, needs, for the Light of Here is far more than light is to man.'

I stood upon the earth. I looked into man's face. I said, 'It is wrong for you to do that.' And man said, 'I am weak, Padre, I am weak.' And I would shout and say: 'Aaah, I cannot tolerate that. Weakness is of the mind, not of the Soul. It is of the will, not of the Soul. You command what the will, will be. You command the right and the wrong. You destroy, you delay.' Oh! And I would walk away, not in judgment but concern.

As you are with *this child* who walks in a given path, form, you do not understand the Reasoning behind This Great Miracle, the Magnitude of It, the performance it takes to accept every moment of every day, physically, mentally, emotionally, spiritually, hopefully, needfully, possessively, projectively, progressively, for the good of man's Soul in every way.

I shout through *this child*: 'In *Nomine Patris et Filii et Spiritus Sancti. Amen,*' and men say, 'Ah, He blessed me in a special way.' And I say: 'I blessed you through a language.

**I blessed you through My Gift of vocational way.'**

**Men shout: 'If she is what she is, if she says she knows, then why does she not stop the heretics, the heresies? Why does she stand so simply, so in the background, when others come forward and they speak and they create speech? They teach, and yet *this one* stands behind the scenes. *This one* says, "That is not my way." Does any man truly know the Way of God?**

**Take a mountain, thousands of feet high. Take the deserts, multiply them in the number they are, by the ones you can see, the ones you cannot see. Take the weight of the water in the seas, in the oceans, the lakes and the rivers, the water beds, the streams; take this weight, unseen, and put it upon you, not as a dream, but as a true, real thing, and take it and say: '*I will bear this pack of problem for You, God, this weight. I will do it Your Way, without a cry. Oh yes, I will suffer martyrdom for You, God, in every way.*'**

**I take one drop of water and I pour it upon your back. I take one drop of sand and I pour it upon your**

back. I take one mound of soil and I pour it upon your back. And suddenly you would say, 'Wait a minute, I'm not used to that.' And I say: 'Wait a minute, you said you would bear the weight of the world for The Father. Wait a minute, one more drop should not hurt you too much.' So I take one drop of each again and you say: 'Wait a minute, Padre, it is too much. It causes too much pain.' And I say: 'Wait a minute, there is yet more to be borne by you for the great gain. One more drop?' And you say, 'No, Padre, I cannot take the weight.'

Well, let Me say to you throughout the world, 'You live in a prayerless world.' Men do not know how to pray. Prayer is humility, prayer is simplicity, prayer is of many ways. Prayer is in the mind, but prayer is in the action, the example, the fact, the truth, the wisdom, the Light, the hope, the need, the desire. Prayer is not an imaginative thing. Prayer is real because prayer says, '*I obey the Light of Your Gift, God, The Commandments of Your Way.*'

Moses came to the earth. People say, 'Ah, Moses.' And I say: '*Moses, thank You for walking the path of*

*Direction. Thank You, Moses, for having the strength of conviction. Thank You, Moses, for standing up to what You knew was truth, the values. Thank You, Moses, for giving Me Heaven. Thank You, Moses, for giving Me the Rules to live by. Thank You, Moses, for walking a very dreaded path: a path, not of honor, of greatness; a path, not of love, endearment, but a path of stimulation, motivation, a path where men would beat You down, a path where men would argue, debate, a path where You had to stand up and say: "Wait, I stand in Truth. This is the Kingdom that you are to seek. This is the Kingdom of The Father, far beyond what any man could meet." Thank You, Moses, for doing this.'*

No man walks a path chosen by The Father, that cares about thanks, that even mentions it, for to be thanked upon the earth is to be thanked needlessly, ridiculously. It solves nothing. It gives no more strength. It is weakening in some ways, and in many ways, the chosen child knows that the time that the children spend in saying 'Thank you,' they could be doing something worthwhile.

**I, Padre Pio, I, a Priest, I, a Man of the Cloth, I, a Man of The Sacrament, I, a man who many men despised, hated, I was a man that men wanted to be weak, and yet they wanted me to stand for everything they could not stand for themselves. They baited me, to show what I was, show how I felt, show what I could do, and I would sit there and look. ‘You are sick,’ I would say. And sometimes, when I would cast them out of my way, I’d say, ‘Avanti,’ because I knew they did not know that how I walked, how I stood, how I felt was totally, solely for their Soul.**

**What does man think of a Soul? He does not even relate to a Soul. He says, ‘I am here.’ Ah, he is there. Through the Grace of God he is there, and through the Graces he earns he will come Here.**

**I shatter *this child* when I speak through her. I break her bones. I pierce the flesh. I weaken her physically, and yet My Words, strong, will be heard by so few. That is the sadness of walking for God, The Almighty Father in Heaven. The Truth so few men listen to, refuse they listen to; refuge they want.**

**I** bless the whole world for all man is in want, and I shout, '*In Nomine, in the Name; Patris, The Father; et Filii, The Son; et Spiritus Sancti, The Light and The Wisdom that combines The Three as One.*' Let it be so."

NOVEMBER 26, 1977 AT 5:40 P.M.

## OUR LORD

**“Men would follow a parade, men would follow a clown, to be amused, to be entertained. Men would follow an idea, a theory, a scheme, a plan, a fad. Men would look for entertainment. Men would follow a thought if it pleased them, if it gave them something to lean upon, to stimulate their imagination. Men would give accent to what appeals to them if they thought they would gain attention, praise from other men.**

**My beloved children, I am The Son of The Father. I am the Heartbeat of the Heavens. I am the Sound, I am the Light, I am the Hope, I am combined with All the Things you accept as The Holy Ghost. I am the Light of the Heavens that extends to the world with the realization of Wisdom, Logic, Truths, Direction.**

**I come to describe to you what true leadership truly is for the good of mankind’s mind, body and Soul. It is not easy to walk a leadership role. Men doubt, men criticize, men misinterpret, only because such**

**leadership is demanding, commanding, and leads only to the road that causes men to think purely. So many times men recognize true leadership for they know it is a rarity in the world. But true leadership holds men at a distance, always so that sight can be clear, for if a follower is held too closely the sight can be blurred by emotion, by attention, by personal love. And that is why a true, a great leader holds all men at a distance, but always in view, always in sight, always in the distance of sound. Remember These Words I have spoken.**

**Think about The Father Himself. He holds you at a distance. He is in the Heavens, you are upon the earth. The distance is a safety, for if you stood close to Him you would be a Saint, and then you would no longer be upon the earth. Do not forget that closeness can breed contempt, but when a *true leader* is sent to the world, leadership is binding, leadership has control, but the responsibilities attached to leadership are one alone.**

**The world cannot see the Value, the Magnitude, the Leadership in This Great Miracle that bears the Name of The Holy Ghost. Be aware,**

**My children, that *a child* who walks in this role walks with responsibility never truly told, never truly revealed; only segments of it extend through her to the world.**

**I hold her deeply and I know that to walk in the world as *this child* walks — tossed into the world, drawn from the world — is difficult, because it takes a mental strain, a physical endurance and a Spiritual Strength no man knows.**

**Let the whole world ring out cries for a Great Miracle. Men cannot recognize the Safety of This Great Miracle, for men feel they should be held close to *this child* in every way and they neglect the fact that there are thousands and thousands and thousands of children in the world that must be protected through the Leadership, through the Revelations, and through the Motivation driven through her for the whole world.**

**To be sensitive to man's needs, wants, desires, hopes, dreams, loves, is a very sensitive area to stand in, but to know that Every Word, Every Move, Every Action, Every Step is accountable for, in, with, is an**

impossible road for any man to walk unless this road is driven by, absorbed in and handled through The Father's Will.

Men have a will. It is limited to the capabilities and the capacities of man. Men have the will to say 'Yes,' 'No,' 'I will,' 'I won't,' 'I can.' *The child* faces every man's will every day of her life and sometimes she shouts from within: 'Why, God?' 'Why not?' And He reminds her of the will. So many times *this child* is faced with what men would term 'a firing squad', a squad of bullets piercing her whole being. What you do not see is the blood running, the holes in the body, but not one day goes by that the bullets, men's wills, do not touch the physical of *this child* through whom I speak.

She shouts: 'God, make them understand what they are doing is wrong. It is not for the good of their Soul or for the whole of the man.' And sometimes *this child*, in abandonment, says: 'Thy Will, my God, not mine, but take me from the existence of man. They are falling into the pits of Hell, to the depths that will destroy them totally.' And then a Ray of Hope passes through and We Here in the

Heavens watch closely, for to walk as *this child* walks, with no hope in sight, only trust, only the true knowledge and wisdom that she exists in a world, totally governed by Divine Will, as her only recourse to be alive, to be able to endure to go on.

Sometimes men, in selfishness, in lack of hope, lack of Faith, forget that The Father would send hope when it is needed, but it takes Faith, trust, to activate the hope, to put it into action. Let us take a mechanical device upon the earth. Let us take the physical body upon the earth. In these things one thing makes the other part move. When one portion dies things come to a halt. So it is with walking in a leadership role. I say to the whole world: 'The world has been Blessed by a Great Miracle. The world has been Blessed because *a will* has been given to accept totally The Father's Will.'

*This child* is beyond physical exhaustion. *This child's* body is close to collapse. But I stand Here and I say, 'If the City, bearing The Father's Name, is not completed according to His Will, His Aim, many things will have to come to an end in the world.' If man were given the privilege to design another

**earth, men would destroy it before they created it. Compare this to being able to build, according to Divine Will, a City that will give mankind a place, an area, small but secure, helping every facet of human life to come to the realization that purity is the goal, dignity is the way; integrity, the action; and labor the role.**

**I bless the whole world, as usual, through *this child*, and I say: ‘The “Preparations” have taken a physical toll on *this child*. Soon she must be on the schedule advised, commanded and demanded, else she will not be able to withstand the work ahead, as planned.’ So be it.”**

DECEMBER 12, 1977 AT 3:30 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“There are so many things to be said in the world now. Men celebrate tradition but they also celebrate the Birth of a Church, a Temple; a plan, a means, a way to walk, to seek, to find the Truth from The Divine for all mankind.**

**Faith is never an obstacle. Faith is hope, Faith is need, love. Faith is the funnel through which men seek the Power of Divine Love. Faith is not the controller of men but an advantage for man to deliver to God, the Soul.**

**Men put much emphasis on a place. Through time, through the language barrier, through terminology, men have depicted a cave, a stable, a star: Faith, through prophecy determined by the wisdom men knew.**

**As men, through time, handed to other men the cherished favored Gift from The Divine, in a token manner, in the form of matter called ‘bread and wine’, men grew to love what It stood for, the Purpose of It, the need for It, the Distinctness It held for the good of**

mankind. Men are living in times with so much desecration, permissiveness, idolatry, heresies, hypocrisies, indecencies, promiscuities, that men do not believe in The Divine.

*This puppet*, through whom I speak, is *a channel, a fortress* of Light. Through her, I deliver to the world Hope, Justice, Perfection, Purity, Innocence, Steadfastness, Obedience to The Divine. I burn her eyes with the Power I Am. I burn her body with the labor for all men. Men abuse This Great Miracle of Mine. Men confuse This Great Miracle with human awareness, opinion, need, and they forget that *one child*, as One Church, One Temple, is all The Father needs to transfer His Love, His Wisdom, His Light.

The backs of *this child's* eyes burn with the fire I send to the world and the pain is more than men know. Ask yourselves, why would such pain be tolerated if it were not for the good of men's Souls? As *this child* speaks to you, it is natural to your ears, and Each Word, Divinely guided through the burning of the eyes, through the channels in the mind and in the ears. Men have forgotten the goal of Holiness, the need for purity, the

benefits of service. Men relate all things to time.

I ask you now, through *this puppet* of The Divine, 'What security would you have if the Strength from The Father was taken, your Faith abolished, and your Soul eliminated?' I, Saint Joseph, say, 'You would have nothing to live for, live with, act in, cherish, or believe in.'

One time, a long time ago, I told *this child* through whom I speak, My Power could pin her to the wall. The physical weakness you are aware of, shows the Power of the Heavens *this child* stands in, for. No human power, strength, is necessary for The Father's Will to be done upon the earth. *This puppet* bears the responsibilities of all the oceans in the world, all the deserts, all the soils, and the stabilizing weight necessary to accomplish This Great Miracle in the world. Soon her lightness will diminish more. It has been slowly decreased, but the reason for this was man's inability to accept how she stands, in, for, The Holy Trinity: *a woman* in the world but not of it. Many times These Words have been spoken. Men forget These Words to please themselves.

**This City of The Father's that bears My Name when I was in the world, is the Greatest Gift to mankind since The Birth. We have come to the world through This Great Miracle and We hand to the world Faith, Justice, Morality, Purity, Visions of All of Heaven; the way for the Goal, the path to the Goal and the reason for the Goal. At no time is *this child* without Us, and I add: The Power I Am is the Power of The Father; the Light I Am, the Light of The Father; the Wisdom I Am, the Wisdom of The Father; the Divinity I stand in, The Father's Love, Ultimate in so many ways.**

**Be blessed, be alert, reach for purity. Be sure of every step you take, every word you say, and know that you are accountable for the Gift of life upon the earth. Do not resign yourself to acceptance that is unworthy for your Soul, but reach for the dignity, the light and the hope, the Goal intended, Eternally.**

**I will withdraw slowly from where you are, for the pain *this child* would endure if I did not, would be beyond man's understanding. I have drawn her into the funnel and I release her slowly. And I remind you, I am always**

**with her, even when she must appear alone. The Direction, the Words, are always Ours for the good of every man's Soul. So be it."**

JANUARY 6, 1978 AT 6:35 P.M.

SAINT MICHAEL

**“My beloved children, subject to God in all ways, I am One Who came to the earth many, many times, to prepare *this child* to walk for The Divine. At the Command of The Father I delivered All Words, and through These Words I gave Direction for all of mankind. I was the One that *this child* was responsible to in many areas, for you see, I am known as Saint Michael, the Protector of All Heavenly Things.**

**As I stand Here in the Heavens, I come to the earth in further preparation of *a child* who stands upon the earth, delicate in many ways, subject to Divine Will in all things, and in a direct manner, *the link* between all of mankind and beautiful things. The sincerity that is expressed through *this child's* Way, the devotedness in many things, the devout manner in which all things must be accomplished, the solemnity that must be seen, the humility that must be extended, and the profession of Faith, the profession of Honor and the direct manner in which it must**

be displayed, is constantly delivered to all of men. And through *this child* men will be blessed by The Father, by The Son and by The Beloved One, The Holy Ghost, most certainly not the last, for in Divine Manner, Divine Way, He is The Power of The Father, The Justice of The Father, The Wisdom of The Father, The Beauty and The Love in certain ways.

As We stand Here in the Heavens, My Words come forth to the earth to establish things that must be understood upon the earth. *This child* has been given a command. The command is to perform in the manner in which The Heavenly Father demands. This must be seen, this must be heard and this must be accepted by all men.

Through This Great Miracle that bears the Name of The Beloved, The One, The Third Person of The Holy Trinity, The Holy Ghost, This Great Miracle bears the Name that He bore upon the earth in the form of a Man, 'Joseph'. It was a Name that meant many things. It was a Name that combined many things. It was a Name that expressed singularity, a Name that expressed devoted way. It was a

**Name that expressed a oneness. It was a Name that expressed love. It was a Name that has always been linked with, attached to, and the subject of The Holy Family.**

**So many children throughout the world must understand that This Great Miracle that comes to the world is for the good of all men. It was established a long time ago, and at This Time, in the time in which you live, This Beloved Way has come to the earth to re-establish the move, the movement, the moment of Declaration of Faith. Men must begin to understand that *this Strength* upon the earth is truly a *warrior* for man. Men must look, not to a relaxed manner, a relaxed form of life, but men must look to a progressive point of life, a progressive way of life; that is, regarding the Motion, the Goal, the Light and the Hope of the Soul.**

**Men speak of progressiveness in a material way only, in an emotional way. They speak of it in a monetary way. But I say to the whole world now: ‘Look to the Beauty of the Soul. Look to the Life that will be, and look to the Goal The Father has set for all mankind to come Here one day and live with The Holy Trinity.’ If man rejects**

**this Goal, man will have nothing to live for, nothing to look forward to, nothing to believe in, for without It there is no Light, there is no Hope, there is nothing left.**

**I, Saint Michael, stand Here in the Heavens and I shout through *this child*: ‘Be aware of the Distinctness of This Great Miracle. Beware of the evil ones working against It.’ My beloved children, the whole world has been Blessed by This Miracle and the whole world must look to It for the Direction, the Care, the Hope and the Solution to the agonies in the world, the injustices in the world, the chaos, the frenzy, the turbulence, the lack of hope.**

**Men must look to self-discipline, humility. Men must begin to stabilize and formalize many things. Men must learn to seek out the solemnity of the action that God Himself delivered to the world. Men must begin to see the reality of the Gift of Baptism. Men must begin to see the reality of the Sanctity of things.**

**I bless you from the Heavens and I say: ‘The Father’s Name comes forward to the world openly and in a beautiful way. The Son’s Name comes**

**to the world in a loving way, a way of obedience, a way of tolerance, a way of commitment, a way of dedication. And the Name of The Holy Ghost comes to the world in a Formal Way, through a Miracle that bears the Name of the Portion of The Holy Ghost that came to the world, that went forward to extend the Example to all men for two thousand years. Imagine this. The Name has remained for two thousand years, and yet men try to say He was only a man. Not so.'**

**My beloved children, it is of Truth, it is in Truth, it is the Greatest Truth in the world: The Beloved Joseph Is The Holy Ghost. So be it."**

JANUARY 8, 1978 AT 12:18 A.M.

## OUR HEAVENLY MOTHER

**“No man makes a contract with God but each man must account to God for time, effort, talents, vocation and Spiritual growth.**

**I speak through *a child* who is beyond the point of human strength. I, My children, am your Heavenly Mother. I speak with Love on this night, through *a child* who walks totally in the Direction of, in the Command from, and through the Love for The Father’s Way. I speak slowly through her, for the exhaustion she has causes Words to be difficult to say.**

**The coming times are important; the coming events, most important. I promise each son I will be present when the words are given in a human way.<sup>1</sup> My promise is this: Their commitment, their dedication, their submission of their will to perform according to The Father’s Will, will be accepted lovingly and with much hope,**

---

<sup>1</sup> Refers to the Installation of the Charter Members of The Society Of Saint John Vianney.

for you see, through time, men make decisions, take steps to accomplish, and oftentimes are involved in important occasions. Some of these occasions are for the good of the monetary way. Some of these occasions are to help the children grow spiritually in God's Way. Some of these occasions are occasions that help the children get along in the world, such as the term 'graduation from school', and of course, other things.

Now, some men, perhaps a handful to you in the world, will take a commitment, a stand, for reasons perhaps they do not understand, but at least it is a time of a step in the direction of man, for the good of Souls.

Through *this child* I speak openly, and through *this child* I extend My Love, and I say to each son, 'I enfold you in My Mantle, I enfold you in My Arms, I enfold you in the Heavenly Love The Father has for you,' and I say, 'The Direction you have been given, will be given, will be for the good of your Souls to come Here one day.'

The Power I stand in is the Power of Divine Light and Love, and

the Power presses against *the child's* eyes, and it is difficult for her to hold her eyes in the way of sight.

There is no Miracle in the world such as This One. This One extends to all of mankind, Teaching, Hope, Direction, Solution. Men are not understanding the need for solution. They only look to the immediate necessity of useful used time. Time can be wasted if there is no solution to actions, thoughts, deeds, and the reason for existence.

So many times men commit themselves to places, persons, actions, that have little reason. Through *this child* We come to the earth to express the hope, to extend the Teaching, the Direction, for men to better understand how they must walk, what they must follow, and the things they must do to motivate others to be good, to think of saving their Souls.

Men have omitted from their life the direction of purity. Men have omitted the beauty of service to God in a selfless manner. Men have absorbed the wrong thinking and have accepted a lack of self-discipline as the normal way of life. Men must begin to report

to God for every moment of their time, regarding their thoughts, their words, their actions, and the example they extend to all men.

**My Words flow through *a child*, who hears Them at the same time you do. Remember, the days are important, the hours add into the days, and the moments of each hour combined will be the moments you will have to account for, for the Divine Love extended to you in your time. Be aware of error in all surrounding things. Be conscious that you do not perform in error, causing sadness to The Divine King.**

**I bless you with My Mantle and I say: ‘A Mother’s Love I have for you each day. My Love cannot grow; It is the Ultimate Love. Remember, your actions in this Love can grow, and your Soul will glow from this growth.’ Be gentle, be kind, be firm, and remember that each moment you live is accountable to God forever after. So be it.”**

JANUARY 11, 1978

**SAINT ALPHONSUS LIGUORI**

**“Sometimes children, throughout the world, accept what is given to them because they feel it is given through the authority of man. But I, Saint Alphonsus Liguori, say to the whole world: ‘Authority sometimes is mishandled, misused, and in this handling, it desecrates what is right, what is good. It says to the world, “You are sheep, be sheep,” but it does not remind men of the Soul that God wishes to keep.’ So as I say to all present here, ‘Remember the Soul you were given, God holds It dear, and as you are children in the world, you must walk in the human way, be aware of the Soul, be aware of Sainthood, for It is yours to attain one day.’**

**And as I walked the earth in a normal way, I walked the earth in a human way, but I walked it fighting for other men to see the Value that God put on the Soul, for all men.**

**So as I bless you from the Heavens Where I am, I say, ‘You are privileged in many, many ways.’ And you must**

know that to put This Great Miracle upon the earth for children to grow, has been The Father's Will, for you see, the action that must come from the Teachings given in your day will lead you to Heaven for All Eternity.

Be blessed by what you have learned. Be understanding of what you know is Truth, and seek the Truth and the value of it, for the Goal intended by Him, for He is Divine; you are but children of His.

I speak through *a child* who walks constantly for Him. The world must know and the world must understand that the errors in the world will draw men to the enemy of The Father, will disgrace the Beauty of the Soul, and will desecrate the Gifts of God, to help all men.

My children, say before you retire on this night:

*'Dear God, Sainthood is truly my Goal. Let me be inspired with love, hope, charity and humility. Let me feel the Light of Your Love, and the inspiration You have delivered to me. Give me the strength to be example to all*

*men. Help me to know what I must do for the good of my Soul, as I walk in the world with men.'*

**M**y beloved children, I am truly Saint Alphonsus Liguori. I speak, and I have spoken many times through *this child* who is a *puppet* for The Father, for all things that are worthwhile. And as she stands in the world, *the instrument* to teach you, it is a parallel of another time that Others stood so that things could be passed on to you.

**B**e aware of the Greatness, the Beauty and the Love that The Beloved Joseph stood in, in the world, for all men to come Above. He stood in the world as man, as the Sign of Justice to all men, and He stood in a manner, Family Way, to give Example of how all men must be.

**I** bless the whole world through *this child* and I say, 'What good is your Faith if it does not lead you to Sainthood one day?' So be it."

JANUARY 12, 1978 AT 12:52 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“*The Miracle Of Saint Joseph* was given to the world to alert men to the Reason for life, and the manner in which they must act, proceed and form their everyday living to fulfill the Purpose of life. From This Miracle evolves a format for men to seek out and to follow, in preparation for the time each man will face The Father. It is easy to not think about facing The Father. It is easy to not accept The Rules, but I say to you now, ‘It is better for All Eternity if you begin to see the course that you must take to fulfill the Purpose of life, for your Soul’s sake.’**

**Each man in the world is a Miracle. Each man’s Soul is a Gift from The Father. Each man’s will is a Gift to perform with, to perform in, and to use as the standard of living for the moral values intended by The Father to save one’s Soul.**

***This child through whom I speak, a puppet, an instrument, a means to draw men’s attention to what is right, what is correct, what is good,***

has been for some time the point of Direction for men to listen to, follow, cooperate with, and coordinate their thinking from. Each man in the world must look to the Goal of Life, must understand that the Purpose of life was to cooperate with The Father's Will and to return to Him the Soul. Each way that *this child* directs man's thinking in, is a way, is the way for all men to follow.

Men must begin to understand that all things have a preparation to them, in them, and there is a reason for preparation in all things. Preparation is to see that the learning is taking place, the standard is established, the format accomplished, and the goal reached. So many times men try to ignore preparation. They feel they have the ability to accomplish without it, great things. Let Me say this: Men call it 'experience'; in reality, it is a preparation.

When all things were formed, preparations were made for all things to be formed properly and in the right place and manner. When The Father decided to create man, the preparation was made, and then He prepared man's physical to cooperate with His

**Preparation and Plan.** He gave man the ability to walk in a certain way, to work in the procreation of man. This takes preparation. For each child born to the world, the physical is prepared step by step, the mind is prepared step by step, and so it carries on after the child is born. Each step is important: of learning, of walking, of working in the physical and in growing in the Spiritual.

**If a man has Faith, his Faith must also be prepared.** It must have a beginning and have a growth period, and then an established way. Faith is truly a Gift. It is like the will. Faith can become stronger or weaker, and Faith in God is a special Faith.

**Oh, My children throughout the world, never ignore preparation, for in preparation there is stability, there is control, there is discipline, there is a practicality and a logic. You are Loved in many ways. Teach the whole world to love God in every way.**

**I am Saint Joseph. I hold *this child* deeply and yet I am at the control of what she is in, what she appears to be in control of. Know, that *this child* is constantly controlled by Heavenly**

**Direction, for the good of all mankind  
in the world. So be it.”**

JANUARY 18, 1978 AT 8:15 P.M.

SAINT FRANCIS OF ASSISI

**“I am Saint Francis of Assisi. I come to honor a Great Miracle, to pay homage to the way It is being accomplished, for The Father’s Will is being done in a small place, through a *small child*, for a Great, Magnificent Reason.**

**Men in the world do not understand the Salvation of each man’s Soul, according to The Father’s Desire, The Father’s Will. Men must perpetuate This Great Miracle in the world. Men say, ‘What is the Miracle?’ And We Here in the Heavens say, ‘The Miracle is, that Great Delivery of Great Words are delivered through a *child* every day.’**

**What is a day? A day covers many hours, many moments. A day covers darkness, light. A day covers emotions. A day covers hope, need, desire. A day covers prayer. A day covers vocation, personal needs and love everywhere. A day, in man’s time, is a great given time for man to deliver to The Father, purity, love and hope.**

**M**en must understand that This Great Miracle designed by The Father has been given to the world to bring many Souls to Heaven, Here. When I was upon the earth I was given the great privilege, the great Blessing to walk in a particular manner for a particular purpose upon the earth; that purpose, similar to now, was a privileged role. I was asked and given the permission to rebuild the Church. *This child* has been asked and given the privilege to use What is given through her, to her, to re-establish what The Father gave to the world.

**M**en say, ‘Why such a Great Task for such a *small person*?’ I, Saint Francis of Assisi say, ‘The task is Great, *the child* is small, but the Power of The Father Almighty.’ The task can be done when obedience is followed, one step at a time, forever after. Men forget the magnitude of obedience. Men misconstrue the reality of obedience and men diminish the performance of obedience. Men sometimes look to false obedience rather than pure obedience, according to The Father’s Will.

*This child* speaks hour upon hour. Endless Words pour forth through her.

There is so much to be said, so much to be done and so many Souls to be given the opportunity to better understand the Purpose of human life. Men throughout the world must see *this child*. They must begin to recognize that her way is The Father's Way; her will, The Father's Will; her love, The Father's Love; her dependence, totally upon The Father's Love, Hope and Desire for all of mankind.

This Great Church The Father established upon the earth has taken a form of being in a position where all things are being neglected. *This child* has been given the task, the privilege to work in the task of re-establishing what has already been delivered. Thousands and thousands and thousands of Words have been sent forth through *this child* to teach men of all ages, all ways of life, all personalities, all natures, all heritages, the Way, the Purpose, the Goal and the Truth.

I hold her more deeply for *the child* is beyond exhaustion in the human form. Days to come, *this child* must find rest or she will collapse in the physical. No man knows that *this child*, *the puppet* of The Father, dangles

on the strings of His Power, but in this dangling there is great exhaustion and much energy incurred. So many times men look at *this child* and they want *this child* to be the greatest strength in the world, physically. I say to you on this night, 'The Greatest Strength in the world is The Father's Will, and the submission of a will to perform in His Will every moment, every hour.'

So many issues have been brought to *this child's* attention in the years of past, and so many things are to be accomplished in the coming years. But *this child's* physical is beyond what men know exhaustion to be, and she knows this, but perseverance keeps her going. She has been told she must rest.

I, Saint Francis of Assisi, come to the world once again and I will have a place in this City Named after The Father. And in this Place, men will come to rest, men will come to seek comfort, men will come to seek teaching, men will come to follow the correct way for the good of their Soul to one day meet The Father's Face, Eyes and Direction. This Place will be a Place for hundreds, for thousands of children to come and seek the peace

of Grace, to feel the Power of Divine Love and the Power in Divine Hope, for all men to follow a given road.

**M**y place in this City will give men History, will give men hope, and will direct their way of life, though some may seem remote. Some men will come in anger, some men will come in hate. Some men will come to find and to establish a way of life. Men will come to look to a greater learning. Some men will come to feel only the peace that will be there, and they will look to My way of life and perhaps try to repeat it, but I say to all men in the world: 'Follow the given pattern of life. Look to The Father's Way for you, and know that as you walk in the physical way, seek out the path for you; and remember, it is always for the good of your Soul.'

**I** bless you, My children, through *a child*, and I say, 'The Father's Will is being done every day.' There is much change to occur in given ways. *The child* is aware of what must be done, but I, Saint Francis of Assisi, say to each of you, one by one: 'Be aware that your Purpose upon the earth is to return to The Father your Soul, but more than this, it is to walk such

**a purity role that in this role you will be the example for many, many men to learn the beauty of self-control. And also, through your example you will teach them that they, too, must look to commitment to The Father, commending one's whole self in service to Him, and to honor Him daily, telling Him you love Him.' So be it."**

JANUARY 19, 1978 AT 6:40 P.M.

### SAINT MARTIN DE PORRES

**“My beloved children, when I was pronounced ‘a Saint’, many men differed with the announcement, with the pronouncement. Men sometimes do not agree with what is acceptable in the Holy See, but I, Saint Martin de Porres, smile upon this and I say, ‘The Father’s Will must be acceptable to each man in the world.’ Many times children try to inject, inflect, and use the perception of their own opinion, rather than to accept the announcements of the Holy See.**

**When I was upon the earth I did not realize that the Beauty of Sainthood would be for me. I felt an eagerness. I felt a Faith. I felt a love no one could see. I felt a littleness. I felt an action inside of me. I felt too obscure for The Father of all mankind to recognize me. I felt, not indifference, but I felt that my way could never be recognized by men who walked with High Hats. I felt that these men would never understand my way in service to The Father, for all time. I felt that men would ridicule me. I**

felt that men would feel me unworthy to be pronounced amongst the men who walked diligently, profoundly, acceptable because of their great works.

**I, Saint Martin de Porres, smile today and I say, ‘I come to the world to give an expression of Love to all of mankind, for you see, never feel that your littleness, your path, your way, your vocation, your heritage, restricts you from walking to The Father’s Throne in a special way.’ Work, My children, diligently. Work, without exception, to any request you are asked. Work in a manner of simplicity and love, and know, that every breath you take, every action you make, every sound you give, will be heard and seen Above.**

**I, Saint Martin de Porres, say: ‘You are gifted children in many ways. You are allowed to walk in the shadow of Truth, in the reality of Light, in the profoundness of Wisdom, and in the Faith of The Father’s Will.’ You must remember that all men must come Here to pass before The Father’s Eyes for a moment or more, and in this passing will be a sadness to some, a hope to others, and a horror to many.**

**T**he time in which you live is impure. Men relish the acts of promiscuity. Men perpetuate the actions that are against the Will of The Father. Men kill where there is no need to kill. Men cause a lack of hope because they do not feel the Gift of Faith. Men permeate the world with indecencies, desecrations, immoralities. Men forget the beauty of self-control.

**I** come to the world through *a child* Blessed by a Great Miracle, performing in a form of commitment for the whole world, and I say, 'This *little broom* I use today has been given to the world to sweep the world of inadequacies, has been given to the world to sweep clean areas where the webs of untruths have been planted by impurities.' I come to the world and use *the puppet* of The Father to express to all mankind the beauty of purity, the love that there is in hope, and the wisdom there is in Faith, that all men must recognize in this day.

**B**e blessed by My Words. Accept Them for the amount of Love They have been given today, and know that *the sacrifice* I speak through is a sacrifice beyond what men know. And

through this sacrifice of *a puppet* in your time, I say, 'If you could but see the Strings that hold *the puppet* in place, They are of as spun gold.' So do not forget that as *this child* speaks, as *this child* moves, the Strings of The Father unfold, and as the Rays of Light pronounce through her the Words of Wisdom, and the sound of Sounds comes through her, remember this: the combination of things is the Greatest Gift to the world The Father desires to bring. The sound of Words teach, the Light of Wisdom extends, and the Gold Strings cause each portion of *this child* to bend.

I bless the world with The Father's Will and I say, 'A *puppet* is in the midst of all of mankind: *a puppet* of Sound, Light, Action; *a puppet* committed to Divine Will.' *This child* is beyond man's comprehension, beyond man's limits of service to Divine Will. So, as you are Blessed, I say this on this day, this night in your time, 'You have been gifted by Divine Light, by Divine Will.' So be it."

JANUARY 29, 1978 AT 8:50 P.M.

SAINT AGATHA

**“My beloved children, I am Saint Agatha. You have not heard Me speak often, but I have spoken at times when My Name was not announced, and in times of great trouble.**

*This child* with whom you sit, speak, is *a child* responsible for Great Acts pertaining to the Foundation for the Formation of fulfillment, for the Direction of men to understand the fundamental, unbiased, basic Truths dependent upon The Father’s Will, The Father’s Direction, for the good of each man’s Soul.

A profound Statement is oftentimes made, sounding simple, perhaps even intimate, oftentimes familiar, and many times with an unconcerned look, a mild manner, and yet sincerity beyond man’s scope.

All of the Heavens speak through *this child*, a funnel of Truth for the advantage of men to take hold of, latch onto, and follow for the good of their Soul. Many men contradict, intimidate and peruse areas to find,

to hope to find error. They cannot find error. No man in the world is as knowledgeable, as wise as the Heavenly Spirits of Light, Hope, Wisdom, Truths, Logic. Men try to sometimes outguess Heaven's Direction.

*This child* is more easily victimized than men care to admit. Men condone other men's thinking. They forget to analyze the thinking when it pertains to *this child's* Way, and the Truth pertaining to her in many things. Propaganda victimizes *this child*. Provocative interests can scandalize *this child*. Personal interpretations can cause disaster to *this child's* Way of life. The days to come she has been warned about. She shouts to All of Us to stop them before they start, for she knows that she is not understood.

Men and women upon the earth use *this child*. It is incredulous how they victimize her. So many times We Here in the Heavens draw her attention to Us, and she says to Us: 'They don't listen. They are so intent on their opinion that I am left alone, I am hurt, and I stand in a volcanic eruption.' And We have to say it is true. Men volunteer effort,

kindnesses, gentlenesses to others, but few understand volunteering any strength to *this child*.

I shake My head, I nod My head, and I feel sorrow for *this child* who is so alone in the world, for the tears shed are many, the sorrow much, the hurt more than any man could understand; and the concern for all of mankind, beyond man's ability to comprehend.

Men abuse *this child* selfishly, voluntarily, needlessly. Men have been told, men have been approached in manner of many ways, but they choose to ignore what their actions do to *this child's Way*.

As I speak, her scan of something in the room shouts to her, 'It is not measured correctly.' She will tell you what it is, shortly. We smile at *this child* who walks in the world, thinks like a Saint, works like a warrior, and scrutinizes each thing because of what has been instilled in her: the measurement of everything. I, Saint Agatha, smile and say: 'Such training is from birth. It did not happen through the hours of darkness and light passed through once.'

**I shout to the world through *this child*: ‘Be aware of the Greatness that walks in your path to give you the Direction of Light, Hope, to keep everything intact. Be assured that as you listen you must respond, and in your response, you must be aware that such a Gift bears responsibility for the Heavenly end.’ So be it.”**

**JANUARY 30, 1978 AT 1:35 P.M.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“Men frequently are concerned over financial statements, financial capabilities and financial renderings of the status of their monetary measures.**

**The Beloved Father, The Creator of All mankind, The King of All things, The Ultimate Being, says to the world: ‘A financial statement in the world gathers possessions, and also, what is owed to other human beings, but a financial statement in My Way bears a tally of Graces for the total of things.**

**‘A financial statement says: “What have you done? What do you plan to do? How can you account for all things?” A financial statement that bears My Name on it, says to Me: “I am accountable for my time, God, and I account for every moment of my life. I am accountable for all my possessions upon the earth and I account to You for each one of them. I am accountable for my physical being and I account for each part of my physical life.”**

**‘When the balance is made, the tally given, the purpose unfolded, men will find that the financial statement, the statement of accounting is more important than the one that men expect from human life.**

**‘I will speak later, I will speak more, I will deliver Words that must be accounted for, for the Words will be Direction, Command to perform, and I expect a statement telling Me the true balance and the means each man is accountable for.’ So be it.”**

FEBRUARY 2, 1978 AT 11:48 P.M.

## GOD THE FATHER

**“My beloved children, I am The Father, I am The Creator, I am The King. I announce Myself in this manner, through *a child’s* voice, whom I have created to stand upon the earth and give Lessons of My Meaning to all men upon the earth. *The voice* through whom I speak is small in many ways. It is My Power that forces the sound in the manner I declare it to be.**

**So many men in the world pray to Me every moment of your day. Their prayers are oftentimes prayers of requests, wanting a guarantee. Sometimes children of all ages pray, request help for other human beings. Some pray for only personal things. Some pray for things other than human beings.**

**I, The Father, speak loudly through *this child*, and I say: ‘Each of you present in this place have prayed to Me, requested of Me in many ways. I sent you an answer of Love. I answered with Hope, and I gave you what you could handle, in the capacity you could**

be able to see, in the manner in which you lived, in the strength you had, and in the way you walked vocationally.'

**W**ould it sound impossible for Me to say These Words? Would it sound improbable for Me to say These Words?

**I** have requested of children, a favor. I have requested from many, to give Me a City, bearing My Name. I wonder how many children throughout the world will answer My Request. Will they answer it with love? Can I feel hope? Will I receive My City?

**M**y Power is so Great that *the child* through whom I speak is shattered by It.

**T**onight I have made a request. I wonder if it will be answered in the manner I declare it should be. Remember, prayers coming to Me are answered. My Request has been put forth upon the earth. The reason for My Request is this: I want Souls to return to Me. Through this City, through this Design of Mine, I know that children of all kinds will begin to think, begin to understand, begin to believe in Who I Am, What I Am. And do not forget,

**it will be brought to their attention:  
their Soul must return to Me.**

**You are Blessed, My children,  
in many, many ways, and I have come  
on this night to say, ‘Do I not deserve  
My Request answered in your human  
way?’ So be it.”**

FEBRUARY 11, 1978 AT 1:18 P.M.

## GOD THE FATHER

**“My beloved children, I created you in an order of life, light. I gave you portions of yourself so that you would be able to be a part of the world. I created your intellect, your nature, your personality, your will. These things keep the function of your body in a direction of hope, for to be in the world as man, you had to have all the things within yourself to cope with other men and the additional things that I would create to encircle you, to involve you, so you would understand that to be man, you would have a program in which you would partake in, act upon and learn from, the Goal by which, through which your will would show you how to return to Me for All Eternity.**

**I desired you born to the world so you could attain a Degree of Sanctity, to share What I Am for the whole of Eternity. As I speak, I speak through *a child*, for in the Words and the Sounds you understand all things I have surrounded you with are aids for you to come Here Where I am. Never**

forget, your intellect and your will walk hand in hand.

**Read often the Words I have spoken through This Great Miracle of Mine, for as I have handed to the world a Portion of Me as Man, I want you to know, the Creativity of Me you are surrounded with, you are part of; the Love I have, for your Soul was another Creation of Mine.**

**An aid to this, The Son of Me, Who walked upon the earth to teach and to have the Teaching to remain, to instruct for all time the Beauty of returning to Me through the designated way.**

**It was I Who created, through the Beauty of Me, The Heavenly Queen, the Birth for the return of your Soul to Me. I am All Things, My children.**

**I sent to the world the Protection of Me, the Justice of Me, the Light of Me, the Hope of Me, the Creativity of Me, the Love of Me, the Mercy of Me, in the Form of Three.**

**Today I come once again to the world to use *one* of My Creations to reach you, to warn you, to inform you, to alert you, to teach you, to direct you,**

to instill in you, to extend to you once again My Love, My Mercy, My Justice, for you see, the world on which, in which you live in the human form, is being desecrated by My enemy.

There is a war, My children; this terminology you will understand: a war against Me. It is not My Desire nor My Will, so I have sent to the world My Protection again for each of you. Though I protect you I respect you, and through This Great Miracle I alert you to use your will that I gave you, to stand up to, stand up against the evil that surrounds you.

Men do not realize what sadness there is to Me when I see children forfeiting My Kingdom with irresponsibility. I have instilled in *this child* through whom I speak, the necessity of responsibility, the force that Truth is, and the reasonability that a strong Spiritual stand, with the Facts that I perpetuated for the good of man, must be revealed to the world for men to respond correctly.

Truth must stand out, be outstanding, and be the guidelines for man to evaluate all things, act upon in all things, and accept as the criteria

for all things. Truth is the standard of life, a valuable portion of life. If I said to you, 'Sand is not sand, water is not water, soil is not soil, you are not a person, you are not alive, you are not real,' I would be destroying what you know truth to be. So I say to you, 'I am your God, I am your Father, I am The Creator of All Things.' I created all things so that you would be able to understand the Purpose and the Reason to work in the world, upon the world, as man, so that you could return to Me the Soul that I want to spend All Eternity with Me.

**M**y Wrath, men discuss. They diminish its possibility, probability, and I say: 'Those who do this must be reminded they cannot create anything. Best these children of Mine learn to respect Whom I Am, What I Am, the Power I Am, the Reality I Am, and how I might work to deliver them unto Me.'

I use *a voice* in the world, dedicated to service. But I use *this voice* to reach all men in the world, for the Souls I desire to return to Me. There is no reason you cannot dedicate your whole life to Me. There is nothing more worthy than I Am, and there is

no better reason than to return your Soul to Me.

**Do not take chances. Do not gamble on frivolities, insecurities, indifferences, promiscuities. I shout to the whole world: 'Do not gamble on tomorrow. You may not have it to lean upon. You may not be able to share it with others, to gather strength. You may not grow in My Way tomorrow. You may weaken and follow another way.'**

**I shout to the whole world through a *small voice*: 'Do not depend upon tomorrow. I want your dedication to be *now*; for, do not forget, in the language you speak, this three letter word says this: Act now, and you can be sure if it is right you have won the Graces that I will count for your service to Me.'**

**The letters in your language say something else. Remember this. As you win, when you have won, think of this: the 'W' is for the *wisdom* you used, the 'O' is for the *oneness* you know covers all things, and the 'N' is for the *never* to follow the other way, for it will lead you to him, the enemy I**

**have cast into Hell for the very things he tries, he uses to win you from Me.**

**I bless you with a Father's Love and I say, 'Be aware, never compare; and know, the will I gave you is what I will use in many moments from now on.' So be it."**

MARCH 1, 1978 AT 10:50 P.M.

## SAINT MARGARET MARY ALACOQUE

**“Men desire recognition and it is disappointing to them when they cannot uphold what the recognition truly involves.**

**Let Us talk now about the recognition due to God. First, He is The Father, The Creator, and The Giver of Life in every way, means, manner and mode.**

**Let Us now look at the recognition of a parent from a child and the child from the parent, each recognizing each other in a specific role.**

**Now let Us recognize the beauty of the Gift of Faith, for in this Gift there is great advantage, great responsibility, great purpose. Also, in this Great Gift of Faith men must learn to know that Faith has many dimensions to it, many facets of it, many areas for it to be accomplished in.**

**Some men have faith in themselves, and in this faith they begin to feel security. Other men have**

**faith in the talents they have been given, and in these talents, when they express these talents in the proper way, feel a certain amount of satisfaction, knowing that they have something to give to others that makes others, not just appreciate the talent, but to look for the talent in them.**

**Another Gift of Faith is the Faith that man has in a Divine Being. This Faith, of course, has many responsibilities to it, for to have this Faith, men must understand that to be subject to a Higher Divine Being means a great responsibility of much worth, and this must have direction in it, commands through it, and goals from it. This Gift of Faith is accented in many ways upon the earth, by men accepting a given way of prayer, a given route of Spiritual devotions.**

**The beloved Church that you so proudly hail as the One The Son of The Father created, holds in it, not just the secrets of Divinity, but the beauty and the way for all children to follow, so that they will one day enter into Heaven with The Father for All Eternity. The Faith that men hold, bearing this understanding, this hope,**

**this Faith in what is, what will be, is a Faith of Great Love from The Father.**

**Let Us take now, recognition in this way. Some men say: 'I cannot recognize a Higher Being. I cannot recognize Faith as a Gift and I cannot recognize such a way of life.' Yet, these men breathe the air, God-given, every moment of the day. These men have talents. They use them, they profit by them. They recognize everything around them. They recognize a piece of wood. They recognize a piece of steel. They recognize a piece of wool. They recognize a portion of food. They recognize a piece of cloth. But, when it comes to recognizing the unseen Portion of themselves, they desire to put It aside or put It into a category unrecognizable, not understandable to them, so they do not have to account to anyone for This.**

**Let Me also say that The Heart of God beats every moment of every day for all children born to the world; also, for the recognition necessary between the Two: between the child and The Father, The Father and the child; a Parental recognition, but also a recognition of great responsibility.**

**I, Saint Margaret Mary Alacoque, say to the whole world through This Great Miracle: ‘Be in recognition of how The Father would give to the world a Great Miracle, a Miracle of Communication, a Miracle of Direction, a Miracle of Great Worth, a Miracle that hands to all of mankind, Learning, Teaching, True Subject Matter, Direction, renewal of thinking where the beloved Commandments came from and where They will draw children to.’**

**Also, I desire to add one Important Thing: This Great Miracle upon the earth, that bears the Name of The Beloved Saint Joseph, says to the whole world, ‘Purity and justice must be in each man’s mind, each man’s direction and each man’s will.’ So be it.”**

MARCH 11, 1978 AT 6:55 P.M.

**SAINT ALPHONSUS LIGUORI**

**“There are many charlatans around. There are many men who try to use devices against The Father’s Will, and there are many men who are discerning the proper attitude, means and manner.**

**There are many men, sincere in thinking, honest in attitude, and yet devious in their actions toward This Great Miracle. Men are using desperate means to approach, to form an attack to distribute the reasons why This Great Miracle must be taken from the scene.**

**There are thousands and thousands and thousands and thousands and thousands of people in the world who are searching for just what This Great Miracle is: Reasoning, Teaching, Direction, Coordination, Support; practical, logical Wisdom; Supportive, supporting the needs of all men, for the good of each being.**

**The Father has sent to the world a Protection, a Protective Portion of Himself, to protect children of**

all kinds from the enemy, from the unreasonable force, from the unsure methods being forced on men of all kinds from improper means.

No man can say all men are right. No man can say all men are wrong. No man can stand in judgment of all things. No man can determine the solidness in which a man thinks, the solid manner in which a man moves, totally; for each man upon the earth sees with the eyes — this is limited; hears with the ears — it is limited; retains with the mind — this is limited; the sense of touch, limited. Remember this: All senses are limited; all paths to the senses, limited; all purposes for the senses, limited. This is for the protection of man.

A few men gather, listening to the Words pouring forth through *a human source*, yet These Words will remain forever. Perhaps the circumstances leading to These Words will not be necessary two hundred years from now, but the Meaning in the Words, the Direction through the Words, the sound of the Words, what the Words profess, will remain for man to digest, interpret and maneuver in their own

thinking, for the advantage of their Soul.

Through *this child* a Multiple amount of Saints, a Multitude of Words, a Magnificent Teaching is projected daily, hourly, and during the minutes of these hours. Men sometimes take for granted the Directions, but it should be noted, it should be accepted and it should be promoted, that the Teaching is given to the world for the protection of all human beings.

Let us, you and I, Saint Alphonsus Liguori, speak direct to each other. It is not a court of law you stand in. It is a dwelling of your time. It is a place wherein you reside, you take the time to work for a given area of the Will of The Father.

I discussed many things with you today. I promoted many thoughts in your vision and I gave to you time. I gave the Explanation for many things and as you heard Them pour forth through *this child*, some of you recognized It as coming from Another Being. Some wondered Who, but always there was the distraction in the knowing it was not *this child's* thinking, thoughts, that was projected

to you. It was obvious to you in her manner, her eyes, her actions, and in the Content of the Words. So it is every day, so it is continuously.

*The child* is to meet more people, but We Here in the Heavens find her not willing to go forward but satisfied with just a few learning what is so necessary for men to hear. *The child* must rest. The physical is beyond human exhaustion and this is one reason why it is difficult to face strangers in every way. Those whom she does not know take a toll different than those she knows and loves personally, because she feels in a relaxed, motherly fashion, form, way, the reality of the presence of those whom she is used to, she cares about personally, though there is little chance for her to stay with those she is attached to; she finds it difficult in many ways.

There are so many things to be spoken of. There are so many Lessons to be taught. There are so many Phases of This Great Miracle to be distributed for man to think about, to discuss, and then to use as their means to Here.

**I, Saint Alphonsus Liguori, say, 'Many Lessons were taught today, many Directions given, many finalities made.' You are Blessed from My Way, but you are also Blessed because of This Great Miracle. The Divine has spoken, The Divine has given the Blessing of Wisdom, Logic, Truth, Protection. So be it."**

APRIL 14, 1978 AT 7:30 A.M.

## GOD THE FATHER

**“I have trained *a child* well. All things that come forth through her, in Words, Actions, Directions, are Words from Here. Men cannot understand such a way to live. Men cannot comprehend such a way to walk. Men cannot have the sight to see a Vision of Light such as *this child* walks for Me.**

**I come through her today gently, for her physical has had many, many hurts. Men must begin to understand that to walk for Me is a walk of command. *This child* faces adversities, more than she allows you to know; more things that are uncomfortable, too uncomfortable to show. I have taken *a small instrument* and I have done great things. This is My Way for children upon the earth to understand Me.**

***This child* has been given the task to bring back to men the World of My Love, the Way of My Love. *This child* has been given the task to make men once again think of The Commands**

**I gave through a man, to make men try to understand the Church I gave for the good of man.**

**Men must begin to see the Value of things I gave. Men must begin to follow The Rules I set down. Men must begin to acknowledge These Rules and teach them to other men.**

***This child* through whom I speak is beyond human exhaustion. I want you to be sure that other men know that the physical role she walks in is the Direction I intend, I demand, for all men to learn from, to seek Me through.”**

APRIL 25, 1978 AT 7:07 P.M.

SAINT ALPHONSUS LIGUORI

**“My beloved children, I am Saint Alphonsus Liguori. I will speak distinct on this night. I will speak with an openness of Light. I will speak Truth. I will speak Prophecy. I will speak with Love but I will speak with a Justice for The Heavenly King Above. I will speak of the Honor. I will speak of the Valor. I will speak of Motivation. I will speak of Trust. I will speak in a manner you would expect Me to speak, as a Saint, because of the way I walked upon the earth.**

*This child* through whom I speak, *a visionary* of modern times, but yet depicting all that went before in times of old, in times that were set forth upon the earth because of The Father’s Will for the good of mankind; This Great Miracle that bears the Name of a Beloved Saint, The One Who is known Here in the Heavens as The Holy Spirit, The Third Person of The Blessed Trinity, *this child* walks in His Shadow, for His Name, in His Name, to divulge and to devote, to depict, and yes, to direct all the things that

**He Is, that He stands for, that He acts upon, for the whole of the world, for the whole of mankind, for the good of Souls to come Here to The Divine.**

**Children throughout the world wonder, could This Great Miracle be Truth, for there are so many things they do not understand. They do not hear the Direction to man. They get it in another way, through the folds of a paper, through the Words on a paper, and many do not understand These Words. It was told a long time ago that These Words must be translated into every language in the world, but men procrastinate. Men do not understand the Magnitude of The Father for the good of man.**

**But I say to the whole world through *this child*, not in the position I held upon the earth but as a Saint from Heaven Where I am, a Saint Who is constantly in service to The Father's Will, I say: 'Behold upon the earth a Great Miracle. Behold the Direction It gives to all mankind. Behold the Purpose of This Great Miracle; first, to teach men what is expected of them, the direction they must go to follow The Father's Will so they will become Saints.**

**‘Next, This Great Miracle is to re-establish what The Father first gave to the earth: a Church, a Temple, a Place, a particular formal way to Him. Men must understand that the re-establishment of this is profound yet simple, and in every way what men need to continue on in the physical life so they can become Saints.’**

**Grammatically speaking, men try to use the Words against This Great Miracle. They cannot find error in It, for the error is in themselves, in their interpretation.**

**Now let Me describe to you the Vision of yesterday. Yes, *the child* pondered many times on this day over the Great Vision that she was enveloped in, involved in, on the day before this day. Those Whom she saw on that day were Those Who followed a given Rule, Who came to Heaven through Their service, Their direction and Their love, through the Carmelite way. True, not all men and women made it immediately, but time, preparation, reparation was the answer.**

**So again, once again upon the earth, *a child, a woman* is directed to hand to others the way of vocation,**

the way of service, to serve in many given areas. All this does is give men a purpose that they would not have been able to follow unless they were directed totally, and given the advantage of knowing how to work it out for themselves.

*This woman, this child, this servant, this puppet* through whom I speak, knows that she is to lead women on to Sainthood through the given Rules, the stabilized format of service to The Father in every way. All things have led to this path.

There are many areas for children to begin to grow in, to begin to seek out and to begin to see as the path and the way, the manner and the means to become a Saint. 'All men created equal,' men say. We say, 'True, for all men have a Soul.'

Now let Us take another step of This Great Miracle. *This child* has Depictive Visions that are detailed to the minutest line within her being. Men must soon take These into their responsibility and allow It to flow forth, for the Edifices to come about.

I, Saint Alphonsus Liguori, say that the beloved Saint John Vianney

must become known throughout the world through the Society you have formed for His Name, and for the furtherance of His work upon the earth. Men must begin to realize, not just sense, but men must begin to see the value to His path upon the earth and the permanence of stability in the Teachings He gave for the Souls of men to come to Heaven one day.

The beloved Therese, a cherished One Here in the Heavens, but Many before Her also cherished with Divine Love, because of perseverance, because of respectful ways, because of dedication, because of commitment in a total manner. Remember, it is easy to say, *'I love You,'* but with this comes great responsibility, and in these words it says, *'I will give You the time, to allow me to work in the service intended for me.'*

Men must begin to accept The Rules that were passed through the beloved Moses, The Commands and The Demands of stability of growth, of merit, of unity, of purity. Men must begin to put These Rules, These Commands and These Demands before them each day of their physical life. Men must begin to see the Value of

**These Rules, These Commands and These Demands, and put Them into practice in not just a practical way, but a logical format. They must reflect their obedience to These Rules, Commands and Demands in everything they do, they think, they say, and do not forget that men must begin to portray the value of purity, their sensitivity to purity, and their love for purity.**

**I, Saint Alphonsus Liguori, come to the world through *a child* totally committed to Divine Will, and I bless you with The Father's Love and I say, 'In His Name, there is nothing more important, nothing greater; in His Love, no greater love. In His Hope, there is nothing upon the earth that can parallel to It. In His Light, no man has the fullness of It.' So be it."**

MAY 1, 1978 AT 1:50 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“The Soundness of This Great Miracle is not realized by men. The Profoundness of This Great Miracle is incomprehensible to men. The Direction, the Hope, the Wisdom extended through This Great Miracle is not being absorbed by man. I am Saint Joseph.**

*The funnel, the channel, the puppet* through whom I speak, a human form, committed to obedience, dedicated to service, cannot understand men who do not see the exactness in the Words, the Love in the Teachings, the simplicity in the manner, and the Greatness in the means.

**Men try to deny fact. Men try to deny Faith. But most men will accept fate. Men, in determination, force issues to gain entrance into what they desire, what they want. Not too many men force themselves to understand what Faith is all about.**

**A man will say, ‘I know there is a God.’ Another man will say, ‘I believe in God.’ Another man will say: ‘I**

am good. I commit no sin.' Another man will say: 'Religion is not for me. I don't believe in Him.' Another man, feeling he rises above all human understandings of what The Creator is all about, what Heaven truly is, and what the purpose of life is for, this man sometimes shouts the loudest. He is called an 'evangelizer'; not like the Time The Son walked the earth, but determining his own interpretation of things, in accumulating information that was gathered through translation by men who were interested in things.

**S**o many avenues, so many paths, so many directions, all leading to One Place, One Purpose for life: to come Here for all time, to be with The Father of all mankind.

**M**en seek Shangri-las upon the earth. Men seek Heaven in every way. Men look for perfection. Men follow all courses of life for human satisfaction, many times omitting the dignity, the honor and the magnitude of seeking out sound moral values, standards.

**T**his Miracle upon the earth is the Soundness men needed, with all things put simply, for all men to be

able to understand the Reasoning, the Purpose, the Goal.

**I speak constantly through *this child, the puppet*. I speak consistently through *this funnel*. I act, always for the good of mankind, through *this channel*. I, Saint Joseph, use a human source so that men can relate to, listen without fear, and follow the Direction easily.**

***This child*, through whom I speak, must be placed in the manner and way, the area that will give Direction for men to complete what The Father Wills, for Souls to come Here. It will be noticeably accented in how men of all kinds will respond differently when this action comes about.**

**Many men sit in defiance of *this child*, fearful she is of Truth, and yet hopeful she is. I am never away from *this puppet* for I am The Holy Ghost. I am The Light. I am The Wisdom. I am The Protector. I am The Staunchness, The Justice. I am Love. I am Perseverance. I am Prudence. I am Stability. I am Faith. I am The Light of The Divine. I am Hope. So be it."**

**JUNE 7, 1978**

## **OUR HEAVENLY MOTHER**

**“It is difficult sometimes, to tell someone how to become a Saint, when the child standing there, pleading for answers, forgets the ground rules which are in evidence to everyone. Those Rules are The Rules from God Himself. Those Rules are The Commandments of Him.**

**Children forget that in order to gain such Grace to become a Saint, they must follow a path, perhaps not always of understanding, but a path of purity to the end. So few children in the world examine their way of life, but when they learn how to do it, they find that there are discrepancies in their manner and mode of living.**

**As I speak to you from the Heavens Where I am, I say this, My children: ‘When a Miracle such as This was given to the world, It was given to guide men of all kind to a path of direction, to a direction of hope, and in a manner of human role. All children have a Soul, a Spiritual Light**

of God's, to one day return to be with Him for All Eternity.'

**I speak through a human voice and I deliver to you through a human means, the Action of Light to be followed, from the Divine Light of Supernatural Means. Such a Light is brighter than men know light to be, stronger than any sound men can hear, and swifter than any man can determine.**

**Submission to The Father's Will is a delicate acceptance of Divine Will. I hold *the child* tightly, for as I speak to you I must leave with you the Words you must remember.**

**Birth in the human form has many responsibilities attached to it. It has Goal, it has Reason, it has Purpose, it has Distinction, it has Beauty.**

**I show *the child* a Vision."**

**There is a frame around Our Lady. She is once again in all green. She has a breastplate on Her. There is a design on it. It's, I cannot make it out. It's a scroll. It has Words on it. I can't read the writing. It's — It says:**

***“A Prayer For The World”***

***“Oh Heavenly Father, teach me to know the path that will guide my Soul. Give me the strength to do what I must, to return my Soul.”***

**Our Lady is moving back, out of the frame, into the rays of the sun. The Garment is turning gold. The armor is gone. Our Lady’s Face has a glow.**

**“The whole world has been Blessed by This Great Miracle of Light. Children have been taught the way for the Soul. All good must come from the Direction left, and children must learn the reason for purity, what purity is, and to strive for it in everything they do.**

**My Garment was green, for it says ‘Life’, ‘Hope’. My Garment is now gold. It says ‘Divinity’.**

**All children must reach for the Blessing intended for the Soul.**

**I leave you, My children, but I am never too far away to listen to your words. You have been given the Direction through the Teachings direct. You are the children that must**

**pass on to others the Light of The Beloved Joseph, throughout the world. So be it.”**

JUNE 21, 1978

## SAINT JOSEPH, THE HOLY SPIRIT

**“There are many people in the world who have been touched by This Great Miracle and there are many Teachings that have been handed out through This Great Miracle. There have been many hours of tedious work done through The Miracle. There have been many children helped through This Great Miracle. There have been many hours of prayer in the direction of hope, for all the children who have the Faith to believe in This Great Miracle. There have been many daughters and sons, in every vocation of life, given help through This Great Miracle.**

***A child* stands before you, beyond your point of exhaustion, obedient to the Will of The Father, for the good of your Soul, with The Father’s Intention for you to better understand the Purpose of life intended for you.**

***The child*, in speaking, has not gathered the Words to give you, but We Here in the Heavens speak through her to you. There is never a moment in**

*this child's* life in the physical role, We do not spend instilling in her, guiding Each Word through her. There is never a time that her eyes meet yours that We are not in her eyes for you.

If I were to take all the oceans in the world, all the mountains, and put these things on a scale, the weight would not be as great as the Task given to her.

I hold her deeply. I have lighted the way. I am The Beloved Saint Joseph. My Work upon the earth is to extend once again, The Father's Will for all men's Souls. I light the path, I light the way. I promise you protection if you will but accept The Father's Will.

Children are being led wrongly, driven to despair in false ways of life. My Light is bright but sometimes children refuse to follow It.

I hold *this child* deeply, for if I did not, her physical would crumble from the exhaustion of decision, of trust, of Faith, you cannot see, you cannot know. A Light envelops where she is. This is My Light of Hope. The Heavens respond to your requests. Know this.

**The sighs from *the child* are because her body needs rest; *a warrior of Light*, to fight for what must be done on the battlefield of immorality, at a price larger than any other one.**

**Be blessed by My Light. Let It surround you on this night, and know that your Faith must grow, for The Father has brought you close for the good of your Soul. So be it.”**

**JULY 5, 1978**

**SAINT CATHERINE LABOURE**

**“No true Miracle of God is ever sent to the world for the person through whom the Miracle is given. The Miracle, when It is truly of God, is for the whole world, to bring children closer to God and to give them the strength to follow the way that is best for them each day.**

**The Commandments are a way of life and They are the way to Life, for I, Saint Catherine of Laboure, say that through This Great Miracle, God’s Love is shown in Every Word, in Every Tone, in Every Action and in Every Deed, for children to better understand The Divinity.**

**I walked the earth in a special form. I walked the earth to give others strength, but also, with the prayer in my heart that one day I would be close to The Father, even at His Knee.**

**I stand at His Feet every day of your time, and I ask Him with Love to give Me the direction to guide you to The Divine. Our Love Here is Great,**

**Our Love Here for Him, to serve to draw Souls for all time to be Here.**

**As I walked the earth, I walked as a woman in a vocation of Light. I learned that I had to reach for purity day and night. And as it was told, the way to do this is to search in each Command of Love, and look out for the abyss. Be aware, My daughters, of every moment of the day. Be aware of the evil one's way.**

**You can walk a straight path, a path of purity and hope. You can walk a path of beauty if you will but know, The Guidelines were given a long time ago, and in These Directions, These Commands of Love, you can walk a path to Here from below.**

**Let no man stand in your way; you are His Love. Let no man draw you away; you are His Love. Let no man rob you of what is rightfully yours: a chance to become a Saint for all the years.**

**Let time be His. Let your thoughts be His. Let your actions promote others to understand that you are individually walking as man, but desiring Sainthood the way God commands. Be aware, My daughters,**

**you are but children to Him. Let the time come, let Sainthood begin.**

**As I bless you from Heaven, I say with much Love, ‘I speak through *an instrument*, I am yet Above.’ We use *this child* daily to reach all of mankind. *The child* stands upon the earth; We are Far Above with The Divine, but as Our Voice reaches you in the day and the night, the Guidance is for perfection so you will one day see His Magnificent Light.**

**Be aware, My little ones, that you walk a path. Be directed by Him and never be lax.**

**As I looked into His Beautiful Face, I knew then that there was nothing more important in the world than Grace. You, too, must know this, through This Great Miracle of Hope, This Miracle of Light, This Miracle of Love; you must walk the world, you must reach for the Crown.**

**Pray that you will one day stand at His Feet and He will surround you with all of His Love, in the direction of Him, and know, My children, you have been Blessed by a Miracle in the world, Directed, Guided and Chosen by Him. So be it.”**

AUGUST 1, 1978 AT APPROXIMATELY 2:30 P.M.

### SAINT JOSEPH, THE HOLY SPIRIT

**“My beloved children, men go through times of stress and strain, concerned over issues that are pleasant and unpleasant, difficult and turbulent, some easy to be with, easy to live with, easy to cope with. *This child* through whom I speak faces issues in many ways, but never confused.**

**The Beauty of Heaven creates a tranquillity, a motivation, and stimulates a Faith of action, hope, dignity and sincerity, being able to cope with all types of situations. The mannerisms of men are regrettable, unkind, indifferent, accusing, and lack understanding toward, in and for, This Great Miracle of Light, of Hope, of Distinction.**

**To be *the instrument, the channel, the funnel, the transmitter* of Our Words, is in many ways a difficult path, position, because of the distractions men cause unknowingly, sometimes knowingly. *Distraction* is oftentimes the tool of the evil one. *Disturbance* is wicked doing. But the Greatness of**

such a Gift to the world endures many avenues of distraction and conquers all disturbance, creating a Valuable Action rather than an invaluable commotion.

If men were to picture their way of life, standing on a mound of loose soil, soil that can be compared to fine dust, and they were given a command to not allow the wind to disturb this dust and a high wind would arise, man would say, 'It cannot be done.' The Father would say: 'Your will says it cannot be done. How do you see the dust, just as dust, or do you see it beyond what it truly is? Dust can be compared to sin; it flies in every direction, lands where it can create annoyance, disturbance. So do not always think of an earthly thing in the one manner you know it to be.'

I compare this with *this child* who has been placed upon a hill of dust, told to create, to build a City bearing the Name of The Creator.

To some men This Task is as insurmountable as holding down the dust, but with full guidance through Direction, obedience to each Command, with total blindness to defeat, it

will be accomplished according to God's Plan. Faith, trust, love, hope, obedience, say far more than just ingredients, but each of these has its place, determinations and purpose.

Now let us compare this to a time long ago when a man stood upon a mountain and was told he was in charge of all The Rules in the world. The man's reaction was not to ask, 'How much credit would I be given?' but, 'How will I get them to know Your Will for them, Your Way for them, the desire You have for them, the Logic for them, of These Commands for them to grow?'

The Father's Words, Mighty, Strong, Direct, said: 'Go Moses, now, to the land; tell them My Words, My Desire and My Plan. Let no man disturb you, let no man destroy you and let no man detour you and let no man dilute My Words. And if they shout, "You will be deluded by such a Grand Plan," say to them, "I walk in Truth, it is The Father's Will, it is The Father's Command."''

Then there was a Time when a Portion of The Father, The Creator, The One and Only God, gave to the

world of Himself, Portions, so that man would be able to learn from, to imitate, to better understand the Purpose of human life, the Goal intended for it. Man was given a Temple of Love, a Temple of Direction, a Temple of Learning, a Temple never to be destroyed, a Temple of Faith.

Now, in This Time, man is given a portion of the earth, to build upon it, through the Direction totally of God's Will, giving men of all races, all creeds, a place to come to, to learn; it is in comparison in every way to the other Two. It is a Final Hope for man. The Directive given truly involves many Directives.

*The child* through whom I speak is on top of the Hill, obedient to God's Will, standing ready to hold down the dust with the buildings to be built. It is the logical approach to control the dust. I am The Holy Ghost, I am The One known as 'Joseph'. So be it."

AUGUST 8, 1978 AT 3:55 P.M.

## GOD THE FATHER

**“What if a man before your time did not listen to My Words, act upon Them, carry Them through, follow Them line for line? A man named ‘Moses’ performed in this way another day.**

**Children omit the Magnitude of Whom I Am and the Purpose for which I speak through man. I am The Father of all mankind. I am The Creator of all mankind. I am The Dispenser of Life, The Transmitter of Truth and The Love of Hope for each man in the world.**

**I have given to all mankind a Purpose for life. In no way would I leave man alone and cause strife. *This child*, through whom I speak, is *a transmitter* for Me, of My Will for mankind, for all time. It is now as it was three thousand of your years ago: a Message is given, Direction given, and Purpose for the Ultimate Goal.**

**Two thousand years ago, your time, a Man stood upon the earth, and yet He was Divine. His Purpose in such an act was this: to leave upon the**

earth a Place for men to reach out to, walk in and find Grace. A Temple was erected, a Temple of wisdom, learning; a Temple of progress for all men to seek. As it was in the time of Moses, it was also at this time. Men rejected Truth, men rejected the obvious thing to follow. Men presumed, to their own liking, what would be best for them.

**M**en are nothing without Me. Men are trivial in every way. I am The Strength of the world. I am The Conqueror of all things. It is My Might, My Power that holds together all things.

In your time I have sent forth to the world *a child* to deliver My Will amongst all men. Men slip by the Facts of Logic and pretend to not hear the Magnitude of this Delivery for the good of their Soul.

‘What next,’ I say to man, ‘must I perform to set you on the given road?’ My Patience is close at hand. My Wrath I hold back by Our Blessed Mother’s Hand. And I say to each man in the world, ‘Conquer yourself and you will conquer the evil one’s role, but if you dismiss the Honor due Me and accept

only what you feel is acceptable to you, My Wrath will have to show.'

I have set forth a Place upon the earth, through which, from which, by which, in which, My children throughout the world will better understand the Magnitude of Whom I Am, and the Purpose of each physical role. *This child*, through whom I speak, has a contract with Me, a commitment, a dedication, a service that cannot be stopped by man. There is no place upon this earth man can go to and hide from *this child*. It is My Will for the good of the world. This City, bearing My Name, must come to pass soon, without the arrogance of man, the ignorance of man, the passiveness of man, to show.

*The child*, through whom I speak, plays a great role in the world, one in which no honor will be hers; but the responsibility is, and it is Great, beyond man's interpretation of greatness. Responsibility is sometimes more burdensome than men like to see, to feel, to get to know. Sometimes men are more capable of laziness, excuse, and they feel it satisfies a particular role. Not so. These things are the tools

of the devil, the evil one, the enemy of Mine, but the enemy of you.

**I** would like to come to the earth through *a child* one day and say: 'I am happy with all undertaking. I am in love with the way you pray.' I cannot say thus today. Men are scoffing at the Reality of Me. Men are playing with the Reality of Me. Men are dragging Me down to the pits of Hell with the enemy of all. Men must stop. There is much to be done, much in every way, and I say, 'This is a Great, Responsible Role.'

**Men** say they have faith. 'Faith in whom,' I say, 'faith in what littleness you are, or Faith in the Mightiness I Am?' I do not want to destroy the world. I do not want to show My Wrath. I do not want to be intolerable of men's way. But I come to the earth through *this child* every day she exists upon the earth. I speak gently. I speak firmly. I sometimes speak in a light anger. I sometimes repeat and repeat and repeat what I feel must be done. Men sigh, look, and then walk away. Some even have the nerve to disagree. This is a sadness to Me.

**I announce These Things to the world and I say, ‘The time has come for men to kneel more, pray more, serve for an Ultimate End, and see time as Mine, not theirs; and they must use their will to conquer what I say must be conquered.’ I have placed in Vision, through *this child*, the answers I want to be accomplished now.**

**I have spoken. The Message is clear; the Value, for the good of all Souls, and I say, ‘The Words spoken through *this child* are Mine in every way, every day she lives upon the earth.’ So be it.”**

AUGUST 9, 1978 (EXCERPT)

SAINT JOSEPH, THE HOLY SPIRIT

**“My beloved children, I hold *this child* deeply for many, many reasons. The Light through which she speaks is the Light of Mine, for the whole world to learn more of what The Father Wills for each man’s Soul. *The child* walks in a Light of Hope for all of mankind and *the child* walks as *the transmitter* of Words for the Direction of all mankind.**

**There are many, many degrees of ecstasy in which We hold *this child*. Many of these degrees, unseen by man, form a web, a funnel of more Preparation, more Teaching for the whole world. Men feel that such a path of life is a simple form, and I, Saint Joseph, say to you tonight, ‘The path The Father chooses for a child is never delicate, always demanding, always a path of great obstacles to be conquered, for the good of all mankind.’**

**Many times, Here in the Heavens, We shout through *this child* to reach a particular child. The command is**

strong, the demand powerful, and *the child's* task difficult, for in the path, forming many obstacles, are the wills of men of all kinds.

In such a time as this, My beloved children, I touch *this child* with the Light of My Power, the Will of The Father, and I penetrate her whole being with a Force unknown to man.

The world on which you live, from which you survive for your needs, is technically just a place wherein The Father created the means for human environment to walk with Souls that would one day come Here.

There is no challenge to purity, as you suspect. The Rules to reach it were given through the form of a man, obedient to the Light of Divine Hope, Divine Will, for the good of man.

I penetrate *this child's* eyes with a burn of Hope, concentrating on the Truth and the Logic of which you are aware.

When We walked the earth, in the years of another time, We walked solidly in the human form, totally aware of The Divine; Teachers of what The Father Willed, handing firsthand the

**Truths, the Way, the Means, the Manner that was to be followed for all time. Stories have been handed down, not all truly given, not all truly described in the manner they were performed at that time, but nonetheless, a fragment of Truth touches your life to give you the strength to know the Value of The Divine.**

**As *the child* spoke a short time ago to you, on the smallness of a place wherein great power penetrated the whole world<sup>1</sup>, through which children of all kinds were touched by the strength, The Father's Will is for all men born to the world to return to Him. The size of *one*<sup>2</sup> who is sent to deliver the way is not always the size of the universe but always the size of a postage stamp.**

**Men, in the time in which I walked the earth, read script, and they delivered great sermons on this script. The Light of these sermons was not always absorbed by those who read the script, but very often translation changed the full impact, the full meaning of the script, but I say to you,**

---

<sup>1</sup> Refers to Vatican City.

<sup>2</sup> Refers to Frances Marie Klug.

**‘You have the Direction you need; it is The Father’s Will.’**

***The child* through whom I speak, in the world but not of it, walks in a funnel of Light, in the center of the Wind of My Power, raised to the upper part of the cone and back down to the bottom as I Will it to be, for the sake of those with whom she is, every moment of the day. You can repeat these things.**

**My children, it takes great strength to walk for The Father, relentless against the odds men decree, but the Light I Am, the Hope I Am, the Protection I Am, is of The Divine Three.**

**There are so many areas through which *this child* walks, to make those comfortable who do not have the Faith to believe. This, My children, is the most tiring state of life a child could bear for The Holy Trinity.**

***This child* has endured a great ‘Preparation’ in the weeks that have passed. Men could not see the hurt, the pain, the perseverance that had to be, but I come on this night to tell you, and the Light of My Way will give you the strength if you allow it to be.”**

AUGUST 20, 1978 AT 8:33 P.M.

SAINT MATTHEW

**“My beloved children, I am Matthew, Saint Matthew. So many times children request to hear from One of Us. So many times children ask for favors from One of Us, but in reality, they choose a Connection, an Intercessor, a way to get what they want to fulfill a desire, a need, a purpose they decide upon. Children constantly ask for monetary means. Few children ask for their Soul to be seen by The Father, accepted by The Father, and few children truly understand the search they should have for purity.**

**As I speak through *this child* upon the earth, I say to you directly: ‘There is no Miracle in the world as This Miracle is. There is no communication as perfectly as This One; except, of course, The Sacrifice of Love, Light, Hope and Truth, in the Communion with man of The Body and Blood of Him.’**

**Children must begin to realize, children must begin to understand,**

**children must begin to dwell more upon the actual fact of why they are man. Children must begin to recognize the value of Truth, the sincerity of Faith, the dignity of Faith, the meaning for Faith and the reasonability of Faith.**

**Personalities throughout the world are distinguishable through their manner, their heritage, their environment, their ways, their vocations and their appearances.**

**So many times in the world, children request of The Father someone to be sent whom they could recognize as a True Descendent of His, and someone who is totally in His Grace, working in His Way for the good of man. Men decide how it should be. Men decide what they would accept, how they could accept it, in what manner they would accept it, and what would be best for them, from The Holy Trinity. When The Heavenly Father, The King of All Creation says, 'I will choose the Manner, I will choose the Means, I will choose the Way, and I have given you the Total Direction,' men say, 'But that is not how I want it to be.'**

**Such a sadness Here in the Heavens when children react so blindly. The blindness they react in is not a blindness of love, a blindness of Faith, a blindness of truth, a blindness of reality; but, a blindness determined totally by their own inadequacies, insufficiencies, lack of self-discipline, lack of self-control, and also, their egoism and their own pride within themselves, in the determination of how The Father should act for them upon the earth.**

**So many times The Father says, ‘Send This Message to the children,’ and when the Message is sent by One in the Heavens, those who receive the Message refuse to believe, refuse to accept and refuse to change their ways. Now I, Saint Matthew, come upon the earth through *a voice* you recognize, through *a human being* you know, and through a manner that you can understand, easily acceptable if you will but allow it to be so.**

**The Greatest Miracle in the world is when The Father cares so much that He hands to people His Love, and He says this: ‘Follow this pattern, follow this thinking, follow this way, and know that every Direction is for the**

good of your Soul.' Then The Father says through *this child*, 'Reach for purity, remember The Commands I gave a long time ago.'

The children say, 'Ah, that sounds good,' and then they walk away from it, for you see, it is not within their way of thinking and they feel that to follow These Commands, as These Commands were given a long time ago, will disturb their life, will disturb their way of thinking, will disturb their manner, their mode of dress, their way of responsibility; it will disturb what they are in the habit of being a part of, what they are in the habit of doing, and what they are in the habit of accepting for themselves.

So many times upon the earth, since This Miracle was given to the world, men have become enthusiastic, interested and even acceptable, to a point, in What Heaven has delivered through *this child* in Words; but then, when things began to turn another way and they did not find the excitement or the newness stimulating, they turned away, they turned another direction. Then The Father says, 'Another child, not destroyed by My Will, but not accepting My Will because it is not in

their thinking.’ So many times The Father is disappointed in the children because He hands to them Great Gifts of Love, Great Gifts of Energy, Great Gifts of Hope, Great Gifts of Need, but the children reject these things.

Upon this Mound of Soil *a child* has been placed, *a child* understanding that Each Word spoken through her is of Divine Grace. Each accounting that must be accounted for leaves no room for one moment of action, thinking, that is not The Father’s Will.

I bless you through *this child* and I say: ‘The child collapsed on the world one day not too long ago. Through the prayers of *this child* at that moment she was brought to her feet and allowed to go on for a few more days.’ I, Saint Matthew, tell you this, for you must know abuse in this manner is more difficult on the physical than men know. So be it.”

AUGUST 23, 1978

## OUR HEAVENLY MOTHER

**“Today, in Heaven, The Saints talked. Today, in Heaven, The Saints interceded for men. Today, in Heaven, God commanded The Saints to accomplish certain things. Today, in Heaven, The Saints responded with thanks. Today, in Heaven, many, many Messages were given to help children upon the earth learn about Heaven. Today there were children upon the earth that never thought about Heaven. Today there were children who were uncontrollable in behavior, in charity and in mischievousness.**

**Now I say to you from Heaven, Where I am, ‘Know, there is never a moment upon the earth that Heaven does not touch, for each of you.’ Men sing great songs about Heaven. Some men talk great words about Heaven, but no man knows Heaven; except, of course, Those Who have walked the earth and now spend time as Saints in Heaven.**

**Heaven is Light. Heaven is Truth. Heaven is Charity. Heaven is**

**Hope. Heaven is Love, different than men know it to be. Heaven is Certain. Heaven is Strong. Heaven is Stability. Heaven is the Goal that men must reach for, through purity. The path is lit, the Teachings there, the Hope extended in Words, in Action, in Love from Here.**

**No man upon the earth can deny God's Love. No man upon the earth can design God's Light as It is Above: a Light in the physical form, a Light through the Words Heavenly formed; a blinding Light to some, a hopeful Light to others, a Loving Light.**

**Men do not understand Heavenly Light. It comes in small doses, for man's littleness could not withstand the Magnitude of Heaven's Light. Light is assurance that children must not walk in darkness, but to seek the Light of wisdom, to seek the Light of purity and to seek the Light on the path to the Goal.**

**My beloved children, I am your Heavenly Mother. The Light of the Heavens is throughout the world, in degrees children accept for the good of their Souls. This Great Miracle of Hope, teaching children of all races,**

**all ages, all creeds, the Truths, is a Miracle of Light, Understanding, Dignity and Integrity, never in any way blemished, for It is a Light for the Soul.**

**Sacrifice is not more than man can stand. Sacrifice is within the capabilities of man. Children are told of Faith, they are given the Light of Hope, but sometimes they refuse to hold onto the Gift of Faith.**

**Be blessed, My children, by the Light of My Mantle and know that This Gift is given in Charity untold. I bless you with a Mother's Love and I say, 'The Light of Hope is for you to come Here one day.' So be it."**

SEPTEMBER 2, 1978 AT 10:05 P.M.

## SAINT BARTHOLOMEW

**“Many times I have spoken Words of Direction through *this child*. I am Saint Bartholomew. *This instrument*, through which I speak, in which I give Direction to all mankind, I say now to the whole world, ‘The word “Faith” was My Word to speak of a while ago.’ Men in the world do not walk in Faith in The God you know to be. They are blinded by self-love and they walk in a faith totally of themselves.**

**There are so many areas of Faith. Faith is a way of life. Faith is a strength for life. Faith is a means of hope. Faith is a Gift of Love from The Father Above. Faith is a necessity. Faith is much a part of life. Without Faith, men rationalize, analyze, theorize, and depend upon opinion. Men forget the Act of Faith is a Great Act; the Gift of Faith, a Great Gift.**

**When a child is conceived, the normal action for this child to come to the world as a human being is accepted in Faith. Knowledge is evident, but Faith definitely the major way. Men**

refuse to accept Faith in the manner God intended.

**A** long time ago a man was given Rules. Though he knew These Rules were given direct by The Father, it was this man's Faith that accepted The Rules, walked with Them, and passed These Rules on for all time. Men look at his Faith, say it was a Great Faith, admire the Faith. I, Saint Bartholomew, say, 'This is good but it would be better if you obeyed The Rules, using your Faith to strive for Sainthood.'

**M**en omit purity from their lives because they do not have the Faith to believe in The Rules that are so necessary to attain total purity. Total purity is not out of man's reach. The Commandments that were given are The Guidelines, The Rules, The Demands and The Commands, by which, through which men can place their whole being in order, and attain purity as God intended it to be.

**A**sk yourself, in the moments to come, 'Are you a child of Faith?' If you answer 'Yes,' you will have to look to this formation of questions to be answered:

**First:** Do you accept God as your Creator?

**Second:** Do you respect God for Who He Is, What He Is?

**Third:** Do you respond to time in His Honor? Do you reflect all these actions, words and deeds in a manner and a form of Faith? Do you take a specific time to honor Him?

**Fourth:** Does your Honor reflect in all things you do, showing your love for Him in a special way; and through this love, respect for the humans that conceived you, gave birth to you and helped you grow?

**Five:** Do you see the beauty of giving hope rather than killing the Spirit, the will, the life and the love of another human being?

**Six:** Do you take the time to never abuse the physical, never draw others into sin? Do you look at the goal of purity as your obligation? Remember this.

**Do** you ignore the fact that stealing any thing, through thought, word, deed, action, would cause an impurity to you? Do you feel that you

**do all things in the correct manner so that your presence in a room helps rather than steals from another human being, position, time, consideration?**

**Do you use your mouth in any way, your actions in any manner, against the name of another human being? Do you scandalize their life in any way? Do you act hypocritical toward another person?**

**Do you, in any way, show false attention?**

**Do you, in any way, intimidate another man, woman, or cause injustice to properties?**

**Ten Rules toward purity; Ten Commands, easily acted upon; ten ways to become a Saint.**

**I speak through *a child* whose voice is barely audible and yet My Words are forced through her for your attention.**

**A man sits in judgment of *this child*, totally unaware of the injustice he extends, supports, promotes. It is too bad this same man could not hear My Words.**

**I will bless each of you in My Manner, and I repeat to you a very special line: ‘Do you accept Faith in the magnitude it is meant to be?’ I, Saint Bartholomew, say, ‘Faith in The Commandments of God is your path to purity.’**

**There is so much more to be said through *this child*, but the Power I must use to reach you is difficult on such a weak body. The schedule *this child* has been told about must begin immediately. She knows this. The exactness of this schedule is important. A City is to be built. Men are to act in Faith and to grow in purity. The Strings that hold *this child* in place are as puppet strings, but made with The Father’s Will for all of mankind. So be it.”**

SEPTEMBER 20, 1978

## OUR LORD

**“Today I went to a very big place and I opened the door and I went to the front. A Man approached me and I said to Him, ‘I would like an x-ray.’ He said, ‘Fine,’ and I said, ‘An x-ray of my Soul.’ He said, ‘Fine,’ and He said, ‘If you will come into the next room, We’ll start the proceedings.’**

**I followed Him into the next room. I recognized some of the equipment; some of it I did not. But We went to the first place and He said, ‘Now look at this chart well.’ And I stared at the chart, knowing what it said but realizing that in the diagnosis, perhaps I had eliminated some of the meaning that would be beneficial for my Soul.**

**I looked very strongly at this chart, and He said, ‘Now, as your Technician, I feel that this first step is very important, for you to be placed correctly in front of the chart so you can see it well, so nothing on the chart will escape you.’ I said: ‘I see it, I recognize it. What will it show when**

**I finish?’ He said, ‘Well, first, child, it will show if today you remembered to examine your conscience,’ for you see, My daughters, this child was looking at the Ten Commandments, and in the Light that was shining from the Ten Commandments the x-ray of purity was showing.**

**When all was finished at this first examination, We moved on to another place. I recognized all that was here. It was an Altar with a Chalice. But He said: ‘Wait a minute. We’re moving too rapidly. The x-ray will not show clearly. We must go to another place.’ So We moved in another direction.**

**It was a very little place, and as We both stepped into this cubicle He and I were Face to face. He said, ‘Now, to have this x-ray clearly show the Grace that’s in your Soul, We must first question how you act, how you pray, how you work and use every minute of the day.’**

**As I knelt upon my knees He said: ‘Let Us begin with an opening prayer. Let Us examine the first place.’ As We did this I realized that I had not taken the time to examine the Tablets as I was told to do so many times.**

**He got the First. I thought, 'This is an easy one; I will pass this test with no flaw, with no slap in the face.' But I realized, as He began to ask questions, many times that day I had replaced God with my family, with my friends, with my work and with my social grace. I said, 'I'm sorry, God, I did not realize at the time that I had set You aside for the human race.' 'That's all right, child, it must not happen again.'**

**We went on and on in every way, and when We reached the last one He smiled and He did say: 'The goods of another man are important in every way. Do not forget, when you sin against one of Mine you sin against Me, and there must be regret.'**

**When We finished in the cubicle I felt weary and perhaps disturbed, but the Blessing that He gave was one alone, for He said to me, 'I hand you Grace, and with this Grace you can go on, for this Grace will change the x-ray at the end.'**

**As We came out of the cubicle and We walked to the Altar of Love, He stood behind and He said to me: 'This is My Flesh and Blood. Children are**

forgetting that This is truly My Gift to them, and through It, with It, in It, the Love It is wipes out all expression of sin; for a child that holds Me within cannot be in sin. Teach the children to know this. Give them the strength to cherish It. Now, child, let's walk on and look further into the Soul so We will be able to see any darkness left in It.'

We walked a little further on, and I looked at a big urn of water, and then I looked into His Face, and I asked Him what it meant. He said, 'Men forget the beauty of a Sacrament, but the Water of Life that is handed to man in Baptism, takes the Soul that I created and gives It the strength, gives It the Faith, gives It the hope, and cleanses It.'

Now, My children, We walked on. By this time I was not sure, but He said: 'Come, the time is short. And now I will show you a special one, a test that every day, every man does face, a test that says decision is made; it must be correct, but men say, "Ah, if it's wrong, I'll make the most of it."'

We faced a mirror, Each of Us, but in the mirror I could not see Him.

**I could only see the reflection of me. Where He was, there was no Him. I glanced, I noticed my hair appeared disheveled; my dress, perhaps with a wrinkle in it.**

**As I turned to look at Him, He smiled and said: ‘After consuming the Body and Blood of Me your Soul is brighter, child. Remember this.**

**‘And do not forget that when you teach My Way and show children the time is limited, the x-ray will shine so bright that I will not see a flaw in it. Teach the children to tell others of Me and when they do, tell them this: that every day is a day to x-ray their Soul with the formula I have given It.’ So be it.”**

SEPTEMBER 20, 1978

SAINT ALPHONSUS LIGUORI

**“It is easier to live seeking purity than to live accepting immorality, for to seek purity in every moment of the day gives more Light to the human way, more Reason for it, more Purpose to it, more Love in it, more satisfaction in the Goal it was given for.**

**Men must understand that to fight in a court of law would be foolish if you had no plan. If there was no knowledge to base the facts upon, only a foolish man would stand up, shout words, for then no justice could be shown; but a wise man asks for Light, Enlightenment. He studies and he has control, and he uses every bit of energy to right the wrongs.**

**My children, I am Saint Alphonsus Liguori, and I speak often through *this child* who stands on a tightrope of Light for man, in what men would term ‘the midst of the wilds’. Men have forgotten the beauty of peace, the justice in truth and the hope in purity. Men have forgotten to stand up to be counted for morality.**

**I** oftentimes speak through *this child* and I pace back and forth, with justice in every action that I take, with hope in Every Word, for the Soul's sake.

**I** ask you on this day to take the Words that were first given to you on x-ray and hand Them to one else whom you know. And remember that you are in charge of the x-ray of your Soul. Be aware, My children, of all that is right. Be aware of the Beauty of Light, and be aware of troubled waters, for in them the evil one approaches and he tries to make things look right.

**So**, as you are Blessed with a Heavenly Love, remember, My children, the x-ray of hope is God's Love. So be it."

SEPTEMBER 22, 1978

SAINT ALPHONSUS LIGUORI

**“My beloved sons, to hear *a child* in the world describe how We gather her attention is always a delight, for as *this child* stands in a Light men do not totally understand, the Light that shines forth through her, for the good of man, is always felt by those with whom she speaks, meets and acts.**

**I am Saint Alphonsus Liguori. I have spoken so many times through *this child, this puppet* for The Father, who stands upon the earth as you, and yet walks in a Light of Divine Light, totally for Souls to better understand the human role, the Purpose of life, the dignity for which each man is born.**

**Men seek a light to read by, a light to work by, a light to see others by. So many times, a Light directed by Heaven, by The Father Himself, is not seen in the manner a light upon the earth is seen, but you can be assured that this Light, different than other, is a Light through which you will find Stability, Growth, Grace and Faith.**

**U**pon the earth men rally when they feel a cause is necessary, exciting, or has great promotional need; but, to gather in rally for the Souls of men is sometimes difficult for men to believe.

**I**n the time in which you live, My sons, there are few leaders in the world. In the time in which you live, you have been given a Miracle to announce to men the Purpose of Great Worth.

**M**en are sinning throughout the earth. They stand upon the world The Father created and they commit blasphemies, horrible acts, against Him. They justify these acts by the language they know, and when they do this they commit more ugly actions against Him.

**A**bout three thousand years ago a man was given Words, not just to live by, but to extend to every man in the world: Words of Hope, Justice, Direction, Light, Faith; Words that were to bring men to the Feet of God one day.

**N**o man can enter the Kingdom of Heaven unless he has purified the way. Men shout, 'I will be Judged

by The Father,' and they forget that before such a Judgment there must be much action taken in many ways. Men shout, 'I must change my ways.' They do nothing about it.

I hold *this child* deeply, for no man knows the condition of the physical wherein weakness continuously grows.

Tonight, if a man were to meet you on the road and encourage you to sin against The Creator, The Father, The King, you would say, 'I feel the temptation, I feel the need.' But remember, My sons, a very important Lesson was given to each of you, on your will. Through *this child* We have told many children in the world, 'Your will is your line of decision to say "Yes" or "No", "I will", "I won't".' This, a short statement of acknowledgment, of action, sometimes crosses many roads.

As I walked the earth, I fought in many areas, for the good of men's Souls. Today, *a child* stands in the world, *a puppet* drawn by Golden Strings, and through her, millions of Words.

**O**ne day, I promise you on this night, you will face Me, you will face Others that walked the human role. Ask yourself if you could face Me tonight in a personal way. I wonder if you would agree that this would be the time for The Father to give you Judgment, so you could be a Part of the Heavenly Way, with The Holy Trinity.

**M**en shout, 'Mystery.' Men deny mystery; they want fact. When fact is given they ignore fact, for they cannot comprehend the Truth in fact, the fact of Truth. Men deny the Beauty of life, and yet they want to live. Men compromise, men patronize, men water down fact, truth, life. Men try to say they want to be without sin, but they do not act in this manner; they compromise.

**S**ometimes men say out loud, 'I would sell my Soul for this.' The very thought weakens all things, and the evil one grabs hold of it.

**S**o, make it a point, My sons, that as you walk the earth, you will always say, '*God, help me to make the correct decision so I will one day walk only Your Way.*' Never omit the request

of Him, and never permit yourself to deny Him.

**I** am Saint Alphonsus Liguori, and I fought upon the earth. And, many times I fell to my knees, screaming, ‘*God, help me, I do not want to sin.*’

It is more difficult to ask help at this time for when weakness creeps in, it is easier to bend your will; for, you see, the senses are momentary, but do not forget, for every sin against Him, a mark remains upon the Soul, that must be cleansed.

**T**o become a Saint is not an easy task, but I guarantee you it is the only way, for then there is not only Glory, but Heavenly Light in every way.

**S**o, as *this child* speaks My Words, I say to you, as Saint to men: ‘The path is a beautiful path to Here. I will guide you on it, if you will but ask Him.’ So be it.”

SEPTEMBER 26, 1978 AT 7:08 P.M. (EXCERPT)

## GOD THE FATHER

**“I have spoken many times. I have reiterated many times, My Request, My Demands, My Love, My Desires, My Hopes, for mankind. I come on this day to say once again, ‘I want the whole world to seek out This Great Miracle of Mine, to feel the impact of It, the Intention It has and the Direction It gives to man.’**

**I speak through *a voice*, human, as you know it to be. I speak through the accent of Light and I say, ‘Be aware of all things I have given to the world for My Love to be.’ I shout, ‘I love you.’ Men reject this Love. I shout, ‘Give Me My Way, for it is for the good of you.’ Men reject this plea.**

***This child* is facing obstacles beyond man’s comprehension, beyond man’s potential of understanding, but I, The Father, shout from the Heavens and I scream with Love, for men to see. I shout, ‘Look for dignity, look for integrity, look for stability in My Name.’**

**I gave Commands to a man a long time ago. I shouted to him, 'Let These Commands be known.' You are the recipient of These Commands I gave a long time ago.**

**I am your Father. I am your Creator. I am your King. I am The Light of the whole world; whether it be a physical light, a Light of Hope, I Am It, I Am All Things. Men say, 'God is All Things.' They shout it, but many men shout these words for their own intentions, their own gain.**

**Now, I say on this day: 'Be aware that I, your Father, speak, and there is no one to compare with My Words, My Intention, My Love, My Hope, My Need. You are the one who must react and act according to what I Decree. You are the receivers of hope for Me.'**

**I speak through a *child* and I say, 'On the top of a Hill, small in every way, but through *this child* I give to the world My Love, My Intention, My Hope, My Need, My Life.' I gave to the world, for men to see, the life of a Man, in Sacrifice for Me.**

**I am your God. I am your Father. I am your Creator. I stand Here in the Heavens and I have given you a**

Miracle of Hope for men to feel. Men say: 'Show me a sign, God, and I will believe. Give me the facts, God, and I will do as You say. Give me the way and I will follow it every day.' And I say to men, 'I have given it to you through The Rules, The Commands, a long time ago, through a man such as you.'

Men use interpretation, translation as an excuse to deviate from My Will. Men shout, 'I did not hear it according to His Will.' Men do not bend to My Way. Men do not bend to My Will, according to the manner in which I proclaim it must be. I shout through *a child*. I shout through *a weak child* and I say to all men: 'You must bend to My Will. You must see My Way. You must look for the path of purity.'

There are so many things for Me to say, of Instruction in every way. I have given to *the child* many, many, many, many, many Words, millions of Words, and in These Words I have given the Way; and in this Manner I have delivered to the world My Pronunciation of Fact, Truth, but men say: 'How can it be? Why her, why not me?'

**I say to the world: ‘Why My Son, why not you? Why the Beauty and Mercy of Me? Why could I not depend upon you, a human being, to be the Sacrifice totally for Me? Why could I not say a Woman in the world could walk as the Tabernacle of Light, Life, Hope? Why could I not say that a human being could be The Protector for This Great Church?’ ‘Why, why?’ I say to you. I, your Father speak: ‘Why? Why did I have to send a Portion of Me?’ Men deny this. Men say, ‘Why did it have to be?’**

**Men do not want to understand My Generosity. I use a physical being, as I have oftentimes used a physical being. I use a human voice, as I have often used a human voice. I use a human being to display to the world, to extend to the world, to give to the world Who I Am, What I Am, My Desire for every human being. I hand to the world, through *a voice*, through *a hand*, through *a body*, through *a means* that I created, that men will seek, men will see Whom I Am.**

**Men use many excuses to not understand. Men display many things for they do not want to accept Whom I Am. It is easier to bypass Me, to pass**

by Me, than to accept My Direction, My Will, for the good of man. It is easier to make an excuse so they do not have to tolerate My Will.

**Excuses I hear often. All the time, every day of human life, I hear excuses from mankind. Excuses are an abomination to Me. How can I say through *a human voice*, through *a small body* I have created, that I am The Father, I am the Means, I am the Manner, I am the Way, I am the Path, I Am All Things?**

**I cannot tell you the sadness Here in the Heavens, and I use *a human voice* to discuss it with you, to teach it to you, for you could not stand My Power, you could not tolerate My Way, My Power, My Means. No. You would have to turn away from It, for I Am All Things.**

**I am tired of excuses from man. I am tired of man using time against Me, time consumed in other things. So many times I beseech man to accept small favors for Me, but men, determined to execute their time in their own manner and way, bypass Me. If I were not The God I Am, if I were not The Giver of Life, if I were not The**

Dispenser of all things, I would close out men and I would say, 'You are not sufficient in any way, you are not what I want you to be, and I have the Power to cast you out.' My Wrath is held back by The Queen.

Men say, 'Why her?' They refer to *this child* through whom I speak. And I, your Father say, 'Because I knew she would be obedient to her dying day.' Let no man criticize *this child's* actions for there is no action that I am not Part of. Let no man criticize *this means* for I Am In Control.

I bless you, My children, from Heaven, and I say, 'I want all things to be understood, that through This Great Miracle of Light, Life, Hope, Direction, I say to each child in the world: "There is a path; I have given it. There is a Way; I have shown it. There is a Means; I have instituted it. Let it be seen as it was instituted in the manner I Decreed."' So be it."

OCTOBER 5, 1978 AT 12:54 P.M.

## OUR LORD

**“I came upon the earth one day to instill in men the perfect way. I knew when I would speak, I was teaching them a special way. So many times, as I would look into each face, I would see the hope and an immediate desire for special Grace, and as I spoke on in a natural form, I would feel each one listening, relax, for in the continuity of My Words, they would feel tranquillity.**

**So many times I spoke of The Father’s Will for them; His Intention, through My Words for them, to conquer weakness and grow in strength. They would listen intently to My Words, and as they did, I could feel them growing in love with Him. I also knew that when I walked away from them, they would be caught up in the obstacles of life and they would stray from Him. The depth of My Words, the tone and the inflections were meant to remain with them, for even though they would stray, the Soundness and the Sounds that went their way made an impression on their minds, in their hearts, and many**

of them would remember to pray. That is why, My children, it was necessary to leave an impressionable Sight, a Personal Means upon the earth for men to absorb continuity.

When all things were created, the cast for life was in the Will of The Father even then, and when it came the time to give the breath of life to man, the perfection of the human body showed the obvious, that such a Creation was not a creation of man.

So many lessons in the world, so many avenues for Faith to follow, so many dimensions for logic to be seen, for logic is unlimited. Logic is not a man's dream.

The eyes of a man are linked with the Eyes of his Soul for him to see the reasonings, the purposes, the goals.

The Gift of smell, to detect good from bad, is also linked with the Soul, for odor describes many things. The Odor connected with Divine Things has an Odor of Beauty, an Odor that can be described as many things. The stench of evil brings to the scene a terrible feeling, disturbing in every way, every means. The whole man reacts to the odors that depict many, many things.

**The Gift of taste can be pleasant or unpleasant. This, too, attaches itself and is attached to the sensitivity of the Soul, for taste says many things.**

**The Gift of touch, the feeling of being able to discern whether an object is harmful or one that should be held in respect, this Gift of touch covers the human sense of reality; for, in touch, the sensitivity touches the nervous system and the nervous system reacts totally. This link to the Soul can have a good effect or an irritating effect on the sensitive Soul God gave to each man.**

**And now we come to a special Gift, the Gift of hearing. How many men believe everything they hear, even things that diminish them to the tendencies of an animal, of a vegetable? This has a distinct mark upon the Soul, for when the mind is triggered with good or bad through the hearing, many things attach itself to this Gift. Children learn through their hearing. They react to what they hear. It is a use of obedience to listen, for this is the learning process by which they can extend the brain to be productive or unproductive in many areas of life. When a man hears**

**good things, it motivates him in many ways to be good, to do good, to be a part of good. When a man hears wrong things, it triggers his mind, it creates a turmoil, and sometimes motivates a frenzied atmosphere.**

**There could never be too much spoken from Me, on man, but as I give this Lesson of Truth, Logic, as I did a long time ago, I give it with Hope, for in every age of man, hope is a necessity, hope instills more hope, and hope motivates charity. Hope is not the last means but the beginning of many things. Hope is The Father's Love for man. That is why the first portion of Faith is hope, for Hope is the Action, the Light, for man to be able to attain the Honor and Glory for his Soul. So be it."**

OCTOBER 11, 1978

## OUR HEAVENLY MOTHER

**“There are so many avenues to reach God through and to reach God in. Sometimes people become restless when they do not understand what is happening, and sometimes people become irritable when they cannot comprehend what is being said, but through *This Great Miracle Of The Beloved Saint Joseph*, All Direction, All Teaching has been given so simply, so logically, and yet is so Profound. Direction is always for the good of the Soul, the Teaching always to help a child along the road; and the simplicity, to help the child not feel inadequate, but to be able to recognize God’s Will in It.**

**There are so many children throughout the world who chastise themselves for they feel they are not of great intelligence; but, if they will but realize the beauty of simplicity, the logic in truth and the beauty of prayer, through this means they will come Here.**

**My beloved children, in no place in the world do We speak as We speak here, through *an instrument* of The Father's, for all men to hear. A physical light shines bright; the Light of Wisdom is reflected in Every Word. Hope is extended beyond what men hope and beyond what men know hope to be. Hope is the beginning of many things. Hope is the reality of many things. Hope is the strength to endure many things. Hope is the purpose for many things.**

**I hold *this child* deeply, and if I could show you the total weakness of her physical, you would be shocked at the visibility of it. I am your Heavenly Mother. My Light shines throughout the world. My Love extends throughout the world. My Light shines forth from the Heavens. I hand Hope to the whole world.**

**I beseech you, My children, to be aware that you live in a time worse than men accept it to be, for they rationalize, they theorize, they analyze, and they interpret as they please. Sound values must be a way of life. Sound standards must be acceptable where there is life.**

**O**ne day, when I walked the earth, I was present at a Teaching that My Son, The Son of The Father, conducted in the era of time in which We lived. I saw the Light shine around Him. I felt the Words and I knew Whose Words They were. I felt the Meaning transmit to the men and the women, and I smiled at this, for I knew those listening could only absorb a portion of This.

**M**y children, the Light of the Heavens shines through This Great Miracle of Hope. You are Blessed when you have the Faith to believe. Your prayers are answered when you request an answer, and hope is given at all times. Sometimes you are too busy to see it, to feel it, to recognize it, to accept it; but know, it is the Way of the Heavens to do this. No child born to the world is ever abandoned by God. No child born to creation is ever a hopeless child. No child who acts in Faith is cast out of the Light of Heaven.

**I** bless you, My children, and I say: ‘Your Faith is important every day. The Truth must be heard, the Light must be seen, thanksgiving must be given to The Holy King.’ So be it.”

OCTOBER 25, 1978

SAINT ALPHONSUS LIGUORI

**“My children, a lie is against The Father’s Will. There are no lies in Heaven. And when children make excuses, it is necessary for them to be sure that the excuse is not a lie, to cause impurity.**

**So many children throughout the world, cry easily, laugh quickly, hurt momentarily, when things occur that touch their emotional system.**

**The Power I am rushes through *this child’s* body to hand you the Light of Heaven. I am Saint Alphonsus Liguori. To take a child, as you, and prepare her, a physical body such as you, for the role to walk in the chosen path, takes much energy to transmit The Father’s Will. Men call it ‘a degree of ecstasy’, and men have determined the degree of that. Light is Sound, and through the Light in which *this child* stands, Our Words are direct from Heaven. My children, Heaven is real. Know this.**

**I offer you an explanation now of why *the child* has difficulty sometimes,**

in the capacity of air, for when We speak at given times, it is as suffocation, with the Power from Here. This is shown to you to show you how He hung upon the Cross, suffocating with the pull of the Body. I will release *the child* slowly from this. You are indeed Blessed in a greater manner than you know, and no man in the world has the right to disprove this.

So many times We have given Words, telling children of all kinds, all ages, all creeds, to remember moments of adoration, moments where communication would give them strength, communication with The Father of all mankind, for the Purpose intended by Him: for the Light of the world to remain for all time.

Men say, 'I have made a commitment, God,' and when The Father says, 'I have come to collect the commitment,' the child says, 'I am busy now.'

I, Saint Alphonsus Liguori, say: 'A fool would not tell you, "Do not lie." A fool would not tell you, "Obey The Commandments." A fool would not tell you to pray for the salvation of His Church. A fool would not care about

**your Future. A fool would not give you the time to learn. A fool could not care for the Light of The Father; for the sound values, the sound standards, the moral heights would not be the fool's care.'**

**We Here in the Heavens shout, 'Use your time wisely, use it to become a Saint.'**

**I reminded *this child* that the Light of the Heavens can be seen in a degree, momentarily; the degree being held so that the eyes of a human being would not bleed. I speak to *the child* as I speak to you, and I remind her of many things.**

**I remind her to remind you of The Heavenly Queen. Never omit your prayers to Her. Commit yourself totally, in service to Her. Her Light lights the Heavens. Her Love radiates in every place men look to Her. Be obedient, My children, to your devotions to Her. This is important.**

**This Great Miracle that bears The Beloved Joseph's Name, is a Gift of such Profoundness, such Magnitude to the world, that It leaves Its Mark in ways and in manners, through means**

**you cannot see, cannot feel, cannot know, cannot determine.**

**I, Saint Alphonsus Liguori, bless you with My Priestly Blessing, and I say, ‘Awareness is the first step to change; cooperation, the second step to changing one’s life, to reach for purity; and then the action to accomplish what is necessary, is of course, the right step.’ So be it.”**

OCTOBER 30, 1978 AT 4:09 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“Attention, all children in the world. Attention, to what the Heavenly Father decrees to be the Word. Attention, to the Lessons delivered for the good of mankind. Attenzione, to the Words from The Divine.**

**Men procrastinate, men deliberate, men eliminate the Value, the Meanings, the Importance, that is being given to the world for all of mankind. *An instrument* for time, *an instrument* subject to The Divine, is, in all ways, projecting the Words, the Meanings, the Teachings, the Valuable Soundness to human life.**

**There are many, many Judases that approach *this child*. There are many, many, who fall into the category of demons, who try to distract others from paying attention to *this child*. There are many in the world who walk in a demanding, commanding role, trying to destroy This Great Miracle that is for the good of the whole world.**

**A *child* has been put upon the earth, and through her, I speak to all of mankind. I shout, 'Attention to the Words.'** I shout to men of all languages. I shout an alert. I shout with the Beauty of Sainthood. I shout with the Love of The Divine and I shout with Truth.

**No child stands in the world such as *this child* stands, totally committed to Divine Rule, Divine Way. Men are jealous of *this child*. Men try to destroy her in every way. Men try to ignore her. Men try to sidetrack others from understanding What comes through her.**

**Men do not see the Value and the Justice of Me. Men say, 'You cannot hear from The Divine.' Men say, 'You cannot see such a Great Mystery.' And I, Saint Joseph, say, 'Man has proclaimed Me a Saint, for the Way I stood, the Manner in which I stood, the Reason for which I stood, and they have eliminated the Greater Portion of Me.'**

**I am That Portion of The Father, the Light and the Hope, the Wisdom, for men to better understand the need for themselves to walk into the path of**

**purity, the way of purity, the assurance of purity, the meaning of purity, for the end result of purity, to spend Eternity Here with The Holy Trinity.**

**Men believe what they want, what is comfortable for them; what is, to them, their capabilities, their capacity, their acceptance, their Faith. Here We have handed to the world more than Faith. We have handed Direction. We have handed Communication. We have handed Teaching, Learning, Direction, Projection, Hope, Love, Beauty, Dignity, Integrity, Total Facts.**

**No child has ever stood with such a burden upon their way of life, as *this child* through whom I speak holds the burden of Announcement to the world that I am The Third Person of The Holy Trinity. I am more than a Saint. I am The Holy Ghost. No child has ever been burdened with this Tremendous Task, to stand strong, for this admission to be made to the world, for all to seek, to give Hope to the world, and for all to better understand the placement upon the earth of The Son, of Which I was The Father upon the earth, of Which I was The Light to conceive.**

**So much, and yet men want It in their manner, their means. And when It is given with a directness that no one can compete with, or destroy, men say, 'I cannot believe.' It is sadness, but it is more than sadness, for in the act of not believing, men will find themselves lost to facades, to untruths, and they will find frenzy, turmoil, disaster, no hope.**

**Men must see the reality of My Way and how I came to the earth to give Strength, Justice, Example, Hope, in the Light of The Father's Will.**

**Be blessed, as you are. Stand firm, stand strong, and know, that men must know My Position in the world was given by The Father to be released at This Time when it is most needed for mankind. So be it."**

NOVEMBER 2, 1978 AT 1:00 P.M.

SAINT MARTIN DE PORRES

**“So much has transpired from Heaven, through This Great Miracle, that men have not followed nor have they seen the Magnitude of It that was for the good of their Souls.**

**I will speak now in the manner in which *this child* understands Me.**

**Men are abusing the Church that The Father instituted for the good of mankind. Men are desecrating The Great Gift from The Divine. Men are putting themselves in the place of The Father.**

**Men are causing slander to the young. Men are causing scandal to the young. Men are creating an atmosphere, not proper, not sound, not truthful, not good, but an atmosphere that contains only the selfishness, the hate, the dislike, the jealousy, the horror of the evil one’s way. Children are being exposed to, involved in so many areas where their lives are on fire.**

**I** am Saint Martin de Porres. I speak in Truth and I speak with Direction. I speak with a Light of Heavenly Means, Power, Manner, Way, Purpose, Degree, and yes, to instill in the proper way, the full meaning of and for the Purpose of human life.

**A** delicate subject is always difficult for man to handle, but a delicacy in food is somehow easy for man to handle. Why would food be so easy and a proper subject difficult? It has much to do with man's interpretation, man's theory, man's analyzing, man's will.

**I** hold her eyes in a degree of closing out the world. The Light of Hope shines through *this child* in a form some men accept, some men close their eyes to, and some men try to ignore.

**Men** shout, 'Never take the light from the world, God.' I, Saint Martin de Porres, say: 'The light of day has hope in it. The light of night takes the fear out of night. The Light of the Heavens gives strength: mental, physical, Spiritual. The Light of the Heavens is a Gift, embellished with Love, and contains a remarkable

amount of strength.' Men could not live without light. Men would find total sadness.

I will remain with *this child* for hours on this day, noticeable to her in every way, for the Light transmitted through her bears with It the responsibility to see things through, without personal gain, without personal acclaim, without personal claim. So be it."

NOVEMBER 15, 1978

SAINT JOHN VIANNEY

**“So many people throughout the world have diminished the Priesthood in so many ways. They have diluted the purpose of the Priesthood and the necessities that the Priesthood bears.**

**Men are deluding themselves where Faith is concerned, purity involved, and God’s Will should be at the bow and the stern. Men say, ‘I must look forward to tomorrow,’ and in so many ways the Light of Heaven has brought to the world Words that say: ‘Look for the Light today in the Teaching for tomorrow.’**

**My daughters, I stood upon the earth as a Man of God, with the Light of His Truth in all my words, with the Faith to uphold what I knew was good, and with the desire to extend to every man and woman and child His Love, through my words.**

**I am Saint John Marie Vianney, and I say through *this child*, ‘I come to the world with the Light of, not new words, but the Light of His Words for all mankind.’ Why so few Blessed**

**by These Precious Words? Why so few devoted to This Precious Direction, through Words understandable in your tongue, in your way, in your life? It is The Father's Will, for men to see the value of Pure Light.**

**You have been Blessed often by Many Here in the Heavens. And men shout: 'Why her? Why not me?' Men shout: 'Can it be true? I don't want to be fooled, God; I believe in The Holy Trinity.' Men shout: 'I am learning. How can it be?' Men shout to Heaven in every way, 'Why a woman like her, why not me?' And I, Saint John Marie Vianney say, 'Why not?' Even in the time in which He lived upon the earth, men said, 'Why Him, with so much Knowledge, so much Wisdom, so much Truth, so much to have others look to?'**

**The Light of the Heavens shines through This Great Miracle. Men must begin to see It, to feel It, to recognize It, to express It, to develop their Faith in It, and to use It as The Father intends It to be.**

***This child, through whom I speak, is the instrument of Life, Light, Hope, for men to seek the privilege of***

**Truth, the beauty of Wisdom, the Light to Here, the Light of purity. Purity has color, light, motion, incentive, intention, creativity, mobility, flexibility. Purity is love in a degree men cannot understand, but men must reach for, for All Eternity.**

**Be blessed, My children, by a Light of Hope. Be blessed by the beauty of Truth. Console yourself in the privilege of Faith, and deny yourself what you must deny yourself — a sinful state. Know that the Light of Heaven is the Light of Divine Hope, Divine Love, Divine Purity. Be aware of The Rules and The Commands that will make you think, make you use your will in the direction intended by The Father, for the good of your Soul.**

**In the time I stood upon the earth I gave many Blessings, seen and unseen; requested, not requested; in times of need, in times of happiness, in times of sorrow, in times of perplexities, in times when things were going so well that men did not feel the need of such a Blessing. I would smile, use my hand and say the words that I knew would gain the attention of The Father, for do not forget, I walked in the path He decreed it to be: a path of**

teaching, a path of Sacraments, a path of leadership, a path of self-denial, a path to give hope through example.

**I, Saint John Marie Vianney, say: 'You have been Blessed as you listened to My Words through *a child* who walks solely for The Holy Trinity. I want you to know that because This Great *Miracle Of The Beloved Saint Joseph* is what It is, was given to the world by The Father's Love, to announce Who This Beloved One truly stands as, All of the Heavens have come forward to teach, to extend, to give strength, to give hope, so children of all races, all colors, all creeds, will see the Light God intends, for them to come Here for All Eternity.' So be it."**

NOVEMBER 29, 1978

## OUR HEAVENLY MOTHER

**“The Light of Heaven is a Light no man could design. The Light of God’s Will is to give man strength. No man is so wise that he does not need God. No man is so strong, he does not need to lean upon God. No man in the world is a useful being without God’s Touch. There is nothing in the world that cannot be God’s.**

**The Light of Heaven stretches far to touch each child’s way. I speak through *a child*, My children, that is beyond human exhaustion in every way. The Power that is sent forth through her, the Light that radiates from her, is the Light of the Heavens, giving men strength to learn from, to learn how, and to use in prayer. *The child* that I use to extend to you hope, is *a child* as you, in the world; but the difference is, she is not of the world.**

**Light has facets to It. Light has meaning in It. Light is a Transference of many things. Light is Direction. Light is Forgiveness. Light is for men**

**to see the Value of Sainthood and the Beauty of The Holy Trinity.**

**My beloved children, I am your Heavenly Mother, and I use this time to reach you from The Divine. When you stand, your physical supports you. When you think, your mind supports you. When you pray, your Faith supports you. When you work, it is a combination of the physical, the mental and the Spiritual that supports you. The Light of Heaven pours forth through This Great Miracle to give you stability, sound values, sound standards to support you.**

**I want each child here to picture a great arena, lighted by the sun alone, with *this child* standing in the center of the arena. Each Direction in the arena has a purpose to it, all for the good of Souls; one Light brighter than the next, and *the child* has been commanded by The Father to attach herself to each Ray of Light present in the arena.**

**This is as it is on your Hill of Hope. One Light, one Ray, is for men to seek out the Sacraments; one Light, one Ray, for men to obey The Commandments; one Light, one Ray,**

for men to reach for purity; one Light, one Ray, for men to seek morality; one Light, one Ray, for men to be good example; one Light, one Ray, to aid men's talents, to be productive for the Will of The Father. Intermingled in These Rays are other individual Rays. These Rays are the individuals with whom *this child* comes in contact.

The arena is bright with Light, heavy with burden, and yet stands for all that is good. The reason I have placed her in the arena is so you could see the boundaries of This Great Place, for if I had told you it was open space, you might have wandered off beyond the walls and gotten lost, in the reason, the purpose and the need.

There is so much Light, My children. Be blinded by It, feel the necessity for It and recognize It openly. As your Mother in Heaven, I have given you this Blessing of Hope, and I say, '*This child* walks in an obedience no man can understand, no words can describe, no picture could be descriptive of, to truly transmit the Value of tonight.'

You are Blessed, My children, for the Will of The Father permeates

**This Great Miracle, for children to begin to see the Light of Divine Love in symmetry. So be it.”**

DECEMBER 23, 1978 AT 6:42 P.M.

## GOD THE FATHER

**“Sanctuary, to most men, would be protection against the things they are afraid of, the things they feel that are harmful to them. Sanctuary is important to man. Sanctuary reminds men there is a place to go to, to find refuge in, from many, many things.**

**My sons, there is more sanctuary in purity than in any other way of life. There is more sanctuary in service to Me than in any form of life. There is more sanctuary in loving Me than in accepting all things of man’s life. There is more sanctuary in desiring to accept Who I Am, What I Am, How I Am, How I Will things to be, for in this sanctuary there is a closeness of so many things.**

**Men in the world shout, ‘Intimacy, familiarity, dependence upon man.’ I say, ‘Service, dedication, commitment, loyalty, to Me, is the greatest assurance for life, in life, that any man in the world can have, can feel, can gain from.’ Men shout, ‘I must conceal my feelings for men will**

take advantage of me.' I, your Father, say, 'Your thoughts, your actions, your will, dependent upon Me, can assure you hope, reward, My Loyalty, My Understanding, My Love.'

At this time, in which you celebrate in the way of mankind, the time upon earth meant for the good of man, from The Divine, is a time of more Greatness, more Light, more Beauty, than you can comprehend.

Through *this instrument* of Mine, I could speak every moment of the day, giving Lessons ultimately, but men could only give attention to My Words for a given amount of time. So that is why I act through *a child* who appears, in every way, spontaneous in Thought, which is Mine; spontaneous in Words, which are Mine; spontaneous in Action, Mine; for this is the Manner, this is the Way I have Decreed it to be, for those who are in the presence of her, hear Me.

At this moment men gather, not all criticizing This Great Miracle, but trying to challenge It, to make It speak for Itself, for they know instinctively, they must rely upon Something more than they have. Men use *this child's*

name loosely. Men speak of *this child's* path for Me in a manner upsetting to Me.

There are many plans for the given future; 'immediate', you call it. *The child* knows it and she is aware of them. More conversation transpires than men know, and they are allowed to know all that is good for them.

*This child's* exhaustion is not man's concern nor care, but the Magnitude that is brought forth through this impossible degree of Strength, reaching Its maximum at this moment, is a Miracle of service, dedication, commitment, no man can know. I gather her, in what you term 'the Garment I am seen to have worn', to protect her from so many areas that try to penetrate what she is, how she is, and the reason for which she was born.

Be aware that This Great Miracle has been given to the world for many, many Souls, not for just the day in which you live, but for years to come, many; for children to better see the Light of the Supernatural World.

I speak lightly through her tonight, in your time, for it is difficult

for the weakness of the body to shout My Words as I Decree Them to be shouted to the world. But she knows the Power I Am, and I smile Here in the Heavens, for you see, she fears you will not understand, through her weak structure, Sounds, the Magnitude of Whom I Am. Apology always comes from *this child*. I want you to know this, for in My Honor, she would be like a bomb in the world if I allowed her the physical strength.

I bless you, and I say: ‘My Power shows. *The child* knows her service to Me is controlled.’ So be it.”

JANUARY 31, 1979 AT 8:40 P.M.

## THE HOLY TRINITY

**“The whole world needs *The Miracle Of Saint Joseph* and the whole world is screaming for help.**

**I have spoken many times through *this child*, through *this woman* in the world, and I have sought out men that I felt would begin an army of men, wearing the armor of love.**

**I have given to the world, Goals, Teachings, Directions, a Place. I have given Light, I have given Hope, I have motivated men to do My Will.**

**I have instructed men in various avenues and I have used *a woman* in the world to transmit My Words of Light, My Hopes. I have used *a small voice*, I have used commitment to Me, and I have transmitted to you My Will, the Will of The Holy Trinity.**

**My Light shines in and through Every Word *this child* speaks. I am sometimes in great sadness, for I know the physical is weak. The Light is Mine, My sons; the service, to Me, for all time.**

**I want no man to deny Me loyalty, respect, duty. I want no man to be insensitive to My Will and I want no man to treat This Great Gift of Light and Love frivolously.**

**I have come to the earth through *a child* in the world whom I knew would carry out My Will, for you to be with Me for All Eternity. I have stripped *this child* of self, and I say to the world, 'Through her, My Light is seen, My Will must be done accordingly.'**

**All of My Saints, Here with Me, have sent, have spread, have given Words for men to love Me. I want you to know I have given This Great Miracle to the world, for Souls.**

***This child* through whom I speak is *an instrument* far beyond what men know. I leave a Directive with you on this day in the world. Her tasks for Me are a millionfold. Why can I not use her totally for what I choose her for? The burden and the pressures must cease, for if they continue I will lose Souls. There is more to her way than she has been allowed to reveal.**

**My Power is so Great that the Words penetrate her, and the mechanism used to deliver Them**

**to you, absorbs the Light of Mine, creating a lag in time.**

**You have been Blessed by Me, but I want you to know, My Compassion, My Mercy, My Love, is different than yours, and I cannot allow men to go on acting in the manner they are acting.**

**I am releasing her slowly. No man in the world knows what a Tremendous Power surges through her when I speak.”**

FEBRUARY 5, 1979 AT 2:20 P.M.

**“Noticeably in the world, there is a Great Miracle of Light, Enlightenment, from God The Father. Noticeably in the world, there is a Task directed by God, The Father of all mankind, Who has requested a City in His Name that men will come to from all over the world to pay Honor to Him.**

**Noticeably in the world is a *woman* of small stature, and yet carrying the Burden, the Information, the Light and the Direction, for the things to be accomplished that The Father Decrees must be. Noticeably in the world, effort is being applied through *this child, this woman*, to accomplish The Father’s Will accordingly.**

**Men of all kinds, all heritages, all stations of life, would see the honor, the dignity of This Great Project if men involved were to stand in exact dignity, sincerity, hopefulness and sound projectivity.**

**Everywhere in the world men are praying to The Father for something**

to occur, something to take place, something to happen, so that devotion, respect and obedience will return to the Temple, to the Church, to the Place where Faith in God is particular in every way.

Noticeably in the world, small groups are being formed through This Great Miracle of The Beloved Holy Ghost that give constant Direction, constant Reminders and constant Teaching, to instill in each one, logic, strength, more Faith in The Father, and Soundness in beliefs, in every portion of life. There are no fickle, outlandish interjections of things that are not sound fundamentally, sound basically, sound in every way.

The disposition of What has been sent to the world has reached, in many ways, stumbling blocks, hazardous conditions and obstacles. The way must be cleared for *this child, this woman*, to walk in every place noticeably, for men to seek her out, look for the flair of the skirt, for they will know by the walk, she is present.

So many times men try to reduce What The Father sends, because in their own littleness, they try to hide

from the Magnitude of This Great Miracle, and they fail to comprehend the Purpose, the Reason It was sent to the world.

*This child, this woman*, through whom I speak for the good of Souls, has the burden of many, many problems upon her mind, body and Soul. Each area for which she is responsible, there are dramatic changes to take place. Each change will help the progress of Saint Joseph's Hill. This City, Named after The Father, bearing the Grace and Beauty of The Holy Ghost, takes on a Name Who was responsible, in the form of a Man, for the establishment of the Church.

Logic is evident and always noticeable when men seek the Value already spoken and the logic in It for the good of Souls.

A *warrior* is in the midst of the whole of the population of the world; not just *a child* or *a woman*, but *a warrior* who has been trained by the Guardian of Heaven Himself. He is called 'Saint Michael'. He has trained and taught *this child, this woman* well. Men, in their actions of not seeing the

**Magnitude of this walking, fail to see the Generosity and Mercy of God.**

**I have come to speak today, and there are so many things to be revealed in the days to come. The Revelings from Heaven, through *this instrument* of God, must reach all the corners of the earth, so men will begin to see He has answered the millions of prayers that have gone up to Him, and this is His answer: ‘See My Will, see My Way, through The Miracle. It is the Light of Hope and the Hope in Light for men to come to.’ So be it.”**

FEBRUARY 28, 1979 AT 8:05 P.M.

SAINT MICHAEL

**“Men talk and they write books about Faith, and men talk about prayer. Men talk about Heaven and men talk about Hell, but those who are talking have never been there. That is why, My children, Revelations through *a child* upon the earth, from Those Who stand in the Heavens, is of the utmost Importance for the guidance of Souls.**

**It is true We do not console very much. It is true We do not tolerate sin, impurities. It is true that when We use *an instrument* of The Father, We use *this instrument* at His Request and His Command. We talk with Purpose, We talk with Direction, We talk through a Light from Here. The sadness to Us is when men have little Faith to believe and to understand.**

**I am a Saint and I am One Who was sent to the earth to prepare *this child* for The Father’s Commands. I have been seen upon the earth at times that it was necessary. I bear the Name ‘Saint’, and in reality, I am known as ‘Michael’.**

**As I speak, as I have spoken, My Light shines forth, sometimes to be recognized, sometimes it is not seen, but the Power I stand in is The Father's, and I have come to the earth to speak.**

**Men must listen to This Great Miracle. Men must see the Light of It, the Light in It, the treasure of Hope that It brings. Men read books on ecstasies, but ecstasy is not always as it is written by men's dreams. The Purpose of This Great Miracle is to strengthen the children of all ages to combine their life with their hope, with their Faith, with their Goal, so they will one day come Here with The Beloved Three.**

**Miracles have been sent to the world. Men find them difficult to live with. Men do not see the Beauty of Light We send through This Miracle of Hope. Light dims, Light glows, Light shines, Light burns the eyes. Light is for you to know that you stand as a child in the Rays of God's Love, but you stand in the world, working with every fiber of your body, mind, your whole being, to one day come Here for All Eternity. If there are blemishes within your being, cast them out.**

**I, Saint Michael, speak and I say, 'The world is on fire with This Great Miracle in your day.' The Words must be scattered throughout the world. They must fall into every crevice, every opening, every spot. They must be told, to give hope. They must not be kept bound up in hidden places, for These are the Words The Father Wills to be known.**

**The Blessings you receive come often, the Direction, through *a chosen Soul*. You are fortunate, you are privileged, you are honored, for in this True Direction, it is all for the good of each child born to the world. Remember, as the Light dims, it is because your physical is weak. As the Light grows, it is hope. As your eyes burn, it is strength. So be it."**

MARCH 7, 1979 AT 8:30 P.M.

## SAINT ALPHONSUS LIGUORI

**“My beloved sons, I am Saint Alphonsus Liguori. I have spoken of Light, I have spoken of Hope, and I have spoken thousands of Words through *this child* who is in total submission to The Father’s Will.**

**Men cannot comprehend such a way of life. Men do not see the beauty, the sacrifice, the privilege, the honor, the integrity, to such a way of life. Men do not see how it can be done. It is totally The Father’s Way, The Father’s Will and The Father’s Request that is obeyed.**

***This child, this woman*, through whom I speak, is totally aware of what you think. The privilege is many times a greater sacrifice than men know, but it is a way of life to her, to help save Souls. Men try to confound her and to trick her. She is attacked by silence many times when this is the role.**

**Few men in the world understand This Great Miracle. They refuse to see the Light. They refuse to act and to uphold the Honor and Dignity This**

**Great Miracle enfolds. To many men, to many women, thousands of Words have been given, Words of Direction, Words to point out the path, and Words to show the beauty of loving God and learning from Him the importance of conception.**

**How many men in the world have been favored by the presence of This Great Miracle? Many. Men shout, 'I would be a warrior for God.' Not so, if all the facts and all the facets were mentioned.**

**Be aware, My sons, that on this night you were given much Direction, and in this Direction the Light of Hope shone, the Light of God's Love was given.**

**In the depth of This Great Miracle men must see the Truth unfold. Men must begin to recognize the horror of deceit, the imprudence in it, the imperfection it throws. Deceit, impurities, cunningness, immodesties, are against The Father's Will for many reasons, on many items."**

**He is showing me a waterfall. The water looks like it's coming out of a wall. There are Men standing under the waterfall and though They are**

being touched by the water, I do not see Them wet from the water, but it appears that the water is penetrating Their clothes. Their hair is not wet, it is dry.

The Men under the waterfall are in the garb of Our Lord's time. It's Peter, Andrew, James, John. I can't see, the water is thick there. Matthew. The water is blurring my eyes. I can't see the face. I can't, the water seems thick. Ah, It's Our Lord. It's Our Lord. He's smiling and He's saying, "As the water falls, the Words have fallen through This Great Miracle, never to dampen the spirits of the children, nor the hope, but to wash the air around them so they could reach for pure vision, and see the Majesty of Heaven unfold."

The water is clearing, the Men disappearing, and Our Lord is standing there with His Arms at His Side. And now it's as though He is being absorbed by the Light around Him. And I hear the Voice but I do not see Him. And He says, "Through *this woman*, through This Miracle, I have returned to the world. So be it."

MARCH 12, 1979

**SAINT THERESE OF LISIEUX**

**“God has the most beautiful way of pointing to all the facets of human life, and when He shows it in a Vision, it is what you and I would call ‘overlay’. God takes a picture of a human being, nondescript of course, in features, and then He overlays the Soul, which is the Most Important Part of you and I. And then God adds that beautiful ingredient, the will. And then He covers the whole thing with our Guardian Angel.**

**But don’t forget, these three things, plus our flesh, get us into an awful lot of trouble in many ways, because we are responsible for that Soul, and we think the Guardian Angel is just going to do everything and we won’t have to do anything. Not so. I wonder how many Guardian Angels teeter on the top of a ladder, waiting for that child to get that ladder back in place.**

**Then God puts another overlay on. He puts the overlay of Faith. Then He puts another overlay on, of**

heritage; then another overlay, of nature. Then He puts another one on, of environment; then another one, of knowledge and wisdom; and then another one, of talents, creed, and then it goes on and on and on, to every facet of our life.

There was a beautiful Vision one time when God said: 'The Soul of each child is like a diamond, and that is what *The Miracle Of Saint Joseph* is for, to return to Me, My Souls. They are like diamonds in the sky.' And These Diamonds, well, They glow in different degrees of Light. But He said, 'They brighten the Heavens,' and He talked about the Souls of His children. And when He spoke, He had spoken this way no other time, and He talked about the children that He wanted to return to Him, and He said: 'They think of Me in so many ways. They talk about Me in so many different avenues of life, but they forget that I have given them The Rules to live by and the manner in which I wanted them to think, to live, to follow, so that they would reach for purity, so when their Soul returned to Me there were no flaws, no blemishes, just Beauty.'

**N**ow, you and I know it is very difficult to get a pure diamond because earthly things are rarely pure, in a pure state, but when we have a pure diamond and it is clear, the clarity is there, it shows immediately.

**T**onight you and I, before we lay our heads, should look at our Soul as a Diamond that God gave us that was pure, and gave us to take care of It. We have to return that Diamond to Him in a Pure State. We can, if we work at it. All it takes is effort and our will.

**S**o tonight, when you go to bed, know that when you lay your head the Guardian Angel is there some place; but, your Soul is like a shadow of your whole being, a reflection of what you are, what I am. And this Soul is not just given to us for Lent, but this Soul is a daily thing for us to watch out for, to protect.

**W**hen God gave the world the Ten Commandments He gave them through a man, but God Himself delivered the Ten Commandments. This is not myth, it is not legend; it's Fact. But when God created, established and instituted Holy Mother Church, He did it Himself, firsthand. We have

something very special when we have the Faith to believe that our Church is the One True Church, because God established it, Our Lady is The Tabernacle, and The Other Portion of God instituted it.

So, with this much Love in the world, knowing the Truth of It, He gave us The Commandments, He gave us our Church. Now it is our obligation and our privilege to return to Him our Soul. He gave us the whole means, He gave us the whole way, He gave us the path to take. The path is purity. He gave us the Light of Hope. He gave us all the things it would take to return to Him. He gave us the physical life, which is the means to Him. We use this physical life, and through it we become Saints.

If tonight, we actually become aware, with all our problems, all our hurts, all our weaknesses, we become aware that we have a Special Gift from God, not just our Faith but our Soul, then tonight we begin — not tomorrow, tonight — to live the life that God intended us to live, a life to return to Him our Soul.

**I**t is probably good we do not see our Soul because we would become so aware of Its appearance we would not act for It. It would be a distraction. So God thought of everything. But the awareness of our Soul is very, very important, because, My little ones, when you are aware of such a Blessing, you will tend to use each moment to create around you a purity.

**I** stood many times in a Convent, using every little thought, every little act, to show The Heavenly One I wanted to be with Him above all things.

**A**s a very small child upon the earth, I realized that nothing on the earth could last. So, as I knelt by my bed one night I asked Him to show me the way for me, the path I must take to be with Him for All Eternity.

**You** walk in the shadow of My Name. You walk in the Light of Hope. You walk, ready to please, and I say to you on this night, 'Please Him first, for when you do, no time is lost.'

**I** bring Light where I am. I bring Hope where I am. I bring Truth. And when children look My way, I say to you today, 'I always direct you to Him, for as I kneel at His Feet I pray for you,

and when I walk the earth I cannot bear the sins.'

**You must look at the Light and prepare yourself so well. And remember, My daughters, that I walked as you walk, a human being in the world.**

**The Light that I shine through, I show Francesca Maria,<sup>1</sup> a Light of great dimension, the Light that she must give to you.**

**Remember, My daughters, What was spoken to you. And remember the overlay that depicts each facet of you. Offer what you are to Him. Ask His forgiveness, and know He loves to have you speak to Him, for when you are doing this, He knows your attention is where it will grow in purity, in love, in hope. And you must know, your physical life is, in many ways, surrounded by your Soul.**

**Heaven is real. Heaven is true. I, Saint Therese of Lisieux, say to you, 'There is a Place Here for each of you.' So be it."**

---

<sup>1</sup> Refers to the visionary.

APRIL 25, 1979 AT 7:55 P.M.

SAINT ATHANASIUS

**“*The woman* through whom I speak is a woman in your time. She mentioned My Name on this night, and I have been given the privilege to speak to you about some things you must recognize.**

**I am a Saint, as you must be one day, Here in the Divine. I am Saint Athanasius and I have spoken through *this woman* many times. The Light of Heaven shines through the Words, glows through the being, is extended through the Love for all mankind.**

**Be aware that you live in a time of darkness, and yet that darkness you do not see, as many do not see the Light of This Great Miracle. When there is such darkness in the world The Father sends Light, always to counteract, to balance, to give hope, to give strength, to show purpose. As He did in times before, He does again. His Love is extended through human flesh, through a willingness to accept ‘the sacrifice of life’ for other men.**

**There are Many Saints Here in the Heavens. There are many men and women upon the earth who are destined to become Saints. The number is not limited, but to become a Saint says that you must accept your Faith in the manner it was given: unselfishly, lovingly, charitably, protectively, earnestly. Your Faith is your food for your Soul.**

**The Light shines. It glows. It is extended through *a woman* in the world. Stop playing games with God, My children, and recognize the needs of your own Soul. Do not blaspheme, do not desecrate, do not be sacrilegious in following wrong things, wrong thinkings, wrong men, wrong women. Do not scandalize other human beings by your acceptance of unholy things.**

**I, Saint Athanasius, speak through *a human voice*, I speak through a human vein. It is now as it was before. The extension of The Father's Love is Hope for the whole world. So be it."**

MAY 1, 1979 AT 7:33 P.M.

SAINT ATHANASIUS

**“Men paint pictures. They step back, they look at the color, the reflection, the intention, the visual side. They never look behind the picture.**

**So many men paint a picture of This Great Miracle, and in their effort to portray what they see, to visibly show what they feel, they omit the scene behind the paint that they have strived to fit upon the canvas of life.**

**Now I, Saint Athanasius, say: ‘I take you behind the frame, behind the canvas, and I show you what This Miracle is all about. In reality, there is more color here. In reality, there is more motion, more activity, more meaning. In truth, there is more stability. And in so many ways, there is Direction, Teaching, Drive, Intention, Love, Hope, Stimulation, Exactness, Perfection, and totally speaking to men for purification.’**

**I beseech all men in the world to not just clamor for the beauty of what is on the surface, but to see beyond**

**the surface for the Beauty in the core of This Great Miracle for the whole world.**

**Another will speak later but I have given you the face of a Lesson to never be forgotten, for all men should see the reality of this Lesson, and all men must realize that the painting is to only please the eye, omitting the Value of Total Intention. So be it.”**

### SAINT ALPHONSUS LIGUORI

**“My beloved daughters, I am Saint Alphonsus Liguori. As it was said, the Beauty, the Perfection of the Ten Commandments was to give mankind the path to Heaven. I say it again, that it was The Father Who not only used a rock to place upon, for all mankind, The Rules, The Regulations, The Commands, The Demands, but as this was marked, it was also marked into the whole being of the beloved Moses. The Light of the Heavens, in Fire form, in Love, in Justice, in Dignity and Honor, brought forth to the earth The Commands.**

**A man stood in the Light of the Power of The Father and he absorbed the Directions, the Knowledge, the Wisdom, the Teachings, to hand to other men, for every facet of life to be covered so that men would not fall into the abyss of Hell forever after. These Commands were given so men would cast aside evil thinking, wrong intention and inadequate actions.**

**I stand in the Light of the Heavens and once again The Father has sent to the world *a child*, and He has implanted with the Fire of Divine Love, the Words that come through for you to learn from, to learn by, to reach out for, and to establish a strong justice within yourselves for All Eternity.**

**Many men try to deny the Magnitude of This Great Miracle that bears the Name of The One Who established the Church of The Father's Will. Light overshadows the darkness and diminishes the failures that men adhere to. This Great Miracle that bears the Name of God Himself, giving to the world once again, a Trinity of Love and of Light, for men to see better by, better through, better in. The Commandments were The Rules; the beloved Church, the Temple, the means; and This Great Miracle of Hope, of Light, of Divine Love, to re-establish man's thinking, man's needs, to attain the Goal intended by The Father: all men to return to Him in Grace, in Purity.**

**There is no place in the world so Blessed as your dear America. Many Saints stand Here in the Heavens, from places throughout the world, to**

**help you, in your eagerness, express, explain your Gift of Light to the whole world.**

**Ask yourselves on this night: If you lived in total darkness forever, what purpose would you have to live? If there would never be one streak of Light, one Heavenly Word, one touch of Love, what would you do upon the earth? If The Father were to take the sun and the moon, the stars, and there was to never be one moment of light, what would you do? This is what the enemy of The Father is trying to do. He cannot control the universe but he does want to control you.**

**You have been taught about The Rules The Father gave. You have been told the beauty of your way. You have been told to ignore the evil one's way. Have you done what you have been told to do?**

**Through This Great Miracle I say to you, 'Take the Light of Faith, take the Light of Learning, take the Light of Hope, take the Light of Divine Love and hold It close; but make it an active love and it will return to you a millionfold.'**

**You have been Blessed, not just by My hand, but by a Lesson of God's Intent. Remember, as you walk each day, you are not asked to walk in a world of total darkness. You are given the comforts to help you in every way, and on this night you were handed more comfort for your Spiritual way. Remember the Words. Only you can cast Them away. So be it."**
