Delivered Through Frances Marie Klug

“*I* am The Holy Ghost. I am Saint Joseph. I am The Protector of the Church that I established a time ago. I am The One known as ‘The Husband of Mary’. I am The One known as ‘The Father of The Son of God’.

*I* am The Wisdom of The Father for the whole world. I am The One Who came to the world to give the Strength, the Purpose, the Goal, for all of mankind.

SAINT JOSEPH, THE HOLY SPIRIT

*I* am the Fire. I am the Water. I am the Knowledge.  
I am The Protector for the whole world.

*I* am The Father. I am The Holy Ghost. I am That  
Portion of The Father that is the Mystery of Life, the Mystery  
of Hope, the Mystery of All Things. I am The Holy Ghost.

*I* am yet a Mystery to the world, though I have  
announced to the whole world that I walked the earth as a Man,  
and in this form I gave to the world a Church.

*I* am The One Who, in many ways, showed, to establish  
the Truths that had to remain for the whole world. I am, My  
children, The Spirit of The Father. I am The Wisdom. I am The  
Justice. I am The Hope. So be it.”

### THE FIFTH ANNIVERSARY OF THE MIRACLE OF SAINT JOSEPH

“*I* began all things in the proper way, in a way that *the child* would understand the Magnificence and the Truth of My Plan. I am your Father, and I speak to you on this day because it is a greater occasion for man than *the child* is able to say.<sup>1</sup> It is the opening of great gates. The gates lead mankind to hope, and there are many men in the world who say, ‘If *this child* is true, God will make it so.’

<sup>1</sup> Refers to the Anniversary of the Formal Beginning of The Miracle Of Saint Joseph.

JULY 28, 1972 AT 9:14 AM

GOD THE FATHER

So as you gather in happy occasion, in love for what is real, keep in mind one thing, that *this child*, chosen before birth and from the moment of birth destined to do My Will, suffered much in a physical way, and used many years to grow so in love with Me, that when the time did come there was no other word to say but, 'Yes, my God, my will Your Way.'

Everything that occurred at that moment of Announcement has been handled with dignity, and yes, a beauty you cannot know. All Heaven has taken part in This Miracle of Hope, This Miracle of Truth, This Miracle of Love. And when *the child* says to man, 'You are experiencing but one facet of This Miracle,' this is All Truth, for there have been many physical cures, there have been many cleansing of the way, for the Soul to come Here with Me one day. *The child's* hands are Mine, *the child's* arms are Mine, *the child's* way is Mine, *the child's* will does only The Divine.

Children, I announce many things to you today so you will better understand that Hope is really given to the world My Way. Some of you have experienced the Oil. I now explain to you: This Oil comes with My Power and It is handed to man when I Decree it to be. The Oils will become known as 'The Oils of Saint Joseph', and as *the child* does know, They can be multiplied when I decide this to be.

Children, I give you Faith, I give you Hope, I give you Love. Many times I have spoken through *this child*. Some of My little creations believed that It was I Who spoke, that It was

GOD THE FATHER

I Who said All the things. And those who closed their heart, their mind, and said it could not be, left empty inside, for you see, there is a beauty in trusting Me. Children seem to be more conscious of avoiding good than worrying about following evil.

Through This Miracle of My Beloved Saint Joseph, I want all mankind to see Me, to learn once more to understand My Generosity, My Love. The world will have an Announcement soon, for you see, in the Winds of My Power and in the Power of My Winds, It is I Who am spreading The Miracle you partake in. As I see fit, I place It in hidden corners, and as you know, I use *the child* around the world.

I take her from you and I place her in other ways to do My Work in a physical way, for when she appears at the side of a bed she is welcomed with love, and the child who lays upon the bed, physically ill, responds to her; for I prepare the way so the moment she appears, the one who will be helped by Me greets her with love, and she is the only one they see. But as I transmit My Power through her, the physical is cured and the child goes on to serve Me. When I whisk her away from these places, what is left is love for Me. Soon they forget the physical part, the transferring of the Power from Me.

So many things have occurred to *this child* and through her. The 'Preparation' was very difficult for her, but it had to be. And through the submission of *a little will*, you come now to a day where you see the Fruits of the labor, the Beauty of truth, the Magnificence of hope, the Peace of obedience, the

Tranquillity of trust, and the Desire to grow more in love with Me.

*Through the child*, I, your Father, bless you on this day, and as I do I want to say: ‘You gather here in a chosen way. I called you and you answered in a loving way. As *the child* was chosen for a particular way and task, you also were chosen and your service must last.’ And as I enfold you in My Arms and I caress you with My Love, I say: ‘I am your Father. Stay close to Me each day.’ So be it.”

### THE FOURTEENTH ANNIVERSARY OF THE MIRACLE OF SAINT JOSEPH

“One day many people throughout the world will celebrate this date, for they will realize that this date was the beginning of Special Important Revelings from God Himself, about God Himself.

The Mystery of God is a Mystery few men would truly dare to feel they had a solution of, and a solution to, as the Mystery

is necessary, is obvious, and always there. Such a Mystery is for the good of mankind, because man could not handle, cope with, fully understand, such a Magnitude or Extreme Being in existence.

*When* This Great Miracle was given to the world, God Himself had determined the Time, the Place and *the Instrument*, for all things in God's Way are timed, so that they will promote the results God intends to be.

*As* We stand Here in the Heavens, We All take Part in This Great Miracle that is giving to all mankind a Portion of One of the Mysteries of God, this being a very Important Revealing, for it informs man of the Truth behind the Physical Form of Joseph, Who not only portrayed a human life, but through This Existence upon the earth, this manner of being, gave to mankind the Institution of Religion, a form of Spiritual belief, understanding, involvement and practice.

*Up* to this time, it had not been God's Will that This be revealed, but the time in which you live made it The Time God chose, because of man's lack of sound piety, lack of pure understanding of how Faith in God should be practiced, and the false prophets who are misleading mankind into the briar patches of strictly humanistic values, humanistic standards, humanistic controls, humanistic interpretations, humanistic translations, humanistic theories, humanistic opinions, placing all the emphasis on the importance of humanism, leaving God out of many lives. Men omit piety in its full sense of sincere

reverence, dignified participation, and purity in its example to others.

Noticeably, upon the earth men are warring against each other, lacking in respect for each other, showing only barbarism toward human flesh. The imbalance of sound values and sound standards is prevalent throughout the world.

I was given the privilege by God to be the One to announce to *an individual* that she had been chosen for a Particular Task for God. At the time of the Announcement, The Father withheld the Saint's Name for Whom *the instrument* would be subject. Since the disclosure of This Name, the world has grown closer to God, to this Beloved Saint Joseph Who, It has been disclosed, as being 'The Holy Ghost'.

With this Important Message that was timed by God, each Step was considered Important in Its own degree, way, and amount, leading to the privileged Information men were to have. So many things have been revealed through This Great Miracle of Light, of Hope, of Knowledge, of Wisdom. All of Heaven has been involved. All were given the privilege to partake in This Great Miracle that was to help men of all races, all colors, all creeds, learn more about God, learn more how to please God, and learn more in how to become a Saint.

So much has been given to the world, it cannot be termed in a fashion men would use as love, hope, truth, but it must be said this way: In The Father's Pure Love for mankind, He has

*Continued*

handed man Pure Hope from The Divine. He has enriched man's intellect with more understanding of Him, and He has given man a Divine Gift, teaching man how to return to Him. In His Infinite Love for man, He has shown man direct paths for piety, direct paths for purity, direct paths that are paved with His Justice, His Mercy, and His Hope.

*I* am Saint Thérèse of Lisieux. I speak fourteen years later, this time knowing that *the instrument* has served in the Manner Decreed, but I come today to say there is much to be done in many ways, and men must realize that everything The Father Wills, everything The Father Wishes, must be done according to His Will. No obstacle can be too great, no diversion too much to change, no hurts too deep, no adversities more than can be coped with. All of Us Here in the Heavens shout to mankind: 'Never give up, never stray, never procrastinate, never delay. Forge on against all odds, penetrate the cities and the wilderness. Let no man stand in the way, so that God's Will, will be done in your day.' So be it."

### THE TWENTY-FIFTH ANNIVERSARY OF THE MIRACLE OF SAINT JOSEPH

*“We have taken a small body; We have, in so many ways, entered this body, using a Force beyond man’s understanding, in penetrating the human body to prepare the reception of The Father’s Will to be done. It could be interpreted to be abusive,*

OUR HEAVENLY MOTHER

because of the Strength of the Power that had to be introduced slowly in the preparation, for so many Messages to be received for the benefit of millions of Souls to one day come Here.

Today is truly a day that should go down in Spiritual History, for in this length of time, no human body could have endured the Power that has surged through it, for Words of Great Importance to be available in your time for the benefit of Souls of all mankind.

It is true, when We first began to be obvious in Our Entrance through this *small instrument*, the Power We used was foreign to the body, and Each Word was torture when It was allowed to come through. It is sad to see so many men, women and young people take for granted The Father's Gift of Divine Love for the Salvation of so many Souls.

When We talked in the beginning, those who heard the Words rarely saw the Beauty and the Real Miracle that was occurring. So many took It as an oddity, not in the real sense of the word. It was a Miracle happening before their eyes, a Miracle of submission of a will for The Father's Will to be done at a moment's notice, at any moment in time.

Man says, 'I do not want to suffer.' A great amount of physical suffering took place since the very beginning of This Miracle of Hope that is, that has been designed for the Souls of all mankind.

JULY 28, 1992 AT 1:30 PM

OUR HEAVENLY MOTHER

The deceit that passed before *this instrument's* eyes, before her being, was always seen by her. It still is. It is one of the Protections allowed, because The Miracle, as you know It to be, is for the Protection of the Souls. Many battles have been fought. No human being present, no human being would have or could have fought the battle for purely personal reasons.

Many of Us stand Here in the Heavens and are fully aware of the physical and the mental torture, the Responsibility that this *little instrument* of The Father is faced with every moment of every day. Many times We hear her say: 'God, can it stop today? I am tired. Has not enough been given? Are You not happy with the results?' And then, in the next breath, after this request, and after His Words pass through her, she is in many ways able to say, '*Your Will, God, not mine*'; not easy in the human mind.

Those who have passed physically through This Miracle of Divine Love have many times treated It lightly, and the awareness of this, because of their Soul, is one of the most difficult things for her to handle, to understand, or be a part of.

In the world today, there are so many thousands, millions, who constantly ask for a Miracle, mostly physical, mostly financial, mostly for personal needs. This Miracle has been given for a Purpose beyond what man cries for, asks for, seeks. This Miracle has been given for a Great Reason, and that is for the Salvation of Souls. It is not easy for man to understand why The Father has taken so much time to instruct,

to alert, to direct, to encourage so many verbally, and put so much in writing for That Portion of mankind, the Treasure in each human being that is ignored so much in the actions and in the mind; but The Father knows what a terrible thing it would be to lose This Portion of life to the enemy.

*I* will not speak much longer, for as you heard the Words in a continuity earlier on this day, twenty-five years ago, the torture of receiving These Words, in the manner you receive Them now, was unbelievable.

*I* bless the world with The Father's Love, and I beseech you to see that All He has given will be passed to every corner of the world, and even in different languages, if need be.

*I* have listened many times to the tears of *this woman* falling from her eyes. Tears have a sound, difficult for some to believe, but as your Heavenly Mother, I am aware of the sound of tears, for do not forget, I stood at the Foot of The Cross. I, too, had tears. Not too much is ever spoken of this. So be it.”

## SAINT MICHAEL THE ARCHANGEL

Delivered Through Frances Marie Klug  
August 7, 1992 at 11:37 AM

“*I* am Saint Michael. I was given the privilege to speak in the beginning of this Magnificent Gift to mankind, called ‘*The Miracle Of Saint Joseph*’. I was One of the First instructed to prepare her for the reception of millions of Words that were to pass through her for the benefit of mankind.

*Continued*

AUGUST 7, 1992 AT 11:37 AM SAINT MICHAEL THE ARCHANGEL

*T*he world has been Blessed abundantly by the Messages, formal and informal, that have been spoken, many written, so that mankind would understand the privilege of human life and all the things that are involved in human living, plus the Great Purpose for which man was created and the Ultimate Goal for the Soul that was instilled at the moment of conception.

*M*ankind has been taught the Generosity of The Father in the placement of a Soul, a Portion of Himself, in the beginning of human life of every child conceived. We have spoken about the Goal of this Soul being Sainthood.

*N*o human being truly understands the Magnitude of this Goal, this Ultimate Gift of The Father. Mankind must be alerted to All the Words that are being bound, not just for their attention, but for their understanding, and for their realization of what human life is all about and what human life's Purpose is, and that is to spend Eternity Here in the Heavens, by returning the Soul to The Father, bearing the name of the individual who walked with It through the human life.

*M*any men and women practice the vocation of instructing others in various subjects. Many of these men and women are not perfect examples of moral values, moral standards, and many do not have moral ethics, so those who are the students of these individuals must receive information regarding the necessity of spirituality in daily living, and must be taught that no matter how someone else lives, there are Specific Rules that must be adhered to in every occasion of life, in every decision of the will.

AUGUST 7, 1992 AT 11:37 AM SAINT MICHAEL THE ARCHANGEL

*I* leave you now, but I want My Words passed throughout the world and I want My Name attached to Them, because it is important for mankind to understand that as an Angel Here in Heaven, I have much responsibility and I am forever alert to the needs of man. So be it.”

realize and did not know that this prayer would be a great help in time of burden, hurt and despair, for no man can say, 'I love You, God,' and feel despair in any way. No man can walk a life of commitment to God and allow anything to come in the way.

The Light of the Heavens shines through This Great Miracle. The Light of The Father controls This Great Miracle, for in This Great Miracle there is Hope for the whole world.

The prayer, My children, is this:

*'For You, my God, I give my heart. To You, my God, I give my love. For Your Will to be done, I offer my whole way. I know, my God, You will give me the strength I will need in every way. Bless me, God, when I feel despair. Encourage me to always be fair. I love You, God. Help me to know what You want of me for the good of my Soul.'* So be it."

# “POSITIVELY THE WAY”

## **I. I AM THE LORD THY GOD; THOU SHALT NOT HAVE STRANGE GODS BEFORE ME.**

“I must never put anything, anyone, above God.

I must never put anything before Him, in my thoughts, in my words, in my actions.

I must never allow myself to omit Him from my life.

I must never forget that He is my Creator, and ultimately the Judge of my salvation.”

## **II. THOU SHALT NOT TAKE THE NAME OF THE LORD THY GOD IN VAIN.**

“I must never use foul language in God’s direction.

I must refrain from using impure words connected to His Name or with an emphasis on Him, whether it be in jest, in anger, in mere conversation.

His Name must never be tarnished by me in any of my thoughts, in any of my words, or in any of my actions, for I must never forget my actions speak, and are example to other men.”

## **III. REMEMBER THOU KEEP HOLY THE SABBATH DAY.**

“I must always remember a given time, an amount of time, must be dedicated in my honoring God, my Creator, my King.

I must return to Him in prayer, dedication, thanksgiving, communication, and love, the respect of observing Who He truly Is; who I am, His child.”

## **IV. HONOR THY FATHER AND THY MOTHER.**

“I must remember to honor God openly and privately, as He is my Father, my Creator, my Judge. I must respect and hold Him in a special place where others can imitate my feelings, my actions, my understanding of Him. I must be sure I reflect dignity, sincerity and respect for my earthly parents, plus all who are senior to me in authority and in stations of life that give sound order to my life.”

## **V. THOU SHALT NOT KILL.**

“I must remember to reach for purity so I will not kill my Soul and have It condemned to Hell for all eternity.

I must also remember to be aware that my actions, my works, my attitude, my personality, my words, my will, do not kill any part of another human being, whether it be their enthusiasm, interest, talents, direction, hope; also, their image in the eyes of other people.”

## **VI. THOU SHALT NOT COMMIT ADULTERY.**

“I must never use my body or anyone else’s body in any form of impure actions or words. I must hold God’s Purpose in mind in all my relationships with other human beings and never abuse intimacy, relationship, or the Purpose for which God created me.”

## **VII. THOU SHALT NOT STEAL.**

“I must never steal from God through jealousy, impurity, possessiveness, another human being’s love for Him, desire to please Him, dedication, or commitment to Him. I must never take from any other human being their right to use their own will in the manner they feel is just for them. I must never steal possessions or misuse others’ belongings. I must never be offensive or impure to other human beings, stealing their dignity, or well-being.”

## **VIII. THOU SHALT NOT BEAR FALSE WITNESS AGAINST THY NEIGHBOR.**

“I must never lie about another human being, gossip, or degrade them. I must never intimidate them in false, untrue, disgraceful situations. I must never judge another human being, causing disgrace or harm.”

## **IX. THOU SHALT NOT COVET THY NEIGHBOR’S WIFE.**

“I must never encourage or partake in the wrong relationship with the husband or wife of any other human being. I must never encourage intimacy or familiarity that will lead to sin, whether it be in the mind, in the intention, in the words, in the suggestion, or in the possessing of the whole of the person, in mind, in relationship, and in personal involvement.”

## **X. THOU SHALT NOT COVET THY NEIGHBOR’S GOODS.**

“I must never use, then keep another human being’s possessions. I must never abuse another person’s possessions. I must never take for granted that I have the right to own what belongs to someone else. I must never omit the respect necessary for what another man has earned for himself. It is not my concern as to what determines his amount of possessions, saying to myself, ‘He’ll never miss this,’ or giving way to some weak excuse, justifying a wrongdoing, or taking.”

# A MIRACLE IN OUR MIDST

In the Year of Our Lord  
Nineteen Hundred and Sixty-Seven,  
on the Twenty-Eighth Day of July,  
The Miracle of Saint Joseph  
was formally announced to  
Frances Marie Klug  
in Brea, California.

The Miracle of Saint Joseph began on July 28, 1967, in Southern California and continued for more than 42 years. As with other times throughout history, God chose a seemingly ordinary person to give sound direction, hope and example to the world, while taking on the extraordinary responsibility of working as His True Mystic for the sake of Souls.

**Frances Marie Klug**

Through The Miracle of Saint Joseph, God Himself, Our Heavenly Mother, Our Lord, Saint Joseph and many, many Saints spoke to mankind through Frances Marie Klug, who came to be known as *Mother Frances*. In this Miracle, Mother Frances delivered Heaven's Words spontaneously, as They were being spoken. Heaven's Words, also called *Revelations* or *Teachings*, were delivered through Mother Frances in a way that appeared so natural, which was consistent with her quiet, unassuming and

*Continued*

genteel manner. The Revelations and Teachings were meticulously transcribed and documented exactly as spoken, without alteration, in a collection called *Stories From Heaven*®.

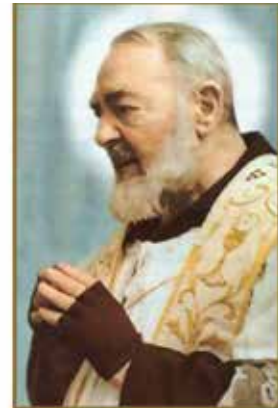

*A*s a True Mystic, Mother Frances accepted the responsibility of total submission to God's Will above all else. Some well-known True Mystics have included Moses, Saint Francis of Assisi, Saint Joan of Arc, Saint Teresa of Avila and Saint Padre Pio — all of whom dedicated their lives to accomplishing any task or mission requested by God, regardless of the opposition and adversities they faced in the world.

Saint Francis of Assisi

Saint Teresa of Avila

Saint Padre Pio

*F*rances Klug resided in Southern California as a wife, a mother and a grandmother until she passed away on November 15, 2009. Mother Frances lived in total submission to God's Will. As a Spiritual Mother, her first concern for everyone was always the well-being of their Souls. She was firm yet loving, refined and seemingly

natural, while quietly enduring great suffering and intense loneliness unknown to most others. The path that Mother Frances walked as God's True Mystic was possible only because of her total, unconditional love for Him.

**Frances Klug, True Mystic and Spiritual Mother**

*H*eaven often emphasized that this Miracle is for people of all races, all colors and all creeds. Through The Miracle of Saint Joseph, mankind has been taught that Sainthood is the Purpose of Life; that the Soul of every human being is a Portion of God; that He and the Saints are available at all times to help us; and that anyone can earn a place in Heaven by using The Ten Commandments as a Blueprint for daily living. Through The Miracle, God also revealed that Our Heavenly Mother is Divine and that Saint Joseph is The Holy Spirit.

## FORMAL ANNOUNCEMENT

Frances Klug, 1966

Some 50 years ago, in the early morning hours of July 28, 1967, The Miracle of Saint Joseph was formally announced to Frances Marie Klug.

We use the term *Formal* to describe the Announcement of The Miracle in 1967, because The Miracle of Saint Joseph began *Informally* with the birth of Frances Marie Kinsch in 1921.

A series of miraculous events had occurred throughout her life prior to the Formal Announcement, and even then God did not fully reveal His Plan to her all at once.

The story of the Formal Announcement began the evening of July 27, 1967, when Frances Klug and her husband, Robert, were joined in their Brea, California home by his mother, Adele, and his cousin, Rita Smith. Rita was a True Mystic who had devoted her life to working for Saint Thérèse of Lisieux. After a family dinner, Frances and Robert visited for several hours with their guests. Adele Klug had just returned from a cruise ship voyage, and the evening began with laughter and light-hearted conversation about her travels. As the evening progressed, the discussion turned to more serious matters.

At about 1:15 AM, the Sound of Wind began to echo through the family room. Although the Sound of the Wind was tremendous, everything was still. The family room was absolutely void of any breeze, and there was no wind outside

the home. Saint Thérèse appeared to Rita and instructed her to announce to Frances Klug that she had been chosen by God to walk a special, important path.

*F*rances Klug later described the Wind this way:

“There was no wind in the air, but there was a tornado blowing in the room. It was the Wind of The Holy Ghost. The Wind was so loud, It was the one thing that remained, and with the Wind of The Holy Ghost came The Miracle of Saint Joseph. It’s impossible to enlighten everyone to the Pure Sound in the Wind. It’s a Wind with a Power in It.”

*A* few hours later after everyone was asleep, Frances Klug returned to the family room and prayed to God The Father:

“If this is truly Your Will, please allow me to hear the Wind as before.”

*A*nd indeed, God allowed her the opportunity to hear the Sound of the Wind once again.

*T*he message given by Saint Thérèse of Lisieux to Frances Klug on July 28, 1967, became known as the *Formal Announcement* of The Miracle of Saint Joseph. On that evening 50 years ago, Frances Klug accepted the tremendous responsibility with grace and humility, because she wanted only to do God’s Will. From that point on, Frances Klug, with her husband by her side, lived a life of sacrifice, suffering and unwavering service to The Holy Trinity and The Miracle of Saint Joseph for the sake of Souls.

## PREPARATIONS FOR MOTHER FRANCES

After the Formal Announcement of the Miracle of Saint Joseph in 1967, Mother Frances endured a series of Spiritual and physical preparations for her role as God's True Mystic and Spiritual Mother.<sup>1</sup> She could not assume such a role overnight, and the preparations lasted many months under Heaven's direction. As Mother Frances explained later:

*“At the time, God being so aware of human weakness, He did not give the mission all at once – He couldn't – no one could stand it. Mankind is too little compared to God's Power. So in the Giving of The Miracle of Saint Joseph came the preparing. It was day by day, hour by hour. It was exhausting, and yes, it was painful. But in this pain I knew that only God's Will had to be, for It was the Aim of The Miracle.”*

For the benefit of the Souls of mankind, God The Father prepared and blessed Mother Frances with many Gifts. To protect her from any interference whatsoever, God gave Mother the ability to hear and speak Heaven's Words, and to see Heaven's Visions with the ears and eyes of her Soul. She was given a more perfect ability to listen, speak and see, in order to transmit to us Heaven's Word's and Visions.

In bestowing these Gifts upon Mother Frances, Heaven would burn her ears and eyes; not with a physical flame, but with God's Divine burning. The Miraculous Gift of The Holy Oils of

<sup>1</sup> On pages 30-31, the description of the preparations endured by Mother Frances is excerpted from seminars given in 2014-2015 by her daughter, Roberta Haag.

Frances Klug, 1969

seek or request these Gifts from God. They were pure Gifts from Him, bestowed upon her, His chosen instrument, according to His Divine Will.

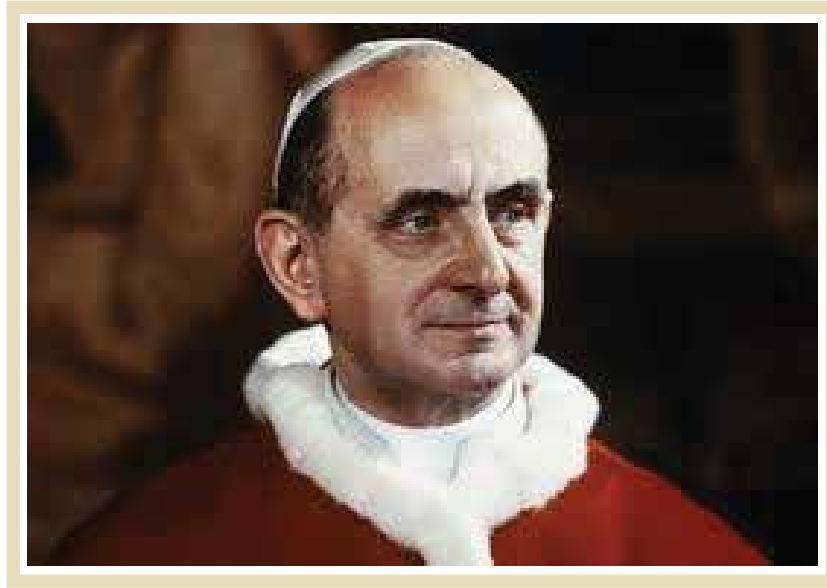

Mother Frances was prepared most intensely on the discipline of Obedience to God The Father, First and Foremost, above all else. Saint Michael was often present during the Lessons she received on Obedience to God The Father. To endure these demanding preparations and others that would follow, God bestowed upon Mother Frances an extraordinary degree of Grace.

The Spiritual Union between Heaven and Mother Frances was beyond human understanding.

*“The will of **this child** is so entwined with the Will of The Father that there is no edge to it. It is woven so tightly, so perfectly, so distinctly, that every act, every word is as a picture, a way of the Soul.”*

Delivered through Frances Marie Klug

## FIRST LETTER SENT TO POPE PAUL VI

Pope Paul VI

*G*od The Father established a line of communication through Mother Frances to Pope Paul VI by dictating the first in a series of letters to His Holiness on April 25, 1969. God offered the letters as a Divine Courtesy, to make those in charge of His Church aware of The Miracle of Saint Joseph.

*T*he intent of the letters was not to seek approval of The Miracle of Saint Joseph. God The Father did not need mankind to validate Him or how He would work in the world. By notifying The Holy See about The Miracle early on, Heaven gave Church leaders the opportunity to use their free will to accept or reject God's Words and Divine Wisdom.

*A* Revelation from Saint Joseph was enclosed with the initial letter sent to Pope Paul VI. As shown below, the letter was signed as follows:

**“The Signature is of the Heavens, the Signature Divine.  
No more need be said for now.”**

**“My Son,**

**Receive the enclosed document with an open mind. Do not reprimand the child through whom I send it. It is not of her doing. I, your Father, speak. Let the Words I give to you be known by those of whom you are in charge. The sacrifice this beloved child makes for Me is no longer a secret. My beloved Son, JOSEPH, must become known throughout the world now. I do not expect a Secretary of the Official State to keep this notice from you. It will fly to your hands at My Command. The child is small but the child is Mine. I speak through her as she cringes with My Words to the Father of her church, Pope Paul. She is completely obedient to My Will. The Preparation has been finalized and she is a woman in the world, but not of it. There will be a sign, My son, of truth in this notice that you will recognize as Me. Offer no doubt, look into it well, and ask Me to enlighten you of it. So be it.**

**The Signature is of the Heavens, the Signature Divine. No more need be said for now.”**

# SAINT JOSEPH'S HILL OF HOPE

Through The Miracle of Saint Joseph, God expressed His desire for people of all races, colors and creeds to benefit from the City of God, Saint Joseph's Hill of Hope. Designed by Heaven, the Hill of Hope was intended as a place of tremendous beauty, hope and peace for people throughout the world to visit, to gain the spiritual strength to live according to God's Will.

Volunteers worked alongside Mother Frances to raise funds for the down payment on a 440-acre parcel of land in Brea, California, for Saint Joseph's Hill of Hope, which was founded on April 1, 1972. The formal dedication ceremony was held on May 7, 1972.

Dedication on May 7, 1972

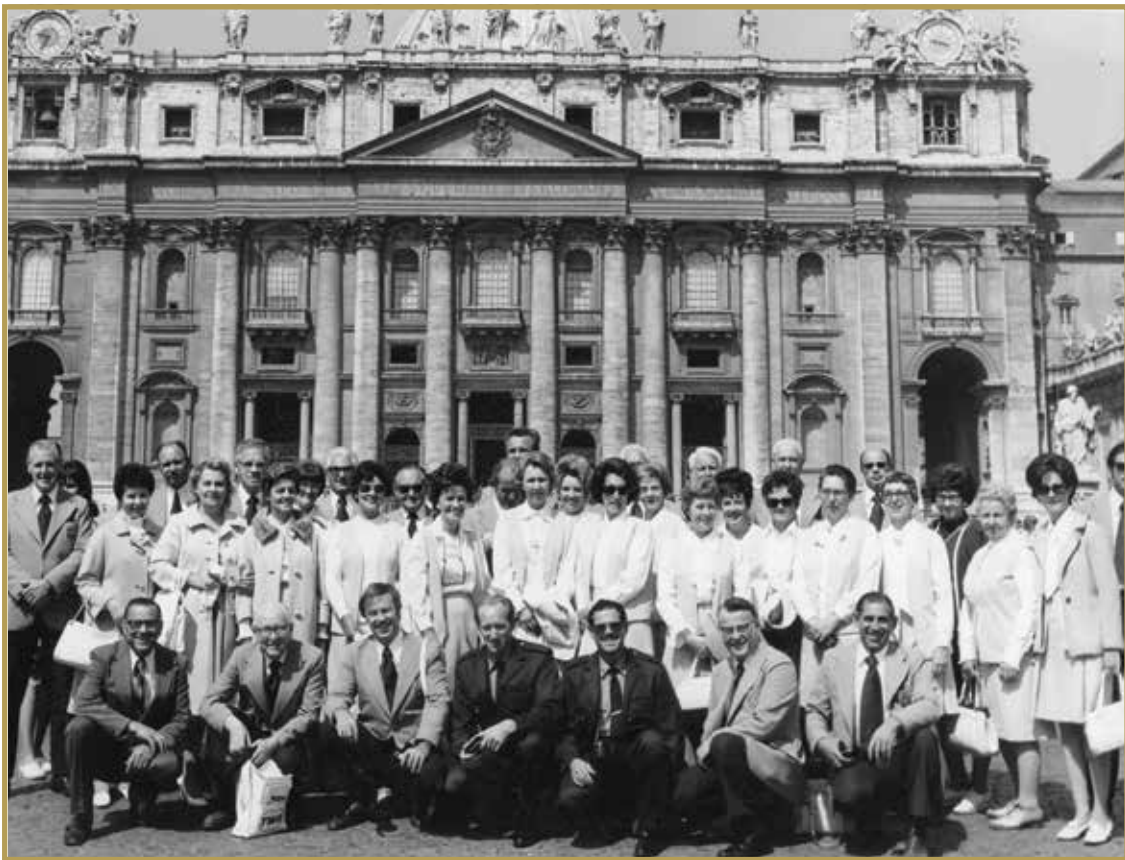

Saint Joseph's Hill of Hope was open to the public on Wednesdays and Sundays, and large gatherings of people came each week to pray the Holy Rosary and listen to the Revelations.

This is a view of one of the early Saint Joseph statues that was housed in the Shrine that volunteers built on the Hill of Hope property in 1972.

## VISITS TO ROME

*O*n May 12, 1973, Mother Frances and her husband, Robert Klug, traveled to Rome with a group of board members and volunteers representing Saint Joseph's Hill of Hope. This trip was the first of six visits that Mother Frances made to Rome.

This group photo was taken in front of Saint Peter's Basilica in Saint Peter's Square in Vatican City in 1973.

Top left: Photo taken during the second visit to Rome in June 1975. Mother Frances returned to Rome in the fall of 1975. She received Holy Communion from Pope Paul VI on October 12, 1975, during the Canonization Mass for Saint Oliver Plunkett, an Irish martyr.

Mother Frances and Robert Klug, along with several men from Saint Joseph's Hill of Hope, attended the Canonization of Saint Elizabeth Ann Seton on September 14, 1975.

## PRIVATE AUDIENCE WITH POPE PAUL VI

*M*other Frances spoke to Pope Paul VI during a private audience on May 2, 1976. The Pope was quite pleased to meet with her. “You are a special woman,” he said, and went on to share many difficulties that he faced. He told Mother Frances that He was surrounded by traitors, and that he had been betrayed by the very men who sat at the same table with him to break bread. The Pope presented Mother Frances with a Rosary.

This photo was taken just before Mother Frances spoke to Pope Paul VI. After a private audience, it is customary to offer each person a keepsake photograph taken with His Holiness. Although Vatican officials withheld the official photo taken when Mother Frances met the Pope, the photo above was recently obtained by Saint Joseph's Hill of Hope.

As Mother Frances left the private audience room, she was accompanied by John Dooley, a representative from Saint Joseph's Hill of Hope.

Mother Frances was joined by her husband, Robert, (left) and Victor Varisco Sr. when she departed Saint Peter's after the private audience.

## ACTIVITIES

Countless activities were launched to promote awareness of The Miracle of Saint Joseph and raise funds for Saint Joseph's Hill of Hope land payments. The land was paid for within 10 years, thanks to tireless efforts of the volunteers under the direction of Mother Frances. Activities included fashion shows, parades, May Crownings and Saint Joseph's Table events, charity balls, Christmas tree lots, fireworks stands, golf tournaments, yard sales, bake sales and many more.

To this day, Saint Joseph's Hill of Hope is the center of daily operations supporting the preservation, publication, and translation of the Revelations that were given through The Miracle of Saint Joseph, both online and in print.

*Fashions, Femininity and Grace* fashion shows were held in 1974-75 at the Beverly Wilshire Hotel. The fashions, part of the Treasury of Jewels collection designed under the direction of Mother Frances, were modeled by our volunteers. # FREEWAY BILLBOARDS

# STORIES FROM HEAVEN ALBUMS

A Hill of Hope volunteer created a beautiful painting that was used on the cover of the *Stories From Heaven* LP record album issued in 1973. The album included audio recordings of 20 Revelations delivered through Mother Frances on November 12, 1973, at a radio station in Anaheim, California.

CD Album, 2013

Forty years later in 2013, the same Revelation recordings were remastered and reissued as a CD album. On the CD album, the exact order and content of the Revelations were preserved as originally delivered and recorded in 1973, without any editing or sound quality enhancement. The two-disc set includes a booklet with an overview of The Miracle of Saint Joseph, along with the remarkable story of how the Revelations were delivered and recorded at the radio station in 1973.

## SAINT JOSEPH STATUE

*A* nine-foot statue of Saint Joseph carved in Carrara, Italy, was delivered to Saint Joseph's Hill of Hope on April 23, 1975. On that day, in a Revelation from Saint Joseph, He said the following:

*"You are blessed, and those who have participated in honoring Me have been blessed. I Myself blessed this piece of marble. Another Son blessed it, too. The Mother blessed it and The Creator blessed it. No matter how you feel about it, it must be cherished until the end of time."*

A large group of volunteers were on hand when the statue arrived, and they gathered to watch as it was removed from the shipping crate. A dedication ceremony was held at Saint Joseph's Grotto on May 7, 1975.

# STORIES FROM HEAVEN

The primary mission of Saint Joseph's Hill of Hope is to preserve, protect and perpetuate *Stories From Heaven* throughout the world. *Stories From Heaven* is a collection of 47 Volumes that contain more than 7,774 Revelations and Teachings given through The Miracle of Saint Joseph.

Throughout the Revelations, Heaven continually emphasized the urgency of making the Words known, for the sake of Souls.

*"You must not be so timid, so selective in handing out All I have given.*

*A Portion of Me, My Son, had to Sacrifice His human life, to show mankind the Importance of Me.*

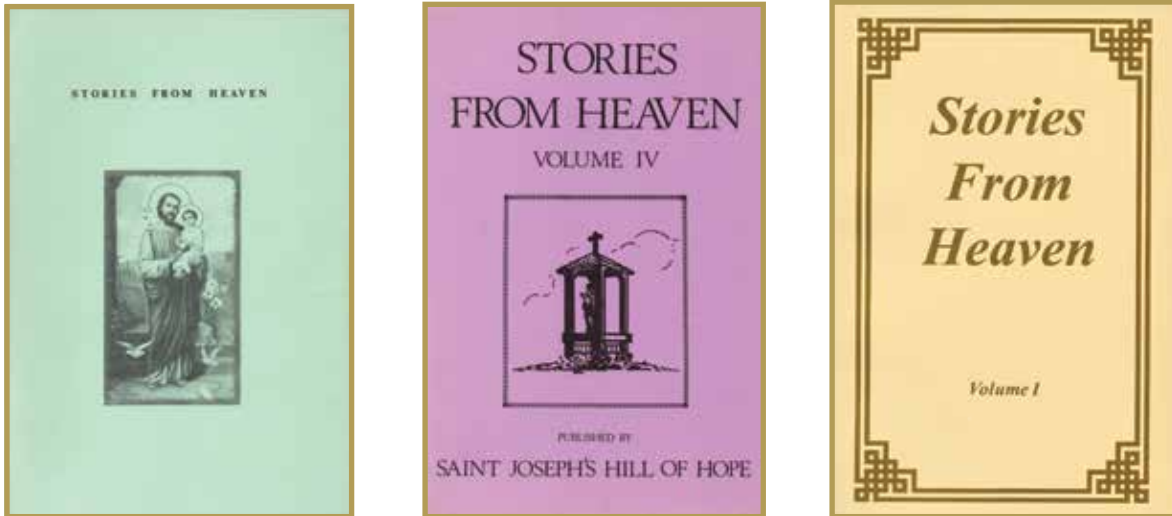

*Now I have handed the whole world Important Teachings, Instruction, and I see Them being safeguarded. My Son was not safeguarded by the men who walked daily with Him.*

*The Words from Here are to save Souls.*

**I Command It Be Done."**

# STORIES FROM HEAVEN

From left, two *Stories From Heaven* booklet covers from the 1970s, alongside a cover from the current Forty-Seven Volume set.

*I*n the early years of the Miracle, Revelation transcripts were typewritten, photocopied, and distributed in booklet form. By 1989, a formal printing process was established, and the first hardbound books were printed. When reprinted later, the text in *Stories From Heaven* was enlarged to make it easier to read. As requested by Mother Frances, some of the lengthier Volumes were separated into individual Books that are easier to handle.

*M*any technological advances have occurred since The Miracle of Saint Joseph came to the world in 1967. Volunteers still follow a meticulous process to preserve the Revelations, which are now digitally archived in a secure format that is instantly searchable by date, Saint, or keyword phrases.

# WEBSITE

The Miracle of Saint Joseph website offers instant access to the Revelations, Teachings, and countless Prayers that were given through The Miracle. Using a computer, tablet, or smartphone, anyone can access Heaven's Words.

In the following Revelation Excerpt given in 1996, Saint Bernadette seems to refer to computerization as a means of communicating The Miracle to others in our time.

*“Mankind talks about love, what it means to him or her, what strength it is, and in so many ways how it fulfills communication. The Father has now handed to mankind the ability to communicate morally, spiritually, All that has been delivered through This Gift of His Divine Love to the whole world of mankind in a matter of minutes.”*

# SPANISH TRANSLATIONS

“Children must know the Words from Here, in their language, in their way, and they must begin to read the Words that We have said through *this child* for years. Children must begin to see in print, the Purpose of life, the Way of life, the Direction to Here. You must get translators to do this job, to tackle this great task for God.”

The project has become so successful that more than 56,000 cards have been printed and distributed since 2011, including several translated to Spanish. A few samples are shown here.
